The University of Waikato Alumni Scholarship was established in 2016 by the University of Waikato Alumni Association (Te Rauika Pukenga) to support alumni who are returning to study to continue their academic journey, whether that be in a new field or a higher qualification.

The Association was founded on the belief that tertiary education is not a short-term activity, but rather a life-long link between alumni, staff and their University. The Association is no longer in existence, but the Scholarship continues to be funded by the University of Waikato Foundation. The Foundation provides a total of $10,000 per year, which may be split evenly between up to two recipients each year.
