Welcome

It is a privilege to share this very important day with you, our students, who have worked so hard to reach this culmination point. Graduation is the perfect time to reflect, celebrate and dream.

Take the time today to think about where you've come from and the knowledge and experiences you've gained while at University. Many of you are different people than when you began this journey. You are hopefully wiser, more mature and more confident and you should feel proud of what you've accomplished.

Today is also about celebration. You deserve your moment in the limelight. As you walk across the stage today and receive your qualification, enjoy every second of it.

And finally, today is a day to dream. Since I've taken up the role of Chancellor, I've enjoyed hearing the many stories of how University of Waikato graduates are changing the world around them – whether that be in the smallest towns of New Zealand, or the largest cities in the world, our graduates do great things. And you will too.

Congratulations and best wishes as you make your way in the world.

Rt Hon Sir Anand Satyanand
GNZM QSO KStJ
Chancellor
University of Waikato

Graduation is a wonderful part of the tradition of universities. Our ceremony today combines elements that reflect 800 years of tradition since the first universities were established, as well as elements that reflect the University of Waikato's unique culture.

Our graduation ceremony recognises the hard work and scholarly achievements of each of our graduates. The perseverance and intellectual effort that you have put into every assignment, every exam, every lab experiment and late-night study session is reflected in our celebration of your achievements today. As Vice-Chancellor, it is an honour and pleasure to share it with you.

It is also a pleasure to those who have supported each of our graduates as they have undertaken study towards their degree or diploma. The cost of studying is substantial, and the focus and the effort required for successful completion of a qualification requires

sacrifices that impact on family and friends. Your support has no doubt played an important part in making our graduates' journey in tertiary education the success it has been.

To our graduates, I hope your experience at the University of Waikato has been fulfilling. I trust that you take away not only the skills and knowledge that you have acquired during your studies, but also great friends and memories of your time at the University of Waikato.

From today, you are a member of the alumni of the University of Waikato. We look forward to staying connected with you through the years and of hearing about your future achievements and success.

Professor Neil Quigley
Vice-Chancellor
University of Waikato

The University of Waikato Te Whare Wānanga o Waikato

The University of Waikato motto, Ko Te Tangata, means 'For the People', and articulates the University's philosophy that people are central to our organisation, and are our most valued resource.

It's an appropriate maxim given the University was established 'by the people, for the people', following many years of lobbying by a group of Hamilton locals, who saw an opportunity for the Waikato region to have its own university.

The University opened in 1964 with 181 enrolments, and today we are proud to welcome 12,000 students and employ 1,400 staff across two vibrant campuses.

The University is committed to academic excellence, and provides academically challenging programmes that reflect the interests of students and the needs of the employers, industries and communities.

Students at Waikato enjoy quality learning experiences and smaller class sizes, flexible degree structures, and work-integrated learning to ensure they are industry ready, and supportive research supervision from internationally acclaimed academics.

Campus locations

Hamilton

Our Hamilton campus is situated on 65 hectares of stunning grounds complete with cafes, lakes, vibrant Boon Street artworks, and on-campus accommodation.

Due to open in 2023, the University is currently building an innovative and versatile new facility at the Hamilton campus, The Pā, which will transform the on-campus experience for students, staff, visitors and the broader community.

Tauranga

Our award-winning Tauranga campus, just three years old, offers a modern learning environment that is a stone's throw from the beautiful Tauranga waterfront and downtown shopping precinct.

The state-of-the-art building was designed with students in mind, and displays stunning artworks that express a unique cultural narrative that reflects the relationship with mana whenua and, more broadly, with Tauranga Moana and Bay of Plenty iwi. The University also operates dedicated facilities in Tauranga for coastal marine and aquaculture research, as well as high performance sport.

China

The University has around 900 students at its joint institute with Zhejiang University City College (ZUCC) in China. The purpose-built institute, designed with New Zealand design principles, teaching approaches and standards, offers degrees in Finance, Computer Graphic Design and Design Media.

God Defend New Zealand

E Ihowā Atua,
O ngā lwi mātou rā
Āta whakarongona;
Me aroha noa
Kia hua ko te pai;
Kia tau tō atawhai;
Manaakitia mai
Aotearoa

God of Nations at Thy feet
In the bonds of love we meet
Hear our voices we entreat
God defend our free land
Guard Pacific's Triple Star
From the shafts of strife and war
Make her praises heard afar
God defend New Zealand
