Wednesday 25 March 2015, 1 pm-2pm, in room LAW.G.02

INTERCOAST is a multidisciplinary postgraduate programme of law, natural science and social science students run in collaboration with the University of Bremen and the University of Waikato.

INTERCOAST/CEREL, PhD students, Ingrid Leersnyder, Steven Farnworth, Christina Gawrych and David Gehrmeyer will present an overview of their research on legal issues surrounding coastal and marine issues in Germany and New Zealand, and their recent exchange experiences at both Bremen and Waikato Universities. Come and find out more about this programme and future post graduate study opportunities.

Lunch and drinks will be provided including vegetarian/vegan options.

RSVP to Diana Maliseva (Administrative Assistant) at dianam@waikato.ac.nz by 12 noon Friday 20 March 2015 for catering purposes.

Come along to Centre for Environmental, Resources and Energy Law Student Event
