The Sir Paul Callaghan Eureka! Awards
Closing date: 30 June 2020
Level: Secondary School / Undergraduate
The Sir Paul Callaghan Eureka! Awards competition challenges secondary school and tertiary undergraduates to deliver a 12-minute presentation about how an application of science or technology will benefit New Zealand’s economic, environmental and social wealth and well-being.

To deliver a successful Eureka! presentation contestants will demonstrate:
1. Knowledge of an area of science, technology, engineering or mathematics
2. How their area of knowledge and interest can be (or is being) applied to enable tangible benefit to New Zealand’s economic, environmental and social wealth and well-being, so helping deliver on Sir Paul Callaghan’s ambition for New Zealand
3. The presence and capability to communicate clearly, succinctly and persuasively to a general audience comprising people from business and the political arenas as well as the wider public.

The entry process into the Sir Paul Callaghan Eureka! Awards is split into two forms. In the first form, due at the end of June, you will submit your contact information and in the second form, due one week after the first form closes, you will submit your presentation name and your choice of scholarship. The reason for splitting up entry into contact and presentation information is that you can sign up early and we can remind you when deadlines are coming up but when you first register you may not know what you are going to do your presentation on. Entry into the Sir Paul Callaghan Eureka! Awards is open to all secondary school and undergraduate tertiary students, younger than 25.

For further information: visit http://www.bluelagoonhearingtrust.co.nz/. Canadian Studies Awards
Closing dates vary
The Canadian Studies Program funds research and teaching in Canadian studies. The term ‘Canadian studies’ is defined as research in the humanities or social sciences which aims at a better understanding of Canadian society and or culture. Purely scientific subjects and proposals that focus exclusively on technological or methodological issues are not eligible.

Awards include the following:
- **ICCS Graduate Students Scholarship**
  Closing date: 30 September
  The International Council for Canadian Studies (ICCS) offers up to ten grants worldwide to masters and doctoral candidates to undertake thesis-related research on Canada at a Canadian university for 4-6 weeks.
- **Canadian Studies Internships**
  Teaching or research internships (assistantships) of 1-3 months duration at a Canadian or foreign university with a Canadian Studies Program. Applicants must have completed a doctoral degree on a topic primarily related to Canada, and not be employed in a full-time university teaching position.
- **International Research Linkages (IRL)**
  This programme aims to promote and facilitate international collaborative research between research teams from Canada and (one or more) countries where Canadian Studies are represented.
- **The Canada-Asia-Pacific Award in Canadian Studies (CAPA)**
  Aimed at promoting the understanding of bilateral and multilateral relations between Canada and the Asia-Pacific, this award assists scholars in higher education institutions or research and policy planning institutes in the Asia-Pacific region to undertake short-term research, including collaborative research.
- **ACCSANZ Postgraduate Travel Award**
  Closing date: 30 September
  Up to five grants are awarded each year to postgraduate students for a short research trip to Canada. Research must be related to the student’s thesis topic and in Canadian Studies.
- **ICCS Canadian Studies Postdoctoral Fellowship**
  Closing date: 30 September
  This programme enables Canadian and foreign academics who have completed a doctoral thesis on a topic primarily related to Canada to visit a Canadian or foreign university with a Canadian Studies program for a teaching or research fellowship. Fellowships are for a minimum of one month and a maximum of three months. Applicants must not be employed in a full-time university teaching position and must agree not to accept honoraria or salary during their fellowships. The grant will be C$2,500 per month plus the cost a return airline ticket.
- **ICCS Best Doctoral Thesis in Canadian Studies**
  Closing date: 30 September
  This ICCS Award is designed to recognize and promote each year an outstanding PhD thesis on a Canadian topic.

HEERF Scholarships

Application date: Accepts applications year-round —applications generally considered March/April

Levels: Postgraduate

HEERF makes available annually a series of post graduate research scholarships open to NZ citizens and NZ permanent residence holders. The scholarships are typically linked to heavy engineering industry related research proposals administered by HERA, however scholarship applicants are also able to submit their own research project proposal.

All scholarship research proposals intended for funding through HEERF are required to go through the HERA Research Panel system for evaluation and prior approval before being submitted through the HERA Director to the HEERF Trustees. For further information, visit the website http://www.hera.org.nz/MainMenu.

LEARN Fellowships

No set closing date:

The Livestock Emissions & Abatement Research Network (LEARN) is an international research network focused upon improving the understanding of greenhouse gas emissions from livestock agriculture. The Ministry of
Agriculture and Forestry offers up to nine New Zealand LEARN Fellowships per annum for scientists or technicians from developing countries to work in New Zealand in the area of Livestock Emissions Research. The objectives of the network are to improve the quantification of non-CO₂ greenhouse gas emissions from animal agriculture at all scales, and to facilitate the development of cost effective and practical greenhouse gas mitigation solutions.

There are two separate categories available. These are LEARN Work Trainee Awards (tenure up to six months) and LEARN Postdoctoral Fellowships (tenure up to twelve months). There is no set application close date for the Fellowships, instead they are dealt with on a case by case basis by MAF's advisory panel. It is expected that the majority of applications/nominations will be from/for individuals who have already established links with researchers at the NZ host institution/organisation. All candidates must be registered members of the LEARN Network, and may register at www.livestockemissions.net. The terms and conditions and application form can be downloaded from the Education New Zealand (ENZ) website www.newzealandeducated.com/scholarships.
