The Golden Key International Honour Society Waikato Chapter

We are one of two Chapters of Golden Key in New Zealand, our society recognises and promotes academic excellence in over 400 Universities worldwide. The Waikato Chapter is involved with volunteer work, academic improvement and fostering leadership skills.

As a Golden Key member you have access to a variety of scholarships throughout the year, these can be applied for via this link http://www.goldenkey.org/scholarships-awards/listing/

For more information about our chapter and activities planned for B Semester, please go to our Facebook page http://www.facebook.com/GoldenKeyWaikato or email (Vice-President) at info@waikato.goldenkey.org.nz.

Please note that givME is a subscriber service; checking it from a ‘private’ computer can cost a lot!

**We strongly recommend that you use a University of Waikato computer**, as we pay a ‘blanket’ subscription.

If you don’t have access to a University computer, access givME from a site that already pays a subscription, e.g. a public library.

**Tauranga students** can also access the givMe website from the University of Waikato campus in Tauranga.

Just log on using your student ID, go to the University of Waikato Scholarships website, select ‘Search for Scholarships’, the ‘Other funding’ and click on ‘Generosity New Zealand’, and start answering the questions. Your answers will shorten the list to those awards you might be eligible for (instead of all of the thousands on this amazing web-site!).

**International students** will find it particularly helpful that, under the section ‘This is also relevant to me’, they can filter the list to show awards open to international students.
Scholarships Currently Open for Application

Please note: We have tried to indicate the ‘Level’ of each award. Please treat this information as a guide only; you still need to check the regulations to confirm your eligibility.

**Health Research Council (HRC) funding opportunities**

*Closing dates vary*

*Levels: Graduate / Postgraduate / Academics*

The Health Research Council offers an impressive range of funding opportunities. The following lists are just a selection of their grants and scholarships.

### Māori Health Research

Māori health research is research that values Māori world views and builds Māori research capacity and leadership. *View More*

- Māori Health Research Summer Studentships
- Rangahau Hauora Award
- Māori Health Research Masters Scholarships
- Māori Health Research PhD Scholarships
- Māori Health Research Postdoctoral Fellowships
- Ngā Kanohi Kitea
- Māori Health Research Development Grant
- Māori Health Research Knowledge Translation Grant

### Pacific Health Research

The primary role of Pacific health research is to generate knowledge and understanding of Pacific peoples that will improve their health outcomes. *View More*

- Pacific Health Research Summer Studentships
- Pacific Health Research Conference Travel Grants
- Pacific Health Research PhD Scholarships
- Pacific Health Research Postdoctoral Fellowships
- Pacific Health Research Masters Scholarship
- Pacific Health Research Development Grant

### Requests For Proposals

Requests for Proposals (RFPs) are calls for research in areas of strategic importance. They included, but are not limited to research that will contribute to an evidence-base for policy and planning. RFPs are released by the HRC as funding opportunities occur throughout the year. *View More*. For example:

- Community-based primary healthcare research
- Research Exploring the Health Implications of the Canterbury Earthquake
- HIV Behavioural Study of African Communities in New Zealand

### Researcher Initiated Proposals

The majority of HRC funding is awarded through the annual contestable funding round to research ideas that are researcher initiated. A competitive process ensures that high quality and relevant research is supported across four Research Investment Streams. *View More*. For example:

- Emerging Researcher First Grants
- The Sir Charles Hercus Health Research Fellowship
- Māori Health Research Career Development Awards
- Pacific Health Research Career Development Awards

More information is available by clicking any of the above links, or by visiting the HRC web-site [www.hrc.govt.nz](http://www.hrc.govt.nz).

### HEERF Scholarships

*Application date: Accepts applications year-round – applications generally considered March/April*

*Levels: Postgraduate*

HEERF makes available annually a series of post graduate research scholarships open to NZ citizens and NZ permanent residence holders. The scholarships are typically linked to heavy engineering industry related
research proposals administered by HERA, however scholarship applicants are also able to submit their own research project proposal. All scholarship research proposals intended for funding through HEERF are required to go through the HERA Research Panel system for evaluation and prior approval before being submitted through the HERA Director to the HEERF Trustees. For further information, visit the website http://www.hera.org.nz/MainMenu.

LEARN Fellowships
No set closing date:
The Livestock Emissions & Abatement Research Network (LEARN) is an international research network focused upon improving the understanding of greenhouse gas emissions from livestock agriculture. The Ministry of Agriculture and Forestry offers up to nine New Zealand LEARN Fellowships per annum for scientists or technicians from developing countries to work in New Zealand in the area of Livestock Emissions Research. The objectives of the network are to improve the quantification of non-CO\textsubscript{2} greenhouse gas emissions from animal agriculture at all scales, and to facilitate the development of cost effective and practical greenhouse gas mitigation solutions. There are two separate categories available. These are LEARN Work Trainee Awards (tenure up to six months) and LEARN Postdoctoral Fellowships (tenure up to twelve months). There is no set application close date for the Fellowships, instead they are dealt with on a case by case basis by MAF's advisory panel. It is expected that the majority of applications/nominations will be from/for individuals who have already established links with researchers at the NZ host institution/organisation. All candidates must be registered members of the LEARN Network, and may register at www.livestockemissions.net. The terms and conditions and application form can be downloaded from the Education New Zealand (ENZ) website www.newzealandeducated.com/scholarships.

New Zealand Defence Force Scholarship Schemes
