## New Zealand: Topographical Series. NZMS 260 1: 50,000

The Map Collection of the University of Waikato Library contains a comprehensive collection of maps from around the world with detailed coverage of New Zealand and the Pacific.

Editions are first unless stated. The maps are held in storage. Please ask a librarian if you would like to use one.

### NZMS 260 1: 50,000 topographical maps

These maps are dated from 1977 to 2003 and replaced the NZMS 1 1: 63,360 series. They, in turn, were replaced by the Topo50 series. [Index maps at bottom of this page.](#)
