The Michael Baldwin Memorial Scholarship was established in 2004 in memory of Michael Baldwin, a member of staff at The University of Waikato at the time of his death in 2003. Michael had taught for a number of years in Papua New Guinea – at the institute currently known as the University of Goroka – before his appointment to the Centre for Foundation Studies. The Scholarship commemorates Michael’s commitment to teaching and to assisting others in their educational endeavours, and was made possible through the generosity of a donation made by the Baldwin family. Further details on Michael Baldwin can be found here.

A $10,000 scholarship will be offered each year until 2035 when it is anticipated that the funds will be fully depleted.
