

Staff parking payment options

	Numbered Park Reserved Parking areas	Licence to Hunt Staff Parking areas	Pay-by-Plate General Parking areas
Cost	\$750/year	\$300/year	\$2/day
Payroll deduction	Approx. \$28.85/fortnight	Approx. \$11.55/fortnight	No payroll deduction
This is suited to	<p>Staff who drive to work every day.</p> <p>Staff who value always having the same parking space close to their building.</p> <p>Staff who come and go a lot during the day and don't have time to find a new park.</p>	<p>Staff looking for the lowest cost parking available (per annum).</p> <p>Staff who drive to work most days.</p>	<p>Staff who bring a car to work occasionally and only require casual parking.</p> <p>Staff who car-pool and are looking for a convenient way to share the cost of parking.</p>
Pros	<ul style="list-style-type: none"> • Your own personal parking space • Closer proximity to building/office • Hassle-free payment 	<ul style="list-style-type: none"> • Lowest cost option for year-round staff parking • Hassle-free payment • Park in designated staff parking area • Staff earning \$50k per year or less (pro rata) pay less – see FAQs 	<ul style="list-style-type: none"> • Low cost option for the occasional driver • No payroll deductions or payment commitments • Convenient way to share parking costs for car-poolers • Pay-by-Plate means no need to display ticket on dash
Cons	<ul style="list-style-type: none"> • Highest cost option • Staff applying for a Numbered Park after paid parking is introduced may need to go on a waiting list for a park that is close to their office 	<ul style="list-style-type: none"> • Parking space not guaranteed • Must move permit between different vehicles • Not as close to office/building as a Numbered Park 	<ul style="list-style-type: none"> • Must pay each day at machine • Higher cost than LTH if parking everyday (not recommended) • Must park in 'General' parking areas
