

Master's Scholarships in Bioprocessing

Applications are invited for a master's scholarship opportunity in the bioprocess engineering laboratory at the School of Engineering, University of Waikato. This project is part of a larger collaboration in the fermentation technology within New Zealand. The successful applicant should be eligible to enrol at the University of Waikato. Prior experience in operating fermenters and writing technical reports would be advantageous.

The master scholarship is open to **domestic students** only and is worth \$12,000, which includes a fees component of \$3,500.

Applications, including CV and the names of two referees, should be sent to Dr. Aydin Berenjian at aydin.berenjian@waikato.ac.nz

Closing date: 2 June 2015.
