The Frank and Alma Kemp Scholarship recognises that for many prospective students from the East Coast Region that family and financial circumstances may hinder their opportunity to study at University. Frank and Alma Kemp lived on the East Coast for most of their lives and were very focussed on education opportunities for their own children, as well as helping other parents in the community to find education opportunities for their children within the limited options available. The Scholarship commemorates Frank and Alma Kemp’s commitment to the East Coast and its families. This Scholarship was established in 2018 and was made possible through the generous donation of their daughter Liz Kemp.
