HANDY HINT:

It sometimes happens that a reference letter is still missing at the scholarship application deadline. For most scholarships, reference letters can still be submitted in the four days that follow the closing date. So, if you know that a reference is missing, don’t make the mistake of abandoning your scholarship application! Submit your application, and then remind your referee that they need to submit their letter urgently as per the application instructions.

SCHOLARSHIP SEMINARS

Scholarships to (and from) Germany

The DAAD Scholarship expert will visit the University of Waikato to inform interested students and staff about the opportunities for funding of study and research in Germany. There are awards for every discipline and every level: undergraduate, graduate, doctoral, postdoctoral, and staff. There are many opportunities for travel to and from Germany; most (if not all) don’t require proficiency in the German language. Come to the seminar to find out more.

DAAD Scholarship seminar

2.00-3.00 p.m. on Thursday, 3 May 2018

Meeting room B.G.24

(on the ground floor of B Block, the clock tower building)

There will be lots of useful general advice about studying and researching in Germany, as well as details about specific awards.

We look forward to seeing you at the seminar!

**The Golden Key International Honour Society Waikato Chapter**

We are one of two Chapters of Golden Key in New Zealand, our society recognises and promotes Academic excellence in over 400 Universities worldwide. The Waikato Chapter is involved with volunteer work, academic improvement and fostering leadership skills.

As a Golden Key member you have access to a variety of scholarships throughout the year, these can be applied for via this link [http://www.goldenkey.org/scholarships-awards/listing/](http://www.goldenkey.org/scholarships-awards/listing/).

For more information about our chapter and activities planned for B Semester, please go to our Facebook page [http://www.facebook.com/GoldenKeyWaikato](http://www.facebook.com/GoldenKeyWaikato) or email (Vice-President) at info@waikato.goldenkey.org.nz.

Please note that givME is a **subscriber** service; checking it from a ‘private’ computer can cost a lot!

**We strongly recommend that you use a University of Waikato computer**, as we pay a ‘blanket’ subscription. If you don’t have access to a University computer, access givME from a site that already pays a subscription, e.g. a public library.

**Tauranga students** can also access the givMe website from the University of Waikato campus in Tauranga.

To use this database under the University of Waikato subscription, you will first need to register to access the generosityNZ website by going through the UoW Scholarships webpage under ‘Other funding’ on a UoW campus computer, create a login & password to register.

Once you have completed your registration, you will receive an email confirmation. You will now be able to access this database on any device outside of the University of Waikato by using the link on the Scholarships website under ‘Other Funding’.
Please note: We have tried to indicate the ‘Level’ of each award. Please treat this information as a guide only; you still need to check the regulations to confirm your eligibility.

HEERF makes available annually a series of postgraduate research scholarships open to NZ citizens and NZ permanent residence holders. The scholarships are typically linked to heavy engineering industry related research proposals administered by HERA, however scholarship applicants are also able to submit their own research project proposal.

All scholarship research proposals intended for funding through HEERF are required to go through the HERA Research Panel system for evaluation and prior approval before being submitted through the HERA Director to the HEERF Trustees. For further information, visit the website http://www.hera.org.nz/MainMenu.

LEARN Fellowships

No set closing date:

The Livestock Emissions & Abatement Research Network (LEARN) is an international research network focused upon improving the understanding of greenhouse gas emissions from livestock agriculture. The Ministry of Agriculture and Forestry offers up to nine New Zealand LEARN Fellowships per annum for scientists or technicians from developing countries to work in New Zealand in the area of Livestock Emissions Research.

The objectives of the network are to improve the quantification of non-CO₂ greenhouse gas emissions from animal agriculture at all scales, and to facilitate the development of cost effective and practical greenhouse gas mitigation solutions.

There are two separate categories available. These are LEARN Work Trainee Awards (tenure up to six months) and LEARN Postdoctoral Fellowships (tenure up to twelve months). There is no set application close date for the Fellowships, instead they are dealt with on a case by case basis by MAF's advisory panel. It is expected that the majority of applications/nominations will be from/for individuals who have already established links with researchers at the NZ host institution/organisation. All candidates must be registered members of the LEARN Network, and may register at www.livestockemissions.net. The terms and conditions and application form can be downloaded from the Education New Zealand (ENZ) website www.newzealandeducated.com/scholarships.

Levels: School Leavers / Undergraduate / Graduate / Postgraduate

TeachNZ Scholarships are targeted at areas of priority for teacher supply, in order to meet increasing demand for teachers in some areas over the next ten years. TeachNZ states that the following areas have been identified: early childhood teachers, Māori-medium teachers, secondary teachers of specific subjects, and teachers in rural areas. These Scholarships are available for New Zealand citizens and permanent residents only. Further information and application forms are available from http://www.teachnz.govt.nz/scholarships.
