FULBRIGHT SCHOLARSHIP PRESENTATION – TUESDAY 2 APRIL

The Fulbright team will visit the University of Waikato to inform interested students and staff about study, research, and teaching opportunities in the United States, and the Fulbright Awards which can help you get there.

The strongest applicants for their graduate awards often plan years in advance. So if there’s any chance you might want to undertake a Master’s or part/all of a PhD in the USA, come along.

There will be useful general advice about studying in the USA, as well as specific information about the wide range of Fulbright Awards.

A lot of the advice will be relevant to applications for other prestigious scholarships.

The information session will start at 3pm in L.G.04 (in L Block).

The room is booked until 5pm, so late arrivals will be welcome.

Anyone who’s interested but unable to attend can email scholarships@waikato.ac.nz to request a Panopto recording of the event.

HEERF Scholarships
Application date: Accepts applications year-round – applications generally considered March/April
Levels: Postgraduate
HEERF makes available annually a series of postgraduate research scholarships open to NZ citizens and NZ permanent residence holders. The scholarships are typically linked to heavy engineering industry related research proposals administered by HERA, however scholarship applicants are also able to submit their own research project proposal. All scholarship research proposals intended for funding through HEERF are required to go through the HERA Research Panel system for evaluation and prior approval before being submitted through the HERA Director to the HEERF Trustees. For further information, visit the website http://www.hera.org.nz/MainMenu.

LEARN Fellowships
No set closing date:
The Livestock Emissions & Abatement Research Network (LEARN) is an international research network focused upon improving the understanding of greenhouse gas emissions from livestock agriculture. The Ministry of
Agriculture and Forestry offers up to nine New Zealand LEARN Fellowships per annum for **scientists or technicians from developing countries** to work in New Zealand in the area of Livestock Emissions Research. The objectives of the network are to improve the quantification of non-CO₂ greenhouse gas emissions from animal agriculture at all scales, and to facilitate the development of cost effective and practical greenhouse gas mitigation solutions.

There are two separate categories available. These are **LEARN Work Trainee Awards** (tenure up to six months) and **LEARN Postdoctoral Fellowships** (tenure up to twelve months). There is no set application close date for the Fellowships, instead they are dealt with on a case by case basis by MAF’s advisory panel. It is expected that the majority of applications/nominations will be from/for individuals who have already established links with researchers at the NZ host institution/organisation. All candidates must be registered members of the LEARN Network, and may register at [www.livestockemissions.net](http://www.livestockemissions.net). The terms and conditions and application form can be downloaded from the Education New Zealand (ENZ) website [www.newzealandeducated.com/scholarships](http://www.newzealandeducated.com/scholarships).

**New Zealand Defence Force Scholarship Schemes**

*Levels: School Leavers / Undergraduate / Graduate / Postgraduate*

The New Zealand Defence Force offers four tertiary scholarship schemes across the three services to Engineering students. The majors in which the NZDF is likely to provide sponsorship are: Mechanical, Electrical, Electronics, Software, Materials, aeronautical Engineering and Mechatronics, however other majors will be considered by the individual services.

**TeachNZ Scholarships**

*Closing dates vary*

*Levels: School Leavers / Undergraduate / Graduate / Postgraduate*

TeachNZ Scholarships are targeted at areas of priority for teacher supply, in order to meet increasing demand for teachers in some areas over the next ten years. TeachNZ states that the following areas have been identified: early childhood teachers, Māori-medium teachers, secondary teachers of specific subjects, and teachers in rural areas. These Scholarships are available for New Zealand citizens and permanent residents only. Further information and application forms are available from [http://www.teachnz.govt.nz/scholarships](http://www.teachnz.govt.nz/scholarships).
