OTHER FUNDING
Looking for further funding to support your study? The Generosity New Zealand Funding Information Service offers the givME website http://apps.generosity.org.nz/givME (formerly BreakOut).
Please note that givME is a subscriber service; checking it from a ‘private’ computer can cost a lot!
We strongly recommend that you use a University of Waikato computer, as we pay a ‘blanket’ subscription.
If you don’t have access to a University computer, access givME from a site that already pays a subscription, e.g. a public library.
Tauranga students can also access the givMe website from the University of Waikato campus in Tauranga.
Just log on using your student ID, go to the University of Waikato Scholarships website, select ‘Search for Scholarships’, the ‘Other funding’ and click on ‘Generosity New Zealand’, and start answering the questions.
Your answers will shorten the list to those awards you might be eligible for (instead of all of the thousands on this amazing web-site!).
International students will find it particularly helpful that, under the section ‘This is also relevant to me’, they can filter the list to show awards open to international students.
**Scholarships Currently Open for Application**

**Please note:** We have tried to indicate the ‘Level’ of each award. Please treat this information as a guide only; you still need to check the regulations to confirm your eligibility.

These $6,000 Scholarships are for students who will in 2018 be studying full-time in the last year of a bachelor’s degree, a graduate diploma, a bachelor’s degree with honours, a postgraduate diploma, or in the first year of a two-year master’s degree. Candidates will normally be undertaking this study for at least half of 2018. Applicants must:

- Have a good academic record
- Be a New Zealand citizen or permanent resident
- Demonstrate good citizenship, e.g. community service
- Show leadership potential.

These Scholarships are awarded without restrictions on gender, ethnic background, creed or age. Family association with Freemasonry is not a criterion for the award of a Scholarship. For further information and online application form, visit www.waikato.ac.nz/scholarships.

Despite what the application form says, applicants at this University should not attach a UoW Academic Record or their birth certificate.

Freyberg Scholarships (New Zealand Defence Scholarships) (UNZ)
Closing date: 1 October 2017
Level: Graduate / Postgraduate
Freyberg Scholarships are awarded for the purpose of encouraging graduate study into areas relevant to national security in the widest sense of that term. Study should be undertaken at a recognised institution in New Zealand or an Asia-Pacific country, including Canada and the United States. Preference may be given to applicants who have enrolled to study defence or strategic studies at a New Zealand university or who have enrolled in the Graduate Studies Programme in Strategy and Defence at the Australian National University. Proposals for a course of studies at an overseas institution located elsewhere will be considered on their merits. It is intended that graduates return to New Zealand, where it is hoped they will be better fitted to make a positive contribution towards debate and analysis of defence issues in such fields as government service, tertiary education or journalism.

One or more Scholarships, payable from a NZ$70,000 fund, may be awarded annually.

Further information and application forms are available from the UNZ website www.universitiesnz.ac.nz. Prospective applicants should contact scholarships@waikato.ac.nz before applying.

**HEERF Scholarships**

*Application date: Accepts applications year-round — applications generally considered March/April*

*Levels: Postgraduate*

HEERF makes available annually a series of postgraduate research scholarships open to NZ citizens and NZ permanent residence holders. The scholarships are typically linked to heavy engineering industry related research proposals administered by HERA, however scholarship applicants are also able to submit their own research project proposal.

All scholarship research proposals intended for funding through HEERF are required to go through the HERA Research Panel system for evaluation and prior approval before being submitted through the HERA Director to the HEERF Trustees. For further information, visit the website [http://www.hera.org.nz/MainMenu](http://www.hera.org.nz/MainMenu).

**LEARN Fellowships**

*No set closing date:*

The Livestock Emissions & Abatement Research Network (LEARN) is an international research network focused upon improving the understanding of greenhouse gas emissions from livestock agriculture. The Ministry of Agriculture and Forestry offers up to nine New Zealand LEARN Fellowships per annum for scientists or technicians from developing countries to work in New Zealand in the area of Livestock Emissions Research. The objectives of the network are to improve the quantification of non-CO\(_2\) greenhouse gas emissions from animal agriculture at all scales, and to facilitate the development of cost effective and practical greenhouse gas mitigation solutions.

There are two separate categories available. These are LEARN Work Trainee Awards (tenure up to six months) and LEARN Postdoctoral Fellowships (tenure up to twelve months). There is no set application close date for the Fellowships, instead they are dealt with on a case by case basis by MAF's advisory panel. It is expected that the majority of applications/nominations will be from/for individuals who have already established links with researchers at the NZ host institution/organisation. All candidates must be registered members of the LEARN Network, and may register at [www.livestockemissions.net](http://www.livestockemissions.net). The terms and conditions and application form can be downloaded from the Education New Zealand (ENZ) website [www.newzealandeducated.com/scholarships](http://www.newzealandeducated.com/scholarships).
