University of Waikato Summer Research Scholarships

Closing : 31 Aug & 30 Sept 2009

Level : Undergraduate

Value : \$5,000

The Summer Research Scholarship Programme for 2009/2010 will have two closing dates, **31 August 2009** for the School of Science & Engineering and the School of Computing and Mathematical Sciences and the **30 September 2009** for all other Schools/Faculties/Colleges.

The University of Waikato Summer Research Scholarships are an initiative to provide promising undergraduate, honours, and first-year masters students with the opportunity to experience the challenges and rewards of research work.

The Summer Research Scholarships are offered in various disciplines during the summer study break. The number of Scholarships offered in any one year will be determined by the availability of funding and appropriate supervision.

A full list of projects on offer for the [School of Science & Engineering and the School of Mathematical Sciences](#) and [all other schools/faculties/colleges](#) are now available for students to [apply](#) for.

It is the recipient's and the Supervisor's joint responsibility to ensure that the project is completed on time. The Supervisor is responsible for obtaining Ethics Committee approval, should this be necessary.
