Important Notice

The information contained in the Calendar is correct at the time of publication. Certain information, and in particular that relating to fees, admission regulations and papers, is subject to a continuous process of review. The University therefore reserves the right to change its policies, procedures, statutes, regulations, papers and any other content of the Calendar at any time. Any alterations and amendments to the Calendar will be reflected in the web version, which is the authoritative version.

Unless specifically stated otherwise, all policies, procedures, statutes and regulations printed in the Calendar are effective from **1 January 2020** and supersede those in any prior Calendar. Matters concerning enrolment and examinations apply to the academic year for which the student is formally enrolled for the relevant paper(s).

While in most cases there are no specific time limits for completing qualifications, over the years the degree structures and papers may change in response to developments in their areas. Occasionally

core papers or requirements are changed or discontinued.

Candidates will have their overall programmes of study confirmed as meeting the requirements for the award of a qualification on the basis of the relevant regulations in the Calendar in their final year of study. However, if the regulations have changed since the candidate first enrolled for the qualification, the relevant Dean or Head, or equivalent, may decide in individual cases, under the *Personal Programmes of Study Regulations* and the *Delegation of Powers Statute*, to vary or waive particular requirements. Students who are uncertain about whether papers passed under previous regulations will meet current requirements should consult the relevant Dean or Head, or equivalent.

Detailed transitional regulations will be printed in the Calendar from time to time if substantial changes are made to the structure of a particular qualification.

The University of Waikato Delegation of Powers Statute

1. Title

This is the University of Waikato Delegation of Powers Statute 2014.

2. Date of effect

- (1) This Statute is effective from 1 January 2014.
- (2) This Statute supersedes the University of Waikato Delegation of Powers Statute 2012.

3. Definitions

In this statute:

Academic Board means the University of Waikato Academic Board established by the Council under schedule 11, clause 18 of the Education and Training Act 2020

Council means the Council of the University of Waikato established under section 271 of the Education and Training Act 2020

staff means staff employed by the University of Waikato.

4. Purpose

- (1) The purpose of this Statute is to set out the powers of delegation that exist in the University of Waikato under the Education and Training Act 2020, as set out in various policies, codes, regulations, committee constitutions and terms of reference, employment agreements and separate agreements made between the relevant parties.
- (2) The powers of the Council and the Vice-Chancellor to delegate under this Statute are subject to the provisions of the Education and Training Act 2020

5. Delegations by the Council

- (1) The Council may from time to time delegate any of its functions or powers to the Vice-Chancellor or to a committee.
- (2) The Academic Board is established by the Council under schedule 11, clause 18 of the Education and Training Act 2020 to exercise powers delegated to it by the Council.
- (3) A delegation by the Council does not affect or prevent the performance of any function or the exercise of any power by the Council or affect the responsibility of the Council for the actions of the Vice-Chancellor or any committee under the delegation.

6. Delegations by the Vice-Chancellor

- (1) The Vice-Chancellor may from time to time delegate any of his or her functions or powers to the Academic Board.
- (2) The Vice-Chancellor may also from time to time delegate any of his or her functions or powers to staff, either
 - (a) as set out in the relevant employment agreements
 - (b) in separate agreements made with staff from time to time
 - (c) through the establishment of advisory committees to the Vice-Chancellor
 - (d) through the determination of codes, policies and regulations.
- (3) Where the function or power was originally delegated to the Vice-Chancellor by the Council, a delegation by the Vice-Chancellor under section 6(1) or (2) above is subject to the prior approval of the Council.
- (4) A delegation by the Vice-Chancellor does not affect or prevent the performance of any function or exercise of any power by the Vice-Chancellor, or affect the responsibility of the Vice-Chancellor for the actions of any staff member or committee under the delegation.

7. Delegations by the Academic Board and other committees

Where the Council or the Vice-Chancellor has delegated any functions or powers to the Academic Board or another committee, the Academic Board or other committee may, subject to the prior approval of the Council or the Vice-Chancellor, as the case may be, delegate those functions or powers to

- (a) a sub-committee, or
- (b) a staff member.

8. Details of Delegations

- (1) Delegations by the Council to the Vice-Chancellor are as set out in the Council's [Governance and Management Guidelines](#).
- (2) Delegations of functions and powers by the Council and the Vice-Chancellor to committees of the University, and by those committees to staff, are as set out in the constitutions and terms of reference of those committees and published in the University of Waikato Committee Directory on the [Committees](#) page.
- (3) Delegations by the Council, the Academic Board and other committees and by the Vice-Chancellor through the determination of codes and policies are as set out in the provisions of those codes and

policies and published in the *University of Waikato Policy Framework*.

- (4) Delegations by the Vice-Chancellor to staff through the determination of regulations are as set out in the provisions of those regulations and published in the *University of Waikato Calendar*.

9. Power to alter or revoke

The particular delegations made under this Statute may be altered or revoked at any time by the party that made that delegation at its sole discretion.

10. Reporting Requirements

- (1) The reporting requirements relating to the relevant delegated functions and powers are as set out in the particular policies, codes, regulations, committee terms of reference and staff agreements, and must be followed.
- (2) If no such reporting requirements exist, the staff member or committee to whom a function or power has been delegated must report as instructed by the party that delegated it.

11. Monitoring

- (1) Responsibility for monitoring the performance of functions and exercise of powers by the Vice-Chancellor under delegation by the Council rests with the Council.
- (2) Responsibility for monitoring the performance of functions and exercise of powers by staff under delegation by the Vice-Chancellor rests with the Vice-Chancellor.
- (3) The Assistant Vice-Chancellor (Executive) is responsible for ensuring that
- (a) the University's committee framework provides for systematic reporting by committees against their delegated functions and powers as required in their terms of reference, and by staff to whom delegations have been made by those committees
 - (b) a programme of systematic monitoring of policy and regulatory compliance is in place in accordance with delegations of powers set down in the University's policy and regulatory frameworks.

Vice-Chancellor's Special Powers

1. The Vice-Chancellor may give such direction, or make such provision as he or she thinks fit for the relief of undue hardship where it is shown to his or her satisfaction
 - (a) that an alteration or amendment to statutes or regulations involving a change in a course of study or in examination requirements has caused a student hardship, or
 - (b) that official advice has been given and acted upon, and it is later found that a student's programme of study is not in accordance with the governing regulations and hardship would be caused if the student were to be compelled to comply with the full requirements of the regulations.
2. The Vice-Chancellor may, in consultation with the relevant Dean or Head or equivalent, give such direction or make such provision as he or she thinks fit where it is shown to his or her satisfaction that an unusual and particular case has arisen concerning a student's enrolment, in consideration of which no relevant provisions or regulations currently apply.
3. The Vice-Chancellor will report to the Academic Board any decisions made under these special powers.
4. A student may appeal to Council against a decision by the Vice-Chancellor under these special powers.
5. The Council decides appeals and makes any provisions that it considers appropriate.

Qualification Regulations

These regulations apply to candidates beginning their studies in 2020. Candidates who first enrolled in a qualification prior to 2020 are eligible to complete that qualification either under the regulations which applied at the time of first enrolment or the regulations which apply at the time of re-enrolment. Candidates who are resuming their studies for a qualification after an extended absence are advised to consult the Dean of the Faculty or School of Studies concerned at the time of re-enrolment regarding the requirements for completion. However, where there have been significant changes in the structure of a qualification or content of the major or specified programme during the candidate's absence, the Dean may prescribe a specific programme of study which will be deemed to satisfy the requirements for completion of the qualification.

Personal Programmes of Study Regulations

These regulations apply to candidates beginning their studies in 2020. Candidates who first enrolled in a qualification prior to 2020 are eligible to complete that qualification either under the regulations which applied at the time of first enrolment or the regulations which apply at the time of re-enrolment. Candidates who are resuming their studies for a qualification after an extended absence are advised to consult the Dean of the Faculty or School of Studies concerned at the time of re-enrolment regarding the requirements for completion. However, where there have been significant changes in the structure of a qualification or content of the major or specified programme during the candidate's absence, the Dean may prescribe a specific programme of study which will be deemed to satisfy the requirements for completion of the qualification.

1. **Title**

These are the Personal Programmes of Study Regulations 2012.

2. **Date of effect**

These regulations are effective from 1 January 2013.

3. **Delegation of powers**

The powers and authority of the Academic Board referred to in these regulations have been delegated in certain matters under the [Delegation of Powers Statute 2014](#).

4. **Definitions**

In these regulations

paper means a segment of work in a particular subject and is identified by means of a unique code number. Papers are delivered through lectures, tutorials, practicals and such other coursework as may be required by the department concerned

programme of study means the selection of papers taken by a candidate in any one academic year for a particular qualification

equivalent papers are in effect the same papers, one of which was taught in the past with a different paper code

restricted papers share a significant amount of common content. Candidates may therefore receive credit for only one of the papers listed. Restricted papers may not necessarily be used to satisfy prerequisite or corequisite requirements

a **prerequisite** must be passed before a candidate may enrol in the paper for which the prerequisite is specified. (A paper for which a Restricted Pass (RP) has been

awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Dean of the Faculty or School of Studies in which the other paper is offered approves otherwise)

a **corequisite** must be taken either prior to or concurrently with the paper for which the corequisite is specified

internal assessment means all or some of the following: essays, assignments and reports of various kinds, practical work, work in tutorials and/or seminars and tests

a **field** means a general area of academic study that includes a number of related subjects

a **subject** is a grouping of papers with a common academic theme, defined in terms of the listings under individual subject headings in the University of Waikato

[Catalogue of Papers](#). A department may offer more than one subject

a **major** means a principal area of study a candidate has chosen for a bachelors degree and is selected from those listed in the relevant degree regulations. A candidate is required to take a defined and substantial number of papers in the major at a range of levels up to and including 300 or 400 level

a **minor** means an additional subject to the major and is a requirement of some bachelors degrees

a **supporting subject** means an additional subject to the major, usually of at least 60 points in a single minor subject

a **specialisation** means a recognised pathway within a qualification or major which provides an area of focus within the qualification or major

points is the term used to express the student workload of a paper or programme. A normal full-time academic year comprises 120 points or 1.0 EFTS (Equivalent Full-time Student)

5. **Application**

These regulations apply to undergraduate certificates, undergraduate diplomas, bachelors degrees, bachelors with honours degrees, graduate certificates, graduate diplomas, postgraduate certificates, postgraduate diplomas, masters degrees and individual paper credits.

6. **Admission and re-entry**

- (1) In order to be eligible to be enrolled at the University of Waikato, candidates must meet the requirements of Section 255 of the Education and Training Act 2020.
- (2) The criteria for admission to the University of Waikato in a given year are determined by the Council and are set out in the [Admission Statute 2016](#).
- (3) The criteria for admission to a particular

- qualification in a given year are determined by the Academic Board and are set out in the [Criteria for Admission to Particular Qualifications](#) and the qualification regulations.
- (4) To ensure that a candidate is adequately prepared for a graduate qualification, the Academic Board will require relevant papers in the relevant subject or subjects of the qualifying bachelors degree to have been passed at grades which it deems appropriate.
- (5) Candidates are usually required to have majored in their bachelors degree in the main subject to be presented for a graduate degree. This requirement may be waived in cases where no more than one or two papers in a given subject are proposed to be incorporated into the candidate's graduate degree.
- (6) In exceptional circumstances, based on academic merit, candidates who have no more than 30 points left to complete the requirements of a qualifying degree may be permitted to enrol in a graduate degree, provided that they have completed all of the requirements of the major or main subject of the qualifying degree. The graduate degree will not be deemed to have been completed until the qualifying degree has also been completed.
- (7) The Academic Board may approve limitations on enrolment for programmes or papers due to insufficiency of staffing or resources. Limitations and the criteria for selection are published in the [Limitations Statute](#).
- (8) A candidate who has been awarded a particular qualification in one major or subject may only be re-admitted to the same qualification in another major or subject.
- (9) The criteria for re-entry for returning students are determined by the Academic Board and are set out in Part 3 of the [Criteria for Admission to Particular Qualifications](#).
- (10) In addition, the Academic Board may decline to re-enrol a candidate whose progress during the preceding year or years has not been to the

satisfaction of the Academic Board.

7.

Enrolment in a programme of study

- (1) The Academic Board may prescribe qualifying or additional papers which must be passed by a candidate either prior to, or concurrently with, the minimum requirements for a qualification. Qualifying or additional papers may be required if the candidate is considered by the Academic Board to be inadequately prepared in a core subject area.
- (2) Enrolment in a programme of study or paper is subject to the approval of the Academic Board. Such approval will be determined on the basis of the candidate's academic background as well as staffing and resources.
- (3) The personal programme of study of every candidate is subject to the approval of the Academic Board.
- (4) The papers for qualifications and their prescriptions are defined in the University of Waikato [Catalogue of Papers](#). Before enrolling for a paper, candidates must meet any requirements specified in the relevant prescription unless approved otherwise by the Academic Board.
- (5) Particular regulations governing qualifications may be varied or waived by approval of the Academic Board.

8.

Maximum student workload

- (1) The normal maximum full-time student workload for an academic year (excluding C trimester) is 120 points.
- (2) For the purposes of calculating workload, a paper that runs for the duration of two full trimesters has a workload equivalent to half of its points value during each of the trimesters in which it is taught.
- (3) The normal maximum full-time student workload for C trimester is 45 points.
- (4) Approval of the Academic Board is required for a candidate to enrol in a programme of study which has a workload equivalent to more than the normal maximum full-time workload.

9. **Completion of a qualification**
- (1) The minimum requirements for the completion of a qualification are defined in the relevant regulations.
 - (2) With the approval of the Academic Board, a candidate may be permitted to complete the requirements of a qualification in less than the minimum period of enrolment prescribed in the relevant regulations. Approval will depend on the candidate's academic record and on the availability of suitable teaching and supervision arrangements.
10. **Eligibility for Honours or Distinction**
- In order to qualify for Honours or Distinction in a particular qualification, a candidate may be required to complete the requirements within a prescribed time period of first enrolling for the qualification.
11. **Dissertations and theses**
- (1) The *Dissertations and Theses Regulations 2020* governing the presentation of dissertations and theses apply in these regulations and any dissertation or thesis required for a graduate qualification must be presented in accordance with these regulations.
 - (2) Enrolment in a dissertation or thesis, or a qualification which requires the completion of a dissertation or thesis, is subject to the availability of a suitable supervisor for the dissertation or thesis.
 - (3) For dissertations and theses, one or more supervisors will be appointed by the Academic Board. If the chief supervisor is also an examiner of the dissertation or thesis, at least one other examiner (who is not also a supervisor) will be appointed.
 - (4) A dissertation or thesis must embody the results obtained by the candidate in an investigation relating to some branch of the subject or subjects being presented, or, with the approval of the Academic Board, shall take some other form proposed by the candidate's supervisors and approved by the Dean(s) and Chairperson(s) of department(s) concerned. The chief supervisor or

sole supervisor will be required to certify that the dissertation or thesis embodies the candidate's own work carried out under the supervisor's direct supervision.

- (5) Dissertations and theses are assessed in terms of the points value they represent.

12.

Date for submission of dissertations, theses and research reports

- (1) The deadline for the submission of any dissertation or research report will be 4.00pm on the last working day of the paper occurrence which completes the candidate's enrolment in the total points required for the dissertation or research report.
- (2) The deadline for the submission of any thesis will be 11.59pm on the last day of the paper occurrence which completes the candidate's enrolment in the total points required for the thesis.
- (3) Candidates who expect that they will not submit their dissertation, thesis or research report by the due date may apply to the Dean or the appropriate staff member(s) with delegated responsibility for Graduate Studies of the Faculty or School of Studies in which they are enrolled for an extension of time without the requirement for re-enrolment, provided that the application for an extension is lodged prior to the deadline for submission.
- (4) Extensions will not normally be awarded for periods of more than 21 days beyond the relevant due date.
- (5) Candidates who do not submit their dissertation, thesis or research report by the due date, and who have not applied for and been awarded an extension, will be required to re-enrol for a minimum period to be determined by the Dean or the appropriate staff member(s) with delegated responsibility for Graduate Studies of the Faculty or School of Studies in which they are enrolled and will be liable for a further payment of tuition and any other fees and charges for the period of re-enrolment.

13.

Resubmission of dissertations and theses

- (1) A dissertation or thesis for a graduate qualification that receives a narrow fail may be returned to the candidate with the offer of an opportunity to revise and re-submit. The decision to offer such an opportunity is at the discretion of the Dean of the Faculty or School of Studies that offers the degree, and is based on a number of factors, including the likelihood that the revision will be successful, and the availability of suitable supervisors and examiners.
- (2) An offer by a Dean under subsection 13(1) of these regulations will be in writing, and any conditions attached to the offer will be explicit. The period allowed for the revision will be no more than the equivalent of one trimester and the deadline for submission will be prescribed. If the offer to revise and submit is accepted, the candidate will be eligible to receive a maximum grade of C and, in the case of a masters degree, will not be eligible for the award of Honours.
- (3) A candidate's acceptance of an offer to revise and re-submit and associated conditions must be in writing. The candidate must then re-enrol for the equivalent of one trimester and pay fees accordingly. For administrative and fees purposes, the candidate will enrol for the particular enrolment period in which the deadline for re-submission falls.
- (4) A 'provisional fail' is recorded against the first dissertation or thesis enrolment for the period of revision. The 'provisional fail' grade is replaced by a final grade (either a fail grade or a C grade, depending on the outcome), after the revision and re-examination processes are concluded.
- (5) The opportunity to revise and re-submit a particular dissertation or thesis may be offered to a candidate only once.

14.

Credit - transfer credit and cross credit

- (1) **Transfer credit** means credit towards a University of Waikato qualification for papers passed at another tertiary institution.
- (2) **Cross credit** means credit towards a University of Waikato qualification for papers passed towards

another University of Waikato qualification.

- (3) A candidate who has passed papers at an appropriate level at the University of Waikato or another tertiary institution may apply for credit in respect of those papers towards a University of Waikato qualification.
- (4) Applications for credit must be submitted on the prescribed form, together with the prescribed fee, to the Credit Office.
- (5) Applications for credit from another institution must be accompanied by a verified copy of an academic record. If the original document is not in English, the academic record must be accompanied by an official English translation of the record. The University reserves the right to request an original copy of an academic record.
- (6) The policy on the level and amount of credit which may be awarded from a completed qualification is determined by the Academic Board and is set out below:
 - (a) Credit from a completed qualification is normally only available towards a bachelors degree.
 - (b) Credit is not normally awarded from a completed graduate or postgraduate qualification.
 - (c) Credit from a completed qualification will normally be limited to no more than one third of the

completed
qualification.

(d)

Credit towards a University of Waikato bachelors degree from a completed qualification will normally be limited to no more than one third of the University of Waikato degree. For the purposes of this regulation, one third of a bachelors degree is considered to be 120 points at 100 and 200 levels, including a maximum of 60 points at 200 level. Where appropriate, the Dean may, at his or her discretion, permit 20 further points at 100 or 200 level to be credited towards a four-year bachelors degree where the Dean deems a paper to be relevant to the candidate's programme of study.

- (e) Credit will not normally be awarded for 300 or 400 level papers required for a major in an undergraduate degree.
- (f) No paper may count towards more than two qualifications.
- (7) The decision to award credit in individual cases will be made by the Dean of the Faculty or School of Studies concerned.
- (8) In making decisions on credit, the Dean will consider the relevance and level of the papers completed, the regulations of the University of Waikato qualification concerned, and the credit guidelines maintained by the Student Services.
- (9) Regardless of the total number of papers which an applicant has passed at other institutions, the total credit awarded will not be more than half of the total requirement of the University of Waikato qualification concerned, unless this is approved under subsections 14(10) or 14(11) of these regulations.
- (10) In individual cases, the Dean or delegated authority may vary subsection 14(9) of these regulations and award credit for up to two thirds of the University of Waikato qualification concerned.
- (11) In individual cases, the Education Committee, under delegated authority of the Academic Board, may award credit for more than two thirds of a University of Waikato qualification, or for more than half of an undergraduate degree that includes 300 and/or 400 level papers for a major.
- (12) Applicants wishing to appeal a Dean's decision on credit may apply to the Director of Student Services.
- (13) The consideration of an appeal will involve the Dean concerned being requested to reconsider

the decision. Further appeals against the outcome of a reconsideration will be referred to the Education Committee for consideration on behalf of the Academic Board.

15. **Completion of a University of Waikato qualification at another New Zealand university**

A candidate who, based on the assessment of the Dean of the candidate's Faculty or School of Studies, has completed the major part of a qualification at the University of Waikato and then moved to another district may, in some cases, complete the University of Waikato qualification by taking the remaining papers at another university in New Zealand. Prior approval of the specific papers, in writing, must be obtained from the Director of Student Services of this University and the prescribed charge paid. The candidate must advise the Registrar of the other university of the purpose of the enrolment and the papers concerned must be taken on a Certificate of Proficiency (COP) basis at that university. The candidate's academic record will not be transferred.

16. **Completion of a qualification of another New Zealand university at the University of Waikato**

A candidate who has completed the major part of a qualification at another New Zealand university may, in some cases, be permitted by that university to complete the qualification by passing specified papers at the University of Waikato. Any such approval must be given in writing by the 'home' university and the candidate will take the papers concerned on an Individual Paper Credit (IPC) basis at the University of Waikato. The candidate's academic record will not be transferred.

The University of Waikato

Te Whare Wānanga o Waikato is committed to academic quality, research excellence and innovative teaching programmes. It prides itself on maintaining internationally relevant, globally significant research and degree programmes while remaining very much a university that keeps the needs of the Waikato and Bay of Plenty the regions at the forefront.

The University of Waikato is distinct from other universities because the Hamilton campus is located on land returned to Waikato-Tainui following the tribe's 1995 settlement with the government. The Tauranga campus, which was opened in early 2019, is situated on Ngāi Tamarāwaho land. This distinctiveness is underpinned by the University's commitment to working in partnership with Waikato-Tainui and the iwi of Tauranga Moana specifically and through the Treaty of Waitangi to all iwi.

Vice-Chancellor Professor Neil Quigley is leading the University through a new phase of development. This includes strengthening programmes to meet national and international skills shortages, addressing global issues, such as water quality, indigenous studies and cyber security, and enhancing teaching and research quality in health and high performance sport.

Research is a key focus for the University. Students are taught in research-intensive environments by experienced lecturers, and much importance is placed on fostering an active research community and producing critical-thinking, future-focused graduates who are globally aware.

The University is the tertiary partner of the Avantidrome in Cambridge and the Adams Centre for High Performance in Mount Maunganui. Staff and postgraduate students based in these facilities work closely with High Performance athletes and the community, to enhance their performance.

The University campus in Tauranga works with tertiary partners in the Bay of Plenty region, Toi Ohomai Institute of Technology and Te Whare Wānanga o Awanuiārangi, to deliver study programmes and research activity that provide students with pathways to lifelong learning. Tauranga is also home to the University's Coastal Marine Field Station where staff and students undertake research to enhance water quality, increase kaimoana stocks, and improve the environmental impacts on marine life.

The University of Waikato stands proudly on the world stage as an institution providing a future-focused internationally-relevant education and plays an active part in global research. The latest

Quacquarelli Symonds (QS) World University Rankings, place Waikato in the top 1.1% of universities in the world with 13 subjects in the top 300. In the Times Higher Education (THE) world rankings, Waikato sits in the 351-400 band, third equal in New Zealand.

The University also ranks highly for student satisfaction. The International Student Barometer survey showed more than 90% of international students surveyed who studied at the University of Waikato were satisfied with their experience and 82% would recommend the University of Waikato to others.

Part of the University's success is due to the high priority it places on student pastoral care. The development and wellbeing of every student is an important dimension of the institution's uniqueness. Staff have a strong reputation for excellence and take an innovative approach to student support. Staff have a track-record of effectiveness for supporting students as they transition to university study.

While the University of Waikato has renowned strength in the teaching and research of te reo Māori and tikanga Māori, its Māori teaching and research expertise can also be found across the various disciplines including Māori psychology, business, education, law, social sciences, science and computer science.

The Māori student communities on campus are vibrant and are key contributors to campus events, and there are many University programmes and activities dedicated to supporting Māori student achievement and success.

Within the past two years the University implemented a new curriculum, which was reviewed and revitalised to ensure teaching continues to be relevant to student, employer and societal needs. As a result, new work-integrated learning programmes and compulsory work experience is now included in all undergraduate degrees.

Divisions and Schools of Studies

The University's academic units comprises the Division of Arts, Law, Psychology and Social Sciences, Division of Health, Engineering, Computing and Science, Division of Education, Division of Management, Faculty of Māori and Indigenous Studies, and the Waikato Pathways College.

Division of Arts, Law, Psychology and Social Sciences

The **School of Arts, School of Psychology and School of Social Sciences** – Te Kura Kete Aronui - encourages its students to be flexible, self-directed, and lifelong learners. It fosters excellence in learning and scholarship and provides opportunities for students to become critical thinkers, communicators, facilitators and innovators for change. It offers a wide range of qualifications from undergraduate certificates, diplomas and degrees through to masters and doctorate degrees. Academic and research excellence underpin teaching and learning in programmes designed to foster analytical and critical thinking, creativity, social responsibility, and advanced practical skills in a variety of specialist disciplines. Graduates are equipped with knowledge and expertise in their specialist area along with essential skills, including literacy, communication, reasoning and research. Graduates gain a theoretical and practical understanding of people, places and societies, and a deep knowledge of cultures and histories in local and global contexts.

Programmes incorporate explicit pathways into the workforce as well as to higher degrees. Students may choose from a wide range of subject areas within our general undergraduate and postgraduate qualifications. The Schools also offer specialist four-year degrees in environmental planning and in social work, specialist undergraduate and postgraduate qualifications in music, media and creative technologies, applied linguistics, and applied psychology (in the fields of community psychology, behaviour analysis, organisational psychology, clinical psychology and clinical animal behaviour). Master of Philosophy and Doctor of Philosophy research degrees are offered across a range of Arts and Social Sciences subjects. A Doctor of Musical Arts (DMA) is also available.

Further information is available on the website: www.waikato.ac.nz/fass.

The **Faculty of Law** provides an innovative, student-focused Bachelor of Laws (LLB) degree in a stimulating academic environment. The Faculty's founding goals of professionalism, biculturalism, and the study of law in context attract an exciting and diverse group of staff and students. The Faculty of Law remains at the forefront in integrating the teaching of law and technology into its LLB degree, and

in providing sophisticated information technology for students. The Faculty of Law is also at the cutting edge in preparing students for real-life practice of law by its integration of practical skills in the degree.

The Law Honours degree is designed to provide academically able students with the opportunity to pursue advanced legal research. The Faculty offers two LLM programmes, MPhil, PhD, SJD and LLD degrees, and, in conjunction with the Waikato Management School, the Graduate Diploma in Dispute Resolution. The Diploma in Law is also offered as a qualification for those who wish to gain legal knowledge to advance employment and career development.

The Faculty of Law also has a new qualification in the BA in Law. The BA in Law is a non-practising law based qualification ideal for those that want to develop knowledge of the law and its implications and a sense of justice and public responsibility.

Further information is available on the website: www.waikato.ac.nz/law.

Division of Health, Engineering, Computing and Science

Te Huataki Waiora School of Health provides qualifications that offer students who are passionate about health, hauora and wellbeing the opportunity to develop knowledge and skills to enhance the lives of individuals and communities. By bringing together expertise from across the university, we have designed programmes of study that are dynamic, challenging and informed by the latest research. Students have the opportunity to explore new ideas and ways of looking at issues that impact wellbeing and performance outcomes, which will prepare them to move into a wide range of employment opportunities. We work closely with partners across the community — such as local DHBs, Sport NZ and regional sports trusts, iwi, community health organisations, and high performance sport — to ensure we are at the forefront of innovation in the health, human performance, and sports sectors. These collaborative partnerships provide both our students with exciting opportunities to bring the latest theories and practices to life.

The **School of Science and School of Engineering** offers a unique interdisciplinary environment with degree programmes across life sciences, earth sciences and the whole range of engineering. Undergraduate degrees consist of the Bachelor of Engineering with Honours, Bachelor of Science, and the Bachelor of Science (Technology). Graduate degrees, which may be awarded with Honours, include the Master of Engineering, Master of Science, Master of Science (Research), Master of Science (Technology), and the Master of Professional Practice. The Master of Philosophy, and the Doctor of Philosophy are also available as well as a range of graduate and postgraduate certificates and diplomas.

The School of Science and School of Engineering provides strong research-led education, and has more than 270 students enrolled in masters and doctorate degrees. The Schools' host two research institutes and several research centres including: The Environmental Research Institute, and Te Waiora (the Joint Institute for Freshwater Management, hosted jointly with NIWA), the International Centre for Terrestrial Antarctic Research, the Centre for Biodiversity and Ecology Research, the Waikato Centre for Advanced Materials, and the Energy Research Group. The Schools' also hosts the Waikato Radio Carbon Dating Laboratory.

Further information is available on the website: www.sci.waikato.ac.nz.

The **School of Computing and Mathematical Sciences** provides a stimulating environment of quality teaching programmes and world-class research, producing graduates well-matched for the challenges of the contemporary and future workplace.

The School of Computing and Mathematical Sciences offers qualifications in design, applied computing, computer science, mathematics, and data analytics. At undergraduate level, the degrees available are the four-year Bachelor of Computing and Mathematical Sciences with Honours, the three-year Bachelor of Science, and the three-year Bachelor of Design. Students interested in software engineering can study towards a four-year Bachelor of Engineering with Honours in Software Engineering. These degrees prepare students for a range of the many professions that depend on subjects offered by the School.

Advanced degrees offered within the School include the Bachelor of Science with Honours, the Bachelor of Design with Honours, the Master of Science, the Master of Science (Research), the Master of Design, the Master of Cyber Security, the Master of Information Technology, the Master of Philosophy, and the Doctor of Philosophy. Certificate and diploma programmes at undergraduate, graduate and postgraduate level are also available.

Further information is available on the website: www.cms.waikato.ac.nz.

Division of Education

Te Kura Toi Tangata Faculty of Education provides degree programmes in teacher education, social sciences in education, educational leadership, disability and inclusion, counselling, human development, digital learning and education and society. It distinguishes itself among other education schools through its tradition and reputation for innovation, leadership and research.

The School was the first teachers' college of education in New Zealand to merge with a university, the first to offer a teacher education programme online, and the first to offer a masters degree in initial

teacher education.

The School has a strong commitment to research-informed practice with two institutes: the Wilf Malcolm Institute of Educational Research (WMIER) and the Institute of Professional Learning (IPL); and four research centres: the Early Years Research Centre (EYRC), the Centre for Educational Leadership Research (CELR), the Centre for Global Studies in Education (CGSE); and the Technology, Environmental, Mathematics, and Science Education Research Centre (TEMS).

Te Kura Toi Tangata School of Education offers a portfolio of qualifications at undergraduate, graduate, and postgraduate levels. Three- and four-year degree programmes in teacher education, along with one-year graduate diploma programmes in teacher education, prepare competent, knowledgeable and critically reflective beginning teachers. These programmes have Teaching Council New Zealand approval, enabling graduates to register as teachers in New Zealand. A range of specialist postgraduate certificates, diplomas and masters degrees provide qualified teachers with programmes that are practice-related and designed for professionals. The School also offers a Bachelor of Social Sciences with majors in Digital Learning, Education and Society and Human Development involving critical inquiry into the theories and practices of lifelong education and the study of human development across the life span. Counsellor Education programmes take a distinctive orientation emphasising what are often called narrative approaches in counselling and therapy. The Master of Counselling is approved by the New Zealand Association of Counsellors.

Further information is available on the website: www.waikato.ac.nz/education/.

Division of Management

Waikato Management School respected nationally and internationally for its influential practice, practical programmes, relevant research and focus on connecting students with businesses. The School's strategic areas of expertise - leading through innovation and responsible management - are integrated into its research, teaching and management. Strong international relationships mean that teaching and research reflect global best business practice while an engaged alumni and close links with the business community expose students to real-world challenges and employment opportunities. Waikato Management School students graduate with the essential business skills and knowledge to become private and public sector leaders. They think critically, carefully and creatively and act responsibly and ethically.

The School is a member of an elite group of business schools that have earned "Triple Crown" status - the leading international acknowledgment of excellence in business education, and testament to the quality of the qualifications the School offers. It is accredited by AACSB International (the US-based

Association to Advance Collegiate Schools of Business), the world's longest established assessor of business education, EQUIS (EFMD Quality Improvement System) and AMBA (The Association of MBAs). Only 1% of the world's business schools have met the strict standards of all three accreditation bodies and earned this distinction of excellence.

Waikato Management School offers a wide range of business education at all levels of study.

Further information is available on the website: www.waikato.ac.nz/study.

Te Pua Wānanga ki te Ao, Faculty of Māori and Indigenous Studies

Te Pua Wānanga ki te Ao, the Faculty of Māori and Indigenous Studies teaches Māori and Indigenous Studies, Te Reo Māori, and Pacific and Indigenous Studies. These subjects can be taken as a major or minor within a BA or BSocSc, or for a diploma or certificate. The Diploma in Te Tohu Paetahi is a one year fulltime Māori language immersion programme taught in a whānau-orientated environment. At the postgraduate level, the Faculty offers the Bachelor of Arts with Honours, Master of Arts, Master of Social Sciences, MPhil, PhD, and a number of graduate and postgraduate certificates and diplomas.

The Faculty is world-renowned for its strength in research and teaching. Our academics have national and international academic profiles; several have won teaching and research awards, three service on the Waitangi Tribunal, many have won prestigious research funding, and in 2019 we hosted the largest Indigenous Studies conference in the world. Students can benefit from this expertise by pursuing research at masters and doctoral levels with us. A number of Faculty scholarships are available for all level of study, including a scholarship to study overseas for a trimester.

Further information is available on the website: www.waikato.ac.nz/fmis.

Waikato Pathways College

The **Waikato Pathways College** offers educational programmes to enhance access to all levels of university study. The Certificate of Attainment in English Language prepares international learners for tertiary study in English-speaking countries. A range of General English language courses is offered for people wanting to learn English for everyday life and social purposes. The pre-degree programmes, Certificate of Attainment in Foundation Studies and Certificate of University Preparation provide pathways for students into university study. The Certificate of University Preparation programme is a full-time one-trimester programme for students who do not meet the entry requirements for study at a New Zealand university, or who need additional academic preparation. The Certificate of Attainment in Foundation Studies programme is a one or two trimester full-time

programme for international students who are high school graduates but do not meet the entry requirements to study at a New Zealand university. The International Diploma (Business and Science) combine the first year of the Bachelor of Business or Bachelor of Science with additional supporting papers in academic English and academic study skills. Short-term courses are also offered to universities, high school and specialist groups from around the world who wish to study English in tailor-made programmes. The College is an accredited and award winning IELTS testing centre.

Further information is available on the website: www.waikato.ac.nz/pathways/.

The University's Commitment to the Treaty of Waitangi

The direction and goals which underpin the University's commitment to Māori and the Treaty of Waitangi are outlined in the University Strategy and Māori Advancement Plan. The general areas of priority include:

- building on the University's reputation for making a unique and significant contribution to the educational success of Māori;
- enhancing the teaching and research capacity of Māori academic staff, with a focus on leadership and academic excellence;
- providing a distinctive University of Waikato experience for both staff and students which draws on kaupapa Māori and the heritage of our region;
- positioning the University as a leader in research relevant to the needs and aspirations of iwi and Māori communities.

As reflected in our Charter and Vision, the University has been committed to the Treaty of Waitangi from the outset. We are determined to build on this commitment and on our reputation as a leader in partnership with Māori - to further enhance the relevance and value of the University to Māori communities and to the nation as a whole.

Admission Statute

1. **Title**

This is the Admission Statute 2016.

2. **Date of effect**

This statute is effective from 1 January 2017.

3. **Application**

This statute applies to those seeking admission to the University of Waikato at undergraduate level and higher (100 - 900 levels). It does not apply to those seeking admission to non-assessed or sub-degree level papers or qualifications.

4. **General**

- (1) Unless approved otherwise by the Academic Board, a person who will be under 16 years of age on the first day of the trimester in which he or she wishes to enrol is not eligible for admission.
- (2) Unless approved otherwise by the Academic Board, a person who is enrolled for full-time instruction in a secondary school or area school is not eligible for admission.
- (3) Subject to the [Limitations Statute](#) and any academic criteria that may apply with respect to particular papers or qualifications, a person may qualify for admission under any of the following provisions:
 - (a) University Entrance
 - (b) Discretionary Entrance
 - (c) Special Admission
 - (d) Admission at entrance level with credit based on previous tertiary study.
- (4) In addition to qualifying under section 5 of this statute, the person must also meet the particular academic criteria set out
 - (a) in the case of undergraduate qualifications, in the [Criteria for Admission to Particular Qualifications](#)
 - (b) in the case of graduate and postgraduate qualifications, in the

regulations for the relevant qualification.

5.

University Entrance

University Entrance means

- (a) From 2015:
 - (i) NCEA Level 3,
 - (ii) a minimum of 14 credits at Level 3 or higher on the National Qualifications Framework, in each of three approved subjects, and
 - (iii) the numeracy requirements of a minimum of 10 credits at Level 1 or higher on the National Qualifications Framework, made up of achievement standards and/or unit standards specified by NZQA, and
 - (iv) the literacy requirement¹ of a minimum of 10 credits at Level 2 or higher on the National Qualifications Framework, made up of:
 - (a) 5 credits in reading, and
 - (b) 5 credits in writing from a list specified by NZQA.
- (b) From 2005-2014:
 - (i) A minimum of 42 credits at Level 3 or higher on the National Qualifications Framework,
 - (a) including a minimum of 14 credits at Level 3 or higher in each of two subjects from an approved list, with a

- further
- (b) 14 credits at Level 3 or higher taken from one or two additional domains or approved subjects
- (ii) and the numeracy requirements of a minimum of 14 credits at Level 1 or higher in Mathematics or Pāngarau on the National Qualifications framework
- (iii) and the literacy requirement of a minimum of 8 credits at Level 2 or higher which show reading and writing skills in English or te reo Māori are required.¹
- (c) From 1993 to 2004: Higher School Certificate and a C grade or higher in each of three New Zealand University Entrance, Bursaries and Scholarships (NZUEBS) subjects; or an A or B bursary
- (d) A qualification recognised by the New Zealand Qualifications Authority for University Entrance purposes
- (e) From 1986 to 1992: a D grade or higher in each of four NZUEBS subjects
- (f) Before 1986: the University Entrance qualification (by accreditation or examination).

6. **Discretionary Entrance**

- (1) From 2005: A person who has undertaken NCEA at Level 3 in three or more approved subjects (in the same year) and failed to gain University Entrance is not eligible to be considered for Discretionary Entrance until the B trimester of the following year.
- (2) Admission will be at the discretion of the University, with the proviso that a person who has undertaken Year 13 study beyond 1 June at a New Zealand secondary school may normally not be admitted under the Discretionary Entrance provisions before July in the following year.²

- (3) Otherwise, a person who will be at least 16 years of age and under 20 years of age on the first day of the trimester of enrolment who does not meet the University Entrance standard, but
- (a) is a citizen or permanent resident of New Zealand or Australia³, and
 - (b) has received secondary schooling to at least New Zealand Year 12 level (or its equivalent overseas) and earned at least 14 credits in an approved subject at Level 2 towards NCEA (or its equivalent), and
 - (c) has met the literacy and numeracy standards required for University Entrance, or their equivalents,
- may apply for Discretionary Entrance.
- (4) Approval of an application for Discretionary Entrance is based on
- (a) the applicant's submission
 - (b) the proposed programme of study
 - (c) the applicant's past academic achievements, and
 - (d) a statement from an adviser (such as a school principal or a University Student Recruitment Adviser) as to the applicant's preparedness for university study.
- (5) A person who wishes to apply for Discretionary Entrance must do so as part of the formal enrolment application.
- (6) Applications for Discretionary Entrance are considered and decided by the Dean of the Faculty or School of Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
- (7) If Discretionary Entrance is approved, the prescribed fee is payable by the student at enrolment.
- (8) A person whose application for Discretionary Entrance is declined by the relevant Dean may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
- (9) A person whose application for Discretionary Entrance is

declined by the Deputy Vice-Chancellor Academic may make a further appeal to the New Zealand Qualifications Authority.

- (10) A person studying at a New Zealand secondary school who is attempting to qualify for University Entrance may apply for Discretionary Entrance in the same year for the purpose of enrolling in papers offered by the University. Any person admitted under this regulation who does not subsequently meet the University Entrance standard during the period enrolled at the University will be required to withdraw from the University and may re-apply for admission at mid-year. Any papers passed during the period enrolled at the University will not be credited to a qualification until a University Entrance qualification is gained.

7. **Special Admission**

- (1) Applicants are eligible to be considered for Special Admission if they will be at least 20 years of age on the first day of the trimester for which they are applying to enrol.
- (2) In exceptional cases, an applicant who does not hold a university entrance qualification and who will not be 20 by the first day of the trimester for which admission is sought, may apply for special admission. In assessing whether to grant special admission in exceptional cases, the primary focus will be on the applicant's level of preparedness for university study.
- (3) Approval of an application for Special Admission is based on
- (a) the applicant's submission
 - (b) the proposed programme of study
 - (c) the applicant's past academic achievements, and
 - (d) evidence of the applicant's preparedness for university study.
- (4) A person who wishes to apply for Special Admission must do so as part of the formal enrolment application.
- (5) Applications for Special Admission are considered and decided by the Dean of the Faculty or School of Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
- (6) A person whose application for Special Admission is declined by the relevant Dean may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.

8. **Admission at entrance level or with credit from previous study**

- (1) A person may qualify for admission at entrance level, or with credit, on the basis of
- (a) having been awarded a qualification which is deemed to be equivalent to University Entrance
 - (b) having completed previous tertiary study.
- (2) A person who wishes to apply for admission under subsection 8(1) of this statute must do so as part of the formal enrolment application.
- (3) If admission at entrance level or with credit from previous tertiary study is approved, the prescribed fee is payable by the student at enrolment.
- (4) Applications for admission at entrance level or with credit from previous tertiary study are considered and decided by the Dean of the Faculty or School of Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
- (5) A person whose application for admission under subsection 8(1) of this statute is declined by the relevant Dean may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
- (6) A person whose application for admission at entrance level is declined by the Deputy Vice-Chancellor Academic may make a further appeal to the New Zealand Qualifications Authority.

9. **Delegation of powers**

The powers and authority of the Academic Board referred to in this statute have been delegated in certain matters under the [Delegation of Powers Statute 2014](#).

10. **Report to the Education Committee**

The Deputy Vice-Chancellor Academic must submit an annual report to the Education Committee providing an overview of admission appeal decisions made during the relevant year, together with any consequent recommendations with respect to the Admission Statute.

Notes:

1. *The University of Waikato Certificate of Studies: English at Level 2 or Level 3 is recognised as meeting the literacy requirements of NCEA.*
2. *In special circumstances, the Chair of the CUAP Sub-Committee on University Entrance may permit persons who do not fulfil section 6(3)(b) or 6(3)(c) of these regulations to*

apply for Discretionary Entrance.

3. *Australian applicants' most recent year of schooling must have been in New Zealand.*

Criteria for Admission to Particular Qualifications

In addition to meeting the Admission requirements below, applicants whose first language is not English or Māori are required to provide satisfactory evidence of English language proficiency, generally in the form of an IELTS (academic) or TOEFL examination score (see the [English Language Requirements for Admission](#)).

Bachelor of Science (BSc) in the Faculty of Computing and Mathematical Sciences, degrees

- 1.5.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.
- 1.5.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴
Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the qualifications listed above provided that they have achieved
- (a) no less than a C- grade in any paper, and
 - (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.
- Applicants not satisfying these requirements will be assessed on a case by case basis.
- 1.5.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in any paper, will be accepted¹ into the qualifications listed above.

Applicants not satisfying this requirement will be assessed on a case by case basis.

1.5.4

Admission from the International Diploma (Business)

Applicants who have successfully completed the requirements of the International Diploma (Business) with no less than a C- grade in any paper, and have not been awarded the Diploma, will be accepted, with credit transferred from that programme, into the Bachelor of Business.

Applicants not satisfying this requirement will be assessed on a case by case basis.

1.5.5

Admission from the International Diploma (Computer Science)

Applicants seeking admission into Bachelor of Science with a major in either Applied Computing, Computer Science or Data Analytics will be accepted into this qualification, with credit, upon completing of the requirements of the International Diploma (Computer Science) with no less than a C- grade in any paper, and having not been awarded the Diploma.

1.6

Admission at entrance level or with credit from previous study for

Bachelor of Communication Studies (BCS)

Bachelor of Computing and Mathematical Sciences with Honours (BCMS(Hons))

1.6.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

1.6.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the qualifications listed above provided that they have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

1.6.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in any paper, will be

accepted¹ into the qualifications listed above.

Applicants not satisfying this requirement will be assessed on a case by case basis.

2. Admission to the

Bachelor of Computer Graphic Design (BCGD) degree

In addition to satisfying the requirements for achieving University Entrance, entry into the BCGD programme in the Faculty of Computing and Mathematical Sciences is available only to applicants who are chosen by the Faculty's selection process. Applicants must have achieved a minimum of 14 credits in NCEA at Level 2 in Mathematics; in addition, applicants must submit a portfolio as part of the selection process and may also be required to attend an interview.

Bachelor of Education (BEd) and Bachelor of Teaching (BTchg) degrees

In addition to satisfying the requirements for achieving University Entrance, entry into the BEd and BTchg programmes in the Faculty of Education is available only to applicants who are chosen by the Faculty's selection process (see the [Schedule of Limitations on Enrolments](#)).

Bachelor of Music (BMus) degree

In addition to satisfying the requirements for achieving University Entrance, all applicants for the BMus must have

- (a) at least 20 credits in NCEA at Level 2 in Music, or
- (b) at least 14 credits in NCEA at Level 3 in Music, or
- (c) a Grade 3 Theory pass or better in the New Zealand Music Education Board, or Australian Music Education Board, or
- (d) a Grade 5 Theory pass or better in the Trinity College or Royal College of Music examinations, or
- (e) a music qualification assessed as equivalent.

Entry to the Performance stream will, in addition to the above criteria, require successful completion of an audition.

Bachelor of Social Work (BSW) degree

In addition to satisfying the requirements for achieving University Entrance, all applicants must follow a selection process approved by the Dean of the Faculty of Arts and Social Sciences, including an interview and a police vetting check, to ensure that they meet the criteria for a 'fit and proper' person to practice Social Work as defined by the University and the New Zealand Social Workers Registration Board. The Criminal Records (Clean Slate) Act 2004 provisions do not apply to social work. Students must also complete further Police vetting checks prior to fieldwork placements. An assessment of a student's suitability under the Children's Act 2014 will also take place during the BSW admissions process and prior to fieldwork placements. Details of the selection and police vetting processes are available in the programme handbook and BSW supplementary application forms.

Applicants to the above programmes must satisfy the requirements for admission to university listed below:

- 2.1 **University Entrance**²
- Applicants who have achieved University Entrance through NCEA will be eligible to be accepted into the degrees listed above.
- 2.2 **Discretionary Entrance**³
- Applicants will normally be granted Discretionary Entrance if they have gained a total of at least 80 credits in NCEA at Level 2 in four subjects equivalent to the approved subjects for University Entrance in NCEA at Level 3, with a minimum grade of Merit in at least half of the achievement standards for each subject. Applicants must also have satisfied the numeracy and literacy requirements of University Entrance.
- Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser.
- 2.3 **Special Admission**
- Applicants will be considered on a case by case basis. Applicants 20 years old and over by the beginning of their programme of study will be eligible for acceptance, except those that are clearly insufficiently prepared for academic study. Preference may be given to applicants who have successfully completed appropriate Waikato Pathways College bridging programmes.
- 2.4 **Admission at entrance level or with credit from previous**

study for

Bachelor of Music (BMus) degree

- 2.4.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.
- 2.4.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴
- Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the BMus provided that they are chosen through the selection process as set out in section 2 of these regulations and have achieved
- (a) no less than a C- grade in any paper, and
 - (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.
- Applicants not satisfying these requirements will be assessed on a case by case basis.
- 2.4.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation with no less than a C-¹ grade in any paper will be accepted provided that they meet the additional criteria for the BMus as set out in section 2 of these regulations.

Applicants not satisfying this requirement will be assessed on a case by case basis.

2.5

Admission at entrance level or with credit from previous study for

Bachelor of Education (BEd), and Bachelor of Teaching (BTchg) degrees

2.5.1

Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

2.5.2

Admission from the University of Waikato Certificate of Attainment in⁴ Foundation Studies, or equivalent

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the qualification provided that they are chosen through the selection process for their intended qualification as set out in section 2 of these regulations and have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the

minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

2.5.3

Admission from the University of Waikato Certificate of University Preparation

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in any paper, will be accepted¹ provided that they are chosen through the selection process for their intended qualification as set out in section 2 of these regulations.

Applicants not satisfying this requirement will be assessed on a case by case basis.

2.6

Admission at entrance level or with credit from previous study for

Bachelor of Social Work (BSW) degree

2.6.1

Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

2.6.2

No credit transfer or recognition of prior learning will be awarded for successful study that took place more than 5 years prior to the date of first enrolment in the degree. Credit transfer or recognition of prior learning will not be awarded for more than 50% of the degree. No credit

transfer or recognition of prior learning will be granted for field education unless the transfer is from a current Social Workers Registration Board recognised programme.

2.6.3

Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent⁴

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the BSW provided that they are chosen through the selection process as set out in section 2 of these regulations and have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

2.6.4

Admission from the University of Waikato Certificate of University Preparation

Applicants who have successfully completed the Certificate of University Preparation with no less than a C-

grade in any paper will be accepted into the BSW provided that they are chosen through the selection process as set out in section 2 of these regulations.

Applicants not satisfying this requirement will be assessed on a case by case basis.

3. Admission to the **Bachelor of Engineering with Honours (BE(Hons))** degree

3.1 **University Entrance**²

3.1.1 *Admission to the BE(Hons) in the Specified Programmes of Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering and Mechatronics Engineering*

Entry into the BE(Hons) in the above specified programmes will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus. Applicants must also gain at least 14 credits in NCEA at Level 3 in Physics.

3.1.2 *Admission to the BE(Hons) in the Specified Programmes of Chemical and Biological Engineering, Environmental Engineering, and Materials and Process Engineering*

Entry into the BE(Hons) in the above specified programmes will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus. Applicants must also gain at least 16 credits in NCEA at Level 3 in Chemistry and 14 credits in NCEA at level 3 in Physics.

3.1.3 *Admission to the BE(Hons) in the Specified Programme of Software Engineering*

Entry into the BE(Hons) in the above specified programme will be

guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus. Applicants must also gain at least 14 credits in NCEA at Level 3 in two other approved subjects for University Entrance.

3.1.4

The Dean of the Faculty of Computing and Mathematical Sciences and the Dean of the Faculty of Science and Engineering may waive up to 120 points of level 100 papers of the degree of Bachelor of Engineering (Honours) for candidates who have achieved exceptionally high grades in approved subjects in the National Certificate of Educational Achievement (NCEA) qualification at Level 3 or higher or in other qualifications considered by the Academic Board to be equivalent, provided that students substitute approved alternative papers of equal points value, in consultation with the relevant Dean.

3.2

Special Admission

Applicants with evidence of successfully completed post-secondary study will normally be accepted. This includes applicants who have successfully completed the an appropriate Waikato Pathways College bridging programme.

3.3

Admission at entrance level or with credit from previous study

3.3.1

Applications will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

4. Admission to the **Bachelor of Management Studies with Honours (BMS (Hons))** degree
- 4.1 Entry into the BMS(Hons) programme at the beginning of the first year of study will be guaranteed to applicants who have gained University Entrance.
- 4.2 Students who have been admitted to the BMS(Hons) must achieve a B+ grade average or better over the first two years of the programme to be guaranteed re-entry into year 3 of the BMS(Hons). Students who do not gain re-entry to the BMS(Hons), but who meet the re-entry criteria for the Bachelor of Business (BBus), will be able to be admitted to the BBus.
- 4.3 Students may apply to be admitted to the BMS(Hons) in the third year of the degree. As part of the application process students must provide a personal statement that sets out their leadership/community involvement and their future career aspirations. Applicants would normally be expected to have achieved a B+ grade average or better in their previous 240 points of study. Selection will also take into account leadership potential and community citizenship.
5. Admission to all **Law** papers and programmes⁵
- The Faculty of Law Admissions Committee will have regard to equity considerations in making its decisions, but in all cases those offered places will have demonstrated their academic preparedness for the Faculty's programme of study. The Faculty does not set aside places for specific groups of applicants (see the [Schedule of Limitations on Enrolments](#)).
- 5.1 **University Entrance**²
- There are a limited number of places in the Faculty of Law and a selection process applies. Each applicant will be considered by the Faculty of Law Admissions Committee on a case by case basis. Factors such as academic results in NCEA at Level 3 and other forms of assessment, as well as school and community involvement and achievements will be taken into account. Applicants will be required to provide supporting evidence of results and achievements with their written statement. All applicants will be required to have satisfied the requirements for achieving University Entrance, including NCEA Level 1 numeracy and Level 2 literacy requirements.

5.2

Discretionary Entrance³

Applicants will normally be granted Discretionary Entrance if they have gained a total of at least 80 credits in four subjects at Level 2 in the NCEA, with a minimum grade of Merit in at least half of the achievement standards for each subject. All subjects must be from the list of approved subjects. Applicants must also have satisfied the numeracy and literacy requirements for University Entrance. Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser, and be approved by the Faculty of Law Admission Committee which will also consider the applicant's personal statement and their academic preparedness for university law study.

5.3

Special Admission

Applicants will be considered for Special Admission on a case by case basis, having regard to their level of schooling, other relevant study, interests and expertise, experience and skills, and other such information as is available with respect to their academic preparedness, including, where appropriate, the completion of Waikato Pathways College bridging programmes.

The Faculty will afford priority to

- applicants with law-related experience
- applicants who have successfully completed a programme of degree level study at a tertiary institution.

5.4

Admission at entrance level or with credit from previous study

5.4.1

Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

5.4.2

*Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and

achieved at least a B- grade average overall, with a B- grade or higher in FOUND001 will have guaranteed entry into the Bachelor of Laws programme.

Other students are encouraged to apply and will be considered by the Faculty of Law Admissions Committee on a case by case basis, taking account of their level of academic achievement.

5.4.3

Admission from the University of Waikato Certificate of University Preparation

Applicants who have successfully completed the Certificate of University Preparation with at least a B- grade average overall, with B- grades or higher in FOUND001 and FOUND002 and subsequently B- grades or higher in all their B trimester non-Law degree level papers, will have guaranteed entry into the Bachelor of Laws programme.

Other students are encouraged to apply and will be considered by the Faculty of Law Admissions Committee, on a case by case basis, taking account of their level of academic achievement.

Part 2

Admission to Certificates and Diplomas

6. In addition to the admission criteria set out in the relevant qualification regulations, applicants for certificates and diplomas in the following qualifications must meet specific criteria for admission:

6.1

Diploma in Engineering Professional Practice

Entry into the Diploma in Engineering Professional Practice in the Faculty of Science and Engineering or the Faculty of Computing and Mathematical Sciences is available only to applicants who are currently enrolled in, or have completed, a

Bachelor of Engineering with Honours, or equivalent.

6.2

Graduate Diploma of Teaching

Entry into the GradDipT programme in the Faculty of Education is available only to applicants who are chosen by the Faculty's selection panels (see the [Schedule of Limitations on Enrolment](#)).

6.3

Postgraduate Certificate in School Principalship (PGCert(SchPrinc))

Applicants must have at least three years full-time equivalent teaching experience.

6.4

Postgraduate Diploma in Interpreting and Translating Māori (PGDip(Int&Trans))

Applicants must satisfy the Dean of the Faculty of Māori and Indigenous Studies that they have a high standard of proficiency in English and Māori.

Part 3

Re-entry for Returning Students

7. The right to re-entry applies to re-enrolment in the qualification(s) in which a student was enrolled in her/his most recent period of enrolment.

8. Annual re-entry criteria

A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in for the year will gain re-entry, except in the case of re-entry to the qualifications listed below.

9. Re-entry to Law Programmes

9.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and has not failed more than the equivalent of 20 points in Law papers will gain re-entry.

9.2 The Dean has authority to determine on a case by case basis whether candidates who fail Law papers in a given year may repeat those papers, and whether they may enrol concurrently for more advanced papers in Law.

10. Re-entry to Teacher Education Programmes

10.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and who satisfactorily completes the professional practice requirements will gain re-entry.

- 10.2 A returning student who wishes to transfer between teacher education streams will need permission from the Dean of Education.
- 10.3 The Dean has authority to determine on a case by case basis whether candidates who fail papers in the Graduate Diploma in Teaching in a given year, may repeat those papers.

11. **Re-entry to conjoint degree programmes**

To be eligible for re-entry to a conjoint degree programme a student must meet the re-entry requirements for each of the component degrees and satisfy the Dean(s) of the Faculty and/or School of Studies that their academic performance is of a good standard.

12. **Trimester re-entry criteria**

- 12.1 A student who is enrolled in papers worth more than 20 points in a single trimester and who fails all of those papers will be ineligible for re-entry in the following trimester.
- 12.2 A student who is ineligible for re-entry in the following trimester but who is enrolled in papers in that trimester will be withdrawn from those papers.

Part 4

Admission for Transferring Students

13. A student who wishes to transfer from one qualification to another needs to meet the general and relevant specific requirements for re-entry for returning students listed in Part 3 of these regulations.
14. Additional criteria apply in the case of transfer into the following qualifications.
15. **Transfer into the Bachelor of Business Analysis (BBA), Bachelor of Communication Studies (BCS), and Bachelor of Management Studies (BMS) degrees**
- Students will not normally be considered unless they have successfully completed a full-time year of study and obtained a minimum B average.
16. **Transfer into Law programmes**
- 16.1 The Faculty Admissions Committee will have regard to equity considerations in making its decisions, but in all cases those offered places will have demonstrated their academic preparedness for the Faculty's programme of study. The Faculty does not set aside places for specific groups of applicants.
- 16.2 Students will be considered for transfer from another degree or tertiary institution on a case by case basis. Preference will be given to those who obtain the highest grades and whose

performance provides evidence of literacy.

16.3 Those who have completed a first degree may apply for exemption from the non-Law requirements of the LLB and will be considered for admission to Law 1 and Law 2 concurrently.

17. **Transfer into the Bachelor of Health, Sport and Human Performance (BHSHP)**

17.1 There are a limited number of places available for transferring students within the BHSHP degree and this may vary from year to year.

17.2 Students will be considered for transfer into the BHSHP degree by the Director of the BHSHP Programme on a case by case basis. Preference will be given to candidates who have successfully completed a full-time year of study and obtained a B minimum average.

18. **Transfer into the Bachelor of Education (BEd) and Bachelor of Teaching (BTchg)**

18.1 Entry to the BEd and BTchg in the Faculty of Education is available only to applicants who are chosen by the Faculty's selection panels and who satisfy the requirements for admission to university.

18.2 Students will be considered for transfer from another qualification or tertiary institution by the relevant Programme Selection Committee on a case by case basis.

Part 5

Exclusion for Unsatisfactory Progress from Particular Papers

19. Students who have failed a paper, or any equivalent or substantially similar paper, on a second or subsequent enrolment will be excluded from the paper and will be ineligible to re-enrol in that paper.

20. Where a student is excluded from a paper that is a compulsory paper for a qualification the student will not be permitted to enrol in, or continue a current enrolment in, that qualification.

Part 6

Appeals

21. A person who

(a) is qualified for admission to the university but who is not accepted into his or her choice of qualification, or

- (b) fails to meet the criteria for re-entry to their qualification, or
- (c) is excluded from a paper

may apply to the Dean of the Faculty or School of Studies in which the person wishes to enrol for a reconsideration of the Dean's decision.

- 22. A person whose application for reconsideration is declined by the relevant Dean may make a further appeal to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
- 23. An appeal, comprising a written statement of the circumstances of the appeal, together with supporting evidence, if available, must be submitted by the student to the Deputy Vice-Chancellor Academic not more than seven days after the date on which notification of the relevant decision is received.
- 24. A decision by the Deputy Vice-Chancellor Academic is notified in writing, and is final.
- 25. **Report to the Education Committee**

The Deputy Vice-Chancellor Academic must submit an annual report to the Education Committee providing an overview of admission appeal decisions made during the relevant year, together with any consequent recommendations with respect to the Criteria for Admission to Particular Qualifications.

Notes:

- 1. *Many of the degrees offered at the University of Waikato have prerequisites on their core papers. Applicants who have not achieved specified prerequisites either through their study in NCEA at Level 2 and Level 3 or through their Foundation Studies programme will be required to take additional papers or foundation courses in order to satisfy these prerequisites. Applicants in this situation are advised that not all papers undertaken may count towards the completion of the degree and that the programme of study may take an additional period of time.*
- 2. *Applicants who have achieved an equivalent to New Zealand University Entrance through a qualification other than NCEA at Level 3 will have their admission assessed on a case by case basis.*
- 3. *Applicants who have achieved an equivalent to Discretionary Entrance through a qualification other than NCEA at Level 2 will have their admission assessed on a case by case basis.*
- 4. *Applicants who have achieved an equivalent to the University of Waikato Certificate of Foundation Studies will have their admission assessed based on an approved guaranteed credit arrangement or on a case by case basis.*
- 5. *Except the major in law taken within the Bachelor of Arts, or any programme with a law second major. In these cases, the admission criteria for the qualification being enrolled in apply.*

English Language Requirements for Admission

Due to COVID-19 the University will temporarily accept a number of additional English language tests to meet the English language entry requirements. These tests are listed [here](#).

Applicants whose first language is not English or Māori are required to provide satisfactory evidence of English language proficiency, generally in the form of an IELTS (academic) or TOEFL examination score. Scores can vary according to the qualification sought.

Applicants who have achieved University Entrance through NCEA are not required to provide further evidence of English language proficiency.

1. Admission to CertAttainFoundSt

The following minimum scores are considered to be evidence of such competence:

- an Academic IELTS overall score of 5.5 (with at least 5.0 in the Writing band), or

- a C2 Proficiency (formally known as Cambridge English: Proficiency (CPE)) with an overall score of 162 and no bands below 154, or
- a Michigan English Language Assessment Battery (MELAB) minimum score of 75.

All other evidence is considered on a case by case basis.

2. *Admission to International Diploma*

The following minimum scores are considered to be evidence of such competence:

- an Academic IELTS overall score of 5.5 (with no less than 5.0 in any band) or equivalent.

All other evidence is considered on a case by case basis.

3. *Admission to all undergraduate qualifications with the exception of LLB, BSW and Teaching*

The following minimum scores are considered to be evidence of such competence:

- an Academic IELTS overall score of 6.0 (with no bands below 5.5), or
- an iBT (Internet Based TOEFL) score of 80 with a Writing score of 21, or
- a TOEFL iBT Home-based overall score of 80 with a Writing score of 21, or
- a B grade or better at Level 7 in the Certificate of Attainment in Academic English, or
- a PTE Academic overall score of 50 and no PTE communicative skills score below 42, or
- a Language Cert International ESOL (LRWS) C1 Expert with an overall pass and no less than pass in each skill, or
- awarded a New Zealand Certificate in English Language (Academic) (Level 4), or
- a Trinity College London Integrated Skills in English (ISE) II with distinction in all four components, or
- a C1 Advanced (formally known as Cambridge English: Advanced (CAE)) with an overall score of 169 and no bands below 162, or
- a C2 Proficiency (formally known as Cambridge English: Proficiency (CPE)) with an overall score of 169 and no bands below 162, or
- a Michigan English Language Assessment Battery (MELAB) minimum score of 80.

All other evidence is considered on a case by case basis.

4. *Admission to LLB*

The following minimum scores are considered to be evidence of such competence:

- an Academic IELTS overall score of 6.5 (with no less than 6.0 in any band), or
- an iBT (Internet Based TOEFL) score of 90 with a Writing score of 21, or
- a B grade or better at Level 8 in the Certificate of Attainment in Academic English, or
- a PTE Academic overall score of 58 and no PTE communicative skills score below 50.

All other evidence is considered on a case by case basis.

5. *Admission to BSW*

All students who do not have English, Māori, or New Zealand sign language as their primary language must demonstrate either:

- an Academic IELTS overall score of 6.5 (with no less than 6.5 in any band) or
- an iBT (Internet Based TOEFL) score of 85 or higher with a Writing score of 22.

These tests must have been completed in one sitting within the previous two years. All other evidence will be considered on a case by case basis.

6. *Admission to graduate/postgraduate programmes*

The requirements are higher for admission to graduate qualifications (including higher degrees such as the MPhil, PhD and EdD). It is generally recommended that students have:

- an Academic IELTS Overall score of at least 6.5 (with no less than 6.0 in any band), or
- an iBT (Internet Based TOEFL) score of 90 with a Writing score of 21, or
- a TOEFL iBT Home-based overall score of 90 with a Writing score of 21, or
- a B grade or better at Level 8 in the Certificate of Attainment in Academic English, or
- a PTE Academic overall score of 58 and no PTE communicative skills below 50, or
- a Language Cert International ESOL (LRWS) C1 Expert with an overall high pass and no less than a pass in each skill, or
- a Language Cert International ESOL (LRWS) C2 Mastery with an overall pass and no less than a pass in each skill, or
- awarded a New Zealand Certificate in English Language (Academic) (Level 5), or
- a Trinity College London Integrated Skills in English (ISE) III with a pass in all four components, or
- a C1 Advanced (formally known as Cambridge English: Advanced (CAE)) with an overall score of 176 and no bands below 169, or
- a C2 Proficiency (formally known as Cambridge English: Proficiency (CPE)) with an overall score of 176 and no bands below 169, or
- a Michigan English Language Assessment Battery (MELAB) minimum score of 85.

However, some qualifications, such as the LLD and SJD, require a higher score. The English language proficiency requirements for admission to particular qualifications are at the discretion of the Dean concerned.

7. *Admission to all Initial Teacher Education (ITE) programmes (BTchg, BEd(Technology), and GradDipT):*

The following minimum scores are considered to be evidence of such competence:

- an Academic IELTS overall score of 7.0 (with no less than 7.0 in any band)
- International Baccalaureate full diploma in English medium (24 points minimum). This must be completed at an IB school;

- Cambridge International Examinations minimum 120 points on the UCAS Tariff plus meeting the CIE literacy requirements;
- Awarded Cambridge Certificate in Teaching English to Speakers of Other Languages (CELTA);
- Awarded Trinity College London Certificate in Teaching English to Speakers of Other Languages (CertTESOL);
- Cambridge English exams C2 Proficiency (CPE) or C1 Advanced (CAE) or Cambridge English exams B2 First (FCE). A minimum score of 185, with no band score less than 185;
- International Second Language Proficiency Ratings (ISLPR). A minimum score of 4 in all modules;
- Pearson Test of English (PTE) Academic. A minimum score of 65 in all four modules;
- Trinity ISE III (3). A pass with Merit in all four modules;
- LanguageCert C2 Mastery IESOL. A pass in all four modules;
- TOEFL Internet-based test (IBT). Must meet the following scores in each module: Listening - 24; Reading - 24; Writing - 27; Speaking – 23.

All other evidence is considered on a case by case basis.

8. *Admission to MTchgLn*

The following minimum scores are considered to be evidence of such competence:

- an Academic IELTS overall score of 7.5 (with no less than 7.0 in any band)

All other evidence is considered on a case by case basis.

Limitations Statute

Limitations on enrolments can be established under:

- section 255(4) of the Education and Training Act 2020 where the Council is satisfied that it is necessary to do so because of insufficiency of staff, accommodation or equipment, or
- section 525(4) of the Education and Training Act 2020 where the Council has established places for foreign students in a programme whose continued availability is dependent on the fees payable by foreign students enrolled in it.

The Council has delegated authority to approve limitations under section 255(4) to the Academic Board.

Schedule of Limitations on Enrolments for 2020

Limitations under Section 255(4) of the Education and Training Act 2020

Ministry-funded enrolments will be limited in a manner that allows the University to meet the Government's expectations with respect to its approved Mix of Provision for the year in question. Applications from Ministry-funded students who meet the University's published deadlines for applications to enrol, as well as the admission, entry, re-entry and programme approval criteria for the relevant qualifications and papers, will be accepted according to the priority groups listed below until the relevant Mix of Provision target is achieved at the relevant level.

If places are still available after the published deadlines for applications to enrol, Ministry-funded students who have not met those deadlines, but who meet the admission, entry, re-entry and programme approval criteria for the relevant qualifications and papers, will be accepted in order of application up until the relevant targets have been met.

Undergraduate (Bachelors, Undergraduate and Graduate Certificates and Diplomas)

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Undergraduate returners (enrolled in undergraduate study in the previous year returning to continue an undergraduate qualification).

2. School Leavers (in secondary school in 2018 or 2019) who qualify for University Entrance (UE) or who are eligible for Discretionary Entrance in terms of the Criteria for Admission to Particular Qualifications.
3. Students transferring into degree programmes having successfully undertaken recognised partner pathway programmes in 2019 (including Certificate of University Preparation (CUP) and Toi Ohomai Institute of Technology guaranteed credit programmes).
4. Students who have previously been enrolled at the University of Waikato, returning after a break of up to two years to continue an undergraduate qualification.
Applicants who have qualified for admission to university but who have been away from secondary school for up to two years.
Special Admission applicants (students over 20 without UE).
Other students with UE or equivalent.

Taught Postgraduate (500 level - except 594 theses)

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Taught postgraduate returners (enrolled in taught postgraduate study in the previous year returning to continue a postgraduate qualification).
2. Students who have previously been enrolled at the University of Waikato, commencing taught postgraduate study or returning (after a gap in study) to continue a postgraduate qualification.
Students new to the University of Waikato.

Research Postgraduate (Doctoral, MPhil, Masters 594 theses)

Because research postgraduate students can apply to enrol at any point in the year, applications will be considered at regular intervals according to the following groups:

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Research postgraduate returners (enrolled in research postgraduate study in the previous year).
2. University of Waikato Doctoral and Masters Scholarship recipients.
3. Students who have previously been enrolled at the University of Waikato, commencing research postgraduate study or returning after a gap in study to continue research postgraduate study.
Students new to the University of Waikato.

Notes:

1. *In order to be considered within any priority group, students must apply by the relevant deadlines, as set out in the Enrolment section and Change of Enrolment Regulations.*
2. *Within each level (undergraduate, taught postgraduate, research postgraduate), applicants who*

have not met the relevant deadlines will be considered in the same order of priority as indicated above after all of the students who have applied within the deadlines for that level have been considered.

Limitations

Division of Arts, Law, Psychology and Social Sciences

Bachelor of Laws and Bachelor of Laws conjoint programmes

Ministry-funded enrolments are limited to 230 students selected by the Faculty of Law Admissions Committee.

Law: LEGAL458-20B (HAM) Advocacy

30 students selected by the Dean of Law, with priority given to students on the basis of previous academic merit and/or involvement in competitions.

Psychology: PSYCH581-20A (HAM) Psychological Assessment

25 students per trimester selected by the Course Convenor on order of application to enrol, with priority given in up to eight places to students enrolled in the PGDipPsych(Clin).

Screen and Media Studies: MEDIA206-20X (HAM) Introduction to Filmmaking

35 students per trimester selected by the Course Convenor.

Limitations under Section 525(4) of the Education and Training Act 2020

Enrolments from full-cost international students will be accepted on the basis that they pay full fees to fund their courses of study and, therefore, that they are not taking a place that would otherwise be available to a domestic student.

Waikato Pathways College

Entry to the following qualifications is limited to full-cost international students:

Certificate of Attainment in Academic English

Certificate of Attainment in English Language

Certificate of Attainment in Foundation Studies

Enrolment

Applications to Enrol

Any person who wishes to enrol at the University must submit an application to enrol by the relevant deadline. Applications submitted after the deadline may be accepted if space is available. Apply online at www.waikato.ac.nz/study/apply/. Academic advice is available through the individual Faculties or School of Study for returning students and from the Admissions Office for students enrolling in 100 level papers.

Standard Application Deadlines

Monday 2 December 2019 for papers that commence during Summer School 1 (6 January 2020 to 21 February 2020)

Monday 24 February 2020 for papers that commence during trimester A (2 March 2020 to 26 June 2020)

Monday 6 July 2020 for papers that commence during trimester B (13 July 2020 to 6 November 2020)

Monday 2 November 2020 for papers that commence during Summer School 2 (9 November 2020 to 18 December 2020)

Monday 9 November 2020 for papers that commence during trimester C (16 November 2020 to 19 February 2021)

Selected Programme Application Deadlines

The following programmes have application deadlines that differ from the standard deadlines:

Friday 29 November 2019 for new students for Teacher Education programmes. Applications received after this date will be considered if there are spaces available.

One month prior to the start date of the programme for WMS Executive Education programmes

One month prior to the intended start date of the thesis for thesis enrolments

Enrolment Dates

Enrolment is not complete until a signed enrolment agreement confirming the intended method of payment of fees option has been received by the University. Students must accept online or sign and return their enrolment agreement by

Monday 9 December 2019 for papers commencing 6 January 2020 to 21 February 2020

Friday 28 February 2020 for papers commencing 2 March 2020 to 26 June 2020 and papers commencing 2 March 2020 to 6 November 2020

Friday 10 July 2020 for papers commencing 13 July 2020 to 6 November 2020

Friday 6 November 2020 for papers commencing 9 November 2020 to 18 December 2020

Friday 13 November 2020 for papers commencing 16 November 2020 to 19 February 2021

the **Friday prior to the start date** of a WMS Executive Education programme

the **Friday prior to the start date** of a thesis enrolment

Enrolments received after these dates, if accepted, will be subject to a late enrolment charge (see the [Table of Fees and Charges](#)).

Programme Advice and Planning

The Future Students Recruitment Office assists students who are unfamiliar with the University or who require assistance to plan their programme of study. Prospective students can obtain information from the Student Centre by phoning 0800 WAIKATO or (07) 838-4007, or emailing

recruitment@waikato.ac.nz. Alternatively this can be done in person by calling in to the Hamilton campus (Level 2 of the Student Centre), the Tauranga campus (Level 1 in the Student Hub) at 101-121 Durham Street, Tauranga or the Auckland Office, which is based at 21 Putney Way, Manukau City, Auckland.

The Future Student Recruitment Advisers represent the University at regional careers expos, secondary school career evenings, and other events throughout New Zealand and overseas. They

provide comprehensive information, personal advice sessions and campus tours, which are available by appointment. An Open Day and several information sessions are held on campus throughout the year, and details are available on request. Students can explore a range of options - undergraduate study, postgraduate study, bridging courses and pathways programmes including those that target women, mature students and Māori. Prospective students will also receive information on the range of academic and support services that are available.

Change of Enrolment Regulations

1. Title

These are the Change of Enrolment Regulations 2012.

2. Date of effect

These regulations are effective from 1 January 2020.

3. Definitions

In these regulations

change of enrolment means any of the following changes to the programme of study in which a student has originally enrolled for a given teaching period:

- the **addition** of a paper, with payment of the prescribed fees
- the **deletion** of a paper, with refund of the prescribed fees (the paper is deleted from the student's academic record)
- **withdrawal** from a paper, without refund of any fees (the paper remains on the student's academic record, annotated as 'withdrawn')
- **change** of qualification, major or specified programme.

MyWaikato means the computer system, accessible to enrolled students, which enables them to apply for change of enrolment on the internet.

4. Application

These regulations apply to papers at 0, 100, 200, 300, 400, 500 and 700 levels.

Note: Policies and procedures with respect to change of enrolment for 800 (MPhil) and 900 (doctoral) level programmes are available from the School of Graduate Research.

5. Fees

The fees referred to in these regulations are available online at www.waikato.ac.nz/study/costs.

6. Teaching periods

The teaching periods referred to in these regulations are defined in the [Teaching and Assessment Periods 2020](#) section of the University of Waikato Calendar.

7. Programme approval

Any change of enrolment constitutes a change to a programme of study and requires the approval of the Faculty or School of Study.

8. Procedure for change of enrolment

- (1) Applications for change of enrolment must be submitted to the Faculty or School of Study that the student is enrolled in for consideration. They need to be submitted through MyWaikato. The exceptions are students enrolled in articulation programmes - they need to complete specific forms to add University of Waikato papers to their enrolment.
- (2) Absence from classes or failure to submit items for assessment does not constitute withdrawal from a paper. A student who does not withdraw from a paper using the procedures outlined in these regulations remains enrolled for the paper and remains liable for any prescribed fees.
- (3) Attendance at classes and submission of items for assessment does not constitute enrolment in that paper.

9. **Timeframe for change of qualification, major or specified programme**

Provided that no changes are made to the selection of papers, a student may apply to change a qualification, major or specified programme at any time.

10. **Deadlines for adding papers (with payment of the prescribed fees)**

- (1) An application to add a (500 level) thesis must be submitted to the Faculty or School of Studies at least one month before the intended start date for the thesis.
- (2) An application to add an Executive Education paper must be submitted to the Waikato Management School at least one month before the start of the paper.

11. **Deadlines for substituting papers (with transfer of the prescribed fees)**

A student may apply to add a paper in place of a paper being deleted up until the relevant deadline listed in section 12 of these regulations provided that the paper to be added is of the same or lesser points value as the paper to be deleted.

Length of paper	Substitution Period	Deadline
Less than 17 weeks (including C trimester, S, G and H periods)	1 week	Within 7 days of, and including the first day of the relevant teaching period
17 weeks or more (including A and B trimesters, D period)	2 weeks	Within 14 days of, and including, the first day of the relevant teaching period

12. **Deadlines for deleting papers (with a refund of the prescribed fees)**

- (1) An application to delete a paper must be submitted to the Faculty or School of Studies by the following deadlines:

Length of paper	Deletion Period	Deadline
10 weeks or less (including S, G and H period)	1 week	Within 7 days of, and including the first day of the relevant teaching period
Up to, and including, 20 weeks (including A, B and C trimester)	2 weeks	Within 14 days of, and including, the first day of the relevant teaching period)
Up to, and including, 30 weeks	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Up to, and including, 40 weeks	4 weeks	Within 28 days of, and including, the first day of the relevant teaching period
More than 40 weeks	5 weeks	Within 35 days of, and including, the first day of the relevant teaching period

- (2) Where subjects provide for different levels of proficiency on first enrolment (eg Mathematics, languages), a student may apply to transfer, with a transfer of fees, from one paper to a closely related paper in the same subject up until the relevant deadline for withdrawal listed in section 13 of these regulations.

13. **Withdrawal from papers (without a refund of the tuition fee)**

- (1) Unless exceptional circumstances apply (as provided for under section 14 of these regulations), a student who withdraws from a paper after the deadline for deletion (see section 12 of these regulations) is not entitled to a refund of the fees for that paper; if the fees have not been paid, the student remains liable for them.
- (2) An application to withdraw from a pre-degree or undergraduate paper (0, 100, 200, 300, or 400 levels and Faculty of Education

700 level) after the deadline for deletion (see section 12 of these regulations) must be submitted to the Faculty or School of Studies by the following dates:

Type of paper	Withdrawal Period	Deadline
Trimester A or B	6 weeks	Within 42 days of, and including the first day of the relevant teaching period
Trimester C	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Other, less than 17 weeks (including S, G and H periods)	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Other, 17 weeks or more (including D period)	6 weeks	Within 42 days of, and including, the first day of the relevant teaching period

- (3) A student may withdraw from a graduate paper (500 or 700 level, excluding Faculty of Education 700 level) after the deadline for deletion (see section 12 of these regulations) at any time before the start of the examination or, if the paper is internally assessed, at any time before the due date for the final item of assessment.

14. **Late deletion or withdrawal under exceptional circumstances**

Note: *Part 4 of the [Assessment Regulations 2016](#) sets out the University's provisions for special consideration in assessment. Students considering withdrawal from papers because of exceptional circumstances beyond their control are encouraged to seek advice first from their Faculty or School of Study, or from the Student Centre, about whether they might be entitled to special consideration under the [Assessment Regulations 2016](#).*

- (1) If, after the deadline for deletion or withdrawal, a student

considers that he or she is unable to complete a paper because of exceptional circumstances beyond his or her control, the student may apply in writing to the Director of Student Services for late deletion or withdrawal.

- (2) Applications for Medical or Compassionate withdrawals will only be considered within 12 months from the end date of the paper.
- (3) The application must be submitted to the Director of Student Services and must include an account, with appropriate evidence if available, of the circumstances that prompted the application.
- (4) Applications under this section are considered and decided by the Director of Student Services or an approved delegate.
- (5) If the application is approved, the Director of Student Services or their approved delegate may also approve, at their discretion, a credit of some or all of the student's fees.

15.

Appeals

- (1) A student may appeal against any decision taken under these regulations.
- (2) An appeal, comprising a written statement of the circumstances of the appeal, and supporting evidence if available, must be submitted in writing to the Director of Student Services not more than seven days after the date on which the student receives notification of the relevant decision. Late appeals may be accepted at the discretion of the Director of Student Services.
- (3) Appeals under this section are considered and decided by the Deputy Vice-Chancellor Academic, or his or her nominee, by delegated authority of the Academic Board.
- (4) A decision by the Deputy Vice-Chancellor Academic is notified in writing and is final.

Regulations Governing Payment of Fees and Charges

Fees and Charges Payable

1. A student is deemed enrolled and liable for payment of fees upon signing and acceptance of an Enrolment Agreement, Notification of Change, or other document(s) by which acceptance into a paper or papers is formally agreed.
2. Every person must pay fees and charges (as set out in the [Table of Fees and Charges](#) in the University of Waikato Calendar) according to arrangements and terms agreed at the time of enrolment in the Enrolment Agreement or Notification of Change.
3. Students who do not attend a paper in which they have formally accepted a place will be liable for payment of the fees for that paper, unless the withdrawal procedures as detailed in the [Change of Enrolment Regulations 2012](#) are followed.
4. Unless the Chief Financial Officer determines otherwise, where a student defaults on a payment and does not pay the outstanding amount within 28 days of the due date that student's enrolment will be cancelled.
5. Cancellation of a student's enrolment does not discharge any outstanding debt.
6. Unless special arrangements are agreed by the Chief Financial Officer, the following penalties apply in addition to the cancellation of the student's enrolment while a debt remains outstanding:
 - (a) the student is not entitled to use the Library, attend lectures, participate in laboratory classes, or otherwise make use of university facilities
 - (b) the student's academic results are withheld
 - (c) the student may not re-enrol at this university
 - (d) the student is not entitled to have his or her academic record transferred to any other institution
 - (e) the award of any qualification is deferred
 - (f) the student's outstanding debt may be referred to a debt recovery agency for collection. The University also reserves the right to recover any additional costs in relation to this debt collection from the student.
7. A student whose enrolment is cancelled for reasons of non-payment of fees

may subsequently apply for reinstatement of enrolment, provided

- (a) the application is submitted to the Chief Financial Officer within four weeks of the date of the cancellation
- (b) all outstanding fees, charges, and surcharges are paid before or at the time that the application is submitted, and
- (c) the service charge for the reinstatement of enrolment after cancellation, as prescribed in the [Table of Fees and Charges](#), is paid.

- 8. An enrolment that is reinstated under this section is deemed to have been continuous.
- 9. The tuition and resource fees for a particular paper fall due on the payment date for the trimester in which teaching for that paper starts, or, where beginning outside of these trimesters, the first day of the teaching period of the particular paper.

Payment by Trimester

- 10. These provisions for payment of tuition and resource fees by trimester do not apply to students who pay by Student Loan.
- 11. Unless the tuition and resource fees are being paid by Student Loan, a student who enrolls for more than one trimester may elect to pay tuition and resource fees by trimester.
- 12. Payment dates are prescribed for each of the trimesters, namely S - Summer School 1, A trimester, B trimester and C trimester.
- 13. The tuition and resource fees for a particular paper fall due on the payment date for the trimester in which teaching for that paper starts.
- 14. Students who have made arrangements to pay by trimester and who discontinue any of their papers remain liable for all payments as they fall due, unless they submit an application to delete the relevant paper by the prescribed deadline (see the [Change of Enrolment Regulations 2012](#)).
- 15. All fees and charges other than tuition and resource fees fall due as part of the students' first payment.
- 16. A surcharge of 10% or \$100, whichever is lower, will be levied on any fees that are outstanding at the start date of the trimester. This applies to Summer School 1, A, B and C Trimester start dates respectively.

Appeals

- 17. A student may appeal to the Vice-Chancellor against any decision by the Chief Financial Officer under these regulations.

International Students

The following information is a general guide for international students wishing to enrol at the University of Waikato. Further information and application forms are available on the website:

www.waikato.ac.nz/study/international/.

Email: international@waikato.ac.nz

Admission

All students are required to meet the entry requirements for admission, as set out in the [Admission Statute 2016](#). Applicants whose first language is not English are also required to provide satisfactory evidence of English language proficiency, generally in the form of an IELTS or TOEFL examination score, as set out in the [English Language Requirements for Admission](#). Scores can vary according to the qualification sought

International students must apply for admission either online at www.waikato.ac.nz/study/apply or on the Application to enrol form for new international students, available online at

www.waikato.ac.nz/study/international/how-to-apply.

Permanent residents of Australia and New Zealand, Australian citizens, and students from the Cook Islands, Tokelau or Niue who are New Zealand citizens, are treated as New Zealand students and do not need to apply for admission as international students.

Please note that to be eligible for domestic tuition fees, permanent residents and citizens of Australia must be living in New Zealand for the duration of the study. Domestic tuition fees information is available at www.waikato.ac.nz/study/costs/tuition-costs-domestic.

All international students enrolling in an undergraduate programme must hold as a minimum requirement, an equivalent university entrance qualification; as set out online at

www.waikato.ac.nz/study/enrolment/undergraduate-international.

Students who have achieved an equivalent to New Zealand University Entrance through a qualification other than NCEA at Level 3 will have their admission assessed on a case by case basis.¹

Please contact the International Office for detailed guidelines on admission to the University of Waikato.

1. *Many of the degrees offered at the University of Waikato have prerequisites on their core papers. Applicants who have not achieved specified prerequisites through their study will be required to take additional papers or foundation courses in order to satisfy these prerequisites. Applicants in*

this situation are advised that not all papers may count towards the completion of the degree and that the programme may take an additional period of time.

Code of Practice

The University of Waikato has agreed to observe and be bound by the *Education (Pastoral Care of International Students) Code of Practice 2016*. Copies of the Code are available from the New Zealand Qualifications Authority website <https://www.nzqa.govt.nz/providers-partners/education-code-of-practice/>. Students should refer to the Code of Practice for their specified responsibilities and to the International Student Handbook or this Calendar for University procedures and recommendations.

Tuition Fees and Charges

- (1) International students are required to pay full cost tuition fees. Students should refer to the [Table of Fees and Charges](#) for other fees and charges that may be applicable.
- (2) New international PhD students are eligible for domestic fees for their studies. Conditions apply. For more information, see the [Higher Research Degrees](#) website.

New Zealand Immigration Requirements

- (1) All international students must hold a valid student visa for the duration of their studies. A visitor visa is only valid for courses lasting less than three months in total. Further information regarding the various requirements of Immigration New Zealand (INZ) can be obtained from the nearest New Zealand High Commission, Embassy or INZ Office.
- (2) An offer of place at the University of Waikato does not guarantee that the student will be issued with a student visa.
- (3) International students are required to obtain a student visa before travelling to New Zealand. Students must provide evidence to show they can have enough money to support themselves while they study in New Zealand. The source of fund is considered stable and there are no unexplained lump sum deposits. For more information please see [here](#).
- (4) The University is required to report to INZ those

- students who are not fulfilling the requirements of their student visa, which includes completing compulsory course components and passing papers.
- (5) Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from INZ, and can be viewed on their website at <https://www.immigration.govt.nz>.

Pre-paid Tuition Fees Policy

As indicated above, international students are required to obtain their student visa and pay their tuition fees before enrolment can be completed. These funds are held against the student's name until they complete their enrolment in person. This policy details the process for refunding these funds if (i) the student travels to New Zealand and does not complete their enrolment, or (ii) completes the first trimester of study and does not enrol in the second trimester of study and they have a student visa valid for one year, with the exception of students enrolling in B trimester then A trimester.

- (1) All students must apply in writing for a refund of their pre-paid tuition fees to the Director of Student Services Division.
- (2) Students are required to supply a verified copy of their passport and student visa, and a copy of their University of Waikato receipt(s) with their application for a refund.
- (3) The University of Waikato will notify INZ that the student has not fulfilled the obligations of their visa by completing their enrolment at the University of Waikato.
- (4) Where a student wishes to attend another institution in New Zealand, the University of Waikato will transfer the pre-paid tuition fees to that institution, upon written confirmation from that institution of the student's intention to study. This should be in the form of a formal letter of offer or invoice which confirms the student's acceptance into a qualification. If the student has already paid their tuition fees at the other institution, the University of Waikato will refund the pre-paid tuition fees to the student, upon written confirmation from the other institution that the fees have been paid. It is the student's responsibility to provide the necessary documentation from the

- other institution.
- (5) Where a student will be returning to their home country, the funds will be refunded in one of two ways:
- (a) an overseas bank draft sent to the overseas address provided by the student
 - (b) if it is known that the pre-paid tuition fees have been paid by a third party, the refund may be paid back to that third party.
- (6) Where a student is wishing to remain in New Zealand without enrolling at an educational institution, the University of Waikato will refund these funds either:
- (a) upon evidence of a valid INZ visa to remain in New Zealand, or
 - (b) confirmation that INZ has discharged the University of Waikato's duty under the original student visa.
- (7) If a programme of study is cancelled by the University of Waikato, a full refund of pre-paid tuition fees will be made to the student by bank draft.

International Students Refund Administration Charge

International students who withdraw their application or their enrolment before the start date of their programme will receive a 100 percent refund of pre-paid tuition fees less a \$500 Administration Fee. Students who withdraw their application or their enrolment after the start date of their programme but during the period for deletion of papers (refer to Clause 12 of the [Change of Enrolment Regulations 2012](#), will receive a 100 percent refund of pre-paid tuition fees less a \$2,000 Administration Fee.

Compulsory Medical and Travel Insurance

International students (including group students) must have appropriate and current medical and

travel insurance while studying in New Zealand, as stated in the *Code of Practice for the Pastoral Care of International Students*. Under the Immigration New Zealand Policy, this must be at least for the duration of your student visa. Enrolment is dependent on proof of appropriate insurance. To simplify the process of selecting insurance, the University has selected Studentsafe-University (underwritten by Allianz New Zealand) as the preferred insurance policy for all international students. The Studentsafe-University insurance premium will be added to tuition fees at the time of enrolment, resulting in international students being automatically enrolled in the Studentsafe-University insurance scheme. This premium will not be charged if evidence of an alternative compliant insurance policy is provided to the University before the specified deadline (please note there are only a small number of approved alternative compliant policies). For further information please refer to the website <https://www.waikato.ac.nz/study/international>.

Eligibility for Health Services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on the website <https://health.govt.nz>. The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website <https://www.acc.co.nz>.

New Zealand Government Scholarships

The New Zealand Aid Programme (NZAP) is the New Zealand Government's International Aid and Development Programme managed by the Ministry of Foreign Affairs and Trade. Education is vital to the New Zealand Aid Programme's mission of supporting sustainable development in order to reduce poverty and contribute to a more secure, equitable and prosperous world. Scholarships are available to citizens from selected developing countries to undertake vocational training or tertiary level study in their home country, in New Zealand, or in the Pacific region. These scholarships enhance the skills, training and knowledge of individuals, and build their capacity to contribute to the sustainable development of key areas in their home country. The eligibility criteria and application process can be found on: <https://www.mfat.govt.nz/en/aid-and-development/new-zealand-government-scholarships/>.

Student Exchanges between the University of Waikato and Partner Institutions

The International Office administers the University's international student exchange programmes. Exchange students must come from a university that has a formal two-way student exchange agreement with the University of Waikato and must be nominated by the relevant office of their home

university. Exchange students can enrol at the University of Waikato for one or two trimesters and credit study to their home degree but students may not go on exchange to their home country. Exchange students are expected to be positive ambassadors for the University of Waikato and New Zealand. With prior approval, study completed at the partner University will be credited towards students' University of Waikato qualifications, although this cannot be guaranteed in advance. Further information for exchange applications can be obtained from the Study Abroad and Exchange Manager in the International Office, Level 2 of the Gateway Building, Hamilton Campus, or the website: <https://www.waikato.ac.nz/study/international/study-abroad-and-exchange> .

Strategic Alliances, International Partnerships and Agreements

The University is a forward-looking, innovative institution that welcomes strategic alliances, international partnerships, and agreements. Consideration is given to international institutions that match the University of Waikato profile in terms of reputation, academic standing, and research output.

All proposals for University to University linkages should be discussed in the first instance with the International Office. Proposals for guaranteed credit agreements need submission of full documentation to the International Office which will refer them to the appropriate academic authority for approval. Partnership proposals are welcome and will be explored on a case by case basis. Memorandums of Understanding should also be submitted as proposals to the International Office, which will refer them to the appropriate authority.

Overseas visitors are welcome. Prospective visitors should contact the International Office with full background information about their proposed visit. The International Office will assist in arranging an itinerary which meets both the visitors' and the University of Waikato's needs.

Student Research Regulations

Preamble

Students who undertake research at any level of study are required to conduct the research in a manner that conforms with requirements and standards set down by the University and, in many cases, by law.

Students are referred to the [Resources on Ethical Conduct in Research and Related Activities](#), available from the Research & Enterprise Office.

1. **Title**

These are the Student Research Regulations 2008.

2. **Date of effect**

These regulations are effective from 1 January 2009.

3. **Definitions**

In these regulations

plagiarism means presenting as one's own work the work of another, and includes the copying or paraphrasing of another person's work in an assessment item without acknowledging it as the other person's work through full and accurate referencing; it applies to research and to assessment (as defined in the [Assessment Regulations 2016](#)) presented through a written, spoken, electronic, broadcasting, visual, performance, or other medium. Plagiarism also includes self-plagiarism which is the use of one's own work that has been used and/or published in another context without acknowledging the previous work through appropriate referencing

research means an inquiry of an investigative, experimental or critical nature which is driven by a question, hypothesis, or intellectual position capable of rigorous assessment, and the findings of which are open to scrutiny and formal evaluation; it includes any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

student means a student enrolled at the University of Waikato

University means the University of Waikato.

4. **Application**

These regulations apply to research undertaken by a student as an element of a paper or thesis of the University at any level of study.

5. **Ethical conduct in research**
A student engaged in research
- (a) must fairly and fully represent results as he or she honestly perceives them, without falsifying data, fabricating data, claiming results where none have been obtained, or fraudulently changing records
 - (b) must not commit or condone plagiarism
 - (c) must be scrupulously honest in the ascription of authorship, and must not list authors without their permission or attribute work to others who have not in fact contributed to the research
 - (d) must conform with professional standards and codes of ethics relevant to the discipline
 - (e) must exercise integrity and good faith in every aspect of research practice
 - (f) must comply with the [*Ethical Conduct in Human Research and Related Activities Regulations*](#) when the research involves collecting data about and from people and organisations.
6. **Research or teaching involving the development of low risk genetically modified organisms (GMOs)**
- (1) A student who intends to use or develop low risk genetically modified organisms (GMOs) must comply with the appropriate ERMA regulations.
 - (2) Advice on these regulations is available from the Office of Biological Sciences.
7. **Research using live animals**
- (1) Users of live animals for teaching, research, or the production of biologically active agents have ethical and legal responsibility for the welfare of those animals.
 - (2) The Animal Ethics Committee is established by the Vice-Chancellor in accordance with the requirements of the Animal Welfare Act 1999, and is responsible for
 - (a) ensuring that any experimental procedure involving live

animals
complies with
the Animal
Welfare Act
1999 and the
University's
*Code of Ethical
Conduct for the
Use of Animals
for Teaching
and
Research*

(b) initiating
investigations
into any
suspected non-
compliance with
the Animal
Welfare Act
1999 or the
University's
*Code of Ethical
Conduct for the
Use of Animals
for Teaching
and
Research*

(c) arbitrating in
disputes about
use of live
animals for
teaching and
research.

(3) A student involved in the use of animals for
research must comply with

(a) the University's
*Code of Ethical
Conduct for the
Use of Animals
for Teaching
and
Research* , or

(b) any other

8.

Breaches

A breach of these regulations is misconduct under the *Student Discipline Regulations 2014*.

Ethical Conduct in Human Research and Related Activities Regulations

Preamble

Any member of the University community who participates in research and specified related activities is required to conduct the research and/or related activities in a manner that conforms with ethical standards set down by the University, by relevant national and international professional bodies, and by the law of the country in which the research is undertaken.

These regulations apply specifically to the following activities: research, teaching, consulting, evaluation, and publications which involve collecting data about and from people and organisations. These regulations also apply to any research where there are ethical issues that are not addressed by the Animal Ethics Committee [Code of Ethical Conduct for the Use of Animals for Research, Testing and Teaching](#).

Students are referred also to the University's [Student Discipline Regulations 2014](#) in this Calendar, and the [Guidelines for Professional Practice and Community Contact in the Conduct of University Research or Related Activities](#) (see Appendix 1 to these regulations), and the Higher Research Degrees website, as amended from time to time: <http://www.waikato.ac.nz/students/research-degrees/>.

Staff are referred also to the University's [Staff Code of Conduct](#).

Students and staff are also referred to the resources on [Ethical Conduct in Research and Related Activities](#), available from the [Research & Enterprise Office](#).

Ethical Conduct in Human Research and Related Activities Regulations

- Title**
These are the Ethical Conduct in Human Research and Related Activities Regulations 2008.
- Purpose**
Ethical issues arise when University research and/or related activities involve the

interests and rights of others. The purpose of these regulations is to facilitate ethical conduct which respects the rights of people, communities, companies, trusts, and other organisations. These regulations explain the standards of ethical conduct and the procedures that apply for the maintenance and monitoring of these standards. All applications to the University's human research ethics review committees will be reviewed for approval on the basis of their compliance with these regulations.

3. **Date of effect**

These regulations are effective from 1 July 2008.

4. **Scope**

- (1) These regulations apply to all
 - (a) staff of the University of Waikato
 - (b) students of the University of Waikato, and
 - (c) any other person authorised to undertake research and/or a related activity on behalf of the University of Waikato, including those employed or contracted in wholly-owned subsidiary entities.
- (2) Research collaborators or partners are expected to apply for approval of their research and/or related activities from their organisation and must also apply to the relevant University of Waikato Faculty committee.
- (3) Under these regulations, all research and/or related activities are required to have formal ethics review and approval.
- (4) Applications for approval are not required for normal teaching activities; but are required for specific teaching that involves the participation of a student or students and has the potential for harm (see section 13 of these regulations), or that involves collection of data from students.
- (5) Applications are not required for University teaching evaluations or for University reviews and quality assurance activities; however, such activities do have ethical implications and should be conducted in a professional way consistent with the University *Staff Code of Conduct* and should be consistent with the spirit of these regulations.

5. **Definitions**

In these regulations

research means an inquiry of an investigative, experimental, or critical nature which is driven by a question, hypothesis, or intellectual position capable of rigorous assessment,

and the findings of which are open to scrutiny and formal evaluation. It may include any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

related activities may include teaching, consulting, evaluation, and publication when these activities involve collecting data about and from people and organisations. These activities are defined as follows:

teaching means teaching in lectures, tutorials, demonstrations, and related educational research

consulting means the provision of advice to a client, such advice being based upon the pre-existing professional knowledge and skills of the consultant

evaluation means the systematic collection and analysis of information to make judgements, usually about the effectiveness, efficiency, and/or appropriateness of the research and/or related activity

publication means any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

participant means a live human being or group of live human beings who participate in research and/or related activities whether by observation, questioning, participation in an experiment, provision of specimens or human tissue samples, or by any other means

organisation means a social unit of people systematically arranged and managed to meet a need or to pursue collective goals on a continuing basis. Examples include firms, iwi groupings, schools, and professional societies

researcher means the person undertaking research and/or related activities

harm includes physical, psychological, social, economic, or cultural harm to participants

field research means research conducted in person in a natural setting outside of a laboratory.

6.

Application procedures

- (1) A staff member, student, or authorised person must not commence research or a related activity until it has been approved by the appropriate authority and in accordance with these regulations.
- (2) Researchers must submit applications for approval for their research or related activity to one of the delegated Faculty or department committees (see section 22 of and Appendix 2 to these regulations) within the University.
- (3) Where applications are made to an external ethics committee, an application must also be submitted to, and approved by, the relevant delegated committee within the University (see section

22(3) of and Appendix 5 to these regulations).

- (4) Applications for approval of research and/or related activities must be submitted in the form prescribed for the relevant Faculty, department, or unit (see Appendix 3 to these regulations).
- (5) If an ethical issue relating to the research and/or related activity that was not envisaged at the beginning arises during its course, the researcher must stop the research and/or related activity, consult the appropriate authority, and apply for approval. The researcher must not begin the research and/or related activity again until the necessary approval has been obtained.
- (6) For situations where prior, free, express, and informed consent from participants may not be possible, see sections 10 and 11 of these regulations for guidance in making application for approval of the research or a related activity.

7. **Responsibility for ethics in research and related activities**

- (1) Individual staff, students, and authorised persons are responsible for ensuring their research and/or related activities comply with these regulations.
- (2) If a researcher is a student, the staff member responsible for supervising the student's research must take all reasonable steps to ensure that the student complies with these regulations.
- (3) Paper convenors may apply for ethics approval for an entire paper if it involves students in that paper engaging in research or related activities. Such applications must cover all anticipated research or related activities the student may engage in, and the convenor's, lecturers' and/or tutors' responsibilities. Applications must identify ethical issues and describe practices for addressing them.

8. **Value of research or related activities and the public interest**

- (1) A researcher must be able to justify to their peers the goals and methodology of the research and/or related activity in terms of its reasonably anticipated benefits balanced against any foreseeable risk of harm to the participants.
- (2) A researcher must normally make available the findings of research in the public domain. Any exception to this must be approved in writing by the Senior Deputy Vice-Chancellor, or by a person to whom authority is delegated in writing by the Senior Deputy Vice-Chancellor (see section 10(7) and section

9.

Informed consent of participants

- (1) Researchers must gain participants' prior, free, express, and informed consent in a culturally and socially appropriate manner, unless in the case of approved exceptions. For proxy consent from authorised representatives, see subsection (4)(e) and (4)(f) of this section of these regulations. Exceptions regarding large sample surveys and similar research methods, some cases of field research, and the possibility of gaining informed consent after data collection are dealt with in sections 10, 11 and 14 of these regulations.
- (2) A researcher must establish explicit processes for reaching agreement with participants. A researcher must not involve a participant in any research and/or related activities unless the researcher is satisfied that the participant has understood the nature of their involvement and freely agreed to it in accordance with the principles outlined in this section.
- (3) A researcher must not use explicit or implicit coercion to obtain the agreement, and must not use inducement to obtain the agreement except in accordance with section 18 of these regulations.
- (4) Unless sections 10, 11 or 14 of these regulations apply, a researcher must adhere to the following principles with respect to informed consent of participants:
 - (a) A researcher must inform prospective participants of all information relevant to the decision to participate including
 - (i) their right to decline to participate in the research and/or related activities or any portion or any part of these
 - (ii) the form in which the findings will be

- (iii) published duration and security of data storage
- (iv) their right to withdraw any information they have provided up until analysis has commenced on their data
- (v) their right to access and correct personal information
- (vi) the process for withdrawing information they have provided.

(b)

The more readily identifiable the participants may be, the more formal the consent should be. Where participants are asked to answer questionnaires that might identify them, answer questions in a formal interview, undergo formal tests, or where they are subjected to formal observation and recording procedures, the process for obtaining informed consent, and the form of the consent, should be similarly formal and recorded in writing or some other reproducible form. Where the participation is more anonymous the consent may be less personalised and less explicit (see section 10 of these regulations).

- (c) If the research or related activity involves manipulation of, or intervention in, the physical or psychological state of a participant, the participant's consent, or, if subsection (e) of this section applies, the consent of the person with authorised responsibility for the participant, must be recorded in writing or some other reproducible form.
- (d) Because some research and/or related activities involve collectives, a researcher must recognise the complexities of relationships between individuals and collectives. In some cultures it is common for the leader of a collective to make a decision in respect of participation on behalf of its members. If an individual in a collective wishes to participate or not to participate in the research and/or related activity, regardless of a decision taken on behalf of the collective, the individual's wishes must be respected and all reasonable care taken to ensure that those wishes are also respected by other members of the collective.
- (e) If a prospective participant is reasonably judged incapable of giving informed consent, the researcher must obtain the proxy consent from the person who has responsibility for the prospective participant's welfare, taking particular care to protect the participant's interests and also taking into account any potential conflict of interest between them and the person whose consent is required.
- (f) A researcher who seeks the proxy consent of another person on behalf of a prospective participant under subsection (e) of this section must

make all reasonable effort to involve the prospective participant themselves in the process and the decision about consent.

- (g) Staff, students, and other approved persons must obtain informed consent when recording images of participants, participants' possessions, or research and/or related activity in which participants are involved, unless the recording of images is of lawful activity occurring in a public place and is culturally appropriate.
- (h) A researcher must provide the information under subsection (a) of this section plainly and in the language and medium that is appropriate for the prospective participants.
- (i) A researcher must inform participants of their right of access to any data that may have been collected from or about them.
- (j) A researcher must inform participants of their right to complain about the conduct of the research and/or related activity and must also inform them of the process for making a complaint.

10.

Large random sample surveys and informed consent

- (1) A researcher who intends to collect data involving large numbers of people is not required to adhere to all the principles concerning informed consent outlined in section 9(4) of these regulations if the research method makes adherence to all these principles impractical or undesirable and if such a requirement is likely to impact adversely on the researcher's ability to generate reliable information.
- (2) However, the researcher must declare and justify an intention not to adhere to the principles in section 9(4) of these regulations in the application for approval submitted under section 6 of these regulations.

- (3) In these situations the researcher must provide the following information, as a minimum, to a participant before the research or related activity begins
- (a) the anticipated length of the research or related activity
 - (b) the general purpose of the research or related activity
 - (c) the forms in which the data might be published
 - (d) an assurance that the participant will not be identified in any publication or dissemination of research findings.

11. **Field research and informed consent**

- (1) 'Field' research in this context means research conducted in person in a natural setting outside of a laboratory.
- (2) In field research situations, prior, free, express, and informed consent must be gained in a culturally and socially appropriate manner from participants.
- (3) In some forms of field research using such methods as participant observation, participatory research and action research, where obtaining prior, free, express, and informed consent from all participants would be inappropriately intrusive or impractical for social, cultural, or methodological reasons, it is acceptable not to gain such consent.
- (4) However, the researcher must take care to apply other ethical principles, especially minimising the risk of harm to participants and maintaining the anonymity of participants. It may also be appropriate in such cases that informed consent be sought afterwards but prior to the publication of research findings, from people who have in the course of information collection come to the attention of the researcher.

12. **Archiving of data, privacy, storage, and use of information**

- (1) All non-identifying data (eg data sets and transcripts) used for publication must be securely kept long enough to allow for academic examination, challenge, or peer review. This period would normally be at least five years. Identifying data such as consent forms, photographs, and videos will be securely stored consistent with agreements made under section 9(4)(a) of these regulations. The responsibility for data storage lies with the department or other equivalent academic unit.
- (2) Where the research and/or related activity is conducted in New

Zealand, the researcher must comply with the Privacy Act 1993 and the Official Information Act 1982, and must adhere to the following principles consistent with that legislation

- (a) participants and informants must not be publicly identified or identifiable without their explicit consent
 - (b) participants must be informed (unless sections 10, 11 and 14 of these regulations apply) that they will not be identified in any publication or dissemination of the research findings without their explicit consent
 - (c) researchers must take all reasonable precautions to prevent unauthorised use, access, modification, or disclosure of personal information
 - (d) data identifying participants must not be kept for longer than required for the purpose for which it is collected (see subsection (1) of this section)
 - (e) except in circumstances specified in the relevant legislation, personal information may be used only for the purpose for which it is collected.
- (3) Where the research and/or related activity is conducted in a country other than New Zealand, the researcher must comply with any legislation that applies in that country with respect to privacy and storage of personal information.
- (4) Even where the research and/or related activity is conducted in a country other than New Zealand, the researcher must comply as far as possible with the spirit of the Privacy Act 1993 and the Official Information Act 1982; however, if there are contradictions between the legislation of New Zealand and the other country, the legislation of the other country must prevail.
- (5) A researcher must include in an application submitted under section 4(3) of these regulations a statement about the conditions under which, and the period for which, any personal information collected for the research and/or related activity is to be stored.
- (6) Data must not be made available to persons or for purposes that are not named on the application.

Minimisation of harm

- (1) A researcher must make particular effort to identify physical, psychological, social, economic, or cultural harm to participants before seeking their consent to participation.
- (2) A researcher must minimise both the risk of harm to a participant and the potential for negative consequences of the harm.
- (3) 'Harm' in this context includes pain, stress, emotional distress, fatigue, embarrassment, and exploitation.
- (4) Unless it would be impractical or undesirable to do so in the terms described in section 10 of these regulations, a researcher must consult participants to ascertain any risk of harm that they themselves may identify or concerns that they themselves may have.
- (5) If, during the course of the research and/or related activity, it is apparent to the researcher that the risk of harm to the participant is greater than originally envisaged, the researcher must inform the participant and re-evaluate the research and/or related activity in terms of the principles outlined in this section.

14. **Limitation of deception**

- (1) Deception of participants conflicts with the principle of informed consent, but in some research and/or related activities it may be necessary to withhold information about the purpose of the research and/or related activity or the procedures involved.
- (2) Research and/or related activities involving deception of participants will be approved only if the researcher demonstrates in the application for ethics review that the deception is absolutely essential to the goals of the research and/or related activity.
- (3) A researcher who undertakes research and/or related activities involving deception of a participant must ensure that the participant is provided with an explanation of the true purpose of the research and/or related activity and the reason for the deception as soon as practicable after the participation.

15. **Social and cultural sensitivity**

- (1) A researcher must respect the cultural, social, and language preferences and sensitivities of the participant.
- (2) Where the research and/or related activity potentially affects individuals or groups who are significantly different in culture from the researcher, the researcher must consult an appropriate person before the research and/or related activity

begins about appropriate cultural procedures and approaches to the research and/or related activity and about informing the participant or community concerned of the research findings.

- (3) An application for ethics review under these regulations must demonstrate how the researcher has responded to the advice received from the person consulted.
- (4) Appropriate consultation and subsequent responses on matters of social and cultural sensitivity are the responsibility of the researcher.

16. **Exploitation of relationships**

- (1) A researcher must not exploit the relationship between researcher and participant.
- (2) A researcher must resist any initiative by a participant to exploit the relationship between researcher and participant.
- (3) 'Exploitation' in this context means the seeking or obtaining of money, goods, services, favours, information or relationships that have no direct bearing on the stated research and/or related activity aims or data gathering.
- (4) Where a researcher is a staff member and the prospective participant a student, the researcher must not exploit that relationship and must strive to ensure that the student is not disadvantaged through their participation or refusal to participate, academically, professionally, or otherwise.

17. **Respect for property rights**

- (1) A researcher must ensure that procedures or publications associated with the research and/or related activity do not infringe legally determined property rights.
- (2) A researcher must ensure that procedures or publications associated with the research and/or related activity do not infringe culturally determined property rights to the extent possible and reasonable in all circumstances.
- (3) Property rights in this context may apply to land, goods, works of art and craft, images, and intangible materials such as spiritual treasures, music, information, and intellectual property (see Appendix 4 of these regulations).
- (4) A researcher must identify and address any issues associated with property rights and ownership of data at the time they seek informed consent and monitor these issues throughout the research process.

18. **Payment for participation**

A researcher must not pay participants for their participation, or arrange for participants to be paid, in money, goods, services, prizes, favours, or in any other form of remuneration or form of hospitality appropriate to the engagement, either directly or indirectly, unless the payment is approved by the appropriate approving authority (see section 22 of and Appendix 2 to these regulations).

19. **Professional codes of ethics**

A researcher must ensure that their research or related activity complies with any professional code of ethical practice or standard relevant to the research and/or related activity.

20. **University research and/or related activities in schools and early childhood services**

A researcher involved in research and/or related activities in schools or early childhood services must comply with the [Guidelines for Observation and Research in Schools and Early Childhood Services](#) (see Appendix 5 to these regulations).

21. **Declaration of potential conflict of interest**

- (1) A researcher must, in an application submitted under section 4 of these regulations, declare any potential conflict of interest.
- (2) 'Conflict of interest' occurs where a researcher or related party is, or is reasonably likely to
 - (a) obtain an unfair, inappropriate, or unethical professional, commercial, or personal advantage as a result of or in connection with the research and/or related activity
 - (b) be in a position in relation to the activity or the participants that could appear to affect the researcher's impartiality in the research and/or related activity;
 - (c) obtain a direct or indirect pecuniary benefit or interest as a result of or in connection with the research or related activity.
- (3) If the research and/or related activity is commissioned or sponsored, the researcher must ensure that the commission or the sponsorship
 - (a) is declared to the participants and in any published findings
 - (b) does not compromise the standard or ethics of the research and/or related

activity.

22.

Authority for ethical approval and monitoring

- (1) Authority for administering these regulations rests with the University of Waikato Human Research Ethics Committee.
- (2) The University of Waikato Human Research Ethics Committee makes recommendations to the Vice-Chancellor through the Academic Board for the promotion, review, and monitoring of ethical practice in University research and/or related activities and for monitoring compliance with these regulations.
- (3) Each Faculty has one or more committees with responsibility at the Faculty or departmental level, delegated by the University of Waikato Human Research Ethics Committee, for
 - (a) the approval of research and/or related activities with human participants in the Faculty or department (health and disability research involving human participants must also be reviewed by the University of Waikato Human Research Ethics Committee).
 - (b) compliance with these regulations in the Faculty or department
 - (c) maintaining records of University research and/or related activity with human participants in the Faculty or department in the form required by the University of Waikato Human Research Ethics Committee
 - (d) reporting to the University of Waikato Human Research Ethics Committee in the form required by that Committee.
- (4) The Dean of each Faculty recommends to the University of Waikato Human Research Ethics Committee for approval the committee structure for the respective Faculty, and the Terms of Reference, constitution, membership, and procedures of any committee involved consistent with these regulations (see Appendix 2 to these regulations).
- (5) Responsibility for the following matters in any organisational unit outside a Faculty is delegated by the University of Waikato Human Research Ethics Committee to the Director of that unit

- (a) ensuring applications for approval of research and/or related activities with human participants in the unit are submitted to the University of Waikato Human Research Ethics Committee
 - (b) compliance with these regulations in the unit
 - (c) maintaining records of human research and/or related activities with human participants in the unit in the form required by the University of Waikato Human Research Ethics Committee
 - (d) reporting to the University of Waikato Human Research Ethics Committee in the form required by that Committee.
- (6) A committee at the departmental or Faculty level, or a Director of a unit outside a Faculty, may consult with the University of Waikato Human Research Ethics Committee at any time and may request that the University of Waikato Human Research Ethics Committee review any relevant matter, or review any decision taken under delegated authority.

23. **Researcher appeals against decisions concerning applications for approval**

- (1) Having made an application under these regulations, a researcher may appeal to the University of Waikato Human Research Ethics Committee against any decision taken at the unit, departmental or Faculty level.
- (2) A researcher may appeal to the Academic Board against any decision by the University of Waikato Human Research Ethics Committee under these regulations.
- (3) The Academic Board may determine its own procedures for hearing and deciding the appeal provided that they conform with the principles of natural justice, and may delegate authority to hear and decide an appeal on its behalf.
- (4) The decision of the Academic Board (or delegated authority) on an appeal is final.

24. **Addressing concerns and complaints**

- (1) A concern or complaint about the research and/or related activities to which these regulations apply may be referred to the University of Waikato Human Research Ethics Committee.

- (2) If a concern or complaint arises, the University of Waikato Human Research Ethics Committee may require that the relevant research and/or related activity be discontinued until the issue is resolved.
- (3) If the University of Waikato Human Research Ethics Committee considers that the issue is sufficiently serious, it may refer the matter to the Vice-Chancellor who may arrange for it to be dealt with as applicable
 - (a) under the *Student Discipline Regulations 2014*, as amended from time to time
 - (b) as a breach of the *Staff Code of Conduct*
 - (c) as the Vice-Chancellor thinks fit.
- (4) If the University of Waikato Human Research Ethics Committee considers that the issue is not sufficiently serious to be referred to the Vice-Chancellor, it may take informal action, at its discretion, to deal with the complaint or dispute.

25. **Appeal provision**

- (1) A person may appeal to the Academic Board against any matters dealt with under section 23 or section 24 of these regulations by the University of Waikato Human Research Ethics Committee under these regulations.
- (2) The Academic Board determines its own procedures for hearing and deciding the appeal conforming with the principles of natural justice, and delegates authority to hear and decide an appeal on its behalf.
- (3) The decision of the Academic Board (or delegated authority) on an appeal is final.

Dissertations and Theses

Deadlines for the submission of dissertations and theses for graduate qualifications are prescribed in section 12 of the [Personal Programmes of Study Regulations](#).

Deadlines for the submission of theses for the Master of Philosophy (MPhil) and doctoral degrees are determined on an individual basis. Details about terms of enrolment for these degrees are available from Te Mata Kairangi the School of Graduate Research.

General information about the submission of MPhil and doctoral theses is published on the Higher Research Degrees [website](#).

Students may obtain details about style, general layout, and important conventions to be followed in writing a thesis (referencing, bibliographies etc.) from their supervisor or Chairperson of Department. The University of Waikato Library also publishes a guide to the presentation and submission of dissertations and theses which is available from the Library [website](#).

Dissertations and Theses Regulations

- Title**
These are the Dissertations and Theses Regulations 2020.
- Date of effect**
These regulations are effective from 1 January 2020.
- Definitions**
In these regulations
dissertation means a piece of written work that reports on the findings of a theoretical or empirical investigation and is undertaken in accordance with the regulations for an honours or first masters degree
first masters degree means a masters degree except for the Master of Philosophy (MPhil)
thesis means a piece of written work undertaken in accordance with the regulations for a first masters degree and equivalent to at least 90 points at 500 level, or a piece of written work undertaken in accordance with the regulations for a Master of Philosophy or doctoral degree. Applicants who intend to integrate a creative practice component with their thesis must comply with the Requirements for PhD with a Creative Practice Component, available from Te Mata Kairangi School of Graduate Research. A thesis is

externally examined and if passed is considered to embody research of a kind and standard appropriate for the thesis to be lodged permanently in the University's digital repository, Research Commons, and is publicly accessible (unless embargoed under section 12 of these regulations).

4. **Word limit for dissertations**

The maximum word limit for a dissertation is determined by the Faculty in which the dissertation is undertaken.

5. **Word limit for first masters theses**

Unless the Dean of the Faculty in which the thesis is undertaken approves otherwise in the case of an individual student or subject, the maximum word limit for a first masters thesis is 50,000 words.

6. **Word limit for Master of Philosophy (MPhil) theses**

Unless the Postgraduate Research Committee approves otherwise in an individual case, the maximum word limit for an MPhil thesis is 50,000 words.

7. **Word limit for doctoral theses**

Unless the Postgraduate Research Committee approves otherwise in an individual case, the maximum word limit is

- (a) for a PhD thesis, 100,000 words
- (b) for an EdD or SJD thesis, 60,000 words
- (c) for a DMA thesis, 50,000 words.

8. **Submission of dissertations**

- (1) When the dissertation is ready for examination, the student must submit two copies to the relevant Chairperson of Department.
- (2) Dissertations are not required to be bound, but must be formatted and presented in accordance with relevant Faculty or School of Studies policy.
- (3) The relevant Dean may agree to accept part or all of a dissertation solely in digital form.

9. **Submission of first masters theses**

- (1) When it is ready for examination, a digital copy of the thesis, which will include an abstract of no more than 500 words, immediately following the title page and written in a form suitable for publication, must be submitted by the student to the Student Centre Team.
- (2) The thesis must be accompanied by a declaration, signed by the student's chief supervisor, stating
 - (a) whether the thesis is, in the

- supervisor's opinion, ready for examination, and
 - (b) that the thesis embodies the student's own work, carried out under the supervisor's direct supervision, and
 - (c) that evidence of ethical approval or a statement confirming that it is not required, in accordance with the *Ethical Conduct in Human Research and Related Activities Regulations 2008* and/or the *Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014* had been provided.
 - (3) After a thesis has been examined, passed and returned to a student, the student must, within three weeks, submit a final digital copy of the thesis to the University's digital repository, Research Commons.
 - (4) After a thesis has been examined, passed, and submitted in final digital form the digital copy will be lodged permanently in the University's digital repository, and, unless the Deputy Vice-Chancellor Research has approved an embargo under section 12 of these regulations, will be publicly accessible.

10.

Submission of MPhil and doctoral theses

- (1) When it is ready for examination, a digital copy of the MPhil thesis or the doctoral thesis, which will include an abstract of no more than 500 words, immediately following the title page and written in a form suitable for publication, must be submitted by the student to the School of Graduate Research.
- (2) The thesis must be accompanied by a declaration, signed by the student's chief supervisor, stating
 - (a) whether the thesis is, in the supervisor's opinion, ready for examination, and
 - (b) that the thesis embodies the student's own work, carried out under the supervisor's direct supervision, and
 - (c) that evidence of ethical approval or a statement confirming that it is not required, in accordance with the *Ethical Conduct in Human Research*

and Related Activities Regulations 2008 and/or the *Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014* had been provided.

- (3) After a thesis has been examined and passed, a student, before being entitled to have the relevant degree formally conferred, must submit in final digital form, the copy to be lodged permanently in the University's digital repository, Research Commons, and, unless the Deputy Vice-Chancellor Research has approved an embargo under section 12 of these regulations, this copy will be publically accessible.

11. **Digital format**

- (1) The format for submission of the digital copy of a thesis required under subsection 9(1) and 10(1) of these regulations is set out in the University publication *Write and Submit a Thesis* a which is available from the Library website.

12. **Embargoes**

- (1) Because freedom to exchange ideas and to publish acquired knowledge are fundamental to the purposes of a university, restrictions on freedom of access to dissertations and theses are acceptable only in very limited circumstances approved by the Deputy Vice-Chancellor Research.
- (2) Embargoes of dissertations or theses, either in part or in full, are subject to written approval of the Deputy Vice-Chancellor Research.
- (3) Embargo of a dissertation or thesis is likely to be approved only under the following circumstances:
- (a) if it is pending publication
 - (b) if it is pending the filing of a patent
 - (c) to allow a funder to comment
 - (d) to protect pre-existing traditional knowledge of a whanau/hapu/iwi
 - (e) to protect pre-existing commercial agreements
 - (f) if there is a pre-existing contractual obligation
 - (g) if restriction is necessary under the Privacy Act 1993 or the Official Information Act 1982.

- (4) An embargo will be approved only for a limited period.
- (5) If the Deputy Vice-Chancellor Research has approved an embargo, only the author, title, abstract and other meta-data of the full digital copy held by the University may be publicly accessible through the University's digital repository, Research Commons.

Assessment Regulations

Part 1 General

1. **Title**
These are the Assessment Regulations 2016.

2. **Date of effect**
These regulations are effective from 1 January 2016.

3. **Definitions**
In these regulations

assessment means the internal assessment (details of which are prescribed in the relevant paper outline) and, if one is offered, the examination that a student must undertake in order to be awarded a grade for the paper concerned

chief examiner means the person appointed by the relevant Dean as the chief examiner for the paper concerned; (the names of chief examiners are available from the Director of Student Services Division)

compulsory assessment item means an assessment item that is identified as compulsory in the relevant paper outline, and that a student must submit in order to be eligible to pass the paper

examination means the portion of the assessment for a paper that a student undertakes under formally supervised conditions, at a time and place notified by the Student Centre

examiner means the person or persons designated in the relevant paper outline as the lecturer or convenor of the paper concerned

internal assessment means the portion of the assessment for a paper that is assigned, supervised and marked internally within the relevant department; it may include assignments, practical work, work in tutorials, seminars, written or oral tests, recitals, performances or attendance requirements

paper outline means the document distributed by the relevant department providing detailed information about the nature and requirements of the paper

plagiarism means presenting as one's own work the work of another, and includes the copying or paraphrasing of another person's work in an assessment item without acknowledging it as the other person's work through full and accurate referencing; it applies to assessment presented through a written, spoken, electronic, broadcasting, visual, performance or other medium

special examination means an examination prepared and scheduled for a student whose application for special consideration under section 17 of these

regulations has been accepted as valid by the Special Consideration Committee.

4. **Application**

These regulations apply to papers at 0, 100, 200, 300, 400, 500, and 700 levels.

5. **Fees**

The fees referred to in these regulations are prescribed in the [Table of Fees and Charges](#).

6. **Eligibility to submit assessment**

A student must be enrolled for a paper in order to be eligible to submit assessment in it.

7. **Use of particular languages for assessment**

- (1) Unless specified otherwise in the relevant paper outline, students must submit assessment in either English or Māori.
- (2) The presentation of assessment in Māori is subject to the [Policy on the Use of Māori for Assessment](#).

8. **Plagiarism and cheating**

- (1) Guidelines for sourcing and referencing styles appropriate to particular disciplines are available from the Faculties or School of Studies and the Library.
- (2) Plagiarism is prohibited.
- (3) It is not a defence against a charge of plagiarism for a student to argue that they did not act intentionally in appropriating the writing or work of another person; however, the extent to which the student is judged to have plagiarised intentionally, and the level and standard of scholarship that might reasonably be expected of the student, may be factors in the determination of any disciplinary action to be taken against the student.
- (4) Cheating in any matter connected with assessment is prohibited.

9. **Use of the same material for different assessment items**

Unless approved otherwise by the examiner of the paper concerned, a student must not submit for assessment material that is substantially the same as material submitted for assessment for a different paper, or for a paper which the student has attempted and/or completed previously in substantially the same form and is repeating.

Part 2 Conduct in Examinations

10. **Presence and identification at examinations**
- (1) A student may attend an examination only if he or she is enrolled for the paper for which it is prescribed.
 - (2) A student may not enter an examination to begin an examination after the first 45 minutes.
 - (3) Except with the permission of the examination supervisor, a student may not leave an examination room during the first 45 minutes or during the last 15 minutes.
 - (4) Students undertaking an examination must sign their examination script and identify themselves to the examination supervisor by producing either
 - (a) their student identity card, or
 - (b) another form of photo identification that can be authenticated by the examination supervisor.
 - (5) A student may not leave the examination room during an examination with the intention of returning unless supervised during the period of absence by the examination supervisor.
11. **Conduct in the examination room**
- (1) A student undertaking an examination must follow the instructions in the examination paper as well as any instructions given by the examination supervisor.
 - (2) An electronic device that
 - (a) makes use of an audible alarm, or
 - (b) has facilities for transmission or reception of information, or
 - (c) is capable of storing and displaying informationis prohibited in the examination room, unless it is turned off and stored separately from the student, or is an item authorised by an examiner under subsection 11(3) of these regulations.
 - (3) A student may not bring into the examination room any of the following items unless authorised in writing by the examiner:

- (a) paper
 - (b) books
 - (c) calculators
 - (d) electronic devices, including dictionaries
 - (e) computers.
- (4) If items are authorised under subsection 11(3) of these regulations, details of the type and the functions that may be used will be specified by the examiner.
- (5) Items brought into an examination room may be subject to scrutiny and their use during the examination may be monitored by the examination supervisor.
- (6) A student undertaking an examination must not
- (a) communicate with another student during the examination
 - (b) share material in the examination room.

12. **Communications with others about examinations**

- (1) A student must not communicate with the examiner about the content of an examination between the time it is undertaken and the notification of confirmed grades.
- (2) A student who wishes to raise an issue about an examination between the time it is undertaken and the notification of confirmed grades may do so by contacting the Student Centre.

Part 3 Special Arrangements for Examinations

13. **Applications and procedures**

- (1) Applications under this Part are considered and decided by the Special Consideration Committee, which is a committee of the Education Committee.
- (2) The times and places of examinations are notified by the Student Centre.
- (3) A student
 - (a) who has a learning or physical disability that is likely to affect his or her performance in an examination, or

- (b) who, for any other reason that he or she considers to be compelling, requires a special arrangement to undertake an examination,
- may apply to undertake the examination at a different time, a different place, or under special conditions.
- (4) The application must be submitted to the Student Centre, on the prescribed form, as soon as practicable after the teaching of the paper has started and the need for the special arrangement has been identified.
- (5) If the need is identified too late to allow for a suitable arrangement to be made by the University, the student will be advised to apply for special consideration under Part 4 of these regulations.
- (6) An application under this Part must be supported by evidence as stipulated on the application form.
- (7) A student who makes an application under this Part may be requested by the Special Consideration Committee to undergo an evaluation by an independent professional person.
- (8) The University makes any arrangements and meets any costs for an evaluation under subsection 13(7) of these regulations.
- (9) If the Special Consideration Committee considers that
- (a) the circumstances documented in the application are valid according to the criteria set down in subsection 13(3) of these regulations, and
- (b) it is practicable to do so given the nature of the circumstances involved and the availability of resources,
- it will offer the student a special arrangement.

14.

Conditions attached to special arrangements

- (1) Unless approved otherwise by the Special Consideration Committee, a student will not be permitted to undertake an examination at a different time that is more than two days before or after the notified time for other candidates.

- (2) A student who accepts an opportunity to undertake an examination at a different time is required to sign a statutory declaration promising not to communicate about the content of the examination with any other person between the time they undertake it and the time it is undertaken by the other candidates.
- (3) The Special Consideration Committee may require, as a condition attached to the offer of a special arrangement, that the student contribute part or all of any associated costs.

Part 4 Special Consideration for Missed Assessment, or Impaired Performance in Assessment

15. Grounds for applications for special consideration

If, due to circumstances beyond their control (such as illness, injury, bereavement or trauma)

- (a) a student has been prevented from presenting internal assessment,
- (b) a student's performance in internal assessment has been seriously impaired,
- (c) a student has been prevented from undertaking an examination,
- (d) a student's performance in an examination has been seriously impaired, or
- (e) a student's ability to prepare for an examination in the two weeks immediately preceding the examination has been seriously impaired,

the student may apply for special consideration.

16. Special consideration in respect of internal assessment

- (1) Applications for special consideration in respect of internal assessment are considered and decided by the examiner of the paper for which the assessment is prescribed.
- (2) An application for special consideration in respect of internal assessment must be made in writing to the relevant examiner not later than three days after the date on which it is due.
- (3) The application must be supported by evidence that is acceptable to the examiner; the evidence may be in the form of
 - (a) a medical certificate for an illness

- or injury affecting the period relevant to the particular assessment item, or
- (b) evidence of any other circumstance and its effect on the student over the period relevant to the particular assessment item.
- (4) If the examiner accepts that the circumstances documented in the application are valid, they may
- (a) estimate a mark for the assessment item, or
- (b) if it is practicable to do so, offer the student an opportunity to submit or repeat the original assessment item or to submit an alternative assessment item.
- (5) A student may not be awarded estimated marks under subsection 16(4) of these regulations for more than 33% of the overall internal assessment for a paper.
- (6) If the examiner does not offer any of the options under subsection 16(4) of these regulations, the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.
- (7) A student may appeal to the chief examiner against any decision by an examiner under this section.
- (8) An appeal to the chief examiner must be made in writing by the student not more than seven days after they have received notification of the relevant decision by the examiner.
- (9) Where an examiner is also the chief examiner, a student may appeal directly to the Director of Student Services under the provisions of section 24 of these regulations.

17.

Special consideration in respect of examinations

- (1) Applications for special consideration in respect of examinations are considered and decided by the Special Consideration Committee.
- (2) In order to be eligible for special consideration in respect of an examination, a student must have submitted all compulsory items of internal assessment for the relevant paper.

- (3) An application for special consideration in respect of an examination must be submitted to the Student Centre on the prescribed form not later than three days after the date of the examination.
- (4) The application must be accompanied by evidence of the circumstances relating to the application.
- (5) In the case of injury, illness, bereavement or trauma, the evidence required under subsection 17(4) of these regulations must be in the form of a report that relates to a consultation within 24 hours of the examination between the student and a medical practitioner, midwife, dental surgeon or psychologist, or between the student and a counsellor who is recognised for this purpose by the Special Consideration Committee. (Details of the names of counsellors recognised for this purpose are available from the Student Centre.)
- (6) In the case of any circumstance other than those described in subsection 17(5) of these regulations, the evidence must be in the form of a statement of the nature and time of the circumstance, written by the student.
- (7) The Director of Student Services may, at their discretion, request the student to submit a statutory declaration affirming details of the circumstances relating to the application.
- (8) Where an application is accepted as valid by the Special Consideration Committee, the chief examiner will be requested by the Student Centre to consider the assessment of the student in the relevant paper.
- (9) The chief examiner may at their discretion
 - (a) estimate a grade for the paper, or
 - (b) offer the student the opportunity to undertake a special examination.
- (10) If the chief examiner does not estimate a grade for the paper under subsection 17(9) of these regulations, and it is not practicable to offer a special examination (either because of the nature of the assessment or the continuing circumstances of the student), the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.

- (11) Where a student demonstrates to the Director of Student Services that, because of circumstances beyond their control, they are not able to accept the offer of a special examination, the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.

Part 5 Review of Grade and Return of Examination Script

18. **Review of grade**
- (1) A student who considers that a mistake has been made in the process of calculating or determining a grade for a paper may apply for a review of a grade.
 - (2) An application for review of grade must be submitted by the student on the prescribed form, together with the prescribed fee, to the Student Centre not more than 14 days after receiving notification of the grade.
 - (3) The application must be accompanied by all items of internal assessment for the relevant paper that have been returned to the student.
 - (4) A review of grade involves a re-marking of all items of assessment that contribute to the final grade and a re-calculation of marks, or the student may elect to have their exam script only reviewed.
 - (5) A review of grade results in a grade either being left unchanged, raised or lowered.
 - (6) The fee for a review of grade is refunded if the review results in a change of grade.
19. **Return of examination script**
- (1) A student may apply for the return of his or her marked examination script.
 - (2) An application for the return of an examination script must be submitted to the Student Centre online, as prescribed in the [Copies of Examination Scripts](#), no later than three months after the date of the examination concerned. Proof of identity and the prescribed fee must accompany this application.
 - (3) Non-publishable exam papers remain the property of the University. Students are only able to view a non-publishable paper exam script for 10 minutes under supervision. Proof of identity is required and no notes

can be taken. This does not incur any charges.

- (4) Examination scripts are destroyed by the University after the three-month deadline has elapsed.

Part 6 Grades and Annotations

20.

Grades

- (1) Grades are confirmed by Boards of Examiners or delegated authorities.

- (2) The schedule of grades used by the University and the range of marks represented by each grade is as follows:

Pass Grades

- A+ 90-100%
- A 85-89%
- A- 80-84%
- B+ 75-79%
- B 70-74%
- B- 65-69%
- C+ 60-64%
- C 55-59%
- C- 50-54%
- RP Restricted pass
- P Ungraded pass

Fail Grades

- D 40-49%
- E 0-39%
- F Ungraded fail

- (3) An IC annotation means “Incomplete”, and is awarded if a student

- (a) does not submit a compulsory assessment item, or
- (b) if an examination was prescribed, does not undertake the examination.

- (4) An IC annotation is treated as a fail grade.

- (5) A “ ... ” annotation is used on students’ academic records

for theses and papers that may be undertaken over more than one year, and indicates that the enrolment is continuing into a subsequent year.

(6) A restricted pass (“RP”) grade may be awarded at the discretion of a Board of Examiners or delegated authority for a paper in which the student has achieved

- (a) borderline performance, or
- (b) a D grade compensated by overall good performance in the relevant subject or the relevant subject and closely related subjects.

Note: A paper for which a Restricted Pass (RP) has been awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Dean of the Faculty or School of Studies in which the other paper is offered approves otherwise.

(7) The NC annotation means “No Credit” and indicates that credit for the paper has been refused as a direct consequence of a finding of misconduct.

21.

Conceded credit

(1) A Board of Examiners or delegated authority may award a conceded credit to a candidate for a bachelors degree who has

- (a) undertaken the required number of papers for the degree,
- (b) passed all compulsory papers, and
- (c) passed all papers required for the major, specified programme or stream,

but who has narrowly failed one paper in the final year.

(2) The award of a conceded credit is based on the candidate’s performance in the bachelors degree as a whole as well as the paper in question.

(3) The conceded credit is attached to the degree as a whole (and does not affect the fail grade in the paper in question).

(4) A student may be awarded one conceded credit only in a bachelors degree.

22. **Notification of confirmed grades**

- (1) When assessment results are returned to a student those results will include a percentage mark, except where a P (ungraded pass) or F (ungraded fail) mark is given.
- (2) Confirmed final grades are published confidentially in MyWaikato.

Part 7 Breaches and Appeals

23. **Breaches**

A breach of these regulations is misconduct under the [Student Discipline Regulations 2014](#) .

24. **Appeals**

- (1) A student may appeal against any decision taken under these regulations.
- (2) An appeal, comprising a written statement of the circumstances of the appeal, together with supporting evidence if available, must be submitted by the student in writing to the Director of Student Services Division not more than seven days after the date on which notification of the relevant decision is received.
- (3) Appeals under this section are considered and decided by the Deputy Vice-Chancellor by delegated authority of the Education Committee.
- (4) A decision by the Deputy Vice-Chancellor is notified in writing, and is final.

Part 8 Grade Reconsideration under COVID-19

25. **Scope and application**

- (1) Part 8 sets out the process for the reconsideration of a paper grade, in its entirety, due to circumstances related to COVID-19.
- (2) This Part applies to papers where a date between 30 March 2020 and 28 June 2020 inclusive, falls between the paper's start and end dates inclusive. In exceptional circumstances, papers outside of this criteria may be considered.
- (3) This Part does not apply to dissertation or thesis papers.
- (4) An application under this Part does not affect the ability

of a student to make an application under any other part of these regulations.

26.

Grounds for grade reconsideration

If, due to circumstances related to COVID-19, and beyond their control,

- (a) a student's performance in a paper has been impaired, and
- (b) the student believes their final grade has not sufficiently taken account of that impairment,

the student may apply for grade reconsideration.

27.

Grade reconsideration process

- (1) An application for grade reconsideration must be made to the Grade Reconsideration Committee within 10 working days of a final grade being notified to the student.
- (2) The application must describe the nature and circumstances of the impairment, with supporting evidence where applicable.
- (3) Where the Grade Reconsideration Committee accepts an application for grade reconsideration, the relevant Board of Examiners or delegated authority, will be required to reconsider the final grade of the student for the relevant paper.
- (4) The Board of Examiners may at their discretion
 - (a) increase the final grade of the paper,
 - (b) offer the student the opportunity to undertake an alternative piece of assessment to replace assessment(s) from the relevant paper, or
 - (c) recommend to the Grade Reconsideration Committee that the student be allowed to withdraw on medical or compassionate grounds under the [Change of Enrolment Regulations 2012](#).
- (5) Where the Board of Examiners makes a recommendation under subsection 27(4)(c) of these regulations, the Grade Reconsideration Committee may,

at their discretion, offer a withdrawal to the student.

- (6) A student may appeal against any decision made by a Board of Examiners under this section.
- (7) An appeal under subsection 27(6) of these regulations must be made by the student in writing to the Grade Reconsideration Committee no more than seven days after notification of the decision by the Board of Examiners is received.

28.

Breaches and Appeals

For the avoidance of doubt, Part 7 of these regulations applies to the grade reconsideration process.

Policy on the Use of Māori for Assessment

Statement of Principle

1. In recognition of the status of the Māori language as a tāonga protected under the Treaty of Waitangi, and within the spirit of the Māori Language Act 1987, the University of Waikato endorses the right of its students to use the Māori language in written work for assessment within the University.
2. In keeping with the above and in accordance with its Charter commitments the University seeks to have sufficient suitable staff employed or available throughout its Faculties and Departments to ensure that any work submitted in Māori would be assessed in that language by staff competent in the subject under examination and in the Māori language.
3. In the meantime, the use of the Māori language in assessment is subject to conditions set out in this policy statement.

Exceptions

4. There are occasions when, due to the nature of the skills being tested, work submitted for assessment may be required to be in a particular language. In such cases that requirement shall be made explicit in writing, either in the relevant subject entry or prescription in the University of Waikato [Catalogue of Papers](#) or in the paper outline distributed to candidates at the beginning of a paper.

Notice

5. Candidates who intend to present all or part of an examination or piece of internally assessed work in Māori are requested to give at least 14 day's notice of their intention of doing so in writing to the Student Centre. This notice of intention is desirable to allow the University the time and opportunity to make proper arrangements for marking including, when necessary, translation and external assessment. If less than 14 days' notice is given, the material presented in Māori will still be accepted. The processing of it may, however, be delayed and the opportunity to have the script marked in the original language may be reduced.
6. Where a candidate who intends to present material in Māori has given the requested notice of intention, they will be informed as soon as reasonably possible, as to whether or not the assessment will be based on translation.

Potential for Delays

7. The University will do its best to make the results of an examination or item of internally assessed work presented in Māori available to the candidate within the ordinary time-frame. However the process of assessment in such cases, possibly including translation, may result in delays in the return of coursework or in the publication of results.

Māori-speaking Paper Examiners

8. The examination or internally assessed work will be assessed in Māori by the examiner for the paper if the examiner is considered by the Deputy Vice-Chancellor Māori or their nominee to be linguistically competent to do so.

Co-examiners

9. If the examiner of the relevant paper is not competent to assess in Māori, a co-examiner, competent in both the subject under examination and in Māori, may be appointed to conduct the assessment of work presented in Māori in consultation with the examiner.

Translation

10. If no person is available in the circumstances to assess the work in Māori, a translator will be appointed by the Deputy Vice-Chancellor Māori or their nominee in agreement with the appropriate chief examiner. The translator will be asked not to correct errors in the original nor to make any embellishments; however, ambiguities may be pointed out to the examiner. Where necessary the examiner may seek clarification of the translation of the paper from the translator but contact between the student and the translator is prohibited, as is contact between the student and the examiner. The assessment will then be carried out by the examiner of the paper on the basis of the translation.

The University intends that resort to translation be made only when reasonable efforts to find an examiner capable of assessing the work in its original language have been exhausted.

11. In the process of appointing a translator, the Deputy Vice-Chancellor Māori or their nominee will take all reasonable steps to ensure that the translator is competent in the relevant subject under examination, as well as in the Māori language.

External Assessment

12. If the internal assessment and/or examination script is to be subject to external assessment, the other institution undertaking the external assessment will be requested to indicate whether an external assessor is available to conduct the assessment in Māori. If not, a translation will be obtained for the purpose by the University according to the process explained in sections 10 and 11 of these regulations.

Return of Scripts

13. When any translation is relied upon in the assessment of an examination, a candidate making proper application for the return of a script shall also receive any translation made of the script. When assessed coursework is normally returned to the student, any translation used is likewise to be returned.

Appeals and Reconsiderations

14. An appeal against a decision regarding linguistic or subject competence made under the provisions of sections 8 and 11 of these regulations shall be to the Senior Deputy Vice-Chancellor whose decision shall be final.
15. The regulatory provisions for reconsideration of final grade together with the established appeal provisions will apply, with the addition that the Māori Language Commission is regarded by the Council as the final authority on the accuracy of a translation.

Oral Work

16. The details of this policy apply to written internally assessed work and to examinations. When oral work is assessable, the same principles should apply; however, practicalities may necessitate more restricted policy details, such as a requirement on the candidate to give longer notice or a limitation on the use of Māori where oral work involves interaction with other candidates.

Graduation

The University will hold a number of graduation ceremonies in 2020. Graduation will take place in Hamilton during April and December. There will be a graduation ceremony in Tauranga in June. All students who have completed the requirements for any of the University's qualifications can attend a ceremony. Graduation invitations are forwarded to completing students and these must be completed and returned by the due dates stated on the forms. Applications to graduate can be submitted in MyWaikato and can also be done in anticipation.

Further information regarding the [2020 graduation ceremonies](http://www.waikato.ac.nz/students/graduation) can be obtained from the website www.waikato.ac.nz/students/graduation, or from the Student Centre.

Academic Dress

Academic regalia are as follows:

First Bachelors: Black gown; black hood with gold lining; black mortarboard.

Bachelors with Honours: Black gown; black hood with gold lining and gold border 5 cm in width; black mortarboard.

Masters: Black gown; gold hood with gold lining; black mortarboard.

MPhil: Black gown; crimson hood with crimson lining; black mortarboard.

PhD, EdD, SJD: Maroon gown; crimson hood with crimson lining; black Tudor bonnet.

Note: Those who graduated with a *DPhil* prior to 1992 are entitled to wear either a black mortarboard or a black Tudor bonnet.

DLit, DSc: Crimson gown; crimson hood with crimson lining; black Tudor bonnet with gold cord and tassel.

HonD: Red gown with black facings; black Tudor bonnet with gold cord and tassel.

Chancellor and Vice-Chancellor: Black gown with red velvet facings and gold piping; three red velvet chevrons with gold piping on the sleeves; black Tudor bonnet with gold cord and tassel.

Replacement of Degree/Diploma Certificates

If a degree/diploma certificate has been damaged, destroyed, stolen or lost, application should be made to the Student Centre to have the certificate replaced, by forwarding a statutory declaration outlining the circumstances necessitating the replacement of the certificate. Included with the statutory declaration, if appropriate, should be the damaged certificate, or a police or insurance report.

The cost for a replacement certificate is specified in the [Table of Fees and Charges](#).

The Degrees, Diplomas and Certificates Statute 2019

Under the provisions of section 284(d) of the Education and Training Act 2020, the Council of the University of Waikato makes the following statute:

1. **This statute may be cited as the Degrees, Diplomas and Certificates Statute 2019.**
2. **The Council has power to confer the following degrees:**
 - Bachelor of Arts (BA)
 - Bachelor of Arts with Honours (BA(Hons))
 - Bachelor of Business (BBus)

Specialisations

Specialisations provide you with another opportunity to shape your qualification to your interests and needs. They can be used to broaden your knowledge, allow you to focus on an aspect related to your first major, or perhaps provide some cohesion to your elective papers in an area of interest to you.

Specialisations meet all of the requirements for a qualification but provide for further specialisation in or beyond the major (bachelors degree) or subject (honours or masters degree, graduate certificate, graduate diploma, postgraduate certificate, or postgraduate diploma).

For more information and advice on how a specialisation might fit into your programme of study, talk to a Student Adviser in your Faculty.

Specialisations at degree level

Specialisations at degree level allow students to include complementary study within their overall programme of study. Specialisations available at degree level are:

Advanced Pedagogy	BEd
Technology	BEd

Specialisations at major or subject level

Specialisations at major or subject level allow students to focus in depth on a particular aspect of that subject. For example, within the International Languages and Cultures major, specialisations in Chinese, French, Japanese and Spanish are available.

At postgraduate level, for example within the Education subject for the Postgraduate Diploma, specialisations in eEducation, Global Studies in Education, Guidance and Pastoral Care, or Māori Medium Teaching/Te Ropu Paerua are available.

Specialisations available at major or subject level are listed under the subject entries in the [University of Waikato Catalogue of Papers](#).

Enrolment for Individual Paper Credit (IPC)

Students may be permitted to enrol in a paper without enrolling for a particular qualification. This may be because they have no intention of completing a full qualification, or because the paper is being taken for the purposes of qualifying for admission to a specific qualification. Alternatively, the student may be taking the paper for credit towards a qualification at another institution. Enrolments of this nature are recorded as Individual Paper Credit (IPC) enrolments.

Regulations Governing Enrolment for Individual Paper Credit (IPC)

1. A candidate who enrolls on an IPC basis is liable for all fees and charges prescribed for the paper(s) and must meet any requirements specified in the prescription and paper outline.
2. Enrolment on an IPC basis is subject to the approval of the Dean of the Faculty or School of Studies in which the paper is offered.
3. A candidate who has passed a paper taken on an IPC basis may, at a later date, apply to have the paper credited to a University of Waikato qualification. Approval will be based on the regulations for the qualification concerned.
4. A student enrolled on an IPC basis is subject to all general regulations of the University of Waikato.
5. A candidate who completes a paper on an IPC basis will receive official notification of his or her final results from the University of Waikato, and will be eligible to apply for an academic transcript.

Prescriptions for Papers

The following page contains a brief introduction to the subjects and papers offered by the University. Subjects are set out in alphabetical order. A brief description may be given of the content of each paper as well as equivalents and restrictions, prerequisites and corequisites, required book information, and the internal assessment/examination ratio. Students also receive a paper outline when classes start, which provides more detail about the content, reading and assessment requirements for each paper.

In addition to the papers listed, departments may offer 800 and 900 level papers for MPhil and PhD students. Prospective students are advised to consult the School of Graduate Research and the Chairperson of the Department concerned for more information.

The prescriptions refer to the papers which the University expects to offer. The availability of these papers is subject to change if the University encounters unexpected staffing or resource difficulties. For up-to-date details of 2020 offerings, see the online Catalogue of Papers at papers.waikato.ac.nz.

In all cases where it is necessary to cancel papers, the Policy and Procedure for the Cancellation of Papers will apply, as approved by the Academic Board. Copies are available from the Academic Office.

In the prescriptions, each paper is identified by an alpha-numeric code.

For example:

HISTY107-20A (HAM)

*New Zealand
Histories:
Fresh
Perspectives*

HISTY

This is the
subject code.
In this case,

History.

This is the level of the paper, followed by a unique identifier.

100 = 100 level

200 = 200 level

300 = 300 level

20A

This is the year and trimester in which the paper is taught.

(HAM)

This is the location where the paper is taught.

A **prerequisite** must be passed before a student may enrol in the paper for which the prerequisite is specified. For example, FRNCH231 *French Language Intermediate 1* is a prerequisite for FRNCH232 *French Language Intermediate 2*. Students may not enrol in FRNCH232 until they have passed FRNCH231. (A paper for which a Restricted Pass (RP) has been awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Dean or Director of the Faculty or School of Studies in which the other paper is offered approves otherwise.)

A **corequisite** must be taken in association with the paper for which the corequisite is specified. For example ENGEE211 *Electromagnetics* is a corequisite with ENGEN201 *Engineering Mathematics 2*. You may enrol in ENGEE211 only if you have either already passed ENGEN201 or are concurrently enrolled in it.

Equivalent papers are in effect the same papers, one of which was taught in the past with a different paper code. For example ACCT331 *Management Accounting* is equivalent to ACCTN303 *Management Accounting*. Students who have passed ACCT331 may not enrol in and receive credit for ACCTN303.

Restricted papers share a significant amount of common content. Students may therefore receive credit for only one of the papers listed. For example MGSYS200 *Tools for Managing Projects* has a restriction with MGSYS300 *Tools for Managing Projects*. Restricted papers may not be used to satisfy prerequisite or corequisite requirements.

The **required books** which may be listed under some of the prescriptions are a conservative list only. Additional required books may be prescribed during the academic year. Lists of recommended reading are usually included in the paper outline provided by the department concerned.

The **internal assessment/examination weighting** is provided for all papers. The weighting sets out how much of the paper is internally assessed and how much is formally examined, as percentages of the total mark. The weighting 100:0 means a paper is fully internally assessed, while the ratio 50:50 shows that the assessment for the paper is evenly weighted between internal assessment and an examination. Examinations are scheduled in a formal examination period. All A trimester papers which are not fully internally assessed will be examined at mid-year unless otherwise specified. Tests that form part of the internal assessment requirements may be held outside normal lecture hours.

Teaching activities for all undergraduate papers are listed in the Timetable. Teaching activities, including lectures, tutorials, laboratories and workshops, are scheduled to last 50 minutes and begin on the hour until (and including) 12 noon, and at 10 minutes past the hour from 1:10 p.m. This allows a lunch break of 20 minutes from 12:50 p.m. to 1:10 p.m. for students with continuous teaching activity commitments. Normal teaching hours are between 8.00 a.m. and 6.00 p.m.

A **trimester** is a period for which students enrol in papers, attend classes and submit assessment items. The University of Waikato has two standard trimesters (A and B), which each normally comprise 17 weeks. There are also two intensive summer teaching periods - Summer School 1 (S or G trimester), normally comprising eight weeks in January/February, and Summer School 2 (T trimester), normally comprising six weeks in November/December. The trimester period includes teaching as well as any study weeks and an examination period. The exact duration of trimesters in a particular year is defined by week numbers in the [Teaching and Assessment Periods](#).

2020:

- A trimester, weeks 10-26
- B trimester, weeks 29-45
- C trimester, weeks 47-7
- D trimester, weeks 10-45
- G trimester, weeks 46-51
- S trimester, weeks 2-8

Some papers have start and end dates which differ from the standard teaching periods set out above. Papers which extend across both the A and B trimesters are annotated as D papers. Papers which are taught in non-standard periods have a X, I, or J etc. suffix.

The period for which a student is eligible for loans and/or allowances, is calculated on the basis of the exact start and end weeks of papers. Students are advised of the start and end dates of their papers in the relevant paper outlines.

[Part 5: Reporting](#)

Preamble

At the time they enrol, students are required to agree to abide by the regulations of the University of Waikato as published in the University of Waikato Calendar. The Student Discipline Regulations provide the framework for addressing alleged breaches of University regulations by students and for applying penalties where breaches are substantiated.

Members of the University community are entitled to operate and interact in an environment of safety and respect. It is expected that students will act with integrity and demonstrate respect for others.

If differences and disputes arise between members of the University community, it is expected that they will attempt to resolve such conflicts reasonably and co-operatively. Discipline procedures should be used only where other methods of resolving conflicts have been ineffective or would be inappropriate.

It is the policy of the University that all discipline procedures conform to the principles of natural justice. The procedures in these regulations have been adopted to safeguard the rights of individuals in this respect.

Student Discipline Regulations 2020

Part 1

General

1. **Title**

These are the Student Discipline Regulations 2020.
2. **Date of effect**

These regulations are effective from 2 December 2020.
3. **Purpose**

The purpose of these regulations is to:

 - (a) define student misconduct
 - (b) explain procedures for making, investigating and resolving complaints of student misconduct, and
 - (c) set out the penalties that may be applied where misconduct by a student is substantiated.
4. **Application**
 - (1) These regulations apply to the conduct of students while they are enrolled as students of the University of Waikato.
 - (2) For the purpose of these regulations, the period during which a student is deemed to be enrolled as a student is defined as:
 - (a) the period in a given year from (inclusively) the Monday of the start week of the paper in the student's programme of study that starts earliest in that year, to the Sunday of the end week of the paper that ends last
 - (b) any orientation period immediately prior to the start week of the student's programme of study in a given year, and
 - (c) any period in which the student is a resident of University of Waikato student accommodation.
 - (3) The processes for dealing with complaints of misconduct may extend beyond the period defined in subsection (2).

- (4) These regulations apply to the conduct of students:
- (a) on any property or in any facility owned or managed by the University
 - (b) in the context of a University activity
 - (c) where the conduct is related directly to the student's status as a student
 - (d) where the conduct has the potential to harm unfairly another member of the University community, or
 - (e) where the conduct has the potential to harm unfairly the reputation of the University.
- (5) A student against whom a complaint of misconduct is made, either by a member of the University community or another person, is subject to the discipline procedures set down in these regulations.
- (6) All authority under these regulations must be exercised in accordance with the principles of natural justice.

5.

Misconduct

A student commits misconduct if they:

- (a) commit a serious breach of the obligation, shared by staff and other members of the University community, to act towards others reasonably, courteously, considerately and with good faith
- (b) behave in a manner that significantly impedes or subverts the efficient functioning of the University in accordance with its statutory role
- (c) behave in a manner that discredits, or has the potential to discredit, the University
- (d) behave in a manner that constitutes physical, psychological, sexual or racial assault, harassment, discrimination or bullying of any person
- (e) breach any regulation published in the University of Waikato Calendar
- (f) fail to comply with any reasonable and lawful policy or instruction approved and notified by the Vice-Chancellor,

Council, Academic Board, or delegated authority of the Vice-Chancellor, Council or Academic Board

- (g) use University property, resources or funds for other than authorised purposes
- (h) incur liability on the part of the University without authorisation
- (i) behave in a manner that is likely to harm unfairly the reputation or professional prospects of another student or a member of staff
- (j) behave in a manner that jeopardises the health or safety of another person
- (k) knowingly mislead the University in any significant matter
- (l) encourage, assist, or procure a person to commit misconduct, or
- (m) otherwise breach the *Code of Student Conduct*.

6.

Definitions

In these regulations

bullying means unreasonable behaviour, repeated over time, which is deliberate and intended to humiliate, undermine or otherwise have a detrimental effect on the recipient(s) and/or pose a risk to their health and safety even though it may not be unlawful

class means a lecture, tutorial, laboratory, workshop, practical session, practicum session, placement session, field trip or any other type of learning activity delivered or supervised by a staff member, including those conducted online

discrimination means conduct that results, or is likely to result, in less favourable treatment, or creates, or is likely to create, a less favourable environment, for a person or group of people on any of the prohibited grounds set out in *section 21* of the *Human Rights Act 1993* or on any other grounds

harassment means any unwelcome comment, conduct or gesture that is insulting, intimidating, humiliating, malicious, degrading or offensive. It might be repeated or an isolated incident that adversely affects someone's performance, contribution or work environment. It can include physical, degrading or threatening behaviour, abuse of power, isolation, discrimination, sexual harassment and racial harassment. It is behaviour that is unwanted by the recipient even if the recipient does not tell the perpetrator that the behaviour is unwanted. It may be unintentional

internal assessment means the portion of the assessment for a paper that is assigned, supervised and marked internally within the relevant school or faculty; it may include assignments, practical work, work in tutorials, seminars,

written or oral tests, recitals, performances or attendance requirements

natural justice means the right to have a decision made by an unbiased decision-maker who observes fair and impartial procedures

programme of study means the selection of papers applied for or taken by a student in any one academic year for a particular qualification

student means a student enrolled at the University of Waikato

summary jurisdiction means a process for dealing with a complaint of misconduct, where a designated person has authority, individually, to obtain and hear evidence, arrive at a judgement and, within the terms of that authority as defined in these regulations, impose a penalty

University means the University of Waikato.

University of Waikato student accommodation means a hall of residence (Bryant Hall, College Hall, Orchard Park and Student Village), apartment or other student accommodation operated by the University, and homestay accommodation facilitated by the University.

7.

Annotation of grades

Where a student is refused credit for a paper as a whole as a penalty for misconduct, an NC (No Credit) grade will be awarded for that paper.

Part 2 Authorities

8.

General

- (1) Unless otherwise specified under Part 3 of these regulations, authorities may determine their own procedures for hearing and deciding complaints of misconduct, provided that they conform to the principles of natural justice, and may issue procedural directions.
- (2) Authorities may suspend consideration of a complaint of misconduct until such time as any associated Police matter has been concluded.

9.

Authority of staff for discipline in classes

A staff member delivering or supervising a class may dismiss from it, for its duration, any student who, in their judgement, has committed misconduct in that class.

10.

Authority of the Pro Vice-Chancellor of Health, Engineering, Computing and Science for discipline in laboratories

The Pro Vice-Chancellor of Health, Engineering, Computing and Science may exclude from any laboratory in the Division of Health, Engineering, Computing and Science, for up to five working days, any student who, in the Pro Vice-Chancellor's judgement, has committed misconduct in the laboratory.

11. **Authority of the University Librarian for discipline in the Library**

The University Librarian may exclude from the Library, for up to seven days, any student who, in the Librarian's judgement, has committed misconduct in the Library.

12. **Authority of the Director of Student Services for discipline in examinations**

- (1) The Director of Student Services may impose a formal warning and/or a fine of up to \$100 on any student found to have brought into an examination room an electronic device where that device has, in an examination supervisor's judgement, made an audible noise during an examination.
- (2) All other complaints of misconduct in examinations must be directed to the Chairperson of the Student Discipline Committee in accordance with section 14 of these regulations.

13. **Authority of the Director of Student Services, Associate Director Student Accommodation and delegated authorities for discipline in University of Waikato student accommodation**

- (1) The Director of Student Services has general authority for order and discipline in University of Waikato student accommodation; the Director of Student Services has delegated this authority to the Associate Director Student Accommodation.
- (2) The Associate Director Student Accommodation has delegated authority for day-to-day order and discipline in University of Waikato student accommodation to the relevant Residential Life Manager or equivalent.
- (3) Where the Director of Student Services receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or
 - (b) refer the matter to the Student Discipline Committee.
- (4) Where the Associate Director Student Accommodation receives a complaint of misconduct in University of

Waikato student accommodation they may

- (a) offer summary jurisdiction to the student, or
- (b) refer the matter to the Director of Student Services, or
- (c) refer the matter to the Student Discipline Committee.

(5) Where a Residential Life Manager or equivalent receives a complaint of misconduct in University of Waikato student accommodation they may

- (a) offer summary jurisdiction to the student
- (b) refer the matter to the Associate Director Student Accommodation
- (c) refer the matter to the Director of Student Services, or
- (d) refer the matter to the Student Discipline Committee.

(6) If the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent offers summary jurisdiction, the student may choose to

- (a) accept the offer of summary jurisdiction, or
- (b) have the matter referred to the Student Discipline Committee.

(7) Where the offer to exercise summary jurisdiction is accepted under this section, the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent must follow the summary jurisdiction procedures set out under section 22 of these regulations.

(8) Where the complaint of misconduct is referred to the Student Discipline Committee under this section, the Student Discipline Committee must follow the procedures set out under section 24 of these regulations.

14.

Authority of the Chairperson of the Student Discipline Committee

(1) Where the Chairperson of the Student Discipline Committee receives a complaint of misconduct against a student, the Chairperson of the Student Discipline

Committee may

- (a) offer summary jurisdiction to the student
- (b) offer a Tikanga Māori process to the student, or
- (c) refer the matter to the Student Discipline Committee.

- (2) If the Chairperson of the Student Discipline Committee offers summary jurisdiction or a Tikanga Māori process, the student may choose either
 - (a) to accept the offer of summary jurisdiction or a Tikanga Māori process, or
 - (b) to have the matter referred to the Student Discipline Committee.
- (3) Subject to section 15 of these regulations, where the offer to exercise summary jurisdiction is accepted under this section, the Chair of the Student Discipline Committee must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (4) Where the offer to exercise a Tikanga Māori process is accepted under this section, the Deputy Vice-Chancellor Māori must follow the procedures set out under section 23 of these regulations.
- (5) Where the complaint of misconduct is referred to the Student Discipline Committee under this section, the Student Discipline Committee must follow the procedures set out under section 24 of these regulations.
- (6) Subject to the agreement of the Vice-Chancellor, the Chairperson of the Student Discipline Committee may delegate their authority under these regulations.

15.

Authority of Academic Delegates

- (1) The authority of the Chairperson of the Student Discipline Committee to exercise summary jurisdiction under section 14 of these regulations may be delegated to an Academic Delegate, provided that
 - (a) the complaint involves alleged plagiarism or cheating in a 100 or 200 level item of internal assessment which is worth less

than 33% of the total assessment for the paper concerned

(b) the student who is the subject of the complaint has not previously had a finding of misconduct against them under these regulations, and

(c) the student against whom the complaint is made accepts the delegated authority of the Academic Delegate.

(2) Where authority to exercise summary jurisdiction is delegated by the Chairperson of the Student Discipline Committee to an Academic Delegate under this section, the Academic Delegate must follow the summary jurisdiction procedures set out under section 22 of these regulations.

(3) The Chairperson of the Student Discipline Committee is responsible for maintaining a list of Academic Delegates appropriately trained in the summary jurisdiction procedures set out under section 22 of these regulations.

16.

Authority of the Student Discipline Committee

(1) The Student Discipline Committee is a committee of the Academic Board with delegated authority to exercise the powers and responsibilities set out in these regulations in accordance with the procedures set out under section 24 of these regulations.

(2) The Student Discipline Committee comprises

(a) a staff member with appropriate expertise appointed as Chairperson for a designated term by the Vice-Chancellor

(b) two people appointed by the Chairperson of the Student Discipline Committee from a pool of twelve staff including four based in Tauranga, nominated by the Academic Board for terms of up to three years such that the terms of the members provide for continuity

(c) two students, one of whom is enrolled at the undergraduate level and one of whom is enrolled at the postgraduate level, appointed by the Chairperson of the Student Discipline Committee from a pool of eight students; the pool of students, five of whom are enrolled at the undergraduate level including two based in Tauranga, and three of who are enrolled at the postgraduate level including one based in Tauranga, is appointed by the Chairperson of the Student Discipline Committee after consultation with the student members of the Academic Board.

(3) The Chairperson of the Student Discipline Committee may appoint an adviser or advisers to assist at a hearing in relation to particular aspects of a case; the Chairperson may also co-opt the adviser or advisers as a member of the Student Discipline Committee for that hearing.

(4) One member of the pool of staff nominated by the Academic Board may be appointed by the Chairperson of the Student Discipline Committee as Deputy Chairperson; the Chairperson of the Student Discipline Committee may from time to time delegate their powers and responsibilities, as set out in these regulations, to the Deputy Chairperson.

(5) No meeting of the Student Discipline Committee may be held unless the Chairperson or Deputy Chairperson, at least one staff member and at least one student are present.

17. **Authority of the Student Discipline Appeals Committee**

(1) The Student Discipline Appeals Committee is a committee of Council with delegated authority to exercise the powers and responsibilities set out in these regulations in accordance with the procedures set out under section 27 of these regulations.

(2) The Student Discipline Appeals Committee comprises

(a) two members appointed by and

from Council, and

- (b) one other member, who is either a member of Council, or a staff member, Emeritus Professor or Honorary Fellow of the University, appointed by Council on the basis of their knowledge of legal processes, who is Chairperson.

- (3) The Chairperson of the Student Discipline Appeals Committee may appoint an adviser to assist at a hearing in relation to particular aspects of a case; the Chairperson may also co-opt that adviser as a member of the Student Discipline Appeals Committee for that hearing.
- (4) Subject to the agreement of the Chancellor, the Chairperson of the Student Discipline Appeals Committee may delegate their authority under these regulations.

18. **Authority of the Deputy Vice-Chancellor Māori**

- (1) The Deputy Vice-Chancellor Māori has authority to determine the arrangements for the Tikanga Māori process set out under section 23 of these regulations.
- (2) Subject to the agreement of the Vice-Chancellor, the Deputy Vice-Chancellor Māori may delegate their authority under these regulations.

19. **Authority of the Vice-Chancellor**

- (1) The Vice-Chancellor may exclude a student from the University, or limit access to any designated part, system or facility of the University, if the student has been convicted of a criminal offence and if, in the Vice-Chancellor's judgement, the nature of the offence impinges detrimentally, or has the potential to impinge detrimentally, on the University or its staff or students.
- (2) The Vice-Chancellor may, on suspicion of possible misconduct, initiate an investigation of the conduct of a student, whether or not there has been a complaint of misconduct. Any investigation under this section and any procedure related to that investigation must be consistent with these regulations.
- (3) The Vice-Chancellor may, on suspicion of possible misconduct or pending the resolution of a complaint of

misconduct, suspend a student when and to whatever extent they consider it necessary from

- (a) any University building, premises, grounds or University of Waikato student accommodation
- (b) any class
- (c) any event organised by the University
- (d) use of any resource of the University.

(4) When considering whether to suspend a student under subsection (3) the Vice-Chancellor shall take into account the following:

- (a) the best interest of the students, staff and other members of the University community
- (b) the physical safety of the students, staff and other members of the University community
- (c) the orderly conduct of teaching, research and administration of the University
- (d) the protection of the property or resources of the University
- (e) the potential effects of suspension on the student's programme of study, and any other matters raised by the student
- (f) any other matters the Vice-Chancellor considers appropriate in the circumstances.

(5) The Vice-Chancellor may delegate their authority under these regulations.

20.

Authority of Council

- (1) Council may withdraw or refuse to grant an academic award if it is satisfied that the candidate has committed misconduct in relation to the award while enrolled, or been otherwise dishonest in relation to the award.
- (2) Council must consult with the Academic Board before taking a decision under this section; the advice of the

Academic Board must be based on a recommendation by the Student Discipline Committee.

- (3) The principles and processes followed by the Student Discipline Committee in formulating its recommendation to the Academic Board must be consistent with the principles and procedures outlined in these regulations for the investigation and hearing of allegations of misconduct.
- (4) The Academic Board must make all reasonable effort to ensure that the candidate concerned receives prior notification of the advice that it intends to give to Council and is given an opportunity to make a written submission directly to Council.
- (5) A decision by Council under this section is final.

Part 3

Procedures for Making, Investigating and Resolving Complaints of Student Misconduct

21.

Procedures for making a complaint

- (1) Any person may lodge a complaint of misconduct against a student.
- (2) A formal complaint of student misconduct must be made in writing
 - (a) if it relates to student conduct in University of Waikato student accommodation, to the *Director of Student Services, Associate Director Student Accommodation* or relevant *Residential Life Manager* or equivalent
 - (b) if it is of the nature set out under section 15(1)(a) of these regulations and the authority of the Chairperson of the Student Discipline Committee has been delegated to an Academic Delegate under section 15(1), to the relevant Academic Delegate
 - (c) if the complainant is an academic

staff member and the complaint involves alleged plagiarism or cheating in a subject where authority has been delegated to a chief examiner under section 15, to the relevant chief examiner

(d) in cases other than (a) or (b), to the *Chairperson of the Student Discipline Committee*

(3) If a person who is a party to a complaint of misconduct fails to respond to a communication by a relevant authority, provided the authority has made all reasonable effort to locate and contact that person and to provide adequate opportunity for a response, the authority may proceed to deal with the complaint at their discretion.

22.

Summary jurisdiction

(1) Summary jurisdiction may be exercised by the following authorities:

(a) the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent under section 13 of these regulations

(b) the Chairperson of the Student Discipline Committee under section 14 of these regulations

(c) an Academic Delegate under section 15 of these regulations.

(2) A student who accepts summary jurisdiction may write an answer to the complaint.

(3) The complainant and the student

(a) must be given the opportunity to appear and give evidence at a summary jurisdiction meeting with the relevant authority

(b) may be required to attend, at the authority's discretion

(c) may be accompanied at the meeting by any other person to act as an adviser or support person, subject to any conditions

that the authority may impose.

- (4) Where an authority exercises summary jurisdiction, it determines whether the student has committed misconduct on
- (a) the evidence provided by the complainant and the student, and
 - (b) any other evidence, written or oral, that they may seek or accept at their discretion, provided that this evidence is disclosed to the student and they are given the opportunity to comment on it.
- (5) The authority may decide at any time to take no further action on a complaint of misconduct if, in their judgement
- (a) the evidence provided by the complainant is insufficient
 - (b) the subject matter of the complaint is trivial
 - (c) the complaint is frivolous, vexatious, or not made in good faith, or
 - (d) the complaint falls outside the scope of these regulations.
- (6) If, having investigated a complaint, an authority determines that a student has committed misconduct, they may take one or more of the following actions:
- (a) issue to the student a warning containing a statement of the possible consequences if the act or behaviour that provoked the complaint is repeated
 - (b) require an undertaking from the student as to future behaviour while enrolled at the University and set in place provisions for monitoring the student's behaviour in keeping with the undertaking
 - (c) require the student to provide any appropriate and available remedy to relieve distress, or repair

damage, or correct a mistake

- (d) require the student to make a public or private apology, either written or spoken

in the case of summary jurisdiction exercised by the Director of Student Services, Associate Director Student Accommodation, Residential Life Manager or equivalent under section 13 of these regulations

- (e) require the student to pay, by a given date, a sum of up to the equivalent of one week's board or rent at the relevant University of Waikato student accommodation
- (f) require the student to undertake community service work in the relevant University of Waikato student accommodation of whatever nature the authority thinks fit
- (g) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Director of Student Services, Associate Director Student Accommodation, Residential Life Manager or equivalent and within a prescribed period
- (h) impose an alcohol ban
- (i) impose a visitor ban
- (j) require the student to transfer to other University of Waikato student accommodation
- (k) exclude the student from the relevant University of Waikato student accommodation for up to one year
- (l) exclude the student from, or limit access to, a designated part or facility of the relevant University of

Waikato student accommodation
for up to one year.

in the case of summary jurisdiction exercised by the
Chairperson of the Student Discipline Committee under
section 14 of these regulations

- (m) require the student to pay, by a given date, compensation or a fine of up to \$500
- (n) arrange for the student to be formally reprimanded by the relevant Pro Vice-Chancellor, a Deputy Vice-Chancellor or the Senior Deputy Vice-Chancellor, either in person or in writing
- (o) suspend the student from attendance at any class or programme for up to one year
- (p) exclude the student from, or limit access to, any designated part or facility of the University for up to one year
- (q) if the misconduct is related to a particular paper or programme of the University,
 - (i) require the student to repeat or complete additional assessment
 - (ii) refuse or reduce credit for part or all of an individual item of assessment, or refuse credit for a paper as a whole

(r) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Chairperson of the Student Discipline Committee and within a prescribed period

(s) annotate the student's academic record accordingly, either permanently or for a period of time designated by the Chairperson of the Student Discipline Committee.

in the case of summary jurisdiction exercised by an Academic Delegate under section 15 of these regulations

(t) require the student to repeat or complete additional assessment

(u) refuse or reduce credit for part or all of an individual item of assessment

(V) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the authority and within a prescribed period.

(7) The authority must exercise their discretion in the matter as expeditiously as possible.

(8) The authority is responsible for communicating the outcome of the complaint, in writing, to the complainant, the student answering the complaint, and the Chairperson of the Student Discipline Committee as expeditiously as possible.

23.

Tikanga Māori

(1) The spirit of tikanga is to seek resolutions to complaints in a Māori way that encourages a facilitated open exchange of views, in order to achieve a resolution that is agreed by all the parties involved.

(2) A complaint may only be addressed through the Tikanga Māori process if

- (a) the complainant
- (b) the student answering the complaint
- (c) the Chairperson of the Student Discipline Committee, and
- (d) the Deputy Vice-Chancellor Māori

agree to the arrangements determined under subsection (3).

- (3) The Deputy Vice-Chancellor Māori is responsible for determining the arrangements for the Tikanga Māori process after discussion with the parties and for informing the parties of the nature and implications of the process.
- (4) If, at any time after having agreed to the arrangements determined under subsection (3), the complainant or the student answering the complaint wishes to withdraw from the Tikanga Māori process, they may do so only with the agreement of all other parties listed under subsection (2); in such cases, the complaint will be referred back to the Chairperson of the Student Discipline Committee for reconsideration under section 14 of these regulations.
- (5) Under the Tikanga Māori process a resolution is negotiated by the complainant and the student answering the complaint.
- (6) The process is facilitated by the Deputy Vice-Chancellor Māori, assisted by a tikanga panel appointed by the Deputy Vice-Chancellor Māori.
- (7) In negotiating a resolution under subsection (5), the complainant and the student answering the complaint are authorised to take any of the actions that are available under summary jurisdiction procedures, as provided under section 22 of these regulations.
- (8) A resolution negotiated by the complainant and the student answering the complaint is final; there is no right of appeal.
- (9) The Deputy Vice-Chancellor Māori is responsible for reporting the resolution negotiated under subsection (5), in writing, to the complainant, the student answering the complaint, and the Chairperson of the Student Discipline Committee as expeditiously as possible.

- (10) The Chairperson of the Student Discipline Committee is responsible for ensuring that all appropriate records relating to the outcome are maintained.
- (11) Failure to comply with a resolution negotiated under this section is misconduct.

24.

Procedures of the Student Discipline Committee

- (1) The Student Discipline Committee must convene as soon as is practicable to hear
 - (a) the evidence provided by the complainant and the student, and
 - (b) any other evidence, written or oral, that the Committee may seek or accept at its discretion, provided that this evidence is disclosed to the student and they are given the opportunity to comment on it.
- (2) Written notice of the time, date and place of the hearing of the Student Discipline Committee, together with full details of the substance of the complaint, must be sent to the student against whom the complaint has been made, at least 14 days before the date of the hearing.
- (3) The student who is the subject of the complaint may write an answer to the complaint.
- (4) Both the complainant and the student answering the complaint
 - (a) must be given the opportunity to appear and give evidence at the Student Discipline Committee hearing
 - (b) may be required to attend, at the Committee's discretion
 - (c) may be accompanied at the hearing by another person to act as an adviser or support person, subject to any conditions that the Student Discipline Committee may impose.
- (5) The Student Discipline Committee may decide at any time to take no further action on a complaint of misconduct if, in its judgement,

- (a) the evidence provided by the complainant is insufficient
- (b) the subject matter of the complaint is trivial
- (c) the complaint is frivolous, vexatious, or not made in good faith, or
- (d) the complaint falls outside the scope of these regulations.

(6) If misconduct is substantiated, the Student Discipline Committee may take one or more of the following actions:

- (a) issue to the student a warning containing a statement of the possible consequences if the act or behaviour that provoked the complaint is repeated
- (b) require an undertaking from the student as to future behaviour while they remain enrolled at the University and set in place provisions for monitoring the student's behaviour in keeping with the undertaking
- (c) require the student to provide any appropriate and available remedy to relieve distress, or repair damage, or correct a mistake
- (d) require the student to make a public or private apology, either written or spoken
- (e) require the student to pay, by a given date, compensation or a fine of up to \$1000
- (f) arrange for the student to be formally reprimanded by the relevant Pro Vice-Chancellor, a Deputy Vice-Chancellor or the Senior Deputy Vice-Chancellor, either in person or in writing
- (g) suspend the student from

- attendance at any class or programme for up to one year
- (h) exclude the student from, or limit access to, any designated part or facility of the University for a specified period of time or permanently
- (i) cancel a student's enrolment at the University, as a whole or in respect of any paper or programme, for a specified period of time or permanently
- (j) if the misconduct is related to a particular paper or programme of the University,
- (i) require the student to repeat or complete additional assessment
- (ii) refuse or reduce credit for part or all of an individual item of assessment, or refuse credit for a paper as a whole
- (k) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Student Discipline Committee and within a prescribed period
- (l) annotate the student's academic record accordingly, either permanently or for a period of

time designated by the
Chairperson of the Student
Discipline Committee.

- (7) The Student Discipline Committee must exercise its jurisdiction in the matter as expeditiously as possible.
- (8) The outcome must be communicated to the complainant and the student as expeditiously as possible.
- (9) Failure to comply with a resolution negotiated or determined under this section is misconduct.

Part 4

Provisions for Appeal

25. **Provision for appeal to the Director of Student Services**

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Director of Student Services against any decision taken by the Associate Director Student Accommodation or Residential Life Manager or equivalent with authority for discipline in University of Waikato student accommodation under section 13 of these regulations.
- (2) An appeal must be addressed and submitted in writing to the Director of Student Services.
- (3) An appeal must be received by the Director of Student Services not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.
- (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct

- (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
- (5) The Director of Student Services must hear the appeal as expeditiously as possible.
- (6) The appellant and the authority that made the original discipline decision
 - (a) must be given the opportunity to appear and give evidence at the appeal hearing
 - (b) may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Director of Student Services may impose.
- (7) Having heard an appeal, the Director of Student Services may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) require any appropriate and available remedy to settle the appeal.
- (8) The Director of Student Services may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (9) The outcome must be communicated to the appellant, the authority that made the original discipline decision and the Chairperson of the Student Discipline Committee as expeditiously as possible.
- (10) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (11) The decision of the Director of Student Services on an appeal is final.

Committee

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Chairperson of the Student Discipline Committee against any decision taken by
 - (a) the Pro Vice-Chancellor of Health, Engineering, Computing and Science under section 10 of these regulations
 - (b) the University Librarian under section 11 of these regulations
 - (c) the Director of Student Services under section 12 or section 13 of these regulations, unless it is an appeal decision under section 27 of these regulations, or
 - (d) an Academic Delegate under section 15 of these regulations.
- (2) An appeal must be addressed and submitted in writing to the Chairperson of the Student Discipline Committee (Office of the Vice-Chancellor), together with the prescribed fee; it must include a postal address and must be signed.
- (3) An appeal must be received by the Chairperson of the Student Discipline Committee not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.
- (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not

reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.

- (5) The Chairperson of the Student Discipline Committee must hear the appeal as expeditiously as possible.
- (6) The appellant and the authority that made the original discipline decision
 - (a) must be given the opportunity to appear and give evidence at the appeal hearing
 - (b) may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Chairperson of the Student Discipline Committee may impose.
- (7) Having heard an appeal, the Chairperson of the Student Discipline Committee may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) require any appropriate and available remedy to settle the appeal.
- (8) The Chairperson of the Student Discipline Committee may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (9) The outcome must be communicated to the appellant and the authority that made the original discipline decision as expeditiously as possible.
- (10) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (11) The decision of the Chairperson of the Student Discipline Committee on an appeal is final.

27.

Provision for appeal to the Student Discipline Appeals Committee

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the

complaint) may appeal to the Student Discipline Appeals Committee, a committee of Council, against any decision made under these regulations

- (a) by the Vice-Chancellor under section 19 of these regulations
- (b) by the Chairperson of the Student Discipline Committee under section 22 of these regulations
- (c) by the Student Discipline Committee under section 24 of these regulations.

(2) An appeal must be addressed and submitted in writing to the Secretary to the Student Discipline Appeals Committee, together with the prescribed fee; it must include an email address and must be signed.

(3) An appeal must be received by the Secretary to the Student Discipline Appeals Committee not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.

(4) An appeal may be made only on one or more of the following grounds:

- (a) that the process used for addressing the alleged misconduct was unfair
- (b) that the decision reached was manifestly at odds with the evidence
- (c) that the remedy imposed was manifestly at odds with the misconduct
- (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.

(5) The Student Discipline Appeals Committee must hear appeals as expeditiously as possible.

(6) The appellant must be given the opportunity to appear and give evidence at the appeal hearing and may be

accompanied by another person to act as an adviser or support person, subject to any conditions that the Student Discipline Appeals Committee may impose.

- (7) The other parties to the complaint, including the authority that made the original discipline decision, must also be given the opportunity to appear and give evidence.
- (8) Having heard an appeal, the Student Discipline Appeals Committee may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) refer the complaint back to the authority that made the decision appealed against, for rehearing.
- (9) The Student Discipline Appeals Committee may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (10) The outcome must be communicated to the student and the other parties to the complaint, including the authority that made the original discipline decision, as expeditiously as possible.
- (11) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (12) The decision of the Student Discipline Appeals Committee on an appeal is final.
- (13) At the discretion of the Chairperson of the Student Discipline Appeals Committee, the fee for an appeal may be refunded, either in full or in part, if the appeal is decided in the appellant's favour.

Part 5 Reporting

28.

Reports to the Academic Board

The Chairperson of the Student Discipline Committee must submit an annual report through the Education Committee to the Academic Board, including

- (a) an overview of summary jurisdiction decisions taken

- during the relevant year by the Chairperson of the Student Discipline Committee, Academic Delegates and any others who have exercised authority delegated by the Chairperson of the Student Discipline Committee
- (b) an overview of decisions through the Tikanga Māori process
 - (c) an overview of decisions by the Student Discipline Committee
 - (d) an overview of appeals heard by the Chairperson of the Student Discipline Committee or their delegate
 - (e) an overview of student discipline matters, including any patterns or trends
 - (f) a statement about the appropriateness and effectiveness of current regulations, policies and processes concerning student discipline, and
 - (g) any recommendations with respect to current regulations, policies and processes concerning student discipline.

29. **Reports to Council**

The outcome of any appeal heard by the Student Discipline Appeals Committee must be reported to the next meeting of the Council.

30. **Confidentiality**

- (1) All processes and decisions under these regulations are confidential to the parties involved and to staff responsible for administering student discipline processes and maintaining students' academic records.
- (2) Relevant information may be made available to relevant Pro Vice-Chancellors, Heads of Schools, Deans and other staff responsible for student progress and for maintaining the University's academic standards and the integrity of its assessment processes.
- (3) Relevant information may be made available relevant staff responsible for the placement of students in work placements and practicums as part of a safety check (vetting) process.

Student Complaints Procedures

Preamble

Consistent with its commitment to excellence, the University has adopted these procedures to assist both students and staff in the resolution of student concerns and complaints constructively, quickly and fairly.

Where minor concerns arise, students are encouraged to take a common-sense approach and raise them directly with the relevant staff, with the aim of resolving them at the lowest possible level and without undue formality. However, where informal discussions have not yielded a satisfactory resolution, or where the matter is more serious, the following procedures provide for a more formal process to be pursued.

Complaints considered through these procedures will be monitored and reviewed to enable the University to continually improve processes and services in support of student learning.

Student and staff rights and responsibilities in relation to these procedures are set out in the appendix.

Procedures

1. **Definitions**

In these procedures

complaint means a written statement submitted by a student about a matter that requires formal consideration and resolution by the University in the terms set out in these procedures

natural justice means the right to have a decision made by an unbiased decision-maker who observes fair and impartial procedures.
2. **Application and scope**
 - (1) Subject to subsection (2), these procedures apply to complaints about any aspect of the teaching and learning process and the broad provision made by the University to support that process.
 - (2) These procedures may not be used
 - (a) where the complaint can

be dealt with under the *Student Discipline Regulations 2014* or the *Assessment Regulations 2016*, or

(b) to challenge the academic judgement of examiners.

(3) Depending on the nature of the complaint, these procedures should be read in conjunction with the *Staff Code of Conduct*, *Code of Student Conduct* and/or the *Education (Pastoral Care of International Students) Code of Practice 2016*.

(4) No action will be taken on malicious or anonymous complaints.

(5) A complainant must be able to demonstrate that the complaint is brought without malice and is based on evidence that the complainant honestly and reasonably believes to be substantially true. Those responsible for resolving complaints under these procedures must take all reasonable steps to ensure that the complainant is protected against any subsequent recrimination or victimisation.

(6) Students and staff involved in the consideration and resolution of concerns and complaints have various rights and responsibilities, which are outlined in the appendix to these procedures.

3. **Informal resolution of concerns**

(1) Before making formal written complaints, students are encouraged to seek a resolution to any concerns by raising and discussing them informally with the relevant staff member who is most directly associated with the matter.

(2) A staff member with whom a concern is raised by a student is expected to deal with the matter in an open and professional manner and to take reasonable and prompt action to try to resolve it

informally.

- (3) A student who is uncertain about how to seek informal resolution of a concern is encouraged to seek advice from Director of Student Services on 07 837 9464 or the Waikato Student Union Advocacy Officer on 07 837 9450.

4.

Formal complaints procedures

- (1) Where it has not been possible to resolve a concern informally, a student may make a formal complaint.
- (2) A student who wishes to make a formal complaint must submit it in writing, on the prescribed form (available online at www.waikato.ac.nz/sasd/files/docs/complaintform.doc), to the Dean or Head, or equivalent, who is responsible for the action or matter that has given rise to the complaint.
- (3) The written complaint must be submitted within three months after the occurrence of the action or matter that has given rise to the complaint, unless the Dean or Head, or equivalent, agrees to receive it beyond this timeframe.
- (4) If the complainant prefers not to address the complaint to the person recommended in subsection (2) it may be addressed to the Senior Deputy Vice-Chancellor, who will address the complaint and make a decision in accordance with these procedures.
- (5) A Dean or Head, or equivalent, who receives a student complaint must acknowledge it in writing within three working days. They must also lodge the complaint in the relevant Division or Faculty complaints register, using the student ID number as identifier (rather than the student's name), and must maintain a file of all documentation in relation to the consideration of the complaint.
- (6) The Dean or Head, or equivalent, must ensure that any staff member named in the complaint receives a copy as soon as practicable.
- (7) The Dean or Head, or equivalent, must consider the complaint in accordance with the principles of natural justice, and must ensure that all parties to the complaint are accorded the full benefit of those

principles.

- (8) The process may include meetings with relevant staff and/or the complainant. Where meetings are held, the parties may, if they wish, be accompanied by a peer support person.

5. **Resolution of complaints**

- (1) The Dean or Head, or equivalent, must make a decision in relation to the complaint and must notify their decision to the parties, in writing, within 28 days of receiving the complaint.
- (2) If the complaint involves a university process or service and if, in the opinion of the relevant Dean or Head, or equivalent, the complaint has substance, the Dean or Head, or equivalent, must arrange for the relevant process or service to be reviewed, with a view to preventing a recurrence and ensuring continued improvement.

6. **Appeals**

- (1) Any party to a student complaint who is dissatisfied with a decision by a Dean or Head, or equivalent, under these procedures may appeal to the Senior Deputy Vice-Chancellor.
- (2) The appeal must be submitted in writing within 28 days of the letter notifying the decision.
- (3) The Senior Deputy Vice-Chancellor will consider the relevant documentation and may, at their discretion, consult the Dean or Head, or equivalent, who made the decision. The Senior Deputy Vice-Chancellor may also interview any parties to the complaint.
- (4) If they determine that the complaint process has been conducted in accordance with these procedures and the outcome is appropriate, the Senior Deputy Vice-Chancellor may dismiss the appeal. Otherwise, they will decide the appeal in consultation with the relevant Dean or Head, or equivalent, and any other parties. Subject to subsections (6) and (7), the decision of the Senior Deputy Vice-Chancellor under this section is final.
- (5) The Senior Deputy Vice-Chancellor will notify their appeal decision in writing to the parties.

- (6) When they notify the parties of the appeal decision, the Senior Deputy Vice-Chancellor will inform the parties of the [Ombudsman's](#) role in relation to complaints about government organisations (including universities) that affect people in their personal capacities, the [New Zealand Qualifications Authority's](#) grievance procedures available to international students under the *Education (Pastoral Care of International Students) Code of Practice 2016*, and the [iStudent Complaints](#) financial or contractual dispute resolution service, also available to international students.
- (7) The Senior Deputy Vice-Chancellor will also inform any staff members who are dissatisfied with a student complaint process of the steps available to them under the University's *Procedure for Resolving Employment Relationship Problems and Personal Grievances*.
- (8) If the original complaint was addressed to the Senior Deputy Vice-Chancellor under section 4(4), any appeal must be made to the Vice-Chancellor. That appeal will be considered and decided, in accordance with appeal processes consistent with those set out in these procedures, by a nominee of the Vice-Chancellor.

7. **Confidentiality**

All processes and decisions under these procedures are confidential to the parties and staff directly involved.

8. **Annual report to the Academic Board**

The Senior Deputy Vice-Chancellor must submit an annual report to the Academic Board, including an overview of student complaints and decisions during the relevant year, together with any consequent recommendations with respect to the teaching and learning process and the provision made by the University to support that process.

Appendix

Rights and Responsibilities of Parties to a Student Complaint

Parties to a student complaint have the **right** to

- be treated with courtesy at all times

- a fair and timely investigation process in accordance with the principles of natural justice
- express their points of view without fear of recrimination
- receive full information at all stages of the complaint process
- be advised in writing of all decisions made in relation to the complaint
- appeal the outcome
- in the case of a staff member, avail themselves of the Procedure for Resolving Employment Relationship Problems and Personal Grievances.

Parties to a student complaint have a **responsibility** to

- treat all parties with courtesy at all times
- respect the points of view of others
- respect the rights of all parties to the complaint with respect to confidentiality
- in the case of the complainant, ensure that the complaint is made in good faith and complies with the requirements of the Student Complaints Procedures
- provide full and accurate information to the person investigating the complaint
- not take any action that may prejudice the situation or be regarded as an act of recrimination against any other party.

Library Regulations

1. **Title**

These are the Library Regulations 2007.
2. **Purpose**

These regulations provide a framework for use of the University Library and its resources.
3. **Date of effect**

These regulations are effective from 1 January 2008.
4. **Definitions**

In these regulations

library means the Central Library, the Teaching Resources Library, the Law Library and the Tauranga Campus Library; which together comprise the University Library

reader means all persons admitted to the Library under sections 7(1) and (2) of these regulations

item means all types of Library material including, but not limited to, books, journals, laptops and AV material

service desk means the Library desks situated in the Central, Teaching Resources and the Tauranga Campus Libraries.
5. **General**
 - (1) Admission to the Library is conditional on observance of these regulations and such directions as may be given from time to time by the University Librarian. All readers are presumed to know these regulations.
 - (2) All members of the Library staff are empowered to enforce these regulations.
 - (3) Any infringement of

these regulations by a reader may lead to the suspension of her or his use of the Library at the discretion of the University Librarian, or, where appropriate, to disciplinary action under the *Student Discipline Regulations 2014*.

6. **Hours of opening**

The Library is open at the times shown on the Library website. Any variation from these times will be displayed by the Library entrances, and on the [Library website](#).

7. **Admission and borrowing**

(1)

Borrowing facilities are available to members of the University Council; Honorary Doctors, staff, retired staff, alumni and enrolled students of the University; staff and students of other tertiary institutions with whom a reciprocal agreement is in place; and other people whose applications have been approved by the University Librarian. An annual registration fee may apply.

(2)

Other persons may be admitted to the Library for reference and private study in accordance with such arrangements as the University Librarian may, from time to time, determine.

(3)

All students are registered as borrowers for the current year at

- enrolment on obtaining a student identity card.
- (4) Library account notifications are sent by email. Changes of email and postal addresses must be notified immediately either via MyWaikato. Failure to read email, or change email/postal addresses, will not be taken as an excuse for non-receipt of Library correspondence.
- (5) All readers may be required to produce a valid identity card or other identification, acceptable to the University Librarian, at any time when requested by the University Librarian or by a Library staff member acting upon the authority of the University Librarian.
- (6) No item may be borrowed from the Library without first having the loan properly recorded. An item to be borrowed must be presented, together with the borrower's University of Waikato identity card, at the Service Desk or self-issue unit. The due date of return for each item borrowed will be indicated and is available online via the reader's Library Account. See also section 10(1).
- (7) No item will be issued at

the Service Desk within 15 minutes of closing time.

(8)

An item will not be issued in the name of another borrower. Any variation to this procedure requires the approval of the University Librarian.

(9)

A borrower shall be held responsible for any loss of, or damage to, an item while borrowed in her or his name and will be required to pay the cost of replacement or repair, together with any fines incurred before reporting the loss, and an administrative charge. This administrative charge will be made whether or not the item is subsequently found or returned. Loss or damage should be reported immediately to the Service Desk or by email to library@waikato.ac.nz. The University Librarian shall determine the amount to be paid.

(10)

At the discretion of the University Librarian a payment made for a lost item may be refunded if the item is subsequently found and returned to the Library.

(11)

Under no circumstances may an item be passed

on to another borrower. Fines for resulting inability to respond to recall or overdue notices will be charged to the borrower in whose name the item is issued.

(12)

Selected marked items are for use in the Library and may not be taken from the Library.

(13)

Library items may be taken out of New Zealand only with the prior permission of the University Librarian. There are special procedures for university students living overseas.

8.

High Demand Collection

(1)

Some items, because of heavy demand, are temporarily placed in a separate High Demand Collection. These items must be issued before being removed from the Collection.

(2)

The period for which a High Demand item is available to any one borrower is limited according to the demand for the item, and only two items may be borrowed at a time from this collection.

(3)

A charge per hour or part thereof may be made for the late return of a High Demand Item.

9.

Requests

- (1) Borrowers may request items whether or not they are on loan.
- (2) The number of active request items that may be submitted by any one borrower will be at the discretion of the University Librarian.

10.

Recall notices and fines

- (1) All items are subject to recall at any time and must be returned to the Library by the due date shown on the recall notice, whether this is sent by email, SMS txt or by post. Failure to respond to a recall notice by the due date shown incurs a fine day the item is not returned after this date. Other disciplinary action may also be taken against a borrower who fails to return an item ten days after the recall notice was first sent.
- (2) An item required simultaneously by a number of borrowers is issued for a reduced loan period. If this item is kept beyond the due date and time of return, fines will be incurred.
- (3) A daily fine will be charged for any item, other than those referred to in sections 10(1) and (2) of these regulations, which is retained beyond the due date of return.

An item not returned within one calendar month of this date will be regarded as lost and the borrower will then be billed for the cost of the item, together with the fines incurred and an administrative charge. This administrative charge will be made whether or not the book is subsequently found or returned.

(4)

The Library is not obliged to notify a borrower when an item is overdue, and a fine will automatically be charged for each item which is retained beyond the due date of return, whether or not a notice has been sent.

Borrowers should monitor the status of their loans and fines via their Library account.

(5)

Where fines or invoices remain unpaid, the penalties for non-payment, as set out in the [Regulations Governing Payment of Fees and Charges](#) in the University of Waikato Calendar, will be applied. In addition, Library services may be withheld.

11.

Electronic resources

(1)

Electronic resources (e-resources) made available by the Library may be accessed only by

staff and students of the University of Waikato. Students need to be enrolled in at least one paper in order to access electronic resources. The period of access before and after a paper starts or finishes shall be determined by the University Librarian.

(2)

The electronic resources may be used only for the purposes of research, teaching or private study. Commercial use, defined as use for the purposes of monetary reward (but excluding use in the course of research funded by a commercial organisation) is prohibited.

(3)

Most electronic resources are subject to Licences signed by the Library on behalf of the University. There are limits on the amount of information which can be copied or downloaded. Systematic downloading of content is not allowed, including by software such as website crawlers, harvesters or offline browsers.

12.

Inter-library loan

An item obtained from another library on inter-library loan is subject to such special conditions as may be imposed by the lending library. A borrower not complying with these will have the privilege of using this service withdrawn.

13.

Conduct of readers

(1)

Eating and drinking are

permitted in most areas of the Library but drinks must be in closed containers and all rubbish must be placed in bins and any spills and crumbs cleaned up. Library staff will act on complaints or concerns from library users and/or where they see damage or potential damage to library property.

(2)

Discussion and conversation is not permitted in designated Quiet Areas.

(3)

Undue conversation or disturbance (including socialising, use of cell phones or video chat) in designated Study Areas is forbidden.

(4)

No reader shall behave in a noisy or disruptive manner in the Library. Verbal abuse or rude behaviour towards Library staff or other Library users will not be tolerated. Such conduct is regarded as a serious offence, and action maybe taken under the [*Student Discipline Regulations 2014*](#).

(5)

Places in the Library may not be reserved by leaving items or other articles on seats or reading desks. Such material may be removed by Library staff to the nearest Service

- Desk.
- (6) Readers are solely responsible for the security of their personal belongings whilst in the Library.
- (7) Readers shall, when so requested by a member of the Library staff, present for inspection their bags and personal belongings as they leave the Library.
- (8) Readers may be required to satisfy the Library staff that any item taken out of the Library has been properly issued, or is personal property.
- (9) Readers must not misuse, damage or remove any item of furniture or equipment belonging to the Library. Such conduct is regarded as a serious offence, and action may be taken under the [*Student Discipline Regulations 2014*](#).
- (10) Readers must not mark or in any way damage items belonging to the Library. Such conduct is regarded as a serious offence, and action may be taken under the [*Student Discipline Regulations 2014*](#).
- (11) The unauthorised removal of an item is regarded as a serious

offence, and action may
be taken under the
*Student Discipline
Regulations 2014.*

14.

Fees, fines and administration costs

The fees, fines and administration costs of the Library shall be determined from time to time under such arrangements as the University Council shall approve and shall be published annually in the *Table of Fees and Charges* section of the University of Waikato Calendar.

Parking and Traffic Regulations

1. Title

These are the Parking and Traffic Regulations 2019.

2. Date of effect

These regulations are effective from 5 November 2019.

3. Definitions

In these regulations

campus means the grounds and buildings occupied by the University of Waikato in Hamilton and Tauranga, including the halls of residence

mobility aid means a wheelchair or other mobility assistance device used by people with disabilities; these are not considered to be vehicles or personal transport devices and may be used anywhere on campus provided that such use is undertaken with due regard for others

parking attendant means any staff member authorised by the Campus Security and Emergency Manager to enforce these regulations

personal transport device means an unpowered or low powered transport device intended for one person, including but not limited to Segways, scooters (including electric scooters), bicycles (including electric bicycles), unicycles (including electric unicycles) and skateboards (including electric skateboards)

vehicle means a form of transport for people or goods, including but not limited to motor vehicles (including electric vehicles and hybrids), motor cycles and personal transport devices, and excluding mobility aids.

4. Application

These regulations apply to the driving, riding and parking of vehicles and bicycles on campus by staff, students and members of the public. Authorised drivers of University of Waikato vehicles and rental vehicles are also referred to the [Vehicle Use Policy](#).

5. Access and Safety

(1) Prime access to buildings and other facilities is reserved for pedestrians and people with mobility-related impairments. Vehicle users are therefore not permitted to ride on access-ways that are signposted or recognised as access-ways for pedestrian and mobility traffic.

(2) On shared pedestrian/vehicle access-ways,

vehicle users must not exceed 15km/hr and must give priority and right of way to pedestrian and mobility traffic.

- (3) Users of commercially operated electric vehicles must operate the vehicle according to the safety recommendations and rules of operation provided by the electric vehicle provider.
- (4) Vehicle users must drive and ride safely at all times. They must obey all traffic and parking signs and markings. They must also comply with any directions given by parking attendants.
- (5) Except with the approval of a parking attendant, no person other than an authorised driver of a University service vehicle may drive, ride or park over a grassed area.

6.

Parking and Storage

- (1) While the University makes reasonable provision for vehicle parking, it is under no obligation to make provision for the vehicles of all those wishing to park on campus.
- (2) The University charges for parking on campus. Current charges are published on the [University website](#) and payment machines.
- (3) Motorcycles and motor scooters may be parked only in the areas signposted for motorcycles and motor scooters.
- (4) Bicycles and electric bicycles may be parked only in cycle-racks or purpose-built cycle sheds, and must not be taken into any University building.
- (5) Commercially operated electric scooters may be parked only in the areas signposted for electric scooters and must not be taken into any University building, including the halls of residence.
- (6) The charging of commercially operated electric scooters and electric bicycles on campus is not permitted.
- (7) There are two charging stations available for staff and visitors at the Hamilton campus to charge electric vehicles for up to two hours. The charging stations may be booked via the Unisafe Office: parking@waikato.ac.nz.

- (8) Vehicles owned by current University of Waikato staff and displaying a University parking permit may be parked in signposted 'Permit Holders Only' areas. Otherwise, vehicles may be parked only in 'General Parking' areas.
- (9) All vehicles parked on campus must be parked in marked bays.
- (10) No person may park a vehicle in the same parking bay for longer than 48 hours without prior permission from a parking attendant.
- (11) A numbered car park is a reserved parking space and may be used only by the person who displays the corresponding numbered parking permit.

7. **Parking for people with mobility-related impairments**

Accessible parking spaces (outlined in yellow and displaying the wheelchair symbol) are provided for use by people with mobility-related impairments. These parking spaces may be used only by holders of Operation Mobility permits issued by the CCS Disability Action or Temporary Mobility Parking Permits issued by the University's Accessibility Services (located in the Student Centre) or the Health and Safety Coordinator.

8. **Visitor parking**

A small number of limited-time parking spaces, including accessible parking spaces for people with mobility-related impairments, are provided on campus free of charge for visitors; these parking spaces must not be used by staff or students.

9. **Authority of parking attendants and the Campus Security and Emergency Manager**

- (1) A person who, in relation to a parking or traffic matter, is requested by a parking attendant to provide their name or address must do so honestly and within the requested timeframe.
- (2) Parking attendants have authority to issue infringement notices to people who breach these regulations and to immobilise their vehicles. A vehicle that has been immobilised will be released only on payment of the fee prescribed in the infringement notice.
- (3) Parking attendants have authority to impose a penalty charge on any person who removes or otherwise interferes with immobilisation equipment.
- (4) If a vehicle is parked in a manner that is

dangerous or obstructs access, the Campus Security and Emergency Manager has authority to arrange for that vehicle to be towed away by a licensed vehicle recovery operator; the cost of retrieving a towed vehicle falls to the owner of the vehicle.

10. **Breaches**

(1) A breach of this policy by a student may result in disciplinary action under the *Code of Student Conduct*.

(2) A breach of these regulations by a staff member may result in disciplinary action under the *Staff Code of Conduct*.

11. **Appeals**

(1) A person may appeal against any decision under these regulations

(a) if the decision was made by a parking attendant, to the Campus Security and Emergency Manager

(b) if the decision was made by the Campus Security and Emergency Manager, to the Chief Operating Officer.

(2) An appeal under these regulations must be submitted in writing within 14 days of the date of the decision.

(3) A decision by the Campus Security and Emergency Manager or the Chief Operating Officer under subsection (1) is final.

School of Graduate Research - Scholarships

The School of Graduate Research - Scholarships is responsible for administration associated with scholarships, awards and prizes awarded by the University and some outside sponsors. These include University of Waikato Scholarships and Universities New Zealand - Te Pōkai Tara Scholarships. Students interested in applying for scholarships are encouraged to consult the Scholarships [website](#) and to subscribe to the monthly electronic scholarships newsletter by emailing 'Subscribe' (in the subject line) to scholarships@waikato.ac.nz .

The University Library

The University of Waikato has two libraries on its Hamilton campus and one in Tauranga.

The Central Library (including the Law Library) is located in the Student Centre, Te Mānawa, in the centre of the Hamilton campus. The Teaching Resources Library is located in Building TL in the School of Education. The Tauranga Library is in the Tauranga CBD Campus building. The Central Library serves the teaching, learning and research needs of all students and staff and the Teaching Resources Library provides books and other resources to assist in preparation and planning for teaching in primary and secondary schools and early childhood centres.

The University of Waikato Library in Tauranga supports courses delivered in Tauranga. Students at Tauranga have easy access to Library support services, all eResources and material held on the Hamilton Campus via distance services.

The Library also offers support for Waikato courses taught in Zhejiang University City College.

Tours and essential tutorials are offered intensively during the first few weeks of each trimester and throughout the year.

Teaching and learning are supported by the Library assisting its users to acquire the skills to help them navigate the proliferation of print and online information sources in order to locate, evaluate and use information relevant to their needs in the most effective way.

The Library contributes to the University's research programme by making available online and print resources and by the provision of research and researcher support services.

Library services, collections and resources include:

- An extensive range of online, print and multi-media resources
- Access to in-person and online help services including technical support
- A wide range of research skills development workshops
- In-depth individual research consultations for post-graduates and academic staff
- Support for PBRF (Performance Based Research Funding) activities
- Research Commons; (the Institutional Repository)

Computers, wi-fi, laptops, photocopiers, scanners and printers

- Places to study and work individually or in groups

For more information, please visit the Library website: www.waikato.ac.nz/library.

Information and Technology Services

Information and Technology Services (ITS) is responsible for the coordination of information and communications technology (ICT) planning for the University, the delivery of robust, reliable core ICT infrastructure and enterprise systems, and the provision of professional ICT consultancy and customer focused support services.

The ICT vision is “To engage, enable, innovate and protect our ICT services, and empower the University of Waikato to leverage the value of ICT to achieve its strategic goals”.

ICT support is available to University staff and students engaged in teaching, learning and research. This support is accessible during business hours through in person, phone and email channels from the ITS Service Desk and the ICT support teams located in the Student Centre and faculties. Online ICT support is also accessible via the ICT Self Help webpages.

Specialist ICT teams also support business operations, organisational ICT projects and research initiatives.

For more information, visit the website: its.waikato.ac.nz.

Student Services

Halls of Residence

The Accommodation Services Office assists and processes the applications to each of the University's four Hamilton-based Halls of Residence: Bryant Hall, College Hall, Student Village and Orchard Park. Orchard Park is a series of cottages that offer self-catering facilities. The other Halls are largely fully-catered although they all have flats where self-catering accommodation is available. In addition, the Office also assists and processes applications for the University's Tauranga-based accommodation: Durham Mews and Mayfair Court. Both of these facilities are self-catered accommodation.

More information about the Halls can be found at [Applying for Accommodation](#), or by contacting the Accommodation Services Office on +64 7 838 4084, or by email at accom@waikato.ac.nz.

All applications are made online, with the first round of offers being on or close to 1 October each year for accommodation the following year. Applications can be submitted after this date and places will be offered subject to availability. Residence is normally for the duration of the academic year. Any student who wishes to return to the Halls for a second year, would need to re-apply. All students are required to pay a contingency deposit at the time of acceptance, and this is refunded, less any charges, at the end of the academic year. Students are required to pay rent in advance with the first payment made prior to moving in.

Off-Campus Accommodation

A range of off-campus accommodation is available in both Hamilton and Tauranga. The Accommodation Services Office staff can provide advice and information to assist with finding accommodation off campus but close to the University and can be contacted on +64 7 838 4084; by email at accom@waikato.ac.nz or visit [Student Accommodation](#).

To avoid difficulties in finding accommodation, students are advised to visit the University prior to the commencement of the academic year, wherever possible.

International Student Support

The International Student Services team provides support for international students in all aspects of their achievement and personal growth. This begins with a comprehensive orientation programme for all new international students. Pastoral care is delivered to support international student wellbeing, to

facilitate access to University services across campus, and to ensure that appropriate off-campus support is in place when required. Students on New Zealand Scholarships and other international scholarships are also assisted by International Student Services. Each trimester, a range of trips around the Waikato and Bay of Plenty region and various events on campus are facilitated by the International Student Services team. A student visa renewal service is offered throughout the year. The team of international student advisors and administrators are available to see students, and appointments can be made at the Student Centre, by phoning +64 7 838 4176 or 0800 WAIKATO, or emailing info@waikato.ac.nz.

Student Counselling Service

Counselling staff are located adjacent to Student Health Services and close to the main car park accessed via Gate 1 from Knighton Road. Appointments may be made for counselling on any personal, study-related or vocational issue. Enquiries and appointments may be made in person at the [Student Health Service](#) or by phoning the reception on (07) 838 4037. A counselling service is also available in Tauranga. Visit [Tauranga Student Health](#). Appointments can be made through Bay Counselling Service, located at 68 Tenth Avenue, Tauranga. Ph (07) 578-0959 or email admin@baycounselling.co.nz.

Chaplaincy

An ecumenical (Interdenominational) chaplain and a Catholic chaplain have offices on the Hamilton campus. The chaplains conduct services, take part in both formal and informal activities on campus, and are available to students and staff for counselling and pastoral care. The ecumenical chaplain visits the Tauranga campus fortnightly during term time, and the Catholic chaplain is available to Tauranga students and staff via Skype, mobile and email. Chaplaincy is a free and confidential service for people of all faiths and none. The centre for chaplaincy activities on the Hamilton campus is the Lady Goodfellow Chapel located adjacent to the Student Health Centre.

Accessibility Services

The Accessibility Services, formerly known as Disability Support Service is located in the Student Centre, Level One, opposite Bennett's Books store. Accessibility Services works with the rest of the University to remove barriers to learning for students with specific learning disabilities, impairments and medical conditions to ensure student's learning requirements are accommodated through the provision of services, support, advice and advocacy. Prospective students who identify with specific learning disability/impairments and/or a medical conditions should contact Accessibility Services as soon as possible to ensure that the appropriate supports are able to be put in place.

The team visit students studying at the Tauranga campus monthly and support as required.

For more information visit the Accessibility Services [website](#).

Telephone: (07) 838 4711 or (07) 838 4793, or

Email: accessibilityservices@waikato.ac.nz

Student Health Service

The [Student Health Service](#) is located close to the main car park accessed via gate 1 off Knighton Road (opposite the UniRec Centre). It is staffed by General Practitioners, a Nurse Practitioner, Nurses and Administrative staff. Opening hours are between 8.35am and 5.00pm on weekdays, except Wednesdays, where the opening hours are between 9.30am and 5.00pm. During examination periods the Student Health Service is open from 10.30am - 2.30pm on Saturdays for examination-related issues only. Students can book an appointment via reception either in person or by phone on (07) 838 4037.

Additional Health Services

The Mental Health Service operates out of the Student Health Service from 8.30am-5.00pm, free of charge to all University of Waikato students. This service supports students in all aspects of mental

health. Students can book an appointment via the Student Health Service reception either in-person or by phone on (07) 838 4037. There is drop-in time available Monday to Friday between 1-3pm. This means students can stop by for support without an appointment.

The Violence Prevention Co-ordinator operates out of the Student Health Service from 8:30am-5.00pm, free of charge to all University of Waikato students. This service is designed to connect people with the right support(s), and to provide advocacy and extra support where appropriate.

Appointments can be made through the violenceprevention@waikato.ac.nz email.

The Health Promotions Co-ordinator operates out of the Student Health Service from 8:30am-5.00pm, Mon - Thurs, free of charge to all University of Waikato students. Dr Tāwhanga Nopera provides face-to-face advice and support for Takatāpui and LGBTQI students and has expertise in non-binary gender identities, sexuality and sexual health, HIV and is knowledgeable about health and wellness pathways and services. Appointments can be made by contacting Tāwhanga at tawhanga.nopera@waikato.ac.nz

Career Development Services

Career Development Services are located on Level 2 of the Student Centre. Advisors are available to assist students in preparing for future employment and ensuring they are aware of what is required for specific roles.

Students are also encouraged to login to the online system - MyCareer at

www.waikato.ac.nz/students/careers/ where they can set up a personal profile. This enables students to book-in for workshops and tutorials, make appointments with Career Advisors, upload and receive feedback on CV and Cover Letter documents, and search and apply for graduate positions and internships.

MyCareer also advertises visits by employers and Career Expos that students can attend to network with organisations and discover the different options available to them as graduates. Career Development Services also include an Employability Plus Programme (EPP) that advertises local volunteering opportunities to students and provides a supplementary transcript after graduation.

Class Representative System

The University is committed to strong and effective representation from its students. Class Representatives are elected to represent the views of their class on academic matters, and they play a key role in liaising between the students in the paper and the academic staff who are teaching the paper. They work collaboratively with staff to maintain academic quality and to enhance the student

experience. Class representatives also have the opportunity to participate in the democratic processes of the University.

The Class Representative system has been developed to ensure that student views are reflected through involvement in University processes and participation on University committees where decisions affecting students are made.

More information is available on the website: [Class Representative Information](#)

Student Administration

The Student Administration team provides information and advice to current and prospective students of the University of Waikato. Student Administration is located at the Student Centre in Hamilton and at the Tauranga campus. These are the first point of contact for enquiries relating to prospective student enquiries, admission criteria, applying to enrol, other general enrolment matters, examinations timetable and regulations, the payment of fees, handbooks for specific qualifications, and graduation. The Student Centre in Hamilton is open between 8.30am and 5.00pm, Monday to Friday, phone 0800 WAIKATO (0800 924 528) or (07) 838 4370, or email info@waikato.ac.nz. Tauranga students are able to receive in person support at the Hub on Level 1, between 8.30am and 5.00pm, Monday to Friday.

Pacific Support Services

The Pacific Success Coordinator provides support to all our Pacific students and oversees a range of initiatives specifically for our Pacific cohort, helping them to stay up to date with Pacific at Waikato events. Please visit our website: www.waikato.ac.nz/students/pacific-support/ and 'like' our Facebook page: www.facebook.com/PacificAtWaikato. Te Ara ki Angitū: Pathways to Excellence Programme

Te Ara ki Angitū – Pathway to Excellence (TAKA) reinforces the University of Waikato's commitment to making university-level study accessible to the communities of the Waikato region. In partnership with 25 secondary schools in the Waikato, the programme brings together a number of essential support services to assist students with their transition from high school to University and to make University more accessible. For more information on the list of services provided through the programme please visit our website: www.waikato.ac.nz/study/why-study-at-uow/te-ara-ki-angitu. Alternatively you may contact our Te Ara ki Angitū Student Success Coordinator, Tuhoro Paki via

email at tuhoro.paki@waikato.ac.nz or drop into Level 1 of the Student Centre.

Sport and Wellbeing

The Sport and Wellbeing group manages and maintains the University's sport facilities and wellbeing services on campus for the benefit of the University of Waikato's students and staff and the wider university community. This includes key recreation assets on the Hamilton campus (UniRec, sports grounds/courts and swimming pools, Wellbeing Hub and OMEN Esports Arena and the School of Education gym); plus key services such as University Sports Clubs, Social Sport, Inter-Faculty sport, Inter-Tertiary sport, Inter-Hall sport and the University Staff wellness programme across both Hamilton and Tauranga campuses.

UniRec

UniRec is a gym and recreational facility located on the University of Waikato Hamilton campus which caters for students, staff and community members. The team of fitness, rehab and sport experts is dedicated to making a difference to people's lives, helping them achieve their fitness and wellbeing goals. The environment is friendly, supportive and inclusive.

The facility includes Endless Pools™, squash courts, cardio and weights equipment, group exercise classes including yoga, a sports hall for court games and a general activity room. It also has a spin cycle studio and High Performance Room - equipped with everything required to help you perform in every facet of life.

For more information, visit the UniRec website: www.unirec.co.nz, or email: unirec@waikato.ac.nz, or phone: (07) 838 4177.

Location: University of Waikato campus, Gate 1, Knighton Road, Hamilton

Tauranga Campus - Gym and recreational facilities

Gym memberships for University of Waikato staff and students in Tauranga will be available through our partner gym providers. The Queen Elizabeth Youth Centre (QEYC) offers free drop-in sport and other social sport opportunities. Yoga and other activity options are also offered.

For more information, visit: www.waikato.ac.nz/sport/sport-at-tauranga, or email: uowsport@waikato.ac.nz.

Sports on Campus

Sport and Wellbeing offers many opportunities for students to get into sport; whether this is as a high performance athlete, being involved with sports clubs on campus or simply being a social exerciser. Our website shows how students can be involved with sporting events and tournaments which includes both social and competitive sporting fun and much more.

For more information, visit: www.waikato.ac.nz/sport/; facebook.com/SportWaikatoUniversity
Instagram: [sportwaikatouni](https://www.instagram.com/sportwaikatouni); or email uowsport@waikato.ac.nz .

University of Waikato (UW) Sports Clubs

University of Waikato sports clubs include traditional sports such as rugby, netball, basketball, hockey, football, rowing and cricket, as well as other less traditional clubs including lacrosse, ultimate frisbee, snow and ski, and kendo.

For more information on UW sports clubs and community clubs, visit: www.waikato.ac.nz/sport/, or email uowsport@waikato.ac.nz .

Social Sport

Hamilton's largest Social Sport league conveniently takes place on the Hamilton campus. Leagues run all year round, with indoor leagues taking place between March and October, and Outdoor leagues running from October until the following March. Indoor runs in six-week blocks, offering indoor netball, basketball and futsal. Outdoor runs for a full 14 weeks over summer, and offers touch and football. Teams play against those with similar ability and all teams are mixed gender.

For more information, visit: www.socialsport.co.nz, or email: uowsport@waikato.ac.nz

Students on the Tauranga campus will be supported to join a team into local social sport leagues. If interested, email uowsport@waikato.ac.nz .

Inter-Halls, Inter-Faculty and Inter-Tertiary Sport

Sport and Wellbeing offer many opportunities for students to represent their University Hall, University Faculty and the University of Waikato. Inter-Hall Sport sees ten sporting tournaments throughout each year, run on a Friday night or Sunday afternoon on the Hamilton campus. These tournaments create a fun and friendly rivalry among the four University Halls in Hamilton.

Inter-Faculty Sport gives students an opportunity to play for their University Faculty in a fun day of sporting competition with 6 events per year played in Hamilton and 4 events played in Tauranga.

Inter-Tertiary Sport provides an opportunity for competitive, high performing students to represent the

University of Waikato at the University and Tertiary Sport NZ (UTSNZ) National Tertiary Championship events, which currently has ten different sporting events played all around New Zealand.

For more information, visit: www.waikato.ac.nz/sport, or email: uowsport@waikato.ac.nz

Sports Facilities - Hamilton Campus

Fields, Touch, Rugby and Football

The University of Waikato fields are the largest of any New Zealand University. Waikato Pathways College

Waikato Pathways College comprises the University's foundation and bridging programmes, English language programmes for students with English as an additional language, international study tours for international vocational, professional and academic individuals and groups. The College has a key role in contributing to the distinctiveness, excellence and international connectedness of the University.

Certificate of Attainment in English Language

The Certificate of Attainment in English Language is a full-time course of 23 hours per week for 10 weeks, with one intensive block of 30 hours per week for 8 weeks. There are a number of intakes each year. Students are placed according to a recent English Language test result (such as IELTS) or are tested upon arrival and placed in an appropriate level from Elementary to Advanced. On successful completion of the course, students receive a University of Waikato Certificate of Attainment in English Language. All students study a core programme which helps students improve their reading, writing, listening and speaking skills. Higher level classes focus on skills needed for successful university study such as academic writing, listening and note-taking, academic reading, and oral presentation skills. Attaining specific grades in the upper levels of the programme gives students the English language entry requirement to enter Foundation Studies, the International Diploma and University undergraduate and postgraduate programmes.

For more information, see Pathways: www.waikato.ac.nz/study/qualifications/pathways-programmes.

General English

General English is a course designed for students to improve their everyday English and is suitable for students preparing to enter the Academic English programme. The programme includes core language skills and vocabulary, fluency and accuracy in listening, speaking, reading and writing.

General English is a full-time programme of 23 hours per week or part-time for 15 hours per week. Students can start every 2nd Monday and study for 3 weeks to 6 months (except New Zealand public holidays).

For more information, see Pathways: www.waikato.ac.nz/study/qualifications/pathways-programmes.

International Study Groups

Study programmes are customised for visiting international groups and combine English with almost any other activity or specialist area, according to academic, professional or vocational need.

Programmes run for a minimum of two weeks (students must be 16 years or older). Groups and Study Tour programmes include the following: English plus Specialised Training (based on any of the degree programmes at the University of Waikato); English and New Zealand Life and Culture (offering a choice of activities and weekend trips to Rotorua, Waitomo Caves, horse riding, jet boating, kayaking, hot pools, farm visits, black water rafting); English for University preparation (experience of life at the University of Waikato Hamilton campus, including meeting students and staff, and attending university lectures); English and International Business (lectures on international business at the Waikato Management School, for students with at least an upper intermediate level of English).

Certificate of Attainment in Foundation Studies

The Certificate of Attainment in Foundation Studies is a full-time one or two trimester programme for international students that have not met the academic entry requirements for undergraduate study at a New Zealand university. This programme will teach students skills for successful tertiary study within New Zealand, with compulsory English language and elective papers across a range of study areas. Classes include New Zealand students to encourage international students to improve their English and make New Zealand friends.

For more information, see Pathways: www.waikato.ac.nz/study/qualifications/pathways-programmes.

Certificate of University Preparation

The Certificate of University Preparation programme is a full-time one-trimester programme for students who do not meet the entry requirements for study at a New Zealand university, or who need additional academic preparation. This programme will introduce students to an adult learning environment including lectures, tutorials and workshops. The Certificate of University Preparation is an academically approved qualification that covers skills such as note-taking, research, essay writing, time management and critical thinking. Students can have up to 17 hours of class per week with a further 20 hours to be spent on assessments and revision.

For more information, see Pathways: www.waikato.ac.nz/study/qualifications/pathways-programmes.

International Diploma (Business and Science)

From 2020 the College will launch new programmes to provide pathways for international students into the second year of some degrees. The International Diploma (Business) will consist of the first year of the Bachelor of Business, with additional supporting papers in academic English and academic

study skills. The International Diploma (Science) will provide a similar preparation which leads to majors in the area of computing.

International English Language Testing System (IELTS) Office

The University of Waikato is the IELTS testing centre for the Waikato region. IELTS is designed to assess the English language proficiency of candidates who need to study or work in English.

Further information is available on the website: www.waikato.ac.nz/pathways/about-us/ielts-testing.

Further information about IELTS is available on the website: www.ielts.org.

The Research & Enterprise Office

Research & Enterprise led by its Director, Dr Simon Lovatt, combines the University's Research Office functions with that of its commercialisation company, WaikatoLink. Research & Enterprise supports the University of Waikato's research activities and the process of creating value from research discoveries and innovation. The team works with both University researchers and external partners, including government, industry and community organisations, to extend research capability and broaden partnership opportunities that foster collaborative research, the implementation of research findings, and knowledge and technology transfer.

Research & Enterprise provides the following support services:

Project funding and contracting;

- Advice on public and private funding sources
- Proposal development
- Contracting and IP management

External research and commercialisation;

- Business development and commercialisation
- Industry connections and external partnerships
- Market intelligence

University processes;

- Ethics Committee secretariats
- PBRF support

WaikatoLink

WaikatoLink enables research done by the University of Waikato to create substantial economic, environmental and social benefits for iwi, communities and businesses in New Zealand – particularly in the Waikato and Bay of Plenty regions.

To achieve this, WaikatoLink partners with researchers, businesses, investors and end-users to deliver real-world impacts from University of Waikato research outcomes, through commercialisation, joint-ventures, IP licensing, open source and other technology transfer methods.

WaikatoLink strengthens the University's ability to create valuable impact from its research through early engagement with researchers as they develop research proposals and help design projects to maximise impacts and benefits. WaikatoLink also helps researchers ensure that they have effective pathways to implementation that deliver benefits to stakeholders and returns to the University.

Other services that WaikatoLink provides to support the University include: commercial assessment of ideas and subsequent investment in ideas with commercial potential; market research; technical development; IP analysis and patenting; engagement with industry partners who have an interest in ideas being developed within the University; deal brokering; identification of industry problems and opportunities that align with University expertise; contract development; creation and management of spin out companies; and sourcing of investment and development funding.

Waikato Students' Union (WSU)

The Waikato Students' Union is the voice of the student body on campus. The organisation is governed by a group of democratically elected students who listen, speak and act passionately on behalf of students, and have done for over 40 years. The WSU provides support services and consultation for students, clubs, and class reps. They create full weekly student experience programmes - from regular barbecues through to O'Week festivities - and provide an unfiltered platform for student voice through the multi-award-winning Nexus magazine.

Student Support

The WSU has a few key ways in which they support students at the University of Waikato:

Student Engagement

The Student Engagement team manages a network of over 85 rōpū, clubs, and societies as part of the WSU's commitment to an active campus. That network features clubs from every aspect of the University environment. Archetypal clubs such as debating and mooted societies are now joined by gaming clubs, cultural societies, casual hiking clubs, and a range of religious groups. If students can't find a club that fits them, the WSU Student Engagement team is always available to guide them through the process of making their own.

Student Advocacy

Whether it's tenancy, academic or hardship issues, the WSU provide a free, confidential, "no judgement" advocacy service to ensure students are aware of their rights, processes, and know that someone will always have their back. With a comprehensive list of support partners, including Community Law Waikato and Hamilton Budgeting Advisory Trust, WSU Student Advocacy ensures you get the best advice from the right people.

Student Voice

When the WSU was founded, it was based on the principle of ensuring the student voice was heard, and nearly 50 years later, that still remains their driving principle. With a 12-member board comprised entirely of students, including an elected President on the University Council, a dedicated Vice-President Māori, and a new Tauranga and Pacific director, the WSU ensures your voice matters. The Student Voice team assist in the training of class reps and provide a support service called Reo

Tauira, carrying out regular consultations on campus issues and working proactively with the University to provide student-focused solutions. With the WSU we are here to ensure your voice is heard.

Student Experience

The WSU has always felt that the University experience should be more than just academics. They have a dedicated Student Experience team providing daily activities on campus, managing student spaces, and cooking free food. The last few years have also seen them develop inter-faculty competitions, expand Orientation and Reorientation weeks, as well as develop programmes for wellness and mental health awareness.

NEXUS

At the heart of the student experience is Nexus. A student magazine that provides its readers with an editorial resource to discover and challenge ideas about news, music, politics, arts, technology, and general student life. Nexus strives to encompass and reflect student culture in all its diversity.

They're constantly on the lookout for writers, artists, creatives, and media enthusiasts. If you're keen to get involved, simply email: editor@nexusmag.co.nz. For more information visit the Ground Floor of the Students' Union Building (SUB) between 9am to 4pm (Monday to Friday), visit the WSU website: wsu.org.nz, or email wsu@wsu.org.nz.

Golden Key International Honour Society

University of Waikato Chapter

The Golden Key International Honour Society is an international non-profit organisation, which is committed to recognising and promoting academic achievement. Membership in the society lasts a lifetime, and includes many benefits to help its members move forward with their academic and professional careers.

Golden Key Mission: To enable members to realise their potential through the advancement of Academics, Leadership and Service.

Benefits from membership in Golden Key include academic recognition, career assistance, scholarships and awards, publications, leadership positions, community service activities and alumni opportunities.

Golden Key was founded in 1977 in Georgia State University, and has since been joined by over 400 collegiate chapters from Australia, Bahamas, Canada, India, New Zealand, USA and South Africa. The University of Waikato Chapter was founded on 30 October 1999, and has since inducted more than 5,700 members into the society. Membership is extended to the top 15% of students in the University.

The University of Waikato Chapter's goals are

- to raise the profile of Golden Key in the community, schools and on campus,
- to return benefits to the community,
- to maximise the potential of University students.

The Waikato Chapter is involved in many projects, both academic and community service based, with a focus on professional and personal development. Student members annually run the Daffodil Day fundraising at the University for the Cancer Society, and endeavour to engage both University and local school students in an academic sense through holding educational panels or volunteer efforts.

Membership into Golden Key can greatly enhance students' academic careers, and members are well received by many Universities and organisations around the world.

The University of Waikato Foundation

The University of Waikato Foundation - Te Pou Taunaki - is an independent charitable trust, formed to support and fund the University of Waikato to promote education in its widest sense. The Foundation raises funds to support the strategic objectives of the University.

The Foundation is the mechanism by which the University and its constituent parts may receive gifts, donations, bequests, etc. Funds received are distributed by the Board of Trustees at its discretion and according to the wishes of benefactors. Funds may be for a particular and stated use or for the general purposes of the University. Naming rights to University buildings and facilities are also handled by the Foundation.

Alumni

All graduates from the University of Waikato, people who have completed a paper or recognised course, former staff members and active participants in University life are recognised as members of our Alumni & Friends community. It is an inclusive, dynamic group, supporting one another and the aspirations of their University.

There are no fees for joining but it is important to keep your details up to date with us so we can proactively keep you informed of University happenings, invite you to a range of events and celebrate your success.

The University encourages alumni to remain connected and share success stories. Alumni news and events are updated regularly on the [Waikato Alumni](#) homepage, or via [Facebook](#). Alumni can also join the alumni [LinkedIn](#) group.

University alumni support staff facilitate connections between alumni; the University also offers ongoing careers advice and support to all alumni. Alumni are encouraged to attend public lectures and other events on campus, and the University delivers a programme of regional, national and international events specifically for alumni. In addition, the University may invite alumni to overseas events, hosted by New Zealand Ministry departments. Alumni can avail of campus facilities including the library membership for an annual fee. Alumni are also encouraged to partner with the University for their recruitment needs; the University has well established internship and graduate recruitment processes to support businesses looking to recruit new staff or seeking temporary additional help.

Alumni Representatives are volunteers based in cities around the world and form helpful connections for University staff and other alumni.

For more information, visit: <https://alumni.waikato.ac.nz/alumni-representatives>.

Distinguished Alumni Awards

In 2007, the University of Waikato launched the Distinguished Alumni Awards to celebrate Waikato graduates who have made outstanding contributions in their careers or communities. Information on nominating a graduate can be found on the alumni website: <http://alumni.waikato.ac.nz/distinguished-alumni>.

Alumni Groups

The University of Waikato Varstonians comprises former University sports players. Links to the University sports clubs can be found at <https://www.waikato.ac.nz/sport/>.

University of Waikato Sports Clubs (UWSC) is a governing body that unifies seven core university sports clubs. UWSC can also connect Alumni with the sport they have an affiliation with.

More information is available at: <https://www.waikato.ac.nz/sport/sports-clubs>.

Environmental Research Institute (ERI): Te Pūtahi Rangahau Taiao

The Environmental Research Institute's focus is to produce world-class systems-level research and through strong end-user relationships, successful outcomes for improved environmental resilience and management. In addition, the Institute aims to develop and enhance the capability, capacity and profile of the University of Waikato's environmental researchers and its collaborators. The ERI's research programmes are multi-disciplinary in nature, drawing upon research expertise from the physical and social sciences, economics, engineering, planning, law and education. The Institute has the capability and capacity to address environmental issues across a range of ecosystems including terrestrial, freshwater, estuarine and marine.

For more information, visit the website: <https://www.waikato.ac.nz/eri/>

Institute of Professional Learning: Te Whai Toi Tāngata (IPL)

The Institute of Professional Learning (IPL) in the Faculty of Education provides professional learning and development in the broad field of education, both nationally and internationally. This involves both short and long term programmes in areas such as educational leadership, coaching and mentoring, curriculum development, assessment and evaluation, information technology and eLearning, adult education, pedagogy, and policy development. It offers professional learning and development from early childhood education, through the compulsory education sector and into the tertiary level sector.

The Institute engages in the delivery of the 'content' of professional learning but is also concerned with the 'practice' of professional learning. Its work connects professional practice to research and qualifications. A significant portion of the Institute's activities involves partnerships with iwi and other educational providers and programmes are offered in both English and te reo Māori.

The Institute's international linkages are focused in three main areas:

- Work with Ministries of Education from different countries, mainly in the Asia/Pacific region at present, to offer teacher professional development either in-country, or with key staff coming to the Institute.
- Work with academic staff from other Universities, again mainly in the Asia/Pacific region to provide professional learning around tertiary teaching in English and best practice in tertiary teaching pedagogy.
- International research linkages such as those built around the research focused on developing leadership capacity in the education sector.

Much of this work involves staff from across the University where specific content knowledge is provided by faculties, and coordination and professional practice input is provided by the IPL.

For more information, visit the website: <https://www.waikato.ac.nz/professionallearning/>.

National Institute of Demographic and Economic Analysis (NIDEA): Te Rūnanga Tātari Tatauranga

The National Institute for Demographic and Economic Analysis links together a virtual and evolving community of national and international researchers whose research focus is the interaction of demographic, social and economic processes. Initially founded through collaboration between the University of Waikato's Population Studies Centre, Waikato Management School, and Wellington-based Motu Economic and Public Policy Research Trust, the Institute's primary goal is to help inform choices and responses to the demographic, social and economic interactions that are shaping New Zealand's future. Reflecting this objective, NIDEA's research programme comprises five interconnected themes, and is supported and sustained by a strong capacity-building programme which spans local, national and international workshops, seminars, and postgraduate supervision:

- New Zealand 2050 (A structurally ageing New Zealand)
- New Zealand's regions and communities (A regionally diverse New Zealand)
- New Zealand's individuals, families and households (A socially informed New Zealand)
- Te papa one te tū mai nei (Māori and Indigenous futures)
- New Zealand's oceanic and global context (A globally engaged New Zealand)
- NIDEA Demographic Laboratory (A statistically numerate New Zealand)

For more information, visit the website: <https://www.waikato.ac.nz/nidea/>.

The New Zealand Institute for Business Research (NZIBR): Te Pūtahi Rangahau O Umanga o Aotearoa

Hosted by Waikato Management School, the New Zealand Institute for Business Research (NZIBR) draws on cutting-edge research by internationally recognised experts in their fields. Our people have a wealth of expertise in areas ranging from innovation to economic impact analysis. We work with industry, government agencies and other organisations to enhance productivity and contribute to sustainable business. We aspire to develop and deliver industry-driven research projects assuring quality outcomes and transfer of knowledge in an effective and appropriate manner; develop collaboration with existing local, national and international partners. Our efforts actively explore opportunities to further align our business practices with societal needs and expectations, helping to drive long-term sustainability and shareholder value; seek out and support effective collaborations and partnerships with agencies, institutions and industry in the Waikato Region; promote academic research to further strengthen the Region and pursue publication in high quality journals. The Institute's current strengths relate to agribusiness and particularly supply chains, financial analysis and business performance, business impact analysis, innovation and the business of health.

NZIBR currently has three research units:

- Responsible and Sustainable Management
- Enterprise Innovation
- Leadership

For more information, visit the website: <https://www.waikato.ac.nz/nzibr/>.

The New Zealand Institute for Security and Crime Science: Te Puna Haumarū (NZISCS)

The Institute for Security and Crime Science incorporates four interlinked components; theories in Crime Science, modelling and analysis of data on crime and security issues in New Zealand, the use of computer science to assist evidence-based Police work, and research in psychology relevant to criminal behaviour and Police processes (such as taking evidence from witnesses).

The first outcome of the Institute has been the development of a new masters programme. The Master of Security and Crime Science (MSCS) is the first qualification of its kind in New Zealand and is targeted at current and future law enforcement and security practitioners, and has the support of the NZ Police.

For more information visit the website: <https://www.waikato.ac.nz/security-crime-science/>.

Te Mata Punenga o Te Kotahi: Te Kotahi Research Institute (TKRI)

The Institute is named for Sir Robert Te Kotahi Mahuta the founding Director of the Centre of Māori Studies research at the University of Waikato in 1972. Te Kotahi Research Institute will work with iwi, drawing on matauranga Māori and multi-disciplines, to create new knowledge and innovations that will inspire our people and communities and lead to the well-being of our whānau, and society.

Te Kotahi is an inter-disciplinary research institute that offers research, consultancy and capacity building services, including post-graduate supervision. We collaborate with researchers from within the University of Waikato, other universities, Crown Research Institutes, Whare Wānanga and Māori organisations.

The Institute aims to:

- Undertake research that will accelerate development and lead to social, economic, environmental and cultural well-being
- Apply matauranga Māori, and diverse Māori perspectives, to disciplinary knowledge in order to develop innovative research approaches
- Build strong iwi-university research collaborations drawing especially on the iwi of Te Ropu Manukura
- Work with the Waikato-Tainui Endowed College to enhance research collaborations with Waikato-Tainui and the Kīngitanga
- Build a vibrant research community that attracts postgraduate students, international scholars, university researchers and community leaders
- Grow new research leaders who can work across disciplines and with communities
- Translate knowledge into iwi, regional and national policy and practice outcomes

For more information, visit the website: <https://www.waikato.ac.nz/rangahau/>.

Te Waiora: Joint Institute for Freshwater Management

Te Waiora is a joint venture between the University and NIWA, with the goal of combining each organisations' research capabilities and expertise in the area of freshwater management. The Joint Institute provides expertise, cross-institute linkages, multi-disciplinary initiatives, training and societal engagement. Te Waiora undertakes research across a wide range of disciplines relevant to freshwater management to lift the quality of freshwater decision making and outcomes for New Zealand and internationally.

For more information, visit the website: <http://www.tewaiorafreshwater.co.nz/>.

Wilf Malcolm Institute of Educational Research (WMIER): Te Pūtahi Rangahau Mātauranga o Wilf Malcolm

The Wilf Malcolm Institute of Educational Research was established by the University to undertake, support and disseminate research relating to the broad field of education. The Institute provides collaborative and innovative education research spanning from the early years of childhood, through to primary, secondary and the tertiary years. This research may be subject specific or cross curriculum involving interdisciplinary research teams. The research includes, but is not limited to, learning, teaching and assessment, curriculum, digital learning, engineering education, Māori education, literacy and numeracy, sports exercise and science, transitions, threshold concepts, university-school partnerships and education policy.

The Institute produces high quality, cost effective education research that is targeted at solving the real challenges that face education today. The research teams within the Institute have experience, depth in research capability and a history of successful research projects and reputable publications, that all contribute to the research excellence that WMIER provides. It is known for its local studies in classroom research and cross-faculty studies in tertiary pedagogy and curriculum. Policy evaluations, critiques and reviews are encouraged, as are studies from national and international perspectives.

Each year the Institute hosts a number of international and national visitors who contribute to its intellectual life through collaboration with staff and students. National and local conferences, symposiums and seminars are organised by the Institute to inform the academic and professional communities of research undertaken, and to promote knowledge transfer and debate. The Institute is host to three Centres/Units: the Centre for Early Years Research, the Waikato Engineering Education Research Unit and the Waikato Research on Doctoral Education Unit.

For more information, visit the website: <https://www.waikato.ac.nz/wmier/>.

Centre for Educational Leadership Research (ELRC): Te Puna Rangahau o te Whiringa

The Centre for Educational Leadership Research seeks through its many activities to achieve excellence in the provision of research, development and support in professional leadership for educators nationally and internationally. The Centre caters for the diverse needs of many groups of educational leaders such as senior administrators, personnel officers, principals, head teachers, those in middle and senior management and aspirants to these positions. The Centre for Educational Leadership Research's activities are based on sound research and development practices, and are always developed in consultation with the client group so that specific needs are met. The Centre offers a consultancy service and also provides seminars and workshops, leadership network and international institutes, ranging from one hour to four weeks, depending on the requirements of the group.

For more information, visit the website: <http://edleadershipcentre.nz/>.

Centre for Environmental, Resources and Energy Law: Te Pūtahi o te Ture Taiāo (CEREL)

The Centre for Environmental, Resources and Energy Law Te Pūtahi o te Ture Taiāo facilitates teaching and research in fields of environmental law, natural resources law, and energy law. It has programmes of legal research under way in the fields of energy efficiency, carbon capture and storage, and geothermal energy. Its strategic intent is to conduct research in these and other fields as funding permits; to deliver training courses on suitable subjects; and to continue its engagement with undergraduate and postgraduate students.

For more information, visit the website: <https://www.waikato.ac.nz/law/research/centre-for-environment-resources-and-energy-law/>.

Te Pūtahi Mātauranga ki te Ao - Centre for Global Studies in Education (CGSE)

Te Pūtahi Mātauranga ki te Ao - The Centre for Global Studies in Education explores the educational dimensions of theories of globalisation and distinctive forms of global processes, interconnectivity, and intercultural education and dialogue on the model of open science, open education and open knowledge production. The Centre is hosted by the Wilf Malcolm Institute of Educational Research and it includes, but is not limited to, education policy and governance; global youth cultures and identities; gender, class and ethnic inequalities; education and development; global citizenship; the political economy of knowledge production and management. CGSE scholars have impressive international reputations and wide global networks. CGSE holds conference and symposiums around a broadly conceptualised area of research, publishing books and journals in the field, including the renowned books series *Global Studies in Education*, Peter Lang Publishers, New York. CGSE is involved in post-graduate education with a Masters level specialisation, Global Studies in Education and PhD studies.

For more information, visit the website: <https://www.waikato.ac.nz/globalstudies/home>.

Early Years Research Centre: He Kōhanga Toi Tangata

The Early Years Research Centre in the Wilf Malcolm Institute of Educational Research includes a group of scholars who have built a national and international reputation in the following three areas of research in the early years: pedagogy, policy and community connections. These areas form the three themes of the Centre's research programme. The Centre has a social justice agenda; it aims to make a difference for young children, early years teachers, families and whānau in Aotearoa New Zealand, undertaking robust research that influences policy and informs scholars worldwide. The Early Years Research Centre provides a coordinating and connecting function, creating a platform for ongoing and future research.

For more information, visit the website: <https://www.waikato.ac.nz/wmier/early-years-research/>.

International Centre for Terrestrial Antarctic Research (ICTAR)

The primary mission of the International Centre for Terrestrial Antarctic Research is to promote the protection of Antarctica through integrated international research into Antarctic terrestrial ecosystems, assuring New Zealand's continued leadership in this area. ICTAR aims to provide the science that will underpin the conservation, protection, and management of terrestrial ecosystems of the Ross Sea region. Its innovative interdisciplinary approach will help elucidate the status of the present biodiversity, and to predict the effects of multiple impacts on ecosystems. The Centre will interact closely with end-users, in particular government agencies, to identify and protect the present biodiversity of the Ross Sea region, to confidently assist in the management of environmental impacts, such as climate change, and to be able to do this in the highest international forums. The interdisciplinary nature of the Centre draws in current and prospective research talent from both the Faculty of Science and Engineering and the Faculty of Arts and Social Sciences (Geography). The Centre includes primary collaborators from Gateway Antarctica and the University of Canterbury, as well as researchers from more than nine countries.

For more information, visit the website: <https://ictar.aq/>.

Māori and Indigenous Governance Centre: Te Mata Hautū Taketake

The Māori and Indigenous Governance Centre is based in Te Piringa, Faculty of Law. The Centre embraces a best-team approach to research, involving collaboration, locally, nationally and internationally. The Centre focuses on research issues concerning Māori and Indigenous Peoples' governance, rights and responsibilities. It will promote Indigenous worldviews and sound governance and development principles in order to build Indigenous capacity, facilitate Indigenous involvement in governance at all levels, and develop quality outcomes for Māori and Indigenous Peoples.

For more information, visit the website: <https://www.waikato.ac.nz/law/research/centre-for-maori-and-indigenous-governance>.

Technology, Environmental, Mathematics and Science Education Research Centre: He Rangahau Toi Tangata

The Technology, Environmental, Mathematics and Science Education Research Centre (He Rangahau Toi Tangata) is a Centre within the Faculty of Education. It provides a focus for postgraduate teaching, research and development in technology, environmental mathematics and science education in the primary, secondary, and tertiary education sectors, as well as in commercial and community environments. The Centre is known throughout New Zealand and internationally for its innovative research and scholarship, and for its emphasis on the use of its research in the informing and development of policy, practice, curriculum and resources. The staff and students of the Centre work in close collaboration with researchers both nationally and internationally, with local schools and industry, and with other educational institutions.

For more information, visit the website: <https://education.waikato.ac.nz/tems/>.

Waikato Centre for Advanced Materials and Manufacturing (WaiCamm)

The Waikato Centre for Advanced Materials was established in 2002. The Centre's general goals are:

- to promote interdisciplinary collaboration among research groups from several schools at the University of Waikato in undertaking current research projects and in developing new research on advanced materials
- to organise workshops, seminars and research discussions on advanced materials on a regular basis
- to promote the research and postgraduate student training capabilities of the University of Waikato in the areas of materials, nationally and internationally
- to establish partnerships and strengthen linkages with New Zealand industry and other materials research groups in New Zealand and overseas

For more information, visit the website: <https://sci.waikato.ac.nz/research/centres-and-units/waicam>.

Canadian-New Zealand Studies Unit (CNZSU)

The Canadian-New Zealand Studies Unit was established in 2012 to foster research related to Canada, host visiting scholars, attract and support Canadian students to New Zealand and vice-versa, and enhance cultural and intellectual links between the two countries and is supported by the Canadian Government.

The CNZSU is hosted by Te Piringa - Faculty of Law but is a University-wide initiative. It is part of a network of Canadian Studies Centres and Canadian Studies Associations around the world and is affiliated to the Association of Canadian Studies in Australia and New Zealand (ACSANZ). The Unit seeks to interact with others throughout the country who are interested in the comparisons between Canadian and New Zealand experiences and expertise.

Beijing Union University China-New Zealand Tourism Research Unit

The objectives of the Research Unit;

1. To aid closer contacts between New Zealand and Chinese researchers and industry by:
 - co-operating in joint research projects
 - Supporting post graduate students in both China and New Zealand to undertake research and further their careers
 - Support exchange programs of staff and students
2. To aid industry by publicising research findings and making these publicly available through web pages where possible subject to issues of commercial confidentiality.
3. To undertake research that meets the needs of the tourism industries of both countries.
4. To work with industry and other stakeholders such as the New Zealand-China Friendship Associations to further the interests of the members of the Research Centre in research and association in ways that benefit both China and New Zealand and the development of tourism in a sustainable and ethical manner.

Coastal Marine Group (CMG)

The Coastal Marine Group carries out pure and applied multidisciplinary research in estuarine and coastal waters. Core group members reside in the School of Science within the Faculty of Science and Engineering but collaborate closely with associates in other disciplines across the University, nationally and internationally. Our research is focused on coastal processes with particular expertise in hydrographical surveys/habitat classification, coastal hydrodynamics and sediment transport (measurement and prediction) as well as seabed biodiversity and ecosystem functioning. Research is funded from a variety of sources including commercial companies, regional councils and Government agencies.

For more information visit the website: <https://sci.waikato.ac.nz/research/centres-and-units/cmj>.

Cyber Security Research Group (CROW)

The Cyber Security Researchers of Waikato (CROW) aims to return control of data-to-data owners, by focusing on research addressing data security from a user-centric perspective. With the emergence of cloud computing technologies and prevalent mobile device usage, we are witnessing the diminishing effectiveness of traditional cyber security approaches such as perimeter defence, intrusion detection and infrastructure hardening. To address this, CROW focuses on six major themes: Provenance, User-Centricity, Visualisation, Economics, Hardware, and Tools and Datasets. Together, these six themes empowers the return of control of data to users, thereby reducing reliance on third-party vendors or trust relationships commonly found in most cyber security contracts today.

For more information visit the website: <https://crow.org.nz/>.

Digital Library Group

The migration of information from paper to electronic media promises to change the whole nature of research and, in particular, the methods by which people locate information. The goal of the New Zealand Digital Library project is to explore the potential of internet based digital libraries. Our vision is to develop systems that automatically impose structure on fundamentally anarchic, uncatalogued, distributed repositories of information, thereby providing information consumers with effective tools to locate what they need and peruse it conveniently and comfortably.

For more information, visit the website: www.nzdl.org

Energy Informatics Group

Energy Informatics concerns the application of information technologies to improve the efficiency and effectiveness of energy utilisation, from source, through distribution, to consumption. The research of the Energy Informatics group includes (i) maximising the utilisation of energy when and where it is available, (ii) energy conservation – that is ensuring that energy is not used wastefully or unnecessarily, and (iii) end-use efficiency – ensuring that the energy we do use is used effectively.

For more information visit the website: <https://ei.cms.waikato.ac.nz/> .

Formal Methods Group

Established in 1998, this is the first Formal Methods laboratory in New Zealand. The work that goes on in this lab is based on the view that programming is at the heart of computer science. It is also based on the view that, as engineers and scientists, we should use the machinery of mathematics to model and reason about the systems that we build before we build them. This is in contrast with the view that programs should be written by trial and error (usually at great expense and with a high likelihood of failure, judged by current experience) with our users ironing out our mistakes for us at their expense. To this end, we are developing languages and tools for modelling systems, for reasoning about those models and for transforming them into code in a way that is guaranteed to preserve meaning and correctness. We do not want to build software that usually works – we want software that always works, and in the way intended by the requirements.

Human-Computer Interaction Group

The Human-Computer Interaction Group is the noble face of computer science. The discipline is concerned with designing, implementing and evaluating human-computer interface technologies over an ever-expanding range of applications and environments, as computer technology becomes increasingly pervasive. It involves understanding how computer technology can better fit user needs, and provides theories and tools to assist developers in making useful and usable systems.

For more information visit the website: <https://www.cs.waikato.ac.nz/research/hci/>.

Information Systems and Databases Group (ISDG)

Most of the computer applications you encounter today are in fact Information Systems, that means, systems that manage, store and deliver information to users. Examples are search engines like Google, ticket booking systems, or online stores. Exciting new kinds of applications that we look at in the ISDB group are mobile tourist information systems, memory-aid systems and systems that notify you about changes, eg, in web pages or online shops. Our latest projects are context-aware systems that deliver information to their users depending on a user's location, time of the day, task, or mood.

For more information visit the website: <https://isdb.cms.waikato.ac.nz/> .

Machine Learning Group

Machine learning is concerned with the task of automatically extracting useful information from data. The aim is to identify patterns that can be used to understand the domain from which the data was collected and to make predictions. Our team works on new, more efficient, algorithms for machine learning and data mining as well as new applications. We are well known for a software "workbench" called the Waikato Environment for Knowledge Analysis (WEKA), which contains a large number of machine learning techniques. WEKA is widely used for research, teaching, and commercial applications of machine learning.

Māori and Psychology Research Unit (MPRU)

The overall goal of the Māori and Psychology Research Unit is to provide a catalyst and support network for advancing research which has at its centre the psychological needs, aspirations, and priorities of Māori people. The MPRU research interests are firmly situated within the Māori development themes of community wellbeing, health and heritage. By networking and establishing ongoing working relationships with staff and students within the University, and in those Māori communities we engage with, the Unit has the capacity to draw together skilled and experienced interdisciplinary research groups able to deliver research of high quality. The Unit's general goals are:

- to provide a support structure which encourages Māori focused research in psychology
- to serve as a scholarly resource for staff and students
- to seek out new sources of research funding
- to promote the professional development of Māori researchers
- to provide a foundation for the teaching of psychology by enhancing availability and access to Māori focused research experience and products
- to disseminate research findings

For more information, visit the website: www.waikato.ac.nz/fass/subjects/psychology/mpru.

Thermophile and Microbial Biochemistry and Biotechnology Research Unit (TMBBU)

The Thermophile and Microbial Biochemistry and Biotechnology Research Unit carries out research primarily on microorganisms associated with extreme environments. The Unit coordinates fundamental and applied research at this University and elsewhere on thermophilic bacteria, genes and enzymes. Research is predominantly funded by research contracts and collaborations exist with many national and overseas laboratories.

Transport Research Group (TRG)

Transport affects many aspects of everyday life. In the multi-disciplinary Transport Research Group at the University of Waikato, we are interested in:

- how transport fosters a strong and sustainable economy;
- how transport can be maintained in a way that supports healthy environments;
- how drivers might respond to changes in vehicle technology; and
- how research findings might inform decision-making in government and industry.

We explore a wide range of different questions in our studies, such as:

- What are public perceptions of connected and autonomous vehicle technologies?
- What policy issues are barriers to more widespread uptake of electric vehicles?
- What are the differences between the ways engineers and the road-using public understand risk?
- How does infrastructure investment in ports contribute to economic development and welfare?
- How can in-vehicle cyber-security help people to access more of their own information about their mobility?

For more information, visit the website: <https://www.waikato.ac.nz/transport-research/>.

Waikato Applied Statistics Unit

The Waikato Applied Statistics Unit is attached to the Department of Mathematics and Statistics in the Faculty of Computing and Mathematical Sciences and serves to foster the development and effective use of statistical methods in research and industry. It carries out applied research, contributes to courses in applied statistics and supplies advice to University and external clients. A number of the Unit's activities in consulting, research and teaching are carried out in co-operation with local applied statisticians outside the University.

Waikato Engineering Education Research Unit (EERU)

The Waikato Engineering Education Research Unit has the objective of improving learning outcomes for engineering students. Its members come from the Faculty of Science & Engineering and the Faculty of Education. Collaborative research projects carried out by members of the Unit are designed to develop insights and expertise for curriculum innovation and teaching in engineering education.

For more information, visit the website: <https://www.waikato.ac.nz/wmier/engineering-education-research/>.

Waikato Gender Research Network (WGRN)

The Waikato Gender Research Network is a cross-discipline collective of staff and students within the University of Waikato who have shared research interests in gender related issues. We have members from a range of programmes, departments, schools and faculties. What unites us is a commitment to considering issues such as gender, sexuality, race, class, identities, feminism, difference, exclusion, and social justice.

The group, through meetings, workshops, seminars and other events, aims to provide opportunities and support for those undertaking projects concerned with these issues.

For more information, visit the website: <https://www.waikato.ac.nz/wgrn/>.

Waikato Public Law & Policy Research Unit

Te Piringa – Faculty of Law at the University of Waikato has an established tradition of outstanding scholarship in Public Law and Policy as demonstrated by the contributions of the Faculty’s founding Dean, Professor Margaret Wilson, and Professor Sir Grant Hammond. Today a significant number of Faculty members continue to have research interests in these fields focused on the Faculty’s founding principles of professionalism, biculturalism, and the study of law in context. Current work in the Faculty covers a wide range of common law jurisdictions, in addition to New Zealand and Pacific Island states, and extends from constitutional and administrative law and theory to giving effect to the principles of the Treaty of Waitangi and Māori and Indigenous governance. The Public Law & Policy Research Unit promotes the widest conception of Public Law and Policy, encompassing administrative law, charity and the regulation of civil society, constitutional law, criminal law and justice, and international law. It was established to fill a clear gap in the interrogation of these policy research areas in an integrated and holistic way.

For more information visit the website: <https://www.waikato.ac.nz/law/research/waikato-public-law-and-policy-research-unit>.

Waikato Radiocarbon Dating Laboratory

The Waikato Radiocarbon Dating Laboratory is a national radiocarbon research facility undertaking both Accelerator Mass Spectrometry Dating (AMS) and standard radiometric radiocarbon dating. For more than 30 years we have been providing radiocarbon assays for scientists and researchers from around the world and have been at the forefront of ground-breaking research into the technique and its application. Staff in the unit are actively involved in palaeoclimate and archaeological research and have a leading role in international calibration programmes. The facilities of the Waikato Radiocarbon Dating Laboratory are also available for external contract work.

For more information visit the website: <http://www.radiocarbondating.com/>.

Waikato Research on Doctoral Education Unit (RoDE)

The Waikato Research on Doctoral Education Unit brings together scholars who are conducting collaborative research into how to improve practice in the broad field of doctoral education. Its members engage in research into macro and micro level strategies for supporting doctoral research and writing excellence. At the macro level studies are investigating the processes of supervision, central university procedures, and the creation of new structures and forms for disseminating the completed theses. At the micro level research is examining thesis writing processes - the types of supports required for diverse student groups during and post thesis completion. The Unit is available for collaborative and external contract work and is keen to discuss opportunities for this.

For more information, visit the website: <https://www.waikato.ac.nz/wmier/doctoral-education-research>.

Waikato Stable Isotope Unit (WSIU)

The Waikato Stable Isotope Unit provides International Atomic Energy Agency accredited measurements of the ratios of the stable isotopes of carbon and nitrogen. The Unit has two automated isotope ratio mass spectrometers connected to dry combustion analysers that can handle 150 samples per day. Service is provided for staff, students and external users interested in tracing these isotopes in natural systems. The Unit also offers analyses of carbon and nitrogen content in plants, animals, soils, and water. Samples are received from laboratories in New Zealand and around the world for both collaborative and commercial work.

For prices and more information about sample preparation, visit the website:

<https://sci.waikato.ac.nz/research/centres-and-units/isotope>.

WAND Network Research Group (WAND)

The WAND Network Research Group undertakes research and consulting in computer and telecommunications networks. The Group has a particular specialisation in network measurement. The Group also has expertise in cyber security and modelling and simulation.

For more information, visit the website: <https://wand.net.nz/>.

Analytical Chemistry Services

The Faculty of Science and Engineering offers a variety of analytical chemistry services to external agencies. Facilities include: atomic absorption, infrared, ultra-violet, fluorescence, Raman and nuclear magnetic resonance (NMR) spectroscopy for both solution and solid-state including multi nuclear NMR; differential scanning calorimetry, particle sizing, and X-ray powder and single crystal diffraction. Gas chromatography with FID detection (GC-FID) and with mass spectrometric detection (GC-MS) and high performance liquid chromatography (HPLC) and ion chromatography are available as is an FTIR microscope. Further mass spectrometry options are available through the Waikato Mass Spectrometry Facility and natural abundance stable isotope and radiocarbon facilities are available within the Faculty of Science and Engineering (see below). There is equipment and expertise for sampling, analysis and geochemical/environmental interpretation of waters and sediments. A custom solution preparation service is offered.

For more information, visit the [Commercial Services](#) website.

Waikato DNA Sequencing Facility

The Waikato DNA Sequencing Facility (WDSF) offers DNA sequencing and fragment analysis services using an ABI 3130xl Genetic Analyzer and a Roche GS Junior. DNA sequencing and genotyping analysis are central to genetic research and studies in molecular biology; the WDSF enables researchers to determine nucleotide sequence information and perform high-resolution fragment profiling on genetic material from many sources.

The Facility serves a broad client base throughout private organisations and public institutions, both nationally and internationally.

For more information, visit the [Commercial Services](#) website.

Waikato Mass Spectrometry Facility

This facility is part of the School of Science within the Faculty of Science and Engineering. A range of mass spectrometry services is available to staff and students as well as to external institutions and industrial clients; these include High Resolution ToF MS, ICP-MS (with liquid or laser ablation sample introduction) and GC-MS.

For more information, visit the [Commercial Services](#) website.

Waikato Radiocarbon Dating Laboratory

The Waikato Radiocarbon Dating Laboratory is a national facility, offering radiocarbon dates by both radiometric methods (liquid scintillation spectrometry by Perkin Elmer Quantulus) and accelerator mass spectrometry. The Laboratory is funded from external commercial dating services and research grants (Marsden and MBIE), and supports School of Science/Division of Health, Engineering, Computing and Science (HECS) research programmes. Staff in the unit are actively involved in palaeoclimate and archaeological research and have a leading role in international calibration programmes.

For more information, visit the [Commercial Services](#) website.

Waikato Stable Isotope Unit

The Waikato Stable Isotope Unit provides International Atomic Energy Agency accredited measurements of the ratios of the stable isotopes of carbon, nitrogen and oxygen. The Unit has two automated isotope ratio mass spectrometers connected to dry combustion analysers that can handle 150 samples per day. Service is provided for staff and students interested in tracing these isotopes in natural systems. The Unit also offers analyses of carbon and nitrogen content in plants, animals, soils, and water. Samples are received from laboratories around the world for both collaborative and commercial work.

Candidates must also meet any specific requirements prescribed for the major in the relevant subject entry in the [University of Waikato Catalogue of Papers](#).
8. Candidates completing a single major may also complete a minor by gaining 60 points in any minor subject, including at least 30 points above 100 level. Candidates must also meet any specific requirements prescribed for the minor in the relevant subject entry in the [University of Waikato Catalogue of Papers](#).
9. Candidates may complete a second major in any undergraduate major.
10. To complete the requirements of a double major, candidates must gain 120 points in each major, including at least 90 points above 100 level, of which at least 45 points must be above 200 level. Candidates must also meet the specific requirements prescribed for each major in the relevant subject entry in the [University of Waikato Catalogue of Papers](#).
11. A paper completed towards the requirements of a major cannot be counted towards

the requirements of another major or a minor.

12.

Candidates must also complete at least 105 points from papers listed for the field of the Degree if completing a single major, or at least 120 points from papers listed for the field of the Degree if completing a double major, including:

(a) *for candidates enrolled in the Faculty of Arts and Social Sciences:*

Regulations for the Degree of Bachelor of Engineering with Honours (BE(Hons))

1. The *Personal Programmes of Study Regulations* apply in these regulations.

Admission

2. Candidates for the Degree must have qualified for admission to the University of Waikato and met any criteria set out in the *Criteria for Admission to Particular Qualifications*. Candidates should indicate by the mid-point of their second-year studies whether they wish to add the Diploma of Engineering Professional Practice to their studies, or intend to continue in the BE(Hons) alone.

Requirements for the Degree

3. The normal minimum period of enrolment for completion of the Degree is four years. If taking the DipEPP concurrently, it may be possible for students to complete over the summer of their fourth year of study.
4. Candidates must enrol in the Faculty of Computing and Mathematical Sciences or the Faculty of Science and Engineering and follow an approved programme of study.
5. Candidates must gain at least 480 points at 100, 200, 300, and 500 level, with at least 360 points above 100 level and at least 120 points at 500 level.
6. Candidates must complete the requirements of a specified programme.
 - (a) *Faculty of Computing and Mathematical Sciences specified programme*
 - Software Engineering
 - (b) *Faculty of Science and Engineering specified programmes*
 - Chemical and Biological Engineering
 - Civil Engineering
 - Electrical and Electronic Engineering
 - Environmental Engineering
 - Materials and Process Engineering
 - Mechanical Engineering
 - Mechatronics Engineering
7. To complete the requirements of a specified programme, candidates must pass the papers prescribed for that programme in the relevant subject entry in the University of Waikato Catalogue of Papers.

8. Candidates must also satisfy the Dean of Computing and Mathematical Sciences and the Dean of Science and Engineering that they have completed a minimum of 800 hours of industrial experience relevant to their specified programme. This may be achieved within the BE(Hons), using zero-point placement papers, or by concurrent enrolment in the DipEPP. Completed zero-point placements from the BE(Hons) cannot be credited towards the DipEPP if a student subsequently enrolls in that qualification.

Award of Honours

9. The Degree may be awarded with
- (a) First Class Honours, or
 - (b) Second Class Honours (first division), or
 - (c) Second Class Honours (second division), or
 - (d) Third Class Honours.
10. If awarded, the level of honours will be determined on the basis of the candidates' grades in the papers in Year 3 and 4 of the Engineering programme.

Variations

11. The Dean or delegated authority may vary or waive these regulations in individual cases.

Transitional Arrangements

12. These regulations apply to all new applicants for the BE(Hons) from 2018. Students who enrolled in the BE(Hons) prior to 2018 may complete under the regulations listed in the 2017 Calendar.

Master of Philosophy (MPhil)

The regulations below set down the requirements for award of the MPhil degree.

Formal policies and procedures related to enrolment and examination for the MPhil, along with information about administrative matters, are available from the [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Master of Philosophy (MPhil)

1. The Degree is awarded to candidates who have successfully completed approved and supervised research, and presented the results lucidly in a thesis which
 - (a) critically investigates an approved topic of substance and significance, and
 - (b) demonstrates expertise in the methods of research and scholarship, and
 - (c) displays intellectual independence, and
 - (d) makes an original contribution to the research area.
2. To qualify to enrol for the MPhil, an applicant must
 - (a) have qualified for the award of a New Zealand bachelors degree with honours or master's degree,¹ with at least second class honours (first division) or distinction, or for a qualification considered by the Academic Board to be equivalent, or
 - (b) have passed qualifying papers at a satisfactory level, and
 - (c) have demonstrated research experience, normally at least 30 points of research in an honours or master's degree, or significant professional research experience, or equivalent, or
 - (d) in exceptional circumstances have produced other evidence to the satisfaction of the Postgraduate Research Committee that he or she has adequate skills and knowledge to proceed with the proposed research.
3. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#). Students who have completed undergraduate

and/or master's study in English will normally be considered to have met the English Language Requirements.

4. Applicants for the MPhil must apply through the online [Application to Enrol](#).
5. Applications for admission to the MPhil and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
6. As one of the preconditions for the approval of an application, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the chosen topic.
7. For each MPhil candidate, the Dean of Te Mata Kairangi School of Graduate Research appoints a supervisory panel, each MPhil candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.
8. Candidates are required to maintain contact with their supervisory panel throughout the entire period of their enrolment in the degree.
9. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or termination.
10. Applicants approved to enrol in the MPhil by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the relevant Faculty and, subject to progress which meets expectations, pursue their research for
 - (a) one year, if they are enrolled on a full-time basis, or
 - (b) two years, if they are enrolled on a part-time basis or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
11. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for an extension of enrolment for a maximum period of twelve months full-time equivalent during their higher degree programme.
12. Candidates for the MPhil must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
13. Candidates are required to maintain continuous enrolment throughout the entire period of their degree.
14. Notwithstanding section 10 of these regulations, a candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.

15. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets Faculty expectations and/or comply with any regulations or policies which relate to enrolment for the Degree.
16. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
17. Candidates must provide evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#) .
18. An MPhil thesis may consist of the candidate's published or unpublished material, or a combination. All such materials have been produced within the term of enrolment.
19. Where an MPhil thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will normally be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's enrolment in the MPhil.
20. Where an MPhil thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
21. A candidate must indicate in the thesis any part that has been used or presented for any other degree.
22. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.
23. Where the MPhil thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
24. The Dean of Te Mata Kairangi School of Graduate Research appoints two examiners who are external to the University and not directly connected with the candidate or the candidate's research. At least one of the external examiners is based overseas. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research will appoint a third examiner.
25. The Dean of Te Mata Kairangi School of Graduate Research makes a final decision on the award of the Degree. On the basis of the final reports of the examiners, the Dean of Te Mata Kairangi School of Graduate Research may resolve

- (a) that the thesis be accepted in its present form as fulfilling the requirements for the degree of Master of Philosophy, or
- (b) that the thesis be accepted as fulfilling the requirements for the degree of Master of Philosophy subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiner, to the satisfaction of the chief supervisor, or
- (c) that the thesis be accepted subject to the candidate completing substantial amendments to the satisfaction of the examiner or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
- (d) that an oral examination of the candidate be conducted, and a further report, based on the oral examination, be provided by the examiners to the Dean of Te Mata Kairangi School of Graduate Research, or
- (e) that the thesis is not acceptable in its present form and will be returned to the candidate, who may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
- (f) that the candidate has failed to meet the required standard and that no degree be awarded.

26. A candidate will be permitted to revise and re-submit a thesis only once and only one oral examination will be held.
27. Applicants or candidates for the MPhil who wish to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee, or who have a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).
28. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee is required to report any decisions they make which fall outside of regulations to the Research Committee.

Note:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from students who have completed a professional master's degree will be considered on a case-by-case basis.*

Doctor of Philosophy (PhD)

The regulations below set down the requirements for award of the PhD degree.

Formal policies and procedures related to enrolment and examination for the PhD, along with information about administration matters, are available from the [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Doctor of Philosophy (PhD)

1. The Degree is awarded to candidates who have successfully completed approved and supervised research, and presented the results lucidly in a thesis which
 - (a) critically investigates an approved topic of substance and significance, and
 - (b) demonstrates expertise in the methods of research and scholarship, and
 - (c) displays intellectual independence, and
 - (d) makes a substantial original contribution to the research area.
2. To qualify to enrol for the PhD, an applicant must
 - (a) have qualified for the award of a New Zealand bachelors degree with honours or master's degree,¹ with at least second class honours (first division) or distinction, or for a qualification considered by the Academic Board to be equivalent, or
 - (b) have qualified for the degree of Master of Philosophy, or
 - (c) have enrolled for the degree of Master of Philosophy and demonstrated that he or she is able to transfer to the PhD, or
 - (d) have passed qualifying papers at a satisfactory level, and
 - (e) have demonstrated research ability, normally at least 30 points of research in an honours or master's degree, or significant professional research experience, or equivalent, or
 - (f) in exceptional circumstances have produced other evidence to the satisfaction of the Postgraduate Research Committee that he or she has adequate skills and knowledge to proceed with the proposed research.

3. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#). Students who have completed undergraduate and/or master's study in English will normally be considered to have met the English Language Requirements.
4. Applicants for the PhD must apply through the online [Application to Enrol](#).
5. Applications to enrol for the PhD and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
6. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the chosen research topic.
7. For each PhD candidate, the Dean of Te Mata Kairangi School of Graduate Research appoints a supervisory panel. Each PhD candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.
8. Candidates are required to maintain contact with their supervisory panel throughout the entire period of the enrolment in their degree.
9. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or termination.
10. Applicants approved to enrol in the PhD by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the relevant Faculty and, subject to progress which meets expectations, pursue their research for
 - (a) three years, if they are enrolled on a full-time basis, or
 - (b) six years, if they are enrolled on a part-time basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
11. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for an extension of enrolment for a maximum period of twelve months full-time equivalent during their higher degree programme.
12. Candidates for the PhD must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
13. Candidates are required to maintain continuous enrolment throughout the entire period of their degree.
14. Enrolment of all new candidates for the PhD approved by the Dean of Te Mata Kairangi School of Graduate Research is conditional for an initial period of six months if they are enrolled on a full-time basis or twelve months if they are enrolled on a part-time basis.

Confirmation of enrolment by the Dean of Te Mata Kairangi School of Graduate Research after the initial period is subject to the submission by the candidate of

- (a) an acceptable research proposal, and
- (b) a presentation of the proposed research to a confirmation of enrolment panel, and
- (c) evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#), and
- (d) a recommendation from the supervisors, Chair of School and Dean's nominee that the candidate proceed into unconditional enrolment.

15. If the candidate's enrolment is not confirmed within nine months of initial enrolment if they are enrolled on a full-time basis or eighteen months if they are enrolled on a part-time basis it will be terminated.
16. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
17. Notwithstanding section 10 of these regulations, a candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
18. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for an extension of enrolment for a maximum period of twelve months full-time equivalent during their higher degree programme.
19. The Dean of Te Mata Kairangi School of Graduate Research has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets Faculty expectations and/or comply with any regulations or policies which relate to enrolment for the Degree.
20. A PhD thesis may consist of the candidate's published or unpublished material, or a combination of both. All such materials must have been produced within the term of enrolment.
21. Where a PhD thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will normally be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's doctoral enrolment.
22. Where a PhD thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual

framework for the thesis, and a concluding chapter providing a synthesising discussion.

23. A candidate must indicate in the thesis any part that has been used or presented for any other degree.
24. Applicants who intend to integrate a creative practice component with their thesis must comply with the Requirements for PhD with a Creative Practice Component, available from Te Mata Kairangi School of Graduate Research.
25. Candidates must comply with the *Dissertations and Theses Regulations 2020* which set out the University's requirements with respect to the submission and presentation of theses.
26. Where the PhD thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
27. The Dean of Te Mata Kairangi School of Graduate Research appoints at least two examiners for the candidate's thesis who are external to the University and not directly connected with the candidate or the candidate's research. At least one of the external examiners is based overseas. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research will appoint a third examiner.
28. The Dean of Te Mata Kairangi School of Graduate Research makes a decision to proceed to oral examination based on the recommendations and reports of the examiners following the written examination.
29. In order for an oral examination of the candidate to be held at least two examiners should recommend that the thesis proceed to oral examination. The Dean of Te Mata Kairangi School of Graduate Research may resolve
 - (a) that the thesis should proceed to oral examination, does not require significant revisions;
 - (b) that the thesis should proceed to oral examination, revisions anticipated;
 - (c) that the thesis should not proceed to oral examination. The candidate should be asked to re-enrol for a minimum of 6 months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the thesis for re-examination;
 - (d) that the thesis should not proceed to oral examination and should not be accepted for the doctoral degree but is acceptable as fulfilling the requirements for the degree of Master of Philosophy (subject to amendments of a minor nature); or
 - (e) that the thesis should not proceed to oral examination and should not be accepted for the award of a doctoral degree.

30. The Dean of Te Mata Kairangi School of Graduate Research makes a final decision on the award of the Degree. On the basis of the final report of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research may resolve
- (a) that the thesis be accepted in its present form as fulfilling the requirements for the degree of Doctor of Philosophy, or
 - (b) that the thesis be accepted as fulfilling the requirements for the degree of Doctor of Philosophy, subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the thesis be accepted subject to the candidate completing amendments to the satisfaction of the examiners or chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks of the oral examination, or
 - (d) that the thesis is not acceptable in its present form and should be returned to the candidate, who may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
 - (e) that the thesis not be accepted for the degree of Doctor of Philosophy, but be accepted as fulfilling the requirements for the degree of Master of Philosophy, or
 - (f) that the candidate has failed to meet the required standard and that no degree be awarded.
31. A candidate may revise and re-submit a thesis only once and only one oral examination will be held.
32. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research at any time between enrolment and submission of the thesis to transfer from a PhD to an MPhil.
33. Applicants or candidates who wish to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research, or who have a concern about supervision or any other aspect of their candidature may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#), which can be found at the end of these Regulations.
34. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee is required to report any decisions they make which fall outside of regulations to the Research Committee..

Note:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from students who have completed a professional master's degree will be considered on a case-by-case*

basis.

Doctor of Education (EdD)

The regulations below set down the requirements for award of the EdD degree.

Formal policies and procedures related to enrolment and examination for the EdD, along with information about administration matters, are available from the [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Doctor of Education (EdD)

1. The Degree is awarded to candidates who have successfully completed a programme of coursework and research in two parts as follows:
 - 1.1 Part 1 - Research Portfolio
Candidates must gain a pass grade in the paper EDUCA995 EdD Research Portfolio.
 - 1.2 Part 2 - Thesis
Candidates must undertake approved and supervised research, and present the results lucidly in a thesis which
 - (i) critically investigates an approved topic of substance and significance, and
 - (ii) demonstrates expertise in the methods of research and scholarship, and
 - (iii) displays intellectual independence, and
 - (iv) makes a substantial original contribution to the research area.
2. To qualify to enrol for the EdD, applicants must have qualified for the award of a recognised teaching or allied professional qualification and must produce evidence of at least three years of competent service as an education practitioner. Applicants must also
 - (a) have qualified for the award of a New Zealand bachelors degree with honours or master's degree¹ with at least second class honours (first division) or distinction, or for a qualification

- (b) considered by the Academic Board to be equivalent, or have qualified for the award of the degree of Master of Philosophy, or
 - (c) have passed qualifying papers at a satisfactory level, and
 - (d) have demonstrated research experience, normally at least 30 points of research in an honours or master's degree, or significant professional research experience, or equivalent, or
 - (e) in exceptional circumstances have produced other evidence to the satisfaction of the Postgraduate Research Committee that he or she has adequate skills and knowledge to proceed with the proposed research.
- 3. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#). Students who have completed undergraduate and/or master's study in English will normally be considered to have met the English Language Requirements.
- 4. Applicants for the EdD must apply through the online [Application to Enrol](#).
- 5. Applications to enrol for the EdD and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
- 6. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the chosen topic.
- 7. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or termination.
- 8. Applicants whose applications to enrol for the EdD are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Faculty of Education and, subject to progress which meets expectations, pursue their coursework and research for
 - (a) three years, if they are enrolled on a full-time basis, or
 - (b) six years, if they are enrolled on a part-time basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
- 9. Enrolment is approved, in the first instance for:
 - (a) a maximum of one year in Part 1 and a maximum of three years in Part 1 and Part 2 if the candidate is registered on a full-time basis, or

- (b) a maximum of two years in Part 1 and a maximum of six years in Part 1 and Part 2 if the candidate is registered on a part-time basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
10. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for an extension of enrolment for a maximum period of twelve months full-time equivalent during their higher degree programme.
 11. Candidates for the EdD must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
 12. Candidates are required to maintain continuous enrolment throughout the entire period of their degree.
 13. Initial enrolment is in Part 1. When the Dean of the Faculty of Education has confirmed that candidates have passed Part 1 to the prescribed standards, candidates may apply for enrolment in Part 2.
 14. On the recommendation of the Dean of the Faculty of Education and on successful completion of a presentation about the proposed research to a confirmation of enrolment panel, candidates who have completed Part 1 but whose results are not yet confirmed may be permitted to apply to the Dean of Te Mata Kairangi School of Graduate Research for conditional enrolment in Part 2. Confirmation of enrolment by the Dean of the School of Graduate Research is subject to confirmation that the candidate has passed Part 1 to the prescribed standards.
 15. For each candidate who proceeds to Part 2 of the EdD, the Dean of Te Mata Kairangi School of Graduate Research appoints a supervisory panel. Each EdD candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.
 16. Candidates are required to maintain contact with their supervisory panel throughout the entire period of the enrolment in their degree.
 17. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
 18. Notwithstanding section 9 of these regulations, a candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
 19. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets Faculty expectations and/or comply with any regulations or policies which relate to enrolment for the Degree.
 20. Candidates must provide evidence of ethical approval or a statement confirming that it is

not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#) .

21. An EdD thesis may consist of the candidate's published or unpublished material, or a combination of both. All such materials must have been produced within the term of enrolment.
22. Where an EdD thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will normally be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's doctoral enrolment.
23. Where an EdD thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
24. Candidates must indicate in the thesis any component that has been used or presented for any other degree.
25. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.
26. Where an EdD thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
27. The Dean of Te Mata Kairangi School of Graduate Research appoints at least two examiners for the candidate's thesis who are external to the University and not directly connected with the candidate or the candidate's research. At least one of the examiners is based overseas. In the case of divergent examination outcomes, the Dean of the School of Graduate Research will appoint a third examiner.
28. The Dean of Te Mata Kairangi School of Graduate Research makes a decision to proceed to oral examination based on the recommendations and reports of the examiners following the written examination.
29. In order for an oral examination of the candidate to be held at least two examiners should recommend that the thesis proceed to oral examination. The Postgraduate Research Committee may resolve
 - (a) that the thesis should proceed to oral examination, does not require significant revisions;
 - (b) that the thesis should proceed to oral examination, revisions anticipated;

- (c) that the thesis should not proceed to oral examination. The candidate should be asked to re-enrol for a minimum of 6 months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the thesis for re-examination;
- (d) that the thesis should not proceed to oral examination and should not be accepted for the doctoral degree but is acceptable as fulfilling the requirements for the degree of Master of Education or Master of Philosophy (subject to amendments of a minor nature); or
- (e) that the thesis should not proceed to oral examination and should not be accepted for the award of a doctoral degree.

30. The Dean of Te Mata Kairangi School of Graduate Research makes a final decision on the award of the Degree. On the basis of the final report of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research will resolve

- (a) that the thesis be accepted in its present form as fulfilling the requirements of Part 2 for the EdD, or
- (b) that the thesis be accepted as fulfilling the requirements of Part 2 for the EdD subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
- (c) that the thesis be accepted as fulfilling the requirements of Part 2 for the EdD subject to the candidate completing substantial amendments to the satisfaction of all the examiners or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
- (d) that the thesis is not acceptable in its present form and be returned to the candidate, who may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
- (e) that the thesis is not acceptable for the EdD but should be accepted as fulfilling the requirements of the degree of Master of Education or Master of Philosophy, or
- (f) that the candidate has failed to meet the required standard and that no degree be awarded.

31. A candidate may revise and re-submit a thesis only once and only one oral examination will be held.

32. Candidates who have completed Part 1 of the Degree, but who have not qualified to proceed to Part 2 may apply to the Dean of the Faculty of Education to transfer to the

Postgraduate Diploma of Education.

33. Candidates may apply to the Dean of the Faculty of Education, at any time during Part 2 of the EdD before submission of the thesis, to transfer to the MEd.
34. Candidates may apply to the Dean of Te Mata Kairangi School of Graduate Research, at any time during Part 2 of the EdD before submission of the thesis, to transfer to the MPhil.
35. Applicants or candidates for the EdD who wish to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research, or who have a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).
36. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee is required to report any decisions they make which fall outside of regulations to the Research Committee.

Note:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from students who have completed a professional master's degree will be considered on a case-by-case basis.*

Doctor of Juridical Science (SJD)

The regulations below set down the requirements for award of the SJD degree.

Formal policies and procedures related to enrolment and examination for the SJD, along with information about administration matters, are available from the [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Doctor of Juridical Science (SJD)

1. The Degree is awarded to candidates who have successfully completed a programme of coursework and research in two parts as follows:
 - 1.1 Part 1 - Research Portfolio
Candidates must gain a pass grade in the paper LEGAL995 Research Portfolio.
 - 1.2 Part 2 - Thesis
Candidates must undertake approved and supervised research, and present the results lucidly in a thesis which
 - (i) critically investigates an approved topic of substance and significance, and
 - (ii) demonstrates expertise in the methods of research and scholarship, and
 - (iii) displays intellectual independence, and
 - (iv) makes a substantial original contribution to the research area.
2. To qualify to enrol for the SJD, applicants must
 - (a) have qualified for the award of a New Zealand bachelors degree with honours or master's degree¹ with at least second class honours (first division) or distinction, or for a qualification considered by the Academic Board to be equivalent, or

- (b) have qualified for the award of the degree of Master of Philosophy, or
- (c) have passed qualifying papers at a satisfactory level, and
- (d) have demonstrated research experience, normally at least 30 points of research in an honours or master's degree, or significant professional research experience, or equivalent, or
- (e) in exceptional circumstances have produced other evidence to the satisfaction of the Postgraduate Research Committee that he or she has adequate skills and knowledge to proceed with the proposed research.

3. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#). Students who have completed undergraduate and/or master's study in English will normally be considered to have met the English Language Requirements.
4. Applicants for the SJD must apply through the online [Application to Enrol](#).
5. Applications to enrol for the SJD and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
6. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the chosen topic.
7. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or termination.
8. Candidates whose applications to enrol for the SJD are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Faculty of Law and, subject to progress which meets expectations, pursue their coursework and research for
 - (a) three years, if they are enrolled on a full-time basis, or
 - (b) six years, if they are enrolled on a part-time basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time or part-time study.
9. Enrolment is approved, in the first instance for
 - (a) a maximum of one year in Part 1 and a maximum of three years in Part 1 and Part 2 if the candidate is registered on a full-time basis, or
 - (b) a maximum of two years in Part 1 and a maximum of six years in Part 1 and Part 2 if the candidate is registered on a part-time

basis, or

- (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.

10. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for an extension of enrolment for a maximum period of twelve months full-time equivalent during their higher degree programme.
11. Candidates for the SJD must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
12. Candidates are required to maintain continuous enrolment throughout the entire period of their degree.
13. Initial enrolment is in Part 1. When the Dean of the Faculty of Law has confirmed that candidates have passed Part 1 to the prescribed standards, candidates may apply for enrolment in Part 2.
14. On the recommendation of the Dean of the Faculty of Law and on successful completion of a presentation about the proposed research to a confirmation of enrolment panel, candidates who have completed Part 1 but whose results are not yet confirmed may be permitted to apply to the Dean of Te Mata Kairangi School of Graduate Research for conditional enrolment in Part 2. Confirmation of enrolment by the Dean of Te Mata Kairangi School of Graduate Research is subject to confirmation that the candidate has passed Part 1 to the prescribed standards.
15. For each candidate who proceeds to Part 2 of the SJD, the Dean of Te Mata Kairangi School of Graduate Research appoints a supervisory panel. Each SJD candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.
16. Candidates are required to maintain contact with their supervisory panel throughout the entire period of the enrolment in their degree.
17. Following enrolment, candidates enrolled for the SJD must submit six-monthly reports on the progress of their research work.
18. Notwithstanding section 9 of these regulations, a candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
19. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets Faculty expectations or comply with any regulations or policies which relate to enrolment for the Degree.
20. Candidates must provide evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or [Code of Ethical Conduct for the Use of Animals for](#)

Research Testing and Teaching 2014

21. An SJD thesis may consist of the candidate's published or unpublished material, or a combination of both. All such material must have been produced within the term of enrolment.
22. Where an SJD thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will normally be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's doctoral enrolment.
23. Where an SJD thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
24. Candidates must indicate in the thesis any component that has been used or presented for any other degree.
25. Candidates must comply with the *Dissertations and Theses Regulations 2020* which set out the University's requirements with respect to the submission and presentation of theses.
26. Where the SJD thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
27. The Dean of Te Mata Kairangi School of Graduate Research appoints at least two examiners for the candidate's thesis who are external to the University and not directly connected with the candidate or the candidate's research. At least one of the external examiners is based overseas. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research will appoint a third examiner.
28. The Dean of Te Mata Kairangi School of Graduate Research makes a decision to proceed to oral examination based on the recommendations and reports of the examiners following the written examination.
29. In order for an oral examination of the candidate to be held at least two examiners should recommend that the thesis proceed to oral examination. The Dean of Te Mata Kairangi School of Graduate Research may resolve
 - (a) that the thesis should proceed to oral examination, does not require significant revisions;
 - (b) that the thesis should proceed to oral examination, revisions anticipated;
 - (c) that the thesis should not proceed to oral examination. The candidate should be asked to re-enrol for a minimum of 6

months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the thesis for re-examination;

- (d) that the thesis should not proceed to oral examination and should not be accepted for the doctoral degree but is acceptable as fulfilling the requirements for the degree of Master of Laws or Master of Philosophy (subject to amendments of a minor nature); or
- (e) that the thesis should not proceed to oral examination and should not be accepted for the award of a doctoral degree.

30. The Dean of Te Mata Kairangi School of Graduate Research makes a final decision on the award of the Degree. On the basis of the final report of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research will resolve

- (a) that the thesis be accepted in its present form as fulfilling the requirements of Part 2 for the SJD, or
- (b) that the thesis be accepted as fulfilling the requirements of Part 2 for the SJD subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
- (c) that the thesis be accepted as fulfilling the requirements of Part 2 for the SJD subject to the candidate completing substantial amendments to the satisfaction of all the examiners or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
- (d) that the thesis is not acceptable in its present form and be returned to the candidate, who may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
- (e) that the thesis is not acceptable for the SJD but should be accepted as fulfilling the requirements of the degree of Master of Laws or Master of Philosophy, or
- (f) that the candidate has failed to meet the required standard and that no degree be awarded.

31. A candidate may revise and re-submit a thesis only once and only one oral examination will be held.

32. Candidates who have completed Part 1 of the Degree, but who have not qualified to proceed to Part 2 may apply to the Dean of the Faculty of Law to transfer to the Postgraduate Diploma of Law.

33. Candidates may apply to the Dean of the Faculty of Law, at any time during Part 2 of the

SJD before submission of the thesis, to transfer to the LLM.

34. Candidates may apply to the Postgraduate Research Committee, at any time during Part 2 of the SJD before submission of the thesis, to transfer to the MPhil.
35. Applicants or candidates for the SJD who wish to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research, or who have a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).
36. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee is required to report any decisions they make which fall outside of regulations to the Research Committee.

Note:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from students who have completed a professional master's degree will be considered on a case-by-case basis.*

Doctor of Musical Arts (DMA)

The regulations below set down the requirements for award of the DMA degree.

Formal policies and procedures related to enrolment and examination for the DMA, along with information about administration matters, are available from the [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Doctor of Musical Arts (DMA)

1. The Degree is awarded to candidates who have successfully completed a coherent programme of advanced performance and research in two interrelated parts as follows:
 - 1.1 *Part 1 - Performance*

Candidates must

 - (i) undertake supervised musical performance, and present one public recital in their first year, and
 - (ii) give two further public recitals during the course of their candidacy. The repertoire must be determined in consultation with the candidate's supervisory panel and may include a concerto, a leading role in an opera, a chamber music recital or Māori musical arts based performance, and
 - (iii) present a seminar on their proposed research during their second year of study, and
 - (iv) present a final research-based public recital, which will be of ninety minutes duration and which demonstrates performance skills at the highest professional levels, meeting internationally recognised standards for such work. This final recital must

be recorded to professional standards in audio-visual format.

1.2

Part 2 - Thesis

Candidates must undertake approved and supervised research that makes an original contribution to the field of knowledge relating to music performance and is presented in the form of a written thesis of no more than 35,000 words which,

- (i) critically investigates an approved topic of substance and significance relating to the candidate's examinable programme, and
- (ii) demonstrates expertise in the methods of research and scholarship, and
- (iii) displays intellectual independence, and
- (iv) makes a substantial original contribution to the research area.

2. To qualify to enrol for the DMA, applicants must
 - (a) have qualified for the award of a New Zealand Master of Music (MMus) degree, with at least second class honours (first division), or for a qualification considered by the Academic Board to be equivalent, and
 - (b) pass an audition.
3. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#). Students who have completed undergraduate and/or master's study in English will normally be considered to have met the English Language Requirements.
4. Applicants for the DMA must apply through the online [Application to Enrol](#). Their application must include an audition recording.
5. Applications to enrol for the DMA and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
6. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the chosen research topic.
7. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or

termination.

8. Candidates whose applications to enrol for the DMA are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Faculty of Arts and Social Sciences and, subject to progress which meets expectations, pursue their performance and research for
 - (a) three years, if they are enrolled on a full-time basis, or
 - (b) six years, if they are enrolled on a part-time basis, or
 - (c) a term approved by the Dean of the School of Graduate Research which represents a combination of full-time and part-time study.
9. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for an extension of enrolment for a maximum period of twelve months full-time equivalent during their higher degree programme.
10. Candidates for the DMA must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
11. Enrolment of all new candidates for the DMA approved by the Dean of Te Mata Kairangi School of Graduate Research is conditional for an initial period of six months. Confirmation of enrolment by the Dean of the School of Graduate Research after the initial period of six months is subject to the submission by the candidate of
 - (a) an acceptable research proposal, and
 - (b) evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities 2008](#), and
 - (c) a presentation of the proposed research to a confirmation of enrolment panel, and
 - (d) a recommendation from the supervisors, Chair of School and Dean's nominee that the candidate proceed into unconditional enrolment.
12. If the candidate's enrolment is not confirmed within nine months of initial enrolment if they are enrolled on a full-time basis or eighteen months if they are enrolled on a part-time basis it will be terminated.
13. Candidates are required to maintain continuous enrolment throughout the entire period of their degree.
14. For each DMA candidate the Dean of Te Mata Kairangi School of Graduate Research appoints a supervisory panel. Each DMA candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.
15. Candidates are required to maintain contact with their supervisory panel throughout the entire period of the enrolment in their degree.

16. Following enrolment, candidates enrolled for the DMA must submit six-monthly reports on the progress of their research work.
17. Notwithstanding section 8 of these regulations, a candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
18. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets Faculty expectations or comply with any regulations or policies which relate to enrolment for the Degree.
19. The DMA thesis may consist of the candidate's published or unpublished material, or a combination of both. All such materials must have been produced within the term of enrolment.
20. Where a DMA thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will normally be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's doctoral enrolment.
21. Where a DMA thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
22. Candidates must indicate in the thesis any component that has been used or presented for any other degree.
23. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.
24. Where the DMA thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
25. The Dean of Te Mata Kairangi School of Graduate Research appoints at least two examiners for the candidate's thesis who are external to the University and not directly connected with the candidate or the candidate's research. At least one of the external examiners is based overseas. In the case of divergent examination outcomes, the Dean of Te Mata Kairang School of Graduate Research will appoint a third examiner.
26. The final public recital will be attended by the New Zealand examiner and the recording of it submitted with the thesis. The thesis must be submitted within three months of the final public recital.

27. The Dean of Te Mata Kairangi School of Graduate Research makes a decision to proceed to oral examination based on the recommendations and reports of the examiners final public recital and written thesis.
28. In order for an oral examination of the candidate to be held at least two examiners should recommend that the work proceed to oral examination. The Dean of Te Mata Kairangi School of Graduate Research may resolve
- (a) that the candidate should proceed to oral examination, the work does not require significant revisions;
 - (b) that the candidate should proceed to oral examination, revisions of the work anticipated;
 - (c) that the candidate should not proceed to oral examination and be asked to re-enrol for a minimum of 6 months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the work for re-examination;
 - (d) that the candidate should not proceed to oral examination and their work should not be accepted for the doctoral degree but is acceptable as fulfilling the requirements for the degree of Master of Philosophy (subject to amendments of a minor nature); or
 - (e) that the candidate should not proceed to oral examination and their work should not be accepted for the award of a doctoral degree.
29. The Dean of Te Mata Kairangi School of Graduate Research makes a final decision on the award of the Degree. On the basis of the final report of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research will resolve
- (a) that the work be accepted in its present form as fulfilling the requirements for the DMA, or
 - (b) that the work be accepted as fulfilling the requirements for the DMA subject to the candidate undertaking minor amendments and/or correcting typographical errors to the thesis as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the work be accepted as fulfilling the requirements for the DMA subject to the candidate completing substantial amendments to the thesis, to the satisfaction of all the examiners or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
 - (d) that the work is not acceptable in its present form and should be returned to the candidate, who may revise it and re-submit it for examination after a re-enrolment for a minimum period of

six months, or

- (e) that the work is not acceptable for the DMA but should be accepted as fulfilling the requirements of the degree of Master of Philosophy, or
- (f) that the candidate has failed to meet the required standard and that no degree be awarded.

30. A candidate may revise and re-submit a thesis only once and only one oral examination will be held.
31. Candidates may apply to the Dean of Te Mata Kairangi School of Graduate Research, at any time during Part 2 of the DMA before submission of the thesis, to transfer to the Master of Philosophy.
32. Applicants or candidates for the DMA who wish to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research, or who have a concern about supervision or any other aspect of their candidature, may raise the matter under the [*Higher Degree Appeals and Complaints Regulations*](#).
33. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee is required to report any decisions they make which fall outside of regulations to the Research Committee.

Regulations for Higher Doctorates - the Degrees of Doctor of Laws (LLD), Doctor of Literature (DLit) and Doctor of Science (DSc)

Part 1 Eligibility

1. A higher doctorate, namely a Doctor of Laws, Doctor of Literature or Doctor of Science, may be awarded to a candidate who has successfully presented for examination a collection of work, or a specially composed thesis based on such work, which constitutes an original, substantial and distinguished contribution to scholarship and establishes the candidate as an international authority in the particular field of study.

Part 2 Application

2. An applicant for a higher doctorate must:
 - (a) be a graduate of the University of Waikato,
 - (b) or if not a graduate of the University of Waikato, must have qualified for the award of a degree from another New Zealand university or for a qualification considered by the Academic Board to be equivalent,
 - (c) or have a significant academic association with the University of Waikato, and
 - (d) be submitting work which is related to the current teaching and research expertise of the University of Waikato.
3. An application must be submitted to the Postgraduate Research Committee (through the Te Mata Kairangi School of Graduate Research) and include:
 - (a) a copy of the work on which the application is based,
 - (b) a short discourse on the nature of the work,
 - (c) a statutory declaration which states:
 - (i) in the case of co-authored work, the name(s) of the co-author(s) and the nature and extent of the applicant's particular contribution to the work
 - (ii) the details of any other qualification for which the work, in

whole or part, has been submitted.

(d) the application fee prescribed in the [Table of Fees and Charges](#) section of the University of Waikato Calendar.

4. The Postgraduate Research Committee has authority to determine whether an application meets the criteria set out in sections 2 and 3.
5. If the Postgraduate Research Committee determines that an application does not meet the criteria set out in sections 2 and 3, the applicant will be notified in writing and the Postgraduate Research Committee will take no further action with respect to the application.
6. If the Postgraduate Research Committee determines that an application meets the criteria set out in sections 2 and 3, the Chair of the Postgraduate Research Committee will consult confidentially with staff of the University who have academic expertise in the relevant field about whether, in their opinion, the work is likely to meet the criteria set out in section 1 and will report accordingly to the Postgraduate Research Committee.
7. On the basis of the consultations undertaken and reported under section 6, the Postgraduate Research Committee will determine whether the application should proceed to examination.
8. If the Postgraduate Research Committee determines that the application will not proceed to examination, the applicant will be notified in writing and the Postgraduate Research Committee will take no further action with respect to the application.
9. If the Postgraduate Research Committee determines that an application will proceed to examination, the candidate will be required to submit three further copies of the work on which the application is based, together with the examination fee prescribed in the [Table of Fees and Charges](#) section of the University of Waikato Calendar.

Part 3 Examination

10. Three examiners, at least two of whom are external to the University, will be appointed by the Postgraduate Research Committee, on the nomination of the Dean of the Faculty that it considers to be most closely aligned with the applicant's field of expertise.
11. Each examiner will submit an examiner's report and recommend either:
 - (a) that the degree be awarded, or
 - (b) that the degree not be awarded.
12. The Postgraduate Research Committee will consider the examiners' reports and recommendations and make a recommendation to the Research Committee as to whether the degree should be awarded.
13. The Research Committee has authority to decide whether the degree will be

awarded.

14. If the degree is awarded, one set of the relevant work will be retained by the University and placed in the Library.

Part 4 Re-Applications

15. An applicant who is not permitted to proceed to examination, or who is not awarded the degree, may not re-apply for a higher doctorate until a period of five years has lapsed since the first application and may re-apply only once.

Part 5 Provisions for Appeal to the Research Committee

16. An applicant or candidate for a higher doctorate who wishes to appeal a decision by the Postgraduate Research Committee in relation to the application or examination may do so in writing to the Research Committee.
17. An appeal may be made only on one or both of the following grounds:
- (a) that the process used to make the decision in relation to the application or examination was incorrect or unfair, or
 - (b) that the decision in relation to the application or examination was manifestly at odds with the information on which it was based.
18. An appeal lodged under section 16 must comprise a written statement of the circumstances of, and grounds for, the appeal, together with supporting evidence, if available, and must be lodged with the Secretary to the Research Committee (through the Research Office) not more than 21 days from the date of notification of the decision being appealed.
19. The Research Committee will hear and decide on the appeal.
20. The Chair of the Research Committee will ensure that no-one considering the appeal was a party to the original decision.
21. A decision by the Research Committee on an appeal lodged under section 16 will be notified to the candidate in writing and is final.

Part 6 Provisions for Appeal to the Academic Board

22. A candidate for a higher doctorate who wishes to appeal a decision by the Research Committee in relation to the award of the degree may do so in writing to the Academic Board.
23. An appeal to the Academic Board may be made only on one or both of the following grounds:
- (a) that the process used to make the decision in relation to the award of the degree was incorrect or unfair, or
 - (b) that the decision in relation to the award of the degree was manifestly at odds with the information on which it was based.

24. An appeal under section 22 must comprise a written statement of the circumstances of, and grounds for, the appeal, together with supporting evidence, if available, and must be lodged with the Secretary to the Academic Board (the Director of the Academic Office) not more than 21 days from the date of notification of the decision being appealed.
25. The Academic Board may delegate authority to hear and decide the appeal on its behalf to a sub-committee comprising:
 - (a) the Chair of the Academic Board (or nominee), and
 - (b) two members of the Academic Board.
26. The Chair of the Academic Board will ensure that no members of a sub-committee appointed under section 25 were party to the original decision.
27. A decision by, or on behalf of, the Academic Board on an appeal lodged under section 22 will be notified to the candidate in writing and is final.

Higher Degree Appeals and Complaints Regulations

Higher Degrees of the University of Waikato comprise the following degrees:

Master of Philosophy (MPhil)

Doctor of Education (EdD)

Doctor of Juridical Science (SJD)

Doctor of Musical Arts (DMA)

Doctor of Philosophy (PhD)

1. These regulations apply to applicants and candidates for higher degrees at the University of Waikato.
2. An applicant or candidate for a higher degree
 - (a) who has met the minimum requirements for admission, and for whom there is appropriate supervision available, but whose application for conditional enrolment is declined, or
 - (b) who has been accepted for conditional enrolment but whose subsequent application for confirmed enrolment is declined

may appeal this decision in writing to the Research

Committee.

3. Candidates for a higher degree who wish to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee in relation to their enrolment for the degree or in relation to its examination may appeal this decision in writing to the Research Committee.
 4. An appeal under section 2 or 3 must comprise a written statement of the circumstances of, and grounds for, the appeal, together with supporting evidence, if available, and must be lodged with the Secretary to the Research Committee not more than 21 days from the date of notification of the decisions.
 5. Where an appeal is lodged under section 2 or 3, the Research Committee may delegate authority to hear and decide on the appeal on its behalf to a sub-committee comprising:
 - (a) the Chair of the Research Committee (or nominee), and
 - (b) two members of the Research Committee
- The Chair of the Research Committee must ensure that none of those considering the appeal is a party to the original decision.
6. A decision by, or on behalf of, the Research Committee on an appeal lodged under section 2 or 3 is notified to the applicant or candidate in writing, and is final.
 7. Candidates for higher degrees who have a concern about supervision or any other aspect of their candidature (other than decisions in relation to enrolment for the degree or its examination) may, in the first instance, seek a resolution by raising the matter with their supervisor, Faculty/School postgraduate studies representative, or other relevant staff member (e.g. Chairperson of Department/School, Associate Dean (Postgraduate, Dean)) in their Faculty/School.
 8. Where it has not been possible to resolve the concern under section 7, the candidate may make a written complaint to the Chair of the Postgraduate Research Committee.

9. A written complaint under section 8 must include an appropriately detailed explanation of the concern, together with supporting evidence if available, and must be lodged with the Secretary to the Postgraduate Research Committee.
10. A decision by the Chair of the Postgraduate Research Committee with respect to a complaint under section 8 will be notified in writing to the candidate within 21 days of the receipt of the written complaint.
11. A candidate who wishes to appeal a decision by the Chair of the Postgraduate Research Committee under section 10 may do so in writing to the Research Committee.
12. An appeal under section 11 must comprise a written statement of the circumstances of, and grounds for, the appeal, together with supporting evidence, if available, and must be lodged with the Secretary to the Research Committee within 21 days of the date of notification of the decision.
13. Where an appeal is lodged under section 11, the Research Committee may delegate authority to hear and decide on the appeal on its behalf to a sub-committee comprising:
- (a) the Chair of the Research Committee (or nominee), and
 - (b) two members of the Research Committee
- The Chair of the Research Committee must ensure that none of those considering the appeal is a party to the original complaint.
14. A decision by, or on behalf of, the Research Committee on an appeal lodged under section 11 is notified to the candidate in writing and is final.

Regulations for the Certificate of Attainment in Academic English (CertAttainAcadEng)¹

Admission

1. Candidates for the Certificate of Attainment in Academic English must have achieved the equivalent of an academic IELTS overall score of 4.0 or higher.
2. Admission to the Certificate is subject to the approval of the Director of the Waikato Pathways College.
3. The level at which admission to the Certificate is approved will be determined by the Director of the Waikato Pathways College and will depend on the student's proficiency in written and spoken English.

Requirements for the Certificate

4. The Certificate of Attainment in Academic English is taught at five levels. Every candidate must enrol in the Waikato Pathways College and may complete one or more levels in sequence. The programme of study for each level comprises 43 points. Candidates will receive a Certificate of Attainment for each level passed.
5. Candidates who gain the required 43 points at Levels 4, 5, 6, 7 or 8 will be awarded the Certificate of Attainment in Academic English.
6. The prescription for each level of study for the Certificate is prescribed in the [Pathways Programmes](#) entry in the University of Waikato Catalogue of Papers.
7. The programme of every candidate is subject to the approval of the Director of the Waikato Pathways College.
8. Every candidate must complete to the satisfaction of the Academic Board such class work, practical work, assignments, tests, and oral and written examinations as may be required.

Credit Transfers

9. A candidate may apply for credit of one unspecified 100 level paper towards a bachelors degree in respect of the Certificate of Attainment awarded at Level 8. The application must be accompanied by the prescribed fee.

Notes:

1. *This Certificate is not offered in 2020.*

Regulations for the Certificate of Attainment in English Language (CertAttainEngLang)

Admission

1. There are no formal prerequisites for admission to the Certificate of Attainment in English Language.
