

# EXPLORE OUR NEW ROAMING PACKS

Our new Roaming Packs are available on all mobile plans, in over 30 destinations around the world and last for 7 days.

Spark Roaming packs are now smarter too – you can enable the new Walk of Working feature from the My Spark Digital Portal, so you don't need to worry about purchasing packs while you travel. The selected pack will automatically purchase and activate when you arrive in one of our eligible roaming destinations.
