PAPER APPLICATIONS:

Hamilton  Applications can be dropped into Te Mata Kairangi School of Graduate reception, W block, W.G. 61 or deposited in the red drop box, Level 2 Student Centre.

Tauranga  Applications can be dropped into the Information Centre at either the Bongard Centre or the Windermere Campus.

HANDY HINT:

It sometimes happens that a reference letter is still missing at the scholarship application deadline. For most scholarships, reference letters can still be submitted in the four days that follow the closing date. So, if you know that a reference is missing, don’t make the mistake of abandoning your scholarship application! Submit your application, and then remind your referee that they need to submit their letter urgently as per the application instructions.
SCHOLARSHIP SEMINARS

Scholarships to (and from) Germany

The DAAD Scholarship expert will visit the University of Waikato to inform interested students and staff about the opportunities for funding of study and research in Germany. There are awards for every discipline and every level: undergraduate, graduate, doctoral, postdoctoral, and staff.

There are many opportunities for travel to and from Germany; most (if not all) don’t require proficiency in the German language. Come to the seminar to find out more.

DAAD Scholarship seminar
1.00-2.00 p.m. on Friday, 28 April
Meeting room B.G.24 (on the ground floor of B Block, the clock tower building)

There will be lots of useful general advice about studying and researching in Germany, as well as details about specific awards. We look forward to seeing you at the seminar!

OTHER FUNDING

Looking for further funding to support your study? The Generosity New Zealand Funding Information Service offers the givME website http://apps.generosity.org.nz/givME (formerly BreakOut).

Please note that givME is a subscriber service; checking it from a ‘private’ computer can cost a lot!

We strongly recommend that you use a University of Waikato computer, as we pay a ‘blanket’ subscription.

If you don't have access to a University computer, access givME from a site that already pays a subscription, e.g. a public library.

Tauranga students can also access the givMe website from the University of Waikato campus in Tauranga.

Just log on using your student ID, go to the University of Waikato Scholarships website, select ‘Search for Scholarships’, the ‘Other funding’ and click on ‘Generosity New Zealand’, and start answering the questions. Your answers will shorten the list to those awards you might be eligible for (instead of all of the thousands on this amazing web-site!).

International students will find it particularly helpful that, under the section ‘This is also relevant to me’, they can filter the list to show awards open to international students.
Scholarships Currently Open for Application

Please note: We have tried to indicate the ‘Level’ of each award. Please treat this information as a guide only; you still need to check the regulations to confirm your eligibility.

HEERF Scholarships
Application date: Accepts applications year-round – applications generally considered March/April
Levels: Postgraduate
HEERF makes available annually a series of post graduate research scholarships open to NZ citizens and NZ permanent residence holders. The scholarships are typically linked to heavy engineering industry related research proposals administered by HERA, however scholarship applicants are also able to submit their own research project proposal.

All scholarship research proposals intended for funding through HEERF are required to go through the HERA Research Panel system for evaluation and prior approval before being submitted through the HERA Director to the HEERF Trustees. For further information, visit the website http://www.hera.org.nz/MainMenu.

LEARN Fellowships
No set closing date:
The Livestock Emissions & Abatement Research Network (LEARN) is an international research network focused upon improving the understanding of greenhouse gas emissions from livestock agriculture. The Ministry of
Agriculture and Forestry offers up to nine New Zealand LEARN Fellowships per annum for scientists or technicians from developing countries to work in New Zealand in the area of Livestock Emissions Research. The objectives of the network are to improve the quantification of non-CO₂ greenhouse gas emissions from animal agriculture at all scales, and to facilitate the development of cost effective and practical greenhouse gas mitigation solutions.

There are two separate categories available. These are LEARN Work Trainee Awards (tenure up to six months) and LEARN Postdoctoral Fellowships (tenure up to twelve months). There is no set application close date for the Fellowships, instead they are dealt with on a case by case basis by MAF's advisory panel. It is expected that the majority of applications/nominations will be from/for individuals who have already established links with researchers at the NZ host institution/organisation. All candidates must be registered members of the LEARN Network, and may register at www.livestockemissions.net. The terms and conditions and application form can be downloaded from the Education New Zealand (ENZ) website www.newzealandeducated.com/scholarships.
