SCHOLARSHIPS TO WATCH FOR

Young Women in Public Affairs Award 2020

Closing date [for Hamilton-Waikato residents]: 1 March 2020
Level: Secondary / Undergraduate

The Young Women in Public Affairs (YWPA) Award encourage young women to participate in public affairs by recognizing the candidate’s commitment to the volunteer sector, evidence of volunteer leadership achievements and a dedication to empowering women worldwide through service and advocacy. ‘Public affairs’ refers to all aspects of community life where decisions have to be made about issues which relate to and affect those communities in which people work and live.

Eligible candidates will be young women, aged 16-19 (on 1 April 2020) who are studying at secondary or tertiary level, and who demonstrate the following:

- Active commitment to volunteerism
- Experience in local government, student government, or workplace leadership (paid or unpaid)
- Volunteer leadership achievements
- Knowledge of Zonta International and its programs
- Support for Zonta International’s mission of empowering women worldwide through service and advocacy

Zonta clubs around New Zealand offer this scholarship. Applications will normally be submitted through a candidate’s local Zonta club (use the Club Locator here or at www.zonta.org).

The Zonta club of Hamilton-Waikato offers a YWPA Award of up to NZ$500. This Club’s recipient’s application is then forwarded for consideration at District level, i.e. nationally, where the recipient receives an Award of up to US$1,500. From the ‘national’ recipients around the world, ten international recipients are selected; they may receive additional awards of US$4,000 each.

More details are available on the Zonta International website https://foundation.zonta.org/Our-Programs/Educational-Programs/Young-Women-in-Public-Affairs-Award.

Prospective applicants studying in the Hamilton-Waikato region should email hamiltonwaikato@zonta.org.nz or scholarships@waikato.ac.nz to request the application form.

Health Research Council (HRC) funding opportunities

Closing dates vary
Levels: Graduate / Postgraduate / Academics

The Health Research Council offers an impressive range of funding opportunities. The following lists are just a selection of their grants and scholarships.

Māori Health Research
Māori health research is research that values Māori world views and builds Māori research capacity and leadership. View More
- Māori Health Research Summer Studentships
- Rangahau Hauora Award
- Māori Health Research Masters Scholarships
- Māori Health Research PhD Scholarships
- Māori Health Research Postdoctoral Fellowships
- Ngā Kanohi Kitea
- Māori Health Research Development Grant
- Māori Health Research Knowledge Translation Grant

Pacific Health Research
The primary role of Pacific health research is to generate knowledge and understanding of Pacific peoples that will improve their health outcomes. View More
- Pacific Health Research Summer Studentships
- Pacific Health Research Conference Travel Grants
- Pacific Health Research PhD Scholarships
- Pacific Health Research Postdoctoral Fellowships
- Pacific Health Research Masters Scholarship
- Pacific Health Research Development Grant

Requests For Proposals
Requests for Proposals (RFPs) are calls for research in areas of strategic importance. They included, but are not limited to research that will contribute to an evidence-base for policy and planning. RFPs are released by the HRC as funding opportunities occur throughout the year. View More. For example:
- Community-based primary healthcare research
- Research Exploring the Health Implications of the Canterbury Earthquake
- HIV Behavioural Study of African Communities in New Zealand

Researcher Initiated Proposals
The majority of HRC funding is awarded through the annual contestable funding round to research ideas that are researcher initiated. A competitive process ensures that high quality and relevant research is supported across four Research Investment Streams. View More. For example:
- Emerging Researcher First Grants

Career Development
Career development awards help to foster the health research workforce in New Zealand. A range of awards is available to support the career development of emerging health researchers, including Māori and Pacific health researchers undertaking postgraduate qualifications. View More. For example:
- The Sir Charles Hercus Health Research Fellowship
- Māori Health Research Career Development Awards
- Pacific Health Research Career Development Awards

More information is available by clicking any of the above links, or by visiting the HRC web-site www.hrc.govt.nz.

HEERF Scholarships
Application date: Accepts applications year-round – applications generally considered March/April
Levels: Postgraduate

HEERF makes available annually a series of post graduate research scholarships open to NZ citizens and NZ permanent residence holders. The scholarships are typically linked to heavy engineering industry related research proposals administered by HERA, however scholarship applicants are also able to submit their own research project proposal.

All scholarship research proposals intended for funding through HEERF are required to go through the HERA Research Panel system for evaluation and prior approval before being submitted through the HERA Director to the HEERF Trustees. For further information, visit the website http://www.hera.org.nz/MainMenu.

LEARN Fellowships
No set closing date:
The Livestock Emissions & Abatement Research Network (LEARN) is an international research network focused upon improving the understanding of greenhouse gas emissions from livestock agriculture. The Ministry of
Agriculture and Forestry offers up to nine New Zealand LEARN Fellowships per annum for scientists or technicians from developing countries to work in New Zealand in the area of Livestock Emissions Research. The objectives of the network are to improve the quantification of non-CO$_2$ greenhouse gas emissions from animal agriculture at all scales, and to facilitate the development of cost effective and practical greenhouse gas mitigation solutions.

There are two separate categories available. These are LEARN Work Trainee Awards (tenure up to six months) and LEARN Postdoctoral Fellowships (tenure up to twelve months). There is no set application close date for the Fellowships, instead they are dealt with on a case by case basis by MAF’s advisory panel. It is expected that the majority of applications/nominations will be from/for individuals who have already established links with researchers at the NZ host institution/organisation. All candidates must be registered members of the LEARN Network, and may register at www.livestockemissions.net. The terms and conditions and application form can be downloaded from the Education New Zealand (ENZ) website www.newzealandeducated.com/scholarships.

**New Zealand Defence Force Scholarship Schemes**

*Levels: School Leavers / Undergraduate / Graduate / Postgraduate*

The New Zealand Defence Force offers four tertiary scholarship schemes across the three services to Engineering students. The majors in which the NZDF is likely to provide sponsorship are: Mechanical, Electrical, Electronics, Software, Materials, aeronautical Engineering and Mechatronics, however other majors will be considered by the individual services.
