Poutama Pounamu

Raewyn is a facilitator for the University of Waikato team working in Poutama Pounamu – Equity, Excellence and Belonging. Raewyn has worked towards this goal in each of her roles throughout her career - from primary schools to secondary school teaching, striving to develop teams and individuals who can make a positive difference in education. She supports leaders, boards of trustees and teachers to critically understand and activate their agency across three dimensions for change; cultural relationships for responsive pedagogy; home, school and community collaborations and adaptive expertise driving deliberate professional acts in curriculum, policies and practices.
