The ‘Ko Te Tangata’ School Leaver Scholarship  
*Closing date: 31 August 2020*  
*Level: School Leaver*  
The ‘Ko Te Tangata’ School Leaver Scholarship, named ‘for the people’, recognises the University’s strong connection and commitment to the schools and communities within Aotearoa/New Zealand.  
The University of Waikato has two main campuses – one in the Waikato and the other in the Bay of Plenty. The University was established thanks to the drive and determination of the people of our regions. The University also recognises the long-standing relationship and strong ties with the secondary schools of the Northland region, which (up to 2018) was recognised in the Northland Future Leaders’ Scholarship, and now has a special place in the ‘Ko Te Tangata’ School Leaver Scholarship. The University welcomes relationships with all schools and regions in New Zealand.  
The Scholarship is awarded primarily on the basis of evidence of academic readiness at NCEA Level 2 and strong community spirit. The Scholarship also recognises that for many prospective students, family and financial circumstances are factors that may hinder the opportunity to study at university, and special consideration will be given to applicants who demonstrate serious financial hardship and/or extraordinary personal circumstances.

Level: Graduate / Postgraduate
Freyberg Scholarships are awarded for the purpose of encouraging graduate study into areas relevant to national security in the widest sense of that term. Study should be undertaken at a recognised institution in New Zealand or an Asia-Pacific country, including Canada and the United States. Preference may be given to applicants who have enrolled to study defence or strategic studies at a New Zealand university or who have enrolled in the Graduate Studies Programme in Strategy and Defence at the Australian National University. Proposals for a course of studies at an overseas institution located elsewhere will be considered on their merits. It is intended that graduates return to New Zealand, where it is hoped they will be better fitted to make a positive contribution towards debate and analysis of defence issues in such fields as government service, tertiary education or journalism. One or more Scholarships, payable from a NZ$70,000 fund, may be awarded annually.

Further information and application forms are available from the UNZ website www.universitiesnz.ac.nz.

Prospective applicants should contact scholarships@waikato.ac.nz before applying.

HEERF Scholarships
Application date: Accepts applications year-round – applications generally considered March/April
Levels: Postgraduate

HEERF makes available annually a series of post graduate research scholarships open to NZ citizens and NZ permanent residence holders. The scholarships are typically linked to heavy engineering industry related research proposals administered by HERA, however scholarship applicants are also able to submit their own research project proposal.

All scholarship research proposals intended for funding through HEERF are required to go through the HERA Research Panel system for evaluation and prior approval before being submitted through the HERA Director to the HEERF Trustees. For further information, visit the website http://www.hera.org.nz/MainMenu.

LEARN Fellowships
No set closing date:
The Livestock Emissions & Abatement Research Network (LEARN) is an international research network focused upon improving the understanding of greenhouse gas emissions from livestock agriculture. The Ministry of
Agriculture and Forestry offers up to nine New Zealand LEARN Fellowships per annum for scientists or technicians from developing countries to work in New Zealand in the area of Livestock Emissions Research. The objectives of the network are to improve the quantification of non-CO$_2$ greenhouse gas emissions from animal agriculture at all scales, and to facilitate the development of cost effective and practical greenhouse gas mitigation solutions.

There are two separate categories available. These are LEARN Work Trainee Awards (tenure up to six months) and LEARN Postdoctoral Fellowships (tenure up to twelve months). There is no set application close date for the Fellowships, instead they are dealt with on a case by case basis by MAF’s advisory panel. It is expected that the majority of applications/nominations will be from/for individuals who have already established links with researchers at the NZ host institution/organisation. All candidates must be registered members of the LEARN Network, and may register at www.livestockemissions.net. The terms and conditions and application form can be downloaded from the Education New Zealand (ENZ) website www.newzealandeducated.com/scholarships.
