CONGRATULATIONS for making it to the end of Semester B! It’s been a demanding year, but you’ve made it through! It’s time to take a deep breath, reflect, and reward yourself for all that you have achieved this year. For those carrying on into summer school, our doors are still open during this period, so we welcome you to come in for a chat and ask for help if you need it.

If you are planning to study in 2017, now is the time to get your applications in for support (notes/tests). If you would like help with the application process, please give us a call or email.

-DSS Team

LIMITED FULL-TIME STATUS

If studying part-time is a smart choice for you because of illness/disability, now is a good time to get your applications in for limited full-time status. Just give us a call on 07 856 2889 ext. 6096 or email jee.park@waikato.ac.nz to book in a time so that we can help you with your application.

Stressed? Anxious? Overwhelmed?

Come along to a One-Mindfulness Piloga session to give your mind a break! We will be doing a bit of Piloga (Pilates + Yoga), with a mindfulness activity at the end. It will take only an hour of your time and your brain will thank you for it!

PS. Being fit and flexible is not a requirement!

These sessions will start S Semester 2017 and will be held every Thursday 2pm in the Chapel - Start date TBC.

Contact Jee at Disability Support for more details.

ELECTRONIC TEXTBOOKS

If you require electronic copies of textbooks, please see us at least 6 weeks prior to starting your course(s) so that we can arrange this for you.

SEATING / ROOMING FOR LECTURES

If you are a student with pain/back injury or limited mobility, please come and see us as soon as possible to arrange appropriate seating/rooming for your lectures over summer school and/or Semester A 2017.
SOFTWARE FOR ACADEMIC READING & WRITING

If you are struggling with academic reading and/or writing, come see us about Read&Write literacy software or Dragon Naturally Speaking. We may be able to help you fund these, so please let us know if you are interested.

How Read&Write can help you:
- Hear documents & web pages read aloud.
- Create audio notes within a document.
- Understand unfamiliar words with text and picture dictionaries.
- Word prediction for writing.

Dragon Naturally Speaking will accurately transcribe spoken word into written format. All you need to do is dictate and the software will type for you. Come see us to find out more about how Dragon can help you with your studies.
