Important Notice

The information contained in the Calendar is correct at the time of publication. Certain information, and in particular that relating to fees, admission regulations and papers, is subject to a continuous process of review. The University therefore reserves the right to change its policies, procedures, statutes, regulations, papers and any other content of the Calendar at any time. Any alterations and amendments to the Calendar will be reflected in the web version, which is the authoritative version.

Unless specifically stated otherwise, all policies, procedures, statutes and regulations printed in the Calendar are effective from **1 January 2022** and supersede those in any prior Calendar. Matters

concerning enrolment and examinations apply to the academic year for which the student is formally enrolled for the relevant paper(s).

While in most cases there are no specific time limits for completing qualifications, over the years the degree structures and papers may change in response to developments in their areas. Occasionally core papers or requirements are changed or discontinued.

Candidates will have their overall programmes of study confirmed as meeting the requirements for the award of a qualification on the basis of the relevant regulations in the Calendar in their final year of study. However, if the regulations have changed since the candidate first enrolled for the qualification, the relevant Pro Vice-Chancellor or the Dean of the Faculty of Māori and Indigenous Studies, or equivalent, may decide in individual cases, under the [Personal Programmes of Study Regulations](#) and the [Delegation of Powers Statute](#), to vary or waive particular requirements. Students who are uncertain about whether papers passed under previous regulations will meet current requirements should consult the relevant Pro Vice-Chancellor or the Dean of the Faculty of Māori and Indigenous Studies, or equivalent.

Detailed transitional regulations will be printed in the Calendar from time to time if substantial changes are made to the structure of a particular qualification.

The University of Waikato Delegation of Powers Statute

1. Title

This is the University of Waikato Delegation of Powers Statute 2014.

2. Date of effect

(1) This Statute is effective from 1 January 2014.

(2) This Statute supersedes the University of Waikato Delegation of Powers Statute 2012.

3. Definitions

In this statute:

Academic Board means the University of Waikato Academic Board established by the Council under schedule 11, clause 18 of the Education and Training Act 2020

Council means the Council of the University of Waikato established under section 271 of the Education and Training Act 2020

staff means staff employed by the University of Waikato.

4. Purpose

(1) The purpose of this Statute is to set out the powers of delegation that exist in the University of Waikato under the Education and Training Act 2020, as set out in various policies, codes, regulations, committee constitutions and terms of reference, employment agreements and separate agreements made between the relevant parties.

(2) The powers of the Council and the Vice-Chancellor to delegate under this Statute are subject to the provisions of the Education and Training Act 2020

5. Delegations by the Council

- (1) The Council may from time to time delegate any of its functions or powers to the Vice-Chancellor or to a committee.
- (2) The Academic Board is established by the Council under schedule 11, clause 18 of the Education and Training Act 2020 to exercise powers delegated to it by the Council.
- (3) A delegation by the Council does not affect or prevent the performance of any function or the exercise of any power by the Council or affect the responsibility of the Council for the actions of the Vice-Chancellor or any committee under the delegation.

6. Delegations by the Vice-Chancellor

- (1) The Vice-Chancellor may from time to time delegate any of his or her functions or powers to the Academic Board.
- (2) The Vice-Chancellor may also from time to time delegate any of his or her functions or powers to staff, either
 - (a) as set out in the relevant employment agreements
 - (b) in separate agreements made with staff from time to time
 - (c) through the establishment of advisory committees to the Vice-Chancellor
 - (d) through the determination of codes, policies and regulations.
- (3) Where the function or power was originally delegated to the Vice-Chancellor by the Council, a delegation by the Vice-Chancellor under section 6(1) or (2) above is subject to the prior approval of the Council.
- (4) A delegation by the Vice-Chancellor does not affect or prevent the performance of any function or exercise of any power by the Vice-Chancellor, or affect the responsibility of the Vice-Chancellor for the actions of any staff member or committee under the delegation.

7. Delegations by the Academic Board and other committees

Where the Council or the Vice-Chancellor has delegated any functions or powers to the Academic Board or another committee, the Academic Board or other committee may, subject to the prior approval of the Council or the Vice-Chancellor, as the case may be, delegate those functions or powers to

- (a) a sub-committee, or
- (b) a staff member.

8. Details of Delegations

- (1) Delegations by the Council to the Vice-Chancellor are as set out in the Council's [Governance and Management Guidelines](#).
- (2) Delegations of functions and powers by the Council and the Vice-Chancellor to committees of the University, and by those committees to staff, are as set out in the constitutions and terms

of reference of those committees and published in the University of Waikato Committee Directory on the [Committees](#) page.

- (3) Delegations by the Council, the Academic Board and other committees and by the Vice-Chancellor through the determination of codes and policies are as set out in the provisions of those codes and policies and published in the [University of Waikato Official Information](#).
- (4) Delegations by the Vice-Chancellor to staff through the determination of regulations are as set out in the provisions of those regulations and published in the [University of Waikato Calendar](#).

9. Power to alter or revoke

The particular delegations made under this Statute may be altered or revoked at any time by the party that made that delegation at its sole discretion.

10. Reporting Requirements

- (1) The reporting requirements relating to the relevant delegated functions and powers are as set out in the particular policies, codes, regulations, committee terms of reference and staff agreements, and must be followed.
- (2) If no such reporting requirements exist, the staff member or committee to whom a function or power has been delegated must report as instructed by the party that delegated it.

11. Monitoring

- (1) Responsibility for monitoring the performance of functions and exercise of powers by the Vice-Chancellor under delegation by the Council rests with the Council.
- (2) Responsibility for monitoring the performance of functions and exercise of powers by staff under delegation by the Vice-Chancellor rests with the Vice-Chancellor.
- (3) The Assistant Vice-Chancellor (Executive) is responsible for ensuring that
 - (a) the University's committee framework provides for systematic reporting by committees against their delegated functions and powers as required in their terms of reference, and by staff to whom delegations have been made by those committees
 - (b) a programme of systematic monitoring of policy and regulatory compliance is in place in accordance with delegations of powers set down in the University's policy and regulatory frameworks.

Vice-Chancellor's Special Powers

1. The Vice-Chancellor may give such direction, or make such provision as they think fit for the relief of undue hardship where it is shown to their satisfaction
 - (a) that an alteration or amendment to statutes or regulations involving a change in a course of study or in examination requirements has caused a student hardship, or
 - (b) that official advice has been given and acted upon, and it is later found that a student's programme of study is not in accordance with the governing regulations and hardship would be caused if the student were to be compelled to comply with the full requirements of the regulations.
2. The Vice-Chancellor may, in consultation with the relevant Head of School, Director or equivalent, give such direction or make such provision as they think fit where it is shown to their satisfaction that an unusual and particular case has arisen concerning a student's enrolment, in consideration of which no relevant provisions or regulations currently apply.
3. The Vice-Chancellor will report to the Academic Board any decisions made under these special powers.
4. A student may appeal to Council against a decision by the Vice-Chancellor under these special powers.
5. The Council decides appeals and makes any provisions that it considers appropriate.

Qualification Regulations

These regulations apply to candidates beginning their studies in 2022. Candidates who first enrolled in a qualification prior to 2022 are eligible to complete that qualification either under the regulations which applied at the time of first enrolment or the regulations which apply at the time of re-enrolment. Candidates who are resuming their studies for a qualification after an extended absence are advised to consult the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies concerned at the time of re-enrolment regarding the requirements for completion. However, where there have been significant changes in the structure of a qualification or content of the major or specified programme during the candidate's absence, the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may prescribe a specific programme of study which will be deemed to satisfy the requirements for completion of the qualification.

Personal Programmes of Study Regulations

These regulations apply to candidates beginning their studies in 2022. Candidates who first enrolled in a qualification prior to 2022 are eligible to complete that qualification either under the regulations which applied at the time of first enrolment or the regulations which apply at the time of re-enrolment. Candidates who are resuming their studies for a qualification after an extended absence are advised to consult the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies concerned at the time of re-enrolment regarding the requirements for completion. However, where there have been significant changes in the structure of a qualification or content of the major or specified programme during the candidate's absence, the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may prescribe a specific programme of study which will be deemed to satisfy the requirements for completion of the qualification.

1. Title

These are the Personal Programmes of Study Regulations 2012.

2. Date of effect

These regulations are effective from 1 January 2013.

3. Delegation of powers

The powers and authority of the Academic Board referred to in these regulations have been delegated in certain matters under the [Delegation of Powers Statute 2014](#).

4. Definitions

In these regulations

paper means a segment of work in a particular subject and is identified by means of a unique code number. Papers are delivered through lectures, tutorials, practicals and such other coursework as may be required by the department concerned

programme of study means the selection of papers taken by a candidate in any one academic year for a particular qualification

equivalent papers are in effect the same papers, one of which was taught in the past with a different paper code

restricted papers share a significant amount of common content. Candidates may therefore receive credit for only one of the papers listed. Restricted papers may not necessarily be used to satisfy prerequisite or corequisite requirements

a **prerequisite** must be passed before a candidate may enrol in the paper for which the prerequisite is specified. (A paper for which a Restricted Pass (RP) has been awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the other paper is offered approves otherwise)

a **corequisite** must be taken either prior to or concurrently with the paper for which the corequisite is specified

internal assessment means all or some of the following: essays, assignments and reports of various kinds, practical work, work in tutorials and/or seminars and tests

a **field** means a general area of academic study that includes a number of related subjects

a **subject** is a grouping of papers with a common academic theme, defined in terms of the listings under individual subject headings in the University of Waikato [Catalogue of Papers](#). A department may offer more than one subject

a **major** means a principal area of study a candidate has chosen for a bachelors degree and is selected from those listed in the relevant degree regulations. A candidate is required to take a defined and substantial number of papers in the major at a range of levels up to and including 300 or 400 level

a **minor** means an additional subject to the major and is a requirement of some bachelors degrees

a **supporting subject** means an additional subject to the major, usually of at least 60 points in a single minor subject

a **specialisation** means a recognised pathway within a qualification or major which provides an area of focus within the qualification or major

points is the term used to express the student workload of a paper or programme. A normal full-time academic year comprises 120 points or 1.0 EFTS (Equivalent Full-time Student)

5. **Application**

These regulations apply to undergraduate certificates, undergraduate diplomas, bachelors degrees, bachelors with honours degrees, graduate certificates, graduate diplomas, postgraduate certificates, postgraduate diplomas, masters degrees and individual paper credits.

6. **Admission and re-entry**

(1) In order to be eligible to be enrolled at the University of Waikato, candidates must meet the

requirements of Section 255 of the Education and Training Act 2020.

- (2) The criteria for admission to the University of Waikato in a given year are determined by the Council and are set out in the [Admission Statute 2016](#).
- (3) The criteria for admission to a particular qualification in a given year are determined by the Academic Board and are set out in the [Criteria for Admission to Particular Qualifications](#) and the qualification regulations.
- (4) To ensure that a candidate is adequately prepared for a graduate qualification, the Academic Board will require relevant papers in the relevant subject or subjects of the qualifying bachelors degree to have been passed at grades which it deems appropriate.
- (5) Candidates are usually required to have majored in their bachelors degree in the main subject to be presented for a graduate degree. This requirement may be waived in cases where no more than one or two papers in a given subject are proposed to be incorporated into the candidate's graduate degree.
- (6) In exceptional circumstances, based on academic merit, candidates who have no more than 30 points left to complete the requirements of a qualifying degree may be permitted to enrol in a graduate degree, provided that they have completed all of the requirements of the major or main subject of the qualifying degree. The graduate degree will not be deemed to have been completed until the qualifying degree has also been completed.
- (7) The Academic Board may approve limitations on enrolment for programmes or papers due to insufficiency of staffing or resources. Limitations and the criteria for selection are published in the [Limitations Statute](#).
- (8) A candidate who has been awarded a particular qualification in one major or subject may only be re-admitted to the same qualification in another major or subject.
- (9) The criteria for re-entry for returning students are determined by the Academic Board and are set out in Part 3 of the [Criteria for Admission to Particular Qualifications](#).
- (10) In addition, the Academic Board may decline to re-enrol a candidate whose progress during the preceding year or years has not been to the satisfaction of the Academic Board.

7. Enrolment in a programme of study

- (1) The Academic Board may prescribe qualifying or additional papers which must be passed by a candidate either prior to, or concurrently with, the minimum requirements for a qualification. Qualifying or additional papers may be required if the candidate is considered by the Academic Board to be inadequately prepared in a core subject area.
- (2) Enrolment in a programme of study or paper is subject to the approval of the Academic Board. Such approval will be determined on the basis of the candidate's academic background as well as staffing and resources.
- (3) The personal programme of study of every candidate is subject to the approval of the Academic Board.
- (4) The papers for qualifications and their prescriptions are defined in the University of

Waikato [Catalogue of Papers](#). Before enrolling for a paper, candidates must meet any requirements specified in the relevant prescription unless approved otherwise by the Academic Board.

- (5) Particular regulations governing qualifications may be varied or waived by approval of the Academic Board.

8. **Maximum student workload**

- (1) The normal maximum full-time student workload for an academic year (excluding C trimester) is 120 points.
- (2) For the purposes of calculating workload, a paper that runs for the duration of two full trimesters has a workload equivalent to half of its points value during each of the trimesters in which it is taught.
- (3) The normal maximum full-time student workload for C trimester is 45 points.
- (4) Approval of the Academic Board is required for a candidate to enrol in a programme of study which has a workload equivalent to more than the normal maximum full-time workload.

9. **Completion of a qualification**

- (1) The minimum requirements for the completion of a qualification are defined in the relevant regulations.
- (2) With the approval of the Academic Board, a candidate may be permitted to complete the requirements of a qualification in less than the minimum period of enrolment prescribed in the relevant regulations. Approval will depend on the candidate's academic record and on the availability of suitable teaching and supervision arrangements.

10. **Eligibility for Honours or Distinction**

In order to qualify for Honours or Distinction in a particular qualification, a candidate may be required to complete the requirements within a prescribed time period of first enrolling for the qualification.

11. **Dissertations and theses**

- (1) The [Dissertations and Theses Regulations 2020](#) governing the presentation of dissertations and theses apply in these regulations and any dissertation or thesis required for a graduate qualification must be presented in accordance with these regulations.
- (2) Enrolment in a dissertation or thesis, or a qualification which requires the completion of a dissertation or thesis, is subject to the availability of a suitable supervisor for the dissertation or thesis.
- (3) For dissertations and theses, one or more supervisors will be appointed by the Academic Board. If the chief supervisor is also an examiner of the dissertation or thesis, at least one other examiner (who is not also a supervisor) will be appointed.
- (4) A dissertation or thesis must embody the results obtained by the candidate in an investigation

relating to some branch of the subject or subjects being presented, or, with the approval of the Academic Board, shall take some other form proposed by the candidate's supervisors and approved by the relevant Head of School or Dean concerned. The chief supervisor or sole supervisor will be required to certify that the dissertation or thesis embodies the candidate's own work carried out under the supervisor's direct supervision.

(5) Dissertations and theses are assessed in terms of the points value they represent.

12. **Date for submission of dissertations, theses and research reports**

- (1) The deadline for the submission of any dissertation or research report will be 4.00pm on the last working day of the paper occurrence which completes the candidate's enrolment in the total points required for the dissertation or research report.
- (2) The deadline for the submission of any thesis will be 11.59pm on the last day of the paper occurrence which completes the candidate's enrolment in the total points required for the thesis.
- (3) Candidates who expect that they will not submit their dissertation, thesis or research report by the due date may apply to the relevant Head of School or Dean or delegated authority for an extension of time without the requirement for re-enrolment, provided that the application for an extension is lodged prior to the deadline for submission.
- (4) Extensions will not normally be awarded for periods of more than 21 days beyond the relevant due date.
- (5) Candidates who do not submit their dissertation, thesis or research report by the due date, and who have not applied for and been awarded an extension, will be required to re-enrol for a minimum period to be determined by the relevant Head of School or Dean or delegated authority and will be liable for a further payment of tuition and any other fees and charges for the period of re-enrolment.

13. **Resubmission of dissertations and theses**

- (1) A dissertation or thesis for a graduate qualification that receives a narrow fail may be returned to the candidate with the offer of an opportunity to revise and re-submit. The decision to offer such an opportunity is at the discretion of the relevant Head of School or Dean and is based on a number of factors, including the likelihood that the revision will be successful, and the availability of suitable supervisors and examiners.
- (2) An offer by a Head of School or Dean under subsection 13(1) of these regulations will be in writing, and any conditions attached to the offer will be explicit. The period allowed for the revision will be no more than the equivalent of one trimester and the deadline for submission will be prescribed. If the offer to revise and submit is accepted, the candidate will be eligible to receive a maximum grade of C and, in the case of a masters degree, will not be eligible for the award of Honours.
- (3) A candidate's acceptance of an offer to revise and re-submit and associated conditions must be in writing. The candidate must then re-enrol for the equivalent of one trimester and pay fees accordingly. For administrative and fees purposes, the candidate will enrol for the

particular enrolment period in which the deadline for re-submission falls.

- (4) A 'provisional fail' is recorded against the first dissertation or thesis enrolment for the period of revision. The 'provisional fail' grade is replaced by a final grade (either a fail grade or a C grade, depending on the outcome), after the revision and re-examination processes are concluded.
- (5) The opportunity to revise and re-submit a particular dissertation or thesis may be offered to a candidate only once.

14. **Credit - transfer credit and cross credit**

- (1) **Transfer credit** means credit towards a University of Waikato qualification for papers passed at another tertiary institution.
- (2) **Cross credit** means credit towards a University of Waikato qualification for papers passed towards another University of Waikato qualification.
- (3) A candidate who has passed papers at an appropriate level at the University of Waikato or another tertiary institution may apply for credit in respect of those papers towards a University of Waikato qualification.
- (4) Applications for credit must be submitted on the online qualification application, together with the prescribed fee.
- (5) Applications for credit from another institution must be accompanied by a verified copy of an academic record. If the original document is not in English, the academic record must be accompanied by an official English translation of the record. The University reserves the right to request an original copy of an academic record.
- (6) The policy on the level and amount of credit which may be awarded from a completed qualification is determined by the Academic Board and is set out below:
 - (a) Credit from a completed qualification is normally only available towards a bachelors degree.
 - (b) Credit is not normally awarded from a completed graduate or postgraduate qualification.
 - (c) Credit from a completed qualification will normally be limited to no more than one third of the completed qualification.
 - (d) Credit towards a University of Waikato bachelors degree from a completed qualification will normally be limited to no more than one third of the University of Waikato degree. For the purposes of this regulation, one third of a bachelors degree is considered to be 120 points at 100 and 200 levels, including a maximum of 60 points at 200 level. Where appropriate, the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may, at their discretion, permit 20 further points at 100 or 200 level to be credited towards a four-year bachelors degree where the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies deems a paper to be relevant to the candidate's programme of study.
 - (e) Credit will not normally be awarded for 300 or 400 level papers required for a major in an

undergraduate degree.

(f) No paper may count towards more than two qualifications.

- (7) The decision to award credit in individual cases will be made by the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies.
- (8) In making decisions on credit, the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies will consider the relevance and level of the papers completed, the regulations of the University of Waikato qualification concerned, and the credit guidelines maintained by the Student Services.
- (9) Regardless of the total number of papers which an applicant has passed at other institutions, the total credit awarded will not be more than half of the total requirement of the University of Waikato qualification concerned, unless this is approved under subsections 14(10) or 14(11) of these regulations.
- (10) In individual cases, the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies or delegated authority may vary subsection 14(9) of these regulations and award credit for up to two thirds of the University of Waikato qualification concerned.
- (11) In individual cases, the Education Committee, under delegated authority of the Academic Board, may award credit for more than two thirds of a University of Waikato qualification, or for more than half of an undergraduate degree that includes 300 and/or 400 level papers for a major.
- (12) Applicants wishing to appeal a Pro Vice-Chancellor's or the Dean of the Faculty of Māori and Indigenous Studies decision on credit may apply to the Director of Student Services.
- (13) The consideration of an appeal will involve the Pro Vice-Chancellor or the Dean of the Faculty of Māori and Indigenous Studies concerned being requested to reconsider the decision. Further appeals against the outcome of a reconsideration will be referred to the Education Committee for consideration on behalf of the Academic Board.

15. Completion of a University of Waikato qualification at another New Zealand university

A candidate who, based on the assessment of the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies, has completed the major part of a qualification at the University of Waikato and then moved to another district may, in some cases, complete the University of Waikato qualification by taking the remaining papers at another university in New Zealand. Prior approval of the specific papers, in writing, must be obtained from the Director of Student Services of this University and the prescribed charge paid. The candidate must advise the Registrar of the other university of the purpose of the enrolment and the papers concerned must be taken on a Certificate of Proficiency (COP) basis at that university. The candidate's academic record will not be transferred.

16. Completion of a qualification of another New Zealand university at the University of

Waikato

A candidate who has completed the major part of a qualification at another New Zealand university may, in some cases, be permitted by that university to complete the qualification by passing specified papers at the University of Waikato. Any such approval must be given in writing by the 'home' university and the candidate will take the papers concerned on an Individual Paper Credit (IPC) basis at the University of Waikato. The candidate's academic record will not be transferred.

The University of Waikato

Te Whare Wānanga o Waikato is committed to academic quality, research excellence and innovative teaching programmes. It prides itself on maintaining internationally relevant, globally significant research and degree programmes while remaining very much a university that keeps the needs of the Waikato and Bay of Plenty the regions at the forefront.

The University of Waikato is distinct from other universities because the Hamilton campus is located on land returned to Waikato-Tainui following the tribe's 1995 settlement with the government. The Tauranga campus, which was opened in early 2019, is situated on Ngāi Tamarāwaho land. This distinctiveness is underpinned by the University's commitment to working in partnership with Waikato-Tainui and the iwi of Tauranga Moana specifically and through the Treaty of Waitangi to all iwi.

Vice-Chancellor Professor Neil Quigley is leading the University through a new phase of development. This includes strengthening programmes to meet national and international skills shortages, addressing global issues, such as water quality, indigenous studies and cyber security, and enhancing teaching and research quality in health and high performance sport.

Research is a key focus for the University. Students are taught in research-intensive environments by experienced lecturers, and much importance is placed on fostering an active research community and producing critical-thinking, future-focused graduates who are globally aware.

The University is the tertiary partner of the Avantidrome in Cambridge and the Adams Centre for High Performance in Mount Maunganui. Staff and postgraduate students based in these facilities work closely with High Performance athletes and the community, to enhance their performance.

The University campus in Tauranga works with tertiary partners in the Bay of Plenty region, Toi Ohomai Institute of Technology and Te Whare Wānanga o Awanuiārangi, to deliver study

programmes and research activity that provide students with pathways to lifelong learning. Tauranga is also home to the University's Coastal Marine Field Station where staff and students undertake research to enhance water quality, increase kaimoana stocks, and improve the environmental impacts on marine life.

The University of Waikato stands proudly on the world stage as an institution providing a future-focused internationally-relevant education and plays an active part in global research. The latest Quacquarelli Symonds (QS) World University Rankings, place Waikato 331st and was among the top 24% of institutions ranked by QS, with nine subjects ranked in the top 300. In the Times Higher Education (THE) world rankings, Waikato sits in the 401-500 band, fourth in New Zealand.

The University also ranks highly for student satisfaction. The International Student Barometer survey showed more than 90% of international students surveyed who studied at the University of Waikato were satisfied with their experience and over 80% would recommend the University of Waikato to others. International students were particularly satisfied with the University's response to Covid-19, with over 90% of students rating this positively.

Part of the University's success is due to the high priority it places on student pastoral care. The development and wellbeing of every student is an important dimension of the institution's uniqueness. Staff have a strong reputation for excellence and take an innovative approach to student support. Staff have a track-record of effectiveness for supporting students as they transition to university study.

While the University of Waikato has renowned strength in the teaching and research of te reo Māori and tikanga Māori, its Māori teaching and research expertise can also be found across the various disciplines including Māori psychology, business, education, law, social sciences, science and computer science.

The Māori student communities on campus are vibrant and are key contributors to campus events, and there are many University programmes and activities dedicated to supporting Māori student achievement and success.

Over the past few years, the University implemented a new curriculum, which was reviewed and revitalised to ensure teaching continues to be relevant to student, employer and societal needs. As a result, work-integrated learning programmes and compulsory work experience are now included in all undergraduate degrees.

Helping to support students making the transition to university-level study is the University's Study Advising programme which is designed to help new students over their first year of undergraduate study. Every first year student is automatically allocated a dedicated staff member – a Study Advisor. Most Study Advisor's will be from the student's main area of study, but all have roles aimed at helping students to succeed in their study goals.

The University of Waikato is dedicated to supporting student success. Along with the Study Advising Programme, we have a variety of pastoral services, that are available to students to help them achieve their educational goals.

Divisions, Faculties and Schools of Studies

The University's academic units comprises the Division of Arts, Law, Psychology and Social Sciences; Division of Health, Engineering, Computing and Science; Division of Education; Division of Management; Faculty of Māori and Indigenous Studies; and the University of Waikato College.

Te Wānanga o Ngā Kete Division of Arts, Law, Psychology and Social Sciences

The division incorporates three Schools (Arts, Psychology and Social Sciences) and the Faculty of Law, as well as two research institutes, Te Ngira National Institute for Population Research and Te Puna Haumarū The New Zealand Institute for Security and Crime Science. Programmes of study are informed by expertise across the Division and our unique blend of disciplines enables students to engage with research leaders who collaboratively address issues of local and global importance.

Our graduates are flexible, self-directed, excellent communicators, and innovators for change. Programmes incorporate explicit path-ways into the workforce as well as to higher degrees. We offer a wide range of qualifications from undergraduate certificates, diplomas and degrees through to masters and doctorate degrees. Academic excellence is the cornerstone of teaching and learning in programmes that develop students' essential skills and expertise, as well as fostering analytical and critical thinking and social responsibility.

Te Kura Toi School of Arts provides teaching and research focused on understanding the human condition, the unique ways we experience the world, and the different forms of culture manifested from our ingenuity, imagination, resourcefulness and intellectual creativity. Research covers areas including languages and linguistics, music, dance, theatre and screen and media.

Te Kura Whatu Oho Mauri School of Psychology teaches a wide range of psychology paths, from neuroscience to social science. Psychology is offered as a subject under several qualifications at undergraduate and postgraduate level with specialist graduate pathways including professional

qualification in clinical psychology. Research in the school has a strong and diverse profile, extending across areas of the discipline with specific research units in Learning, Behaviour and Welfare, Māori and Psychology, and Transport.

Te Kura Aronui School of Social Sciences actively promotes the University's core motto 'For the People'. Through a wide range of subjects and qualifications from undergraduate to postgraduate level, social sciences encourage critical thinking and the analysis of how individuals and groups in society relate to each other. The School's researchers cover disciplines including Anthropology, Geography, Environmental Planning, History, Philosophy, Political Science, Social and Public Policy, Sociology and Social Work.

Te Piringa Faculty of Law's founding goals of professionalism, biculturalism, and the study of law in context attract an exciting and diverse group of staff and students. Research in the Faculty is distinctive and firmly based on New Zealand and its place in the wider international community and world economy. The Faculty provides an innovative, student-focused Bachelor of Laws (LLB) degree and a BA in Law which is a non-practising qualification in a stimulating academic environment. The Faculty offers two LLM programmes, MPhil, PhD, SJD and LLD degrees, and, in conjunction with the Waikato Management School, the Graduate Diploma in Dispute Resolution. The Diploma in Law is also offered as a qualification for those who wish to gain legal knowledge to advance employment and career development.

Te Ngira Institute for Population Research is the only national institute of demographic and population-focused research in Aotearoa New Zealand. It undertakes research that helps inform choices and responses to the demographic, social and economic interactions that are shaping Aotearoa New Zealand's future, and offers a major and postgraduate qualifications in population studies.

Te Puna Haumarū The New Zealand Institute for Security and Crime Science engages in research and teaching that aims to prevent and reduce crime, and to increase our security and safety. We achieve these aims by bringing together disciplines from across the university, including computer science, data analytics, economics, engineering geography, law, management, Māori and indigenous studies, political science, psychology, sociology, social policy, and others. We are a partner in the Evidence-Based Policing Centre, and work with a variety of other agencies. From 2021 we are offering our first undergraduate papers in Security and Crime Science.

Division of Health, Engineering, Computing and Science

Te Huataki Waiora School of Health provides qualifications that offer students who are passionate about health, hauora and wellbeing the opportunity to develop knowledge and skills to enhance the lives of individuals and communities. By bringing together expertise from across the university, we have designed programmes of study that are dynamic, challenging and informed by the latest research. Students have the opportunity to explore new ideas and ways of looking at issues that impact wellbeing and performance outcomes, which will prepare them to move into a wide range of employment opportunities. We work closely with partners across the community — such as local

DHBs, Sport NZ and regional sports trusts, iwi, community health organisations, and high performance sport — to ensure we are at the forefront of innovation in the health, human performance, and sports sectors. These collaborative partnerships provide both our students with exciting opportunities to bring the latest theories and practices to life.

Within this context of Te Huataki Waiora Nursing Programmes are accredited by the New Zealand Nursing Council. They provide a responsive and contemporary approach to professional qualifications that lead to registration as a nurse, postgraduate and advanced specialty qualifications and doctoral research. These programmes reflect the priorities of the Waikato and Midland Region incorporating bicultural principles, mental health, lifespan and the care continuum.

The **School of Engineering** offers the full range of professional engineering programmes from the traditional disciplines of Civil, Mechanical, Chemical and Biological, Electrical and Electronic, and Materials and Process Engineering, to the developing areas of Software, Mechatronics¹, and Environmental² Engineering. Undergraduate programmes are available in the Bachelor of Engineering with Honours (BE(Hons)), the Diploma in Engineering Management, and Certificate in Engineering Professional Practice. Five of the programmes are fully accredited by Engineering New Zealand and the Washington Accord.

Graduate degrees, which may be awarded with Honours, include Master of Engineering and Master of Engineering Practice. The Master of Philosophy and Doctor of Philosophy are also available, along with a range of graduate and post-graduate certificates and diplomas.

The School of Engineering also provides strong research-led education, with over 65 students enrolled in Masters and Doctorate degrees. The school hosts five world-class research groups in Advanced Materials and Manufacturing (WaiCMM); Robotics, Automation & Sensing (WaiRAS); Resilient Infrastructure & Sustainable Construction (WaiRISC); Energy System Integration (ESI); and Water & Resilience, with combined external funding over over \$40 million.

Notes:

¹ *Mechatronics will seek provisional accreditation in 2022.*

² *Environmental received provisional accreditation in 2021.*

The **Rorohiko me ngā Pūtaiao Pāngarau School of Computing and Mathematical Sciences** provides a stimulating environment of quality teaching programmes and world-class research, producing graduates well-matched for the challenges of the contemporary and future workplace.

The School of Computing and Mathematical Sciences offers qualifications in design, computer science, software engineering, mathematics, and data analytics. At undergraduate level, the degrees available are the four-year Bachelor of Computing and Mathematical Sciences with Honours, the three-year Bachelor of Science, and the three-year Bachelor of Design. Students interested in software engineering can study towards a four-year Bachelor of Engineering with Honours in Software Engineering.

Advanced degrees offered within the School include the Bachelor of Science with Honours, the

Bachelor of Design with Honours, the Master of Science, the Master of Science (Research), the Master of Design, the Master of Cyber Security, the Master of Information Technology, the Master of Philosophy, and the Doctor of Philosophy. Certificate and diploma programmes at undergraduate, graduate and postgraduate level are also available.

Te Aka Mātuatua School of Science offers a unique interdisciplinary environment with degree programmes across life sciences, earth sciences, chemistry and physics. Undergraduate degrees consist of the Bachelor of Science and the Bachelor of Science (Technology). Graduate degrees, which may be awarded with Honours, include the Master of Science, Master of Science (Research) and Master of Science (Technology). The Master of Philosophy, and the Doctor of Philosophy are also available as well as a range of graduate and postgraduate certificates and diplomas.

The School of Science provides strong research-led education, and has more than 270 students enrolled in masters and doctorate degrees. The School hosts two research institutes and several research centres including: The Environmental Research Institute, and Te Waiora (the Joint Institute for Freshwater Management, hosted jointly with NIWA), the International Centre for Terrestrial Antarctic Research, the Centre for Biodiversity and Ecology Research. The School also hosts the Waikato Radio Carbon Dating Laboratory.

Division of Education

Te Kura Toi Tangata School of Education provides degree programmes in teacher education, social sciences in education, educational leadership, disability and inclusion, counselling, human development, digital learning and education and society. It distinguishes itself among other education schools through its tradition and reputation for innovation, leadership and research.

The School was the first teachers' college of education in New Zealand to merge with a university, the first to offer a teacher education programme online, and the first to offer a masters degree in initial teacher education.

The School has a strong commitment to research-informed practice with two institutes: the Wilf Malcolm Institute of Educational Research (WMIER) and the Institute of Professional Learning (IPL); and four research centres: the Early Years Research Centre (EYRC), the Centre for Educational Leadership Research (CELR), the Centre for Global Studies in Education (CGSE); and the Technology, Environmental, Mathematics, and Science Education Research Centre (TEMS).

Te Kura Toi Tangata School of Education offers a portfolio of qualifications at undergraduate, graduate, and postgraduate levels. Three- and four-year degree programmes in teacher education, along with one-year graduate and postgraduate diploma programmes in teacher education, prepare competent, knowledgeable and critically reflective beginning teachers. These programmes have Teaching Council New Zealand approval, enabling graduates to register as teachers in New Zealand. A range of specialist postgraduate certificates, diplomas and masters degrees provide qualified teachers with programmes that are practice-related and designed for professionals. The School also offers a Bachelor of Social Sciences with majors in Digital Learning, Education and Society and Human Development involving critical inquiry into the theories and practices of lifelong education and

the study of human development across the life span. Counsellor Education programmes take a distinctive orientation emphasising what are often called narrative approaches in counselling and therapy. The Master of Counselling is approved by the New Zealand Association of Counsellors.

Division of Management

Te Raupapa Waikato Management School is respected nationally and internationally for its influential practice, practical programmes, relevant research and focus on connecting students with businesses. The School's strategic areas of expertise - leading through innovation and responsible management - are integrated into its research, teaching and management. Strong international relationships mean that teaching and research reflect global best business practice, while an engaged alumni and close links with the business community expose students to real-world challenges and employment opportunities. Waikato Management School students graduate with the essential business skills and knowledge to become private and public sector leaders. They think critically, carefully and creatively, and act responsibly and ethically.

The School is a member of an elite group of business schools that have earned "Triple Crown" status - the leading international acknowledgment of excellence in business education, and testament to the quality of the qualifications the School offers. It is accredited by AACSB International (the US-based Association to Advance Collegiate Schools of Business), the world's longest established assessor of business education, EQUIS (EFMD Quality Improvement System) and AMBA (The Association of MBAs). Only 1% of the world's business schools have met the strict standards of all three accreditation bodies and earned this distinction of excellence.

Waikato Management School offers a wide range of business education at all levels of study.

Te Pua Wānanga ki te Ao, Faculty of Māori and Indigenous Studies

Te Pua Wānanga ki te Ao the **Faculty of Māori and Indigenous Studies** teaches Māori and Indigenous Studies, Te Reo Māori, and Pacific and Indigenous Studies. These subjects can be taken as a major or minor within a BA or BSocSc, or for a diploma or certificate. The Diploma in Te Tohu Paetahi is a one year fulltime Māori language immersion programme taught in a whānau-orientated environment. At the postgraduate level, the Faculty offers the Bachelor of Arts with Honours, Master of Arts, Master of Social Sciences, MPhil, PhD, and a number of graduate and postgraduate certificates and diplomas.

The Faculty is world-renowned for its strength in research and teaching. Our academics have national and international academic profiles; several have won teaching and research awards, three service on the Waitangi Tribunal, many have won prestigious research funding, and in 2019 we hosted the largest Indigenous Studies conference in the world. Students can benefit from this expertise by pursuing research at masters and doctoral levels with us. A number of Faculty scholarships are available for all level of study, including a scholarship to study overseas for a trimester.

University of Waikato College

Te Kura Huanui University of Waikato College (operated at the University of Waikato by Study

Group) offers a wide range of programmes for both New Zealand and international students. These include the teaching of English in general, academic and specialised contexts, preparation for undergraduate and postgraduate study, as well as a range of short course programmes for international groups. In addition to its English language programmes, the College delivers domestic student and international student foundation programmes including the Certificate in University Preparation and the Certificate of Attainment in Foundation Studies. Higher level programmes include the International Diplomas (first year Bachelor degree programmes) and the Diploma in Postgraduate Preparation (Pre-Masters Programme). The College also operates one of New Zealand's largest IELTS test centres.

The University's Commitment to the Treaty of Waitangi

The direction and goals which underpin the University's commitment to Māori and the Treaty of Waitangi are outlined in the University Strategy and Māori Advancement Plan. The general areas of priority include:

- building on the University's reputation for making a unique and significant contribution to the educational success of Māori;
- enhancing the teaching and research capacity of Māori academic staff, with a focus on leadership and academic excellence;
- providing a distinctive University of Waikato experience for both staff and students which draws on kaupapa Māori and the heritage of our region;
- positioning the University as a leader in research relevant to the needs and aspirations of iwi and Māori communities.

As reflected in our Charter and Vision, the University has been committed to the Treaty of Waitangi from the outset. We are determined to build on this commitment and on our reputation as a leader in partnership with Māori - to further enhance the relevance and value of the University to Māori communities and to the nation as a whole.

Important Notice

The information contained in the Calendar is correct at the time of publication. Certain information, and in particular that relating to fees, admission regulations and papers, is subject to a continuous process of review. The University therefore reserves the right to change its policies, procedures, statutes, regulations, papers and any other content of the Calendar at any time. Any alterations and amendments to the Calendar will be reflected in the web version, which is the authoritative version.

Unless specifically stated otherwise, all policies, procedures, statutes and regulations printed in the Calendar are effective from **1 January 2023** and supersede those in any prior Calendar. Matters

concerning enrolment and examinations apply to the academic year for which the student is formally enrolled for the relevant paper(s).

While in most cases there are no specific time limits for completing qualifications, over the years the degree structures and papers may change in response to developments in their areas. Occasionally core papers or requirements are changed or discontinued.

Candidates will have their overall programmes of study confirmed as meeting the requirements for the award of a qualification on the basis of the relevant regulations in the Calendar in their final year of study. However, if the regulations have changed since the candidate first enrolled for the qualification, the relevant Pro Vice-Chancellor or the Dean of the Faculty of Māori and Indigenous Studies, or equivalent, may decide in individual cases, under the [Personal Programmes of Study Regulations](#) and the [Delegation of Powers Statute](#), to vary or waive particular requirements. Students who are uncertain about whether papers passed under previous regulations will meet current requirements should consult the relevant Pro Vice-Chancellor or the Dean of the Faculty of Māori and Indigenous Studies, or equivalent.

Detailed transitional regulations will be printed in the Calendar from time to time if substantial changes are made to the structure of a particular qualification.

Admission Statute

1. Title

This is the Admission Statute 2016.

2. Date of effect

This statute is effective from 1 January 2017.

3. Application

This statute applies to those seeking admission to the University of Waikato at undergraduate level and higher (100 - 900 levels). It does not apply to those seeking admission to non-assessed or sub-degree level papers or qualifications.

4. General

- (1) Unless approved otherwise by the Academic Board, a person who will be under 16 years of age on the first day of the trimester in which he or she wishes to enrol is not eligible for admission.
- (2) Unless approved otherwise by the Academic Board, a person who is enrolled for full-time instruction in a secondary school or area school is not eligible for admission.
- (3) Subject to the [Limitations Statute](#) and any academic criteria that may apply with respect to particular papers or qualifications, a person may qualify for admission under any of the following provisions:
 - (a) University Entrance
 - (b) Discretionary Entrance
 - (c) Special Admission

(d) Admission at entrance level with credit based on previous tertiary study.

(4) In addition to qualifying under section 5 of this statute, the person must also meet the particular academic criteria set out

(a) in the case of undergraduate qualifications, in the [Criteria for Admission to Particular Qualifications](#)

(b) in the case of graduate and postgraduate qualifications, in the regulations for the relevant qualification.

5. University Entrance

University Entrance means

(a) From 2015:

(i) NCEA Level 3,

(ii) a minimum of 14 credits at Level 3 or higher on the National Qualifications Framework, in each of three approved subjects, and

(iii) the numeracy requirements of a minimum of 10 credits at Level 1 or higher on the National Qualifications Framework, made up of achievement standards and/or unit standards specified by NZQA, and

(iv) the literacy requirement¹ of a minimum of 10 credits at Level 2 or higher on the National Qualifications Framework, made up of:

5 credits in reading, and

5 credits in writing from a list specified by NZQA.

(b) From 2005-2014:

(i) A minimum of 42 credits at Level 3 or higher on the National Qualifications Framework,

including a minimum of 14 credits at Level 3 or higher in each of two subjects from an approved list, with a further

14 credits at Level 3 or higher taken from one or two additional domains or approved subjects

(ii) and the numeracy requirements of a minimum of 14 credits at Level 1 or higher in Mathematics or Pāngarau on the National Qualifications framework

(iii) and the literacy requirement of a minimum of 8 credits at Level 2 or higher which show reading and writing skills in English or te reo Māori are required.¹

(c) From 1993 to 2004: Higher School Certificate and a C grade or higher in each of three New Zealand University Entrance, Bursaries and Scholarships (NZUEBS) subjects; or an A or B bursary

- (d) A qualification recognised by the New Zealand Qualifications Authority for University Entrance purposes
- (e) From 1986 to 1992: a D grade or higher in each of four NZUEBS subjects
- (f) Before 1986: the University Entrance qualification (by accreditation or examination).

6. Discretionary Entrance

- (1) From 2005: A person who has undertaken NCEA at Level 3 in three or more approved subjects (in the same year) and failed to gain University Entrance is not eligible to be considered for Discretionary Entrance until the B trimester of the following year.
- (2) Admission will be at the discretion of the University, with the proviso that a person who has undertaken Year 13 study beyond 1 June at a New Zealand secondary school may normally not be admitted under the Discretionary Entrance provisions before July in the following year.²
- (3) Otherwise, a person who will be at least 16 years of age and under 20 years of age on the first day of the trimester of enrolment who does not meet the University Entrance standard, but
 - (a) is a citizen or permanent resident of New Zealand or Australia³, and
 - (b) has received secondary schooling to at least New Zealand Year 12 level (or its equivalent overseas) and earned at least 14 credits in an approved subject at Level 2 towards NCEA (or its equivalent), and
 - (c) has met the literacy and numeracy standards required for University Entrance, or their equivalents,
may apply for Discretionary Entrance.
- (4) Approval of an application for Discretionary Entrance is based on
 - (a) the applicant's submission
 - (b) the proposed programme of study
 - (c) the applicant's past academic achievements, and
 - (d) a statement from an adviser (such as a school principal or a University Student Recruitment Adviser) as to the applicant's preparedness for university study.
- (5) A person who wishes to apply for Discretionary Entrance must do so as part of the formal enrolment application.
- (6) Applications for Discretionary Entrance are considered and decided by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
- (7) If Discretionary Entrance is approved, the prescribed fee is payable by the student at enrolment.

- (8) A person whose application for Discretionary Entrance is declined by the relevant Pro Vice-Chancellor or the Dean of the Faculty of Māori and Indigenous Studies may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
- (9) A person whose application for Discretionary Entrance is declined by the Deputy Vice-Chancellor Academic may make a further appeal to the New Zealand Qualifications Authority.
- (10) A person studying at a New Zealand secondary school who is attempting to qualify for University Entrance may apply for Discretionary Entrance in the same year for the purpose of enrolling in papers offered by the University. Any person admitted under this regulation who does not subsequently meet the University Entrance standard during the period enrolled at the University will be required to withdraw from the University and may re-apply for admission at mid-year. Any papers passed during the period enrolled at the University will not be credited to a qualification until a University Entrance qualification is gained.

7. **Special Admission**

- (1) Applicants are eligible to be considered for Special Admission if they will be at least 20 years of age on the first day of the trimester for which they are applying to enrol.
- (2) In exceptional cases, an applicant who does not hold a university entrance qualification and who will not be 20 by the first day of the trimester for which admission is sought, may apply for special admission. In assessing whether to grant special admission in exceptional cases, the primary focus will be on the applicant's level of preparedness for university study.
- (3) Approval of an application for Special Admission is based on
 - (a) the applicant's submission
 - (b) the proposed programme of study
 - (c) the applicant's past academic achievements, and
 - (d) evidence of the applicant's preparedness for university study.
- (4) A person who wishes to apply for Special Admission must do so as part of the formal enrolment application.
- (5) Applications for Special Admission are considered and decided by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
- (6) A person whose application for Special Admission is declined by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.

8. **Admission at entrance level or with credit from previous study**

- (1) A person may qualify for admission at entrance level, or with credit, on the basis of

- (a) having been awarded a qualification which is deemed to be equivalent to University Entrance
 - (b) having completed previous tertiary study.
- (2) A person who wishes to apply for admission under subsection 8(1) of this statute must do so as part of the formal enrolment application.
 - (3) If admission at entrance level or with credit from previous tertiary study is approved, the prescribed fee is payable by the student at enrolment.
 - (4) Applications for admission at entrance level or with credit from previous tertiary study are considered and decided by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
 - (5) A person whose application for admission under subsection 8(1) of this statute is declined by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
 - (6) A person whose application for admission at entrance level is declined by the Deputy Vice-Chancellor Academic may make a further appeal to the New Zealand Qualifications Authority.

9. **Delegation of powers**

The powers and authority of the Academic Board referred to in this statute have been delegated in certain matters under the [Delegation of Powers Statute 2014](#).

10. **Report to the Education Committee**

The Deputy Vice-Chancellor Academic must submit an annual report to the Education Committee providing an overview of admission appeal decisions made during the relevant year, together with any consequent recommendations with respect to the Admission Statute.

Notes:

- 1. *The University of Waikato Certificate of Studies: English at Level 2 or Level 3 is recognised as meeting the literacy requirements of NCEA.*
- 2. *In special circumstances, the Chair of the CUAP Sub-Committee on University Entrance may permit persons who do not fulfil section 6(3)(b) or 6(3)(c) of these regulations to apply for Discretionary Entrance.*
- 3. *Australian applicants' most recent year of schooling must have been in New Zealand.*

Part 1 Admission to Bachelors Degrees¹

1. Admission to the

Bachelor of Arts (BA)

Bachelor of Business (BBus)

Bachelor of Business Analysis (BBA)

Bachelor of Climate Change (BCC)

Bachelor of Communication (BC)

Bachelor of Computing and Mathematical Sciences with Honours (BCMS(Hons))

Bachelor of Design (BDes)

Bachelor of Environmental Planning (BEP)

Bachelor of Health (BHealth)

Bachelor of Health, Sport and Human Performance (BHSHP)

Bachelor of Science (BSc)

Bachelor of Science (Technology) (BSc(Tech))

Bachelor of Social Sciences (BSocSc) degrees

Applicants for the above degrees must fulfil the academic criteria listed below:

1.1 University Entrance²

Applicants who have achieved University Entrance through NCEA will be accepted into the degrees listed above.

1.2 Discretionary Entrance³

Applicants will normally be granted Discretionary Entrance if they have gained a total of at least 80 credits in NCEA at Level 2 in four subjects equivalent to the approved subjects for University Entrance in NCEA at Level 3, with a minimum grade of Merit in at least half of the achievement standards for each subject. Applicants must also have satisfied the numeracy and literacy requirements of University Entrance.

Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser.

1.3 Special Admission

Applicants will be considered on a case by case basis. Applicants 20 years old and over by the beginning of their programme of study will be accepted, except those that are clearly insufficiently prepared for academic study. Preference may be given to applicants who have successfully completed appropriate University of Waikato College bridging programmes.

1.4 Admission at entrance level or with credit from previous study for

Bachelor of Arts (BA)

Bachelor of Design (BDes)

Bachelor of Environmental Planning (BEP)

Bachelor of Health (BHealth)

Bachelor of Health, Sport and Human Performance (BHSHP)

Bachelor of Media and Creative Technologies (BMCT)

Bachelor of Science (BSc) with respect to the majors listed under section 6(b) of the Bachelor of Science regulations

Bachelor of Science (Technology) (BSc(Tech))

Bachelor of Social Sciences (BSocSc) degrees

1.4.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

1.4.2 *Admission from the University of Waikato Certificate of Attainment in Foundation*

*Studies, or equivalent*⁴

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the qualifications listed above provided that they have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

1.4.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation with no less than a C- grade in any paper will be accepted¹ into the qualifications listed above.

Applicants not satisfying this requirement will be assessed on a case by case basis.

1.5 **Admission at entrance level or with credit from previous study for Bachelor of Business (BBus)**

Bachelor of Science (BSc) with respect to the majors listed under section 6(a) of the Bachelor of Science regulations, degrees

1.5.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

1.5.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the qualifications listed above provided that they have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

1.5.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in any paper, will be accepted¹ into the qualifications listed above.

Applicants not satisfying this requirement will be assessed on a case by case basis.

1.5.4 *Admission from the International Diploma (Business)*

Applicants who have successfully completed the requirements of the International

Diploma (Business) with no less than a C- grade in any paper, and have not been awarded the Diploma, will be accepted, with credit transferred from that programme, into the Bachelor of Business.

Applicants not satisfying this requirement will be assessed on a case by case basis.

1.5.5 *Admission from the International Diploma (Computer Science)*

Applicants seeking admission into the Bachelor of Science with a major in either Applied Computing, Computer Science or Data Analytics will be accepted into this qualification, with credit, upon completing the International Diploma (Computer Science) with no less than a C- grade in any paper, and having not been awarded the Diploma.

Applicants not satisfying this requirement will be assessed on a case by case basis.

1.6 **Admission at entrance level or with credit from previous study for**

Bachelor of Communication (BC)

Bachelor of Computing and Mathematical Sciences with Honours (BCMS(Hons))

1.6.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

1.6.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent⁴*

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the qualifications listed above provided that they have achieved

(a) no less than a C- grade in any paper, and

(b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

1.6.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in any paper, will be accepted¹ into the qualifications listed above.

Applicants not satisfying this requirement will be assessed on a case by case basis.

2. Admission to the

Bachelor of Computer Graphic Design (BCGD) degree

In addition to satisfying the requirements for achieving University Entrance, entry into the BCGD is available only to applicants who are chosen by the Division of Health, Engineering, Computing and Science's selection process. Applicants must have achieved a minimum of 14 credits in NCEA at Level 2 in Mathematics; in addition, applicants must submit a portfolio as part of the selection process and may also be required to attend an interview.

Bachelor of Education (BEd) and Bachelor of Teaching (BTchg) degrees

In addition to satisfying the requirements for achieving University Entrance, entry into the BEd and BTchg programmes is available only to applicants who are chosen by the Division of Education's selection process (see the [Schedule of Limitations on Enrolments](#)).

Bachelor of Music (BMus) degree

In addition to satisfying the requirements for achieving University Entrance, all applicants for the BMus must have

- (a) at least 14 credits in NCEA at Level 3 in Music, or
- (b) a Grade 3 Theory pass or better in the New Zealand Music Education Board, or Australian Music Education Board, or
- (c) a Grade 5 Theory pass or better in the Trinity College or Royal College of Music examinations, or
- (d) a music qualification assessed as equivalent.

Bachelor of Nursing (BNurs) degree

In addition to satisfying the requirements for achieving University Entrance, all applicants must follow a selection process approved by the Pro Vice-Chancellor of the Division of Health, Engineering, Computing and Science, or delegated authority, including a police vetting check, to ensure that they meet the criteria for admission to register for nurses as defined by the University and the Nursing Council of New Zealand.

Bachelor of Social Work (BSW) degree

In addition to satisfying the requirements for achieving University Entrance, all applicants must follow a selection process approved by the Pro Vice-Chancellor of the Division of Arts, Law, Psychology and Social Sciences or delegated authority, including a police vetting check, to ensure that they meet the criteria for a 'fit and proper' person to practice Social Work as defined by the University and the New Zealand Social Workers Registration Board. The Criminal Records (Clean Slate) Act 2004 provisions do not apply to social work. Students must also complete further Police vetting checks prior to fieldwork placements. An assessment of a student's suitability under the Children's Act 2014 will also take place during the BSW admissions process and prior to fieldwork placements. Details of the selection and police vetting processes are available in the BSW supplementary application forms.

Applicants to the above programmes must satisfy the requirements for admission to university listed below:

2.1 **University Entrance**²

Applicants who have achieved University Entrance through NCEA will be eligible to be accepted into the degrees listed above.

2.2 **Discretionary Entrance**³

Applicants will normally be granted Discretionary Entrance if they have gained a total of at least 80 credits in NCEA at Level 2 in four subjects equivalent to the approved subjects for University Entrance in NCEA at Level 3, with a minimum grade of Merit in at least half of the achievement standards for each subject. Applicants must also have satisfied the numeracy and literacy requirements of University Entrance. Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser.

2.3 **Special Admission**

Applicants will be considered on a case by case basis. Applicants 20 years old and over by the beginning of their programme of study will be eligible for acceptance, except those that are clearly insufficiently prepared for academic study. Preference may be given to applicants who have successfully completed appropriate University of Waikato College bridging programmes.

2.4 **Admission at entrance level or with credit from previous study for Bachelor of Music (BMus) degree**

2.4.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

2.4.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the BMus provided that they are chosen through the selection process as set out in section 2 of these regulations and have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

2.4.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation with no less than a C- grade in any paper will be accepted¹ provided that they meet the

additional criteria for the BMus as set out in section 2 of these regulations.

Applicants not satisfying this requirement will be assessed on a case by case basis.

2.5 Admission at entrance level or with credit from previous study for Bachelor of Education (BEd), Bachelor of Teaching (BTchg) and Bachelor of Nursing (BNurs) degrees

2.5.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

2.5.2 Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent⁴

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the qualification provided that they are chosen through the selection process for their intended qualification as set out in section 2 of these regulations and have achieved

(a) no less than a C- grade in any paper, and

(b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

2.5.3 Admission from the University of Waikato Certificate of University Preparation

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in any paper, will be accepted¹ provided that they are chosen through the selection process for their intended qualification as set out in section 2 of these regulations.

Applicants not satisfying this requirement will be assessed on a case by case basis.

2.6 Admission at entrance level or with credit from previous study for Bachelor of Social Work (BSW) degree

2.6.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

2.6.2 No credit transfer or recognition of prior learning will be awarded for successful study that took place more than 5 years prior to the date of first enrolment in the degree. Credit transfer or recognition of prior learning will not be awarded for more than 50% of the degree. No credit transfer or recognition of prior learning will be granted for field education unless the transfer is from a current Social Workers Registration Board

recognised programme.

2.6.3 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the BSW provided that they are chosen through the selection process as set out in section 2 of these regulations and have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

2.6.4 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation with no less than a C- grade in any paper will be accepted¹ into the BSW provided that they are chosen through the selection process as set out in section 2 of these regulations. Applicants not satisfying this requirement will be assessed on a case by case basis.

3. Admission to the **Bachelor of Computer Science (BCompSc)** degree

3.1 **University Entrance**²

3.1.1 *Admission to the BCompSc in the Specified Programme of Data Analytics*

Entry into the BCompSc in the above specified programme will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Mathematics.

3.1.2 *Admission to the BCompSc in the Specified Programme of Embedded Systems*

Entry into the BCompSc in the above specified programme will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus. Applicants must also gain a minimum of 14 credits in NCEA at Level 3 in Physics.

3.1.3 *Admission to the BCompSc without a Specified Programme*

Entry into the BCompSc without a specified programme will be guaranteed to applicants who gain University Entrance.

3.2 **Discretionary Entrance**

Applicants will normally be granted Discretionary Entrance into the BCompSc without a specified programme if they have gained a total of at least 80 credits in four subjects at Level 2 in the NCEA, with a minimum grade of Merit in at least half of the achievement standards for each subject. All subjects must be from the list of approved subjects. Applicants must also

have satisfied the numeracy and literacy requirements for University Entrance. Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser.

3.3 Special Admission

3.3.1 *Admission to the BCompSc without a Specified Programme*

Applicants will be considered on a case by case basis. Applicants 20 years old and over by the beginning of their programme of study will be accepted, except those that are clearly insufficiently prepared for academic study. Preference may be given to applicants who have successfully completed an appropriate University of Waikato College bridging programme.

3.3.2 *Admission to the BCompSc in a Specified Programme*

Applicants should meet the requirements of Section 3.3.1 and have a sufficient background in Mathematics. Applicants for the Embedded Systems specified programme must also have a sufficient background in Physics.

3.4 Admission at entrance level or with credit from previous study

3.4.1 Applications will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

3.4.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent⁴*

3.4.2.1 *Admission to the BCompSc in the Specified Programmes of Data Analytics*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved

- (a) an overall B- grade average, including
- (b) a B- grade in FOUN007 and
- (c) at least a C- grade in every other paper and
- (d) a B- grade in FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme.

Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.2.2 *Admission to the BCompSc in the Specified Programme of Embedded Systems*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved:

- (a) an overall B- grade average, including
 - (b) a B- grade in FOUN007 and
 - (c) a B- grade in FOUN011 and
 - (d) at least a C- grade in every other paper and
 - (e) a B- grade in FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study
- will be accepted¹ into this specified programme. Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.3 *Admission to the BCompSc without a Specified Programme*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved:

- (a) no less than a C- grade in any paper, and
- (b) a B- grade in FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme. Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.4 *Admission from the University of Waikato Certificate of University Preparation*

3.4.4.1 *Admission to the BCompSc in the Specified Programmes of Data Analytics*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in FOUN007, and at least a C- grade in every other paper will be accepted.¹ Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.4.2 *Admission to the BCompSc in the Specified Programme of Embedded Systems*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in FOUN007, a B grade in FOUN011 and at least a C- grade in every other paper, will be accepted.¹ Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.4.3 *Admission to the BCompSc without a Specified Programme*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in every other paper, will be accepted¹ into the qualifications listed above.

Applicants not satisfying these requirements will be assessed on a case by case basis

3.4.5 *Admission from the International Diploma (Computer Science)*

3.4.5.1 *Admission to the BCompSc without a Specified Programme*

Applicants who have successfully completed the International Diploma (Computer Science) with no less than a C- grade in any papers, and have not been awarded the Diploma, will be accepted into the qualifications listed above.

Applicants not satisfying this requirement will be assessed on a case by case basis.

4. Admission to the **Bachelor of Engineering with Honours (BE(Hons))** degree

4.1 **University Entrance**²

4.1.1 *Admission to the BE(Hons) in the Specified Programmes of Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering and Mechatronics Engineering*

Entry into the BE(Hons) in the above specified programmes will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus.

Applicants must also gain at least 14 credits in NCEA at Level 3 in Physics.

4.1.2 *Admission to the BE(Hons) in the Specified Programmes of Chemical and Biological Engineering, Environmental Engineering, and Materials and Process Engineering*

Entry into the BE(Hons) in the above specified programmes will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus.

Applicants must also gain at least 16 credits in NCEA at Level 3 in Chemistry and 14 credits in NCEA at Level 3 in Physics.

4.1.3 *Admission to the BE(Hons) in the Specified Programme of Software Engineering*

Entry into the BE(Hons) in the above specified programme will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus. Applicants must also gain at least 14 credits in NCEA at Level 3 in two other approved subjects for University Entrance.

4.1.4 The Pro Vice-Chancellor of the Division of Health, Engineering, Computing and Science may waive up to 120 points of level 100 papers of the degree of Bachelor of Engineering (Honours) for candidates who have achieved exceptionally high grades in approved subjects in the National Certificate of Educational Achievement (NCEA)

qualification at Level 3 or higher or in other qualifications considered by the Academic Board to be equivalent, provided that students substitute approved alternative papers of equal points value.

4.2 **Special Admission**

Applicants with evidence of successfully completed post-secondary study will normally be accepted. This includes applicants who have successfully completed an appropriate University of Waikato College bridging programme.

4.3 **Admission at entrance level or with credit from previous study**

4.3.1 Applications will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

4.3.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

4.3.2.1 *Admission to the BE(Hons) in the Specified Programmes of Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering and Mechatronics Engineering*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved

- (a) an overall B- grade average, including
- (b) a B- grade in FOUND011 and
- (c) a B- grade in FOUND007 and
- (d) at least a C- grade in every other paper and
- (e) a B- grade in FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme.

Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.2.2 *Admission to the BE(Hons) in the Specified Programmes of Chemical and Biological Engineering, Environmental Engineering, and Materials and Process Engineering*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved:

- (a) an overall B- grade average, including
- (b) a B- grade in FOUND010 and
- (c) a B- grade in FOUND007 and

- (d) a B- grade in FOUND011 and
 - (e) at least a C- grade in every other paper and
 - (f) a B- grade in FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study
- will be accepted¹ into this specified programme.

Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.2.3 *Admission to the BE(Hons) in the Specified Programme of Software Engineering*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved:

- (a) an overall B- grade average, including
- (b) a B- grade in FOUND007 and
- (c) at least a C- grade in every other paper; and
- (d) a B- grade in FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme. Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.3 *Admission from the University of Waikato Certificate of University Preparation*

4.3.3.1 *Admission to the BE(Hons) in the Specified Programmes of Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering and Mechatronics Engineering*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in FOUND011, a B- grade in FOUND007, and at least a C- grade in every other paper will be accepted.¹ Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.3.2 *Admission to the BE(Hons) in the Specified Programmes of Chemical and Biological Engineering, Environmental Engineering, and Materials and Process Engineering*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in two of FOUND007, FOUND010 or FOUND011 and at least a C- grade in every other paper, will be accepted.¹ Applicants not satisfying these requirements will

be assessed on a case by case basis.

4.3.3.3 *Admission to the BE(Hons) in the Specified Programme of Software Engineering*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in FOUND007 and at least a C- grade in every other paper, will be accepted.¹

Applicants not satisfying these requirements will be assessed on a case by case basis

5. Admission to the **Bachelor of Management Studies with Honours (BMS (Hons)) degree**
 - 5.1 Entry into the BMS(Hons) programme at the beginning of the first year of study will be guaranteed to applicants who have gained University Entrance.
 - 5.2 Students who have been admitted to the BMS(Hons) must achieve a B+ grade average or better over the first two years of the programme to be guaranteed re-entry into year 3 of the BMS(Hons). Students who do not gain re-entry to the BMS(Hons), but who meet the re-entry criteria for the Bachelor of Business (BBus), will be able to be admitted to the BBus.
 - 5.3 Students may apply to be admitted to the BMS(Hons) in the third year of the degree. As part of the application process students must provide a personal statement that sets out their leadership/community involvement and their future career aspirations. Applicants would normally be expected to have achieved a B+ grade average or better in their previous 240 points of study. Selection will also take into account leadership potential and community citizenship.
6. Admission to all **Law** papers and programmes⁵

The Te Piringa Faculty of Law Undergraduate Programmes Committee will have regard to equity considerations in making its decisions, but in all cases those offered places will have demonstrated their academic preparedness for the Faculty's programme of study. The Faculty does not set aside places for specific groups of applicants (see the [Schedule of Limitations on Enrolments](#)).

 - 6.1 **University Entrance**² There are a limited number of places in the Te Piringa Faculty of Law and a selection process applies. Each applicant will be considered by the Te Piringa Faculty of Law Undergraduate Programmes Committee on a case by case basis. Factors such as academic results in NCEA at Level 3 and other forms of assessment, as well as school and community involvement and achievements will be taken into account. Applicants will be required to provide supporting evidence of results and achievements with their written statement. All applicants will be required to have satisfied the requirements for achieving University Entrance, including NCEA Level 1 numeracy and Level 2 literacy requirements.
 - 6.2 **Discretionary Entrance**³ Applicants will normally be granted Discretionary Entrance if they

have gained a total of at least 80 credits in four subjects at Level 2 in the NCEA, with a minimum grade of Merit in at least half of the achievement standards for each subject. All subjects must be from the list of approved subjects. Applicants must also have satisfied the numeracy and literacy requirements for University Entrance. Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser, and be approved by the Te Piringa Faculty of Law Undergraduate Programmes Committee which will also consider the applicant's personal statement and their academic preparedness for university law study.

6.3 Special Admission Applicants will be considered for Special Admission on a case by case basis, having regard to their level of schooling, other relevant study, interests and expertise, experience and skills, and other such information as is available with respect to their academic preparedness, including, where appropriate, the completion of University of Waikato College bridging programmes.

The Faculty will afford priority to

- applicants with law-related experience
- applicants who have successfully completed a programme of degree level study at a tertiary institution.

6.4 Admission at entrance level or with credit from previous study

6.4.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

6.4.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved at least a B- grade average overall, with a B- grade or higher in FOUND001 will have guaranteed entry into the Bachelor of Laws programme.

Other students are encouraged to apply and will be considered by the Te Piringa Faculty of Law Undergraduate Programmes Committee on a case by case basis, taking account of their level of academic achievement.

6.4.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation with at least a B- grade average overall, with B- grades or higher in FOUND001 and FOUND002 and subsequently B- grades or higher in all their B trimester non-Law degree level papers, will have guaranteed entry into the Bachelor of Laws programme.

Other students are encouraged to apply and will be considered by the Te Piringa Faculty of Law Undergraduate Programmes Committee, on a case by case basis, taking account of their level of academic achievement.

Part 2

Admission to Certificates and Diplomas

1. In addition to the admission criteria set out in the relevant qualification regulations, applicants for certificates and diplomas in the following qualifications must meet specific criteria for admission:
 - 1.1 **Certificate in Professional Engineering Practice**

Entry into the Certificate in Professional Engineering Practice in the Division of Health, Engineering, Computing and Science is available only to applicants who are currently enrolled in, or have completed, a Bachelor of Engineering with Honours, or equivalent.
 - 1.2 **Diploma in Engineering Management**

Entry into the Diploma in Engineering Management in the Division of Health, Engineering, Computing and Science is available only to applicants who are currently enrolled in, or have completed, a Bachelor of Engineering with Honours, or equivalent.
 - 1.3 **Graduate Diploma in Teaching**

Entry into the GradDipTchg programme in the Division of Education is available only to applicants who are chosen by the Division's selection panels (see the [Schedule of Limitations on Enrolment](#)).
 - 1.4 **Postgraduate Diploma in Interpreting and Translating Māori (PGDip(Int&Trans))**

Applicants must satisfy the Dean of the Faculty of Māori and Indigenous Studies that they have a high standard of proficiency in English and Māori.

Part 3

Re-entry for Returning Students

1. The right to re-entry applies to re-enrolment in the qualification(s) in which a student was enrolled in her/his most recent period of enrolment.
2. **Annual re-entry criteria**
 - 2.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in for the year will gain re-entry, except in the case of re-entry to the qualifications listed below.
3. **Re-entry to Bachelor of Nursing**
 - 3.1 A student gains unrestricted passes in all of their required Bachelor of Nursing papers will gain re-entry.
 - 3.2 The Pro Vice-Chancellor has authority to determine on a case by case basis whether candidates who fail Bachelor of Nursing papers in a given year may repeat those papers and whether they may enrol concurrently for more advanced Bachelor of Nursing papers.

4. Re-entry to Law Programmes

- 4.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and has not failed more than the equivalent of 30 points in Law papers will gain re-entry.
- 4.2 The Dean of Te Piringa Faculty of Law has authority to determine on a case by case basis whether candidates who fail Law papers in a given year may repeat those papers, and whether they may enrol concurrently for more advanced papers in Law.

5. Re-entry to Social Work Programmes

- 5.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and who satisfactorily completes any 300 or 400 level field placement papers attempted will gain re-entry.

6. Re-entry to Teacher Education Programmes

- 6.1 A student in the Graduate Diploma in Teaching must pass TEEDU400 to gain re-entry. A student who is ineligible for re-entry but who is enrolled in subsequent papers will be withdrawn from those papers.
- 6.2 A student in the Postgraduate Diploma in Teaching must pass TEEDU500 to gain re-entry. A student who is ineligible for re-entry but who is enrolled in subsequent papers will be withdrawn from those papers.
- 6.3 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and who satisfactorily completes the professional experience requirements will gain re-entry.
- 6.4 A returning student who wishes to transfer between teacher education streams will need permission from the Pro Vice-Chancellor of Education.
- 6.5 The Pro Vice-Chancellor has authority to determine on a case by case basis whether candidates who fail papers in the Graduate Diploma in Teaching, Postgraduate Diploma in Teaching and the Master of Teaching and Learning in a given year, may repeat those papers.

7. Re-entry to Social Work Programmes

- 7.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and who satisfactorily completes any 300 or 400 level field placement papers attempted will gain re-entry.

8. Re-entry to conjoint degree programmes

- 8.1 To be eligible for re-entry to a conjoint degree programme a student must meet the re-entry requirements for each of the component degrees and satisfy the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies that their academic performance is of a good standard.

9. Trimester re-entry criteria

- 9.1 A student who is enrolled in papers worth more than 20 points in a single trimester and who fails all of those papers will be ineligible for re-entry in the following trimester.
- 9.2 A student who is ineligible for re-entry in the following trimester but who is enrolled in papers in that trimester will be withdrawn from those papers.

Part 4

Admission for Transferring Students

1. A student who wishes to transfer from one qualification to another needs to meet the general and relevant specific requirements for re-entry for returning students listed in Part 3 of these regulations.
2. Additional criteria apply in the case of transfer into the following qualifications.
3. **Transfer into the Bachelor of Business Analysis (BBA), Bachelor of Communication (BC), and Bachelor of Management Studies (BMS) degrees**
Students will not normally be considered unless they have successfully completed a full-time year of study and obtained a minimum B average.
4. **Transfer into Law programmes**
 - 4.1 The Te Piringa Faculty of Law Undergraduate Programmes Committee will have regard to equity considerations in making its decisions, but in all cases those offered places will have demonstrated their academic preparedness for the Faculty's programme of study. The Faculty does not set aside places for specific groups of applicants.
 - 4.2 Students will be considered for transfer from another degree or tertiary institution on a case by case basis. Preference will be given to those who obtain the highest grades and whose performance provides evidence of literacy.
 - 4.3 Those who have completed a first degree may apply for exemption from the non-Law requirements of the LLB and will be considered for admission to Law 1 and Law 2 concurrently.
5. **Transfer into the Bachelor of Health, Sport and Human Performance (BHSHP)**
 - 5.1 There are a limited number of places available for transferring students within the BHSHP degree and this may vary from year to year.
 - 5.2 Students will be considered for transfer into the BHSHP degree by the Director of the BHSHP Programme on a case by case basis. Preference will be given to candidates who have successfully completed a full-time year of study and obtained a B minimum average.
6. **Transfer into the Bachelor of Education (BEd) and Bachelor of Teaching (BTchg)**
 - 6.1 Entry to the BEd and BTchg is available only to applicants who are chosen by the Division of Education's selection panels and who satisfy the requirements for admission to university.
 - 6.2 Students will be considered for transfer from another qualification or tertiary institution by the

relevant Programme Selection Committee on a case by case basis.

Part 5

Exclusion for Unsatisfactory Progress from Particular Papers

1. Students who have failed a paper, or any equivalent or substantially similar paper, on a second or subsequent enrolment will be excluded from the paper and will be ineligible to re-enrol in that paper.
2. Where a student is excluded from a paper that is a compulsory paper for a qualification the student will not be permitted to enrol in, or continue a current enrolment in, that qualification.

Part 6

Appeals

1. A person who
 - (a) is qualified for admission to the university but who is not accepted into his or her choice of qualification, or
 - (b) fails to meet the criteria for re-entry to their qualification, or
 - (c) is excluded from a papermay apply to the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the person wishes to enrol for a reconsideration of their decision.
2. A person whose application for reconsideration is declined by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may make a further appeal to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
3. An appeal, comprising a written statement of the circumstances of the appeal, together with supporting evidence, if available, must be submitted by the student to the Deputy Vice-Chancellor Academic not more than seven days after the date on which notification of the relevant decision is received.
4. A decision by the Deputy Vice-Chancellor Academic is notified in writing, and is final.
5. **Report to the Education Committee**

The Deputy Vice-Chancellor Academic must submit an annual report to the Education Committee providing an overview of admission appeal decisions made during the relevant year, together with any consequent recommendations with respect to the Criteria for Admission to Particular Qualifications.

Notes:

1. *Many of the degrees offered at the University of Waikato have prerequisites on their core papers.*

Applicants who have not achieved specified prerequisites either through their study in NCEA at Level 2 and Level 3 or through their Foundation Studies programme will be required to take additional papers or foundation courses in order to satisfy these prerequisites. Applicants in this situation are advised that not all papers undertaken may count towards the completion of the degree and that the programme of study may take an additional period of time.

- 2. Applicants who have achieved an equivalent to New Zealand University Entrance through a qualification other than NCEA at Level 3 will have their admission assessed on a case by case basis.*
- 3. Applicants who have achieved an equivalent to Discretionary Entrance through a qualification other than NCEA at Level 2 will have their admission assessed on a case by case basis.*
- 4. Applicants who have achieved an equivalent to the University of Waikato Certificate of Foundation Studies will have their admission assessed based on an approved guaranteed credit arrangement or on a case by case basis.*
- 5. Except the major in law taken within the Bachelor of Arts, or any programme with a law second major. In these cases, the admission criteria for the qualification being enrolled in apply.*

Limitations Statute

Limitations on enrolments can be established under:

- section 255(4) of the Education and Training Act 2020 where the Council is satisfied that it is necessary to do so because of insufficiency of staff, accommodation or equipment, or
- section 525(4) of the Education and Training Act 2020 where the Council has established places for foreign students in a programme whose continued availability is dependent on the fees payable by foreign students enrolled in it.

The Council has delegated authority to approve limitations under section 255(4) to the Academic Board.

Schedule of Limitations on Enrolments for 2022

Limitations under Section 255(4) of the Education and Training Act 2020

Ministry-funded enrolments will be limited in a manner that allows the University to meet the Government's expectations with respect to its approved Mix of Provision for the year in question.

Applications from Ministry-funded students who meet the University's published deadlines for applications to enrol, as well as the admission, entry, re-entry and programme approval criteria for the relevant qualifications and papers, will be accepted according to the priority groups listed below until the relevant Mix of Provision target is achieved at the relevant level.

If places are still available after the published deadlines for applications to enrol, Ministry-funded students who have not met those deadlines, but who meet the admission, entry, re-entry and programme approval criteria for the relevant qualifications and papers, will be accepted in order of application up until the relevant targets have been met.

Undergraduate (Bachelors, Undergraduate and Graduate Certificates and Diplomas)

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Undergraduate returners (enrolled in undergraduate study in the previous year returning to continue an undergraduate qualification).
2. School Leavers (in secondary school in 2018 or 2019) who qualify for University Entrance (UE) or who are eligible for Discretionary Entrance in terms of the Criteria for Admission to Particular Qualifications.
3. Students transferring into degree programmes having successfully undertaken recognised partner pathway programmes in 2019 (including Certificate of University Preparation (CUP) and Toi Ohomai Institute of Technology guaranteed credit programmes).
4. Students who have previously been enrolled at the University of Waikato, returning after a break of up to two years to continue an undergraduate qualification.
Applicants who have qualified for admission to university but who have been away from secondary school for up to two years.
Special Admission applicants (students over 20 without UE).
Other students with UE or equivalent.

Taught Postgraduate (500 level - except 594 theses)

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Taught postgraduate returners (enrolled in taught postgraduate study in the previous year returning to continue a postgraduate qualification).
2. Students who have previously been enrolled at the University of Waikato, commencing taught postgraduate study or returning (after a gap in study) to continue a postgraduate qualification.
Students new to the University of Waikato.

Research Postgraduate (Doctoral, MPhil, Masters 594 theses)

Because research postgraduate students can apply to enrol at any point in the year, applications will be considered at regular intervals according to the following groups:

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Research postgraduate returners (enrolled in research postgraduate study in the previous year).
2. University of Waikato Doctoral and Masters Scholarship recipients.
3. Students who have previously been enrolled at the University of Waikato, commencing research postgraduate study or returning after a gap in study to continue research postgraduate study.
Students new to the University of Waikato.

Notes:

1. *In order to be considered within any priority group, students must apply by the relevant deadlines, as set out in the Enrolment section and Change of Enrolment Regulations.*

2. *Within each level (undergraduate, taught postgraduate, research postgraduate), applicants who have not met the relevant deadlines will be considered in the same order of priority as indicated above after all of the students who have applied within the deadlines for that level have been considered.*

Limitations

the **Friday prior to the start date** of a thesis enrolment

Programme Advice and Planning

The Future Students Recruitment Office assists students who are unfamiliar with the University or who require assistance to plan their programme of study. Prospective students can obtain information from the Student Centre by phoning 0800 WAIKATO or (07) 838-4007, or emailing info@waikato.ac.nz.  Alternatively this can be done in person by calling in to the Hamilton campus (Level 2 of the Student Centre), the Tauranga campus (Level 1 in the Student Hub) at 101-121 Durham Street, Tauranga.

The Future Student Recruitment Advisers represent the University at regional careers expos,

secondary school career evenings, and other events throughout New Zealand and overseas. They provide comprehensive information, personal advice sessions and campus tours, which are available by appointment. An Open Day and several information sessions are held on campus throughout the year, and details are available on request. Students can explore a range of options - undergraduate study, postgraduate study, bridging courses and pathways programmes including those that target women, mature students and Māori. Prospective students will also receive information on the range of academic and support services that are available.

Change of Enrolment Regulations

1. Title

These are the Change of Enrolment Regulations 2012.

2. Date of effect

These regulations are effective from 1 January 2020.

3. Definitions

In these regulations

change of enrolment means any of the following changes to the programme of study in which a student has originally enrolled for a given teaching period:

the **addition** of a paper, with payment of the prescribed fees

the **deletion** of a paper, with refund of the prescribed fees (the paper is deleted from the student's academic record)

withdrawal from a paper, without refund of any fees (the paper remains on the student's academic record, annotated as 'withdrawn')

change of qualification, major or specified programme.

MyWaikato means the computer system, accessible to enrolled students, which enables them to apply for change of enrolment on the internet.

4. Application

These regulations apply to papers at 0, 100, 200, 300, 400, 500 and 700 levels.

Note: Policies and procedures with respect to change of enrolment for 800 (MPhil) and 900 (doctoral) level programmes are available from the School of Graduate Research.

5. Fees

The fees referred to in these regulations are available online at www.waikato.ac.nz/study/costs.

6. **Teaching periods**

The teaching periods referred to in these regulations are defined in the [Teaching and Assessment Periods 2022](#) section of the University of Waikato Calendar.

7. **COVID-19**

Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University [COVID-19 vaccination requirement](#), the University may delete a paper from a student's enrolments at any time if:

- (1) the student has not provided and maintained a valid Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
- (2) the paper requires the student to undertake a future activity that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University [COVID-19 vaccination requirements](#).

8. **Programme approval**

Any change of enrolment constitutes a change to a programme of study and requires the approval of the relevant Division or the Faculty of Māori and Indigenous Studies.

9. **Procedure for change of enrolment**

- (1) Applications for change of enrolment must be submitted to the relevant Division or the Faculty of Māori and Indigenous Studies that the student is enrolled in for consideration. They need to be submitted through MyWaikato.
- (2) Absence from classes or failure to submit items for assessment does not constitute withdrawal from a paper. A student who does not withdraw from a paper using the procedures outlined in these regulations remains enrolled for the paper and remains liable for any prescribed fees.
- (3) Attendance at classes and submission of items for assessment does not constitute enrolment in that paper.

10. **Timeframe for change of qualification, major or specified programme**

Provided that no changes are made to the selection of papers, a student may apply to change a qualification, major or specified programme at any time.

11. **Deadlines for adding papers (with payment of the prescribed fees)**

- (1) An application to add a (500 level) thesis must be submitted to the relevant Division or the Faculty of Māori and Indigenous Studies at least one month before the intended start date for the thesis.
- (2) An application to add an Executive Education paper must be submitted to the Waikato Management School at least one month before the start of the paper.

12. **Deadlines for substituting papers (with transfer of the prescribed fees)**

A student may apply to add a paper in place of a paper being deleted up until the relevant deadline listed in section 13 of these regulations provided that the paper to be added is of the same or lesser points value as the paper to be deleted.

Length of paper	Substitution Period	Deadline
Less than 17 weeks (including C trimester, S, G and H periods)	1 week	Within 7 days of, and including the first day of the relevant teaching period
17 weeks or more (including A and B trimesters, D period)	2 weeks	Within 14 days of, and including, the first day of the relevant teaching period

1. **Deadlines for deleting papers (with a refund of the prescribed fees)**

(1) An application to delete a paper must be submitted to the relevant Division or the Faculty of Māori and Indigenous Studies by the following deadlines:

Length of paper	Deletion Period	Deadline
10 weeks or less (including S, G and H period)	1 week	Within 7 days of, and including the first day of the relevant teaching period
Up to, and including, 20 weeks (including A, B and C trimester)	2 weeks	Within 14 days of, and including, the first day of the relevant teaching period)
Up to, and including, 30 weeks	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Up to, and including, 40 weeks	4 weeks	Within 28 days of, and including, the first day of the relevant teaching period
		Within 35 days of, and

More than 40 weeks	5 weeks	including, the first day of the relevant teaching period
--------------------	---------	--

(2) Where subjects provide for different levels of proficiency on first enrolment (e.g. Mathematics, languages), a student may apply to transfer, with a transfer of fees, from one paper to a closely related paper in the same subject up until the relevant deadline for withdrawal listed in section 14 of these regulations.

1. Withdrawal from papers (without a refund of the tuition fee)

- (1) Unless exceptional circumstances apply (as provided for under section 15 of these regulations), a student who withdraws from a paper after the deadline for deletion (see section 13 of these regulations) is not entitled to a refund of the fees for that paper; if the fees have not been paid, the student remains liable for them.
- (2) An application to withdraw from a pre-degree or undergraduate paper (0, 100, 200, 300, 400 levels or 700 level) after the deadline for deletion (see section 13 of these regulations) must be submitted to the relevant Division or the Faculty of Māori and Indigenous Studies by the following dates:

Type of paper	Withdrawal Period	Deadline
Trimester A or B	6 weeks	Within 42 days of, and including the first day of the relevant teaching period
Trimester C	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Other, less than 17 weeks (including S, G and H periods)	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Other, 17 weeks or more (including D period)	6 weeks	Within 42 days of, and including, the first day of the relevant teaching period

(3) A student may withdraw from a graduate paper (500 or 700 level, excluding Te Kura Toi Tangata School of Education 700 level) after the deadline for deletion (see section 13 of these regulations) at any time before the start of the examination or, if the paper is internally assessed, at any time before the due date for the final item of assessment.

1. Late deletion or withdrawal under exceptional circumstances

Note: *Part 4 of the [Assessment Regulations 2016](#) sets out the University's provisions for special consideration in assessment. Students considering withdrawal from papers because of exceptional circumstances beyond their control are encouraged to seek advice first from their relevant Division or the Faculty Māori and Indigenous Studies, or from the Student Centre, about whether they might be entitled to special consideration under the [Assessment Regulations 2016](#).*

- (1) If, after the deadline for deletion or withdrawal, a student considers that he or she is unable to complete a paper because of exceptional circumstances beyond his or her control, the student may apply in writing to the Director of Student Services for late deletion or withdrawal.
- (2) Applications for Medical or Compassionate withdrawals will only be considered within 12 months from the end date of the paper.
- (3) The application must be submitted to the Director of Student Services and must include an account, with appropriate evidence if available, of the circumstances that prompted the application.
- (4) Applications under this section are considered and decided by the Director of Student Services or an approved delegate.
- (5) If the application is approved, the Director of Student Services or their approved delegate may also approve, at their discretion, a credit of some or all of the student's fees.

2. Appeals

- (1) A student may appeal against any decision taken under these regulations.
- (2) An appeal, comprising a written statement of the circumstances of the appeal, and supporting evidence if available, must be submitted in writing to the Director of Student Services not more than seven days after the date on which the student receives notification of the relevant decision. Late appeals may be accepted at the discretion of the Director of Student Services.
- (3) Appeals under this section are considered and decided by the Deputy Vice-Chancellor Academic, or his or her nominee, by delegated authority of the Academic Board.
- (4) A decision by the Deputy Vice-Chancellor Academic is notified in writing and is final.

Regulations Governing Payment of Fees and Charges

Fees and Charges Payable

1. A student is deemed enrolled and liable for payment of fees upon signing and acceptance of an Enrolment Agreement, Notification of Change, or other document(s) by which acceptance into a paper or papers is formally agreed.
2. Every person must pay fees and charges (as set out in the [Table of Fees and Charges](#) in the University of Waikato Calendar) according to arrangements and terms agreed at the time of enrolment in the Enrolment Agreement or Notification of Change.
3. Students who do not attend a paper in which they have formally accepted a place will be liable for payment of the fees for that paper, unless the withdrawal procedures as detailed in the [Change of Enrolment Regulations 2012](#) are followed.
4. Unless the Director of Finance determines otherwise, where a student defaults on a payment and does not pay the outstanding amount within 28 days of the due date that student's enrolment will be cancelled.
5. Cancellation of a student's enrolment does not discharge any outstanding debt.
6. Unless special arrangements are agreed by the Director of Finance, the following penalties apply in addition to the cancellation of the student's enrolment while a debt remains outstanding:
 - (a) the student is not entitled to use the Library, attend lectures, participate in laboratory classes, or otherwise make use of university facilities
 - (b) the student's academic results are withheld
 - (c) the student may not re-enrol at this university
 - (d) the student is not entitled to have his or her academic record transferred to any other

institution

- (e) the award of any qualification is deferred
 - (f) the student's outstanding debt may be referred to a debt recovery agency for collection. The University also reserves the right to recover any additional costs in relation to this debt collection from the student.
7. A student whose enrolment is cancelled for reasons of non-payment of fees may subsequently apply for reinstatement of enrolment, provided
- (a) the application is submitted to the Director of Finance within four weeks of the date of the cancellation
 - (b) all outstanding fees, charges, and surcharges are paid before or at the time that the application is submitted, and
 - (c) the service charge for the reinstatement of enrolment after cancellation, as prescribed in the [Table of Fees and Charges](#), is paid.
8. An enrolment that is reinstated under this section is deemed to have been continuous.
9. The tuition and resource fees for a particular paper fall due on the payment date for the trimester in which teaching for that paper starts, or, where beginning outside of these trimesters, the first day of the teaching period of the particular paper.

Payment by Trimester

10. These provisions for payment of tuition and resource fees by trimester do not apply to students who pay by Student Loan.
11. Unless the tuition and resource fees are being paid by Student Loan, a student who enrolls for more than one trimester may elect to pay tuition and resource fees by trimester.
12. Payment dates are prescribed for each of the trimesters, namely S - Summer School 1, A trimester, B trimester and C trimester.
13. The tuition and resource fees for a particular paper fall due on the payment date for the trimester in which teaching for that paper starts.
14. Students who have made arrangements to pay by trimester and who discontinue any of their papers remain liable for all payments as they fall due, unless they submit an application to delete the relevant paper by the prescribed deadline (see the [Change of Enrolment Regulations 2012](#)).
15. All fees and charges other than tuition and resource fees fall due as part of the students' first payment.
16. A surcharge of 10% or \$100, whichever is lower, will be levied on any fees that are outstanding at the start date of the trimester. This applies to Summer School 1, A, B and C Trimester start dates respectively.

Appeals

17. A student may appeal to the Vice-Chancellor against any decision by the Director of Finance under these regulations.

International Students

The following information is a general guide for international students wishing to enrol at the University of Waikato. Further information is available on the website: www.waikato.ac.nz/study/international/.

Email: international@waikato.ac.nz .

Admission

All students are required to meet the entry requirements for admission, as set out in the [Admission Statute 2016](#). Applicants whose first language is not English are also required to provide satisfactory evidence of English language proficiency, as set out in the [English Language Requirements for Admission](#). Scores can vary according to the qualification sought.

International students apply for admission online at www.waikato.ac.nz/study/apply

Permanent residents of Australia and New Zealand, Australian citizens, and students from the Cook Islands, Tokelau or Niue who are New Zealand citizens, are treated as New Zealand students and do not need to apply for admission as international students.

Please note that to be eligible for domestic tuition fees, permanent residents and citizens of Australia must be living in New Zealand for the duration of the study. Domestic tuition fees information is available at www.waikato.ac.nz/study/costs/tuition-costs-domestic.

All international students enrolling in an undergraduate programme must hold as a minimum requirement, an equivalent university entrance qualification; as set out online at www.waikato.ac.nz/study/enrolment/undergraduate-international.

Many of the degrees offered at the University of Waikato have prerequisites on their core papers. Applicants who have not achieved specified prerequisites through their study will be required to take additional papers or foundation courses in order to satisfy these prerequisites. Applicants in this

situation are advised that not all papers may count towards the completion of the degree and that the programme may take an additional period of time.

Code of Practice

The University of Waikato has agreed to observe and be bound by the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021*. Copies of the Code are available from the New Zealand Qualifications Authority website <https://www.nzqa.govt.nz/providers-partners/tertiary-and-international-learners-code/>.

Students should refer to the Code of Practice for their specified responsibilities and to the International Student Handbook or this Calendar for University procedures and recommendations.

Tuition Fees and Charges

1. International students are required to pay full cost tuition fees. Students should refer to the [Table of Fees and Charges](#) for other fees and charges that may be applicable.
2. New international PhD students may be eligible for domestic fees for their studies. Conditions apply. For more information, see the [Higher Research Degrees](#) website.

New Zealand Immigration Requirements

1. All international students must hold a valid student visa for the duration of their studies. A visitor visa is only valid for courses lasting less than three months in total. Further information regarding the various requirements of Immigration New Zealand (INZ) can be obtained from the Immigration New Zealand website, or the nearest New Zealand High Commission or Embassy.
2. An offer of place at the University of Waikato does not guarantee that the student will be issued with a student visa.
3. International students are required to obtain a student visa before travelling to New Zealand. Students must provide evidence to show they can have enough money to support themselves while they study in New Zealand. The source of fund is considered stable and there are no unexplained lump sum deposits. For more information please see [here](#).
4. The University is required to report to INZ those students who are not fulfilling the requirements of their student visa, which includes completing compulsory course components and passing papers.
5. Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from INZ, and can be viewed on their website at <https://www.immigration.govt.nz>.

Pre-paid Tuition Fees Policy

1. As indicated above, international students are required to obtain their student visa and pay their tuition fees before enrolment can be completed. These funds are held against the student's name until they complete their enrolment in person. This policy details the process for refunding these

- funds if (i) the student travels to New Zealand and does not complete their enrolment, or (ii) completes the first trimester of study and does not enrol in the second trimester of study and they have a student visa valid for one year, with the exception of students enrolling in B trimester then A trimester.
2. All students must apply in writing for a refund of their pre-paid tuition fees to the Director of Student Services Division.
 3. Students are required to supply a verified copy of their passport and student visa, and a copy of their University of Waikato receipt(s) with their application for a refund.
 4. The University of Waikato will notify INZ that the student has not fulfilled the obligations of their visa by completing their enrolment at the University of Waikato.
 5. Where a student wishes to attend another institution in New Zealand, the University of Waikato will transfer the pre-paid tuition fees to that institution, upon written confirmation from that institution of the student's intention to study. This should be in the form of a formal letter of offer or invoice which confirms the student's acceptance into a qualification. If the student has already paid their tuition fees at the other institution, the University of Waikato will refund the pre-paid tuition fees to the student, upon written confirmation from the other institution that the fees have been paid. It is the student's responsibility to provide the necessary documentation from the other institution.'
 6. Where a student will be returning to their home country, the funds will be refunded in one of two ways:
 - (a) an overseas bank draft sent to the overseas address provided by the student
 - (b) if it is known that the pre-paid tuition fees have been paid by a third party, the refund may be paid back to that third party
 7. Where a student is wishing to remain in New Zealand without enrolling at an educational institution, the University of Waikato will refund these funds either:
 - (a) upon evidence of a valid INZ visa to remain in New Zealand, or
 - (b) confirmation that INZ has discharged the University of Waikato's duty under the original student visa.
 8. If a programme of study is cancelled by the University of Waikato, a full refund of pre-paid tuition fees will be made to the student by bank draft.

International Students Refund Administration Charge

International students who withdraw their application or their enrolment before the start date of their programme will receive a 100 percent refund of pre-paid tuition fees less a \$500 Administration Fee. Students who withdraw their application or their enrolment after the start date of their programme but during the period for deletion of papers (refer to Clause 12 of the [Change of Enrolment Regulations 2012](#)), will receive a 100 percent refund of pre-paid tuition fees less a \$2,000 Administration Fee.

Compulsory Medical and Travel Insurance

International students (including group students) must have appropriate and current medical and travel insurance while studying in New Zealand, as stated in the *Code of Practice for the Pastoral Care of International Students*. Under the Immigration New Zealand Policy, this must be at least for the duration of your student visa. Enrolment is dependent on proof of appropriate insurance. To simplify the process of selecting insurance, the University has selected Studentsafe-University (underwritten by Allianz New Zealand) as the preferred insurance policy for all international students. The Studentsafe-University insurance premium will be added to tuition fees at the time of enrolment, resulting in international students being automatically enrolled in the Studentsafe-University insurance scheme. This premium will not be charged if evidence of an alternative compliant insurance policy is provided to the University before the specified deadline (please note there are only a small number of approved alternative compliant policies). For further information please refer to the website <https://www.waikato.ac.nz/study/international>.

Eligibility for Health Services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on the website <https://www.health.govt.nz>. The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website www.acc.co.nz.

New Zealand Government Scholarships

The New Zealand Aid Programme (NZAP) is the New Zealand Government's International Aid and Development Programme managed by the Ministry of Foreign Affairs and Trade. Education is vital to the New Zealand Aid Programme's mission of supporting sustainable development in order to reduce poverty and contribute to a more secure, equitable and prosperous world. Scholarships are available to citizens from selected developing countries to undertake vocational training or tertiary level study in their home country, in New Zealand, or in the Pacific region. These scholarships enhance the skills, training and knowledge of individuals, and build their capacity to contribute to the sustainable development of key areas in their home country. The eligibility criteria and application process can be found on: <https://www.mfat.govt.nz/en/aid-and-development/new-zealand-government-scholarships/>.

Strategic Alliances, International Partnerships and Agreements

The University is a forward-looking, innovative institution that welcomes strategic alliances, international partnerships, and agreements. Consideration is given to international institutions that match the University of Waikato profile in terms of reputation, academic standing, and research output.

All proposals for University to University linkages should be discussed in the first instance with the

International Office. Proposals for guaranteed credit agreements need submission of full documentation to the International Office which will refer them to the appropriate academic authority for approval. Partnership proposals are welcome and will be explored on a case by case basis.

Memorandums of Understanding should also be submitted as proposals to the International Office, which will refer them to the appropriate authority.

Overseas visitors are welcome. Prospective visitors should contact the International Office with full background information about their proposed visit. The International Office will assist in arranging an itinerary which meets both the visitors' and the University of Waikato's needs.

Student Research Regulations

Preamble

Students who undertake research at any level of study are required to conduct the research in a manner that conforms with requirements and standards set down by the University and, in many cases, by law.

Students are referred to the [Resources on Ethical Conduct in Research and Related Activities](#), available from the Research & Enterprise Office.

1. Title

These are the Student Research Regulations 2008.

2. Date of effect

These regulations are effective from 1 January 2009.

3. Definitions

In these regulations

plagiarism means presenting as one's own work the work of another, and includes the copying or paraphrasing of another person's work in an assessment item without acknowledging it as the other person's work through full and accurate referencing; it applies to research and to assessment (as defined in the [Assessment Regulations 2016](#)) presented through a written, spoken, electronic, broadcasting, visual, performance, or other medium. Plagiarism also includes self-plagiarism which is the use of one's own work that has been used and/or published in another context without acknowledging the previous work through appropriate referencing

research means an inquiry of an investigative, experimental or critical nature which is driven

by a question, hypothesis, or intellectual position capable of rigorous assessment, and the findings of which are open to scrutiny and formal evaluation; it includes any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

student means a student enrolled at the University of Waikato

University means the University of Waikato.

4. **Application**

These regulations apply to research undertaken by a student as an element of a paper or thesis of the University at any level of study.

5. **Ethical conduct in research**

A student engaged in research

- (a) must fairly and fully represent results as he or she honestly perceives them, without falsifying data, fabricating data, claiming results where none have been obtained, or fraudulently changing records
- (b) must not commit or condone plagiarism
- (c) must be scrupulously honest in the ascription of authorship, and must not list authors without their permission or attribute work to others who have not in fact contributed to the research
- (d) must conform with professional standards and codes of ethics relevant to the discipline
- (e) must exercise integrity and good faith in every aspect of research practice
- (f) must comply with the [Ethical Conduct in Human Research and Related Activities Regulations](#) when the research involves collecting data about and from people and organisations.

6. **Research or teaching involving the development of low risk genetically modified organisms (GMOs)**

- (1) A student who intends to use or develop low risk genetically modified organisms (GMOs) must comply with the appropriate ERMA regulations.
- (2) Advice on these regulations is available from the Office of Biological Sciences.

7. **Research using live animals**

- (1) Users of live animals for teaching, research, or the production of biologically active agents have ethical and legal responsibility for the welfare of those animals.
- (2) The Animal Ethics Committee is established by the Vice-Chancellor in accordance with the requirements of the Animal Welfare Act 1999, and is responsible for
 - (a) ensuring that any experimental procedure involving live animals complies with the Animal Welfare Act 1999 and the University's [Code of Ethical Conduct for the Use of Animals for Teaching and Research](#) 
 - (b) initiating investigations into any suspected non-compliance with the Animal Welfare Act 1999 or the University's [Code of Ethical Conduct for the Use of Animals for Teaching and](#)

[Research](#) 

(c) arbitrating in disputes about use of live animals for teaching and research.

(3) A student involved in the use of animals for research must comply with

(a) the University's [Code of Ethical Conduct for the Use of Animals for Teaching and Research](#) , or

(b) any other instruction by the Animal Ethics Committee.

8. Breaches

A breach of these regulations is misconduct under the [Student Discipline Regulations 2020](#).

Ethical Conduct in Human Research and Related Activities Regulations

Preamble

Any member of the University community who participates in research and specified related activities is required to conduct the research and/or related activities in a manner that conforms with ethical standards set down by the University, by relevant national and international professional bodies, and by the law of the country in which the research is undertaken.

These regulations apply specifically to the following activities: research, teaching, consulting, evaluation, and publications which involve collecting data about and from people and organisations. These regulations also apply to any research where there are ethical issues that are not addressed by the Animal Ethics Committee [Code of Ethical Conduct for the Use of Animals for Research, Testing and Teaching](#) .

Students are referred also to the University's [Student Discipline Regulations 2020](#) in this Calendar, and the [Guidelines for Professional Practice and Community Contact in the Conduct of University Research or Related Activities](#)  (see Appendix 1 to these regulations), and the Higher Research Degrees website, as amended from time to time: <http://www.waikato.ac.nz/students/research-degrees/>.

Staff are referred also to the University's [Staff Code of Conduct](#).

Students and staff are also referred to the resources on [Human Research Ethics](#), available from the [Research & Enterprise Office](#).

Ethical Conduct in Human Research and Related Activities Regulations

1. Title

These are the Ethical Conduct in Human Research and Related Activities Regulations 2008.

2. Purpose

Ethical issues arise when University research and/or related activities involve the interests and rights of others. The purpose of these regulations is to facilitate ethical conduct which respects the rights of people, communities, companies, trusts, and other organisations. These regulations explain the standards of ethical conduct and the procedures that apply for the maintenance and monitoring of these standards. All applications to the University's human research ethics review committees will be reviewed for approval on the basis of their compliance with these regulations.

3. Date of effect

These regulations are effective from 1 July 2008.

4. Scope

(1) These regulations apply to all

(a) staff of the University of Waikato

(b) students of the University of Waikato, and

(c) any other person authorised to undertake research and/or a related activity on behalf of the University of Waikato, including those employed or contracted in wholly-owned subsidiary entities.

(2) Research collaborators or partners are expected to apply for approval of their research and/or related activities from their organisation and must also apply to the relevant University of Waikato Divisional or Faculty of Māori and Indigenous Studies committee.

(3) Under these regulations, all research and/or related activities are required to have formal ethics review and approval.

(4) Applications for approval are not required for normal teaching activities; but are required for specific teaching that involves the participation of a student or students and has the potential for harm (see section 13 of these regulations), or that involves collection of data from students.

(5) Applications are not required for University teaching evaluations or for University reviews and quality assurance activities; however, such activities do have ethical implications and should be conducted in a professional way consistent with the University *Staff Code of Conduct* and should be consistent with the spirit of these regulations.

5. Definitions

In these regulations

research means an inquiry of an investigative, experimental, or critical nature which is driven by a question, hypothesis, or intellectual position capable of rigorous assessment, and the

findings of which are open to scrutiny and formal evaluation. It may include any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

related activities may include teaching, consulting, evaluation, and publication when these activities involve collecting data about and from people and organisations. These activities are defined as follows:

teaching means teaching in lectures, tutorials, demonstrations, and related educational research

consulting means the provision of advice to a client, such advice being based upon the pre-existing professional knowledge and skills of the consultant

evaluation means the systematic collection and analysis of information to make judgements, usually about the effectiveness, efficiency, and/or appropriateness of the research and/or related activity

publication means any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

participant means a live human being or group of live human beings who participate in research and/or related activities whether by observation, questioning, participation in an experiment, provision of specimens or human tissue samples, or by any other means

organisation means a social unit of people systematically arranged and managed to meet a need or to pursue collective goals on a continuing basis. Examples include firms, iwi groupings, schools, and professional societies

researcher means the person undertaking research and/or related activities

harm includes physical, psychological, social, economic, or cultural harm to participants

field research means research conducted in person in a natural setting outside of a laboratory.

6. **Application procedures**

- (1) A staff member, student, or authorised person must not commence research or a related activity until it has been approved by the appropriate authority and in accordance with these regulations.
- (2) Researchers must submit applications for approval for their research or related activity to one of the delegated relevant Divisional or Faculty of Māori and Indigenous Studies committees (see section 22 of and Appendix 2 to these regulations) within the University.
- (3) Where applications are made to an external ethics committee, an application must also be submitted to, and approved by, the relevant delegated committee within the University (see section 22(3) of and Appendix 5 to these regulations).
- (4) Applications for approval of research and/or related activities must be submitted in the form prescribed for the relevant Division or the Faculty of Māori and Indigenous Studies (see Appendix 3 to these regulations).
- (5) If an ethical issue relating to the research and/or related activity that was not envisaged at the beginning arises during its course, the researcher must stop the research and/or related activity, consult the appropriate authority, and apply for approval. The researcher must not

begin the research and/or related activity again until the necessary approval has been obtained.

- (6) For situations where prior, free, express, and informed consent from participants may not be possible, see sections 10 and 11 of these regulations for guidance in making application for approval of the research or a related activity.

7. **Responsibility for ethics in research and related activities**

- (1) Individual staff, students, and authorised persons are responsible for ensuring their research and/or related activities comply with these regulations.
- (2) If a researcher is a student, the staff member responsible for supervising the student's research must take all reasonable steps to ensure that the student complies with these regulations.
- (3) Paper convenors may apply for ethics approval for an entire paper if it involves students in that paper engaging in research or related activities. Such applications must cover all anticipated research or related activities the student may engage in, and the convenor's, lecturers' and/or tutors' responsibilities. Applications must identify ethical issues and describe practices for addressing them.

8. **Value of research or related activities and the public interest**

- (1) A researcher must be able to justify to their peers the goals and methodology of the research and/or related activity in terms of its reasonably anticipated benefits balanced against any foreseeable risk of harm to the participants.
- (2) A researcher must normally make available the findings of research in the public domain. Any exception to this must be approved in writing by the Senior Deputy Vice-Chancellor, or by a person to whom authority is delegated in writing by the Senior Deputy Vice-Chancellor (see section 10(7) and section 14 of the [Dissertations and Theses Regulations 2015](#)).

9. **Informed consent of participants**

- (1) Researchers must gain participants' prior, free, express, and informed consent in a culturally and socially appropriate manner, unless in the case of approved exceptions. For proxy consent from authorised representatives, see subsection (4)(e) and (4)(f) of this section of these regulations. Exceptions regarding large sample surveys and similar research methods, some cases of field research, and the possibility of gaining informed consent after data collection are dealt with in sections 10, 11 and 14 of these regulations.
- (2) A researcher must establish explicit processes for reaching agreement with participants. A researcher must not involve a participant in any research and/or related activities unless the researcher is satisfied that the participant has understood the nature of their involvement and freely agreed to it in accordance with the principles outlined in this section.
- (3) A researcher must not use explicit or implicit coercion to obtain the agreement, and must not use inducement to obtain the agreement except in accordance with section 18 of these regulations.

- (4) Unless sections 10, 11 or 14 of these regulations apply, a researcher must adhere to the following principles with respect to informed consent of participants:
- (a) A researcher must inform prospective participants of all information relevant to the decision to participate including
 - (i) their right to decline to participate in the research and/or related activities or any portion or any part of these
 - (ii) the form in which the findings will be published
 - (iii) duration and security of data storage
 - (iv) their right to withdraw any information they have provided up until analysis has commenced on their data
 - (v) their right to access and correct personal information
 - (vi) the process for withdrawing information they have provided.
 - (b) The more readily identifiable the participants may be, the more formal the consent should be. Where participants are asked to answer questionnaires that might identify them, answer questions in a formal interview, undergo formal tests, or where they are subjected to formal observation and recording procedures, the process for obtaining informed consent, and the form of the consent, should be similarly formal and recorded in writing or some other reproducible form. Where the participation is more anonymous the consent may be less personalised and less explicit (see section 10 of these regulations).
 - (c) If the research or related activity involves manipulation of, or intervention in, the physical or psychological state of a participant, the participant's consent, or, if subsection (e) of this section applies, the consent of the person with authorised responsibility for the participant, must be recorded in writing or some other reproducible form.
 - (d) Because some research and/or related activities involve collectives, a researcher must recognise the complexities of relationships between individuals and collectives. In some cultures it is common for the leader of a collective to make a decision in respect of participation on behalf of its members. If an individual in a collective wishes to participate or not to participate in the research and/or related activity, regardless of a decision taken on behalf of the collective, the individual's wishes must be respected and all reasonable care taken to ensure that those wishes are also respected by other members of the collective.
 - (e) If a prospective participant is reasonably judged incapable of giving informed consent, the researcher must obtain the proxy consent from the person who has responsibility for the prospective participant's welfare, taking particular care to protect the participant's interests and also taking into account any potential conflict of interest between them and the person whose consent is required.
 - (f) A researcher who seeks the proxy consent of another person on behalf of a prospective

participant under subsection (e) of this section must make all reasonable effort to involve the prospective participant themselves in the process and the decision about consent.

- (g) Staff, students, and other approved persons must obtain informed consent when recording images of participants, participants' possessions, or research and/or related activity in which participants are involved, unless the recording of images is of lawful activity occurring in a public place and is culturally appropriate.
- (h) A researcher must provide the information under subsection (a) of this section plainly and in the language and medium that is appropriate for the prospective participants.
- (i) A researcher must inform participants of their right of access to any data that may have been collected from or about them.
- (j) A researcher must inform participants of their right to complain about the conduct of the research and/or related activity and must also inform them of the process for making a complaint.

10. Large random sample surveys and informed consent

- (1) A researcher who intends to collect data involving large numbers of people is not required to adhere to all the principles concerning informed consent outlined in section 9(4) of these regulations if the research method makes adherence to all these principles impractical or undesirable and if such a requirement is likely to impact adversely on the researcher's ability to generate reliable information.
- (2) However, the researcher must declare and justify an intention not to adhere to the principles in section 9(4) of these regulations in the application for approval submitted under section 6 of these regulations.
- (3) In these situations the researcher must provide the following information, as a minimum, to a participant before the research or related activity begins
 - (a) the anticipated length of the research or related activity
 - (b) the general purpose of the research or related activity
 - (c) the forms in which the data might be published
 - (d) an assurance that the participant will not be identified in any publication or dissemination of research findings.

11. Field research and informed consent

- (1) 'Field' research in this context means research conducted in person in a natural setting outside of a laboratory.
- (2) In field research situations, prior, free, express, and informed consent must be gained in a culturally and socially appropriate manner from participants.
- (3) In some forms of field research using such methods as participant observation, participatory research and action research, where obtaining prior, free, express, and informed consent

from all participants would be inappropriately intrusive or impractical for social, cultural, or methodological reasons, it is acceptable not to gain such consent.

- (4) However, the researcher must take care to apply other ethical principles, especially minimising the risk of harm to participants and maintaining the anonymity of participants. It may also be appropriate in such cases that informed consent be sought afterwards but prior to the publication of research findings, from people who have in the course of information collection come to the attention of the researcher.

12. Archiving of data, privacy, storage, and use of information

- (1) All non-identifying data (eg data sets and transcripts) used for publication must be securely kept long enough to allow for academic examination, challenge, or peer review. This period would normally be at least five years. Identifying data such as consent forms, photographs, and videos will be securely stored consistent with agreements made under section 9(4)(a) of these regulations. The responsibility for data storage lies with the department or other equivalent academic unit.
- (2) Where the research and/or related activity is conducted in New Zealand, the researcher must comply with the Privacy Act 1993 and the Official Information Act 1982, and must adhere to the following principles consistent with that legislation
 - (a) participants and informants must not be publicly identified or identifiable without their explicit consent
 - (b) participants must be informed (unless sections 10, 11 and 14 of these regulations apply) that they will not be identified in any publication or dissemination of the research findings without their explicit consent
 - (c) researchers must take all reasonable precautions to prevent unauthorised use, access, modification, or disclosure of personal information
 - (d) data identifying participants must not be kept for longer than required for the purpose for which it is collected (see subsection (1) of this section)
 - (e) except in circumstances specified in the relevant legislation, personal information may be used only for the purpose for which it is collected.
- (3) Where the research and/or related activity is conducted in a country other than New Zealand, the researcher must comply with any legislation that applies in that country with respect to privacy and storage of personal information.
- (4) Even where the research and/or related activity is conducted in a country other than New Zealand, the researcher must comply as far as possible with the spirit of the Privacy Act 1993 and the Official Information Act 1982; however, if there are contradictions between the legislation of New Zealand and the other country, the legislation of the other country must prevail
- (5) A researcher must include in an application submitted under section 4(3) of these regulations a statement about the conditions under which, and the period for which, any personal

information collected for the research and/or related activity is to be stored.

- (6) Data must not be made available to persons or for purposes that are not named on the application.

13. Minimisation of harm

- (1) A researcher must make particular effort to identify physical, psychological, social, economic, or cultural harm to participants before seeking their consent to participation.
- (2) A researcher must minimise both the risk of harm to a participant and the potential for negative consequences of the harm.
- (3) 'Harm' in this context includes pain, stress, emotional distress, fatigue, embarrassment, and exploitation.
- (4) Unless it would be impractical or undesirable to do so in the terms described in section 10 of these regulations, a researcher must consult participants to ascertain any risk of harm that they themselves may identify or concerns that they themselves may have.
- (5) If, during the course of the research and/or related activity, it is apparent to the researcher that the risk of harm to the participant is greater than originally envisaged, the researcher must inform the participant and re-evaluate the research and/or related activity in terms of the principles outlined in this section.

14. Limitation of deception

- (1) Deception of participants conflicts with the principle of informed consent, but in some research and/or related activities it may be necessary to withhold information about the purpose of the research and/or related activity or the procedures involved.
- (2) Research and/or related activities involving deception of participants will be approved only if the researcher demonstrates in the application for ethics review that the deception is absolutely essential to the goals of the research and/or related activity.
- (3) A researcher who undertakes research and/or related activities involving deception of a participant must ensure that the participant is provided with an explanation of the true purpose of the research and/or related activity and the reason for the deception as soon as practicable after the participation.

15. Social and cultural sensitivity

- (1) A researcher must respect the cultural, social, and language preferences and sensitivities of the participant.
- (2) Where the research and/or related activity potentially affects individuals or groups who are significantly different in culture from the researcher, the researcher must consult an appropriate person before the research and/or related activity begins about appropriate cultural procedures and approaches to the research and/or related activity and about informing the participant or community concerned of the research findings.
- (3) An application for ethics review under these regulations must demonstrate how the

researcher has responded to the advice received from the person consulted.

- (4) Appropriate consultation and subsequent responses on matters of social and cultural sensitivity are the responsibility of the researcher.

16. Exploitation of relationships

- (1) A researcher must not exploit the relationship between researcher and participant.
- (2) A researcher must resist any initiative by a participant to exploit the relationship between researcher and participant.
- (3) 'Exploitation' in this context means the seeking or obtaining of money, goods, services, favours, information or relationships that have no direct bearing on the stated research and/or related activity aims or data gathering.
- (4) Where a researcher is a staff member and the prospective participant a student, the researcher must not exploit that relationship and must strive to ensure that the student is not disadvantaged through their participation or refusal to participate, academically, professionally, or otherwise.

17. Respect for property rights

- (1) A researcher must ensure that procedures or publications associated with the research and/or related activity do not infringe legally determined property rights.
- (2) A researcher must ensure that procedures or publications associated with the research and/or related activity do not infringe culturally determined property rights to the extent possible and reasonable in all circumstances.
- (3) Property rights in this context may apply to land, goods, works of art and craft, images, and intangible materials such as spiritual treasures, music, information, and intellectual property (see Appendix 4 of these regulations).
- (4) A researcher must identify and address any issues associated with property rights and ownership of data at the time they seek informed consent and monitor these issues throughout the research process.

18. Payment for participation

A researcher must not pay participants for their participation, or arrange for participants to be paid, in money, goods, services, prizes, favours, or in any other form of remuneration or form of hospitality appropriate to the engagement, either directly or indirectly, unless the payment is approved by the appropriate approving authority (see section 22 of and Appendix 2 to these regulations).

19. Professional codes of ethics

A researcher must ensure that their research or related activity complies with any professional code of ethical practice or standard relevant to the research and/or related activity.

20. University research and/or related activities in schools and early childhood services

A researcher involved in research and/or related activities in schools or early childhood services must comply with the [Guidelines for Observation and Research in Schools and Early Childhood Services](#)  (see Appendix 5 to these regulations).

21. Declaration of potential conflict of interest

- (1) A researcher must, in an application submitted under section 4 of these regulations, declare any potential conflict of interest.
- (2) 'Conflict of interest' occurs where a researcher or related party is, or is reasonably likely to
 - (a) obtain an unfair, inappropriate, or unethical professional, commercial, or personal advantage as a result of or in connection with the research and/or related activity
 - (b) be in a position in relation to the activity or the participants that could appear to affect the researcher's impartiality in the research and/or related activity;
 - (c) obtain a direct or indirect pecuniary benefit or interest as a result of or in connection with the research or related activity.
- (3) If the research and/or related activity is commissioned or sponsored, the researcher must ensure that the commission or the sponsorship
 - (a) is declared to the participants and in any published findings

22. Authority for ethical approval and monitoring

- (1) Authority for administering these regulations rests with the University of Waikato Human Research Ethics Committee.
- (2) The University of Waikato Human Research Ethics Committee makes recommendations to the Vice-Chancellor through the Academic Board for the promotion, review, and monitoring of ethical practice in University research and/or related activities and for monitoring compliance with these regulations.
- (3) Each Division and the Faculty of Māori and Indigenous Studies has one or more committees with responsibility at the Divisional or Faculty of Māori and Indigenous level, delegated by the University of Waikato Human Research Ethics Committee, for
 - (a) the approval of research and/or related activities with human participants in the relevant Division or the Faculty of Māori and Indigenous Studies (health and disability research involving human participants must also be reviewed by the University of Waikato Human Research Ethics Committee).
 - (b) compliance with these regulations in the relevant Division or the Faculty of Māori and Indigenous Studies
 - (c) maintaining records of University research and/or related activity with human participants in the relevant Division or the Faculty of Māori and Indigenous Studies in the form required by the University of Waikato Human Research Ethics Committee
 - (d) reporting to the University of Waikato Human Research Ethics Committee in the form

required by that Committee.

- (4) The Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies recommends to the University of Waikato Human Research Ethics Committee for approval the committee structure for the respective area, and the Terms of Reference, constitution, membership, and procedures of any committee involved consistent with these regulations (see Appendix 2 to these regulations).
- (5) Responsibility for the following matters in any organisational unit outside a Division or the Faculty of Māori and Indigenous Studies is delegated by the University of Waikato Human Research Ethics Committee to the Director of that unit
 - (a) ensuring applications for approval of research and/or related activities with human participants in the unit are submitted to the University of Waikato Human Research Ethics Committee
 - (b) compliance with these regulations in the unit
 - (c) maintaining records of human research and/or related activities with human participants in the unit in the form required by the University of Waikato Human Research Ethics Committee
 - (d) reporting to the University of Waikato Human Research Ethics Committee in the form required by that Committee.
- (6) A committee at the relevant Division or the Faculty of Māori and Indigenous Studies level, or a Director of a unit outside a Division or the Faculty of Māori and Indigenous Studies, may consult with the University of Waikato Human Research Ethics Committee at any time and may request that the University of Waikato Human Research Ethics Committee review any relevant matter, or review any decision taken under delegated authority.

23. Researcher appeals against decisions concerning applications for approval

- (1) Having made an application under these regulations, a researcher may appeal to the University of Waikato Human Research Ethics Committee against any decision taken at the relevant Divisional or the Faculty of Māori and Indigenous Studies level.
- (2) A researcher may appeal to the Academic Board against any decision by the University of Waikato Human Research Ethics Committee under these regulations.
- (3) The Academic Board may determine its own procedures for hearing and deciding the appeal provided that they conform with the principles of natural justice, and may delegate authority to hear and decide an appeal on its behalf.
- (4) The decision of the Academic Board (or delegated authority) on an appeal is final.

24. Addressing concerns and complaints

- (1) A concern or complaint about the research and/or related activities to which these regulations apply may be referred to the University of Waikato Human Research Ethics Committee.
- (2) If a concern or complaint arises, the University of Waikato Human Research Ethics

Committee may require that the relevant research and/or related activity be discontinued until the issue is resolved.

- (3) If the University of Waikato Human Research Ethics Committee considers that the issue is sufficiently serious, it may refer the matter to the Vice-Chancellor who may arrange for it to be dealt with as applicable
 - (a) under the *Student Discipline Regulations 2020*, as amended from time to time
 - (b) as a breach of the *Staff Code of Conduct*
 - (c) as the Vice-Chancellor thinks fit.
- (4) If the University of Waikato Human Research Ethics Committee considers that the issue is not sufficiently serious to be referred to the Vice-Chancellor, it may take informal action, at its discretion, to deal with the complaint or dispute.

25. Appeal provision

- (1) A person may appeal to the Academic Board against any matters dealt with under section 23 or section 24 of these regulations by the University of Waikato Human Research Ethics Committee under these regulations.
- (2) The Academic Board determines its own procedures for hearing and deciding the appeal conforming with the principles of natural justice, and delegates authority to hear and decide an appeal on its behalf.
- (3) The decision of the Academic Board (or delegated authority) on an appeal is final.

Dissertations and Theses

Deadlines for the submission of dissertations and theses for graduate qualifications are prescribed in section 12 of the [Personal Programmes of Study Regulations](#).

General information about the submission of MPhil and doctoral theses is published on the Higher Research Degrees [website](#).

Deadlines for the submission of theses for the Master of Philosophy (MPhil) and doctoral degrees - Doctor of Philosophy (PhD), Doctor of Education (EdD), Doctor of Health Science (DHSc), Doctor of Juridical Science (SJD), and Doctor of Musical Arts (DMA) are determined on an individual basis. Details about terms of enrolment for these degrees are available from Te Mata Kairangi School of Graduate Research.

Students may obtain details about style, general layout, and important conventions to be followed in writing a thesis (referencing, bibliographies etc.) from their supervisor or relevant School or Faculty. The University of Waikato Library also publishes a guide to the presentation and submission of dissertations and theses which is available from the Library [website](#).

Dissertations and Theses Regulations

1. Title

These are the Dissertations and Theses Regulations 2020.

2. Date of effect

These regulations are effective from 1 January 2020.

3. Definitions

In these regulations

dissertation means a piece of written work that reports on the findings of a theoretical or empirical investigation and is undertaken in accordance with the regulations for an honours or first masters degree

first masters degree means a masters degree except for the Master of Philosophy (MPhil)

thesis means a piece of written work undertaken in accordance with the regulations for a first masters degree and equivalent to at least 90 points at 500 level, or a piece of written work undertaken in accordance with the regulations for a Master of Philosophy or doctoral degree. Applicants who intend to integrate a creative practice component with their thesis must comply with the Requirements for PhD with a Creative Practice Component, available from Te Mata Kairangi School of Graduate Research. A thesis is externally examined and if passed is considered to embody research of a kind and standard appropriate for the thesis to be lodged permanently in the University's digital repository, Research Commons, and is publicly accessible (unless embargoed under section 12 of these regulations).

4. **Word limit for dissertations**

The maximum word limit for a dissertation is determined by the School of Faculty in which the dissertation is undertaken.

5. **Word limit for first masters theses**

Unless the Head of School or Dean of the School or Faculty in which the thesis is undertaken approves otherwise in the case of an individual student or subject, the maximum word limit for a first masters thesis is 50,000 words.

6. **Word limit for Master of Philosophy (MPhil) theses**

Unless the Postgraduate Research Committee approves otherwise in an individual case, the maximum word limit for an MPhil thesis is 50,000 words.

7. **Word limit for doctoral theses**

Unless the Postgraduate Research Committee approves otherwise in an individual case, the maximum word limit is

- (a) for a PhD thesis, 100,000 words
- (b) for an EdD or SJD thesis, 60,000 words
- (c) for a DMA thesis, 50,000 words.

8. **Submission of dissertations**

- (1) When the dissertation is ready for examination, the student must submit two copies to the relevant Head of School or Dean of the School or Faculty.
- (2) Dissertations are not required to be bound, but must be formatted and presented in accordance with relevant School or Faculty policy.
- (3) The relevant Head of School or Dean may agree to accept part or all of a dissertation solely

in digital form.

9. Submission of first masters theses

- (1) When it is ready for examination, a digital copy of the thesis, which will include an abstract of no more than 500 words, immediately following the title page and written in a form suitable for publication, must be submitted by the student to the Student Centre Team.
- (2) The thesis must be accompanied by a declaration, signed by the student's chief supervisor, stating
 - (a) whether the thesis is, in the supervisor's opinion, ready for examination, and
 - (b) that the thesis embodies the student's own work, carried out under the supervisor's direct supervision, and
 - (c) that evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or the [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#)  had been provided.
- (3) After a thesis has been examined, passed and returned to a student, the student must, within three weeks, submit a final digital copy of the thesis to the University's digital repository, Research Commons.
- (4) After a thesis has been examined, passed, and submitted in final digital form the digital copy will be lodged permanently in the University's digital repository, and, unless the Deputy Vice-Chancellor Research has approved an embargo under section 12 of these regulations, will be publicly accessible.

10. Submission of MPhil and doctoral theses

- (1) When it is ready for examination, a digital copy of the MPhil thesis or the doctoral thesis, which will include an abstract of no more than 500 words, immediately following the title page and written in a form suitable for publication, must be submitted by the student to Te Mata Kairangi School of Graduate Research.
- (2) The thesis must be accompanied by a declaration, signed by the student's chief supervisor, stating
 - (a) whether the thesis is, in the supervisor's opinion, ready for examination, and
 - (b) that the thesis embodies the student's own work, carried out under the supervisor's direct supervision, and
 - (c) that evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or the [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#)  had been provided.
- (3) After a thesis has been examined and passed, a student, before being entitled to have the relevant degree formally conferred, must submit in final digital form, the copy to be lodged

permanently in the University's digital repository, Research Commons, and, unless the Deputy Vice-Chancellor Research has approved an embargo under section 12 of these regulations, this copy will be publicly accessible.

11. Digital format

- (1) The format for submission of the digital copy of a thesis required under subsection 9(1) and 10(1) of these regulations is set out in the University publication *Write and Submit a Thesis* a which is available from the Library website.

12. Embargoes

- (1) Because freedom to exchange ideas and to publish acquired knowledge are fundamental to the purposes of a university, restrictions on freedom of access to dissertations and theses are acceptable only in very limited circumstances approved by the Deputy Vice-Chancellor Research.
- (2) Embargoes of dissertations or theses, either in part or in full, are subject to written approval of the Deputy Vice-Chancellor Research.
- (3) Embargo of a dissertation or thesis is normally approved only under the following circumstances:
 - (a) if it is pending publication
 - (b) if it is pending the filing of a patent
 - (c) to allow a funder to comment
 - (d) to protect pre-existing traditional knowledge of a whanau/hapu/iwi
 - (e) to protect pre-existing commercial agreements
 - (f) if there is a pre-existing contractual obligation
 - (g) if restriction is necessary under the Privacy Act 1993 or the Official Information Act 1982.
- (4) An embargo will be approved only for a limited period.
- (5) If the Deputy Vice-Chancellor Research has approved an embargo, only the author, title, abstract and other meta-data of the full digital copy held by the University may be publicly accessible through the University's digital repository, Research Commons.

Assessment Regulations

Part 1 General

1. Title

These are the Assessment Regulations 2016.

2. Date of effect

These regulations are effective from 1 January 2016.

3. Definitions

In these regulations

Assessment means the internal assessment (details of which are prescribed in the relevant paper outline) and, if one is offered, the examination that a student must undertake in order to be awarded a grade for the paper concerned

Chief Examiner means the person appointed by the relevant Head of School or Dean as the chief examiner for the paper concerned; (the names of chief examiners are available from the Director of Student Services)

Compulsory Assessment Item means an assessment item that is identified as compulsory in the relevant paper outline, and that a student must submit in order to be eligible to pass the paper

Examination means the portion of the assessment for a paper that a student undertakes under formally supervised conditions, at a time and place notified by the Student Centre

Examiner means the person or persons designated in the relevant paper outline as the lecturer or convenor of the paper concerned

Internal Assessment means the portion of the assessment for a paper that is assigned, supervised and marked internally within the relevant department; it may include assignments,

practical work, work in tutorials, seminars, written or oral tests, recitals, performances or attendance requirements

Paper Outline means the document distributed by the relevant department providing detailed information about the nature and requirements of the paper

Plagiarism means presenting as one's own work the work of another, and includes the copying or paraphrasing of another person's work in an assessment item without acknowledging it as the other person's work through full and accurate referencing; it applies to assessment presented through a written, spoken, electronic, broadcasting, visual, performance or other medium

Special Examination means an examination prepared and scheduled for a student whose application for special consideration under section 17 of these regulations has been accepted as valid by the Special Consideration Committee.

4. **Application**

These regulations apply to papers at 0, 100, 200, 300, 400, 500, and 700 levels.

5. **Fees**

The fees referred to in these regulations are prescribed in the [Table of Fees and Charges](#).

6. **Eligibility to submit assessment**

A student must be enrolled for a paper in order to be eligible to submit assessment in it.

7. **Use of particular languages for assessment**

- (1) Unless specified otherwise in the relevant paper outline, students must submit assessment in either English or Māori.
- (2) The presentation of assessment in Māori is subject to the [Policy on the Use of Māori for Assessment](#).

8. **Plagiarism and cheating**

- (1) Guidelines for sourcing and referencing styles appropriate to particular disciplines are available from the Faculties or School of Studies and the Library.
- (2) Plagiarism is prohibited.
- (3) It is not a defence against a charge of plagiarism for a student to argue that they did not act intentionally in appropriating the writing or work of another person; however, the extent to which the student is judged to have plagiarised intentionally, and the level and standard of scholarship that might reasonably be expected of the student, may be factors in the determination of any disciplinary action to be taken against the student.
- (4) Cheating in any matter connected with assessment is prohibited.

9. **Use of the same material for different assessment items**

Unless approved otherwise by the examiner of the paper concerned, a student must not submit for assessment material that is substantially the same as material submitted for assessment for a

different paper, or for a paper which the student has attempted and/or completed previously in substantially the same form and is repeating.

Part 2 Conduct in Examinations

10. Presence and identification at examinations

- (1) A student may attend an examination only if he or she is enrolled for the paper for which it is prescribed.
- (2) A student may not enter an examination to begin an examination after the first 45 minutes.
- (3) Except with the permission of the examination supervisor, a student may not leave an examination room during the first 45 minutes or during the last 15 minutes.
- (4) Students undertaking an examination must sign their examination script and identify themselves to the Examination Supervisor by producing either
 - (a) their student identity card, or
 - (b) another form of photo identification that can be authenticated by the Examination Supervisor.
- (5) A student may not leave the examination room during an examination with the intention of returning unless supervised during the period of absence by the examination supervisor.

11. Conduct in the examination room

- (1) A student undertaking an examination must follow the instructions in the examination paper as well as any instructions given by the Examination Supervisor.
- (2) An electronic device that
 - (a) makes use of an audible alarm, or
 - (b) has facilities for transmission or reception of information, or
 - (c) is capable of storing and displaying informationis prohibited in the examination room, unless it is turned off and stored separately from the student, or is an item authorised by an Examiner under subsection 11(3) of these regulations.
- (3) A student may not bring into the examination room any of the following items unless authorised in writing by the Examiner:
 - (a) paper
 - (b) books
 - (c) calculators
 - (d) electronic devices, including dictionaries
 - (e) computers.
- (4) If items are authorised under subsection 11(3) of these regulations, details of the type and

the functions that may be used will be specified by the Examiner.

- (5) Items brought into an examination room may be subject to scrutiny and their use during the examination may be monitored by the Examination Supervisor.
- (6) A student undertaking an examination must not
 - (a) communicate with another student during the examination
 - (b) share material in the examination room.

12. Communications with others about examinations

- (1) A student must not communicate with the examiner about the content of an examination between the time it is undertaken and the notification of confirmed grades.
- (2) A student who wishes to raise an issue about an examination between the time it is undertaken and the notification of confirmed grades may do so by contacting the Student Centre.

Part 3 Special Arrangements for Examinations

13. Applications and procedures

- (1) Applications under Part 3 are considered and decided upon by the Special Consideration Committee. Which is a committee of the Education Committee.
- (2) The times and places of examinations are notified by the Student Centre.
- (3) A student
 - (a) who has a learning or physical disability that is likely to affect his or her performance in an examination, or
 - (b) who, for any other reason that he or she considers to be compelling, requires a special arrangement to undertake an examination,may apply to undertake the examination at a different time, a different place, or under special conditions.
- (4) The application must be submitted to the Student Centre, on the prescribed form, as soon as practicable after the teaching of the paper has started and the need for the special arrangement has been identified.
- (5) If the need is identified too late to allow for a suitable arrangement to be made by the University, the student will be advised to apply for special consideration under Part 4 of these regulations.
- (6) An application under Part 3 must be supported by evidence as stipulated on the application form.
- (7) A student who makes an application under this Part may be requested by the Special Consideration Committee to undergo an evaluation by an independent professional person.
- (8) The University makes any arrangements and meets any costs for an evaluation under

subsection 13(7) of these regulations.

- (9) If the Special Consideration Committee considers that
- (a) the circumstances documented in the application are valid according to the criteria set down in subsection 13(3) of these regulations, and
 - (b) it is practicable to do so given the nature of the circumstances involved and the availability of resources, it will offer the student a special arrangement.

14. **Conditions attached to special arrangements**

- (1) Unless approved otherwise by the Special Consideration Committee, a student will not be permitted to undertake an examination at a different time that is more than two days before or after the notified time for other candidates.
- (2) A student who accepts an opportunity to undertake an examination at a different time is required to sign a statutory declaration promising not to communicate about the content of the examination with any other person between the time they undertake it and the time it is undertaken by the other candidates.
- (3) The Special Consideration Committee may require, as a condition attached to the offer of a special arrangement, that the student contribute part or all of any associated costs.

Part 4 Special Consideration for Missed Assessment, or Impaired Performance in Assessment

15. **Grounds for applications for special consideration**

If, due to circumstances beyond their control (such as illness, injury, bereavement or trauma)

- (a) a student has been prevented from presenting internal assessment,
- (b) a student's performance in internal assessment has been seriously impaired,
- (c) a student has been prevented from undertaking an examination,
- (d) a student's performance in an examination has been seriously impaired, or
- (e) a student's ability to prepare for an examination in the two weeks immediately preceding the examination has been seriously impaired, the student may apply for special consideration.

16. **Special consideration in respect of internal assessment**

- (1) Applications for special consideration in respect of internal assessment are considered and decided by the Examiner of the paper for which the assessment is prescribed.
- (2) An application for special consideration in respect of an internal assessment must be made in writing to the relevant Examiner not later than three days after the date on which it is due.
- (3) The application must be supported by evidence that is acceptable to the Examiner; the evidence may be in the form of
 - (a) a medical certificate for an illness or injury affecting the period relevant to the particular assessment item, or

- (b) evidence of any other circumstance and its effect on the student over the period relevant to the particular assessment item.
- (4) If the Examiner accepts that the circumstances documented in the application are valid, they may
 - (a) estimate a mark for the assessment item, or
 - (b) if it is practicable to do so, offer the student an opportunity to submit or repeat the original assessment item or to submit an alternative assessment item.
- (5) A student may not be awarded estimated marks under subsection 16(4) of these regulations for more than 33% of the overall internal assessment for a paper.
- (6) If the Examiner does not offer any of the options under subsection 16(4) of these regulations, the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.
- (7) A student may appeal to the Chief Examiner against any decision by an examiner under this section.
- (8) An appeal to the Chief Examiner must be made in writing by the student not more than seven days after they have received notification of the relevant decision by the Examiner.
- (9) Where an Examiner is also the Chief Examiner, a student may appeal directly to the Director of Student Services under the provisions of section 24 of these regulations.

17. **Special consideration in respect of examinations**

- (1) Applications for special consideration in respect of examinations are considered and decided by the Special Consideration Committee.
- (2) In order to be eligible for special consideration in respect of an examination, a student must have submitted all compulsory items of internal assessment for the relevant paper.
- (3) An application for special consideration in respect of an examination must be submitted to the Student Centre on the prescribed form not later than three days after the date of the examination.
- (4) The application must be accompanied by evidence of the circumstances relating to the application.
- (5) In the case of injury, illness, bereavement or trauma, the evidence required under subsection 17(4) of these regulations must be in the form of a report that relates to a consultation within 24 hours of the examination between the student and a medical practitioner, midwife, dental surgeon or psychologist, or between the student and a counsellor who is recognised for this purpose by the Special Consideration Committee. (Details of the names of counsellors recognised for this purpose are available from the Student Centre.)
- (6) In the case of any circumstance other than those described in subsection 17(5) of these regulations, the evidence must be in the form of a statement of the nature and time of the

circumstance, written by the student.

- (7) The Director of Student Services may, at their discretion, request the student to submit a statutory declaration affirming details of the circumstances relating to the application.
- (8) Where an application is accepted as valid by the Special Consideration Committee, the Chief Examiner will be requested by the Student Centre to consider the assessment of the student in the relevant paper.
- (9) The Chief Examiner may at their discretion
 - (a) estimate a grade for the paper, or
 - (b) offer the student the opportunity to undertake a special examination.
- (10) If the Chief Examiner does not estimate a grade for the paper under subsection 17(9) of these regulations, and it is not practicable to offer a special examination (either because of the nature of the assessment or the continuing circumstances of the student), the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.
- (11) Where a student demonstrates to the Director of Student Services that, because of circumstances beyond their control, they are not able to accept the offer of a special examination, the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.

Part 5 Review of Grade and Return of Examination Script

18. Review of grade

- (1) A student who considers that a mistake has been made in the process of calculating or determining a grade for a paper may apply for a review of a grade.
- (2) An application for review of grade must be submitted by the student on the prescribed form, together with the prescribed fee, to the Student Centre not more than 14 days after receiving notification of the grade.
- (3) The application must be accompanied by all items of internal assessment for the relevant paper that have been returned to the student.
- (4) A review of grade involves a re-marking of all items of assessment that contribute to the final grade and a re-calculation of marks, or the student may elect to have their exam script only reviewed.
- (5) A review of grade results in a grade either being left unchanged, raised or lowered.
- (6) The fee for a review of grade is refunded if the review results in a change of grade.

19. Return of examination script

- (1) A student may apply for the return of his or her marked examination script.
- (2) An application for the return of an examination script must be submitted to the Student Centre online, as prescribed in the [Copies of Examination Scripts](#), no later than three months after

the date of the examination concerned. Proof of identity and the prescribed fee must accompany this application.

- (3) Non-publishable exam papers remain the property of the University. Students are only able to view a non-publishable paper exam script for 15 minutes under supervision. Proof of identity is required and no notes can be taken. This does not incur any charges.
- (4) Examination scripts are destroyed by the University after the three-month deadline has elapsed.

Part 6 Grades and Annotations

20. Grades

- (1) Grades are confirmed by Boards of Examiners or delegated authorities.
- (2) The schedule of grades used by the University and the range of marks represented by each grade is as follows:

Pass Grades

A+

90-100%

A

85-89%

A-

80-84%

B+

- (3) An IC annotation means “Incomplete”, and is awarded if a student
 - (a) does not submit a compulsory assessment item, or
 - (b) if an examination was prescribed, does not undertake the examination.
- (4) An IC annotation is treated as a fail grade.
- (5) A “ ... ” annotation is used on students’ academic records for theses and papers that may be undertaken over more than one year, and indicates that the enrolment is continuing into a subsequent year.
- (6) A restricted pass (“RP”) grade may be awarded at the discretion of a Board of Examiners or delegated authority for a paper in which the student has achieved
 - (a) borderline performance, or
 - (b) a D grade compensated by overall good performance in the relevant subject or the relevant subject and closely related subjects.

Note: A paper for which a Restricted Pass (RP) has been awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Head of School or the Dean of the Faculty or School in which the other paper is offered approves otherwise.

- (7) The NC annotation means “No Credit” and indicates that credit for the paper has been refused as a direct consequence of a finding of misconduct.

21. **Conceded credit**

- (1) A Board of Examiners or delegated authority may award a conceded credit to a candidate for a bachelors degree who has
 - (a) undertaken the required number of papers for the degree,
 - (b) passed all compulsory papers, and
 - (c) passed all papers required for the major, specified programme or stream,

but who has narrowly failed one paper in the final year.

- (2) The award of a conceded credit is based on the candidate's performance in the bachelors degree as a whole as well as the paper in question.
- (3) The conceded credit is attached to the degree as a whole (and does not affect the fail grade in the paper in question).
- (4) A student may be awarded one conceded credit only in a bachelors degree.

22. Notification of confirmed grades

- (1) When assessment results are returned to a student those results will include a percentage mark, except where a P (ungraded pass) or F (ungraded fail) mark is given.
- (2) Confirmed final grades are published confidentially in MyWaikato.

Part 7 Breaches and Appeals

23. Breaches

A breach of these regulations is misconduct under the [Student Discipline Regulations 2020](#) .

24. Appeals

- (1) A student may appeal against any decision taken under these regulations.
- (2) An appeal, comprising a written statement of the circumstances of the appeal, together with supporting evidence if available, must be submitted by the student in writing to the Director of Student Services Division not more than seven days after the date on which notification of the relevant decision is received.
- (3) Appeals under this section are considered and decided by the Deputy Vice-Chancellor by delegated authority of the Education Committee.
- (4) A decision by the Deputy Vice-Chancellor is notified in writing, and is final.

Part 8 Grade Reconsideration under COVID-19

25. Scope and application

- (1) Part 8 sets out the process for the reconsideration of a paper grade, in its entirety, due to circumstances related to COVID-19.
- (2) This Part applies to papers where a date between 30 March 2020 and 28 June 2020 inclusive, falls between the paper's start and end dates inclusive. In exceptional circumstances, papers outside of this criteria may be considered.
- (3) Part 8 does not apply to dissertation or thesis papers.
- (4) An application under Part 8 does not affect the ability of a student to make an application under any other part of these regulations.

26. Grounds for grade reconsideration

If, due to circumstances related to COVID-19, and beyond their control,

- (a) a student's performance in a paper has been impaired, and
 - (b) the student believes their final grade has not sufficiently taken account of that impairment,
- the student may apply for grade reconsideration.

27. **Grade reconsideration process**

- (1) An application for grade reconsideration must be made to the Grade Reconsideration Committee within 10 working days of a final grade being notified to the student.
- (2) The application must describe the nature and circumstances of the impairment, with supporting evidence where applicable.
- (3) Where the Grade Reconsideration Committee accepts an application for grade reconsideration, the relevant Board of Examiners or delegated authority, will be required to reconsider the final grade of the student for the relevant paper.
- (4) The Board of Examiners may at their discretion
 - (a) increase the final grade of the paper,
 - (b) offer the student the opportunity to undertake an alternative piece of assessment to replace assessment(s) from the relevant paper, or
 - (c) recommend to the Grade Reconsideration Committee that the student be allowed to withdraw on medical or compassionate grounds under the [Change of Enrolment Regulations 2012](#) .
- (5) Where the Board of Examiners makes a recommendation under subsection 27(4)(c) of these regulations, the Grade Reconsideration Committee may, at their discretion, offer a withdrawal to the student.
- (6) A student may appeal against any decision made by a Board of Examiners under this section.
- (7) An appeal under subsection 27(6) of these regulations must be made by the student in writing to the Grade Reconsideration Committee no more than seven days after notification of the decision by the Board of Examiners is received.

28. **Breaches and Appeals**

For the avoidance of doubt, Part 7 of these regulations applies to the grade reconsideration process.

Policy on the Use of Māori for Assessment

Statement of Principle

1. In recognition of the status of the Māori language as a tāonga protected under the Treaty of Waitangi, and within the spirit of the Māori Language Act 1987, the University of Waikato endorses the right of its students to use the Māori language in written work for assessment within the University.
2. In keeping with the above and in accordance with its Charter commitments the University seeks to have sufficient suitable staff employed or available throughout its Divisions or the Faculty of Māori and Indigenous Studies to ensure that any work submitted in Māori would be assessed in that language by staff competent in the subject under examination and in the Māori language.
3. In the meantime, the use of the Māori language in assessment is subject to conditions set out in this policy statement.

Exceptions

4. There are occasions when, due to the nature of the skills being tested, work submitted for assessment may be required to be in a particular language. In such cases that requirement shall be made explicit in writing, either in the relevant subject entry or prescription in the University of Waikato [Catalogue of Papers](#) or in the paper outline distributed to candidates at the beginning of a paper.

Notice

5. Candidates who intend to present all or part of an examination or piece of internally assessed work in Māori are requested to give at least 14 day's notice of their intention of doing so in writing to the Student Centre. This notice of intention is desirable to allow the University the time and opportunity to make proper arrangements for marking including, when necessary, translation and external assessment. If less than 14 days' notice is given, the material presented in Māori will still

be accepted. The processing of it may, however, be delayed and the opportunity to have the script marked in the original language may be reduced.

6. Where a candidate who intends to present material in Māori has given the requested notice of intention, they will be informed as soon as reasonably possible, as to whether or not the assessment will be based on translation.

Potential for Delays

7. The University will do its best to make the results of an examination or item of internally assessed work presented in Māori available to the candidate within the ordinary time-frame. However the process of assessment in such cases, possibly including translation, may result in delays in the return of coursework or in the publication of results.

Māori-speaking Paper Examiners

8. The examination or internally assessed work will be assessed in Māori by the examiner for the paper if the examiner is considered by the Deputy Vice-Chancellor Māori or their nominee to be linguistically competent to do so.

Co-examiners

9. If the examiner of the relevant paper is not competent to assess in Māori, a co-examiner, competent in both the subject under examination and in Māori, may be appointed to conduct the assessment of work presented in Māori in consultation with the examiner.

Translation

10. If no person is available in the circumstances to assess the work in Māori, a translator will be appointed by the Deputy Vice-Chancellor Māori or their nominee in agreement with the appropriate chief examiner. The translator will be asked not to correct errors in the original nor to make any embellishments; however, ambiguities may be pointed out to the examiner. Where necessary the examiner may seek clarification of the translation of the paper from the translator but contact between the student and the translator is prohibited, as is contact between the student and the examiner. The assessment will then be carried out by the examiner of the paper on the basis of the translation.

The University intends that resort to translation be made only when reasonable efforts to find an examiner capable of assessing the work in its original language have been exhausted.

11. In the process of appointing a translator, the Deputy Vice-Chancellor Māori or their nominee will take all reasonable steps to ensure that the translator is competent in the relevant subject under examination, as well as in the Māori language.

External Assessment

12. If the internal assessment and/or examination script is to be subject to external assessment, the other institution undertaking the external assessment will be requested to indicate whether an external assessor is available to conduct the assessment in Māori. If not, a translation will be obtained for the purpose by the University according to the process explained in sections 10 and 11 of these regulations.

Return of Scripts

13. When any translation is relied upon in the assessment of an examination, a candidate making proper application for the return of a script shall also receive any translation made of the script. When assessed coursework is normally returned to the student, any translation used is likewise to be returned.

Appeals and Reconsiderations

14. An appeal against a decision regarding linguistic or subject competence made under the provisions of sections 8 and 11 of these regulations shall be to the Senior Deputy Vice-Chancellor whose decision shall be final.
15. The regulatory provisions for reconsideration of final grade together with the established appeal provisions will apply, with the addition that the Māori Language Commission is regarded by the Council as the final authority on the accuracy of a translation.

Oral Work

16. The details of this policy apply to written internally assessed work and to examinations. When oral work is assessable, the same principles should apply; however, practicalities may necessitate more restricted policy details, such as a requirement on the candidate to give longer notice or a limitation on the use of Māori where oral work involves interaction with other candidates.

Specialisations

Specialisations provide you with another opportunity to shape your qualification to your interests and needs. They can be used to broaden your knowledge, allow you to focus on an aspect related to your first major, or perhaps provide some cohesion to your elective papers in an area of interest to you.

Specialisations meet all of the requirements for a qualification but provide for further specialisation in or beyond the major (bachelors degree) or subject (honours or masters degree, graduate certificate, graduate diploma, postgraduate certificate, or postgraduate diploma).

For more information and advice on how a specialisation might fit into your programme of study, talk to a Student Advisor in your Division or the Faculty of Māori and Indigenous Studies.

Specialisations at degree level

Specialisations at degree level allow students to include complementary study within their overall programme of study. Specialisations available at degree level are:

- Advanced Pedagogy BEd
- Technology BEd

Specialisations at major or subject level

Specialisations at major or subject level allow students to focus in depth on a particular aspect of that subject. For example, within the International Languages and Cultures major, specialisations in Chinese, French, Japanese and Spanish are available.

At postgraduate level, for example within the Education subject for the Postgraduate Diploma, specialisations in Global Studies in Education, Guidance and Pastoral Care, or Māori Medium Teaching/Te Ropu Paerua are available.

Specialisations available at major or subject level are listed under the subject entries in the [University of Waikato Catalogue of Papers](#).

Enrolment for Individual Paper Credit (IPC)

Students may be permitted to enrol in a paper without enrolling for a particular qualification. This may be because they have no intention of completing a full qualification, or because the paper is being taken for the purposes of qualifying for admission to a specific qualification. Alternatively, the student may be taking the paper for credit towards a qualification at another institution. Enrolments of this nature are recorded as Individual Paper Credit (IPC) enrolments.

Regulations Governing Enrolment for Individual Paper Credit (IPC)

1. A candidate who enrolls on an IPC basis is liable for all fees and charges prescribed for the paper(s) and must meet any requirements specified in the prescription and paper outline.
2. Enrolment on an IPC basis is subject to the approval of the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the paper is offered.
3. A candidate who has passed a paper taken on an IPC basis may, at a later date, apply to have the paper credited to a University of Waikato qualification. Approval will be based on the regulations for the qualification concerned.
4. A student enrolled on an IPC basis is subject to all general regulations of the University of Waikato.
5. A candidate who completes a paper on an IPC basis will receive official notification of their final results from the University of Waikato, and will be eligible to apply for an academic transcript.

Prescriptions for Papers

The following page contains a brief introduction to the subjects and papers offered by the University. Subjects are set out in alphabetical order. A brief description may be given of the content of each paper as well as equivalents and restrictions, prerequisites and corequisites, required book information, and the internal assessment/examination ratio. Students also receive a paper outline when classes start, which provides more detail about the content, reading and assessment requirements for each paper.

In addition to the papers listed, departments may offer 800 and 900 level papers for MPhil and PhD students. Prospective students are advised to consult with Te Mata Kairangi School of Graduate Research and the Head of School or Dean concerned for more information.

The prescriptions refer to the papers which the University expects to offer. The availability of these papers is subject to change if the University encounters unexpected staffing or resource difficulties. For up-to-date details of 2022 offerings, see the online Catalogue of Papers at papers.waikato.ac.nz.

In all cases where it is necessary to cancel papers, the Policy and Procedure for the Cancellation of Papers will apply, as approved by the Academic Board. Copies are available from the Academic Office.

In the prescriptions, each paper is identified by an alpha-numeric code.

For example:

HISTY107-22A (HAM)

*New Zealand
Histories: Fresh
Perspectives*

HISTY		This is the subject code, in this case History
	107	This is the level of the paper, followed by a unique identifier. 100 = 100 level 200 = 200 level 300 = 300 level
	22A	This is the year and trimester in which the paper is taught.
	(HAM)	This is the location where the paper is taught.

A **prerequisite** must be passed before a student may enrol in the paper for which the prerequisite is specified. For example, JAPAN231 *Basic Japanese 1* is a prerequisite for JAPAN232 *Basic Japanese 2*. Students may not enrol in JAPAN232 until they have passed JAPAN231. (A paper for which a Restricted Pass (RP) has been awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the other paper is offered approves otherwise).

A **corequisite** must be taken in association with the paper for which the corequisite is specified. For example ENGEE231 *Electrical Circuits* is a corequisite with ENGEN201 *Engineering Maths and Modelling 2*. You may enrol in ENGEE231 only if you have either already passed ENGEN201 or are concurrently enrolled in it.

Equivalent papers are in effect the same papers, one of which was taught in the past with a different paper code. For example ACCT331 *Management Accounting* is equivalent to ACCTN303 *Management Accounting*. Students who have passed ACCT331 may not enrol in and receive credit for ACCTN303.

Restricted papers share a significant amount of common content. Students may therefore receive credit for only one of the papers listed. For example DIGIB200 *Tools for Managing Projects* has a restriction with PRMGT301 *Fundamentals of Project Management*. Restricted papers may not be used to satisfy prerequisite or corequisite requirements.

The **required books** which may be listed under some of the prescriptions are a conservative list only.

Additional required books may be prescribed during the academic year. Lists of recommended reading are usually included in the paper outline provided by the department concerned.

The **internal assessment/examination weighting** is provided for all papers. The weighting sets out how much of the paper is internally assessed and how much is formally examined, as percentages of the total mark. The weighting 100:0 means a paper is fully internally assessed, while the ratio 50:50 shows that the assessment for the paper is evenly weighted between internal assessment and an examination. Examinations are scheduled in a formal examination period. All A trimester papers which are not fully internally assessed will be examined at mid-year unless otherwise specified. Tests that form part of the internal assessment requirements may be held outside normal lecture hours.

Teaching activities for all undergraduate papers are listed in the Timetable. Teaching activities, including lectures, tutorials, laboratories and workshops, are scheduled to last 50 minutes and begin on the hour until (and including) 12 noon, and at 10 minutes past the hour from 1:10 p.m. This allows a lunch break of 20 minutes from 12:50 p.m. to 1:10 p.m. for students with continuous teaching activity commitments. Normal teaching hours are between 8.00 a.m. and 6.00 p.m.

A **trimester** is a period for which students enrol in papers, attend classes and submit assessment items. The University of Waikato has two standard trimesters (A and B), which each normally comprise 17 weeks. There are also two intensive summer teaching periods - Summer School 1 (H trimester), normally comprising seven weeks in January/February, and Summer School 2 (G trimester), normally comprising six weeks in November/December. The trimester period includes teaching as well as any study weeks and an examination period. The exact duration of trimesters in a particular year is defined by week numbers in the [Teaching and Assessment Periods](#).

2022:	A trimester	weeks 10-26
	B trimester	weeks 29-45
	C trimester	weeks 46-7
	D trimester	weeks 10-45
	G trimester	weeks 46-51
	H trimester	weeks 1-7

Some papers have start and end dates which differ from the standard teaching periods set out above. Papers which extend across both the A and B trimesters are annotated as D papers. Papers which are taught in non-standard periods have a X, I, or J etc. suffix.

The period for which a student is eligible for loans and/or allowances, is calculated on the basis of the exact start and end weeks of papers. Students are advised of the start and end dates of their papers in the relevant paper outlines.

[Part 1: General](#)

[Part 2: Authorities](#)

[Part 3: Procedures for Making, Investigating and Resolving Complaints of Student Misconduct](#)

[Part 4: Provisions for Appeal](#)

[Part 5: Reporting](#)

Preamble

At the time they enrol, students are required to agree to abide by the regulations of the University of Waikato as published in the University of Waikato Calendar. The Student Discipline Regulations provide the framework for addressing alleged breaches of University regulations by students and for applying penalties where breaches are substantiated.

Members of the University community are entitled to operate and interact in an environment of safety and respect. It is expected that students will act with integrity and demonstrate respect for others.

If differences and disputes arise between members of the University community, it is expected that they will attempt to resolve such conflicts reasonably and co-operatively. Discipline procedures should be used only where other methods of resolving conflicts have been ineffective or would be inappropriate.

It is the policy of the University that all discipline procedures conform to the principles of natural justice. The procedures in these regulations have been adopted to safeguard the rights of individuals in this respect.

Student Discipline Regulations 2020

Part 1

General

1. Title

These are the Student Discipline Regulations 2020.

2. Date of effect

These regulations are effective from 2 December 2020.

3. Purpose

The purpose of these regulations is to:

- (a) define student misconduct
- (b) explain procedures for making, investigating and resolving complaints of student misconduct, and
- (c) set out the penalties that may be applied where misconduct by a student is substantiated.

4. Application

- (1) These regulations apply to the conduct of students while they are enrolled as students of the University of Waikato.
- (2) For the purpose of these regulations, the period during which a student is deemed to be enrolled as a student is defined as:
 - (a) the period in a given year from (inclusively) the Monday of the start week of the paper in the student's programme of study that starts earliest in that year, to the Sunday of the end week of the paper that ends last
 - (b) any orientation period immediately prior to the start week of the student's programme of study in a given year, and
 - (c) any period in which the student is a resident of University of Waikato student accommodation.
- (3) The processes for dealing with complaints of misconduct may extend beyond the period defined in subsection (2).
- (4) These regulations apply to the conduct of students:
 - (a) on any property or in any facility owned or managed by the University (including the halls of residence)
 - (b) in the context of a University activity regardless of geographic location
 - (c) where the conduct is related directly to the student's status as a student
 - (d) where the conduct has harmed or has the potential to harm unfairly another member of

the University community, or

(e) where the conduct has harmed or has the potential to harm unfairly the reputation of the University.

(5) A student against whom a complaint of misconduct is made, either by a member of the University community or another person, is subject to the discipline procedures set down in these regulations.

(6) All authority under these regulations must be exercised in accordance with the principles of natural justice.

5. Misconduct

(1) A student commits misconduct if they:

(a) commit a serious breach of the obligation, shared by staff and other members of the University community, to act towards others reasonably, courteously, considerately and with good faith

(b) behave in a manner that significantly impedes or subverts the efficient functioning of the University in accordance with its statutory role

(c) behave in a manner that discredits, or has the potential to discredit, the University

(d) behave in a manner that constitutes physical, psychological, sexual or racial assault, harassment, discrimination or bullying of any person

(e) breach any regulation published in the University of Waikato Calendar

(f) fail to comply with any reasonable and lawful policy or instruction approved and notified by the Vice-Chancellor, Council, Academic Board, or delegated authority of the Vice-Chancellor, Council or Academic Board

(g) use University property, resources or funds for other than authorised purposes

(h) incur liability on the part of the University without authorisation

(i) behave in a manner that is likely to harm unfairly the reputation or professional prospects of another student or a member of staff

(j) behave in a manner that jeopardises the health or safety of another person

(k) knowingly mislead the University in any significant matter

(l) encourage, assist, or procure a person to commit misconduct, or

(m) otherwise breach the [Code of Student Conduct](#).

6. Definitions

In these regulations:

bullying means unreasonable behaviour, repeated over time, which is deliberate and intended to humiliate, undermine or otherwise have a detrimental effect on the recipient(s) and/or pose a

risk to their health and safety even though it may not be unlawful

class means a lecture, tutorial, laboratory, workshop, practical session, practicum session, placement session, field trip or any other type of learning activity delivered or supervised by a staff member, including those conducted online

discrimination means conduct that results, or is likely to result, in less favourable treatment, or creates, or is likely to create, a less favourable environment, for a person or group of people on any of the prohibited grounds set out in [section 21](#) of the [Human Rights Act 1993](#) or on any other grounds

harassment means any unwelcome comment, conduct or gesture that is insulting, intimidating, humiliating, malicious, degrading or offensive. It might be repeated or an isolated incident that adversely affects someone's performance, contribution or work environment. It can include physical, degrading or threatening behaviour, abuse of power, isolation, discrimination, sexual harassment and racial harassment. It is behaviour that is unwanted by the recipient even if the recipient does not tell the perpetrator that the behaviour is unwanted. It may be unintentional

internal assessment means the portion of the assessment for a paper that is assigned, supervised and marked internally within the relevant Division or the Faculty of Māori and Indigenous Studies; it may include assignments, practical work, work in tutorials, seminars, written or oral tests, recitals, performances or attendance requirements

natural justice means the right to have a decision made by an unbiased decision-maker who observes fair and impartial procedures

programme of study means the selection of papers applied for or taken by a student in any one academic year for a particular qualification

student means a person enrolled at the University of Waikato

summary jurisdiction means a process for dealing with a complaint of misconduct, where a designated person has authority, individually, to obtain and hear evidence, arrive at a judgement and, within the terms of that authority as defined in these regulations, impose a penalty

University means the University of Waikato

University of Waikato student accommodation means a hall of residence (Bryant Hall, College Hall, Orchard Park and Student Village), apartment or other student accommodation operated by the University, and homestay accommodation facilitated by the University.

7. Annotation of grades

Where a student is refused credit for a paper as a whole as a penalty for misconduct, an NC (No Credit)

grade will be awarded for that paper.

Part 2 Authorities

8. General

(1) Unless otherwise specified under Part 3 of these regulations, authorities may determine their

own procedures for hearing and deciding complaints of misconduct, provided that they conform to the principles of natural justice, and may issue procedural directions.

- (2) Authorities may suspend consideration of a complaint of misconduct until such time as any associated Police matter has been concluded.

9. Authority of staff for discipline in classes

A staff member delivering or supervising a class may dismiss from it, for its duration, any student who, in their judgement, has committed misconduct in that class.

10. Authority of the Pro Vice-Chancellor of the Division of Health, Engineering, Computing and Science for discipline in laboratories

The Pro Vice-Chancellor of the Division of the Health, Engineering, Computing and Science may exclude from any laboratory in the Division of Health, Engineering, Computing and Science, for up to five working days, any student who, in the Pro Vice-Chancellor's judgement, has committed misconduct in the laboratory.

11. Authority of the University Librarian for discipline in the Library

The University Librarian may exclude from the Library, for up to seven days, any student who, in the Librarian's judgement, has committed misconduct in the Library.

12. Authority of the Director of Student Services for discipline in examinations

- (1) The Director of Student Services may impose a formal warning and/or a fine of up to \$100 on any student found to have brought into an examination room an electronic device where that device has, in an examination supervisor's judgement, made an audible noise during an examination.
- (2) All other complaints of misconduct in examinations must be directed to the Chairperson of the Student Discipline Committee in accordance with section 14 of these regulations.

13. Authority of the Director of Student Services, Associate Director Student Accommodation and delegated authorities for discipline in University of Waikato student accommodation

- (1) The Director of Student Services has general authority for order and discipline in University of Waikato student accommodation; the Director of Student Services has delegated this authority to the Associate Director Student Accommodation.
- (2) The Associate Director Student Accommodation has delegated authority for day-to-day order and discipline in University of Waikato student accommodation to the relevant Residential Life Manager or equivalent.
- (3) Where the Director of Student Services receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or

- (b) refer the matter to the Student Discipline Committee.
- (4) Where the Associate Director Student Accommodation receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or
 - (b) refer the matter to the Director of Student Services, or
 - (c) refer the matter to the Student Discipline Committee.
- (5) Where a Residential Life Manager or equivalent receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or
 - (b) refer the matter to the Associate Director Student Accommodation
 - (c) refer the matter to the Director of Student Services, or
 - (d) refer the matter to the Student Discipline Committee.
- (6) If the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent offers summary jurisdiction, the student may choose to
 - (a) accept the offer of summary jurisdiction, or
 - (b) have the matter referred to the Student Discipline Committee.
- (7) Where the offer to exercise summary jurisdiction is accepted under this section, the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (8) Where the complaint of misconduct is referred to the Student Discipline Committee under this section, the Student Discipline Committee must follow the procedures set out under section 24 of these regulations.

14. Authority of the Chairperson of the Student Discipline Committee

- (1) Where the Chairperson of the Student Discipline Committee receives a complaint of misconduct against a student, the Chairperson of the Student Discipline Committee may
 - (a) offer summary jurisdiction to the student
 - (b) offer a Tikanga Māori process to the student, or
 - (c) refer the matter to the Student Discipline Committee.
- (2) If the Chairperson of the Student Discipline Committee offers summary jurisdiction or a Tikanga Māori process, the student may choose either
 - (a) to accept the offer of summary jurisdiction or a Tikanga Māori process, or
 - (b) to have the matter referred to the Student Discipline Committee.

- (3) Subject to section 15 of these regulations, where the offer to exercise summary jurisdiction is accepted under this section, the Chair of the Student Discipline Committee must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (4) Where the offer to exercise a Tikanga Māori process is accepted under this section, the Deputy Vice-Chancellor Māori must follow the procedures set out under section 23 of these regulations.
- (5) Where the complaint of misconduct is referred to the Student Discipline Committee under this section, the Student Discipline Committee must follow the procedures set out under section 24 of these regulations.
- (6) Subject to the agreement of the Vice-Chancellor, the Chairperson of the Student Discipline Committee may delegate their authority under these regulations.

15. **Authority of Academic Delegates**

- (1) The authority of the Chairperson of the Student Discipline Committee to exercise summary jurisdiction under section 14 of these regulations may be delegated to an Academic Delegate, provided that
 - (a) the complaint involves alleged plagiarism or cheating in a pre-degree, 100 or 200 level item of internal assessment which is worth less than 33% of the total assessment for the paper concerned
 - (b) the student who is the subject of the complaint has not previously had a finding of misconduct against them under these regulations, and
 - (c) the student against whom the complaint is made accepts the delegated authority of the Academic Delegate.
- (2) Where authority to exercise summary jurisdiction is delegated by the Chairperson of the Student Discipline Committee to an Academic Delegate under this section, the Academic Delegate must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (3) The Chairperson of the Student Discipline Committee is responsible for maintaining a list of Academic Delegates appropriately trained in the summary jurisdiction procedures set out under section 22 of these regulations.

16. **Authority of the Student Discipline Committee**

- (1) The Student Discipline Committee is a committee of the Academic Board with delegated authority to exercise the powers and responsibilities set out in these regulations in accordance with the procedures set out under section 24 of these regulations.
- (2) The Student Discipline Committee comprises
 - (a) a staff member with appropriate expertise appointed as Chairperson for a designated term by the Vice-Chancellor
 - (b) two people appointed by the Chairperson of the Student Discipline Committee from a

pool of twelve staff including four based in Tauranga, nominated by the Academic Board for terms of up to three years such that the terms of the members provide for continuity

(c) two students, one of whom is enrolled at the undergraduate level and one of whom is enrolled at the postgraduate level, appointed by the Chairperson of the Student Discipline Committee from a pool of eight students; the pool of students, five of whom are enrolled at the undergraduate level including two based in Tauranga, and three of who are enrolled at the postgraduate level including one based in Tauranga, is appointed by the Chairperson of the Student Discipline Committee after consultation with the student members of the Academic Board.

- (3) The Chairperson of the Student Discipline Committee may appoint an adviser or advisers to assist at a hearing in relation to particular aspects of a case; the Chairperson may also co-opt the adviser or advisers as a member of the Student Discipline Committee for that hearing.
- (4) One member of the pool of staff nominated by the Academic Board may be appointed by the Chairperson of the Student Discipline Committee as Deputy Chairperson; the Chairperson of the Student Discipline Committee may from time to time delegate their powers and responsibilities, as set out in these regulations, to the Deputy Chairperson.
- (5) No meeting of the Student Discipline Committee may be held unless the Chairperson or Deputy Chairperson, at least one staff member and at least one student are present.

17. Authority of the Student Discipline Appeals Committee

- (1) The Student Discipline Appeals Committee is a committee of Council with delegated authority to exercise the powers and responsibilities set out in these regulations in accordance with the procedures set out under section 27 of these regulations.
- (2) The Student Discipline Appeals Committee comprises
 - (a) two members appointed by and from Council, and
 - (b) one other member, who is either a member of Council, or a staff member, Emeritus Professor or Honorary Fellow of the University, appointed by Council on the basis of their knowledge of legal processes, who is Chairperson.
- (3) The Chairperson of the Student Discipline Appeals Committee may appoint an adviser to assist at a hearing in relation to particular aspects of a case; the Chairperson may also co-opt that adviser as a member of the Student Discipline Appeals Committee for that hearing.
- (4) Subject to the agreement of the Chancellor, the Chairperson of the Student Discipline Appeals Committee may delegate their authority under these regulations.

18. Authority of the Deputy Vice-Chancellor Māori

- (1) The Deputy Vice-Chancellor Māori has authority to determine the arrangements for the Tikanga Māori process set out under section 23 of these regulations.
- (2) Subject to the agreement of the Vice-Chancellor, the Deputy Vice-Chancellor Māori may delegate their authority under these regulations.

19. Authority of the Vice-Chancellor

- (1) The Vice-Chancellor may exclude a student from the University, or limit access to any designated part, system or facility of the University, if the student has been convicted of a criminal offence and if, in the Vice-Chancellor's judgement, the nature of the offence impinges detrimentally, or has the potential to impinge detrimentally, on the University or its staff or students.
- (2) The Vice-Chancellor may, on suspicion of possible misconduct, initiate an investigation of the conduct of a student, whether or not there has been a complaint of misconduct. Any investigation under this section and any procedure related to that investigation must be consistent with these regulations.
- (3) The Vice-Chancellor may, on suspicion of possible misconduct or pending the resolution of a complaint of misconduct, suspend a student when and to whatever extent they consider it necessary from
 - (a) any University building, premises, grounds or University of Waikato student accommodation
 - (b) any class
 - (c) any event organised by the University
 - (d) use of any resource of the University.
- (4) When considering whether to suspend a student under subsection (3) the Vice-Chancellor shall take into account the following:
 - (a) the best interest of the students, staff and other members of the University community
 - (b) the physical safety of the students, staff and other members of the University community
 - (c) the orderly conduct of teaching, research and administration of the University
 - (d) the protection of the property or resources of the University
 - (e) the potential effects of suspension on the student's programme of study, and any other matters raised by the student
 - (f) any other matters the Vice-Chancellor considers appropriate in the circumstances.
- (5) The Vice-Chancellor may delegate their authority under these regulations.

20. Authority of Council

- (1) Council may withdraw or refuse to grant an academic award if it is satisfied that the candidate has committed misconduct in relation to the award while enrolled, or been otherwise dishonest in relation to the award.
- (2) Council must consult with the Academic Board before taking a decision under this section; the advice of the Academic Board must be based on a recommendation by the Student Discipline Committee.

- (3) The principles and processes followed by the Student Discipline Committee in formulating its recommendation to the Academic Board must be consistent with the principles and procedures outlined in these regulations for the investigation and hearing of allegations of misconduct.
 - (4) The Academic Board must make all reasonable effort to ensure that the candidate concerned receives prior notification of the advice that it intends to give to Council and is given an opportunity to make a written submission directly to Council.
 - (5) A decision by Council under this section is final.
-

Part 3

Procedures for Making, Investigating and Resolving Complaints of Student Misconduct

21. Procedures for making a complaint

- (1) Any person may lodge a complaint of misconduct against a student.
- (2) A complaint of student misconduct must be made in writing
 - (a) if it relates to student conduct in University of Waikato student accommodation, to the [Director of Student Services, Associate Director Student Accommodation](#) or relevant [Residential Life Manager](#) or equivalent
 - (b) if it is of the nature set out under section 15(1)(a) of these regulations and the authority of the Chairperson of the Student Discipline Committee has been delegated to an Academic Delegate under section 15(1), to the relevant Academic Delegate
 - (c) in cases other than (a) or (b), to the [Chairperson of the Student Discipline Committee](#).
- (3) If a person who is a party to a complaint of misconduct fails to respond to a communication by a relevant authority, provided the authority has made all reasonable effort to locate and contact that person and to provide adequate opportunity for a response, the authority may proceed to deal with the complaint at their discretion.

22. Summary jurisdiction

- (1) Summary jurisdiction may be exercised by the following authorities:
 - (a) the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent under section 13 of these regulations
 - (b) the Chairperson of the Student Discipline Committee under section 14 of these regulations
 - (c) an Academic Delegate under section 15 of these regulations.
- (2) A student who accepts summary jurisdiction may write an answer to the complaint.
- (3) The complainant and the student

- (a) must be given the opportunity to appear and give evidence at a summary jurisdiction meeting with the relevant authority
 - (b) may be required to attend, at the authority's discretion
 - (c) may be accompanied at the meeting by any other person to act as an adviser or support person, subject to any conditions that the authority may impose.
- (4) Where an authority exercises summary jurisdiction, it determines whether the student has committed misconduct on
- (a) the evidence provided by the complainant and the student, and
 - (b) any other evidence, written or oral, that they may seek or accept at their discretion, provided that this evidence is disclosed to the student and they are given the opportunity to comment on it.
- (5) The authority may decide at any time to take no further action on a complaint of misconduct if, in their judgement
- (a) the evidence provided by the complainant is insufficient
 - (b) the subject matter of the complaint is trivial
 - (c) the complaint is frivolous, vexatious, or not made in good faith, or
 - (d) the complaint falls outside the scope of these regulations.
- (6) If, having investigated a complaint, an authority determines that a student has committed misconduct, they may take one or more of the following actions:
- (a) issue to the student a warning containing a statement of the possible consequences if the act or behaviour that provoked the complaint is repeated
 - (b) require an undertaking from the student as to future behaviour while enrolled at the University and set in place provisions for monitoring the student's behaviour in keeping with the undertaking
 - (c) require the student to provide any appropriate and available remedy to relieve distress, or repair damage, or correct a mistake
 - (d) require the student to make a public or private apology, either written or spoken
- in the case of summary jurisdiction exercised by the Director of Student Services, Associate Director Student Accommodation, Residential Life Manager or equivalent under section 13 of these regulations
- (e) require the student to pay, by a given date, a sum of up to the equivalent of one week's board or rent at the relevant University of Waikato student accommodation
 - (f) require the student to undertake community service work in the relevant University of Waikato student accommodation of whatever nature the authority thinks fit
 - (g) require the student to participate in a specified educational and/or training programme

related to the misconduct, in terms prescribed by the Director of Student Services, Associate Director Student Accommodation, Residential Life Manager or equivalent and within a prescribed period

- (h) impose an alcohol ban
- (i) impose a visitor ban
- (j) require the student to transfer to other University of Waikato student accommodation
- (k) exclude the student from the relevant University of Waikato student accommodation for up to one year
- (l) exclude the student from, or limit access to, a designated part or facility of the relevant University of Waikato student accommodation for up to one year.

in the case of summary jurisdiction exercised by the Chairperson of the Student Discipline Committee under section 14 of these regulations

- (m) require the student to pay, by a given date, compensation or a fine of up to \$500
- (n) arrange for the student to be formally reprimanded by the relevant Pro Vice-Chancellor, a Deputy Vice-Chancellor or the Senior Deputy Vice-Chancellor, either in person or in writing
- (o) suspend the student from attendance at any class or programme for up to one year
- (p) exclude the student from, or limit access to, any designated part or facility of the University for up to one year
- (q) if the misconduct is related to a particular paper or programme of the University,
 - (i) require the student to repeat or complete additional assessment
 - (ii) refuse or reduce credit for part or all of an individual item of assessment, or refuse credit for a paper as a whole
- (r) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Chairperson of the Student Discipline Committee and within a prescribed period
- (s) annotate the student's academic record accordingly, either permanently or for a period of time designated by the Chairperson of the Student Discipline Committee.

in the case of summary jurisdiction exercised by an Academic Delegate under section 15 of these regulations

- (t) require the student to repeat or complete additional assessment
- (u) refuse or reduce credit for part or all of an individual item of assessment
- (v) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the authority and within a prescribed period.

- (7) The authority must exercise their discretion in the matter as expeditiously as possible.
- (8) The authority is responsible for communicating the outcome of the complaint, in writing, to the complainant, the student answering the complaint, and the Chairperson of the Student Discipline Committee as expeditiously as possible.

23. **Tikanga Māori**

- (1) The spirit of tikanga is to seek resolutions to complaints in a Māori way that encourages a facilitated open exchange of views, in order to achieve a resolution that is agreed by all the parties involved.
- (2) A complaint may only be addressed through the Tikanga Māori process if
 - (a) the complainant
 - (b) the student answering the complaint
 - (c) the Chairperson of the Student Discipline Committee, and
 - (d) the Deputy Vice-Chancellor Māoriagree to the arrangements determined under subsection (3).
- (3) The Deputy Vice-Chancellor Māori is responsible for determining the arrangements for the Tikanga Māori process after discussion with the parties and for informing the parties of the nature and implications of the process.
- (4) If, at any time after having agreed to the agreements determined under subsection (3), the complainant or the student answering the complaint wishes to withdraw from the Tikanga Māori process, they may do so only with the agreement of all other parties listed under subsection (2); in such cases, the complaint will be referred back to the Chairperson of the Student Discipline Committee for reconsideration under section 14 of these regulations.
- (5) Under the Tikanga Māori process a resolution is negotiated by the complainant and the student answering the complaint.
- (6) The process is facilitated by the Deputy Vice-Chancellor Māori, assisted by a tikanga panel appointed by the Deputy Vice-Chancellor Māori
- (7) In negotiating a resolution under subsection (5), the complainant and the student answering the complaint are authorised to take any of the actions that are available under summary jurisdiction procedures, as provided under section 22 of these regulations.
- (8) A resolution negotiated by the complainant and the student answering the complaint is final; there is no right of appeal.
- (9) The Deputy Vice-Chancellor Māori is responsible for reporting the resolution negotiated under subsection (5), in writing, to the complainant, the student answering the complaint, and the Chairperson of the Student Discipline Committee as expeditiously as possible.
- (10) The Chairperson of the Student Discipline Committee is responsible for ensuring that all appropriate records relating to the outcome are maintained.

(11) Failure to comply with a resolution negotiated under this section is misconduct.

24. Procedures of the Student Discipline Committee

- (1) The Student Discipline Committee must convene as soon as is practicable to hear
 - (a) the evidence provided by the complainant and the student, and
 - (b) any other evidence, written or oral, that the Committee may seek or accept at its discretion, provided that this evidence is disclosed to the student and they are given the opportunity to comment on it.
- (2) Written notice of the time, date and place of the hearing of the Student Discipline Committee, together with full details of the substance of the complaint, must be sent to the student against whom the complaint has been made, at least 14 days before the date of the hearing.
- (3) The student who is the subject of the complaint may write an answer to the complaint.
- (4) Both the complainant and the student answering the complaint
 - (a) must be given the opportunity to appear and give evidence at the Student Discipline Committee hearing
 - (b) may be required to attend, at the Committee's discretion
 - (c) may be accompanied at the hearing by another person to act as an adviser or support person, subject to any conditions that the Student Discipline Committee may impose.
- (5) The Student Discipline Committee may decide at any time to take no further action on a complaint of misconduct if, in its judgement,
 - (a) the evidence provided by the complainant is insufficient
 - (b) the subject matter of the complaint is trivial
 - (c) the complaint is frivolous, vexatious, or not made in good faith, or
 - (d) the complaint falls outside the scope of these regulations.
- (6) If misconduct is substantiated, the Student Discipline Committee may take one or more of the following actions:
 - (a) issue to the student a warning containing a statement of the possible consequences if the act or behaviour that provoked the complaint is repeated
 - (b) require an undertaking from the student as to future behaviour while they remain enrolled at the University and set in place provisions for monitoring the student's behaviour in keeping with the undertaking
 - (c) require the student to provide any appropriate and available remedy to relieve distress, or repair damage, or correct a mistake
 - (d) require the student to make a public or private apology, either written or spoken
 - (e) require the student to pay, by a given date, compensation or a fine of up to \$1000

- (f) arrange for the student to be formally reprimanded by the relevant Pro Vice-Chancellor, a Deputy Vice-Chancellor or the Senior Deputy Vice-Chancellor, either in person or in writing
 - (g) suspend the student from attendance at any class or programme for up to one year
 - (h) exclude the student from, or limit access to, any designated part or facility of the University for a specified period of time or permanently
 - (i) cancel a student's enrolment at the University, as a whole or in respect of any paper or programme, for a specified period of time or permanently
 - (j) if the misconduct is related to a particular paper or programme of the University,
 - (i) require the student to repeat or complete additional assessment
 - (ii) refuse or reduce credit for part or all of an individual item of assessment, or refuse credit for a paper as a whole
 - (k) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Student Discipline Committee and within a prescribed period
 - (l) annotate the student's academic record accordingly, either permanently or for a period of time designated by the Chairperson of the Student Discipline Committee.
- (7) The Student Discipline Committee must exercise its jurisdiction in the matter as expeditiously as possible.
- (8) The outcome must be communicated to the complainant and the student as expeditiously as possible.
- (9) Failure to comply with a resolution negotiated or determined under this section is misconduct.
-

Part 4

Provisions for Appeal

25. Provision for appeal to the Director of Student Services

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Director of Student Services against any decision taken by the Associate Director Student Accommodation or Residential Life Manager or equivalent with authority for discipline in University of Waikato student accommodation under section 13 of these regulations.
- (2) An appeal must be addressed and submitted in writing to the Director of Student Services.
- (3) An appeal must be received by the Director of Student Services not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.

- (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
- (5) The Director of Student Services must hear the appeal as expeditiously as possible.
- (6) The appellant and the authority that made the original discipline decision
 - (a) must be given the opportunity to appear and give evidence at the appeal hearing
 - (b) may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Director of Student Services may impose.
- (7) Having heard an appeal, the Director of Student Services may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) require any appropriate and available remedy to settle the appeal.
- (8) The Director of Student Services may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (9) The outcome must be communicated to the appellant, the authority that made the original discipline decision and the Chairperson of the Student Discipline Committee as expeditiously as possible.
- (10) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (11) The decision of the Director of Student Services on an appeal is final.

26. Provision for appeal to the Chairperson of the Student Discipline Committee

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Chairperson of the Student Discipline Committee against any decision taken by
 - (a) the Pro Vice-Chancellor of Health, Engineering, Computing and Science under section 10 of these regulations
 - (b) the University Librarian under section 11 of these regulations
 - (c) the Director of Student Services under section 12 or section 13 of these regulations, unless it is an appeal decision under section 27 of these regulations, or
 - (d) an Academic Delegate under section 15 of these regulations.

- (2) An appeal must be addressed and submitted in writing to the Chairperson of the Student Discipline Committee, together with the prescribed fee; it must include a postal address and must be signed.
- (3) An appeal must be received by the Chairperson of the Student Discipline Committee not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.
- (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
- (5) The Chairperson of the Student Discipline Committee must hear the appeal as expeditiously as possible.
- (6) The appellant and the authority that made the original discipline decision
 - (a) must be given the opportunity to appear and give evidence at the appeal hearing
 - (b) may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Chairperson of the Student Discipline Committee may impose.
- (7) Having heard an appeal, the Chairperson of the Student Discipline Committee may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) require any appropriate and available remedy to settle the appeal.
- (8) The Chairperson of the Student Discipline Committee may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (9) The outcome must be communicated to the appellant and the authority that made the original discipline decision as expeditiously as possible.
- (10) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (11) The decision of the Chairperson of the Student Discipline Committee on an appeal is final.

27. Provision for appeal to the Student Discipline Appeals Committee

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Student Discipline Appeals Committee, a

committee of Council, against any decision made under these regulations

- (a) by the Vice-Chancellor under section 19 of these regulations
 - (b) by the Chairperson of the Student Discipline Committee under section 22 of these regulations
 - (c) by the Student Discipline Committee under section 24 of these regulations.
- (2) An appeal must be addressed and submitted in writing to the Secretary to the Student Discipline Appeals Committee, together with the prescribed fee; it must include an email address and must be signed.
 - (3) An appeal must be received by the Secretary to the Student Discipline Appeals Committee not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.
 - (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
 - (5) The Student Discipline Appeals Committee must hear appeals as expeditiously as possible.
 - (6) The appellant must be given the opportunity to appear and give evidence at the appeal hearing and may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Student Discipline Appeals Committee may impose.
 - (7) The other parties to the complaint, including the authority that made the original discipline decision, must also be given the opportunity to appear and give evidence.
 - (8) Having heard an appeal, the Student Discipline Appeals Committee may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) refer the complaint back to the authority that made the decision appealed against, for rehearing.
 - (9) The Student Discipline Appeals Committee may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
 - (10) The outcome must be communicated to the student and the other parties to the complaint, including the authority that made the original discipline decision, as expeditiously as possible.

- (11) Failure to comply with a resolution negotiated or determined under this section is misconduct.
 - (12) The decision of the Student Discipline Appeals Committee on an appeal is final.
 - (13) At the discretion of the Chairperson of the Student Discipline Appeals Committee, the fee for an appeal may be refunded, either in full or in part, if the appeal is decided in the appellant's favour.
-

Part 5

Reporting

28. Reports to the Academic Board

The Chairperson of the Student Discipline Committee must submit an annual report through the Education Committee to the Academic Board, including

- (a) an overview of summary jurisdiction decisions taken during the relevant year by the Chairperson of the Student Discipline Committee, Academic Delegates and any others who have exercised authority delegated by the Chairperson of the Student Discipline Committee
- (b) an overview of decisions through the Tikanga Māori process
- (c) an overview of decisions by the Student Discipline Committee
- (d) an overview of appeals heard by the Chairperson of the Student Discipline Committee or their delegate
- (e) an overview of student discipline matters, including any patterns or trends
- (f) a statement about the appropriateness and effectiveness of current regulations, policies and processes concerning student discipline, and
- (g) any recommendations with respect to current regulations, policies and processes concerning student discipline.

29. Reports to Council

The outcome of any appeal heard by the Student Discipline Appeals Committee must be reported to the next meeting of the Council.

30. Confidentiality

- (1) All processes and decisions under these regulations are confidential to the parties involved and to staff responsible for administering student discipline processes and maintaining students' academic records.
- (2) Relevant information may be made available to relevant Pro Vice-Chancellors, Heads of Schools, Deans and other staff responsible for student progress and for maintaining the University's academic standards and the integrity of its assessment processes.
- (3) Relevant information may be made available to relevant staff responsible for the placement of

students in work placements and practicums as part of a safety check (vetting) process.

Student Complaints Procedures

Preamble

Consistent with its commitment to excellence, the University has adopted these procedures to assist both students and staff in the resolution of student concerns and complaints constructively, quickly and fairly.

Where minor concerns arise, students are encouraged to take a common-sense approach and raise them directly with the relevant staff, paper convenor or Dean or Head of School or equivalent with the aim of resolving them at the lowest possible level and without undue formality. However, where informal discussions have not yielded a satisfactory resolution, or where the matter is more serious, the following procedures provide for a more formal process to be pursued.

Complaints considered through these procedures will be monitored and reviewed to enable the University to continually improve processes and services in support of student learning.

Student and staff rights and responsibilities in relation to these procedures are set out in the appendix.

Procedures

1. Definitions

In these procedures

complaint means a written statement submitted by a student about a matter that requires formal consideration by the University under the terms set out in these procedures

natural justice means the right to have a decision made by an unbiased decision-maker who observes fair and impartial procedures.

student means a person enrolled at the University of Waikato.

2. Application and scope

- (1) Subject to subsection (2), these procedures apply to complaints about any aspect of the teaching and learning process and the broad provision made by the University to support that process.
- (2) These procedures may not be used
 - (a) where the complaint can be dealt with under the [Higher Degree Appeals and Complaints Regulations](#), [Student Discipline Regulations](#) or the [Assessment Regulations](#) , or
 - (b) to challenge the academic judgement of examiners.
- (3) Depending on the nature of the complaint, these procedures should be read in conjunction with the [Staff Code of Conduct](#), the [Code of Student Conduct](#), and the [Education \(Pastoral Care of Tertiary and International Learners\) Code of Practice 2021](#) .
- (4) No action will be taken on complaints that are anonymous, frivolous, vexatious or not made in good faith.
- (5) A complainant must be able to demonstrate that the complaint is brought without malice and is based on evidence that the complainant honestly and reasonably believes to be substantially true. Those responsible for resolving complaints under these procedures must take all reasonable steps to ensure that the complainant is protected against any subsequent recrimination or victimisation.
- (6) Students and staff involved in the consideration of complaints have various rights and responsibilities, which are outlined in the appendix to these procedures.

3. Informal resolution of concerns

- (1) Before making formal written complaints, students are encouraged to seek a resolution to any concerns by raising and discussing them informally with the relevant staff member who is most directly associated with the matter.
- (2) A staff member with whom a concern is raised by a student is expected to deal with the matter in an open and professional manner and to take reasonable and prompt action to try to resolve it informally.
- (3) A student who is uncertain about how to seek informal resolution of a concern is encouraged to seek advice from the [Waikato Students' Union Student Support and Advocacy Service](#).

4. Formal complaints procedures

- (1) Where it has not been possible to resolve a concern informally, a student may make a formal complaint.
- (2) A student who wishes to make a formal complaint must submit it in writing, accompanied by evidence, through [My Waikato](#) addressed to the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent responsible for the area in which the action or matter that has given rise to the complaint occurred or, if requested to be considered under the Tikanga Māori procedure set out under section 5 of these procedures, to the Deputy Vice-Chancellor

Māori; if the complaint is about a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent, it must be submitted to the Senior Deputy Vice-Chancellor.

- (3) The written complaint must be submitted within three months of the occurrence of the action or matter that has given rise to the complaint unless the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent agrees to receive it beyond this timeframe.
- (4) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent who receives a student complaint must acknowledge it in writing as soon as practicable (normally within three working days). They must create and maintain a file of all documentation in relation to the consideration of the complaint.
- (5) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent must consider the complaint in accordance with the principles of natural justice and must ensure that all parties to the complaint are accorded the full benefit of those principles.
- (6) The process of consideration may include meetings with relevant staff, students and the complainant. Where meetings are held, the parties may, if they wish, be accompanied by a support person.
- (7) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may refer a matter to the Police if they believe that a crime has been committed and may suspend consideration of a complaint until such time as any associated Police matter has been concluded.

5. **Tikanga Māori**

- (1) The spirit of tikanga is to seek resolutions to complaints in a Māori way that encourages a facilitated open exchange of views in order to achieve a resolution that is agreed by all the parties involved.
- (2) A complaint may only be addressed through the Tikanga Māori process if
 - (a) the complainant, and
 - (b) the person answering the complaint, and
 - (c) the Deputy Vice-Chancellor Māoriagree to the arrangements determined under subsection (3).
- (3) The Deputy Vice-Chancellor Māori is responsible for determining the arrangements for the Tikanga Māori process after discussion with the parties and for informing the parties of the nature and implications of the process.
- (4) If, at any time after having agreed to the arrangements determined under subsection (3) the complainant or the person answering the complaint wish to withdraw from the Tikanga Māori process, they may do so only with the agreement of all other parties listed under subsection (2); in such cases, the complaint will be referred to the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent responsible for the area in which the action or matter that

has given rise to the complaint occurred; if the complaint is about a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent it will be referred to the Senior Deputy Vice-Chancellor.

- (5) Under the Tikanga Māori process a resolution is negotiated by the complainant and the person answering the complaint.
- (6) The process is facilitated by the Deputy Vice-Chancellor Māori, assisted by a tikanga panel appointed by the Deputy Vice-Chancellor Māori.
- (7) A resolution negotiated by the complainant and the person answering the complaint is final; there is no right of appeal.
- (8) Section 6, subsections (1) and (2) and section 7 of these procedures do not apply to complaints addressed under the Tikanga Māori process.

6. Resolution of complaints

- (1) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent must make a decision in relation to the complaint and notify their decision to the parties, in writing, as soon as practicable (normally within 28 days of receiving the complaint).
- (2) When the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent notifies the parties of their decision they must include information on the relevant provision for appeal.
- (3) If the complaint involves a University process or service and if, in the opinion of the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent the complaint has substance, the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may arrange for the relevant process or service to be reviewed with a view to preventing a recurrence and ensuring continued improvement.
- (4) If the complaint involves a breach of the [Staff Code of Conduct](#) and if, in the opinion of the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent the complaint has substance, the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may refer the matter to the Director of Human Resources and Employment Relations for consideration of formal disciplinary action.

7. Appeals

- (1) A complainant or a person who was the subject of a complaint may appeal to the Senior Deputy Vice-Chancellor against any decision taken by a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent under section 6 of these procedures.
- (2) If the original complaint was addressed to the Senior Deputy Vice-Chancellor under section 4(2) of these procedures, any appeal of that decision must be made to the Vice-Chancellor. That appeal will be considered and decided by the Vice-Chancellor or their nominee in accordance with appeal processes consistent with these procedures.

- (3) An appeal may only be made on one or more of the following grounds:
 - (a) that the process used for addressing the complaint was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process that could have had a material effect on the outcome.
- (4) The appeal must be submitted in writing within 28 days of the date of the letter notifying the decision.
- (5) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will consider the relevant documentation and evidence and may, at their discretion, consult the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent who made the decision. The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee may also interview any parties to the complaint.
- (6) If they determine that the complaint process has been conducted in accordance with these procedures and the outcome is appropriate, the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee may dismiss the appeal. Subject to subsections (8) and (9), the decision of the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee under this section is final.
- (7) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will notify their appeal decision in writing to the parties as soon as practicable.
- (8) When they notify the parties of the appeal decision, the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will inform the parties of the [Ombudsman's](#) role in relation to complaints about government organisations (including universities) that affect people in their personal capacities, the [New Zealand Qualifications Authority's](#) grievance procedures available to students under the [Education \(Pastoral Care of Tertiary and International Learners\) Code of Practice 2021](#) , and the [iStudent Complaints](#) financial or contractual dispute resolution service available to international students as relevant.
- (9) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will inform any staff member who is dissatisfied with a student complaint process of the steps available to them under the University's [Procedure for Resolving Employment Relationship Problems and Personal Grievances](#).

8. Confidentiality

All processes and decisions under these procedures are confidential to the parties and staff directly involved.

Parking and Traffic Regulations

1. Title

These are the Parking and Traffic Regulations 2019.

2. Date of effect

These regulations are effective from 5 November 2019.

3. Definitions

In these regulations

campus means the grounds and buildings occupied by the University of Waikato in Hamilton and Tauranga, including the halls of residence

mobility aid means a wheelchair or other mobility assistance device used by people with disabilities; these are not considered to be vehicles or personal transport devices and may be used anywhere on campus provided that such use is undertaken with due regard for others

parking attendant means any staff member authorised by the Campus Security and Emergency Manager to enforce these regulations

personal transport device means an unpowered or low powered transport device intended for one person, including but not limited to Segways, scooters (including electric scooters), bicycles (including electric bicycles), unicycles (including electric unicycles) and skateboards (including electric skateboards)

vehicle means a form of transport for people or goods, including but not limited to motor vehicles (including electric vehicles and hybrids), motor cycles and personal transport devices, and excluding mobility aids.

4. Application

These regulations apply to the driving, riding and parking of vehicles and bicycles on campus by staff, students and members of the public. Authorised drivers of University of Waikato vehicles

and rental vehicles are also referred to the [Vehicle Use Policy](#).

5. Access and Safety

- (1) Prime access to buildings and other facilities is reserved for pedestrians and people with mobility-related impairments. Vehicle users are therefore not permitted to ride on access-ways that are signposted or recognised as access-ways for pedestrian and mobility traffic.
- (2) On shared pedestrian/vehicle access-ways, vehicle users must not exceed 15km/hr and must give priority and right of way to pedestrian and mobility traffic.
- (3) Users of commercially operated electric vehicles must operate the vehicle according to the safety recommendations and rules of operation provided by the electric vehicle provider.
- (4) Vehicle users must drive and ride safely at all times. They must obey all traffic and parking signs and markings. They must also comply with any directions given by parking attendants.
- (5) Except with the approval of a parking attendant, no person other than an authorised driver of a University service vehicle may drive, ride or park over a grassed area.

6. Parking and Storage

- (1) While the University makes reasonable provision for vehicle parking, it is under no obligation to make provision for the vehicles of all those wishing to park on campus.
- (2) The University charges for parking on campus. Current charges are published on the [University website](#) and payment machines.
- (3) Motorcycles and motor scooters may be parked only in the areas signposted for motorcycles and motor scooters.
- (4) Bicycles and electric bicycles may be parked only in cycle-racks or purpose-built cycle sheds, and must not be taken into any University building.
- (5) Commercially operated electric scooters may be parked only in the areas signposted for electric scooters and must not be taken into any University building, including the halls of residence.
- (6) The charging of commercially operated electric scooters and electric bicycles on campus is not permitted.
- (7) There are two charging stations available for staff and visitors at the Hamilton campus to charge electric vehicles for up to two hours. The charging stations may be booked via the Unisafe Office: parking@waikato.ac.nz .
- (8) Vehicles owned by current University of Waikato staff and displaying a University parking permit may be parked in signposted 'Permit Holders Only' areas. Otherwise, vehicles may be parked only in 'General Parking' areas.
- (9) All vehicles parked on campus must be parked in marked bays.
- (10) No person may park a vehicle in the same parking bay for longer than 48 hours without prior permission from a parking attendant.

(11) A numbered car park is a reserved parking space and may be used only by the person who displays the corresponding numbered parking permit.

7. **Parking for people with mobility-related impairments**

Accessible parking spaces (outlined in yellow and displaying the wheelchair symbol) are provided for use by people with mobility-related impairments. The University Library

The University of Waikato has two libraries on its Hamilton campus and one in Tauranga.

The Hamilton Campus Library (including the Law Library) is located in the Student Centre, Te Manawa, in the heart of the Hamilton campus. The Teaching Resources Library is located in Building TL in the Division of Education. The Tauranga Library is in the Tauranga CBD Campus building.

The Hamilton Campus Library serves the teaching, learning and research needs of all students and staff and the Teaching Resources Library provides books and other resources to assist in preparation and planning for teaching in primary and secondary schools and early childhood centres.

The Tauranga Campus Library supports courses delivered in Tauranga. There is a small dynamic, high-demand, collection of books, supported by the full range of our e-resource collections. Students at Tauranga have easy access to Library support services, all eResources and material held on the Hamilton Campus via distance services.

The Library also offers support for Waikato courses taught at partner institutions.

Tours and essential tutorials are offered intensively during the first few weeks of each trimester and throughout the year.

The Library supports teaching and learning. It assists its users to acquire the skills to help them navigate print and online information sources and to locate, evaluate and use information relevant to their needs in the most effective way.

The Library contributes to the University's research programme by making available online and print resources and by the provision of research and researcher support services.

Library services, collections and resources include:

- An extensive range of online, print and multi-media resources
- O Neherā Library Digital Collections
- Access to in-person and online help services
- A wide range of research skills development workshops
- In-depth individual research consultations for post-graduates and academic staff
- Support for PBRF (Performance Based Research Funding) activities
- Research Commons (the Institutional Repository)
- Computers, wi-fi, laptops, photocopiers, scanners and printers
- Places to study and work individually or in groups

For more information, please visit the Library website: www.waikato.ac.nz/library.

Student Services

Halls of Residence

The Accommodation Services Office assists and processes the applications to each of the University's four Hamilton-based Halls of Residence: Bryant Hall, College Hall, Student Village and Orchard Park. Orchard Park includes a series of cottages that offer self-catering facilities, studio rooms with ensuites and the self-contained Silverdale apartments. The other Halls are largely fully-catered facilities that provide three meals a day. In addition, the Office also assists and processes applications for the University's Tauranga-based self-catered Selwyn Street Studio accommodation.

More information about the Halls and off-campus accommodation options can be found at: www.waikato.ac.nz/study/apply/accommodation, or by contacting the Accommodation Services Office on +64 7 838 4084, or by email at accom@waikato.ac.nz.

All applications are made online, with the first round of offers being on or close to 1 October each year for accommodation the following year. Applications can be submitted after this date and places will be offered subject to availability. Residence is normally for the duration of the academic year. Any student who wishes to return to the Halls for a second year, would need to re-apply. All students are required to pay a contingency deposit at the time of acceptance, and this is refunded, less any charges, at the end of the academic year.

International Student Support

The International Student Services team provides support for international students in all aspects of their achievement and personal growth. This begins with a comprehensive orientation programme for all new international students. Pastoral care is delivered to support international student wellbeing, to facilitate access to University services across campus, and to ensure that appropriate off-campus support is in place when required. Students on New Zealand Scholarships and other international

scholarships are also assisted by International Student Services. Each trimester, a range of trips around the Waikato and Bay of Plenty region and various events on campus are facilitated by the International Student Services team. The team of international student advisors are available to see students, and appointments can be made at the Student Centre, by phoning +64 7 838 4176 or 0800 WAIKATO, or emailing info@waikato.ac.nz .

Student Health Service

The [Student Health Service](#) is available to all enrolled students, including international students. The Student Health Service is located close to the main car park accessed via gate 1 off Knighton Road (opposite the UniRec Centre). It is an integrated health service providing a number of services for students.

Opening hours for appointments are between 9.00am and 4.30pm on weekdays, except Wednesdays, where the opening hours are between 9.30am and 4.30pm. The service does not operate after hours or on public holidays.

The administration team is the first point of contact for all student enquiries and appointments.

Ph 07 838 4037 or 0800 Waikato, option 3

After hours; Ph Anglesea Clinic 07 858 0800

Same day appointments are available for most Student Health Services. Call to make an appointment. Student Health also offers telehealth consultations by appointment.

The medical practice is staffed by general practitioners, nurse practitioners, nurse prescribers, practice nurses and health care assistant.

Appointments can be booked by phone or through Manage my Health for students enrolled with the practice.

Domestic students enrolled with the general practice are charged a fee of \$10.00 a consult. Prices for students not enrolled with the general practice are available on the Student Health webpage.

International students' charges are covered through their insurance.

There is a Student Health nurse available on the Tauranga campus. Ph or text 022 0139 003 for appointments and advice about other local health providers, including general practice and counselling

The Mental Health & Wellbeing Service is free to all students currently enrolled at the University of Waikato. This service is comprised of mental health nurses and counsellors. The mental health nurses offer support to students who are experiencing a new mental health concerns or have a diagnosed mental health conditions. Counsellors assist with a range of problems that may be impacting on your wellbeing by helping you find solutions that are best suited to your needs.

The Violence Prevention Coordinator works proactively to reduce the incidence of harassment, abuse, and/or violence. She can discuss issues relating to interpersonal incidents and provide advice, information, support, advocacy, safety planning and referral to other services that can assist.

The Health Promotion Coordinator works to support Takatāpui and LGBTQI students and Maori and

Pacifica students. Our coordinator has extensive expertise in non-binary gender identities, sexuality and sexual health, HIV and is knowledgeable about health and wellness pathways and services.

Students are eligible to use the Student Health Service from the beginning of their enrolled trimester(s). Students who have continuous enrollment from year to year are able to use the service throughout the year and access via Manage my Health and telehealth consults over semester breaks.

Accessibility Services

The Accessibility Services, formerly known as Disability Support Service is located in the Student Centre, Level One, opposite The Campus Book Store. The Service supports students with specific learning disabilities, impairments and medical conditions and works with the rest of the University to remove barriers to learning. The team will ensure student's learning requirements are accommodated through the provision of services, support, advice and advocacy. Prospective students who identify with specific learning disability/impairments and/or a medical conditions should contact Accessibility Services as soon as possible to ensure that the appropriate supports are able to be put in place.

The team also support Tauranga campus, and are there regularly, to meet with students and staff.

The Research & Enterprise Office

Research & Enterprise led by its Director, Dr Simon Lovatt, combines the University's Research Office functions with that of its commercialisation company, WaikatoLink. Research & Enterprise supports the University of Waikato's research activities and the process of creating value from research discoveries and innovation. The team works with both University researchers and external partners, including government, industry and community organisations, to extend research capability and broaden partnership opportunities that foster collaborative research, the implementation of research findings, and knowledge and technology transfer.

Research & Enterprise provides the following support services:

Project funding and contracting;

- Advice on public and private funding sources
- Proposal development
- Contracting and IP management

External research and commercialisation;

- Business development and commercialisation
- Industry connections and external partnerships
- Market intelligence

University processes;

- Ethics Committee secretariats
- PBRF support

WaikatoLink

WaikatoLink enables research done by the University of Waikato to create substantial economic, environmental and social benefits for iwi, communities and businesses in New Zealand – particularly in the Waikato and Bay of Plenty regions.

To achieve this, WaikatoLink partners with researchers, businesses, investors and end-users to deliver real-world impacts from University of Waikato research outcomes, through commercialisation, joint-ventures, IP licensing, open source and other technology transfer methods.

WaikatoLink strengthens the University's ability to create valuable impact from its research through early engagement with researchers as they develop research proposals and help design projects to maximise impacts and benefits. WaikatoLink also helps researchers ensure that they have effective pathways to implementation that deliver benefits to stakeholders and returns to the University.

Other services that WaikatoLink provides to support the University include: commercial assessment of ideas and subsequent investment in ideas with commercial potential; market research; technical development; IP analysis and patenting; engagement with industry partners who have an interest in ideas being developed within the University; deal brokering; identification of industry problems and opportunities that align with University expertise; contract development; creation and management of spin out companies; and sourcing of investment and development funding.

Waikato Students' Union (WSU)

The Waikato Students' Union is the voice of the student body on campus. The organisation is governed by a group of democratically elected students who listen, speak and act passionately on behalf of students, and have done for over 40 years. The WSU provides support services and consultation for students, clubs, and class reps. They create full weekly student experience programmes - from regular barbecues through to O'Week festivities - and provide an unfiltered platform for student voice through the multi-award-winning Nexus magazine.

Student Support

The WSU has a few key ways in which they support students at the University of Waikato:

Student Engagement

The Student Engagement team manages a network of over 85 rōpū, clubs, and societies as part of the WSU's commitment to an active campus. That network features clubs from every aspect of the University environment. Archetypal clubs such as debating and mooted societies are now joined by gaming clubs, cultural societies, casual hiking clubs, and a range of religious groups. If students can't find a club that fits them, the WSU Student Engagement team is always available to guide them through the process of making their own.

Student Advocacy

Whether it's tenancy, academic or hardship issues, the WSU provide a free, confidential, "no judgement" advocacy service to ensure students are aware of their rights, processes, and know that someone will always have their back. With a comprehensive list of support partners, including Community Law Waikato and Hamilton Budgeting Advisory Trust, WSU Student Advocacy ensures you get the best advice from the right people.

Student Voice

When the WSU was founded, it was based on the principle of ensuring the student voice was heard, and nearly 50 years later, that still remains their driving principle. With a 12-member board comprised entirely of students, including an elected President on the University Council, a dedicated Vice-President Māori, and a new Tauranga and Pacific director, the WSU ensures your voice matters. The Student Voice team assist in the training of class reps and provide a support service called Reo Taurira, carrying out regular consultations on campus issues and working proactively with the University to provide student-focused solutions. With the WSU we are here to ensure your voice is heard.

Student Experience

The WSU has always felt that the University experience should be more than just academics. They have a dedicated Student Experience team providing daily activities on campus, managing student spaces, and cooking free food. The last few years have also seen them develop inter-divisional competitions, expand Orientation and Reorientation weeks, as well as develop programmes for wellness and mental health awareness.

NEXUS

At the heart of the student experience is Nexus. A student magazine that provides its readers with an editorial resource to discover and challenge ideas about news, music, politics, arts, technology, and general student life. Nexus strives to encompass and reflect student culture in all its diversity.

They're constantly on the lookout for writers, artists, creatives, and media enthusiasts. If you're keen to get involved, simply email: editor@nexusmag.co.nz.  For more information visit the Ground Floor of the Students' Union Building (SUB) between 9am to 4pm (Monday to Friday), visit the WSU website: wsu.org.nz, or email wsu@wsu.org.nz .

Alumni

The University of Waikato has more than 87,000 alumni – graduates of approved foundation, undergraduate, higher and/or postgraduate qualifications. This figure grows by more than 3000 new alumni each year after graduation ceremonies. All graduates of the University are welcomed as lifetime members of the Waikato Alumni family.

The University also welcomes to the Alumni and Friends community those who have an active interest in the University including former and current staff and Study Abroad and Exchange students.

Membership to Waikato Alumni is free with a number of benefits and resources available to alumni, including free library membership and database access, careers and employment services, postgraduate study, and scholarships for further study. Alumni are encouraged to stay in touch to take advantage of valuable learning, relevant news and networking opportunities. Alumni are welcome and encouraged to give back to their University through volunteering, mentoring, knowledge-sharing and donations to the Foundation.

More information is available at: alumni.waikato.ac.nz

Distinguished Alumni Awards

In 2007, the University of Waikato launched the Distinguished Alumni Awards to celebrate Waikato graduates who have made outstanding contributions in their careers or communities. Visit the alumni website for more information: <http://alumni.waikato.ac.nz/distinguished-alumni>.

Institute of Professional Learning: Te Whai Toi Tāngata (IPL)

The Institute of Professional Learning (IPL) in the Division of Education provides professional learning and development in the broad field of education, both nationally and internationally. This involves both short and long term programmes in areas such as educational leadership, coaching and mentoring, curriculum development, assessment and evaluation, information technology and eLearning, adult education, pedagogy, and policy development. It offers professional learning and development from early childhood education, through the compulsory education sector and into the tertiary level sector.

The Institute engages in the delivery of the 'content' of professional learning but is also concerned with the 'practice' of professional learning. Its work connects professional practice to research and qualifications. A significant portion of the Institute's activities involves partnerships with iwi and other educational providers and programmes are offered in both English and te reo Māori.

The Institute's international linkages are focused in three main areas:

- Work with Ministries of Education from different countries, mainly in the Asia/Pasific region at present, to offer teacher professional development either in-country, or with key staff coming to the Institute.
- Work with academic staff from other Universities, again mainly in the Asia/Pasific region to provide professional learning around tertiary teaching in English and best practice in tertiary teaching pedagogy.
- International research linkages such as those built around the research focused on developing leadership capacity in the education sector.

Much of this work involves staff from across the University where specific content knowledge is

provided by faculties, and coordination and professional practice input is provided by the IPL.

Te Mata Punenga o Te Kotahi: Te Kotahi Research Institute (TKRI)

The Institute is named for Sir Robert Te Kotahi Mahuta the founding Director of the Centre of Māori Studies research at the University of Waikato in 1972. Te Kotahi Research Institute will work with iwi, drawing on matauranga Māori and multi-disciplines, to create new knowledge and innovations that will inspire our people and communities and lead to the well-being of our whānau, and society.

Te Kotahi is an inter-disciplinary research institute that offers research, consultancy and capacity building services, including post-graduate supervision. We collaborate with researchers from within the University of Waikato, other universities, Crown Research Institutes, Whare Wānanga and Māori organisations.

The Institute aims to:

- Undertake research that will accelerate development and lead to social, economic, environmental and cultural well-being
- Apply matauranga Māori, and diverse Māori perspectives, to disciplinary knowledge in order to develop innovative research approaches
- Build strong iwi-university research collaborations drawing especially on the iwi of Te Ropu Manukura
- Work with the Waikato-Tainui Endowed College to enhance research collaborations with Waikato-Tainui and the Kīngitanga
- Build a vibrant research community that attracts postgraduate students, international scholars, university researchers and community leaders
- Grow new research leaders who can work across disciplines and with communities

Translate knowledge into iwi, regional and national policy and practice outcomes

Te Ngira: Institute for Population Research

Te Ngira: Institute for Population Research links together a virtual and evolving community of national and international researchers whose research focus is the interaction of demographic, social and economic processes. Initially founded through collaboration between the University of Waikato's Population Studies Centre, Waikato Management School, and Wellington-based Motu Economic and Public Policy Research Trust, the Institute's primary goal is to help inform choices and responses to the demographic, social and economic interactions that are shaping New Zealand's future. Reflecting this objective, Te Ngira's research programme comprises five interconnected themes, and is supported and sustained by a strong capacity-building programme which spans local, national and international workshops, seminars, and postgraduate supervision:

- New Zealand 2050 (A structurally ageing New Zealand)
- New Zealand's regions and communities (A regionally diverse New Zealand)
- New Zealand's individuals, families and households (A socially informed New Zealand)
- Te papa one te tū mai nei (Māori and Indigenous futures)
- New Zealand's oceanic and global context (A globally engaged New Zealand)
- Te Ngira Demographic Laboratory (A statistically numerate New Zealand)

Wilf Malcolm Institute of Educational Research (WMIER)

The Wilf Malcolm Institute of Educational Research was established by the University to undertake, support and disseminate research relating to the broad field of education. The Institute provides collaborative and innovative education research spanning from the early years of childhood, through to primary, secondary and the tertiary years. This research may be subject specific or cross curriculum involving interdisciplinary research teams. The research includes, but is not limited to, learning, teaching and assessment, curriculum, digital learning, engineering education, Māori education, literacy and numeracy, sports exercise and science, transitions, threshold concepts, university-school partnerships and education policy.

The Institute produces high quality, cost effective education research that is targeted at solving the real challenges that face education today. The research teams within the Institute have experience, depth in research capability and a history of successful research projects and reputable publications, that all contribute to the research excellence that WMIER provides. It is known for its local studies in classroom research and cross-divisional studies in tertiary pedagogy and curriculum. Policy evaluations, critiques and reviews are encouraged, as are studies from national and international perspectives.

Each year the Institute hosts a number of international and national visitors who contribute to its intellectual life through collaboration with staff and students. National and local conferences, symposiums and seminars are organised by the Institute to inform the academic and professional communities of research undertaken, and to promote knowledge transfer and debate. The Institute is host to the following Centres/Units: Assessment Across the Years (ARAY) Unit, The Early Years Research Centre, the Waikato Engineering Education Research Unit, the Unit for Postgraduate Research, the Waikato Picturebook Research Unit and the Video-Visual Research Group.

International Centre for Terrestrial Antarctic Research (ICTAR)

The primary mission of the International Centre for Terrestrial Antarctic Research is to promote the protection of Antarctica through integrated international research into Antarctic terrestrial ecosystems, assuring New Zealand's continued leadership in this area. ICTAR aims to provide the science that will underpin the conservation, protection, and management of terrestrial ecosystems of the Ross Sea region. Its innovative interdisciplinary approach will help elucidate the status of the present biodiversity, and to predict the effects of multiple impacts on ecosystems. The Centre will interact closely with end-users, in particular government agencies, to identify and protect the present biodiversity of the Ross Sea region, to confidently assist in the management of environmental impacts, such as climate change, and to be able to do this in the highest international forums. The interdisciplinary nature of the Centre draws in current and prospective research talent from both the Division of Health, Engineering, Computing and Science and the Division of Arts, Law, Psychology and Social Sciences (Geography). Cyber Security Research Group (CROW)

The Cyber Security Researchers of Waikato (CROW) aims to return control of data-to-data owners, by focusing on research addressing data security from a user-centric perspective. With the emergence of cloud computing technologies and prevalent mobile device usage, we are witnessing the diminishing effectiveness of traditional cyber security approaches such as perimeter defence, intrusion detection and infrastructure hardening. To address this, CROW focuses on six major themes: Provenance, User-Centricity, Visualisation, Economics, Hardware, and Tools and Datasets. Together, these six themes empowers the return of control of data to users, thereby reducing reliance on third-party vendors or trust relationships commonly found in most cyber security contracts today.

Enterprise Innovation Unit

UEI has two overarching objectives:

- To create and disseminate research-based knowledge in the area of innovation that influences education, practice and policy within New Zealand and the rest of the world.
- To apply the knowledge and expertise to engage with business, government and society, and to contribute and promote innovative approaches to address socio-economic opportunities and challenges within New Zealand and the rest of the world.

Formal Methods Group

Established in 1998, this is the first Formal Methods laboratory in New Zealand. The work that goes on in this lab is based on the view that programming is at the heart of computer science. It is also based on the view that, as engineers and scientists, we should use the machinery of mathematics to model and reason about the systems that we build before we build them. This is in contrast with the view that programs should be written by trial and error (usually at great expense and with a high likelihood of failure, judged by current experience) with our users ironing out our mistakes for us at their expense. To this end, we are developing languages and tools for modelling systems, for reasoning about those models and for transforming them into code in a way that is guaranteed to preserve meaning and correctness. We do not want to build software that usually works – we want software that always works, and in the way intended by the requirements.

Human-Computer Interaction Group

The Human-Computer Interaction Group is the noble face of computer science. The discipline is concerned with designing, implementing and evaluating human-computer interface technologies over an ever-expanding range of applications and environments, as computer technology becomes increasingly pervasive. It involves understanding how computer technology can better fit user needs, and provides theories and tools to assist developers in making useful and usable systems.

Information Systems and Databases Group

Most of the computer applications you encounter today are in fact Information Systems, that means, systems that manage, store and deliver information to users. Examples are search engines like Google, ticket booking systems, or online stores. Exciting new kinds of applications that we look at in the ISDB group are mobile tourist information systems, memory-aid systems and systems that notify you about changes, eg, in web pages or online shops. Our latest projects are context-aware systems that deliver information to their users depending on a user's location, time of the day, task, or mood.

Machine Learning Group

Machine learning is concerned with the task of automatically extracting useful information from data. The aim is to identify patterns that can be used to understand the domain from which the data was collected and to make predictions. Our team works on new, more efficient, algorithms for machine learning and data mining as well as new applications. We are well known for a software "workbench" called the Waikato Environment for Knowledge Analysis (WEKA), which contains a large number of machine learning techniques. WEKA is widely used for research, teaching, and commercial applications of machine learning.

Māori and Psychology Research Unit (MPRU)

The overall goal of the Māori and Psychology Research Unit is to provide a catalyst and support network for advancing research which has at its centre the psychological needs, aspirations, and priorities of Māori people. The MPRU research interests are firmly situated within the Māori development themes of community wellbeing, health and heritage. By networking and establishing ongoing working relationships with staff and students within the University, and in those Māori communities we engage with, the Unit has the capacity to draw together skilled and experienced interdisciplinary research groups able to deliver research of high quality. The Unit's general goals are:

- to provide a support structure which encourages Māori focused research in psychology
- to serve as a scholarly resource for staff and students
- to seek out new sources of research funding
- to promote the professional development of Māori researchers
- to provide a foundation for the teaching of psychology by enhancing availability and access to Māori focused research experience and products
- to disseminate research findings

Oceania Researchers in Cloud and Adaptive-systems (ORCA): Ohu Rangahau Kapua Aunoa

The Oceania Researchers in Cloud and Adaptive-Systems (ORCA) lab is passionate about engineering performant, reliable and highly functional systems. To these ends, ORCA leverage Self-Adaptation and Self-Organisation to solve real-world problems. As the world becomes more intertwined with technology, Clouds, Language Runtimes, and Embedded Systems play an increasingly prominent role in our society. It is the mission of ORCA to foster multidisciplinary collaboration, mentor outstanding students, publish high-quality research and outreach to industrial partners.

Responsible and Sustainable Management Unit

Our mission is to initiate and facilitate research related to responsible and sustainable management by working with Waikato Management School faculty, and across disciplines with other relevant University of Waikato faculty and external organisations. We aim to generate cross-disciplinary research collaboration as well as dialogue with experts, professionals and policy makers within New Zealand and beyond. In doing so, we aim to help create new ways of understanding that transcends traditional research and practitioner boundaries that can work to address complex national and international sustainability issues.

Transport Research Group (TRG)

Transport affects many aspects of everyday life. In the multi-disciplinary Transport Research Group at the University of Waikato, we are interested in how:

- Transport fosters a strong and sustainable economy;
- Transport can be maintained in a way that supports healthy environments;
- Drivers might respond to changes in vehicle technology; and
- Research findings might inform decision-making in government and industry.

We explore a wide range of different questions in our studies, such as:

- What are public perceptions of connected and autonomous vehicle technologies?
- What policy issues are barriers to more widespread uptake of electric vehicles?
- What are the differences between the ways engineers and the road-using public understand risk?
- How does infrastructure investment in ports contribute to economic development and welfare?
- How can in-vehicle cyber-security help people to access more of their own information about their mobility?

Waikato Public Law & Policy Research Unit

Te Piringa – Faculty of Law at the University of Waikato has an established tradition of outstanding scholarship in Public Law and Policy as demonstrated by the contributions of the Faculty’s founding Dean, Professor Margaret Wilson, and Professor Sir Grant Hammond. Today a significant number of Faculty members continue to have research interests in these fields focused on the Faculty’s founding principles of professionalism, biculturalism, and the study of law in context. Current work in the Faculty covers a wide range of common law jurisdictions, in addition to New Zealand and Pacific Island states, and extends from constitutional and administrative law and theory to giving effect to the principles of the Treaty of Waitangi and Māori and Indigenous governance. The Public Law & Policy Research Unit promotes the widest conception of Public Law and Policy, encompassing administrative law, charity and the regulation of civil society, constitutional law, criminal law and justice, and international law. It was established to fill a clear gap in the interrogation of these policy research areas in an integrated and holistic way.

The University of Waikato Delegation of Powers Statute

1. Title

This is the University of Waikato Delegation of Powers Statute 2014.

2. Date of effect

(1) This Statute is effective from 1 January 2014.

(2) This Statute supersedes the University of Waikato Delegation of Powers Statute 2012.

3. Definitions

In this statute:

Academic Board means the University of Waikato Academic Board established by the Council under schedule 11, clause 18 of the Education and Training Act 2020

Council means the Council of the University of Waikato established under section 271 of the Education and Training Act 2020

staff means staff employed by the University of Waikato.

4. Purpose

(1) The purpose of this Statute is to set out the powers of delegation that exist in the University of Waikato under the Education and Training Act 2020, as set out in various policies, codes, regulations, committee constitutions and terms of reference, employment agreements and separate agreements made between the relevant parties.

(2) The powers of the Council and the Vice-Chancellor to delegate under this Statute are subject to the provisions of the Education and Training Act 2020

5. Delegations by the Council

- (1) The Council may from time to time delegate any of its functions or powers to the Vice-Chancellor or to a committee.
- (2) The Academic Board is established by the Council under schedule 11, clause 18 of the Education and Training Act 2020 to exercise powers delegated to it by the Council.
- (3) A delegation by the Council does not affect or prevent the performance of any function or the exercise of any power by the Council or affect the responsibility of the Council for the actions of the Vice-Chancellor or any committee under the delegation.

6. Delegations by the Vice-Chancellor

- (1) The Vice-Chancellor may from time to time delegate any of their functions or powers to the Academic Board.
- (2) The Vice-Chancellor may also from time to time delegate any of their functions or powers to staff, either
 - (a) as set out in the relevant employment agreements
 - (b) in separate agreements made with staff from time to time
 - (c) through the establishment of advisory committees to the Vice-Chancellor
 - (d) through the determination of codes, policies and regulations.
- (3) Where the function or power was originally delegated to the Vice-Chancellor by the Council, a delegation by the Vice-Chancellor under section 6(1) or (2) above is subject to the prior approval of the Council.
- (4) A delegation by the Vice-Chancellor does not affect or prevent the performance of any function or exercise of any power by the Vice-Chancellor, or affect the responsibility of the Vice-Chancellor for the actions of any staff member or committee under the delegation.

7. Delegations by the Academic Board and other committees

Where the Council or the Vice-Chancellor has delegated any functions or powers to the Academic Board or another committee, the Academic Board or other committee may, subject to the prior approval of the Council or the Vice-Chancellor, as the case may be, delegate those functions or powers to

- (a) a sub-committee, or
- (b) a staff member.

8. Details of Delegations

- (1) Delegations by the Council to the Vice-Chancellor are as set out in the Council's [Governance and Management Guidelines](#).
- (2) Delegations of functions and powers by the Council and the Vice-Chancellor to committees of the University, and by those committees to staff, are as set out in the constitutions and terms

of reference of those committees and published in the University of Waikato Committee Directory on the [Committees](#) page.

- (3) Delegations by the Council, the Academic Board and other committees and by the Vice-Chancellor through the determination of codes and policies are as set out in the provisions of those codes and policies and published in the [University of Waikato Official Information](#).
- (4) Delegations by the Vice-Chancellor to staff through the determination of regulations are as set out in the provisions of those regulations and published in the [University of Waikato Calendar](#).

9. Power to alter or revoke

The particular delegations made under this Statute may be altered or revoked at any time by the party that made that delegation at its sole discretion.

10. Reporting Requirements

- (1) The reporting requirements relating to the relevant delegated functions and powers are as set out in the particular policies, codes, regulations, committee terms of reference and staff agreements, and must be followed.
- (2) If no such reporting requirements exist, the staff member or committee to whom a function or power has been delegated must report as instructed by the party that delegated it.

11. Monitoring

- (1) Responsibility for monitoring the performance of functions and exercise of powers by the Vice-Chancellor under delegation by the Council rests with the Council.
- (2) Responsibility for monitoring the performance of functions and exercise of powers by staff under delegation by the Vice-Chancellor rests with the Vice-Chancellor.
- (3) The Senior Deputy Vice-Chancellor is responsible for ensuring that
 - (a) the University's committee framework provides for systematic reporting by committees against their delegated functions and powers as required in their terms of reference, and by staff to whom delegations have been made by those committees
 - (b) a programme of systematic monitoring of policy and regulatory compliance is in place in accordance with delegations of powers set down in the University's policy and regulatory frameworks.

Vice-Chancellor's Special Powers

1. The Vice-Chancellor may give such direction, or make such provision as they think fit for the relief of undue hardship where it is shown to their satisfaction
 - (a) that an alteration or amendment to statutes or regulations involving a change in a course of study or in examination requirements has caused a student hardship, or
 - (b) that official advice has been given and acted upon, and it is later found that a student's programme of study is not in accordance with the governing regulations and hardship would be caused if the student were to be compelled to comply with the full requirements of the regulations.
2. The Vice-Chancellor may, in consultation with the relevant Head of School, Director or equivalent, give such direction or make such provision as they think fit where it is shown to their satisfaction that an unusual and particular case has arisen concerning a student's enrolment, in consideration of which no relevant provisions or regulations currently apply.
3. The Vice-Chancellor will report to the Academic Board any decisions made under these special powers.
4. A student may appeal to Council against a decision by the Vice-Chancellor under these special powers.
5. The Council decides appeals and makes any provisions that it considers appropriate.

Qualification Regulations

These regulations apply to candidates beginning their studies in 2023. Candidates who first enrolled in a qualification prior to 2023 are eligible to complete that qualification either under the regulations which applied at the time of first enrolment or the regulations which apply at the time of re-enrolment. Candidates who are resuming their studies for a qualification after an extended absence are advised to consult the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies concerned at the time of re-enrolment regarding the requirements for completion. However, where there have been significant changes in the structure of a qualification or content of the major or specified programme during the candidate's absence, the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may prescribe a specific programme of study which will be deemed to satisfy the requirements for completion of the qualification.

Personal Programmes of Study Regulations

These regulations apply to candidates beginning their studies in 2023. Candidates who first enrolled in a qualification prior to 2023 are eligible to complete that qualification either under the regulations which applied at the time of first enrolment or the regulations which apply at the time of re-enrolment. Candidates who are resuming their studies for a qualification after an extended absence are advised to consult the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies concerned at the time of re-enrolment regarding the requirements for completion. However, where there have been significant changes in the structure of a qualification or content of the major or specified programme during the candidate's absence, the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may prescribe a specific programme of study which will be deemed to satisfy the requirements for completion of the qualification.

1. **Title**

These are the Personal Programmes of Study Regulations 2012.

2. **Date of effect**

These regulations are effective from 1 January 2013.

3. **Delegation of powers**

The powers and authority of the Academic Board referred to in these regulations have been delegated in certain matters under the [Delegation of Powers Statute 2014](#).

4. **Definitions**

In these regulations

paper means a segment of work in a particular subject and is identified by means of a unique code number. Papers are delivered through lectures, tutorials, practicals and such other coursework as may be required by the department concerned

programme of study means the selection of papers taken by a candidate in any one academic year for a particular qualification

restricted papers are either in effect the same papers e.g. one of which was taught in the past with a different paper code, or they share a significant amount of common content. Candidates may therefore receive credit for only one of the papers listed. Restricted papers may not necessarily be used to satisfy prerequisite or corequisite requirements

a **prerequisite** must be passed before a candidate may enrol in the paper for which the prerequisite is specified. (A paper for which a Restricted Pass (RP) has been awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the other paper is offered approves otherwise)

a **corequisite** must be taken either prior to or concurrently with the paper for which the corequisite is specified

internal assessment means all or some of the following: essays, assignments and reports of various kinds, practical work, work in tutorials and/or seminars and tests

a **field** means a general area of academic study that includes a number of related subjects

a **subject** is a grouping of papers with a common academic theme, defined in terms of the listings under individual subject headings in the University of Waikato [Catalogue of Papers](#). A department may offer more than one subject

a **major** means a principal area of study a candidate has chosen for a bachelors degree and is selected from those listed in the relevant degree regulations. A candidate is required to take a defined and substantial number of papers in the major at a range of levels up to and including 300 or 400 level

a **minor** means an additional subject to the major and is a requirement of some bachelors degrees

a **supporting subject** means an additional subject to the major, usually of at least 60 points in a single minor subject

a **specialisation** means a recognised pathway within a qualification or major which provides an area of focus within the qualification or major

points is the term used to express the student workload of a paper or programme. A normal full-time academic year comprises 120 points or 1.0 EFTS (Equivalent Full-time Student)

5. **Application**

These regulations apply to undergraduate certificates, undergraduate diplomas, bachelors degrees, bachelors with honours degrees, graduate certificates, graduate diplomas, postgraduate certificates, postgraduate diplomas, masters degrees and individual paper credits.

6. **Admission and re-entry**

(1) In order to be eligible to be enrolled at the University of Waikato, candidates must meet the requirements of Section 255 of the Education and Training Act 2020.

- (2) The criteria for admission to the University of Waikato in a given year are determined by the Council and are set out in the [Admission Statute 2016](#).
- (3) The criteria for admission to a particular qualification in a given year are determined by the Academic Board and are set out in the [Criteria for Admission to Particular Qualifications](#) and the qualification regulations.
- (4) To ensure that a candidate is adequately prepared for a graduate qualification, the Academic Board will require relevant papers in the relevant subject or subjects of the qualifying bachelors degree to have been passed at grades which it deems appropriate.
- (5) Candidates are usually required to have majored in their bachelors degree in the main subject to be presented for a graduate degree. This requirement may be waived in cases where no more than one or two papers in a given subject are proposed to be incorporated into the candidate's graduate degree.
- (6) In exceptional circumstances, based on academic merit, candidates who have no more than 30 points left to complete the requirements of a qualifying degree may be permitted to enrol in a graduate degree, provided that they have completed all of the requirements of the major or main subject of the qualifying degree. The graduate degree will not be deemed to have been completed until the qualifying degree has also been completed.
- (7) The Academic Board may approve limitations on enrolment for programmes or papers due to insufficiency of staffing or resources. Limitations and the criteria for selection are published in the [Limitations Statute](#).
- (8) A candidate who has been awarded a particular qualification in one major or subject may only be re-admitted to the same qualification in another major or subject.
- (9) The criteria for re-entry for returning students are determined by the Academic Board and are set out in Part 3 of the [Criteria for Admission to Particular Qualifications](#).
- (10) In addition, the Academic Board may decline to re-enrol a candidate whose progress during the preceding year or years has not been to the satisfaction of the Academic Board.

7. Enrolment in a programme of study

- (1) The Academic Board may prescribe qualifying or additional papers which must be passed by a candidate either prior to, or concurrently with, the minimum requirements for a qualification. Qualifying or additional papers may be required if the candidate is considered by the Academic Board to be inadequately prepared in a core subject area.
- (2) Enrolment in a programme of study or paper is subject to the approval of the Academic Board. Such approval will be determined on the basis of the candidate's academic background as well as staffing and resources.
- (3) The personal programme of study of every candidate is subject to the approval of the Academic Board.
- (4) The papers for qualifications and their prescriptions are defined in the University of Waikato [Catalogue of Papers](#). Before enrolling for a paper, candidates must meet any

requirements specified in the relevant prescription unless approved otherwise by the Academic Board.

- (5) Particular regulations governing qualifications may be varied or waived by approval of the Academic Board.

8. **Maximum student workload**

- (1) The normal maximum full-time student workload for an academic year (excluding C trimester) is 120 points.
- (2) For the purposes of calculating workload, a paper that runs for the duration of two full trimesters has a workload equivalent to half of its points value during each of the trimesters in which it is taught.
- (3) The normal maximum full-time student workload for C trimester is 45 points.
- (4) Approval of the Academic Board is required for a candidate to enrol in a programme of study which has a workload equivalent to more than the normal maximum full-time workload.

9. **Completion of a qualification**

- (1) The minimum requirements for the completion of a qualification are defined in the relevant regulations.
- (2) With the approval of the Academic Board, a candidate may be permitted to complete the requirements of a qualification in less than the minimum period of enrolment prescribed in the relevant regulations. Approval will depend on the candidate's academic record and on the availability of suitable teaching and supervision arrangements.

10. **Eligibility for Honours or Distinction**

In order to qualify for Honours or Distinction in a particular qualification, a candidate may be required to complete the requirements within a prescribed time period of first enrolling for the qualification.

11. **Dissertations and theses**

- (1) The *Dissertations and Theses Regulations 2020* governing the presentation of dissertations and theses apply in these regulations and any dissertation or thesis required for a graduate qualification must be presented in accordance with these regulations.
- (2) Enrolment in a dissertation or thesis, or a qualification which requires the completion of a dissertation or thesis, is subject to the availability of a suitable supervisor for the dissertation or thesis.
- (3) For dissertations and theses, one or more supervisors will be appointed by the Academic Board. If the chief supervisor is also an examiner of the dissertation or thesis, at least one other examiner (who is not also a supervisor) will be appointed.
- (4) A dissertation or thesis must embody the results obtained by the candidate in an investigation relating to some branch of the subject or subjects being presented, or, with the approval of

the Academic Board, shall take some other form proposed by the candidate's supervisors and approved by the relevant Head of School or Dean concerned. The chief supervisor or sole supervisor will be required to certify that the dissertation or thesis embodies the candidate's own work carried out under the supervisor's direct supervision.

(5) Dissertations and theses are assessed in terms of the points value they represent.

12. **Date for submission of dissertations, theses and research reports**

- (1) The deadline for the submission of any dissertation or research report will be 4.00pm on the last working day of the paper occurrence which completes the candidate's enrolment in the total points required for the dissertation or research report.
- (2) The deadline for the submission of any thesis will be 11.59pm on the last day of the paper occurrence which completes the candidate's enrolment in the total points required for the thesis.
- (3) Candidates who expect that they will not submit their dissertation, thesis or research report by the due date may apply to the relevant Head of School or Dean or delegated authority for an extension of time without the requirement for re-enrolment, provided that the application for an extension is lodged prior to the deadline for submission.
- (4) Extensions will not normally be awarded for periods of more than 21 days beyond the relevant due date.
- (5) Candidates who do not submit their dissertation, thesis or research report by the due date, and who have not applied for and been awarded an extension, will be required to re-enrol for a minimum period to be determined by the relevant Head of School or Dean or delegated authority and will be liable for a further payment of tuition and any other fees and charges for the period of re-enrolment.

13. **Resubmission of dissertations and theses**

- (1) A dissertation or thesis for a graduate qualification that receives a narrow fail may be returned to the candidate with the offer of an opportunity to revise and re-submit. The decision to offer such an opportunity is at the discretion of the relevant Head of School or Dean and is based on a number of factors, including the likelihood that the revision will be successful, and the availability of suitable supervisors and examiners.
- (2) An offer by a Head of School or Dean under subsection 13(1) of these regulations will be in writing, and any conditions attached to the offer will be explicit. The period allowed for the revision will be no more than the equivalent of one trimester and the deadline for submission will be prescribed. If the offer to revise and submit is accepted, the candidate will be eligible to receive a maximum grade of C and, in the case of a masters degree, will not be eligible for the award of Honours.
- (3) A candidate's acceptance of an offer to revise and re-submit and associated conditions must be in writing. The candidate must then re-enrol for the equivalent of one trimester and pay fees accordingly. For administrative and fees purposes, the candidate will enrol for the particular enrolment period in which the deadline for re-submission falls.

- (4) A 'provisional fail' is recorded against the first dissertation or thesis enrolment for the period of revision. The 'provisional fail' grade is replaced by a final grade (either a fail grade or a C grade, depending on the outcome), after the revision and re-examination processes are concluded.
- (5) The opportunity to revise and re-submit a particular dissertation or thesis may be offered to a candidate only once.

14. **Credit - transfer credit and cross credit**

- (1) **Transfer credit** means credit towards a University of Waikato qualification for papers passed at another tertiary institution.
- (2) **Cross credit** means credit towards a University of Waikato qualification for papers passed towards another University of Waikato qualification.
- (3) A candidate who has passed papers at an appropriate level at the University of Waikato or another tertiary institution may apply for credit in respect of those papers towards a University of Waikato qualification.
- (4) Applications for credit must be submitted on the online qualification application, together with the prescribed fee.
- (5) Applications for credit from another institution must be accompanied by a verified copy of an academic record. If the original document is not in English, the academic record must be accompanied by an official English translation of the record. The University reserves the right to request an original copy of an academic record.
- (6) The policy on the level and amount of credit which may be awarded from a completed qualification is determined by the Academic Board and is set out below:
 - (a) Credit from a completed qualification is normally only available towards a bachelors degree.
 - (b) Credit is not normally awarded from a completed graduate or postgraduate qualification.
 - (c) Credit from a completed qualification will normally be limited to no more than one third of the completed qualification.
 - (d) Credit towards a University of Waikato bachelors degree from a completed qualification will normally be limited to no more than one third of the University of Waikato degree. For the purposes of this regulation, one third of a bachelors degree is considered to be 120 points at 100 and 200 levels, including a maximum of 60 points at 200 level. Where appropriate, the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may, at their discretion, permit 20 further points at 100 or 200 level to be credited towards a four-year bachelors degree where the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies deems a paper to be relevant to the candidate's programme of study.
 - (e) Credit will not normally be awarded for 300 or 400 level papers required for a major in an undergraduate degree.

- (f) No paper may count towards more than two qualifications.
- (7) The decision to award credit in individual cases will be made by the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies.
- (8) In making decisions on credit, the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies will consider the relevance and level of the papers completed, the regulations of the University of Waikato qualification concerned, and the credit guidelines maintained by the Student Services.
- (9) Regardless of the total number of papers which an applicant has passed at other institutions, the total credit awarded will not be more than half of the total requirement of the University of Waikato qualification concerned, unless this is approved under subsections 14(10) or 14(11) of these regulations.
- (10) In individual cases, the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies or delegated authority may vary subsection 14(9) of these regulations and award credit for up to two thirds of the University of Waikato qualification concerned.
- (11) In individual cases, the Education Committee, under delegated authority of the Academic Board, may award credit for more than two thirds of a University of Waikato qualification, or for more than half of an undergraduate degree that includes 300 and/or 400 level papers for a major.
- (12) Applicants wishing to appeal a Pro Vice-Chancellor's or the Dean of the Faculty of Māori and Indigenous Studies decision on credit may apply to the Director of Student Services.
- (13) The consideration of an appeal will involve the Pro Vice-Chancellor or the Dean of the Faculty of Māori and Indigenous Studies concerned being requested to reconsider the decision. Further appeals against the outcome of a reconsideration will be referred to the Education Committee for consideration on behalf of the Academic Board.
15. **Completion of a University of Waikato qualification at another New Zealand university**
A candidate who, based on the assessment of the Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies, has completed the major part of a qualification at the University of Waikato and then moved to another district may, in some cases, complete the University of Waikato qualification by taking the remaining papers at another university in New Zealand. Prior approval of the specific papers, in writing, must be obtained from the Director of Student Services of this University and the prescribed charge paid. The candidate must advise the Registrar of the other university of the purpose of the enrolment and the papers concerned must be taken on a Certificate of Proficiency (COP) basis at that university. The candidate's academic record will not be transferred.
16. **Completion of a qualification of another New Zealand university at the University of Waikato**

A candidate who has completed the major part of a qualification at another New Zealand university may, in some cases, be permitted by that university to complete the qualification by passing specified papers at the University of Waikato. Any such approval must be given in writing by the 'home' university and the candidate will take the papers concerned on an Individual Paper Credit (IPC) basis at the University of Waikato. The candidate's academic record will not be transferred.

Admission

2. Candidates for the Degree must have qualified for admission to the University of Waikato and met any criteria set out in the [Criteria for Admission to Particular Qualifications](#)

Requirements for the Degree

3. The normal minimum period of enrolment for completion of the Degree is three years.
4. Candidates must enrol in the Division of Health, Engineering, Computing and Science and follow an approved programme of study.
5. Candidates must gain 360 points at 100, 200, 300, and 400 levels, including at least 225 points above 100 level and 75 points above 200 level.
6. Candidates must complete the requirements of a major.
 - (a) Computer Science¹
 - (b) Aquaculture¹
 - Chemistry
 - Earth Sciences
 - Ecology and Biodiversity
 - Environmental Sciences
 - Materials Science
 - Molecular and Cellular Biology

7. To complete the requirements of a single major, candidates must gain 135 points in that major, including at least 105 points above 100 level, of which at least 45 points must be above 200 level. Candidates must also meet any specific requirements prescribed for the major in the relevant subject entry in the [University of Waikato Catalogue of Papers](#).
8. Candidates completing a single major may also complete a minor by gaining 60 points in any minor subject, including at least 30 points above 100 level. Candidates must also meet any specific requirements prescribed for the minor in the relevant subject entry in the [University of Waikato Catalogue of Papers](#).
9. Candidates may complete a second major in any undergraduate major.
10. To complete the requirements of a double major, candidates must gain 120 points in each major, including at least 90 points above 100 level, of which at least 30 points must be above 200 level. Candidates must also meet the specific requirements prescribed for each major in the relevant subject entry in the [University of Waikato Catalogue of Papers](#).
11. A paper completed towards the requirements of a major or a minor cannot be counted towards the requirements of another major or a minor.
12. Candidates must also complete at least 105 points from papers listed for the field of the Degree if completing a single major, or at least 120 points from papers listed for the field of the degree if completing a double major, including:
 - (a) *for candidates enrolled in majors under section 6(a) of these regulations:*
CSMAX170, CSMAX270, SCIEN270, COMPX371 and one of MATHS135, STATS111, STATS121.
 - (b) *for candidates enrolled in majors under section 6(b) of these regulations:*
45 points chosen from List A: Science Fundamentals², SCIEN270, SCIEN371, and SCIEN305 or another approved Cultural Perspectives papers.
13. Candidates enrolled in majors under section 6(b) of these regulations must include at least 30 points chosen from List C: Science Numeracy as part of their programme of study.
14. Candidates may take up to 120 points from outside the field of the Degree.
15. The field of the Degree is defined in the appendix to these regulations.

Variations

16. The Pro Vice-Chancellor of the Division or delegated authority may permit more than 120 points to be taken from outside the field of the Degree in individual cases.
17. The Pro Vice-Chancellor or delegated authority may vary or waive these regulations in individual cases.

Transitional Arrangements

18. These regulations apply to all new applicants for the Bachelor of Science (Technology) from

2018. Students who enrolled in the Bachelor of Science (Technology) prior to 2018 may complete under the regulations listed in the 2017 Calendar.

Notes:

1. *There will be no new intake into this major in 2022.*
 2. *The requirement to complete 45 points from List A: Science Fundamentals may be reduced for those candidates completing either a second major or a minor from the majors listed under section 6(b) of these regulations.*
-

Appendix

The field of the Degree is defined as

- (a) the papers offered by the School of Computing and Mathematical Sciences, including DSIGN125, but excluding other DSIGN coded papers, and
- (b) the papers offered by the School of Science and School of Engineering, and
- (c) the Philosophy papers PHILO102 Introduction to Logic and PHILO208 Reason, Science, and Pseudoscience, and

Regulations for Conjoint Degrees

1. The [Personal Programmes of Study Regulations](#) apply in these regulations.

Admission

2. Every candidate must have met the admission requirements of each of the component degrees and be approved by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies of each of the relevant Divisions or the Faculty of Māori and Indigenous Studies to enrol in the conjoint qualification.
3. Admission may be at initial enrolment or after the candidate has passed or been credited with papers towards either component degree, but the candidate must not have been awarded either of the component degrees. Candidates cannot enrol in the LLB(Hons) at initial enrolment but are eligible to be considered for admission on successful completion of the Honours admission requirements.

Requirements for the Degree

4. Candidates must enrol in a Division or the Faculty of Māori and Indigenous Studies and follow an approved programme of study.
5. Each year and part of enrolment for the conjoint degrees are subject to the approval of the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies of the Division or the Faculty of Māori and Indigenous Studies in which the component degree is taken, and will depend on satisfactory progress in the previous levels and years of study.
6. Candidates must maintain a grade average of B- or higher in order to continue enrolment in the conjoint programme.
7. Candidates must meet the requirements for re-entry for each of the component degrees in order

to continue enrolment in the conjoint programme.

8. Candidates must enrol in at least one paper for each of the component degrees each year, unless the requirements of one component degree have already been completed.
9. Each paper must be taken towards one component degree.
10. Only when all of the requirements of both component degrees have been satisfied may the two degrees be awarded.
11. Graduates of a conjoint degree programme may not cross-credit any of the papers contributing to the component degrees towards another University of Waikato qualification. Candidates enrolling in a conjoint degree programme will not be eligible to credit papers from a completed bachelors degree, graduate diploma or postgraduate diploma.

Master of Philosophy (MPhil)

The regulations below set down the requirements for the award of the degree of Master of Philosophy (MPhil).

Formal policies and procedures related to enrolment and examination for the degree, along with information about administrative matters, are available from [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Master of Philosophy (MPhil)

Date of effect

1. These regulations are effective from 28 July 2021

Requirements for the Degree

2. The degree of Master of Philosophy (MPhil) is awarded to candidates who have successfully completed approved and supervised research, and presented the results lucidly in a thesis which
 - (a) critically investigates an approved topic of substance and significance, and
 - (b) demonstrates expertise in the methods of research and scholarship, and
 - (c) displays intellectual independence, and
 - (d) makes an original contribution to the research area.

Admission and Enrolments

3. To qualify to enrol for the MPhil, an applicant must
 - (a) have qualified for the award of a New Zealand bachelors degree with honours or masters degree,¹ in a field relevant to the proposed research with at least second class honours (first division) or distinction or for a qualification considered by the Academic Board to be equivalent, or
 - (b) have passed qualifying papers at a satisfactory level in a field relevant to the proposed research,and
 - (c) have demonstrated research ability, normally at least 30 points of research in an honours or master's degree, or significant professional research experience or equivalent, or
 - (d) in exceptional circumstances have produced other evidence to the satisfaction of the Postgraduate Research Committee that they have adequate skills and knowledge to proceed with the proposed research.
4. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#).
5. Applicants must apply through the online [Application to Enrol](#).
6. Applications to enrol and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
7. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the proposed research.
8. The Dean of Te Mata Kairangi School of Graduate Research will appoint a supervisory panel, for each candidate; each candidate must have a minimum of two supervisors, one of whom is normally a continuing staff member of the University and the chief supervisor.
9. Candidates are required to maintain contact with their supervisory panel throughout the entire period of their enrolment in the MPhil.
10. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or that their enrolment may be terminated.
11. Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement, a student may not be approved to enrol, or remain enrolled, if:
 - (a) the student has not provided and maintained a valid and current Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
 - (b) the student does not have an agreed study plan, approved by the Dean of Te Mata Kairangi

School of Graduate Research, that confirms there are no required activities that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement.

12. Changes to a candidate's conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
13. The termination of a candidate's enrolment is subject to approval by the Postgraduate Research Committee.
14. Candidates whose applications are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the relevant Division or the Faculty of Māori and Indigenous Studies and, subject to progress which meets expectations, pursue their research for
 - (a) one year if they are enrolled on a full-time (1.0 FTE) basis, or
 - (b) two years if they are enrolled on a part-time (0.5 FTE) basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
15. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
16. Candidates must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
17. Candidates are required to maintain continuous enrolment throughout the entire period of the MPhil
18. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
19. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent.
20. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
21. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets expectations and/or comply with any regulations or policies which relate to enrolment for the MPhil.
22. Candidates must provide evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#) .
23. The thesis may consist of the candidate's published or unpublished material, or a combination; all such materials must have been produced within the term of enrolment.
24. Where the thesis includes the candidate's published or unpublished research papers, these must

- (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's MPhil enrolment.
25. Where the thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
26. Candidates must indicate in the thesis any material that has been used or presented for any other degree.
27. Where the thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
28. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.

Examination

29. The Dean of Te Mata Kairangi School of Graduate Research will appoint two examiners for the MPhil thesis who are external to the University and not directly connected with the candidate or the candidate's research; at least one of the examiners must be from outside New Zealand.
30. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research may appoint a further examiner.
31. On the basis of the reports of the examiners, the Dean of Te Mata Kairangi School of Graduate Research will resolve
- (a) that the thesis be accepted in its present form as fulfilling the requirements of the MPhil, or
 - (b) that the thesis be accepted as fulfilling the requirements of the MPhil subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the thesis be accepted subject to the candidate completing substantial amendments to the satisfaction of the examiners or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
 - (d) that an oral examination of the candidate be conducted, and a further report, based on the oral examination, be provided by the examiners to the Dean of Te Mata Kairangi School of Graduate Research, or
 - (e) that the thesis is not acceptable in its present form and that the candidate, may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
 - (f) that the candidate has failed to meet the required standard and that no degree be awarded.

32. A candidate will be permitted to revise and re-submit a thesis only once and only one oral examination will be held.
33. A candidate who fails to undertake the oral examination, if required, or who fails to complete amendments to the thesis as required under subclauses 30(b), (c) or (e) will be deemed to have failed to meet the required standard and no degree will be awarded.

Transfers

34. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research at any time between enrolment and submission of the thesis to transfer to the Doctor of Philosophy (PhD).

Complaints and Appeals

35. A candidate who wishes to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee made under these regulations, or who has a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).

Reporting

36. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee are required to report any decisions they make with respect to MPhil candidates which fall outside of these regulations to the Research Committee.

Notes:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from those who have completed a professional master's degree will be considered on a case-by-case basis.*

 - (b) normally a minimum of six years and a maximum of eight years if they are enrolled on a part-time (0.5 EFT) basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
13. Enrolment is approved, in the first instance for:
 - (a) a maximum of one year in Part 1 and a maximum of four years in Part 1 and Part 2 if the candidate is registered on a full-time basis, or
 - (b) a maximum of two years in Part 1 and a maximum of eight years in Part 1 and Part 2 if the candidate is registered on a part-time basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
14. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
15. Candidates must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
16. Candidates are required to maintain continuous enrolment throughout the entire period of the EdD.

17. Initial enrolment is in Part 1. When the Dean of Te Kura Toi Tangata School of Education has confirmed that candidates have passed Part 1 to the prescribed standards, candidates may apply for enrolment in Part 2.
18. Enrolment in Part 2 is approved by the Dean of Te Mata Kairangi School of Graduate Research subject to the submission by the candidate of
 - (a) an acceptable research proposal, and
 - (b) a presentation of the proposed research to a confirmation of enrolment panel, and
 - (c) evidence of ethical approval or a statement confirming that it is not required, in accordance with the *Ethical Conduct in Human Research and Related Activities Regulations 2008* and
 - (d) a recommendation from the candidate's supervisors, Head of School or equivalent and the Division of Education that the candidate proceed into Part 2.
19. The Dean of Te Mata Kairangi School of Graduate Research will appoint a supervisory panel for each candidate who proceeds to Part 2; each candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.
20. Candidates are required to maintain contact with their supervisory panel throughout the entire period of enrolment in Part 2 of their EdD.
21. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
22. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent.
23. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
24. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets expectations and/or comply with any regulations or policies which relate to enrolment for the EdD.
25. A thesis may consist of the candidate's published or unpublished material, or a combination of both; all such materials must have been produced within the term of enrolment.
26. Where the thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's EdD enrolment.
27. Where the thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
28. Candidates must indicate in the thesis any material that has been used or presented for any other

degree.

29. Where the thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
30. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.

Examination

31. The Dean of Te Mata Kairangi School of Graduate Research will appoint at least two examiners for the thesis who are external to the University and not directly connected with the candidate or the candidate's research; at least one of the examiners must be from outside New Zealand.
32. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research may appoint a further examiner.
33. The Dean of Te Mata Kairangi School of Graduate Research will make a decision whether or not to proceed to oral examination based on the recommendations and reports of the examiners following the examination of the thesis and will resolve
 - (a) that the thesis should proceed to oral examination, the work does not require significant revisions, or
 - (b) that the thesis should proceed to oral examination, revisions anticipated, or
 - (c) that the thesis should not proceed to oral examination. The candidate should be asked to re-enrol for a minimum of six months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the thesis for re-examination, or
 - (d) that the thesis should not proceed to oral examination and should not be accepted for the EdD degree but is acceptable as fulfilling the requirements for the degree of Master of Education (MEd) or Master of Philosophy (MPhil) (subject to amendments of a minor nature), or
 - (e) that the thesis should not proceed to oral examination and should not be accepted for the award of a doctoral degree.
34. On the basis of the final reports of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research will resolve
 - (a) that the thesis be accepted in its present form as fulfilling the requirements of Part 2 of the EdD, or
 - (b) that the thesis be accepted as fulfilling the requirements of Part 2 of the EdD subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the thesis be accepted as fulfilling the requirements of Part 2 of the EdD subject to the candidate completing substantial amendments to the satisfaction of all the examiners or the

chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or

- (d) that the thesis is not acceptable in its present form and the candidate may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
- (e) that the thesis is not acceptable for the EdD but should be accepted as fulfilling the requirements of the degree of Master of Education (MEd) or Master of Philosophy (MPhil), or
- (f) that the candidate has failed to meet the required standard and that no degree be awarded.

35. A candidate will be permitted to revise and re-submit a thesis only once and only one oral examination will be held.

Transfers

36. A candidate may apply to the Postgraduate Research Committee Representative of the Division of Education at any time during Part 2 of the degree before submission of the thesis to transfer to the Master of Education (MEd).

37. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research at any time during Part 2 of the degree before submission of the thesis to transfer to the Master of Philosophy (MPhil).

Complaints and Appeals

38. A candidate who wishes to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee made under these regulations, or who has a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).

Reporting

39. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee are required to report any decisions they make with respect to EdD candidates which fall outside of these regulations to the Research Committee.

Note:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from students who have completed a professional master's degree will be considered on a case-by-case basis.*

Doctor of Health Science (DHSc)

The regulations below set down the requirements for award of the Doctor of Health Science (DHSc). Formal policies and procedures related to enrolment and examination for the degree, along with information about administrative matters, are available from the [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Doctor of Health Science (DHSc)

Date of effect

1. These regulations are effective from 28 July 2021

Requirements for the Degree

2. The degree of Doctor of Health Science (DHSc) is awarded to candidates who have successfully completed a programme of coursework and research in two parts as follows:

(a) *Part 1 - Research Portfolio*

Candidates must gain a pass grade in the paper HLTSC980 Professional Doctoral Research Portfolio.

(b) *Part 2 - Thesis*

Candidates must undertake approved and supervised research and present the results lucidly in a thesis which

- (i) critically investigates an approved topic of substance and significance, and
- (ii) demonstrates expertise in the methods of research and scholarship, and

- (iii) displays intellectual independence, and
- (iv) makes a substantial original contribution to the research area.

Admission and Enrolment

3. To qualify to enrol for the DHSc, an applicant must have
 - (a) qualified for the award of a recognised health professional qualification and must produce evidence of at least three years of service as a health professional,
and
 - (b) have qualified for the award of a New Zealand bachelor's degree with honours or a master's degree in a field relevant to the proposed research, with at least second class honours (first division) or distinction, or for a qualification considered by the Academic Board to be equivalent, or
 - (c) have qualified for the award of the degree of Master of Philosophy (MPhil) in a field relevant to the proposed research, or
 - (d) have passed qualifying papers at a satisfactory level in a field relevant to the proposed research,
and
 - (e) have demonstrated research experience and ability, normally at least 30 points of research in an honours or master's degree, or significant professional research experience, or equivalent, or
 - (f) in exceptional circumstances have produced other evidence to the satisfaction of the Postgraduate Research Committee that they have adequate skills and knowledge to proceed with the proposed research.
4. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#).
5. Applicants must apply through the online [Application to Enrol](#).
6. Applications to enrol and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
7. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the proposed research.
8. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or that their enrolment may be terminated.

9. Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement, a student may not be approved to enrol, or remain enrolled, if:
 - (a) the student has not provided and maintained a valid and current Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
 - (b) the student does not have an agreed study plan, approved by the Dean of Te Mata Kairangi School of Graduate Research, that confirms there are no required activities that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement.
10. Changes to a candidate's conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
11. The termination of a candidate's enrolment is subject to approval by the Postgraduate Research Committee.
12. Candidates whose applications are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Division of Health, Engineering, Computing and Science and, subject to progress which meets expectations, pursue their coursework and research for
 - (a) normally a minimum of three years of a maximum of eight years if they are enrolled on a full-time (1.0 EFT) basis, or
 - (b) normally a minimum of six years or a maximum of eight years if they are enrolled on a part-time basis (0.5 EFT), or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
13. Enrolment is approved, in the first instance for
 - (a) a maximum of one year in Part 1 and a maximum of four years in Part 1 and Part 2 if the candidate is registered on a full-time basis, or
 - (b) a maximum of two years in Part 1 and a maximum of eight years in Part 1 and Part 2 if the candidate is registered on a part-time basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
14. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
15. Candidates for the DHSc must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
16. Candidates are required to maintain continuous enrolment throughout the entire period of their degree.
17. Initial enrolment is in Part 1. When the Dean of Te Huataki Waiora School of Health has

confirmed that a candidate has passed Part 1 to the prescribed standards, they may apply for enrolment in Part 2.

18. Enrolment in Part 2 is approved by the Dean of Te Mata Kairangi School of Graduate Research subject to submission by the candidate of
 - (a) an acceptable research proposal, and
 - (b) a presentation of the proposed research to a confirmation of enrolment panel, and
 - (c) evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#), and/or [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#),  and
 - (d) a recommendation from the candidate's supervisors, Head of School or equivalent and the Division of Health, Engineering, Computing and Science that the candidate proceed into Part 2.
19. The Dean of Te Mata Kairangi School of Graduate Research will appoint a supervisory panel for each candidate who proceeds to Part 2; each candidate must have a minimum of two supervisors, one of whom is normally a continuing staff member of the University and the chief supervisor.
20. Candidates are required to maintain contact with their supervisory panel throughout the entire period of the enrolment in their degree.
21. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
22. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
23. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets expectations and/or comply with any regulations or policies which relate to enrolment for the DHSc.

Doctor of Musical Arts (DMA)

The regulations below set down the requirements for award of the degree of Doctor of Musical Arts (DMA).

Formal policies and procedures related to enrolment and examination for the degree, along with information about administration matters, are available from [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Doctor of Musical Arts (DMA)

Date of effect

1. These regulations are effective from 28 July 2021

Requirements for the Degree

2. The degree of Doctor of Musical Arts (DMA) is awarded to candidates who have successfully completed a coherent programme of performance and research in two parts as follows:
 - (a) *Part 1 - Performance*

Candidates must

 - (i) undertake supervised musical performance, and present one public recital in their first year, and
 - (ii) give two further public recitals during the course of their candidacy. The repertoire must be determined in consultation with the candidate's supervisory panel and may include a concerto, a leading role in an opera, a chamber music recital or Māori musical arts based

performance, and

- (iii) present a seminar on their proposed research during their second year of study, and
- (iv) present a final research-based public recital, which will be of ninety minutes duration and which demonstrates performance skills at the highest professional levels, meeting internationally recognised standards for such work. This final recital must be recorded to professional standards in audio-visual format.

(b) *Part 2 - Thesis*

Candidates must undertake approved and supervised research that makes an original contribution to the field of knowledge relating to music performance and is presented in the form of a written thesis of no more than 35,000 words which,

- (i) critically investigates an approved topic of substance and significance relating to the candidate's examinable programme, and
- (ii) demonstrates expertise in the methods of research and scholarship, and
- (iii) displays intellectual independence, and
- (iv) makes a substantial original contribution to the research area.

Admission and Enrolment

3. To qualify to enrol for the DMA, an applicant must
 - (a) have qualified for the award of a New Zealand Master of Music (MMus) degree with at least second class honours (first division) or for a qualification considered by the Academic Board to be equivalent, and
 - (b) pass an audition.
4. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#).
5. Applicants must apply through the online [Application to Enrol](#). Their application must include an audition recording.
6. Applications to enrol and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
7. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the proposed research.
8. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or that their enrolment may be terminated.

9. Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement, a student may not be approved to enrol, or remain enrolled, if:
 - (a) the student has not provided and maintained a valid and current Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
 - (b) the student does not have an agreed study plan, approved by the Dean of Te Mata Kairangi School of Graduate Research, that confirms there are no required activities that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement.
10. Changes to a candidate's conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board
11. The termination of a candidate's enrolment is subject to approval by the Postgraduate Research Committee.
12. Candidates whose applications are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Division of Arts, Law, Psychology and Social Sciences and, subject to progress which meets expectations, pursue their performance and research for
 - (a) normally a minimum of three years and a maximum of four years, if they are enrolled on a full-time basis (1.0 FTE), or
 - (b) normally a minimum of six years and a maximum of eight years, if they are enrolled on a part-time basis (0.5 FTE), or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
13. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
14. Candidates must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
15. Candidates are required to maintain continuous enrolment throughout the entire period of the DMA.
16. Enrolment of all new candidates approved by the Dean of Te Mata Kairangi School of Graduate Research is conditional for an initial period of six months. Confirmation of enrolment by the Dean of the School of Graduate Research after the initial period of six months is subject to the submission by the candidate of
 - (a) an acceptable research proposal, and
 - (b) evidence of ethical approval or a statement confirming that it is not required, in accordance with the [*Ethical Conduct in Human Research and Related Activities 2008*](#), and
 - (c) a presentation of the proposed research to a confirmation of enrolment panel, and
 - (d) a recommendation from the supervisors, the Head of the School of Arts and the Associate

Dean Postgraduate that the candidate proceed into unconditional enrolment.

17. If the candidate's enrolment is not confirmed within nine months of initial enrolment if they are enrolled on a full-time basis or eighteen months if they are enrolled on a part-time basis it will be terminated.
18. The Dean of Te Mata Kairangi School of Graduate Research will appoint a supervisory panel for each candidate; each candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.
19. Candidates are required to maintain contact with their supervisory panel throughout the entire period of the enrolment in the DMA.
20. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
21. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent.
22. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
23. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets expectations and/or comply with any regulations or policies which relate to enrolment for the DMA.
24. A thesis may consist of the candidate's published or unpublished material, or a combination of both; all such materials must have been produced within the term of enrolment.
25. Where the thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's DMA enrolment.
26. Where the thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
27. Candidates must indicate in the thesis any material that has been used or presented for any other degree.
28. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.
29. Where the thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.

Examination

30. The Dean of Te Mata Kairangi School of Graduate Research will appoint at least two examiners for the thesis who are external to the University and not directly connected with the candidate or the candidate's research. At least one of the external examiners must be from outside New Zealand.
31. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research may appoint a further examiner.
32. The final public recital will be attended by the New Zealand examiner and the recording of it submitted with the thesis. The thesis must be submitted within three months of the final public recital.
33. The Dean of Te Mata Kairangi School of Graduate Research will make a decision whether or not to proceed to oral examination based on the recommendations and reports of the examiners following the final public recital and the examination of the thesis and will resolve
 - (a) that the candidate should proceed to oral examination, the work does not require significant revisions, or
 - (b) that the candidate should proceed to oral examination, revisions of the work anticipated, or
 - (c) that the candidate should not proceed to oral examination and be asked to re-enrol for a minimum of six months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the work for re-examination, or
 - (d) that the candidate should not proceed to oral examination and their work should not be accepted for the DMA but is acceptable as fulfilling the requirements for the degree of Master of Philosophy (MPhil) (subject to amendments of a minor nature), or
 - (e) that the candidate should not proceed to oral examination and their work should not be accepted for the award of a doctoral degree.
34. On the basis of the final reports of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research will resolve
 - (a) that the work be accepted in its present form as fulfilling the requirements for the DMA, or
 - (b) that the work be accepted as fulfilling the requirements for the DMA subject to the candidate undertaking minor amendments and/or correcting typographical errors to the thesis as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the work be accepted as fulfilling the requirements for the DMA subject to the candidate completing substantial amendments to the thesis, to the satisfaction of all the examiners or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
 - (d) that the work is not acceptable in its present form and the candidate may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
 - (e) that the work is not acceptable for the DMA but should be accepted as fulfilling the

requirements of the degree of Master of Philosophy (MPhil), or

(f) that the candidate has failed to meet the required standard and that no degree be awarded.

35. A candidate will be permitted to revise and re-submit a thesis only once and only one oral examination will be held.

Transfer

36. A candidates may apply to the Dean of Te Mata Kairangi School of Graduate Research at any time during Part 2 of the degree before submission of the thesis to transfer to the Master of Philosophy (MPhil).

Complaints and Appeals

37. A candidate who wishes to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee made under these regulations, or who has a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).

Reporting

38. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee are required to report any decisions they make with respect to DMA candidates which fall outside of these regulations to the Research Committee.

Requirements for the Degrees

2. The degree of Doctor of Laws (LLD), Doctor of Literature (DLit) or Doctor of Science (DSc), may be awarded to a candidate who has successfully presented for examination a collection of work, or a specially composed thesis based on such work, which constitutes an original, substantial and distinguished contribution to scholarship and establishes the candidate as an international authority in the particular field of study.

Application

3. An applicant for a higher doctorate must
 - (a) be a graduate of the University of Waikato,
 - (b) have qualified for the award of a degree from another New Zealand university or for a qualification considered by the Academic Board to be equivalentand
 - (c) have a significant academic association with the University of Waikato, and
 - (d) submit work for examination which is related to the current teaching and research expertise of the University of Waikato.

4. An application must be submitted to the Postgraduate Research Committee (through Te Mata Kairangi School of Graduate Research) and include
 - (a) a copy of the work on which the application is based, and
 - (b) a short discourse on the nature of the work, and
 - (c) a statutory declaration which states
 - (i) in the case of co-authored work, the name(s) of the co-author(s) and the nature and extent of the applicant's particular contribution to the work, and
 - (ii) the details of any other qualification for which the work, in whole or part, has been submitted, and
 - (d) the application fee prescribed in the [Table of Fees and Charges](#) section of the University of Waikato Calendar.
5. The Postgraduate Research Committee has authority to determine whether an application meets the criteria set out in clauses 3 and 4 of these regulations.
6. If the Postgraduate Research Committee determines that an application does not meet the criteria set out in clauses 3 and 4 of these regulations, the applicant will be notified in writing and the Postgraduate Research Committee will take no further action with respect to the application.
7. If the Postgraduate Research Committee determines that an application meets the criteria set out in clauses 3 and 4 of these regulations, the Chairperson of the Postgraduate Research Committee will consult confidentially with staff of the University who have academic expertise in the relevant field about whether, in their opinion, the work is likely to meet the criteria set out in clause 2 of these regulations and will report accordingly to the Postgraduate Research Committee.
8. On the basis of the consultations undertaken and reported under clause 6 of these regulations, the Postgraduate Research Committee will determine whether the application will proceed to examination.
9. If the Postgraduate Research Committee determines that the application will not proceed to examination, the applicant will be notified in writing and the Postgraduate Research Committee will take no further action with respect to the application.
10. If the Postgraduate Research Committee determines that an application will proceed to examination, the candidate will be required to submit three further copies of the work on which the application is based, together with the examination fee prescribed in the [Table of Fees and Charges](#) section of the University of Waikato Calendar.

Examination

11. Three examiners, at least two of whom are external to the University, will be appointed by the Postgraduate Research Committee on the nomination of the Pro Vice-Chancellor of the Division that it considers to be most closely aligned with the applicant's field of expertise or in the case of alignment with the Faculty of Māori and Indigenous Studies, on the nomination of the Deputy

Vice-Chancellor Māori.

12. Each examiner will submit an examiner's report and recommend either:
 - (a) that the degree be awarded, or
 - (b) that the degree not be awarded.
13. The Postgraduate Research Committee will consider the examiners' reports and recommendations and make a recommendation to the Research Committee as to whether the degree should be awarded.
14. The Research Committee has authority to decide whether the degree will be awarded.
15. If the degree is awarded, one set of the relevant work will be retained by the University and placed in the University Library.

Student Complaints Procedures

Preamble

Consistent with its commitment to excellence, the University has adopted these procedures to assist both students and staff in the resolution of student concerns and complaints constructively, quickly and fairly.

Where minor concerns arise, students are encouraged to take a common-sense approach and raise them directly with the relevant staff, paper convenor or Dean or Head of School or equivalent with the aim of resolving them at the lowest possible level and without undue formality. However, where informal discussions have not yielded a satisfactory resolution, or where the matter is more serious, the following procedures provide for a more formal process to be pursued.

Complaints considered through these procedures will be monitored and reviewed to enable the University to continually improve processes and services in support of student learning.

Student and staff rights and responsibilities in relation to these procedures are set out in the appendix.

Procedures

1. Definitions

In these procedures

complaint means a written statement submitted by a student about a matter that requires formal consideration by the University under the terms set out in these procedures

natural justice means the right to have a decision made by an unbiased decision-maker who observes fair and impartial procedures.

student means a person enrolled at the University of Waikato.

2. Application and scope

- (1) Subject to subsection (2), these procedures apply to complaints about any aspect of the teaching and learning process and the broad provision made by the University to support that process.
- (2) These procedures may not be used
 - (a) where the complaint can be dealt with under the [Higher Degree Appeals and Complaints Regulations](#), [Student Discipline Regulations](#) or the [Assessment Regulations](#) , or
 - (b) to challenge the academic judgement of examiners.
- (3) Depending on the nature of the complaint, these procedures should be read in conjunction with the [Staff Code of Conduct](#), the [Code of Student Conduct](#), and the [Education \(Pastoral Care of Tertiary and International Learners\) Code of Practice 2021](#) .
- (4) No action will be taken on complaints that are anonymous, frivolous, vexatious or not made in good faith.
- (5) A complainant must be able to demonstrate that the complaint is brought without malice and is based on evidence that the complainant honestly and reasonably believes to be substantially true. Those responsible for resolving complaints under these procedures must take all reasonable steps to ensure that the complainant is protected against any subsequent recrimination or victimisation.
- (6) Students and staff involved in the consideration of complaints have various rights and responsibilities, which are outlined in the appendix to these procedures.

3. Informal resolution of concerns

- (1) Before making formal written complaints, students are encouraged to seek a resolution to any concerns by raising and discussing them informally with the relevant staff member who is most directly associated with the matter.
- (2) A staff member with whom a concern is raised by a student is expected to deal with the matter in an open and professional manner and to take reasonable and prompt action to try to resolve it informally.
- (3) A student who is uncertain about how to seek informal resolution of a concern is encouraged to seek advice from the [Waikato Students' Union Student Support and Advocacy Service](#).

4. Formal complaints procedures

- (1) Where it has not been possible to resolve a concern informally, a student may make a formal complaint.
- (2) A student who wishes to make a formal complaint must submit it in writing, accompanied by evidence, through [My Waikato](#) addressed to the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent responsible for the area in which the action or matter that has given rise to the complaint occurred or, if requested to be considered under the Tikanga Māori procedure set out under section 5 of these procedures, to the Deputy Vice-Chancellor

Māori; if the complaint is about a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent, it must be submitted to the Senior Deputy Vice-Chancellor.

- (3) The written complaint must be submitted within three months of the occurrence of the action or matter that has given rise to the complaint unless the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent agrees to receive it beyond this timeframe.
- (4) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent who receives a student complaint must acknowledge it in writing as soon as practicable (normally within three working days). They must create and maintain a file of all documentation in relation to the consideration of the complaint.
- (5) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent must consider the complaint in accordance with the principles of natural justice and must ensure that all parties to the complaint are accorded the full benefit of those principles.
- (6) The process of consideration may include meetings with relevant staff, students and the complainant. Where meetings are held, the parties may, if they wish, be accompanied by a support person.
- (7) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may refer a matter to the Police if they believe that a crime has been committed and may suspend consideration of a complaint until such time as any associated Police matter has been concluded.

5. **Tikanga Māori**

- (1) The spirit of tikanga is to seek resolutions to complaints in a Māori way that encourages a facilitated open exchange of views in order to achieve a resolution that is agreed by all the parties involved.
- (2) A complaint may only be addressed through the Tikanga Māori process if
 - (a) the complainant, and
 - (b) the person answering the complaint, and
 - (c) the Deputy Vice-Chancellor Māoriagree to the arrangements determined under subsection (3).
- (3) The Deputy Vice-Chancellor Māori is responsible for determining the arrangements for the Tikanga Māori process after discussion with the parties and for informing the parties of the nature and implications of the process.
- (4) If, at any time after having agreed to the arrangements determined under subsection (3) the complainant or the person answering the complaint wish to withdraw from the Tikanga Māori process, they may do so only with the agreement of all other parties listed under subsection (2); in such cases, the complaint will be referred to the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent responsible for the area in which the action or matter that

has given rise to the complaint occurred; if the complaint is about a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent it will be referred to the Senior Deputy Vice-Chancellor.

- (5) Under the Tikanga Māori process a resolution is negotiated by the complainant and the person answering the complaint.
- (6) The process is facilitated by the Deputy Vice-Chancellor Māori, assisted by a tikanga panel appointed by the Deputy Vice-Chancellor Māori.
- (7) A resolution negotiated by the complainant and the person answering the complaint is final; there is no right of appeal.
- (8) Section 6, subsections (1) and (2) and section 7 of these procedures do not apply to complaints addressed under the Tikanga Māori process.

6. Resolution of complaints

- (1) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent must make a decision in relation to the complaint and notify their decision to the parties, in writing, as soon as practicable (normally within 28 days of receiving the complaint).
- (2) When the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent notifies the parties of their decision they must include information on the relevant provision for appeal.
- (3) If the complaint involves a University process or service and if, in the opinion of the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent the complaint has substance, the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may arrange for the relevant process or service to be reviewed with a view to preventing a recurrence and ensuring continued improvement.
- (4) If the complaint involves a breach of the [Staff Code of Conduct](#) and if, in the opinion of the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent the complaint has substance, the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may refer the matter to the Director of People and Capability for consideration of formal disciplinary action.

7. Appeals

- (1) A complainant or a person who was the subject of a complaint may appeal to the Senior Deputy Vice-Chancellor against any decision taken by a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent under section 6 of these procedures.
- (2) If the original complaint was addressed to the Senior Deputy Vice-Chancellor under section 4(2) of these procedures, any appeal of that decision must be made to the Vice-Chancellor. That appeal will be considered and decided by the Vice-Chancellor or their nominee in accordance with appeal processes consistent with these procedures.
- (3) An appeal may only be made on one or more of the following grounds:

- (a) that the process used for addressing the complaint was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process that could have had a material effect on the outcome.
- (4) The appeal must be submitted in writing within 28 days of the date of the letter notifying the decision.
- (5) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will consider the relevant documentation and evidence and may, at their discretion, consult the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent who made the decision. The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee may also interview any parties to the complaint.
- (6) If they determine that the complaint process has been conducted in accordance with these procedures and the outcome is appropriate, the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee may dismiss the appeal. Subject to subsections (8) and (9), the decision of the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee under this section is final.
- (7) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will notify their appeal decision in writing to the parties as soon as practicable.
- (8) When they notify the parties of the appeal decision, the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will inform the parties of the [Ombudsman's](#) role in relation to complaints about government organisations (including universities) that affect people in their personal capacities, the [New Zealand Qualifications Authority's](#) grievance procedures available to students under the [Education \(Pastoral Care of Tertiary and International Learners\) Code of Practice 2021](#) , and the [iStudent Complaints](#) financial or contractual dispute resolution service available to international students as relevant.
- (9) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will inform any staff member who is dissatisfied with a student complaint process of the steps available to them under the University's [Procedure for Resolving Employment Relationship Problems and Personal Grievances](#).

8. Confidentiality

All processes and decisions under these procedures are confidential to the parties and staff directly involved.

[Part 3: Procedures for Making, Investigating and Resolving Complaints of Student Misconduct](#)

[Part 4: Provisions for Appeal](#)

[Part 5: Reporting](#)

Preamble

At the time they enrol, students are required to agree to abide by the regulations of the University of Waikato as published in the University of Waikato Calendar. The Student Discipline Regulations provide the framework for addressing alleged breaches of University regulations by students and for applying penalties where breaches are substantiated.

Members of the University community are entitled to operate and interact in an environment of safety and respect. It is expected that students will act with integrity and demonstrate respect for others.

If differences and disputes arise between members of the University community, it is expected that they will attempt to resolve such conflicts reasonably and co-operatively. Discipline procedures should be used only where other methods of resolving conflicts have been ineffective or would be inappropriate.

It is the policy of the University that all discipline procedures conform to the principles of natural justice. The procedures in these regulations have been adopted to safeguard the rights of individuals in this respect.

Student Discipline Regulations 2020

Part 1

General

1. Title

These are the Student Discipline Regulations 2020.

2. Date of effect

These regulations are effective from 2 December 2020.

3. Purpose

The purpose of these regulations is to:

- (a) define student misconduct
- (b) explain procedures for making, investigating and resolving complaints of student misconduct, and
- (c) set out the penalties that may be applied where misconduct by a student is substantiated.

4. Application

- (1) These regulations apply to the conduct of students while they are enrolled as students of the University of Waikato.
- (2) For the purpose of these regulations, the period during which a student is deemed to be enrolled as a student is defined as:
 - (a) the period in a given year from (inclusively) the Monday of the start week of the paper in the student's programme of study that starts earliest in that year, to the Sunday of the end week of the paper that ends last
 - (b) any orientation period immediately prior to the start week of the student's programme of study in a given year, and
 - (c) any period in which the student is a resident of University of Waikato student accommodation.
- (3) The processes for dealing with complaints of misconduct may extend beyond the period defined in subsection (2).
- (4) These regulations apply to the conduct of students:
 - (a) on any property or in any facility owned or managed by the University (including the halls of residence)
 - (b) in the context of a University activity regardless of geographic location
 - (c) where the conduct is related directly to the student's status as a student
 - (d) where the conduct has harmed or has the potential to harm unfairly another member of

the University community, or

(e) where the conduct has harmed or has the potential to harm unfairly the reputation of the University.

(5) A student against whom a complaint of misconduct is made, either by a member of the University community or another person, is subject to the discipline procedures set down in these regulations.

(6) All authority under these regulations must be exercised in accordance with the principles of natural justice.

5. **Misconduct**

(1) A student commits misconduct if they:

(a) commit a serious breach of the obligation, shared by staff and other members of the University community, to act towards others reasonably, courteously, considerately and with good faith

(b) behave in a manner that significantly impedes or subverts the efficient functioning of the University in accordance with its statutory role

(c) behave in a manner that discredits, or has the potential to discredit, the University

(d) behave in a manner that constitutes physical, psychological, sexual or racial assault, harassment, discrimination or bullying of any person

(e) breach any regulation published in the University of Waikato Calendar

(f) fail to comply with any reasonable and lawful policy or instruction approved and notified by the Vice-Chancellor, Council, Academic Board, or delegated authority of the Vice-Chancellor, Council or Academic Board

(g) use University property, resources or funds for other than authorised purposes

(h) incur liability on the part of the University without authorisation

(i) behave in a manner that is likely to harm unfairly the reputation or professional prospects of another student or a member of staff

(j) behave in a manner that jeopardises the health or safety of another person

(k) knowingly mislead the University in any significant matter

(l) encourage, assist, or procure a person to commit misconduct, or

(m) otherwise breach the [Code of Student Conduct](#).

6. **Definitions**

In these regulations:

bullying means unreasonable behaviour, repeated over time, which is deliberate and intended to humiliate, undermine or otherwise have a detrimental effect on the recipient(s) and/or pose a

risk to their health and safety even though it may not be unlawful

class means a lecture, tutorial, laboratory, workshop, practical session, practicum session, placement session, field trip or any other type of learning activity delivered or supervised by a staff member, including those conducted online

discrimination means conduct that results, or is likely to result, in less favourable treatment, or creates, or is likely to create, a less favourable environment, for a person or group of people on any of the prohibited grounds set out in [section 21](#) of the [Human Rights Act 1993](#) or on any other grounds

harassment means any unwelcome comment, conduct or gesture that is insulting, intimidating, humiliating, malicious, degrading or offensive. It might be repeated or an isolated incident that adversely affects someone's performance, contribution or work environment. It can include physical, degrading or threatening behaviour, abuse of power, isolation, discrimination, sexual harassment and racial harassment. It is behaviour that is unwanted by the recipient even if the recipient does not tell the perpetrator that the behaviour is unwanted. It may be unintentional

internal assessment means the portion of the assessment for a paper that is assigned, supervised and marked internally within the relevant Division or the Faculty of Māori and Indigenous Studies; it may include assignments, practical work, work in tutorials, seminars, written or oral tests, recitals, performances or attendance requirements

natural justice means the right to have a decision made by an unbiased decision-maker who observes fair and impartial procedures

programme of study means the selection of papers applied for or taken by a student in any one academic year for a particular qualification

student means a person enrolled at the University of Waikato

summary jurisdiction means a process for dealing with a complaint of misconduct, where a designated person has authority, individually, to obtain and hear evidence, arrive at a judgement and, within the terms of that authority as defined in these regulations, impose a penalty

University means the University of Waikato

University of Waikato student accommodation means a hall of residence (Bryant Hall, College Hall, Orchard Park and Student Village), apartment or other student accommodation operated by the University, and homestay accommodation facilitated by the University.

7. Annotation of grades

Where a student is refused credit for a paper as a whole as a penalty for misconduct, an NC (No Credit)

grade will be awarded for that paper.

Part 2 Authorities

8. General

(1) Unless otherwise specified under Part 3 of these regulations, authorities may determine their

own procedures for hearing and deciding complaints of misconduct, provided that they conform to the principles of natural justice, and may issue procedural directions.

- (2) Authorities may suspend consideration of a complaint of misconduct until such time as any associated Police matter has been concluded.

9. Authority of staff for discipline in classes

A staff member delivering or supervising a class may dismiss from it, for its duration, any student who, in their judgement, has committed misconduct in that class.

10. Authority of the Pro Vice-Chancellor of the Division of Health, Engineering, Computing and Science for discipline in laboratories

The Pro Vice-Chancellor of the Division of the Health, Engineering, Computing and Science may exclude from any laboratory in the Division of Health, Engineering, Computing and Science, for up to five working days, any student who, in the Pro Vice-Chancellor's judgement, has committed misconduct in the laboratory.

11. Authority of the University Librarian for discipline in the Library

The University Librarian may exclude from the Library, for up to seven days, any student who, in the Librarian's judgement, has committed misconduct in the Library.

12. Authority of the Director of Student Services for discipline in examinations

- (1) The Director of Student Services may impose a formal warning and/or a fine of up to \$100 on any student found to have brought into an examination room an electronic device where that device has, in an examination supervisor's judgement, made an audible noise during an examination.
- (2) All other complaints of misconduct in examinations must be directed to the Chairperson of the Student Discipline Committee in accordance with section 14 of these regulations.

13. Authority of the Director of Student Services, Associate Director Student Accommodation and delegated authorities for discipline in University of Waikato student accommodation

- (1) The Director of Student Services has general authority for order and discipline in University of Waikato student accommodation; the Director of Student Services has delegated this authority to the Associate Director Student Accommodation.
- (2) The Associate Director Student Accommodation has delegated authority for day-to-day order and discipline in University of Waikato student accommodation to the relevant Residential Life Manager or equivalent.
- (3) Where the Director of Student Services receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or

- (b) refer the matter to the Student Discipline Committee.
- (4) Where the Associate Director Student Accommodation receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or
 - (b) refer the matter to the Director of Student Services, or
 - (c) refer the matter to the Student Discipline Committee.
- (5) Where a Residential Life Manager or equivalent receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or
 - (b) refer the matter to the Associate Director Student Accommodation
 - (c) refer the matter to the Director of Student Services, or
 - (d) refer the matter to the Student Discipline Committee.
- (6) If the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent offers summary jurisdiction, the student may choose to
 - (a) accept the offer of summary jurisdiction, or
 - (b) have the matter referred to the Student Discipline Committee.
- (7) Where the offer to exercise summary jurisdiction is accepted under this section, the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (8) Where the complaint of misconduct is referred to the Student Discipline Committee under this section, the Student Discipline Committee must follow the procedures set out under section 24 of these regulations.

14. Authority of the Chairperson of the Student Discipline Committee

- (1) Where the Chairperson of the Student Discipline Committee receives a complaint of misconduct against a student, the Chairperson of the Student Discipline Committee may
 - (a) offer summary jurisdiction to the student
 - (b) offer a Tikanga Māori process to the student, or
 - (c) refer the matter to the Student Discipline Committee.
- (2) If the Chairperson of the Student Discipline Committee offers summary jurisdiction or a Tikanga Māori process, the student may choose either
 - (a) to accept the offer of summary jurisdiction or a Tikanga Māori process, or
 - (b) to have the matter referred to the Student Discipline Committee.

- (3) Subject to section 15 of these regulations, where the offer to exercise summary jurisdiction is accepted under this section, the Chair of the Student Discipline Committee must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (4) Where the offer to exercise a Tikanga Māori process is accepted under this section, the Deputy Vice-Chancellor Māori must follow the procedures set out under section 23 of these regulations.
- (5) Where the complaint of misconduct is referred to the Student Discipline Committee under this section, the Student Discipline Committee must follow the procedures set out under section 24 of these regulations.
- (6) Subject to the agreement of the Vice-Chancellor, the Chairperson of the Student Discipline Committee may delegate their authority under these regulations.

15. **Authority of Academic Delegates**

- (1) The authority of the Chairperson of the Student Discipline Committee to exercise summary jurisdiction under section 14 of these regulations may be delegated to an Academic Delegate, provided that
 - (a) the complaint involves alleged plagiarism or cheating in a pre-degree, 100 or 200 level item of internal assessment which is worth less than 33% of the total assessment for the paper concerned
 - (b) the student who is the subject of the complaint has not previously had a finding of misconduct against them under these regulations, and
 - (c) the student against whom the complaint is made accepts the delegated authority of the Academic Delegate.
- (2) Where authority to exercise summary jurisdiction is delegated by the Chairperson of the Student Discipline Committee to an Academic Delegate under this section, the Academic Delegate must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (3) The Chairperson of the Student Discipline Committee is responsible for maintaining a list of Academic Delegates appropriately trained in the summary jurisdiction procedures set out under section 22 of these regulations.

16. **Authority of the Student Discipline Committee**

- (1) The Student Discipline Committee is a committee of the Academic Board with delegated authority to exercise the powers and responsibilities set out in these regulations in accordance with the procedures set out under section 24 of these regulations.
- (2) The Student Discipline Committee comprises
 - (a) a staff member with appropriate expertise appointed as Chairperson for a designated term by the Vice-Chancellor
 - (b) two people appointed by the Chairperson of the Student Discipline Committee from a

pool of twelve staff including four based in Tauranga, nominated by the Academic Board for terms of up to three years such that the terms of the members provide for continuity

(c) two students, one of whom is enrolled at the undergraduate level and one of whom is enrolled at the postgraduate level, appointed by the Chairperson of the Student Discipline Committee from a pool of eight students; the pool of students, five of whom are enrolled at the undergraduate level including two based in Tauranga, and three of who are enrolled at the postgraduate level including one based in Tauranga, is appointed by the Chairperson of the Student Discipline Committee after consultation with the student members of the Academic Board.

- (3) The Chairperson of the Student Discipline Committee may appoint an adviser or advisers to assist at a hearing in relation to particular aspects of a case; the Chairperson may also co-opt the adviser or advisers as a member of the Student Discipline Committee for that hearing.
- (4) One member of the pool of staff nominated by the Academic Board may be appointed by the Chairperson of the Student Discipline Committee as Deputy Chairperson; the Chairperson of the Student Discipline Committee may from time to time delegate their powers and responsibilities, as set out in these regulations, to the Deputy Chairperson.
- (5) No meeting of the Student Discipline Committee may be held unless the Chairperson or Deputy Chairperson, at least one staff member and at least one student are present.

17. Authority of the Student Discipline Appeals Committee

- (1) The Student Discipline Appeals Committee is a committee of Council with delegated authority to exercise the powers and responsibilities set out in these regulations in accordance with the procedures set out under section 27 of these regulations.
- (2) The Student Discipline Appeals Committee comprises
 - (a) two members appointed by and from Council, and
 - (b) one other member, who is either a member of Council, or a staff member, Emeritus Professor or Honorary Fellow of the University, appointed by Council on the basis of their knowledge of legal processes, who is Chairperson.
- (3) The Chairperson of the Student Discipline Appeals Committee may appoint an adviser to assist at a hearing in relation to particular aspects of a case; the Chairperson may also co-opt that adviser as a member of the Student Discipline Appeals Committee for that hearing.
- (4) Subject to the agreement of the Chancellor, the Chairperson of the Student Discipline Appeals Committee may delegate their authority under these regulations.

18. Authority of the Deputy Vice-Chancellor Māori

- (1) The Deputy Vice-Chancellor Māori has authority to determine the arrangements for the Tikanga Māori process set out under section 23 of these regulations.
- (2) Subject to the agreement of the Vice-Chancellor, the Deputy Vice-Chancellor Māori may delegate their authority under these regulations.

19. Authority of the Vice-Chancellor

- (1) The Vice-Chancellor may exclude a student from the University, or limit access to any designated part, system or facility of the University, if the student has been convicted of a criminal offence and if, in the Vice-Chancellor's judgement, the nature of the offence impinges detrimentally, or has the potential to impinge detrimentally, on the University or its staff or students.
- (2) The Vice-Chancellor may, on suspicion of possible misconduct, initiate an investigation of the conduct of a student, whether or not there has been a complaint of misconduct. Any investigation under this section and any procedure related to that investigation must be consistent with these regulations.
- (3) The Vice-Chancellor may, on suspicion of possible misconduct or pending the resolution of a complaint of misconduct, suspend a student when and to whatever extent they consider it necessary from
 - (a) any University building, premises, grounds or University of Waikato student accommodation
 - (b) any class
 - (c) any event organised by the University
 - (d) use of any resource of the University.
- (4) When considering whether to suspend a student under subsection (3) the Vice-Chancellor shall take into account the following:
 - (a) the best interest of the students, staff and other members of the University community
 - (b) the physical safety of the students, staff and other members of the University community
 - (c) the orderly conduct of teaching, research and administration of the University
 - (d) the protection of the property or resources of the University
 - (e) the potential effects of suspension on the student's programme of study, and any other matters raised by the student
 - (f) any other matters the Vice-Chancellor considers appropriate in the circumstances.
- (5) The Vice-Chancellor may delegate their authority under these regulations.

20. Authority of Council

- (1) Council may withdraw or refuse to grant an academic award if it is satisfied that the candidate has committed misconduct in relation to the award while enrolled, or been otherwise dishonest in relation to the award.
- (2) Council must consult with the Academic Board before taking a decision under this section; the advice of the Academic Board must be based on a recommendation by the Student Discipline Committee.

- (3) The principles and processes followed by the Student Discipline Committee in formulating its recommendation to the Academic Board must be consistent with the principles and procedures outlined in these regulations for the investigation and hearing of allegations of misconduct.
 - (4) The Academic Board must make all reasonable effort to ensure that the candidate concerned receives prior notification of the advice that it intends to give to Council and is given an opportunity to make a written submission directly to Council.
 - (5) A decision by Council under this section is final.
-

Part 3

Procedures for Making, Investigating and Resolving Complaints of Student Misconduct

21. Procedures for making a complaint

- (1) Any person may lodge a complaint of misconduct against a student.
- (2) A complaint of student misconduct must be made in writing
 - (a) if it relates to student conduct in University of Waikato student accommodation, to the [Director of Student Services, Associate Director Student Accommodation](#) or relevant [Residential Life Manager](#) or equivalent
 - (b) if it is of the nature set out under section 15(1)(a) of these regulations and the authority of the Chairperson of the Student Discipline Committee has been delegated to an Academic Delegate under section 15(1), to the relevant Academic Delegate
 - (c) in cases other than (a) or (b), to the [Chairperson of the Student Discipline Committee](#).
- (3) If a person who is a party to a complaint of misconduct fails to respond to a communication by a relevant authority, provided the authority has made all reasonable effort to locate and contact that person and to provide adequate opportunity for a response, the authority may proceed to deal with the complaint at their discretion.

22. Summary jurisdiction

- (1) Summary jurisdiction may be exercised by the following authorities:
 - (a) the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent under section 13 of these regulations
 - (b) the Chairperson of the Student Discipline Committee under section 14 of these regulations
 - (c) an Academic Delegate under section 15 of these regulations.
- (2) A student who accepts summary jurisdiction may write an answer to the complaint.
- (3) The complainant and the student

- (a) must be given the opportunity to appear and give evidence at a summary jurisdiction meeting with the relevant authority
 - (b) may be required to attend, at the authority's discretion
 - (c) may be accompanied at the meeting by any other person to act as an adviser or support person, subject to any conditions that the authority may impose.
- (4) Where an authority exercises summary jurisdiction, it determines whether the student has committed misconduct on
- (a) the evidence provided by the complainant and the student, and
 - (b) any other evidence, written or oral, that they may seek or accept at their discretion, provided that this evidence is disclosed to the student and they are given the opportunity to comment on it.
- (5) The authority may decide at any time to take no further action on a complaint of misconduct if, in their judgement
- (a) the evidence provided by the complainant is insufficient
 - (b) the subject matter of the complaint is trivial
 - (c) the complaint is frivolous, vexatious, or not made in good faith, or
 - (d) the complaint falls outside the scope of these regulations.
- (6) If, having investigated a complaint, an authority determines that a student has committed misconduct, they may take one or more of the following actions:
- (a) issue to the student a warning containing a statement of the possible consequences if the act or behaviour that provoked the complaint is repeated
 - (b) require an undertaking from the student as to future behaviour while enrolled at the University and set in place provisions for monitoring the student's behaviour in keeping with the undertaking
 - (c) require the student to provide any appropriate and available remedy to relieve distress, or repair damage, or correct a mistake
 - (d) require the student to make a public or private apology, either written or spoken
- in the case of summary jurisdiction exercised by the Director of Student Services, Associate Director Student Accommodation, Residential Life Manager or equivalent under section 13 of these regulations
- (e) require the student to pay, by a given date, a sum of up to the equivalent of one week's board or rent at the relevant University of Waikato student accommodation
 - (f) require the student to undertake community service work in the relevant University of Waikato student accommodation of whatever nature the authority thinks fit
 - (g) require the student to participate in a specified educational and/or training programme

related to the misconduct, in terms prescribed by the Director of Student Services, Associate Director Student Accommodation, Residential Life Manager or equivalent and within a prescribed period

- (h) impose an alcohol ban
- (i) impose a visitor ban
- (j) require the student to transfer to other University of Waikato student accommodation
- (k) exclude the student from the relevant University of Waikato student accommodation for up to one year
- (l) exclude the student from, or limit access to, a designated part or facility of the relevant University of Waikato student accommodation for up to one year.

in the case of summary jurisdiction exercised by the Chairperson of the Student Discipline Committee under section 14 of these regulations

- (m) require the student to pay, by a given date, compensation or a fine of up to \$500
- (n) arrange for the student to be formally reprimanded by the relevant Pro Vice-Chancellor, a Deputy Vice-Chancellor or the Senior Deputy Vice-Chancellor, either in person or in writing
- (o) suspend the student from attendance at any class or programme for up to one year
- (p) exclude the student from, or limit access to, any designated part or facility of the University for up to one year
- (q) if the misconduct is related to a particular paper or programme of the University,
 - (i) require the student to repeat or complete additional assessment
 - (ii) refuse or reduce credit for part or all of an individual item of assessment, or refuse credit for a paper as a whole
- (r) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Chairperson of the Student Discipline Committee and within a prescribed period
- (s) annotate the student's academic record accordingly, either permanently or for a period of time designated by the Chairperson of the Student Discipline Committee.

in the case of summary jurisdiction exercised by an Academic Delegate under section 15 of these regulations

- (t) require the student to repeat or complete additional assessment
- (u) refuse or reduce credit for part or all of an individual item of assessment
- (v) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the authority and within a prescribed period.

- (7) The authority must exercise their discretion in the matter as expeditiously as possible.
- (8) The authority is responsible for communicating the outcome of the complaint, in writing, to the complainant, the student answering the complaint, and the Chairperson of the Student Discipline Committee as expeditiously as possible.

23. **Tikanga Māori**

- (1) The spirit of tikanga is to seek resolutions to complaints in a Māori way that encourages a facilitated open exchange of views, in order to achieve a resolution that is agreed by all the parties involved.
- (2) A complaint may only be addressed through the Tikanga Māori process if
 - (a) the complainant
 - (b) the student answering the complaint
 - (c) the Chairperson of the Student Discipline Committee, and
 - (d) the Deputy Vice-Chancellor Māoriagree to the arrangements determined under subsection (3).
- (3) The Deputy Vice-Chancellor Māori is responsible for determining the arrangements for the Tikanga Māori process after discussion with the parties and for informing the parties of the nature and implications of the process.
- (4) If, at any time after having agreed to the agreements determined under subsection (3), the complainant or the student answering the complaint wishes to withdraw from the Tikanga Māori process, they may do so only with the agreement of all other parties listed under subsection (2); in such cases, the complaint will be referred back to the Chairperson of the Student Discipline Committee for reconsideration under section 14 of these regulations.
- (5) Under the Tikanga Māori process a resolution is negotiated by the complainant and the student answering the complaint.
- (6) The process is facilitated by the Deputy Vice-Chancellor Māori, assisted by a tikanga panel appointed by the Deputy Vice-Chancellor Māori
- (7) In negotiating a resolution under subsection (5), the complainant and the student answering the complaint are authorised to take any of the actions that are available under summary jurisdiction procedures, as provided under section 22 of these regulations.
- (8) A resolution negotiated by the complainant and the student answering the complaint is final; there is no right of appeal.
- (9) The Deputy Vice-Chancellor Māori is responsible for reporting the resolution negotiated under subsection (5), in writing, to the complainant, the student answering the complaint, and the Chairperson of the Student Discipline Committee as expeditiously as possible.
- (10) The Chairperson of the Student Discipline Committee is responsible for ensuring that all appropriate records relating to the outcome are maintained.

(11) Failure to comply with a resolution negotiated under this section is misconduct.

24. **Procedures of the Student Discipline Committee**

- (1) The Student Discipline Committee must convene as soon as is practicable to hear
 - (a) the evidence provided by the complainant and the student, and
 - (b) any other evidence, written or oral, that the Committee may seek or accept at its discretion, provided that this evidence is disclosed to the student and they are given the opportunity to comment on it.
- (2) Written notice of the time, date and place of the hearing of the Student Discipline Committee, together with full details of the substance of the complaint, must be sent to the student against whom the complaint has been made, at least 14 days before the date of the hearing.
- (3) The student who is the subject of the complaint may write an answer to the complaint.
- (4) Both the complainant and the student answering the complaint
 - (a) must be given the opportunity to appear and give evidence at the Student Discipline Committee hearing
 - (b) may be required to attend, at the Committee's discretion
 - (c) may be accompanied at the hearing by another person to act as an adviser or support person, subject to any conditions that the Student Discipline Committee may impose.
- (5) The Student Discipline Committee may decide at any time to take no further action on a complaint of misconduct if, in its judgement,
 - (a) the evidence provided by the complainant is insufficient
 - (b) the subject matter of the complaint is trivial
 - (c) the complaint is frivolous, vexatious, or not made in good faith, or
 - (d) the complaint falls outside the scope of these regulations.
- (6) If misconduct is substantiated, the Student Discipline Committee may take one or more of the following actions:
 - (a) issue to the student a warning containing a statement of the possible consequences if the act or behaviour that provoked the complaint is repeated
 - (b) require an undertaking from the student as to future behaviour while they remain enrolled at the University and set in place provisions for monitoring the student's behaviour in keeping with the undertaking
 - (c) require the student to provide any appropriate and available remedy to relieve distress, or repair damage, or correct a mistake
 - (d) require the student to make a public or private apology, either written or spoken
 - (e) require the student to pay, by a given date, compensation or a fine of up to \$1000

- (f) arrange for the student to be formally reprimanded by the relevant Pro Vice-Chancellor, a Deputy Vice-Chancellor or the Senior Deputy Vice-Chancellor, either in person or in writing
 - (g) suspend the student from attendance at any class or programme for up to one year
 - (h) exclude the student from, or limit access to, any designated part or facility of the University for a specified period of time or permanently
 - (i) cancel a student's enrolment at the University, as a whole or in respect of any paper or programme, for a specified period of time or permanently
 - (j) if the misconduct is related to a particular paper or programme of the University,
 - (i) require the student to repeat or complete additional assessment
 - (ii) refuse or reduce credit for part or all of an individual item of assessment, or refuse credit for a paper as a whole
 - (k) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Student Discipline Committee and within a prescribed period
 - (l) annotate the student's academic record accordingly, either permanently or for a period of time designated by the Chairperson of the Student Discipline Committee.
- (7) The Student Discipline Committee must exercise its jurisdiction in the matter as expeditiously as possible.
- (8) The outcome must be communicated to the complainant and the student as expeditiously as possible.
- (9) Failure to comply with a resolution negotiated or determined under this section is misconduct.
-

Part 4

Provisions for Appeal

25. Provision for appeal to the Director of Student Services

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Director of Student Services against any decision taken by the Associate Director Student Accommodation or Residential Life Manager or equivalent with authority for discipline in University of Waikato student accommodation under section 13 of these regulations.
- (2) An appeal must be addressed and submitted in writing to the Director of Student Services.
- (3) An appeal must be received by the Director of Student Services not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.

- (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
- (5) The Director of Student Services must hear the appeal as expeditiously as possible.
- (6) The appellant and the authority that made the original discipline decision
 - (a) must be given the opportunity to appear and give evidence at the appeal hearing
 - (b) may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Director of Student Services may impose.
- (7) Having heard an appeal, the Director of Student Services may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) require any appropriate and available remedy to settle the appeal.
- (8) The Director of Student Services may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (9) The outcome must be communicated to the appellant, the authority that made the original discipline decision and the Chairperson of the Student Discipline Committee as expeditiously as possible.
- (10) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (11) The decision of the Director of Student Services on an appeal is final.

26. Provision for appeal to the Chairperson of the Student Discipline Committee

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Chairperson of the Student Discipline Committee against any decision taken by
 - (a) the Pro Vice-Chancellor of Health, Engineering, Computing and Science under section 10 of these regulations
 - (b) the University Librarian under section 11 of these regulations
 - (c) the Director of Student Services under section 12 or section 13 of these regulations, unless it is an appeal decision under section 27 of these regulations, or
 - (d) an Academic Delegate under section 15 of these regulations.

- (2) An appeal must be addressed and submitted in writing to the Chairperson of the Student Discipline Committee, together with the prescribed fee; it must include a postal address and must be signed.
- (3) An appeal must be received by the Chairperson of the Student Discipline Committee not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.
- (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
- (5) The Chairperson of the Student Discipline Committee must hear the appeal as expeditiously as possible.
- (6) The appellant and the authority that made the original discipline decision
 - (a) must be given the opportunity to appear and give evidence at the appeal hearing
 - (b) may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Chairperson of the Student Discipline Committee may impose.
- (7) Having heard an appeal, the Chairperson of the Student Discipline Committee may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) require any appropriate and available remedy to settle the appeal.
- (8) The Chairperson of the Student Discipline Committee may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (9) The outcome must be communicated to the appellant and the authority that made the original discipline decision as expeditiously as possible.
- (10) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (11) The decision of the Chairperson of the Student Discipline Committee on an appeal is final.

27. Provision for appeal to the Student Discipline Appeals Committee

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Student Discipline Appeals Committee, a

committee of Council, against any decision made under these regulations

- (a) by the Vice-Chancellor under section 19 of these regulations
 - (b) by the Chairperson of the Student Discipline Committee under section 22 of these regulations
 - (c) by the Student Discipline Committee under section 24 of these regulations.
- (2) An appeal must be addressed and submitted in writing to the Secretary to the Student Discipline Appeals Committee, together with the prescribed fee; it must include an email address and must be signed.
 - (3) An appeal must be received by the Secretary to the Student Discipline Appeals Committee not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.
 - (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
 - (5) The Student Discipline Appeals Committee must hear appeals as expeditiously as possible.
 - (6) The appellant must be given the opportunity to appear and give evidence at the appeal hearing and may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Student Discipline Appeals Committee may impose.
 - (7) The other parties to the complaint, including the authority that made the original discipline decision, must also be given the opportunity to appear and give evidence.
 - (8) Having heard an appeal, the Student Discipline Appeals Committee may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) refer the complaint back to the authority that made the decision appealed against, for rehearing.
 - (9) The Student Discipline Appeals Committee may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
 - (10) The outcome must be communicated to the student and the other parties to the complaint, including the authority that made the original discipline decision, as expeditiously as possible.

- (11) Failure to comply with a resolution negotiated or determined under this section is misconduct.
 - (12) The decision of the Student Discipline Appeals Committee on an appeal is final.
 - (13) At the discretion of the Chairperson of the Student Discipline Appeals Committee, the fee for an appeal may be refunded, either in full or in part, if the appeal is decided in the appellant's favour.
-

Part 5

Reporting

28. Reports to the Academic Board

The Chairperson of the Student Discipline Committee must submit an annual report through the Education Committee to the Academic Board, including

- (a) an overview of summary jurisdiction decisions taken during the relevant year by the Chairperson of the Student Discipline Committee, Academic Delegates and any others who have exercised authority delegated by the Chairperson of the Student Discipline Committee
- (b) an overview of decisions through the Tikanga Māori process
- (c) an overview of decisions by the Student Discipline Committee
- (d) an overview of appeals heard by the Chairperson of the Student Discipline Committee or their delegate
- (e) an overview of student discipline matters, including any patterns or trends
- (f) a statement about the appropriateness and effectiveness of current regulations, policies and processes concerning student discipline, and
- (g) any recommendations with respect to current regulations, policies and processes concerning student discipline.

29. Reports to Council

The outcome of any appeal heard by the Student Discipline Appeals Committee must be reported to the next meeting of the Council.

30. Confidentiality

- (1) All processes and decisions under these regulations are confidential to the parties involved and to staff responsible for administering student discipline processes and maintaining students' academic records.
- (2) Relevant information may be made available to relevant Pro Vice-Chancellors, Heads of Schools, Deans and other staff responsible for student progress and for maintaining the University's academic standards and the integrity of its assessment processes.
- (3) Relevant information may be made available to relevant staff responsible for the placement of

students in work placements and practicums as part of a safety check (vetting) process.

The University of Waikato

Te Whare Wānanga o Waikato is committed to academic quality, research excellence and innovative teaching programmes. It prides itself on maintaining internationally relevant, globally significant research and degree programmes while remaining very much a university that keeps the needs of the Waikato and Bay of Plenty the regions at the forefront.

The University of Waikato is distinct from other universities because the Hamilton campus is located on land returned to Waikato-Tainui following the tribe's 1995 settlement with the government. The Tauranga campus, which was opened in early 2019, is situated on Ngāi Tamarāwaho land. This distinctiveness is underpinned by the University's commitment to working in partnership with Waikato-Tainui and the iwi of Tauranga Moana specifically and through the Treaty of Waitangi to all iwi.

Vice-Chancellor Professor Neil Quigley is leading the University through a new phase of development. This includes strengthening programmes to meet national and international skills shortages, addressing global issues, such as water quality, indigenous studies and cyber security, and enhancing teaching and research quality in health and high performance sport.

Research is a key focus for the University. Students are taught in research-intensive environments by experienced lecturers, and much importance is placed on fostering an active research community and producing critical-thinking, future-focused graduates who are globally aware.

The University is the tertiary partner of the Avantidrome in Cambridge and the Adams Centre for High Performance in Mount Maunganui. Staff and postgraduate students based in these facilities work closely with High Performance athletes and the community, to enhance their performance.

The University campus in Tauranga works with tertiary partners in the Bay of Plenty region, Toi Ohomai Institute of Technology and Te Whare Wānanga o Awanuiārangi, to deliver study

programmes and research activity that provide students with pathways to lifelong learning. Tauranga is also home to the University's Coastal Marine Field Station where staff and students undertake research to enhance water quality, increase kaimoana stocks, and improve the environmental impacts on marine life.

The University of Waikato stands proudly on the world stage as an institution providing a future-focused internationally-relevant education and plays an active part in global research. The latest Quacquarelli Symonds (QS) World University Rankings place Waikato 250th and among the top 20% of institutions ranked by QS, with ten subjects ranked in the top 300. In the Times Higher Education (THE) World University Rankings, Waikato sits in the 401-500 band, =3rd in New Zealand.

The University also ranks highly for student satisfaction. The International Student Barometer survey showed more than 90% of international students surveyed who studied at the University of Waikato were satisfied with their experience and over 80% would recommend the University of Waikato to others. International students were particularly satisfied with the University's response to Covid-19, with over 90% of students rating this positively.

Part of the University's success is due to the high priority it places on student pastoral care. The development and wellbeing of every student is an important dimension of the institution's uniqueness. Staff have a strong reputation for excellence and take an innovative approach to student support. Staff have a track-record of effectiveness for supporting students as they transition to university study.

While the University of Waikato has renowned strength in the teaching and research of te reo Māori and tikanga Māori, its Māori teaching and research expertise can also be found across the various disciplines including Māori psychology, business, education, law, social sciences, science and computer science.

The Māori student communities on campus are vibrant and are key contributors to campus events, and there are many University programmes and activities dedicated to supporting Māori student achievement and success.

Over the past few years, the University implemented a new curriculum, which was reviewed and revitalised to ensure teaching continues to be relevant to student, employer and societal needs. As a result, work-integrated learning programmes and compulsory work experience are now included in all undergraduate degrees.

Helping to support students making the transition to university-level study is the University's Study Advising programme which is designed to help new students over their first year of undergraduate study. Every first year student is automatically allocated a dedicated staff member – a Study Advisor. Most Study Advisor's will be from the student's main area of study, but all have roles aimed at helping students to succeed in their study goals.

The University of Waikato is dedicated to supporting student success. Along with the Study Advising Programme, we have a variety of pastoral services, that are available to students to help them achieve their educational goals.

Divisions, Faculties and Schools of Studies

The University's academic units comprises the Division of Arts, Law, Psychology and Social Sciences; Division of Health, Engineering, Computing and Science; Division of Education; Division of Management; Faculty of Māori and Indigenous Studies; and the University of Waikato College.

Te Wānanga o Ngā Kete Division of Arts, Law, Psychology and Social Sciences

The division incorporates Te Kura Toi the School of Arts, Te Kura Whatu Oho Mauri the School of Psychology, Te Kura Aronui the School of Social Sciences and Te Piringa the Faculty of Law, as well as two research institutes, Te Ngira National Institute for Population Research and Te Puna Haumarū The New Zealand Institute for Security and Crime Science. Programmes of study are informed by high level research expertise across the Division and our unique blend of disciplines enables students to engage with research leaders and practitioners on issues of local and global importance.

Our graduates are flexible and creative thinkers, self-directed and highly organised, excellent communicators and team workers, and innovators for change. Programmes incorporate explicit pathways into the workforce as well as to higher degrees. We offer a wide range of qualifications from undergraduate certificates, diplomas and degrees through to masters and doctorate degrees. Academic excellence is the cornerstone of teaching and learning in programmes that develop students' essential skills and expertise.

Te Kura Toi School of Arts provides teaching and research focused on understanding the human condition, the unique ways we experience the world, and the different forms of culture manifested from our ingenuity, imagination, resourcefulness and intellectual creativity. Research covers areas including languages and linguistics, music, dance, theatre and screen and media.

Te Kura Whatu Oho Mauri School of Psychology teaches across a wide range of psychology paths, from neuroscience to social psychology, with specialist graduate pathways including a

professional qualification in clinical psychology. Research in the school has a strong and diverse profile, extending across areas of the discipline such as, Kaupapa Māori, behavioural, community, clinical and forensic psychology, and transport psychology.

Te Kura Aronui School of Social Sciences actively promotes the University's core motto 'For the People'. Through a wide range of subjects and qualifications from undergraduate to postgraduate level, social sciences encourage critical thinking and the analysis of how individuals and groups in society relate to each other. The School's researchers cover disciplines including Anthropology, Geography, Environmental Planning, History, Philosophy, Political Science, Social and Public Policy, Sociology and Social Work.

Te Piringa Faculty of Law's founding goals of professionalism, biculturalism, and the study of law in context attract an exciting and diverse group of staff and students. Research in the Faculty is distinctive and provides an innovative, student-focused Bachelor of Laws (LLB) degree and a BA in Law, two LLM programmes, Diploma in Law, MPhil, PhD, SJD, Magister Juris and LLD degrees, and, in conjunction with the Waikato Management School, the Graduate Diploma in Dispute Resolution. The Faculty's research is inter-disciplinary, doctrinal and theoretical, and makes a significant and lasting contribution to the understanding and development of law internationally and nationally across areas from Māori and indigenous research to international and environmental law.

Te Ngira Institute for Population Research is the Aotearoa New Zealand national institute of demographic and population-focused research. It undertakes research that informs choices and responses to the demographic, social and economic interactions that are shaping the future, and offers undergraduate and postgraduate qualifications in population studies.

Te Puna Haumarū The New Zealand Institute for Security and Crime Science engages in research and teaching that aims to prevent and reduce crime, and increase our security and safety. We achieve these aims by bringing together disciplines from across the university, including computer science, data analytics, law, Māori and indigenous studies, political science, psychology and social policy. We are a partner in the Evidence-Based Policing Centre, and work with a variety of other agencies. We offer undergraduate papers in Security and Crime Science.

Division of Health, Engineering, Computing and Science

The Division incorporates four schools (Health, Engineering, Computing and Mathematical Sciences, and Science), as well as two research institutes, The Environmental Research Institute (ERI) and Te Ipu o te Mahara - The **Artificial Intelligence Institute**.

Te Huataki Waiora School of Health provides qualifications that offer students who are passionate about health, hauora and wellbeing the opportunity to develop knowledge and skills to enhance the lives of individuals and communities. Students have the opportunity to explore new ideas and ways of looking at issues that impact health, wellbeing and performance outcomes, which will prepare them to move into a wide range of employment opportunities. We work closely with partners across the community — such as local DHBs, Sport NZ and regional sports trusts, iwi, community health organisations, and high performance sport — to ensure we are at the forefront of innovation in the

health, human performance, and sports sectors. These collaborative partnerships provide both our students with exciting opportunities to bring the latest theories and practices to life.

Within this context of Te Huataki Waiora Nursing Programmes are accredited by the New Zealand Nursing Council. They provide a responsive and contemporary approach to professional qualifications that lead to registration as a nurse, postgraduate and advanced specialty qualifications and doctoral research. These programmes reflect the priorities of the Waikato and Midland Region incorporating bicultural principles, mental health, lifespan and the care continuum.

The **School of Engineering** offers the full range of professional engineering programmes from the traditional disciplines of Civil, Mechanical, Chemical and Biological, Electrical and Electronic, and Materials and Process Engineering, to the developing areas of Software, Mechatronics¹, and Environmental² Engineering. Undergraduate programmes are available in the Bachelor of Engineering with Honours (BE(Hons)), the Diploma in Engineering Management, and Certificate in Engineering Professional Practice. Five of the programmes are fully accredited by Engineering New Zealand and the Washington Accord.

Graduate degrees, which may be awarded with Honours, include Master of Engineering and Master of Engineering Practice.

The School of Engineering also provides strong research-led education, hosting five world-class research groups in Advanced Materials and Manufacturing (WaiCAMP); Robotics, Automation & Sensing (WaiRAS); Resilient Infrastructure & Sustainable Construction (WaiRISC); Energy System Integration (ESI); and Water & Resilience, with combined external funding over over \$40 million.

Notes:

¹ *Mechatronics will seek provisional accreditation in 2022.*

² *Environmental received provisional accreditation in 2021.*

The **Rorohiko me ngā Pūtaiao Pāngarau School of Computing and Mathematical Sciences** provides a stimulating environment of quality teaching programmes and world-class research, producing graduates well-matched for the challenges of the contemporary and future workplace.

The School of Computing and Mathematical Sciences offers qualifications in design, computer science, software engineering, mathematics, and data analytics. At undergraduate level, the degrees available are the Bachelor of Computer Science, Bachelor of Science, and the Bachelor of Design. Students interested in software engineering can study towards a four-year Bachelor of Engineering with Honours in Software Engineering.

Advanced degrees offered within the School include the Master of Science, the Master of Science (Research), the Master of Design, the Master of Cyber Security, and the Master of Information Technology.

Te Aka Mātuatua School of Science offers a unique interdisciplinary environment with degree programmes across life sciences, earth sciences, chemistry and physics. Undergraduate degrees

consist of the Bachelor of Science and the Bachelor of Science (Technology). Graduate degrees, which may be awarded with Honours, include the Master of Science, Master of Science (Research) and Master of Science (Technology).

The School of Science's research is shaped by the pursuit of outstanding science that has relevance in the real world. Our research falls within five overarching themes: Applied Climate Change; Connected Land Water, and Life; Hazards and Extreme Environments; and Science for Innovation. The School hosts two research institutes and several research centres including: The Environmental Research Institute, and Te Waiora (the Joint Institute for Freshwater Management, hosted jointly with NIWA), the International Centre for Terrestrial Antarctic Research, the Centre for Biodiversity and Ecology Research. The School also hosts the Waikato Radio Carbon Dating Laboratory.

Division of Education

Te Kura Toi Tangata School of Education provides degree programmes in teacher education, social sciences in education, educational leadership, disability and inclusion, counselling, human development, digital learning and education and society. It distinguishes itself among other education schools through its tradition and reputation for innovation, leadership and research.

The School was the first teachers' college of education in New Zealand to merge with a university, the first to offer a teacher education programme online, and the first to offer a masters degree in initial teacher education.

The School has a strong commitment to research-informed practice with two institutes: the Wilf Malcolm Institute of Educational Research (WMIER) and the Institute of Professional Learning (IPL); and four research centres: the Early Years Research Centre (EYRC), the Centre for Educational Leadership Research (CELR), the Centre for Global Studies in Education (CGSE); and the Technology, Environmental, Mathematics, and Science Education Research Centre (TEMS).

Te Kura Toi Tangata School of Education offers a portfolio of qualifications at undergraduate, graduate, and postgraduate levels. Three- and four-year degree programmes in teacher education, along with one-year graduate and postgraduate diploma programmes in teacher education, prepare competent, knowledgeable and critically reflective beginning teachers. These programmes have Teaching Council New Zealand approval, enabling graduates to register as teachers in New Zealand. A range of specialist postgraduate certificates, diplomas and masters degrees provide qualified teachers with programmes that are practice-related and designed for professionals. The School also offers a Bachelor of Social Sciences with majors in Digital Learning, Education and Society and Human Development involving critical inquiry into the theories and practices of lifelong education and the study of human development across the life span. Counsellor Education programmes take a distinctive orientation emphasising what are often called narrative approaches in counselling and therapy. The Master of Counselling is approved by the New Zealand Association of Counsellors.

Division of Management

Te Raupapa Waikato Management School is respected nationally and internationally for its influential practice, practical programmes, relevant research and focus on connecting students with

businesses. The School's strategic areas of expertise - leading through innovation and responsible management - are integrated into its research, teaching and management. Strong international relationships mean that teaching and research reflect global best business practice, while an engaged alumni and close links with the business community expose students to real-world challenges and employment opportunities. Waikato Management School students graduate with the essential business skills and knowledge to become private and public sector leaders. They think critically, carefully and creatively, and act responsibly and ethically.

The School is a member of an elite group of business schools that have earned "Triple Crown" status - the leading international acknowledgment of excellence in business education, and testament to the quality of the qualifications the School offers. It is accredited by AACSB International (the US-based Association to Advance Collegiate Schools of Business), the world's longest established assessor of business education, EQUIS (EFMD Quality Improvement System) and AMBA (The Association of MBAs). Only 1% of the world's business schools have met the strict standards of all three accreditation bodies and earned this distinction of excellence.

Waikato Management School offers a wide range of business education at all levels of study.

Te Pua Wānanga ki te Ao, Faculty of Māori and Indigenous Studies

Te Pua Wānanga ki te Ao the **Faculty of Māori and Indigenous Studies** teaches Māori and Indigenous Studies, Te Reo Māori, and Pacific and Indigenous Studies. These subjects can be taken as a major or minor within a BA, BSocSc or BCC, or for a diploma or certificate. The Diploma in Te Tohu Paetahi is a one-year fulltime Māori language immersion programme taught in a whānau-orientated environment. At the postgraduate level, the Faculty offers the Bachelor of Arts with Honours, Master of Arts, Master of Social Sciences, MPhil, PhD, and a number of graduate and postgraduate certificates and diplomas.

The Faculty is world-renowned for its strength in research and teaching. Our academics have national and international academic profiles; several have won teaching and research awards, one services on the Waitangi Tribunal, many have won prestigious research funding, and in 2019 we hosted the largest Indigenous Studies conference in the world. Students can benefit from this expertise by pursuing research at masters and doctoral levels with us. A number of Faculty scholarships are available for all level of study, including a scholarship to study overseas for a trimester.

University of Waikato College

The University of Waikato College delivers the University's international pre-masters and international diploma programmes, foundation and bridging programmes, English language programmes for students with English as an additional language, and study tours for international individuals and groups. The College has a key role in contributing to the distinctiveness, excellence and international connectedness of the University.

Certificate of Attainment in Academic English

The Certificate of Attainment in English Language is a full-time course of 23 hours per week (when

delivered on campus) for 10 weeks, with one intensive block of 30 hours per week for 8 weeks. There are a number of intakes each year. Students are placed according to a recent English Language test result (such as IELTS) in an appropriate level from Intermediate to Advanced. On successful completion of the course, students receive a University of Waikato Certificate of Attainment in Academic English. All students study a core programme that helps students improve their reading, writing, listening and speaking skills. Higher level classes focus on skills needed for successful university study such as academic writing, listening and note-taking, academic reading, and oral presentation skills. Attaining specific grades in the upper levels of the programme gives students the English language requirement to enter foundation studies, the international and premasters diplomas, and University undergraduate and postgraduate programmes.

For more information, see [University of Waikato College](#).

Attaining the programme gives students the English language entry requirement to enter the Certificate of Attainment in Academic English.

For more information, see [University of Waikato College](#).

General English

General English is a course designed for students to improve their everyday English and is suitable for students preparing to enter the Academic English programme. The programme includes core language skills and vocabulary, fluency and accuracy in listening, speaking, reading and writing. General English is a full-time programme of 23 hours per week or part-time for 15 hours per week (when delivered on campus). Students can start most Mondays and study for 3 weeks to 6 months (except New Zealand public holidays).

For more information, see [University of Waikato College](#).

International Study Groups

With over 25 years of experience, the University of Waikato College is a leader in the field of providing unique and specialist English language programmes for international students. Some groups join an existing English language programme, while some have a tailor-made English language learning experience based on their individual requirements. Groups are able to take part in extracurricular activities, weekend excursions and hear from guest speakers.

For more information, see [University of Waikato College](#).

Certificate of Attainment in Foundation Studies

The Certificate of Attainment in Foundation Studies is a full-time one or two trimester programme for

international students who have not met the academic entry requirements for undergraduate study at a New Zealand university. This programme will teach students skills for successful tertiary study within New Zealand, with compulsory English language and elective papers across a range of study areas. On campus classes include New Zealand students to encourage international students to improve their English and make New Zealand friends.

For more information, see [University of Waikato College](#).

Certificate of University Preparation

The Certificate of University Preparation programme is a full-time one-trimester programme for students who do not meet the entry requirements for study at a New Zealand university, or who need additional academic preparation. This programme will introduce students to an adult learning environment including lectures, tutorials and workshops. The Certificate of University Preparation is an academically approved qualification that covers academic skills and capabilities, and introduces students to their discipline subjects through elective papers.

For more information, see [University of Waikato College](#).

International Diploma (Business) and International Diploma (Computer Science)

The International Diplomas provide pathways for international students into the second year of some degrees. The International Diploma (Business) consists of the first year of the Bachelor of Business, with additional supporting papers in academic English and academic study skills. The International Diploma (Computer Science) provides a similar preparation that leads to the Bachelor of Science in two computing majors or the Bachelor of Computer Science.

Diploma in Postgraduate Preparation (Pre-masters)

This pre-masters programme prepares international students for postgraduate studies at the University of Waikato, providing entry into seven masters programmes in the Waikato Management School and the Division of Health, Engineering, Computing and Science.

International English Language Testing System (IELTS) Office

The College hosts one of the largest IELTS testing centres in New Zealand. IELTS is designed to assess the English language proficiency of candidates who need to study or work in English.

Further information is available on the website: www.waikato.ac.nz/pathways/about-us/ielts-testing.

The University's Commitment to the Treaty of Waitangi

The direction and goals which underpin the University's commitment to Māori and the Treaty of Waitangi are outlined in the University Strategy and Māori Advancement Plan. The general areas of priority include:

- building on the University's reputation for making a unique and significant contribution to the educational success of Māori;
- enhancing the teaching and research capacity of Māori academic staff, with a focus on leadership and academic excellence;
- providing a distinctive University of Waikato experience for both staff and students which draws on kaupapa Māori and the heritage of our region;
- positioning the University as a leader in research relevant to the needs and aspirations of iwi and Māori communities.

As reflected in our Charter and Vision, the University has been committed to the Treaty of Waitangi from the outset. We are determined to build on this commitment and on our reputation as a leader in partnership with Māori - to further enhance the relevance and value of the University to Māori communities and to the nation as a whole.

Admission Statute

1. Title

This is the Admission Statute 2016.

2. Date of effect

This statute is effective from 1 January 2017.

3. Application

This statute applies to those seeking admission to the University of Waikato at undergraduate level and higher (100 - 900 levels). It does not apply to those seeking admission to non-assessed or sub-degree level papers or qualifications.

4. General

- (1) Unless approved otherwise by the Academic Board, a person who will be under 16 years of age on the first day of the trimester in which he or she wishes to enrol is not eligible for admission.
- (2) Unless approved otherwise by the Academic Board, a person who is enrolled for full-time instruction in a secondary school or area school is not eligible for admission.
- (3) Subject to the [Limitations Statute](#) and any academic criteria that may apply with respect to particular papers or qualifications, a person may qualify for admission under any of the following provisions:
 - (a) University Entrance
 - (b) Discretionary Entrance
 - (c) Special Admission

- (d) Admission at entrance level with credit based on previous tertiary study.
- (4) In addition to qualifying under section 5 of this statute, the person must also meet the particular academic criteria set out
 - (a) in the case of undergraduate qualifications, in the [Criteria for Admission to Particular Qualifications](#)
 - (b) in the case of graduate and postgraduate qualifications, in the regulations for the relevant qualification.

5. University Entrance

University Entrance means

- (a) From 2015:
 - (i) NCEA Level 3,
 - (ii) a minimum of 14 credits at Level 3 or higher on the National Qualifications Framework, in each of three approved subjects, and
 - (iii) the numeracy requirements of a minimum of 10 credits at Level 1 or higher on the National Qualifications Framework, made up of achievement standards and/or unit standards specified by NZQA, and
 - (iv) the literacy requirement¹ of a minimum of 10 credits at Level 2 or higher on the National Qualifications Framework, made up of:
 - 5 credits in reading, and
 - 5 credits in writing from a list specified by NZQA.
- (b) From 2005-2014:
 - (i) A minimum of 42 credits at Level 3 or higher on the National Qualifications Framework,
 - including a minimum of 14 credits at Level 3 or higher in each of two subjects from an approved list, with a further
 - 14 credits at Level 3 or higher taken from one or two additional domains or approved subjects
 - (ii) and the numeracy requirements of a minimum of 14 credits at Level 1 or higher in Mathematics or Pāngarau on the National Qualifications framework
 - (iii) and the literacy requirement of a minimum of 8 credits at Level 2 or higher which show reading and writing skills in English or te reo Māori are required.¹
- (c) From 1993 to 2004: Higher School Certificate and a C grade or higher in each of three New Zealand University Entrance, Bursaries and Scholarships (NZUEBS) subjects; or an A or B bursary

- (d) A qualification recognised by the New Zealand Qualifications Authority for University Entrance purposes
- (e) From 1986 to 1992: a D grade or higher in each of four NZUEBS subjects
- (f) Before 1986: the University Entrance qualification (by accreditation or examination).

6. Discretionary Entrance

- (1) From 2005: A person who has undertaken NCEA at Level 3 in three or more approved subjects (in the same year) and failed to gain University Entrance is not eligible to be considered for Discretionary Entrance until the B trimester of the following year.
- (2) Admission will be at the discretion of the University, with the proviso that a person who has undertaken Year 13 study beyond 1 June at a New Zealand secondary school may normally not be admitted under the Discretionary Entrance provisions before July in the following year.²
- (3) Otherwise, a person who will be at least 16 years of age and under 20 years of age on the first day of the trimester of enrolment who does not meet the University Entrance standard, but
 - (a) is a citizen or permanent resident of New Zealand or Australia³, and
 - (b) has received secondary schooling to at least New Zealand Year 12 level (or its equivalent overseas) and earned at least 14 credits in an approved subject at Level 2 towards NCEA (or its equivalent), and
 - (c) has met the literacy and numeracy standards required for University Entrance, or their equivalents,may apply for Discretionary Entrance.
- (4) Approval of an application for Discretionary Entrance is based on
 - (a) the applicant's submission
 - (b) the proposed programme of study
 - (c) the applicant's past academic achievements, and
 - (d) a statement from an adviser (such as a school principal or a University Student Recruitment Adviser) as to the applicant's preparedness for university study.
- (5) A person who wishes to apply for Discretionary Entrance must do so as part of the formal enrolment application.
- (6) Applications for Discretionary Entrance are considered and decided by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
- (7) If Discretionary Entrance is approved, the prescribed fee is payable by the student at

enrolment.

- (8) A person whose application for Discretionary Entrance is declined by the relevant Pro Vice-Chancellor or the Dean of the Faculty of Māori and Indigenous Studies may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
- (9) A person whose application for Discretionary Entrance is declined by the Deputy Vice-Chancellor Academic may make a further appeal to the New Zealand Qualifications Authority.
- (10) A person studying at a New Zealand secondary school who is attempting to qualify for University Entrance may apply for Discretionary Entrance in the same year for the purpose of enrolling in papers offered by the University. Any person admitted under this regulation who does not subsequently meet the University Entrance standard during the period enrolled at the University will be required to withdraw from the University and may re-apply for admission at mid-year. Any papers passed during the period enrolled at the University will not be credited to a qualification until a University Entrance qualification is gained.

7. Special Admission

- (1) Applicants are eligible to be considered for Special Admission if they will be at least 20 years of age on the first day of the trimester for which they are applying to enrol.
- (2) In exceptional cases, an applicant who does not hold a university entrance qualification and who will not be 20 by the first day of the trimester for which admission is sought, may apply for special admission. In assessing whether to grant special admission in exceptional cases, the primary focus will be on the applicant's level of preparedness for university study.
- (3) Approval of an application for Special Admission is based on
 - (a) the applicant's submission
 - (b) the proposed programme of study
 - (c) the applicant's past academic achievements, and
 - (d) evidence of the applicant's preparedness for university study.
- (4) A person who wishes to apply for Special Admission must do so as part of the formal enrolment application.
- (5) Applications for Special Admission are considered and decided by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
- (6) A person whose application for Special Admission is declined by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.

8. Admission at entrance level or with credit from previous study

- (1) A person may qualify for admission at entrance level, or with credit, on the basis of
 - (a) having been awarded a qualification which is deemed to be equivalent to University Entrance
 - (b) having completed previous tertiary study.
- (2) A person who wishes to apply for admission under subsection 8(1) of this statute must do so as part of the formal enrolment application.
- (3) If admission at entrance level or with credit from previous tertiary study is approved, the prescribed fee is payable by the student at enrolment.
- (4) Applications for admission at entrance level or with credit from previous tertiary study are considered and decided by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the applicant wishes to enrol, under delegated authority of the Academic Board.
- (5) A person whose application for admission under subsection 8(1) of this statute is declined by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may appeal the decision to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
- (6) A person whose application for admission at entrance level is declined by the Deputy Vice-Chancellor Academic may make a further appeal to the New Zealand Qualifications Authority.

9. Delegation of powers

The powers and authority of the Academic Board referred to in this statute have been delegated in certain matters under the [Delegation of Powers Statute 2014](#).

10. Report to the Education Committee

The Deputy Vice-Chancellor Academic must submit an annual report to the Education Committee providing an overview of admission appeal decisions made during the relevant year, together with any consequent recommendations with respect to the Admission Statute.

Notes:

1. *The University of Waikato Certificate of Studies: English at Level 2 or Level 3 is recognised as meeting the literacy requirements of NCEA.*
2. *In special circumstances, the Chair of the CUAP Sub-Committee on University Entrance may permit persons who do not fulfil section 6(3)(b) or 6(3)(c) of these regulations to apply for Discretionary Entrance.*
3. *Australian applicants' most recent year of schooling must have been in New Zealand.*

2. Admission to the

Bachelor of Computer Graphic Design (BCGD) degree

In addition to satisfying the requirements for achieving University Entrance, entry into the BCGD is available only to applicants who are chosen by the Division of Health, Engineering, Computing and Science's selection process. Applicants must have achieved a minimum of 14 credits in NCEA at Level 2 in Mathematics; in addition, applicants must submit a portfolio as part of the selection process and may also be required to attend an interview.

Bachelor of Education (BEd), Bachelor of Teaching (BTchg), and Te Ara Poutama Tōitu Te Reo (TTR) degrees

In addition to satisfying the requirements for achieving University Entrance, entry into the BEd and BTchg programmes is available only to applicants who are chosen by the Division of Education's selection process (see the [Schedule of Limitations on Enrolments](#)).

In addition to satisfying the requirements for achieving University Entrance, entry into TTR is available only to applicants who meet the admission criteria in the qualification regulations and who are chosen by the Division of Education's selection process.

Bachelor of Music (BMus) degree

In addition to satisfying the requirements for achieving University Entrance, all applicants for the BMus must have

- (a) at least 14 credits in NCEA at Level 3 in Music, or
- (b) a Grade 3 Theory pass or better in the New Zealand Music Education Board, or Australian Music Education Board, or
- (c) a Grade 5 Theory pass or better in the Trinity College or Royal College of Music examinations, or
- (d) a music qualification assessed as equivalent.

Bachelor of Nursing (BNurs) degree

In addition to satisfying the requirements for achieving University Entrance, all applicants must follow a selection process approved by the Pro Vice-Chancellor of the Division of Health, Engineering, Computing and Science, or delegated authority, including a police vetting check, to ensure that they meet the criteria for admission to register for nurses as defined by the University and the Nursing Council of New Zealand.

Bachelor of Social Work (BSW) degree

In addition to satisfying the requirements for achieving University Entrance, all applicants must follow a selection process approved by the Pro Vice-Chancellor of the Division of Arts, Law, Psychology and Social Sciences or delegated authority, including a police vetting check, to ensure that they meet the criteria for a 'fit and proper' person to practice Social Work as defined by the University and the New Zealand Social Workers Registration Board. The Criminal Records

(Clean Slate) Act 2004 provisions do not apply to social work. Students must also complete further Police vetting checks prior to fieldwork placements. An assessment of a student's suitability under the Children's Act 2014 will also take place during the BSW admissions process and prior to fieldwork placements. Details of the selection and police vetting processes are available in the BSW supplementary application forms.

Applicants to the above programmes must satisfy the requirements for admission to university listed below:

2.1 **University Entrance**²

Applicants who have achieved University Entrance through NCEA will be eligible to be accepted into the degrees listed above.

2.2 **Discretionary Entrance**³

Applicants will normally be granted Discretionary Entrance if they have gained a total of at least 80 credits in NCEA at Level 2 in four subjects equivalent to the approved subjects for University Entrance in NCEA at Level 3, with a minimum grade of Merit in at least half of the achievement standards for each subject. Applicants must also have satisfied the numeracy and literacy requirements of University Entrance. Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser.

2.3 **Special Admission**

Applicants will be considered on a case by case basis. Applicants 20 years old and over by the beginning of their programme of study will be eligible for acceptance, except those that are clearly insufficiently prepared for academic study. Preference may be given to applicants who have successfully completed appropriate University of Waikato College bridging programmes.

2.4 **Admission at entrance level or with credit from previous study for Bachelor of Music (BMus) degree**

2.4.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

2.4.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

2.4.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation with no less than a C- grade in any paper will be accepted¹ provided that they meet the additional criteria for the BMus as set out in section 2 of these regulations.

Applicants not satisfying this requirement will be assessed on a case by case basis.

2.5 **Admission at entrance level or with credit from previous study for Bachelor of Education (BEd), Bachelor of Teaching (BTchg), Te Ara Poutama Toitū Te Reo (TTR) and Bachelor of Nursing (BNurs) degrees**

2.5.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

2.5.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent⁴*

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the qualification provided that they are chosen through the selection process for their intended qualification as set out in section 2 of these regulations and have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

2.5.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in any paper, will be accepted¹ provided that they are chosen through the selection process for their intended qualification as set out in section 2 of these regulations.

Applicants not satisfying this requirement will be assessed on a case by case basis.

2.6 **Admission at entrance level or with credit from previous study for Bachelor of Social Work (BSW) degree**

2.6.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

2.6.2 No credit transfer or recognition of prior learning will be awarded for successful study that took place more than 5 years prior to the date of first enrolment in the degree. Credit transfer or recognition of prior learning will not be awarded for more than 50% of the degree. No credit transfer or recognition of prior learning will be granted for field education unless the transfer is from a current Social Workers Registration Board recognised programme.

2.6.3 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

Applicants seeking admission with a Certificate of Attainment in Foundation Studies will be accepted¹ into the BSW provided that they are chosen through the selection process as set out in section 2 of these regulations and have achieved

- (a) no less than a C- grade in any paper, and
- (b) a B- grade or better in each of FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study.

Applicants not satisfying these requirements will be assessed on a case by case basis.

2.6.4 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation with no less than a C- grade in any paper will be accepted¹ into the BSW provided that they are chosen through the selection process as set out in section 2 of these regulations. Applicants not satisfying this requirement will be assessed on a case by case basis.

3. Admission to the **Bachelor of Computer Science (BCompSc)** degree

3.1 **University Entrance**²

3.1.1 *Admission to the BCompSc in the Specified Programme of Data Analytics*

Entry into the BCompSc in the above specified programme will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Mathematics.

3.1.2 *Admission to the BCompSc in the Specified Programme of Embedded Systems*

Entry into the BCompSc in the above specified programme will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus. Applicants must also gain a minimum of 14 credits in NCEA at Level 3 in Physics.

3.1.3 *Admission to the BCompSc without a Specified Programme*

Entry into the BCompSc without a specified programme will be guaranteed to applicants who gain University Entrance.

3.2 Discretionary Entrance

Applicants will normally be granted Discretionary Entrance into the BCompSc without a specified programme if they have gained a total of at least 80 credits in four subjects at Level 2 in the NCEA, with a minimum grade of Merit in at least half of the achievement standards for each subject. All subjects must be from the list of approved subjects. Applicants must also have satisfied the numeracy and literacy requirements for University Entrance. Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser.

3.3 Special Admission

3.3.1 *Admission to the BCompSc without a Specified Programme*

Applicants will be considered on a case by case basis. Applicants 20 years old and over by the beginning of their programme of study will be accepted, except those that are clearly insufficiently prepared for academic study. Preference may be given to applicants who have successfully completed an appropriate University of Waikato College bridging programme.

3.3.2 *Admission to the BCompSc in a Specified Programme*

Applicants should meet the requirements of Section 3.3.1 and have a sufficient background in Mathematics. Applicants for the Embedded Systems specified programme must also have a sufficient background in Physics.

3.4 Admission at entrance level or with credit from previous study

3.4.1 Applications will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

3.4.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent⁴*

3.4.2.1 *Admission to the BCompSc in the Specified Programmes of Data Analytics*
Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved

- (a) an overall B- grade average, including
- (b) a B- grade in FOUND007 and
- (c) at least a C- grade in every other paper and
- (d) a B- grade in FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme.

Applicants not satisfying these requirements will be assessed on a case by

case basis.

3.4.2.2 *Admission to the BCompSc in the Specified Programme of Embedded Systems*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved:

- (a) an overall B- grade average, including
- (b) a B- grade in FOUN007 and
- (c) a B- grade in FOUN011 and
- (d) at least a C- grade in every other paper and
- (e) a B- grade in FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme. Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.3 *Admission to the BCompSc without a Specified Programme*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved:

- (a) no less than a C- grade in any paper, and
- (b) a B- grade in FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme. Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.4 *Admission from the University of Waikato Certificate of University Preparation*

3.4.4.1 *Admission to the BCompSc in the Specified Programmes of Data Analytics*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in FOUN007, and at least a C- grade in every other paper will be accepted.¹ Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.4.2 *Admission to the BCompSc in the Specified Programme of Embedded Systems*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in FOUN007, a B grade in FOUN011 and at least a C- grade in every other paper, will be accepted.¹ Applicants not satisfying these requirements will be assessed on a case by case basis.

3.4.4.3 *Admission to the BCompSc without a Specified Programme*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, with no less than a C- grade in every other paper, will be accepted¹ into the qualifications listed above.

Applicants not satisfying these requirements will be assessed on a case by case basis

3.4.5 *Admission from the International Diploma (Computer Science)*

3.4.5.1 *Admission to the BCompSc without a Specified Programme*

Applicants who have successfully completed the International Diploma (Computer Science) with no less than a C- grade in any papers, and have not been awarded the Diploma, will be accepted into the qualifications listed above.

Applicants not satisfying this requirement will be assessed on a case by case basis.

4. Admission to the **Bachelor of Engineering with Honours (BE(Hons))** degree

4.1 **University Entrance**²

4.1.1 *Admission to the BE(Hons) in the Specified Programmes of Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering and Mechatronics Engineering*

Entry into the BE(Hons) in the above specified programmes will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus.

Applicants must also gain at least 14 credits in NCEA at Level 3 in Physics.

4.1.2 *Admission to the BE(Hons) in the Specified Programmes of Chemical and Biological Engineering, Environmental Engineering, and Materials and Process Engineering*

Entry into the BE(Hons) in the above specified programmes will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus.

Applicants must also gain at least 16 credits in NCEA at Level 3 in Chemistry and 14 credits in NCEA at Level 3 in Physics.

4.1.3 *Admission to the BE(Hons) in the Specified Programme of Software Engineering*

Entry into the BE(Hons) in the above specified programme will be guaranteed to applicants who gain University Entrance, including a minimum of 16 credits in NCEA at Level 3 in Calculus. Applicants must also gain at least 14 credits in NCEA at Level 3 in

two other approved subjects for University Entrance.

4.1.4 The Pro Vice-Chancellor of the Division of Health, Engineering, Computing and Science may waive up to 120 points of level 100 papers of the degree of Bachelor of Engineering (Honours) for candidates who have achieved exceptionally high grades in approved subjects in the National Certificate of Educational Achievement (NCEA) qualification at Level 3 or higher or in other qualifications considered by the Academic Board to be equivalent, provided that students substitute approved alternative papers of equal points value.

4.2 **Special Admission**

Applicants with evidence of successfully completed post-secondary study will normally be accepted. This includes applicants who have successfully completed an appropriate University of Waikato College bridging programme.

4.3 **Admission at entrance level or with credit from previous study**

4.3.1 Applications will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

4.3.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

4.3.2.1 *Admission to the BE(Hons) in the Specified Programmes of Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering and Mechatronics Engineering*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved

- (a) an overall B- grade average, including
- (b) a B- grade in FOUND011 and
- (c) a B- grade in FOUND007 and
- (d) at least a C- grade in every other paper and
- (e) a B- grade in FOUND021 and FOUND022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme.

Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.2.2 *Admission to the BE(Hons) in the Specified Programmes of Chemical and Biological Engineering, Environmental Engineering, and Materials and Process Engineering*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved:

- (a) an overall B- grade average, including
- (b) a B- grade in FOUN010 and
- (c) a B- grade in FOUN007 and
- (d) a B- grade in FOUN011 and
- (e) at least a C- grade in every other paper and
- (f) a B- grade in FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme.

Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.2.3 *Admission to the BE(Hons) in the Specified Programme of Software Engineering*

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved:

- (a) an overall B- grade average, including
- (b) a B- grade in FOUN007 and
- (c) at least a C- grade in every other paper; and
- (d) a B- grade in FOUN021 and FOUN022 to satisfy the minimum English language requirement for undergraduate study

will be accepted¹ into this specified programme. Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.3 *Admission from the University of Waikato Certificate of University Preparation*

4.3.3.1 *Admission to the BE(Hons) in the Specified Programmes of Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering and Mechatronics Engineering*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in FOUN011, a B- grade in FOUN007, and at least a C- grade in every other paper will be accepted.¹ Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.3.2 *Admission to the BE(Hons) in the Specified Programmes of Chemical and*

Biological Engineering, Environmental Engineering, and Materials and Process Engineering

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in two of FOUND007, FOUND010 or FOUND011 and at least a C- grade in every other paper, will be accepted.¹ Applicants not satisfying these requirements will be assessed on a case by case basis.

4.3.3.3 *Admission to the BE(Hons) in the Specified Programme of Software Engineering*

Applicants who have successfully completed the Certificate of University Preparation and achieved an overall B- grade average, including a B- grade in FOUND007 and at least a C- grade in every other paper, will be accepted.¹

Applicants not satisfying these requirements will be assessed on a case by case basis

5. Admission to the **Bachelor of Management Studies with Honours (BMS (Hons)) degree**
 - 5.1 Entry into the BMS(Hons) programme at the beginning of the first year of study will be guaranteed to applicants who have gained University Entrance.
 - 5.2 Students who have been admitted to the BMS(Hons) must achieve a B+ grade average or better over the first two years of the programme to be guaranteed re-entry into year 3 of the BMS(Hons). Students who do not gain re-entry to the BMS(Hons), but who meet the re-entry criteria for the Bachelor of Business (BBus), will be able to be admitted to the BBus.
 - 5.3 Students may apply to be admitted to the BMS(Hons) in the third year of the degree. As part of the application process students must provide a personal statement that sets out their leadership/community involvement and their future career aspirations. Applicants would normally be expected to have achieved a B+ grade average or better in their previous 240 points of study. Selection will also take into account leadership potential and community citizenship.
6. Admission to all **Law** papers and programmes⁵

The Te Piringa Faculty of Law Undergraduate Programmes Committee will have regard to equity considerations in making its decisions, but in all cases those offered places will have demonstrated their academic preparedness for the Faculty's programme of study. The Faculty does not set aside places for specific groups of applicants (see the [Schedule of Limitations on Enrolments](#)).

 - 6.1 **University Entrance**² There are a limited number of places in the Te Piringa Faculty of Law and a selection process applies. Each applicant will be considered by the Te Piringa Faculty of Law Undergraduate Programmes Committee on a case by case basis. Factors such as

academic results in NCEA at Level 3 and other forms of assessment, as well as school and community involvement and achievements will be taken into account. Applicants will be required to provide supporting evidence of results and achievements with their written statement. All applicants will be required to have satisfied the requirements for achieving University Entrance, including NCEA Level 1 numeracy and Level 2 literacy requirements.

6.2 **Discretionary Entrance**³ Applicants will normally be granted Discretionary Entrance if they have gained a total of at least 80 credits in four subjects at Level 2 in the NCEA, with a minimum grade of Merit in at least half of the achievement standards for each subject. All subjects must be from the list of approved subjects. Applicants must also have satisfied the numeracy and literacy requirements for University Entrance. Applications must be supported by the applicant's school principal or a University Student Recruitment Adviser, and be approved by the Te Piringa Faculty of Law Undergraduate Programmes Committee which will also consider the applicant's personal statement and their academic preparedness for university law study.

6.3 **Special Admission** Applicants will be considered for Special Admission on a case by case basis, having regard to their level of schooling, other relevant study, interests and expertise, experience and skills, and other such information as is available with respect to their academic preparedness, including, where appropriate, the completion of University of Waikato College bridging programmes.

The Faculty will afford priority to

- applicants with law-related experience
- applicants who have successfully completed a programme of degree level study at a tertiary institution.

6.4 **Admission at entrance level or with credit from previous study**

6.4.1 Applicants will be considered on a case by case basis bearing in mind patterns of admission which have applied in previous years and the standing of the qualification in New Zealand.

6.4.2 *Admission from the University of Waikato Certificate of Attainment in Foundation Studies, or equivalent*⁴

Applicants who have successfully completed the Certificate of Attainment in Foundation Studies and achieved at least a B- grade average overall, with a B- grade or higher in FOUND001 will have guaranteed entry into the Bachelor of Laws programme.

Other students are encouraged to apply and will be considered by the Te Piringa Faculty of Law Undergraduate Programmes Committee on a case by case basis, taking account of their level of academic achievement.

6.4.3 *Admission from the University of Waikato Certificate of University Preparation*

Applicants who have successfully completed the Certificate of University Preparation with at least a B- grade average overall, with B- grades or higher in FOUND001 and

FOUND002 and subsequently B- grades or higher in all their B trimester non-Law degree level papers, will have guaranteed entry into the Bachelor of Laws programme.

Other students are encouraged to apply and will be considered by the Te Piringa Faculty of Law Undergraduate Programmes Committee, on a case by case basis, taking account of their level of academic achievement.

Part 2

Admission to Certificates and Diplomas

1. In addition to the admission criteria set out in the relevant qualification regulations, applicants for certificates and diplomas in the following qualifications must meet specific criteria for admission:

1.1 Certificate in Professional Engineering Practice

Entry into the Certificate in Professional Engineering Practice in the Division of Health, Engineering, Computing and Science is available only to applicants who are currently enrolled in, or have completed, a Bachelor of Engineering with Honours, or equivalent.

1.2 Diploma in Engineering Management

Entry into the Diploma in Engineering Management in the Division of Health, Engineering, Computing and Science is available only to applicants who are currently enrolled in, or have completed, a Bachelor of Engineering with Honours, or equivalent.

1.3 Graduate Diploma in Teaching

Entry into the GradDipTchg programme in the Division of Education is available only to applicants who are chosen by the Division's selection panels (see the [Schedule of Limitations on Enrolment](#)).

1.4 Postgraduate Diploma in Interpreting and Translating Māori (PGDip(Int&Trans))

Applicants must satisfy the Dean of the Faculty of Māori and Indigenous Studies that they have a high standard of proficiency in English and Māori.

Part 3

Re-entry for Returning Students

1. The right to re-entry applies to re-enrolment in the qualification(s) in which a student was enrolled in her/his most recent period of enrolment.

2. Annual re-entry criteria

2.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in for the year will gain re-entry, except in the case of re-entry to the qualifications listed below.

3. Re-entry to Bachelor of Nursing

- 3.1 A student who gains unrestricted passes in all of their required Bachelor of Nursing papers will gain re-entry.
- 3.2 The Pro Vice-Chancellor has authority to determine on a case by case basis whether candidates who fail Bachelor of Nursing papers in a given year may repeat those papers and whether they may enrol concurrently for more advanced Bachelor of Nursing papers.

4. Re-entry to Law Programmes

- 4.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and has not failed more than the equivalent of 30 points in Law papers will gain re-entry.
- 4.2 The Dean of Te Piringa Faculty of Law has authority to determine on a case by case basis whether candidates who fail Law papers in a given year may repeat those papers, and whether they may enrol concurrently for more advanced papers in Law.

5. Re-entry to Social Work Programmes

- 5.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and who satisfactorily completes any 300 or 400 level field placement papers attempted will gain re-entry.

6. Re-entry to Teacher Education Programmes

- 6.1 A student in the Graduate Diploma in Teaching must pass TEEDU400 to gain re-entry. A student who is ineligible for re-entry but who is enrolled in subsequent papers will be withdrawn from those papers.
- 6.2 A student in the Postgraduate Diploma in Teaching must pass TEEDU500 to gain re-entry. A student who is ineligible for re-entry but who is enrolled in subsequent papers will be withdrawn from those papers.
- 6.3 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and who satisfactorily completes the professional experience requirements will gain re-entry.
- 6.4 A returning student who wishes to transfer between teacher education streams will need permission from the Pro Vice-Chancellor of Education.
- 6.5 The Pro Vice-Chancellor has authority to determine on a case by case basis whether candidates who fail papers in the Graduate Diploma in Teaching, Postgraduate Diploma in Teaching and the Master of Teaching and Learning in a given year, may repeat those papers.

7. Re-entry to Social Work Programmes

- 7.1 A student who gains unrestricted passes in papers worth at least half of the total points the student is enrolled in and who satisfactorily completes any 300 or 400 level field placement papers attempted will gain re-entry.

8. **Re-entry to conjoint degree programmes**

8.1 To be eligible for re-entry to a conjoint degree programme a student must meet all criteria in Part 3, as applicable, across their combined qualifications.

9. **Trimester re-entry criteria**

9.1 A student who is enrolled in papers worth more than 20 points in a single trimester and who fails all of those papers will be ineligible for re-entry in the following trimester.

9.2 A student who is ineligible for re-entry in the following trimester but who is enrolled in papers in that trimester will be withdrawn from those papers.

Part 4

Admission for Transferring Students

1. A student who wishes to transfer from one qualification to another needs to meet the general and relevant specific requirements for re-entry for returning students listed in Part 3 of these regulations.

2. Additional criteria apply in the case of transfer into the following qualifications.

3. **Transfer into the Bachelor of Business Analysis (BBA), Bachelor of Communication (BC), and Bachelor of Management Studies (BMS) degrees**

Students will not normally be considered unless they have successfully completed a full-time year of study and obtained a minimum B average.

4. **Transfer into Law programmes**

4.1 The Te Piringa Faculty of Law Undergraduate Programmes Committee will have regard to equity considerations in making its decisions, but in all cases those offered places will have demonstrated their academic preparedness for the Faculty's programme of study. The Faculty does not set aside places for specific groups of applicants.

4.2 Students will be considered for transfer from another degree or tertiary institution on a case by case basis. Preference will be given to those who obtain the highest grades and whose performance provides evidence of literacy.

4.3 Those who have completed a first degree may apply for exemption from the non-Law requirements of the LLB and will be considered for admission to Law 1 and Law 2 concurrently.

5. **Transfer into the Bachelor of Health, Sport and Human Performance (BHSHP)**

5.1 There are a limited number of places available for transferring students within the BHSHP degree and this may vary from year to year.

5.2 Students will be considered for transfer into the BHSHP degree by the Director of the BHSHP Programme on a case by case basis. Preference will be given to candidates who have successfully completed a full-time year of study and obtained a B minimum average.

6. **Transfer into the Bachelor of Education (BEd) and Bachelor of Teaching (BTchg)**

- 6.1 Entry to the BEd and BTchg is available only to applicants who are chosen by the Division of Education's selection panels and who satisfy the requirements for admission to university.
- 6.2 Students will be considered for transfer from another qualification or tertiary institution by the relevant Programme Selection Committee on a case by case basis.

Part 5

Exclusion for Unsatisfactory Progress from Particular Papers

1. Students who have failed a paper, or any equivalent or substantially similar paper, on a second or subsequent enrolment will be excluded from the paper and will be ineligible to re-enrol in that paper.
2. Where a student is excluded from a paper that is a compulsory paper for a qualification the student will not be permitted to enrol in, or continue a current enrolment in, that qualification.

Part 6

Appeals

1. A person who
 - (a) is qualified for admission to the university but who is not accepted into his or her choice of qualification, or
 - (b) fails to meet the criteria for re-entry to their qualification, or
 - (c) is excluded from a papermay apply to the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the person wishes to enrol for a reconsideration of their decision.
2. A person whose application for reconsideration is declined by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies may make a further appeal to the Deputy Vice-Chancellor Academic under delegated authority of the Academic Board.
3. An appeal, comprising a written statement of the circumstances of the appeal, together with supporting evidence, if available, must be submitted by the student to the Deputy Vice-Chancellor Academic not more than seven days after the date on which notification of the relevant decision is received.
4. A decision by the Deputy Vice-Chancellor Academic is notified in writing, and is final.
5. **Report to the Education Committee**

The Deputy Vice-Chancellor Academic must submit an annual report to the Education Committee providing an overview of admission appeal decisions made during the relevant year, together with any consequent recommendations with respect to the Criteria for Admission to Particular

Qualifications.

Notes:

1. *Many of the degrees offered at the University of Waikato have prerequisites on their core papers. Applicants who have not achieved specified prerequisites either through their study in NCEA at Level 2 and Level 3 or through their Foundation Studies programme will be required to take additional papers or foundation courses in order to satisfy these prerequisites. Applicants in this situation are advised that not all papers undertaken may count towards the completion of the degree and that the programme of study may take an additional period of time.*
2. *Applicants who have achieved an equivalent to New Zealand University Entrance through a qualification other than NCEA at Level 3 will have their admission assessed on a case by case basis.*
3. *Applicants who have achieved an equivalent to Discretionary Entrance through a qualification other than NCEA at Level 2 will have their admission assessed on a case by case basis.*
4. *Applicants who have achieved an equivalent to the University of Waikato Certificate of Foundation Studies will have their admission assessed based on an approved guaranteed credit arrangement or on a case by case basis.*
5. *Except the major in law taken within the Bachelor of Arts, or any programme with a law second major. In these cases, the admission criteria for the qualification being enrolled in apply.*

Limitations Statute

Limitations on enrolments can be established under:

- section 255(4) of the Education and Training Act 2020 where the Council is satisfied that it is necessary to do so because of insufficiency of staff, accommodation or equipment, or
- section 525(4) of the Education and Training Act 2020 where the Council has established places for foreign students in a programme whose continued availability is dependent on the fees payable by foreign students enrolled in it.

The Council has delegated authority to approve limitations under section 255(4) to the Academic Board.

Schedule of Limitations on Enrolments for 2023

Limitations under Section 255(4) of the Education and Training Act 2020

Ministry-funded enrolments will be limited in a manner that allows the University to meet the Government's expectations with respect to its approved Mix of Provision for the year in question.

Applications from Ministry-funded students who meet the University's published deadlines for applications to enrol, as well as the admission, entry, re-entry and programme approval criteria for the relevant qualifications and papers, will be accepted according to the priority groups listed below until the relevant Mix of Provision target is achieved at the relevant level.

If places are still available after the published deadlines for applications to enrol, Ministry-funded students who have not met those deadlines, but who meet the admission, entry, re-entry and programme approval criteria for the relevant qualifications and papers, will be accepted in order of application up until the relevant targets have been met.

Undergraduate (Bachelors, Undergraduate and Graduate Certificates and Diplomas)

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Undergraduate returners (enrolled in undergraduate study in the previous year returning to continue an undergraduate qualification).
2. School Leavers (in secondary school in 2018 or 2019) who qualify for University Entrance (UE) or who are eligible for Discretionary Entrance in terms of the Criteria for Admission to Particular Qualifications.
3. Students transferring into degree programmes having successfully undertaken recognised partner pathway programmes in 2019 (including Certificate of University Preparation (CUP) and Toi Ohomai Institute of Technology guaranteed credit programmes).
4. Students who have previously been enrolled at the University of Waikato, returning after a break of up to two years to continue an undergraduate qualification.
Applicants who have qualified for admission to university but who have been away from secondary school for up to two years.
Special Admission applicants (students over 20 without UE).
Other students with UE or equivalent.

Taught Postgraduate (500 level - except 594 theses)

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Taught postgraduate returners (enrolled in taught postgraduate study in the previous year returning to continue a postgraduate qualification).
2. Students who have previously been enrolled at the University of Waikato, commencing taught postgraduate study or returning (after a gap in study) to continue a postgraduate qualification.
Students new to the University of Waikato.

Research Postgraduate (Doctoral, MPhil, Masters 594 theses)

Because research postgraduate students can apply to enrol at any point in the year, applications will be considered at regular intervals according to the following groups:

All these groups will be considered in priority order and, within each priority group, on academic merit.

1. Research postgraduate returners (enrolled in research postgraduate study in the previous year).
2. University of Waikato Doctoral and Masters Scholarship recipients.
3. Students who have previously been enrolled at the University of Waikato, commencing research postgraduate study or returning after a gap in study to continue research postgraduate study.
Students new to the University of Waikato.

Notes:

1. *In order to be considered within any priority group, students must apply by the relevant deadlines, as set out in the Enrolment section and Change of Enrolment Regulations.*

2. *Within each level (undergraduate, taught postgraduate, research postgraduate), applicants who have not met the relevant deadlines will be considered in the same order of priority as indicated above after all of the students who have applied within the deadlines for that level have been considered.*

Limitations

Division of Arts, Law, Psychology and Social Sciences

Music: MUSIC525-23X (HAM) Advanced Opera Studies

Bachelor of Nursing

New enrolments are limited as per the cap advised by the Tertiary Education Commission and the number of clinical placements that the School is able to secure with our Placement Partners.

Placements for the programme are determined each year. Students are selected following the Bachelor of Nursing selection process.

Master of Nursing Practice

New enrolments are limited by the number of clinical placements that the School is able to secure with our Placement Partners. Placements for the programme are determined each year. Students are selected following the Master of Nursing Practice selection process.

Limitations under Section 525(4) of the Education and Training Act 2020

Enrolments from full-cost international students will be accepted on the basis that they pay full fees to fund their courses of study and, therefore, that they are not taking a place that would otherwise be available to a domestic student.

University of Waikato College

Entry to the following qualifications is limited to full-cost international students:

Certificate of Attainment in Academic English

Certificate of Attainment in English Language

Programme Advice and Planning

The Future Students Team assists students who are unfamiliar with the University or who require assistance to plan their programme of study. Prospective students can obtain information from the Student Centre by phoning 0800 WAIKATO or (07) 838-4007, or emailing info@waikato.ac.nz. Alternatively this can be done in person by visiting the Hamilton campus (Level 2 of the Student Centre), or the Tauranga campus (Level 1 in the Student Hub) at 101-121 Durham Street, Tauranga.

The Future Students Team represent the University at regional careers expos, secondary school visits, and other events throughout New Zealand. They provide comprehensive information, personal advice sessions and campus tours, which are available by appointment. An Open Day and several information sessions are held on campus throughout the year, and details are available on request. Students can explore a range of options - undergraduate study, postgraduate study, bridging courses and pathways programmes. Prospective students will also receive information on the range of academic and support services available.

Change of Enrolment Regulations

1. Title

These are the Change of Enrolment Regulations 2012.

2. Date of effect

These regulations are effective from 1 January 2020.

3. Definitions

In these regulations

change of enrolment means any of the following changes to the programme of study in which a student has originally enrolled for a given teaching period:

the **addition** of a paper, with payment of the prescribed fees

the **deletion** of a paper, with refund of the prescribed fees (the paper is deleted from the student's academic record)

withdrawal from a paper, without refund of any fees (the paper remains on the student's academic record, annotated as 'withdrawn')

change of qualification, major or specified programme.

MyWaikato means the computer system, accessible to enrolled students, which enables them to apply for change of enrolment on the internet.

4. Application

These regulations apply to papers at 0, 100, 200, 300, 400, 500 and 700 levels.

Note: Policies and procedures with respect to change of enrolment for 800 (MPhil) and 900 (doctoral) level programmes are available from Te Mata Kairangi School of Graduate Research.

5. Fees

The fees referred to in these regulations are available online at www.waikato.ac.nz/study/costs.

6. **Teaching periods**

The teaching periods referred to in these regulations are defined in the [Teaching and Assessment Periods 2023](#) section of the University of Waikato Calendar.

7. **COVID-19**

Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University [COVID-19 vaccination requirement](#), the University may delete a paper from a student's enrolments at any time if:

- (1) the student has not provided and maintained a valid Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
- (2) the paper requires the student to undertake a future activity that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University [COVID-19 vaccination requirements](#).

8. **Programme approval**

Any change of enrolment constitutes a change to a programme of study and requires the approval of the relevant Division or the Faculty of Māori and Indigenous Studies.

9. **Procedure for change of enrolment**

- (1) Applications for change of enrolment must be submitted to the relevant Division or the Faculty of Māori and Indigenous Studies that the student is enrolled in for consideration. They need to be submitted through MyWaikato.
- (2) Absence from classes or failure to submit items for assessment does not constitute withdrawal from a paper. A student who does not withdraw from a paper using the procedures outlined in these regulations remains enrolled for the paper and remains liable for any prescribed fees.
- (3) Attendance at classes and submission of items for assessment does not constitute enrolment in that paper.

10. **Timeframe for change of qualification, major or specified programme**

Provided that no changes are made to the selection of papers, a student may apply to change a qualification, major or specified programme at any time.

11. **Deadlines for adding papers (with payment of the prescribed fees)**

- (1) An application to add a (500 level) thesis must be submitted to the relevant Division or the Faculty of Māori and Indigenous Studies at least one month before the intended start date for the thesis.
- (2) An application to add an Executive Education paper must be submitted to the Waikato Management School at least one month before the start of the paper.

12. **Deadlines for substituting papers (with transfer of the prescribed fees)**

A student may apply to add a paper in place of a paper being deleted up until the relevant deadline listed in section 13 of these regulations provided that the paper to be added is of the same or lesser points value as the paper to be deleted.

Length of paper	Substitution Period	Deadline
Less than 17 weeks (including C trimester, G and H periods)	1 week	Within 7 days of, and including the first day of the relevant teaching period
17 weeks or more (including A and B trimesters, D period)	2 weeks	Within 14 days of, and including, the first day of the relevant teaching period

1. **Deadlines for deleting papers (with a refund of the prescribed fees)**

(1) An application to delete a paper must be submitted to the relevant Division or the Faculty of Māori and Indigenous Studies by the following deadlines:

Length of paper	Deletion Period	Deadline
10 weeks or less (including G and H period)	1 week	Within 7 days of, and including the first day of the relevant teaching period
Up to, and including, 20 weeks (including A, B and C trimester)	2 weeks	Within 14 days of, and including, the first day of the relevant teaching period)
Up to, and including, 30 weeks	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Up to, and including, 40 weeks	4 weeks	Within 28 days of, and including, the first day of the relevant teaching period
		Within 35 days of, and

More than 40 weeks	5 weeks	including, the first day of the relevant teaching period
--------------------	---------	--

(2) Where subjects provide for different levels of proficiency on first enrolment (e.g. Mathematics, languages), a student may apply to transfer, with a transfer of fees, from one paper to a closely related paper in the same subject up until the relevant deadline for withdrawal listed in section 14 of these regulations.

1. Withdrawal from papers (without a refund of the tuition fee)

(1) Unless exceptional circumstances apply (as provided for under section 15 of these regulations), a student who withdraws from a paper after the deadline for deletion (see section 13 of these regulations) is not entitled to a refund of the fees for that paper; if the fees have not been paid, the student remains liable for them.

(2) An application to withdraw from a pre-degree or undergraduate paper (0, 100, 200, 300, 400 levels or 700 level) after the deadline for deletion (see section 13 of these regulations) must be submitted to the relevant Division or the Faculty of Māori and Indigenous Studies by the following dates:

Type of paper	Withdrawal Period	Deadline
Trimester A or B	6 weeks	Within 42 days of, and including the first day of the relevant teaching period
Trimester C	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Other, less than 17 weeks (including G and H periods)	3 weeks	Within 21 days of, and including, the first day of the relevant teaching period
Other, 17 weeks or more (including D period)	6 weeks	Within 42 days of, and including, the first day of the relevant teaching period

(3) A student may withdraw from a graduate paper (500 or 700 level, excluding Te Kura Toi Tangata School of Education 700 level) after the deadline for deletion (see section 13 of these regulations) at any time before the start of the examination or, if the paper is internally assessed, at any time before the due date for the final item of assessment.

1. Late deletion or withdrawal under exceptional circumstances

Note: *Part 4 of the [Assessment Regulations 2016](#) sets out the University's provisions for special consideration in assessment. Students considering withdrawal from papers because of exceptional circumstances beyond their control are encouraged to seek advice first from their relevant Division or the Faculty Māori and Indigenous Studies, or from the Student Centre, about whether they might be entitled to special consideration under the [Assessment Regulations 2016](#).*

- (1) If, after the deadline for deletion or withdrawal, a student considers that he or she is unable to complete a paper because of exceptional circumstances beyond his or her control, the student may apply in writing to the Director of Student Services for late deletion or withdrawal.
- (2) Applications for Medical or Compassionate withdrawals will only be considered within 12 months from the end date of the paper.
- (3) The application must be submitted to the Director of Student Services and must include an account, with appropriate evidence if available, of the circumstances that prompted the application.
- (4) Applications under this section are considered and decided by the Director of Student Services or an approved delegate.
- (5) If the application is approved, the Director of Student Services or their approved delegate may also approve, at their discretion, a credit of some or all of the student's fees.

2. Appeals

- (1) A student may appeal against any decision taken under these regulations.
- (2) An appeal, comprising a written statement of the circumstances of the appeal, and supporting evidence if available, must be submitted in writing to the Director of Student Services not more than seven days after the date on which the student receives notification of the relevant decision. Late appeals may be accepted at the discretion of the Director of Student Services.
- (3) Appeals under this section are considered and decided by the Deputy Vice-Chancellor Academic, or his or her nominee, by delegated authority of the Academic Board.
- (4) A decision by the Deputy Vice-Chancellor Academic is notified in writing and is final.

Regulations Governing Payment of Fees and Charges

Fees and Charges Payable

1. A student is deemed enrolled and liable for payment of fees upon signing and acceptance of an Enrolment Agreement, Notification of Change, or other document(s) by which acceptance into a paper or papers is formally agreed.
2. Every person must pay fees and charges (as set out in the [Table of Fees and Charges](#) in the University of Waikato Calendar) according to arrangements and terms agreed at the time of enrolment in the Enrolment Agreement or Notification of Change.
3. Students who do not attend a paper in which they have formally accepted a place will be liable for payment of the fees for that paper, unless the withdrawal procedures as detailed in the [Change of Enrolment Regulations 2012](#) are followed.
4. Unless the Director of Finance determines otherwise, where a student defaults on a payment and does not pay the outstanding amount within 28 days of the due date that student's enrolment will be cancelled.
5. Cancellation of a student's enrolment does not discharge any outstanding debt.
6. Unless special arrangements are agreed by the Director of Finance, the following penalties apply in addition to the cancellation of the student's enrolment while a debt remains outstanding:
 - (a) the student is not entitled to use the Library, attend lectures, participate in laboratory classes, or otherwise make use of university facilities
 - (b) the student's academic results are withheld
 - (c) the student may not re-enrol at this university
 - (d) the student is not entitled to have his or her academic record transferred to any other

institution

- (e) the award of any qualification is deferred
 - (f) the student's outstanding debt may be referred to a debt recovery agency for collection. The University also reserves the right to recover any additional costs in relation to this debt collection from the student.
7. A student whose enrolment is cancelled for reasons of non-payment of fees may subsequently apply for reinstatement of enrolment, provided
- (a) the application is submitted to the Director of Finance within four weeks of the date of the cancellation
 - (b) all outstanding fees, charges, and surcharges are paid before or at the time that the application is submitted, and
 - (c) the service charge for the reinstatement of enrolment after cancellation, as prescribed in the [Table of Fees and Charges](#), is paid.
8. An enrolment that is reinstated under this section is deemed to have been continuous.
9. The tuition and resource fees for a particular paper fall due on the payment date for the trimester in which teaching for that paper starts, or, where beginning outside of these trimesters, the first day of the teaching period of the particular paper.

Payment by Trimester

10. These provisions for payment of tuition and resource fees by trimester do not apply to students who pay by Student Loan.
11. Unless the tuition and resource fees are being paid by Student Loan, a student who enrolls for more than one trimester may elect to pay tuition and resource fees by trimester.
12. Payment dates are prescribed for each of the trimesters, namely S - Summer School 1, A trimester, B trimester and C trimester.
13. The tuition and resource fees for a particular paper fall due on the payment date for the trimester in which teaching for that paper starts.
14. Students who have made arrangements to pay by trimester and who discontinue any of their papers remain liable for all payments as they fall due, unless they submit an application to delete the relevant paper by the prescribed deadline (see the [Change of Enrolment Regulations 2012](#)).
15. All fees and charges other than tuition and resource fees fall due as part of the students' first payment.
16. A surcharge of 10% or \$100, whichever is lower, will be levied on any fees that are outstanding at the start date of the trimester. This applies to Summer School 1, A, B and C Trimester start dates respectively.

Appeals

17. A student may appeal to the Vice-Chancellor against any decision by the Director of Finance under these regulations.

International Students

The following information is a general guide for international students wishing to enrol at the University of Waikato. Further information is available on the website: www.waikato.ac.nz/study/international/.

Email: international@waikato.ac.nz .

Admission

All students are required to meet the entry requirements for admission, as set out in the [Admission Statute 2016](#). Applicants whose first language is not English or Māori are also required to provide satisfactory evidence of English language proficiency, as set out in the [English Language Requirements for Admission](#). Scores can vary according to the qualification sought.

International students apply for admission online at www.waikato.ac.nz/study/apply

Permanent residents of Australia and New Zealand, Australian citizens, and students from the Cook Islands, Tokelau or Niue who are New Zealand citizens, are treated as New Zealand students and do not need to apply for admission as international students.

Please note that to be eligible for domestic tuition fees, permanent residents and citizens of Australia must be living in New Zealand for the duration of the study. Domestic tuition fees information is available at www.waikato.ac.nz/study/costs/tuition-costs-domestic.

All international students enrolling in an undergraduate programme must hold as a minimum requirement, an equivalent university entrance qualification as set out online at www.waikato.ac.nz/study/enrolment/undergraduate-international.

Many of the degrees offered at the University of Waikato have prerequisites on their core papers. Applicants who have not achieved specified prerequisites through their study will be required to take additional papers or foundation courses in order to satisfy these prerequisites. Applicants in this

situation are advised that not all papers may count towards the completion of the degree and that the programme may take an additional period of time.

Code of Practice

The University of Waikato has agreed to observe and be bound by the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021*. Copies of the Code are available from the New Zealand Qualifications Authority website <https://www.nzqa.govt.nz/providers-partners/tertiary-and-international-learners-code/>.

Students should refer to the Code of Practice for their specified responsibilities and to the International Student Handbook or this Calendar for University procedures and recommendations.

Tuition Fees and Charges

1. International students are required to pay full cost tuition fees. Students should refer to the [Table of Fees and Charges](#) for other fees and charges that may be applicable.
2. New international PhD students may be eligible for domestic fees for their studies. Conditions apply. For more information, see the [Higher Research Degrees](#) website.

New Zealand Immigration Requirements

1. All international students must hold a valid student visa for the duration of their studies. A visitor visa is only valid for courses lasting less than three months in total. Further information regarding the various requirements of Immigration New Zealand (INZ) can be obtained from the Immigration New Zealand website, or the nearest New Zealand High Commission or Embassy.
2. An offer of place at the University of Waikato does not guarantee that the student will be issued with a student visa.
3. International students are required to obtain a student visa before travelling to New Zealand. Students must provide evidence to show they can have enough money to support themselves while they study in New Zealand. The source of fund is considered stable and there are no unexplained lump sum deposits. For more information please see [here](#).
4. The University is required to report to INZ those students who are not fulfilling the requirements of their student visa, which includes completing compulsory course components and passing papers.
5. Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from INZ, and can be viewed on their [website](#).

Pre-paid Tuition Fees Policy

1. As indicated above, international students are required to obtain their student visa and pay their tuition fees before enrolment can be completed. These funds are held against the student's name until they complete their enrolment in person. This policy details the process for refunding these funds if (i) the student travels to New Zealand and does not complete their enrolment, or (ii)

completes the first trimester of study and does not enrol in the second trimester of study and they have a student visa valid for one year, with the exception of students enrolling in B trimester then A trimester.

2. All students must apply in writing for a refund of their pre-paid tuition fees to the Director of Student Services Division.
3. Students are required to supply a verified copy of their passport and student visa, and a copy of their University of Waikato receipt(s) with their application for a refund.
4. The University of Waikato will notify INZ that the student has not fulfilled the obligations of their visa by completing their enrolment at the University of Waikato.
5. Where a student wishes to attend another institution in New Zealand, the University of Waikato will transfer the pre-paid tuition fees to that institution, upon written confirmation from that institution of the student's intention to study. This should be in the form of a formal letter of offer or invoice which confirms the student's acceptance into a qualification. If the student has already paid their tuition fees at the other institution, the University of Waikato will refund the pre-paid tuition fees to the student, upon written confirmation from the other institution that the fees have been paid. It is the student's responsibility to provide the necessary documentation from the other institution.
6. Where a student will be returning to their home country, the funds will be refunded in one of two ways:
 - (a) an overseas bank draft sent to the overseas address provided by the student
 - (b) if it is known that the pre-paid tuition fees have been paid by a third party, the refund may be paid back to that third party.
7. Where a student is wishing to remain in New Zealand without enrolling at an educational institution, the University of Waikato will refund these funds either:
 - (a) upon evidence of a valid INZ visa to remain in New Zealand, or
 - (b) confirmation that INZ has discharged the University of Waikato's duty under the original student visa.
8. If a programme of study is cancelled by the University of Waikato, a full refund of pre-paid tuition fees will be made to the student by bank draft.

International Students Refund Administration Charge

International students who withdraw their application or their enrolment before the start date of their programme will receive a 100 percent refund of pre-paid tuition fees less a \$500 Administration Fee. Students who withdraw their application or their enrolment after the start date of their programme but during the period for deletion of papers (refer to Clause 12 of the [Change of Enrolment Regulations 2012](#), will receive a 100 percent refund of pre-paid tuition fees less a \$2,000 Administration Fee.

Compulsory Medical and Travel Insurance

International students (including group students) must have appropriate and current medical and travel insurance while studying in New Zealand, as stated in the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021*. Under the Immigration New Zealand policy, this must be at least for the duration of your student visa. Enrolment is dependent on proof of appropriate insurance. To simplify the process of selecting insurance, the University has selected Studentsafe-University (underwritten by Allianz New Zealand) as the preferred insurance policy for all international students. The Studentsafe-University insurance premium will be added to tuition fees at the time of enrolment, resulting in international students being automatically enrolled in the Studentsafe-University insurance scheme. This premium will not be charged if evidence of an alternative compliant insurance policy is provided to the University before the specified deadline (please note there are only a small number of approved alternative compliant policies). For further information please refer to the website <https://www.waikato.ac.nz/study/international>.

Eligibility for Health Services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on the website <https://www.health.govt.nz>. The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website www.acc.co.nz.

New Zealand Government Scholarships

The New Zealand Aid Programme (NZAP) is the New Zealand Government's International Aid and Development Programme managed by the Ministry of Foreign Affairs and Trade. Education is vital to the New Zealand Aid Programme's mission of supporting sustainable development in order to reduce poverty and contribute to a more secure, equitable and prosperous world. Scholarships are available to citizens from selected developing countries to undertake vocational training or tertiary level study in their home country, in New Zealand, or in the Pacific region. These scholarships enhance the skills, training and knowledge of individuals, and build their capacity to contribute to the sustainable development of key areas in their home country. The eligibility criteria and application process can be found on: <https://www.mfat.govt.nz/en/aid-and-development/new-zealand-government-scholarships/>.

Strategic Alliances, International Partnerships and Agreements

The University is a forward-looking, innovative institution that welcomes strategic alliances, international partnerships, and agreements. Consideration is given to international institutions that match the University of Waikato profile in terms of reputation, academic standing, and research output.

All proposals for university to university linkages should be discussed in the first instance with the International Office. Proposals for guaranteed credit agreements need submission of full

documentation to the International Office which will refer them to the appropriate academic authority for approval. Partnership proposals are welcome and will be explored on a case-by-case basis.

Memorandums of Understanding should also be submitted as proposals to the International Office, which will refer them to the appropriate authority.

Overseas visitors are welcome. Prospective visitors should contact the International Office with full background information about their proposed visit. The International Office will assist in arranging an itinerary which meets both the visitors' and the University of Waikato's needs.

Please contact the International Office.

Student Research Regulations

Preamble

Students who undertake research at any level of study are required to conduct the research in a manner that conforms with requirements and standards set down by the University and, in many cases, by law.

Students are referred to the [Resources on Ethical Conduct in Research and Related Activities](#), available from the Research & Enterprise Office.

1. Title

These are the Student Research Regulations 2008.

2. Date of effect

These regulations are effective from 1 January 2009.

3. Definitions

In these regulations

plagiarism means presenting as one's own work the work of another, and includes the copying or paraphrasing of another person's work in an assessment item without acknowledging it as the other person's work through full and accurate referencing; it applies to research and to assessment (as defined in the [Assessment Regulations 2016](#)) presented through a written, spoken, electronic, broadcasting, visual, performance, or other medium. Plagiarism also includes self-plagiarism which is the use of one's own work that has been used and/or published in another context without acknowledging the previous work through appropriate referencing

research means an inquiry of an investigative, experimental or critical nature which is driven

by a question, hypothesis, or intellectual position capable of rigorous assessment, and the findings of which are open to scrutiny and formal evaluation; it includes any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

student means a student enrolled at the University of Waikato

University means the University of Waikato.

4. **Application**

These regulations apply to research undertaken by a student as an element of a paper or thesis of the University at any level of study.

5. **Ethical conduct in research**

A student engaged in research

- (a) must fairly and fully represent results as he or she honestly perceives them, without falsifying data, fabricating data, claiming results where none have been obtained, or fraudulently changing records
- (b) must not commit or condone plagiarism
- (c) must be scrupulously honest in the ascription of authorship, and must not list authors without their permission or attribute work to others who have not in fact contributed to the research
- (d) must conform with professional standards and codes of ethics relevant to the discipline
- (e) must exercise integrity and good faith in every aspect of research practice
- (f) must comply with the [Ethical Conduct in Human Research and Related Activities Regulations](#) when the research involves collecting data about and from people and organisations.

6. **Research or teaching involving the development of low risk genetically modified organisms (GMOs)**

- (1) A student who intends to use or develop low risk genetically modified organisms (GMOs) must comply with the appropriate ERMA regulations.
- (2) Advice on these regulations is available from the Office of Biological Sciences.

7. **Research using live animals**

- (1) Users of live animals for teaching, research, or the production of biologically active agents have ethical and legal responsibility for the welfare of those animals.
- (2) The Animal Ethics Committee is established by the Vice-Chancellor in accordance with the requirements of the Animal Welfare Act 1999, and is responsible for
 - (a) ensuring that any experimental procedure involving live animals complies with the Animal Welfare Act 1999 and the University's [Code of Ethical Conduct for the Use of Animals for Teaching and Research](#) 
 - (b) initiating investigations into any suspected non-compliance with the Animal Welfare Act 1999 or the University's [Code of Ethical Conduct for the Use of Animals for Teaching and](#)

[Research](#) 

(c) arbitrating in disputes about use of live animals for teaching and research.

(3) A student involved in the use of animals for research must comply with

(a) the University's [Code of Ethical Conduct for the Use of Animals for Teaching and Research](#) , or

(b) any other instruction by the Animal Ethics Committee.

8. Breaches

A breach of these regulations is misconduct under the [Student Discipline Regulations 2020](#).

Ethical Conduct in Human Research and Related Activities Regulations

Preamble

Any member of the University community who participates in research and specified related activities is required to conduct the research and/or related activities in a manner that conforms with ethical standards set down by the University, by relevant national and international professional bodies, and by the law of the country in which the research is undertaken.

These regulations apply specifically to the following activities: research, teaching, consulting, evaluation, and publications which involve collecting data about and from people and organisations. These regulations also apply to any research where there are ethical issues that are not addressed by the Animal Ethics Committee [Code of Ethical Conduct for the Use of Animals for Research, Testing and Teaching](#) .

Students are referred also to the University's [Student Discipline Regulations 2020](#) in this Calendar, and the [Guidelines for Professional Practice and Community Contact in the Conduct of University Research or Related Activities](#)  (see Appendix 1 to these regulations), and the Higher Research Degrees website, as amended from time to time: <http://www.waikato.ac.nz/students/research-degrees/>.

Staff are referred also to the University's [Staff Code of Conduct](#).

Students and staff are also referred to the resources on [Human Research Ethics](#), available from the [Research & Enterprise Office](#).

Ethical Conduct in Human Research and Related Activities Regulations

1. Title

These are the Ethical Conduct in Human Research and Related Activities Regulations 2008.

2. Purpose

Ethical issues arise when University research and/or related activities involve the interests and rights of others. The purpose of these regulations is to facilitate ethical conduct which respects the rights of people, communities, companies, trusts, and other organisations. These regulations explain the standards of ethical conduct and the procedures that apply for the maintenance and monitoring of these standards. All applications to the University's human research ethics review committees will be reviewed for approval on the basis of their compliance with these regulations.

3. Date of effect

These regulations are effective from 1 July 2008.

4. Scope

(1) These regulations apply to all

(a) staff of the University of Waikato

(b) students of the University of Waikato, and

(c) any other person authorised to undertake research and/or a related activity on behalf of the University of Waikato, including those employed or contracted in wholly-owned subsidiary entities.

(2) Research collaborators or partners are expected to apply for approval of their research and/or related activities from their organisation and must also apply to the relevant University of Waikato Divisional or Faculty of Māori and Indigenous Studies committee.

(3) Under these regulations, all research and/or related activities are required to have formal ethics review and approval.

(4) Applications for approval are not required for normal teaching activities; but are required for specific teaching that involves the participation of a student or students and has the potential for harm (see section 13 of these regulations), or that involves collection of data from students.

(5) Applications are not required for University teaching evaluations or for University reviews and quality assurance activities; however, such activities do have ethical implications and should be conducted in a professional way consistent with the University *Staff Code of Conduct* and should be consistent with the spirit of these regulations.

5. Definitions

In these regulations

research means an inquiry of an investigative, experimental, or critical nature which is driven by a question, hypothesis, or intellectual position capable of rigorous assessment, and the

findings of which are open to scrutiny and formal evaluation. It may include any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

related activities may include teaching, consulting, evaluation, and publication when these activities involve collecting data about and from people and organisations. These activities are defined as follows:

teaching means teaching in lectures, tutorials, demonstrations, and related educational research

consulting means the provision of advice to a client, such advice being based upon the pre-existing professional knowledge and skills of the consultant

evaluation means the systematic collection and analysis of information to make judgements, usually about the effectiveness, efficiency, and/or appropriateness of the research and/or related activity

publication means any intellectual or creative work published, exhibited, presented, or performed in a written, spoken, electronic, broadcasting, visual, performance, or other medium

participant means a live human being or group of live human beings who participate in research and/or related activities whether by observation, questioning, participation in an experiment, provision of specimens or human tissue samples, or by any other means

organisation means a social unit of people systematically arranged and managed to meet a need or to pursue collective goals on a continuing basis. Examples include firms, iwi groupings, schools, and professional societies

researcher means the person undertaking research and/or related activities

harm includes physical, psychological, social, economic, or cultural harm to participants

field research means research conducted in person in a natural setting outside of a laboratory.

6. **Application procedures**

- (1) A staff member, student, or authorised person must not commence research or a related activity until it has been approved by the appropriate authority and in accordance with these regulations.
- (2) Researchers must submit applications for approval for their research or related activity to one of the delegated relevant Divisional or Faculty of Māori and Indigenous Studies committees (see section 22 of and Appendix 2 to these regulations) within the University.
- (3) Where applications are made to an external ethics committee, an application must also be submitted to, and approved by, the relevant delegated committee within the University (see section 22(3) of and Appendix 5 to these regulations).
- (4) Applications for approval of research and/or related activities must be submitted in the form prescribed for the relevant Division or the Faculty of Māori and Indigenous Studies (see Appendix 3 to these regulations).
- (5) If an ethical issue relating to the research and/or related activity that was not envisaged at the beginning arises during its course, the researcher must stop the research and/or related activity, consult the appropriate authority, and apply for approval. The researcher must not

begin the research and/or related activity again until the necessary approval has been obtained.

- (6) For situations where prior, free, express, and informed consent from participants may not be possible, see sections 10 and 11 of these regulations for guidance in making application for approval of the research or a related activity.

7. **Responsibility for ethics in research and related activities**

- (1) Individual staff, students, and authorised persons are responsible for ensuring their research and/or related activities comply with these regulations.
- (2) If a researcher is a student, the staff member responsible for supervising the student's research must take all reasonable steps to ensure that the student complies with these regulations.
- (3) Paper convenors may apply for ethics approval for an entire paper if it involves students in that paper engaging in research or related activities. Such applications must cover all anticipated research or related activities the student may engage in, and the convenor's, lecturers' and/or tutors' responsibilities. Applications must identify ethical issues and describe practices for addressing them.

8. **Value of research or related activities and the public interest**

- (1) A researcher must be able to justify to their peers the goals and methodology of the research and/or related activity in terms of its reasonably anticipated benefits balanced against any foreseeable risk of harm to the participants.
- (2) A researcher must normally make available the findings of research in the public domain. Any exception to this must be approved in writing by the Senior Deputy Vice-Chancellor, or by a person to whom authority is delegated in writing by the Senior Deputy Vice-Chancellor (see section 10(7) and section 14 of the [Dissertations and Theses Regulations 2015](#)).

9. **Informed consent of participants**

- (1) Researchers must gain participants' prior, free, express, and informed consent in a culturally and socially appropriate manner, unless in the case of approved exceptions. For proxy consent from authorised representatives, see subsection (4)(e) and (4)(f) of this section of these regulations. Exceptions regarding large sample surveys and similar research methods, some cases of field research, and the possibility of gaining informed consent after data collection are dealt with in sections 10, 11 and 14 of these regulations.
- (2) A researcher must establish explicit processes for reaching agreement with participants. A researcher must not involve a participant in any research and/or related activities unless the researcher is satisfied that the participant has understood the nature of their involvement and freely agreed to it in accordance with the principles outlined in this section.
- (3) A researcher must not use explicit or implicit coercion to obtain the agreement, and must not use inducement to obtain the agreement except in accordance with section 18 of these regulations.

- (4) Unless sections 10, 11 or 14 of these regulations apply, a researcher must adhere to the following principles with respect to informed consent of participants:
- (a) A researcher must inform prospective participants of all information relevant to the decision to participate including
 - (i) their right to decline to participate in the research and/or related activities or any portion or any part of these
 - (ii) the form in which the findings will be published
 - (iii) duration and security of data storage
 - (iv) their right to withdraw any information they have provided up until analysis has commenced on their data
 - (v) their right to access and correct personal information
 - (vi) the process for withdrawing information they have provided.
 - (b) The more readily identifiable the participants may be, the more formal the consent should be. Where participants are asked to answer questionnaires that might identify them, answer questions in a formal interview, undergo formal tests, or where they are subjected to formal observation and recording procedures, the process for obtaining informed consent, and the form of the consent, should be similarly formal and recorded in writing or some other reproducible form. Where the participation is more anonymous the consent may be less personalised and less explicit (see section 10 of these regulations).
 - (c) If the research or related activity involves manipulation of, or intervention in, the physical or psychological state of a participant, the participant's consent, or, if subsection (e) of this section applies, the consent of the person with authorised responsibility for the participant, must be recorded in writing or some other reproducible form.
 - (d) Because some research and/or related activities involve collectives, a researcher must recognise the complexities of relationships between individuals and collectives. In some cultures it is common for the leader of a collective to make a decision in respect of participation on behalf of its members. If an individual in a collective wishes to participate or not to participate in the research and/or related activity, regardless of a decision taken on behalf of the collective, the individual's wishes must be respected and all reasonable care taken to ensure that those wishes are also respected by other members of the collective.
 - (e) If a prospective participant is reasonably judged incapable of giving informed consent, the researcher must obtain the proxy consent from the person who has responsibility for the prospective participant's welfare, taking particular care to protect the participant's interests and also taking into account any potential conflict of interest between them and the person whose consent is required.
 - (f) A researcher who seeks the proxy consent of another person on behalf of a prospective

participant under subsection (e) of this section must make all reasonable effort to involve the prospective participant themselves in the process and the decision about consent.

- (g) Staff, students, and other approved persons must obtain informed consent when recording images of participants, participants' possessions, or research and/or related activity in which participants are involved, unless the recording of images is of lawful activity occurring in a public place and is culturally appropriate.
- (h) A researcher must provide the information under subsection (a) of this section plainly and in the language and medium that is appropriate for the prospective participants.
- (i) A researcher must inform participants of their right of access to any data that may have been collected from or about them.
- (j) A researcher must inform participants of their right to complain about the conduct of the research and/or related activity and must also inform them of the process for making a complaint.

10. Large random sample surveys and informed consent

- (1) A researcher who intends to collect data involving large numbers of people is not required to adhere to all the principles concerning informed consent outlined in section 9(4) of these regulations if the research method makes adherence to all these principles impractical or undesirable and if such a requirement is likely to impact adversely on the researcher's ability to generate reliable information.
- (2) However, the researcher must declare and justify an intention not to adhere to the principles in section 9(4) of these regulations in the application for approval submitted under section 6 of these regulations.
- (3) In these situations the researcher must provide the following information, as a minimum, to a participant before the research or related activity begins
 - (a) the anticipated length of the research or related activity
 - (b) the general purpose of the research or related activity
 - (c) the forms in which the data might be published
 - (d) an assurance that the participant will not be identified in any publication or dissemination of research findings.

11. Field research and informed consent

- (1) 'Field' research in this context means research conducted in person in a natural setting outside of a laboratory.
- (2) In field research situations, prior, free, express, and informed consent must be gained in a culturally and socially appropriate manner from participants.
- (3) In some forms of field research using such methods as participant observation, participatory research and action research, where obtaining prior, free, express, and informed consent

from all participants would be inappropriately intrusive or impractical for social, cultural, or methodological reasons, it is acceptable not to gain such consent.

- (4) However, the researcher must take care to apply other ethical principles, especially minimising the risk of harm to participants and maintaining the anonymity of participants. It may also be appropriate in such cases that informed consent be sought afterwards but prior to the publication of research findings, from people who have in the course of information collection come to the attention of the researcher.

12. Archiving of data, privacy, storage, and use of information

- (1) All non-identifying data (eg data sets and transcripts) used for publication must be securely kept long enough to allow for academic examination, challenge, or peer review. This period would normally be at least five years. Identifying data such as consent forms, photographs, and videos will be securely stored consistent with agreements made under section 9(4)(a) of these regulations. The responsibility for data storage lies with the department or other equivalent academic unit.
- (2) Where the research and/or related activity is conducted in New Zealand, the researcher must comply with the Privacy Act 1993 and the Official Information Act 1982, and must adhere to the following principles consistent with that legislation
 - (a) participants and informants must not be publicly identified or identifiable without their explicit consent
 - (b) participants must be informed (unless sections 10, 11 and 14 of these regulations apply) that they will not be identified in any publication or dissemination of the research findings without their explicit consent
 - (c) researchers must take all reasonable precautions to prevent unauthorised use, access, modification, or disclosure of personal information
 - (d) data identifying participants must not be kept for longer than required for the purpose for which it is collected (see subsection (1) of this section)
 - (e) except in circumstances specified in the relevant legislation, personal information may be used only for the purpose for which it is collected.
- (3) Where the research and/or related activity is conducted in a country other than New Zealand, the researcher must comply with any legislation that applies in that country with respect to privacy and storage of personal information.
- (4) Even where the research and/or related activity is conducted in a country other than New Zealand, the researcher must comply as far as possible with the spirit of the Privacy Act 1993 and the Official Information Act 1982; however, if there are contradictions between the legislation of New Zealand and the other country, the legislation of the other country must prevail
- (5) A researcher must include in an application submitted under section 4(3) of these regulations a statement about the conditions under which, and the period for which, any personal

information collected for the research and/or related activity is to be stored.

- (6) Data must not be made available to persons or for purposes that are not named on the application.

13. **Minimisation of harm**

- (1) A researcher must make particular effort to identify physical, psychological, social, economic, or cultural harm to participants before seeking their consent to participation.
- (2) A researcher must minimise both the risk of harm to a participant and the potential for negative consequences of the harm.
- (3) 'Harm' in this context includes pain, stress, emotional distress, fatigue, embarrassment, and exploitation.
- (4) Unless it would be impractical or undesirable to do so in the terms described in section 10 of these regulations, a researcher must consult participants to ascertain any risk of harm that they themselves may identify or concerns that they themselves may have.
- (5) If, during the course of the research and/or related activity, it is apparent to the researcher that the risk of harm to the participant is greater than originally envisaged, the researcher must inform the participant and re-evaluate the research and/or related activity in terms of the principles outlined in this section.

14. **Limitation of deception**

- (1) Deception of participants conflicts with the principle of informed consent, but in some research and/or related activities it may be necessary to withhold information about the purpose of the research and/or related activity or the procedures involved.
- (2) Research and/or related activities involving deception of participants will be approved only if the researcher demonstrates in the application for ethics review that the deception is absolutely essential to the goals of the research and/or related activity.
- (3) A researcher who undertakes research and/or related activities involving deception of a participant must ensure that the participant is provided with an explanation of the true purpose of the research and/or related activity and the reason for the deception as soon as practicable after the participation.

15. **Social and cultural sensitivity**

- (1) A researcher must respect the cultural, social, and language preferences and sensitivities of the participant.
- (2) Where the research and/or related activity potentially affects individuals or groups who are significantly different in culture from the researcher, the researcher must consult an appropriate person before the research and/or related activity begins about appropriate cultural procedures and approaches to the research and/or related activity and about informing the participant or community concerned of the research findings.
- (3) An application for ethics review under these regulations must demonstrate how the

researcher has responded to the advice received from the person consulted.

- (4) Appropriate consultation and subsequent responses on matters of social and cultural sensitivity are the responsibility of the researcher.

16. Exploitation of relationships

- (1) A researcher must not exploit the relationship between researcher and participant.
- (2) A researcher must resist any initiative by a participant to exploit the relationship between researcher and participant.
- (3) 'Exploitation' in this context means the seeking or obtaining of money, goods, services, favours, information or relationships that have no direct bearing on the stated research and/or related activity aims or data gathering.
- (4) Where a researcher is a staff member and the prospective participant a student, the researcher must not exploit that relationship and must strive to ensure that the student is not disadvantaged through their participation or refusal to participate, academically, professionally, or otherwise.

17. Respect for property rights

- (1) A researcher must ensure that procedures or publications associated with the research and/or related activity do not infringe legally determined property rights.
- (2) A researcher must ensure that procedures or publications associated with the research and/or related activity do not infringe culturally determined property rights to the extent possible and reasonable in all circumstances.
- (3) Property rights in this context may apply to land, goods, works of art and craft, images, and intangible materials such as spiritual treasures, music, information, and intellectual property (see Appendix 4 of these regulations).
- (4) A researcher must identify and address any issues associated with property rights and ownership of data at the time they seek informed consent and monitor these issues throughout the research process.

18. Payment for participation

A researcher must not pay participants for their participation, or arrange for participants to be paid, in money, goods, services, prizes, favours, or in any other form of remuneration or form of hospitality appropriate to the engagement, either directly or indirectly, unless the payment is approved by the appropriate approving authority (see section 22 of and Appendix 2 to these regulations).

19. Professional codes of ethics

A researcher must ensure that their research or related activity complies with any professional code of ethical practice or standard relevant to the research and/or related activity.

20. University research and/or related activities in schools and early childhood services

A researcher involved in research and/or related activities in schools or early childhood services must comply with the [Guidelines for Observation and Research in Schools and Early Childhood Services](#)  (see Appendix 5 to these regulations).

21. Declaration of potential conflict of interest

- (1) A researcher must, in an application submitted under section 4 of these regulations, declare any potential conflict of interest.
- (2) 'Conflict of interest' occurs where a researcher or related party is, or is reasonably likely to
 - (a) obtain an unfair, inappropriate, or unethical professional, commercial, or personal advantage as a result of or in connection with the research and/or related activity
 - (b) be in a position in relation to the activity or the participants that could appear to affect the researcher's impartiality in the research and/or related activity;
 - (c) obtain a direct or indirect pecuniary benefit or interest as a result of or in connection with the research or related activity.
- (3) If the research and/or related activity is commissioned or sponsored, the researcher must ensure that the commission or the sponsorship
 - (a) is declared to the participants and in any published findings

22. Authority for ethical approval and monitoring

- (1) Authority for administering these regulations rests with the University of Waikato Human Research Ethics Committee.
- (2) The University of Waikato Human Research Ethics Committee makes recommendations to the Vice-Chancellor through the Academic Board for the promotion, review, and monitoring of ethical practice in University research and/or related activities and for monitoring compliance with these regulations.
- (3) Each Division and the Faculty of Māori and Indigenous Studies has one or more committees with responsibility at the Divisional or Faculty of Māori and Indigenous level, delegated by the University of Waikato Human Research Ethics Committee, for
 - (a) the approval of research and/or related activities with human participants in the relevant Division or the Faculty of Māori and Indigenous Studies (health and disability research involving human participants must also be reviewed by the University of Waikato Human Research Ethics Committee).
 - (b) compliance with these regulations in the relevant Division or the Faculty of Māori and Indigenous Studies
 - (c) maintaining records of University research and/or related activity with human participants in the relevant Division or the Faculty of Māori and Indigenous Studies in the form required by the University of Waikato Human Research Ethics Committee
 - (d) reporting to the University of Waikato Human Research Ethics Committee in the form

required by that Committee.

- (4) The Pro Vice-Chancellor of the relevant Division or the Dean of Faculty of Māori and Indigenous Studies recommends to the University of Waikato Human Research Ethics Committee for approval the committee structure for the respective area, and the Terms of Reference, constitution, membership, and procedures of any committee involved consistent with these regulations (see Appendix 2 to these regulations).
- (5) Responsibility for the following matters in any organisational unit outside a Division or the Faculty of Māori and Indigenous Studies is delegated by the University of Waikato Human Research Ethics Committee to the Director of that unit
 - (a) ensuring applications for approval of research and/or related activities with human participants in the unit are submitted to the University of Waikato Human Research Ethics Committee
 - (b) compliance with these regulations in the unit
 - (c) maintaining records of human research and/or related activities with human participants in the unit in the form required by the University of Waikato Human Research Ethics Committee
 - (d) reporting to the University of Waikato Human Research Ethics Committee in the form required by that Committee.
- (6) A committee at the relevant Division or the Faculty of Māori and Indigenous Studies level, or a Director of a unit outside a Division or the Faculty of Māori and Indigenous Studies, may consult with the University of Waikato Human Research Ethics Committee at any time and may request that the University of Waikato Human Research Ethics Committee review any relevant matter, or review any decision taken under delegated authority.

23. Researcher appeals against decisions concerning applications for approval

- (1) Having made an application under these regulations, a researcher may appeal to the University of Waikato Human Research Ethics Committee against any decision taken at the relevant Divisional or the Faculty of Māori and Indigenous Studies level.
- (2) A researcher may appeal to the Academic Board against any decision by the University of Waikato Human Research Ethics Committee under these regulations.
- (3) The Academic Board may determine its own procedures for hearing and deciding the appeal provided that they conform with the principles of natural justice, and may delegate authority to hear and decide an appeal on its behalf.
- (4) The decision of the Academic Board (or delegated authority) on an appeal is final.

24. Addressing concerns and complaints

- (1) A concern or complaint about the research and/or related activities to which these regulations apply may be referred to the University of Waikato Human Research Ethics Committee.
- (2) If a concern or complaint arises, the University of Waikato Human Research Ethics

Committee may require that the relevant research and/or related activity be discontinued until the issue is resolved.

- (3) If the University of Waikato Human Research Ethics Committee considers that the issue is sufficiently serious, it may refer the matter to the Vice-Chancellor who may arrange for it to be dealt with as applicable
 - (a) under the *Student Discipline Regulations 2020*, as amended from time to time
 - (b) as a breach of the *Staff Code of Conduct*
 - (c) as the Vice-Chancellor thinks fit.
- (4) If the University of Waikato Human Research Ethics Committee considers that the issue is not sufficiently serious to be referred to the Vice-Chancellor, it may take informal action, at its discretion, to deal with the complaint or dispute.

25. Appeal provision

- (1) A person may appeal to the Academic Board against any matters dealt with under section 23 or section 24 of these regulations by the University of Waikato Human Research Ethics Committee under these regulations.
- (2) The Academic Board determines its own procedures for hearing and deciding the appeal conforming with the principles of natural justice, and delegates authority to hear and decide an appeal on its behalf.
- (3) The decision of the Academic Board (or delegated authority) on an appeal is final.

Dissertations and Theses

Deadlines for the submission of dissertations and theses for graduate qualifications are prescribed in section 12 of the [Personal Programmes of Study Regulations](#).

General information about the submission of MPhil and doctoral theses is published on the Higher Research Degrees [website](#).

Deadlines for the submission of theses for the Master of Philosophy (MPhil) and doctoral degrees - Doctor of Philosophy (PhD), Doctor of Education (EdD), Doctor of Health Science (DHSc), Doctor of Juridical Science (SJD), and Doctor of Musical Arts (DMA) are determined on an individual basis. Details about terms of enrolment for these degrees are available from Te Mata Kairangi School of Graduate Research.

Students may obtain details about style, general layout, and important conventions to be followed in writing a thesis (referencing, bibliographies etc.) from their supervisor or relevant School or Faculty. The University of Waikato Library also publishes a guide to the presentation and submission of dissertations and theses which is available from the Library [website](#).

Dissertations and Theses Regulations

1. Title

These are the Dissertations and Theses Regulations 2020.

2. Date of effect

These regulations are effective from 1 January 2020.

3. Definitions

In these regulations

dissertation means a piece of written work that reports on the findings of a theoretical or empirical investigation and is undertaken in accordance with the regulations for an honours or first masters degree

first masters degree means a masters degree except for the Master of Philosophy (MPhil)

thesis means a piece of written work undertaken in accordance with the regulations for a first masters degree and equivalent to at least 90 points at 500 level, or a piece of written work undertaken in accordance with the regulations for a Master of Philosophy or doctoral degree. Applicants who intend to integrate a creative practice component with their thesis must comply with the Requirements for PhD with a Creative Practice Component, available from Te Mata Kairangi School of Graduate Research. A thesis is externally examined and if passed is considered to embody research of a kind and standard appropriate for the thesis to be lodged permanently in the University's digital repository, Research Commons, and is publicly accessible (unless embargoed under section 12 of these regulations).

4. **Word limit for dissertations**

The maximum word limit for a dissertation is determined by the School of Faculty in which the dissertation is undertaken.

5. **Word limit for first masters theses**

Unless the Head of School or Dean of the School or Faculty in which the thesis is undertaken approves otherwise in the case of an individual student or subject, the maximum word limit for a first masters thesis is 50,000 words.

6. **Word limit for Master of Philosophy (MPhil) theses**

Unless the Postgraduate Research Committee approves otherwise in an individual case, the maximum word limit for an MPhil thesis is 50,000 words.

7. **Word limit for doctoral theses**

Unless the Postgraduate Research Committee approves otherwise in an individual case, the maximum word limit is

- (a) for a PhD thesis, 100,000 words
- (b) for an EdD or SJD thesis, 60,000 words
- (c) for a DMA thesis, 50,000 words.

8. **Submission of dissertations**

- (1) When the dissertation is ready for examination, the student must submit two copies to the relevant Head of School or Dean of the School or Faculty.
- (2) Dissertations are not required to be bound, but must be formatted and presented in accordance with relevant School or Faculty policy.
- (3) The relevant Head of School or Dean may agree to accept part or all of a dissertation solely

in digital form.

9. Submission of first masters theses

- (1) When it is ready for examination, a digital copy of the thesis, which will include an abstract of no more than 500 words, immediately following the title page and written in a form suitable for publication, must be submitted by the student to the Student Centre Team.
- (2) The thesis must be accompanied by a declaration, signed by the student's chief supervisor, stating
 - (a) whether the thesis is, in the supervisor's opinion, ready for examination, and
 - (b) that the thesis embodies the student's own work, carried out under the supervisor's direct supervision, and
 - (c) that evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or the [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#)  had been provided.
- (3) After a thesis has been examined, passed and returned to a student, the student must, within three weeks, submit a final digital copy of the thesis to the University's digital repository, Research Commons.
- (4) After a thesis has been examined, passed, and submitted in final digital form the digital copy will be lodged permanently in the University's digital repository, and, unless the Deputy Vice-Chancellor Research has approved an embargo under section 12 of these regulations, will be publicly accessible.

10. Submission of MPhil and doctoral theses

- (1) When it is ready for examination, a digital copy of the MPhil thesis or the doctoral thesis, which will include an abstract of no more than 500 words, immediately following the title page and written in a form suitable for publication, must be submitted by the student to Te Mata Kairangi School of Graduate Research.
- (2) The thesis must be accompanied by a declaration, signed by the student's chief supervisor, stating
 - (a) whether the thesis is, in the supervisor's opinion, ready for examination, and
 - (b) that the thesis embodies the student's own work, carried out under the supervisor's direct supervision, and
 - (c) that evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or the [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#)  had been provided.
- (3) After a thesis has been examined and passed, a student, before being entitled to have the relevant degree formally conferred, must submit in final digital form, the copy to be lodged

permanently in the University's digital repository, Research Commons, and, unless the Deputy Vice-Chancellor Research has approved an embargo under section 12 of these regulations, this copy will be publicly accessible.

11. Digital format

- (1) The format for submission of the digital copy of a thesis required under subsection 9(1) and 10(1) of these regulations is set out in the University publication *Write and Submit a Thesis* a which is available from the Library website.

12. Embargoes

- (1) Because freedom to exchange ideas and to publish acquired knowledge are fundamental to the purposes of a university, restrictions on freedom of access to dissertations and theses are acceptable only in very limited circumstances approved by the Deputy Vice-Chancellor Research.
- (2) Embargoes of dissertations or theses, either in part or in full, are subject to written approval of the Deputy Vice-Chancellor Research.
- (3) Embargo of a dissertation or thesis is normally approved only under the following circumstances:
 - (a) if it is pending publication
 - (b) if it is pending the filing of a patent
 - (c) to allow a funder to comment
 - (d) to protect pre-existing traditional knowledge of a whanau/hapu/iwi
 - (e) to protect pre-existing commercial agreements
 - (f) if there is a pre-existing contractual obligation
 - (g) if restriction is necessary under the Privacy Act 2020 or the Official Information Act 1982.
- (4) An embargo will be approved only for a limited period.
- (5) If the Deputy Vice-Chancellor Research has approved an embargo, only the author, title, abstract and other meta-data of the full digital copy held by the University may be publicly accessible through the University's digital repository, Research Commons.

Part 1 General

1. Title

These are the Assessment Regulations 2016.

2. Date of effect

These regulations are effective from 1 January 2016.

3. Definitions

In these regulations

Assessment means the internal assessment (details of which are prescribed in the relevant paper outline) and, if one is offered, the examination that a student must undertake in order to be awarded a grade for the paper concerned

Chief Examiner means the person appointed by the relevant Head of School or Dean as the

chief examiner for the paper concerned; (the names of chief examiners are available from the Director of Student Services)

Compulsory Assessment Item means an assessment item that is identified as compulsory in the relevant paper outline, and that a student must submit in order to be eligible to pass the paper

Examination means the portion of the assessment for a paper that a student undertakes under formally supervised conditions, at a time and place notified by the Student Centre

Examiner means the person or persons designated in the relevant paper outline as the lecturer or convenor of the paper concerned

Internal Assessment means the portion of the assessment for a paper that is assigned, supervised and marked internally within the relevant department; it may include assignments, practical work, work in tutorials, seminars, written or oral tests, recitals, performances or attendance requirements

Paper Outline means the document distributed by the relevant department providing detailed information about the nature and requirements of the paper

Plagiarism means presenting as one's own work the work of another, and includes the copying or paraphrasing of another person's work in an assessment item without acknowledging it as the other person's work through full and accurate referencing; it applies to assessment presented through a written, spoken, electronic, broadcasting, visual, performance or other medium

Special Examination means an examination prepared and scheduled for a student whose application for special consideration under section 17 of these regulations has been accepted as valid by the Special Consideration Committee.

4. **Application**

These regulations apply to papers at 0, 100, 200, 300, 400, 500, and 700 levels.

5. **Fees**

The fees referred to in these regulations are prescribed in the [Table of Fees and Charges](#).

6. **Eligibility to submit assessment**

A student must be enrolled for a paper in order to be eligible to submit assessment in it.

7. **Use of particular languages for assessment**

- (1) Unless specified otherwise in the relevant paper outline, students must submit assessment in either English or Māori.
- (2) The presentation of assessment in Māori is subject to the [Policy on the Use of Māori for Assessment](#).

8. **Plagiarism and cheating**

- (1) Guidelines for sourcing and referencing styles appropriate to particular disciplines are available from the Faculties or School of Studies and the Library.
- (2) Plagiarism is prohibited.

- (3) It is not a defence against a charge of plagiarism for a student to argue that they did not act intentionally in appropriating the writing or work of another person; however, the extent to which the student is judged to have plagiarised intentionally, and the level and standard of scholarship that might reasonably be expected of the student, may be factors in the determination of any disciplinary action to be taken against the student.
 - (4) Cheating in any matter connected with assessment is prohibited.
9. **Use of the same material for different assessment items**
- Unless approved otherwise by the examiner of the paper concerned, a student must not submit for assessment material that is substantially the same as material submitted for assessment for a different paper, or for a paper which the student has attempted and/or completed previously in substantially the same form and is repeating.

Part 2

Conduct in Examinations

10. **Presence and identification at examinations**

- (1) A student may attend an examination only if he or she is enrolled for the paper for which it is prescribed.
- (2) A student may not enter an examination to begin an examination after the first 45 minutes.
- (3) Except with the permission of the examination supervisor, a student may not leave an examination room during the first 45 minutes or during the last 15 minutes.
- (4) Students undertaking an examination must sign their examination script and identify themselves to the Examination Supervisor by producing either
 - (a) their student identity card, or
 - (b) another form of photo identification that can be authenticated by the Examination Supervisor.
- (5) A student may not leave the examination room during an examination with the intention of returning unless supervised during the period of absence by the examination supervisor.

11. **Conduct in the examination room**

- (1) A student undertaking an examination must follow the instructions in the examination paper as well as any instructions given by the Examination Supervisor.
- (2) An electronic device that
 - (a) makes use of an audible alarm, or
 - (b) has facilities for transmission or reception of information, or
 - (c) is capable of storing and displaying informationis prohibited in the examination room, unless it is turned off and stored separately from the

student, or is an item authorised by an Examiner under subsection 11(3) of these regulations.

- (3) A student may not bring into the examination room any of the following items unless authorised in writing by the Examiner:
 - (a) paper
 - (b) books
 - (c) calculators
 - (d) electronic devices, including dictionaries
 - (e) computers.
- (4) If items are authorised under subsection 11(3) of these regulations, details of the type and the functions that may be used will be specified by the Examiner.
- (5) Items brought into an examination room may be subject to scrutiny and their use during the examination may be monitored by the Examination Supervisor.
- (6) A student undertaking an examination must not
 - (a) communicate with another student during the examination
 - (b) share material in the examination room.

12. **Communications with others about examinations**

- (1) A student must not communicate with the examiner about the content of an examination between the time it is undertaken and the notification of confirmed grades.
- (2) A student who wishes to raise an issue about an examination between the time it is undertaken and the notification of confirmed grades may do so by contacting the Student Centre.

Part 3

Special Arrangements for Examinations

13. **Applications and procedures**

- (1) Applications under Part 3 are considered and decided upon by the Special Consideration Committee. Which is a committee of the Education Committee.
- (2) The times and places of examinations are notified by the Student Centre.
- (3) A student
 - (a) who has a learning or physical disability that is likely to affect his or her performance in an examination, or
 - (b) who, for any other reason that he or she considers to be compelling, requires a special arrangement to undertake an examination,

may apply to undertake the examination at a different time, a different place, or under special

conditions.

- (4) The application must be submitted to the Student Centre, on the prescribed form, as soon as practicable after the teaching of the paper has started and the need for the special arrangement has been identified.
- (5) If the need is identified too late to allow for a suitable arrangement to be made by the University, the student will be advised to apply for special consideration under Part 4 of these regulations.
- (6) An application under Part 3 must be supported by evidence as stipulated on the application form.
- (7) A student who makes an application under this Part may be requested by the Special Consideration Committee to undergo an evaluation by an independent professional person.
- (8) The University makes any arrangements and meets any costs for an evaluation under subsection 13(7) of these regulations.
- (9) If the Special Consideration Committee considers that
 - (a) the circumstances documented in the application are valid according to the criteria set down in subsection 13(3) of these regulations, and
 - (b) it is practicable to do so given the nature of the circumstances involved and the availability of resources, it will offer the student a special arrangement.

14. Conditions attached to special arrangements

- (1) Unless approved otherwise by the Special Consideration Committee, a student will not be permitted to undertake an examination at a different time that is more than two days before or after the notified time for other candidates.
- (2) A student who accepts an opportunity to undertake an examination at a different time is required to sign a statutory declaration promising not to communicate about the content of the examination with any other person between the time they undertake it and the time it is undertaken by the other candidates.
- (3) The Special Consideration Committee may require, as a condition attached to the offer of a special arrangement, that the student contribute part or all of any associated costs.

Part 4

Special Consideration for Missed Assessment, or Impaired Performance in Assessment

15. Grounds for applications for special consideration

If, due to circumstances beyond their control (such as illness, injury, bereavement or trauma)

- (a) a student has been prevented from presenting internal assessment,

- (b) a student's performance in internal assessment has been seriously impaired,
- (c) a student has been prevented from undertaking an examination,
- (d) a student's performance in an examination has been seriously impaired, or
- (e) a student's ability to prepare for an examination in the two weeks immediately preceding the examination has been seriously impaired, the student may apply for special consideration.

16. **Special consideration in respect of internal assessment**

- (1) Applications for special consideration in respect of internal assessment are considered and decided by the Examiner of the paper for which the assessment is prescribed.
- (2) An application for special consideration in respect of an internal assessment must be made in writing to the relevant Examiner not later than three days after the date on which it is due.
- (3) The application must be supported by evidence that is acceptable to the Examiner; the evidence may be in the form of
 - (a) a medical certificate for an illness or injury affecting the period relevant to the particular assessment item, or
 - (b) evidence of any other circumstance and its effect on the student over the period relevant to the particular assessment item.
- (4) If the Examiner accepts that the circumstances documented in the application are valid, they may
 - (a) estimate a mark for the assessment item, or
 - (b) if it is practicable to do so, offer the student an opportunity to submit or repeat the original assessment item or to submit an alternative assessment item.
- (5) A student may not be awarded estimated marks under subsection 16(4) of these regulations for more than 33% of the overall internal assessment for a paper.
- (6) If the Examiner does not offer any of the options under subsection 16(4) of these regulations, the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.
- (7) A student may appeal to the Chief Examiner against any decision by an examiner under this section.
- (8) An appeal to the Chief Examiner must be made in writing by the student not more than seven days after they have received notification of the relevant decision by the Examiner.
- (9) Where an Examiner is also the Chief Examiner, a student may appeal directly to the Director of Student Services under the provisions of section 24 of these regulations.

17. **Special consideration in respect of examinations**

- (1) Applications for special consideration in respect of examinations are considered and decided by the Special Consideration Committee.

- (2) In order to be eligible for special consideration in respect of an examination, a student must have submitted all compulsory items of internal assessment for the relevant paper.
- (3) An application for special consideration in respect of an examination must be submitted to the Student Centre on the prescribed form not later than three days after the date of the examination.
- (4) The application must be accompanied by evidence of the circumstances relating to the application.
- (5) In the case of injury, illness, bereavement or trauma, the evidence required under subsection 17(4) of these regulations must be in the form of a report that relates to a consultation within 24 hours of the examination between the student and a medical practitioner, midwife, dental surgeon or psychologist, or between the student and a counsellor who is recognised for this purpose by the Special Consideration Committee. (Details of the names of counsellors recognised for this purpose are available from the Student Centre.)
- (6) In the case of any circumstance other than those described in subsection 17(5) of these regulations, the evidence must be in the form of a statement of the nature and time of the circumstance, written by the student.
- (7) The Director of Student Services may, at their discretion, request the student to submit a statutory declaration affirming details of the circumstances relating to the application.
- (8) Where an application is accepted as valid by the Special Consideration Committee, the Chief Examiner will be requested by the Student Centre to consider the assessment of the student in the relevant paper.
- (9) The Chief Examiner may at their discretion
 - (a) estimate a grade for the paper, or
 - (b) offer the student the opportunity to undertake a special examination.
- (10) If the Chief Examiner does not estimate a grade for the paper under subsection 17(9) of these regulations, and it is not practicable to offer a special examination (either because of the nature of the assessment or the continuing circumstances of the student), the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.
- (11) Where a student demonstrates to the Director of Student Services that, because of circumstances beyond their control, they are not able to accept the offer of a special examination, the student may apply under the [Change of Enrolment Regulations 2012](#) to withdraw from the paper on medical or compassionate grounds.

Part 5

Review of Grade and Return of Examination Script

18. Review of grade

- (1) A student who considers that a mistake has been made in the process of calculating or

determining a grade for a paper may apply for a review of a grade.

- (2) An application for review of grade must be submitted by the student on the prescribed form, together with the prescribed fee, to the Student Centre not more than 14 days after receiving notification of the grade.
- (3) The application must be accompanied by all items of internal assessment for the relevant paper that have been returned to the student.
- (4) A review of grade involves a re-marking of all items of assessment that contribute to the final grade and a re-calculation of marks, or the student may elect to have their exam script only reviewed.
- (5) A review of grade results in a grade either being left unchanged, raised or lowered.
- (6) The fee for a review of grade is refunded if the review results in a change of grade.

19. **Return of examination script**

- (1) A student may apply for the return of his or her marked examination script.
- (2) An application for the return of an examination script must be submitted to the Student Centre online, as prescribed in the [Copies of Examination Scripts](#), no later than three months after the date of the examination concerned. Proof of identity and the prescribed fee must accompany this application.
- (3) Non-publishable exam papers remain the property of the University. Students are only able to view a non-publishable paper exam script for 15 minutes under supervision. Proof of identity is required and no notes can be taken. This does not incur any charges.
- (4) Examination scripts are destroyed by the University after the three-month deadline has elapsed.

Part 6

Grades and Annotations

20. **Grades**

- (1) Grades are confirmed by Boards of Examiners or delegated authorities.
- (2) The schedule of grades used by the University and the range of marks represented by each grade is as follows:

Pass Grades

A+

90-100%

A

85-89%

A-

80-84%

B+

75-79%

B

- (3) An IC annotation means “Incomplete”, and is awarded if a student
 - (a) does not submit a compulsory assessment item, or
 - (b) if an examination was prescribed, does not undertake the examination.
- (4) An IC annotation is treated as a fail grade.
- (5) A “ ... ” annotation is used on students’ academic records for theses and papers that may be undertaken over more than one year, and indicates that the enrolment is continuing into a subsequent year.

- (6) A restricted pass (“RP”) grade may be awarded at the discretion of a Board of Examiners or delegated authority for a paper in which the student has achieved
 - (a) borderline performance, or
 - (b) a D grade compensated by overall good performance in the relevant subject or the relevant subject and closely related subjects.

Note: A paper for which a Restricted Pass (RP) has been awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Head of School or the Dean of the Faculty or School in which the other paper is offered approves otherwise.

- (7) The NC annotation means “No Credit” and indicates that credit for the paper has been refused as a direct consequence of a finding of misconduct.

21. **Conceded credit**

- (1) A Board of Examiners or delegated authority may award a conceded credit to a candidate for a bachelors degree who has
 - (a) undertaken the required number of papers for the degree,
 - (b) passed all compulsory papers, and
 - (c) passed all papers required for the major, specified programme or stream,but who has narrowly failed one paper in the final year.
- (2) The award of a conceded credit is based on the candidate’s performance in the bachelors degree as a whole as well as the paper in question.
- (3) The conceded credit is attached to the degree as a whole (and does not affect the fail grade in the paper in question).
- (4) A student may be awarded one conceded credit only in a bachelors degree.

22. **Notification of confirmed grades**

- (1) When assessment results are returned to a student those results will include a percentage mark, except where a P (ungraded pass) or F (ungraded fail) mark is given.
- (2) Confirmed final grades are published confidentially in MyWaikato.

Part 7

Breaches and Appeals

23. **Breaches**

A breach of these regulations is misconduct under the [Student Discipline Regulations 2020](#) .

24. **Appeals**

- (1) A student may appeal against any decision taken under these regulations.

- (2) An appeal, comprising a written statement of the circumstances of the appeal, together with supporting evidence if available, must be submitted by the student in writing to the Director of Student Services Division not more than seven days after the date on which notification of the relevant decision is received.
- (3) Appeals under this section are considered and decided by the Deputy Vice-Chancellor Academic by delegated authority of the Education Committee.
- (4) A decision by the Deputy Vice-Chancellor Academic is notified in writing, and is final.

Part 8

Grade Reconsideration under COVID-19

25. Scope and application

- (1) Part 8 sets out the process for the reconsideration of a paper grade, in its entirety, due to circumstances related to COVID-19.
- (2) This Part applies to papers where a date between 30 March 2020 and 28 June 2020 inclusive, falls between the paper's start and end dates inclusive. In exceptional circumstances, papers outside of this criteria may be considered.
- (3) Part 8 does not apply to dissertation or thesis papers.
- (4) An application under Part 8 does not affect the ability of a student to make an application under any other part of these regulations.

26. Grounds for grade reconsideration

If, due to circumstances related to COVID-19, and beyond their control,

- (a) a student's performance in a paper has been impaired, and
 - (b) the student believes their final grade has not sufficiently taken account of that impairment,
- the student may apply for grade reconsideration.

27. Grade reconsideration process

- (1) An application for grade reconsideration must be made to the Grade Reconsideration Committee within 10 working days of a final grade being notified to the student.
- (2) The application must describe the nature and circumstances of the impairment, with supporting evidence where applicable.
- (3) Where the Grade Reconsideration Committee accepts an application for grade reconsideration, the relevant Board of Examiners or delegated authority, will be required to reconsider the final grade of the student for the relevant paper.
- (4) The Board of Examiners may at their discretion
 - (a) increase the final grade of the paper,
 - (b) offer the student the opportunity to undertake an alternative piece of assessment to

replace assessment(s) from the relevant paper, or

(c) recommend to the Grade Reconsideration Committee that the student be allowed to withdraw on medical or compassionate grounds under the [Change of Enrolment Regulations 2012](#).

- (5) Where the Board of Examiners makes a recommendation under subsection 27(4)(c) of these regulations, the Grade Reconsideration Committee may, at their discretion, offer a withdrawal to the student.
- (6) A student may appeal against any decision made by a Board of Examiners under this section.
- (7) An appeal under subsection 27(6) of these regulations must be made by the student in writing to the Grade Reconsideration Committee no more than seven days after notification of the decision by the Board of Examiners is received.

28. Breaches and Appeals

For the avoidance of doubt, Part 7 of these regulations applies to the grade reconsideration process.

Policy on the Use of Māori for Assessment

Statement of Principle

1. In recognition of the status of the Māori language as a tāonga protected under the Treaty of Waitangi, and within the spirit of the Māori Language Act 1987, the University of Waikato endorses the right of its students to use the Māori language in written work for assessment within the University.
2. In keeping with the above and in accordance with its Charter commitments the University seeks to have sufficient suitable staff employed or available throughout its Divisions or the Faculty of Māori and Indigenous Studies to ensure that any work submitted in Māori would be assessed in that language by staff competent in the subject under examination and in the Māori language.
3. In the meantime, the use of the Māori language in assessment is subject to conditions set out in this policy statement.

Exceptions

4. There are occasions when, due to the nature of the skills being tested, work submitted for assessment may be required to be in a particular language. In such cases that requirement shall be made explicit in writing, either in the relevant subject entry or prescription in the University of Waikato [Catalogue of Papers](#) or in the paper outline distributed to candidates at the beginning of a paper.

Notice

5. Candidates who intend to present all or part of an examination or piece of internally assessed work in Māori are requested to give at least 14 day's notice of their intention of doing so in writing to the Student Centre. This notice of intention is desirable to allow the University the time and opportunity to make proper arrangements for marking including, when necessary, translation and external assessment. If less than 14 days' notice is given, the material presented in Māori will still

be accepted. The processing of it may, however, be delayed and the opportunity to have the script marked in the original language may be reduced.

6. Where a candidate who intends to present material in Māori has given the requested notice of intention, they will be informed as soon as reasonably possible, as to whether or not the assessment will be based on translation.

Potential for Delays

7. The University will do its best to make the results of an examination or item of internally assessed work presented in Māori available to the candidate within the ordinary time-frame. However the process of assessment in such cases, possibly including translation, may result in delays in the return of coursework or in the publication of results.

Māori-speaking Paper Examiners

8. The examination or internally assessed work will be assessed in Māori by the examiner for the paper if the examiner is considered by the Deputy Vice-Chancellor Māori or their nominee to be linguistically competent to do so.

Co-examiners

9. If the examiner of the relevant paper is not competent to assess in Māori, a co-examiner, competent in both the subject under examination and in Māori, may be appointed to conduct the assessment of work presented in Māori in consultation with the examiner.

Translation

10. If no person is available in the circumstances to assess the work in Māori, a translator will be appointed by the Deputy Vice-Chancellor Māori or their nominee in agreement with the appropriate chief examiner. The translator will be asked not to correct errors in the original nor to make any embellishments; however, ambiguities may be pointed out to the examiner. Where necessary the examiner may seek clarification of the translation of the paper from the translator but contact between the student and the translator is prohibited, as is contact between the student and the examiner. The assessment will then be carried out by the examiner of the paper on the basis of the translation.

The University intends that resort to translation be made only when reasonable efforts to find an examiner capable of assessing the work in its original language have been exhausted.

11. In the process of appointing a translator, the Deputy Vice-Chancellor Māori or their nominee will take all reasonable steps to ensure that the translator is competent in the relevant subject under examination, as well as in the Māori language.

External Assessment

12. If the internal assessment and/or examination script is to be subject to external assessment, the other institution undertaking the external assessment will be requested to indicate whether an external assessor is available to conduct the assessment in Māori. If not, a translation will be obtained for the purpose by the University according to the process explained in sections 10 and 11 of these regulations.

Return of Scripts

13. When any translation is relied upon in the assessment of an examination, a candidate making proper application for the return of a script shall also receive any translation made of the script. When assessed coursework is normally returned to the student, any translation used is likewise to be returned.

Appeals and Reconsiderations

14. An appeal against a decision regarding linguistic or subject competence made under the provisions of sections 8 and 11 of these regulations shall be to the Senior Deputy Vice-Chancellor whose decision shall be final.
15. The regulatory provisions for reconsideration of final grade together with the established appeal provisions will apply, with the addition that the Māori Language Commission is regarded by the Council as the final authority on the accuracy of a translation.

Oral Work

16. The details of this policy apply to written internally assessed work and to examinations. When oral work is assessable, the same principles should apply; however, practicalities may necessitate more restricted policy details, such as a requirement on the candidate to give longer notice or a limitation on the use of Māori where oral work involves interaction with other candidates.

Graduation

The University will hold a number of graduation ceremonies in 2023. Graduation will take place in Hamilton during April and October. There will be a graduation ceremony in Tauranga in April. All students who have completed the requirements for any of the University's qualifications can attend a ceremony. Graduation invitations are forwarded to completing students and these must be completed and returned by the due dates stated on the forms. Applications to graduate can be submitted in MyWaikato and can also be done in anticipation.

Further information regarding the 2023 graduation ceremonies can be obtained from the website www.waikato.ac.nz/students/graduation, or from the Student Centre.

Academic Dress

Academic regalia are as follows:

First Bachelors: Black gown; black hood with gold lining; black mortarboard.

Bachelors with Honours: Black gown; black hood with gold lining and gold border 5 cm in width; black mortarboard.

Masters: Black gown; gold hood with gold lining; black mortarboard.

MPhil: Black gown; crimson hood with crimson lining; black mortarboard.

PhD, EdD, SJD: Maroon gown; crimson hood with crimson lining; black Tudor bonnet.

Note: Those who graduated with a DPhil prior to 1992 are entitled to wear either a black mortarboard or a black Tudor bonnet.

DLit, DSc: Crimson gown; crimson hood with crimson lining; black Tudor bonnet with gold cord and tassel.

HonD: Red gown with black facings; black Tudor bonnet with gold cord and tassel.

Chancellor and Vice-Chancellor: Black gown with red velvet facings and gold piping; three red velvet chevrons with gold piping on the sleeves; black Tudor bonnet with gold cord and tassel.

Replacement of Degree/Diploma Certificates

If a degree/diploma certificate has been damaged, destroyed, stolen or lost, application should be made to the Student Centre to have the certificate replaced, by forwarding a statutory declaration outlining the circumstances necessitating the replacement of the certificate. Included with the statutory declaration, if appropriate, should be the damaged certificate, or a police or insurance report.

The cost for a replacement certificate is specified in the [Table of Fees and Charges](#).

Specialisations

Specialisations provide you with another opportunity to shape your qualification to your interests and needs. They can be used to broaden your knowledge, allow you to focus on an aspect related to your first major, or perhaps provide some cohesion to your elective papers in an area of interest to you.

Specialisations meet all of the requirements for a qualification but provide for further specialisation in or beyond the major (bachelors degree) or subject (honours or masters degree, graduate certificate, graduate diploma, postgraduate certificate, or postgraduate diploma).

For more information and advice on how a specialisation might fit into your programme of study, talk to a Student Advisor in your Division or the Faculty of Māori and Indigenous Studies.

Specialisations at degree level

Specialisations at degree level allow students to include complementary study within their overall programme of study. Specialisations available at degree level are:

- Advanced Pedagogy BEd
- Technology BEd

Specialisations at major or subject level

Specialisations at major or subject level allow students to focus in depth on a particular aspect of that subject. For example, within the International Languages and Cultures major, specialisations in Chinese, French, Japanese and Spanish are available.

At postgraduate level, for example within the Education subject for the Postgraduate Diploma, a specialisation in Māori Medium Teaching/Te Ropu Paerua are available.

Specialisations available at major or subject level are listed under the subject entries in the [University](#)

Enrolment for Individual Paper Credit (IPC)

Students may be permitted to enrol in a paper without enrolling for a particular qualification. This may be because they have no intention of completing a full qualification, or because the paper is being taken for the purposes of qualifying for admission to a specific qualification. Alternatively, the student may be taking the paper for credit towards a qualification at another institution. Enrolments of this nature are recorded as Individual Paper Credit (IPC) enrolments.

Regulations Governing Enrolment for Individual Paper Credit (IPC)

1. A candidate who enrolls on an IPC basis is liable for all fees and charges prescribed for the paper(s) and must meet any requirements specified in the prescription and paper outline.
2. Enrolment on an IPC basis is subject to the approval of the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the paper is offered.
3. A candidate who has passed a paper taken on an IPC basis may, at a later date, apply to have the paper credited to a University of Waikato qualification. Approval will be based on the regulations for the qualification concerned.
4. A student enrolled on an IPC basis is subject to all general regulations of the University of Waikato.
5. A candidate who completes a paper on an IPC basis will receive official notification of their final results from the University of Waikato, and will be eligible to apply for an academic transcript.

Prescriptions for Papers

The following page contains a brief introduction to the subjects and papers offered by the University. Subjects are set out in alphabetical order. A brief description may be given of the content of each paper as well as equivalents and restrictions, prerequisites and corequisites, required book information, and the internal assessment/examination ratio. Students also receive a paper outline when classes start, which provides more detail about the content, reading and assessment requirements for each paper.

In addition to the papers listed, departments may offer 800 and 900 level papers for MPhil and PhD students. Prospective students are advised to consult with Te Mata Kairangi School of Graduate Research and the Head of School or Dean concerned for more information.

The prescriptions refer to the papers which the University expects to offer. The availability of these papers is subject to change if the University encounters unexpected staffing or resource difficulties. For up-to-date details of 2023 offerings, see the online Catalogue of Papers at papers.waikato.ac.nz.

In all cases where it is necessary to cancel papers, the Policy and Procedure for the Cancellation of Papers will apply, as approved by the Academic Board. Copies are available from the Academic Office.

In the prescriptions, each paper is identified by an alpha-numeric code.

For example:

HISTY107-23A (HAM)

*New Zealand
Histories: Fresh
Perspectives*

HISTY		This is the subject code, in this case History
	107	This is the level of the paper, followed by a unique identifier. 100 = 100 level 200 = 200 level 300 = 300 level
	23A	This is the year and trimester in which the paper is taught.
	(HAM)	This is the location where the paper is taught.

A **prerequisite** must be passed before a student may enrol in the paper for which the prerequisite is specified. For example, JAPAN231 *Basic Japanese 1* is a prerequisite for JAPAN232 *Basic Japanese 2*. Students may not enrol in JAPAN232 until they have passed JAPAN231. (A paper for which a Restricted Pass (RP) has been awarded will not be accepted as meeting the prerequisite requirements for any other paper unless the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies in which the other paper is offered approves otherwise).

A **corequisite** must be taken in association with the paper for which the corequisite is specified. For example ENGEE231 *Electrical Circuits* is a corequisite with ENGEN201 *Engineering Maths and Modelling 2*. You may enrol in ENGEE231 only if you have either already passed ENGEN201 or are concurrently enrolled in it.

Equivalent papers are in effect the same papers, one of which was taught in the past with a different paper code. For example ACCT331 *Management Accounting* is equivalent to ACCTN303 *Management Accounting*. Students who have passed ACCT331 may not enrol in and receive credit for ACCTN303.

Restricted papers share a significant amount of common content. Students may therefore receive credit for only one of the papers listed. For example DIGIB200 *Tools for Managing Projects* has a restriction with PRMGT301 *Fundamentals of Project Management*. Restricted papers may not be used to satisfy prerequisite or corequisite requirements.

The **required books** which may be listed under some of the prescriptions are a conservative list only.

Additional required books may be prescribed during the academic year. Lists of recommended reading are usually included in the paper outline provided by the department concerned.

The **internal assessment/examination weighting** is provided for all papers. The weighting sets out how much of the paper is internally assessed and how much is formally examined, as percentages of the total mark. The weighting 100:0 means a paper is fully internally assessed, while the ratio 50:50 shows that the assessment for the paper is evenly weighted between internal assessment and an examination. Examinations are scheduled in a formal examination period. All A trimester papers which are not fully internally assessed will be examined at mid-year unless otherwise specified. Tests that form part of the internal assessment requirements may be held outside normal lecture hours.

Teaching activities for all undergraduate papers are listed in the Timetable. Teaching activities, including lectures, tutorials, laboratories and workshops, are scheduled to last 50 minutes and begin on the hour until (and including) 12 noon, and at 10 minutes past the hour from 1:10 p.m. This allows a lunch break of 20 minutes from 12:50 p.m. to 1:10 p.m. for students with continuous teaching activity commitments. Normal teaching hours are between 8.00 a.m. and 6.00 p.m.

A **trimester** is a period for which students enrol in papers, attend classes and submit assessment items. The University of Waikato has two standard trimesters (A and B), which each normally comprise 17 weeks. There are also two intensive summer teaching periods - Summer School 1 (H trimester), normally comprising seven weeks in January/February, and Summer School 2 (G trimester), normally comprising six weeks in November/December. The trimester period includes teaching as well as any study weeks and an examination period. The exact duration of trimesters in a particular year is defined by week numbers in the [Teaching and Assessment Periods](#).

2023:	A trimester	weeks 9-25
	B trimester	weeks 28-44
	C trimester	weeks 46-7
	D trimester	weeks 9-44
	G trimester	weeks 46-50
	H trimester	weeks 1-7

Some papers have start and end dates which differ from the standard teaching periods set out above. Papers which extend across both the A and B trimesters are annotated as D papers. Papers which are taught in non-standard periods have a X, I, or J etc. suffix.

The period for which a student is eligible for loans and/or allowances, is calculated on the basis of the exact start and end weeks of papers. Students are advised of the start and end dates of their papers in the relevant paper outlines.

Student Discipline Regulations

On this page

[Part 1: General](#)

[Part 2: Authorities](#)

[Part 3: Procedures for Making, Investigating and Resolving Complaints of Student Misconduct](#)

[Part 4: Provisions for Appeal](#)

[Part 5: Reporting](#)

Preamble

At the time they enrol, students are required to agree to abide by the regulations of the University of Waikato as published in the University of Waikato Calendar. The Student Discipline Regulations provide the framework for addressing alleged breaches of University regulations by students and for applying penalties where breaches are substantiated.

Members of the University community are entitled to operate and interact in an environment of safety and respect. It is expected that students will act with integrity and demonstrate respect for others.

If differences and disputes arise between members of the University community, it is expected that they will attempt to resolve such conflicts reasonably and co-operatively. Discipline procedures should be used only where other methods of resolving conflicts have been ineffective or would be inappropriate.

It is the policy of the University that all discipline procedures conform to the principles of natural justice. The procedures in these regulations have been adopted to safeguard the rights of individuals in this respect.

Student Discipline Regulations 2020

Part 1

General

1. Title

These are the Student Discipline Regulations 2020.

2. Date of effect

These regulations are effective from 2 December 2020.

3. Purpose

The purpose of these regulations is to:

- (a) define student misconduct
- (b) explain procedures for making, investigating and resolving complaints of student misconduct, and
- (c) set out the penalties that may be applied where misconduct by a student is substantiated.

4. Application

- (1) These regulations apply to the conduct of students while they are enrolled as students of the University of Waikato.
- (2) For the purpose of these regulations, the period during which a student is deemed to be enrolled as a student is defined as:
 - (a) the period in a given year from (inclusively) the Monday of the start week of the paper in the student's programme of study that starts earliest in that year, to the Sunday of the end week of the paper that ends last
 - (b) any orientation period immediately prior to the start week of the student's programme of study in a given year, and
 - (c) any period in which the student is a resident of University of Waikato student accommodation.
- (3) The processes for dealing with complaints of misconduct may extend beyond the period defined in subsection (2).
- (4) These regulations apply to the conduct of students:
 - (a) on any property or in any facility owned or managed by the University (including the halls of residence)
 - (b) in the context of a University activity regardless of geographic location
 - (c) where the conduct is related directly to the student's status as a student
 - (d) where the conduct has harmed or has the potential to harm unfairly another member of

the University community, or

(e) where the conduct has harmed or has the potential to harm unfairly the reputation of the University.

(5) A student against whom a complaint of misconduct is made, either by a member of the University community or another person, is subject to the discipline procedures set down in these regulations.

(6) All authority under these regulations must be exercised in accordance with the principles of natural justice.

5. **Misconduct**

(1) A student commits misconduct if they:

(a) commit a serious breach of the obligation, shared by staff and other members of the University community, to act towards others reasonably, courteously, considerately and with good faith

(b) behave in a manner that significantly impedes or subverts the efficient functioning of the University in accordance with its statutory role

(c) behave in a manner that discredits, or has the potential to discredit, the University

(d) behave in a manner that constitutes physical, psychological, sexual or racial assault, harassment, discrimination or bullying of any person

(e) breach any regulation published in the University of Waikato Calendar

(f) fail to comply with any reasonable and lawful policy or instruction approved and notified by the Vice-Chancellor, Council, Academic Board, or delegated authority of the Vice-Chancellor, Council or Academic Board

(g) use University property, resources or funds for other than authorised purposes

(h) incur liability on the part of the University without authorisation

(i) behave in a manner that is likely to harm unfairly the reputation or professional prospects of another student or a member of staff

(j) behave in a manner that jeopardises the health or safety of another person

(k) knowingly mislead the University in any significant matter

(l) encourage, assist, or procure a person to commit misconduct, or

(m) otherwise breach the [Code of Student Conduct](#).

6. **Definitions**

In these regulations:

bullying means unreasonable behaviour, repeated over time, which is deliberate and intended to humiliate, undermine or otherwise have a detrimental effect on the recipient(s) and/or pose a

risk to their health and safety even though it may not be unlawful

class means a lecture, tutorial, laboratory, workshop, practical session, practicum session, placement session, field trip or any other type of learning activity delivered or supervised by a staff member, including those conducted online

- (b) refer the matter to the Student Discipline Committee.
- (4) Where the Associate Director Student Accommodation receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or
 - (b) refer the matter to the Director of Student Services, or
 - (c) refer the matter to the Student Discipline Committee.
- (5) Where a Residential Life Manager or equivalent receives a complaint of misconduct in University of Waikato student accommodation they may
 - (a) offer summary jurisdiction to the student, or
 - (b) refer the matter to the Associate Director Student Accommodation
 - (c) refer the matter to the Director of Student Services, or
 - (d) refer the matter to the Student Discipline Committee.
- (6) If the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent offers summary jurisdiction, the student may choose to
 - (a) accept the offer of summary jurisdiction, or
 - (b) have the matter referred to the Student Discipline Committee.
- (7) Where the offer to exercise summary jurisdiction is accepted under this section, the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (8) Where the complaint of misconduct is referred to the Student Discipline Committee under this section, the Student Discipline Committee must follow the procedures set out under section 24 of these regulations.

14. Authority of the Chairperson of the Student Discipline Committee

- (1) Where the Chairperson of the Student Discipline Committee receives a complaint of misconduct against a student, the Chairperson of the Student Discipline Committee may
 - (a) offer summary jurisdiction to the student
 - (b) offer a Tikanga Māori process to the student, or
 - (c) refer the matter to the Student Discipline Committee.
- (2) If the Chairperson of the Student Discipline Committee offers summary jurisdiction or a Tikanga Māori process, the student may choose either
 - (a) to accept the offer of summary jurisdiction or a Tikanga Māori process, or
 - (b) to have the matter referred to the Student Discipline Committee.

- (3) Subject to section 15 of these regulations, where the offer to exercise summary jurisdiction is accepted under this section, the Chair of the Student Discipline Committee must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (4) Where the offer to exercise a Tikanga Māori process is accepted under this section, the Deputy Vice-Chancellor Māori must follow the procedures set out under section 23 of these regulations.
- (5) Where the complaint of misconduct is referred to the Student Discipline Committee under this section, the Student Discipline Committee must follow the procedures set out under section 24 of these regulations.
- (6) Subject to the agreement of the Vice-Chancellor, the Chairperson of the Student Discipline Committee may delegate their authority under these regulations.

15. **Authority of Academic Delegates**

- (1) The authority of the Chairperson of the Student Discipline Committee to exercise summary jurisdiction under section 14 of these regulations may be delegated to an Academic Delegate, provided that
 - (a) the complaint involves alleged plagiarism or cheating in a pre-degree, 100 or 200 level item of internal assessment which is worth less than 33% of the total assessment for the paper concerned
 - (b) the student who is the subject of the complaint has not previously had a finding of misconduct against them under these regulations, and
 - (c) the student against whom the complaint is made accepts the delegated authority of the Academic Delegate.
- (2) Where authority to exercise summary jurisdiction is delegated by the Chairperson of the Student Discipline Committee to an Academic Delegate under this section, the Academic Delegate must follow the summary jurisdiction procedures set out under section 22 of these regulations.
- (3) The Chairperson of the Student Discipline Committee is responsible for maintaining a list of Academic Delegates appropriately trained in the summary jurisdiction procedures set out under section 22 of these regulations.

16. **Authority of the Student Discipline Committee**

- (1) The Student Discipline Committee is a committee of the Academic Board with delegated authority to exercise the powers and responsibilities set out in these regulations in accordance with the procedures set out under section 24 of these regulations.
- (2) The Student Discipline Committee comprises
 - (a) a staff member with appropriate expertise appointed as Chairperson for a designated term by the Vice-Chancellor
 - (b) two people appointed by the Chairperson of the Student Discipline Committee from a

pool of twelve staff including four based in Tauranga, nominated by the Academic Board for terms of up to three years such that the terms of the members provide for continuity

(c) two students, one of whom is enrolled at the undergraduate level and one of whom is enrolled at the postgraduate level, appointed by the Chairperson of the Student Discipline Committee from a pool of eight students; the pool of students, five of whom are enrolled at the undergraduate level including two based in Tauranga, and three of who are enrolled at the postgraduate level including one based in Tauranga, is appointed by the Chairperson of the Student Discipline Committee after consultation with the student members of the Academic Board.

- (3) The Chairperson of the Student Discipline Committee may appoint an adviser or advisers to assist at a hearing in relation to particular aspects of a case; the Chairperson may also co-opt the adviser or advisers as a member of the Student Discipline Committee for that hearing.
- (4) One member of the pool of staff nominated by the Academic Board may be appointed by the Chairperson of the Student Discipline Committee as Deputy Chairperson; the Chairperson of the Student Discipline Committee may from time to time delegate their powers and responsibilities, as set out in these regulations, to the Deputy Chairperson.
- (5) No meeting of the Student Discipline Committee may be held unless the Chairperson or Deputy Chairperson, at least one staff member and at least one student are present.

17. Authority of the Student Discipline Appeals Committee

- (1) The Student Discipline Appeals Committee is a committee of Council with delegated authority to exercise the powers and responsibilities set out in these regulations in accordance with the procedures set out under section 27 of these regulations.
- (2) The Student Discipline Appeals Committee comprises
 - (a) two members appointed by and from Council, and
 - (b) one other member, who is either a member of Council, or a staff member, Emeritus Professor or Honorary Fellow of the University, appointed by Council on the basis of their knowledge of legal processes, who is Chairperson.
- (3) The Chairperson of the Student Discipline Appeals Committee may appoint an adviser to assist at a hearing in relation to particular aspects of a case; the Chairperson may also co-opt that adviser as a member of the Student Discipline Appeals Committee for that hearing.
- (4) Subject to the agreement of the Chancellor, the Chairperson of the Student Discipline Appeals Committee may delegate their authority under these regulations.

18. Authority of the Deputy Vice-Chancellor Māori

- (1) The Deputy Vice-Chancellor Māori has authority to determine the arrangements for the Tikanga Māori process set out under section 23 of these regulations.
- (2) Subject to the agreement of the Vice-Chancellor, the Deputy Vice-Chancellor Māori may delegate their authority under these regulations.

19. Authority of the Vice-Chancellor

- (1) The Vice-Chancellor may exclude a student from the University, or limit access to any designated part, system or facility of the University, if the student has been convicted of a criminal offence and if, in the Vice-Chancellor's judgement, the nature of the offence impinges detrimentally, or has the potential to impinge detrimentally, on the University or its staff or students.
- (2) The Vice-Chancellor may, on suspicion of possible misconduct, initiate an investigation of the conduct of a student, whether or not there has been a complaint of misconduct. Any investigation under this section and any procedure related to that investigation must be consistent with these regulations.
- (3) The Vice-Chancellor may, on suspicion of possible misconduct or pending the resolution of a complaint of misconduct, suspend a student when and to whatever extent they consider it necessary from
 - (a) any University building, premises, grounds or University of Waikato student accommodation
 - (b) any class
 - (c) any event organised by the University
 - (d) use of any resource of the University.
- (4) When considering whether to suspend a student under subsection (3) the Vice-Chancellor shall take into account the following:
 - (a) the best interest of the students, staff and other members of the University community
 - (b) the physical safety of the students, staff and other members of the University community
 - (c) the orderly conduct of teaching, research and administration of the University
 - (d) the protection of the property or resources of the University
 - (e) the potential effects of suspension on the student's programme of study, and any other matters raised by the student
 - (f) any other matters the Vice-Chancellor considers appropriate in the circumstances.
- (5) The Vice-Chancellor may delegate their authority under these regulations.

20. Authority of Council

- (1) Council may withdraw or refuse to grant an academic award if it is satisfied that the candidate has committed misconduct in relation to the award while enrolled, or been otherwise dishonest in relation to the award.
- (2) Council must consult with the Academic Board before taking a decision under this section; the advice of the Academic Board must be based on a recommendation by the Student Discipline Committee.

- (3) The principles and processes followed by the Student Discipline Committee in formulating its recommendation to the Academic Board must be consistent with the principles and procedures outlined in these regulations for the investigation and hearing of allegations of misconduct.
 - (4) The Academic Board must make all reasonable effort to ensure that the candidate concerned receives prior notification of the advice that it intends to give to Council and is given an opportunity to make a written submission directly to Council.
 - (5) A decision by Council under this section is final.
-

Part 3

Procedures for Making, Investigating and Resolving Complaints of Student Misconduct

21. Procedures for making a complaint

- (1) Any person may lodge a complaint of misconduct against a student.
- (2) A complaint of student misconduct must be made in writing
 - (a) if it relates to student conduct in University of Waikato student accommodation, to the [Director of Student Services, Associate Director Student Accommodation](#) or relevant [Residential Life Manager](#) or equivalent
 - (b) if it is of the nature set out under section 15(1)(a) of these regulations and the authority of the Chairperson of the Student Discipline Committee has been delegated to an Academic Delegate under section 15(1), to the relevant Academic Delegate
 - (c) in cases other than (a) or (b), to the [Chairperson of the Student Discipline Committee](#).
- (3) If a person who is a party to a complaint of misconduct fails to respond to a communication by a relevant authority, provided the authority has made all reasonable effort to locate and contact that person and to provide adequate opportunity for a response, the authority may proceed to deal with the complaint at their discretion.

22. Summary jurisdiction

- (1) Summary jurisdiction may be exercised by the following authorities:
 - (a) the Director of Student Services, Associate Director Student Accommodation or Residential Life Manager or equivalent under section 13 of these regulations
 - (b) the Chairperson of the Student Discipline Committee under section 14 of these regulations
 - (c) an Academic Delegate under section 15 of these regulations.
- (2) A student who accepts summary jurisdiction may write an answer to the complaint.
- (3) The complainant and the student

- (a) must be given the opportunity to appear and give evidence at a summary jurisdiction meeting with the relevant authority
 - (b) may be required to attend, at the authority's discretion
 - (c) may be accompanied at the meeting by any other person to act as an adviser or support person, subject to any conditions that the authority may impose.
- (4) Where an authority exercises summary jurisdiction, it determines whether the student has committed misconduct on
- (a) the evidence provided by the complainant and the student, and
 - (b) any other evidence, written or oral, that they may seek or accept at their discretion, provided that this evidence is disclosed to the student and they are given the opportunity to comment on it.
- (5) The authority may decide at any time to take no further action on a complaint of misconduct if, in their judgement
- (a) the evidence provided by the complainant is insufficient
 - (b) the subject matter of the complaint is trivial
 - (c) the complaint is frivolous, vexatious, or not made in good faith, or
 - (d) the complaint falls outside the scope of these regulations.
- (6) If, having investigated a complaint, an authority determines that a student has committed misconduct, they may take one or more of the following actions:
- (a) issue to the student a warning containing a statement of the possible consequences if the act or behaviour that provoked the complaint is repeated
 - (b) require an undertaking from the student as to future behaviour while enrolled at the University and set in place provisions for monitoring the student's behaviour in keeping with the undertaking
 - (c) require the student to provide any appropriate and available remedy to relieve distress, or repair damage, or correct a mistake
 - (d) require the student to make a public or private apology, either written or spoken
- in the case of summary jurisdiction exercised by the Director of Student Services, Associate Director Student Accommodation, Residential Life Manager or equivalent under section 13 of these regulations
- (e) require the student to pay, by a given date, a sum of up to the equivalent of one week's board or rent at the relevant University of Waikato student accommodation
 - (f) require the student to undertake community service work in the relevant University of Waikato student accommodation of whatever nature the authority thinks fit
 - (g) require the student to participate in a specified educational and/or training programme

related to the misconduct, in terms prescribed by the Director of Student Services, Associate Director Student Accommodation, Residential Life Manager or equivalent and within a prescribed period

- (h) impose an alcohol ban
- (i) impose a visitor ban
- (j) require the student to transfer to other University of Waikato student accommodation
- (k) exclude the student from the relevant University of Waikato student accommodation for up to one year
- (l) exclude the student from, or limit access to, a designated part or facility of the relevant University of Waikato student accommodation for up to one year.

in the case of summary jurisdiction exercised by the Chairperson of the Student Discipline Committee under section 14 of these regulations

- (m) require the student to pay, by a given date, compensation or a fine of up to \$500
- (n) arrange for the student to be formally reprimanded by the relevant Pro Vice-Chancellor, a Deputy Vice-Chancellor or the Senior Deputy Vice-Chancellor, either in person or in writing
- (o) suspend the student from attendance at any class or programme for up to one year
- (p) exclude the student from, or limit access to, any designated part or facility of the University for up to one year
- (q) if the misconduct is related to a particular paper or programme of the University,
 - (i) require the student to repeat or complete additional assessment
 - (ii) refuse or reduce credit for part or all of an individual item of assessment, or refuse credit for a paper as a whole
- (r) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Chairperson of the Student Discipline Committee and within a prescribed period
- (s) annotate the student's academic record accordingly, either permanently or for a period of time designated by the Chairperson of the Student Discipline Committee.

in the case of summary jurisdiction exercised by an Academic Delegate under section 15 of these regulations

- (t) require the student to repeat or complete additional assessment
- (u) refuse or reduce credit for part or all of an individual item of assessment
- (v) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the authority and within a prescribed period.

- (7) The authority must exercise their discretion in the matter as expeditiously as possible.
- (8) The authority is responsible for communicating the outcome of the complaint, in writing, to the complainant, the student answering the complaint, and the Chairperson of the Student Discipline Committee as expeditiously as possible.

23. **Tikanga Māori**

- (1) The spirit of tikanga is to seek resolutions to complaints in a Māori way that encourages a facilitated open exchange of views, in order to achieve a resolution that is agreed by all the parties involved.
- (2) A complaint may only be addressed through the Tikanga Māori process if
 - (a) the complainant
 - (b) the student answering the complaint
 - (c) the Chairperson of the Student Discipline Committee, and
 - (d) the Deputy Vice-Chancellor Māoriagree to the arrangements determined under subsection (3).
- (3) The Deputy Vice-Chancellor Māori is responsible for determining the arrangements for the Tikanga Māori process after discussion with the parties and for informing the parties of the nature and implications of the process.
- (4) If, at any time after having agreed to the agreements determined under subsection (3), the complainant or the student answering the complaint wishes to withdraw from the Tikanga Māori process, they may do so only with the agreement of all other parties listed under subsection (2); in such cases, the complaint will be referred back to the Chairperson of the Student Discipline Committee for reconsideration under section 14 of these regulations.
- (5) Under the Tikanga Māori process a resolution is negotiated by the complainant and the student answering the complaint.
- (6) The process is facilitated by the Deputy Vice-Chancellor Māori, assisted by a tikanga panel appointed by the Deputy Vice-Chancellor Māori
- (7) In negotiating a resolution under subsection (5), the complainant and the student answering the complaint are authorised to take any of the actions that are available under summary jurisdiction procedures, as provided under section 22 of these regulations.
- (8) A resolution negotiated by the complainant and the student answering the complaint is final; there is no right of appeal.
- (9) The Deputy Vice-Chancellor Māori is responsible for reporting the resolution negotiated under subsection (5), in writing, to the complainant, the student answering the complaint, and the Chairperson of the Student Discipline Committee as expeditiously as possible.
- (10) The Chairperson of the Student Discipline Committee is responsible for ensuring that all appropriate records relating to the outcome are maintained.

(11) Failure to comply with a resolution negotiated under this section is misconduct.

24. **Procedures of the Student Discipline Committee**

- (1) The Student Discipline Committee must convene as soon as is practicable to hear
 - (a) the evidence provided by the complainant and the student, and
 - (b) any other evidence, written or oral, that the Committee may seek or accept at its discretion, provided that this evidence is disclosed to the student and they are given the opportunity to comment on it.
- (2) Written notice of the time, date and place of the hearing of the Student Discipline Committee, together with full details of the substance of the complaint, must be sent to the student against whom the complaint has been made, at least 14 days before the date of the hearing.
- (3) The student who is the subject of the complaint may write an answer to the complaint.
- (4) Both the complainant and the student answering the complaint
 - (a) must be given the opportunity to appear and give evidence at the Student Discipline Committee hearing
 - (b) may be required to attend, at the Committee's discretion
 - (c) may be accompanied at the hearing by another person to act as an adviser or support person, subject to any conditions that the Student Discipline Committee may impose.
- (5) The Student Discipline Committee may decide at any time to take no further action on a complaint of misconduct if, in its judgement,
 - (a) the evidence provided by the complainant is insufficient
 - (b) the subject matter of the complaint is trivial
 - (c) the complaint is frivolous, vexatious, or not made in good faith, or
 - (d) the complaint falls outside the scope of these regulations.
- (6) If misconduct is substantiated, the Student Discipline Committee may take one or more of the following actions:
 - (a) issue to the student a warning containing a statement of the possible consequences if the act or behaviour that provoked the complaint is repeated
 - (b) require an undertaking from the student as to future behaviour while they remain enrolled at the University and set in place provisions for monitoring the student's behaviour in keeping with the undertaking
 - (c) require the student to provide any appropriate and available remedy to relieve distress, or repair damage, or correct a mistake
 - (d) require the student to make a public or private apology, either written or spoken
 - (e) require the student to pay, by a given date, compensation or a fine of up to \$1000

- (f) arrange for the student to be formally reprimanded by the relevant Pro Vice-Chancellor, a Deputy Vice-Chancellor or the Senior Deputy Vice-Chancellor, either in person or in writing
 - (g) suspend the student from attendance at any class or programme for up to one year
 - (h) exclude the student from, or limit access to, any designated part or facility of the University for a specified period of time or permanently
 - (i) cancel a student's enrolment at the University, as a whole or in respect of any paper or programme, for a specified period of time or permanently
 - (j) if the misconduct is related to a particular paper or programme of the University,
 - (i) require the student to repeat or complete additional assessment
 - (ii) refuse or reduce credit for part or all of an individual item of assessment, or refuse credit for a paper as a whole
 - (k) require the student to participate in a specified educational and/or training programme related to the misconduct, in terms prescribed by the Student Discipline Committee and within a prescribed period
 - (l) annotate the student's academic record accordingly, either permanently or for a period of time designated by the Chairperson of the Student Discipline Committee.
- (7) The Student Discipline Committee must exercise its jurisdiction in the matter as expeditiously as possible.
- (8) The outcome must be communicated to the complainant and the student as expeditiously as possible.
- (9) Failure to comply with a resolution negotiated or determined under this section is misconduct.
-

Part 4

Provisions for Appeal

25. Provision for appeal to the Director of Student Services

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Director of Student Services against any decision taken by the Associate Director Student Accommodation or Residential Life Manager or equivalent with authority for discipline in University of Waikato student accommodation under section 13 of these regulations.
- (2) An appeal must be addressed and submitted in writing to the Director of Student Services.

- (5) The Director of Student Services must hear the appeal as expeditiously as possible.
- (6) The appellant and the authority that made the original discipline decision
 - (a) must be given the opportunity to appear and give evidence at the appeal hearing
 - (b) may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Director of Student Services may impose.
- (7) Having heard an appeal, the Director of Student Services may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) require any appropriate and available remedy to settle the appeal.
- (8) The Director of Student Services may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (9) The outcome must be communicated to the appellant, the authority that made the original discipline decision and the Chairperson of the Student Discipline Committee as expeditiously as possible.
- (10) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (11) The decision of the Director of Student Services on an appeal is final.

26. **Provision for appeal to the Chairperson of the Student Discipline Committee**

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Chairperson of the Student Discipline Committee against any decision taken by
 - (a) the Pro Vice-Chancellor of Health, Engineering, Computing and Science under section 10 of these regulations
 - (b) the University Librarian under section 11 of these regulations
 - (c) the Director of Student Services under section 12 or section 13 of these regulations, unless it is an appeal decision under section 27 of these regulations, or
 - (d) an Academic Delegate under section 15 of these regulations.

- (2) An appeal must be addressed and submitted in writing to the Chairperson of the Student Discipline Committee, together with the prescribed fee; it must include a postal address and must be signed.
- (3) An appeal must be received by the Chairperson of the Student Discipline Committee not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.
- (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
- (5) The Chairperson of the Student Discipline Committee must hear the appeal as expeditiously as possible.
- (6) The appellant and the authority that made the original discipline decision
 - (a) must be given the opportunity to appear and give evidence at the appeal hearing
 - (b) may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Chairperson of the Student Discipline Committee may impose.
- (7) Having heard an appeal, the Chairperson of the Student Discipline Committee may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) require any appropriate and available remedy to settle the appeal.
- (8) The Chairperson of the Student Discipline Committee may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
- (9) The outcome must be communicated to the appellant and the authority that made the original discipline decision as expeditiously as possible.
- (10) Failure to comply with a resolution negotiated or determined under this section is misconduct.
- (11) The decision of the Chairperson of the Student Discipline Committee on an appeal is final.

27. Provision for appeal to the Student Discipline Appeals Committee

- (1) Any party to a complaint of student misconduct (the complainant or the student who was the subject of the complaint) may appeal to the Student Discipline Appeals Committee, a

committee of Council, against any decision made under these regulations

- (a) by the Vice-Chancellor under section 19 of these regulations
 - (b) by the Chairperson of the Student Discipline Committee under section 22 of these regulations
 - (c) by the Student Discipline Committee under section 24 of these regulations.
- (2) An appeal must be addressed and submitted in writing to the Secretary to the Student Discipline Appeals Committee, together with the prescribed fee; it must include an email address and must be signed.
 - (3) An appeal must be received by the Secretary to the Student Discipline Appeals Committee not more than 14 days after the date on which the relevant decision was formally notified, and must include details of the grounds for the appeal.
 - (4) An appeal may be made only on one or more of the following grounds:
 - (a) that the process used for addressing the alleged misconduct was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process and that could have a material effect on the outcome.
 - (5) The Student Discipline Appeals Committee must hear appeals as expeditiously as possible.
 - (6) The appellant must be given the opportunity to appear and give evidence at the appeal hearing and may be accompanied by another person to act as an adviser or support person, subject to any conditions that the Student Discipline Appeals Committee may impose.
 - (7) The other parties to the complaint, including the authority that made the original discipline decision, must also be given the opportunity to appear and give evidence.
 - (8) Having heard an appeal, the Student Discipline Appeals Committee may
 - (a) dismiss the appeal and uphold the original decision
 - (b) vary the decision with respect to the original complaint
 - (c) refer the complaint back to the authority that made the decision appealed against, for rehearing.
 - (9) The Student Discipline Appeals Committee may not impose a penalty that could not otherwise be imposed under these regulations by the authority that made the decision appealed against.
 - (10) The outcome must be communicated to the student and the other parties to the complaint, including the authority that made the original discipline decision, as expeditiously as possible.

- (11) Failure to comply with a resolution negotiated or determined under this section is misconduct.
 - (12) The decision of the Student Discipline Appeals Committee on an appeal is final.
 - (13) At the discretion of the Chairperson of the Student Discipline Appeals Committee, the fee for an appeal may be refunded, either in full or in part, if the appeal is decided in the appellant's favour.
-

Part 5

Reporting

28. Reports to the Academic Board

The Chairperson of the Student Discipline Committee must submit an annual report through the Education Committee to the Academic Board, including

- (a) an overview of summary jurisdiction decisions taken during the relevant year by the Chairperson of the Student Discipline Committee, Academic Delegates and any others who have exercised authority delegated by the Chairperson of the Student Discipline Committee
- (b) an overview of decisions through the Tikanga Māori process
- (c) an overview of decisions by the Student Discipline Committee
- (d) an overview of appeals heard by the Chairperson of the Student Discipline Committee or their delegate
- (e) an overview of student discipline matters, including any patterns or trends
- (f) a statement about the appropriateness and effectiveness of current regulations, policies and processes concerning student discipline, and
- (g) any recommendations with respect to current regulations, policies and processes concerning student discipline.

29. Reports to Council

The outcome of any appeal heard by the Student Discipline Appeals Committee must be reported to the next meeting of the Council.

30. Confidentiality

- (1) All processes and decisions under these regulations are confidential to the parties involved and to staff responsible for administering student discipline processes and maintaining students' academic records.
- (2) Relevant information may be made available to relevant Pro Vice-Chancellors, Heads of Schools, Deans and other staff responsible for student progress and for maintaining the University's academic standards and the integrity of its assessment processes.
- (3) Relevant information may be made available to relevant staff responsible for the placement of

students in work placements and practicums as part of a safety check (vetting) process.

Student Complaints Procedures

Preamble

Consistent with its commitment to excellence, the University has adopted these procedures to assist both students and staff in the resolution of student concerns and complaints constructively, quickly and fairly.

Where minor concerns arise, students are encouraged to take a common-sense approach and raise them directly with the relevant staff, paper convenor or Dean or Head of School or equivalent with the aim of resolving them at the lowest possible level and without undue formality. However, where informal discussions have not yielded a satisfactory resolution, or where the matter is more serious, the following procedures provide for a more formal process to be pursued.

Complaints considered through these procedures will be monitored and reviewed to enable the University to continually improve processes and services in support of student learning.

Student and staff rights and responsibilities in relation to these procedures are set out in the appendix.

Procedures

1. Definitions

In these procedures

complaint means a written statement submitted by a student about a matter that requires formal consideration by the University under the terms set out in these procedures

natural justice means the right to have a decision made by an unbiased decision-maker who observes fair and impartial procedures.

student means a person enrolled at the University of Waikato.

2. Application and scope

- (1) Subject to subsection (2), these procedures apply to complaints about any aspect of the teaching and learning process and the broad provision made by the University to support that process.
- (2) These procedures may not be used
 - (a) where the complaint can be dealt with under the [Higher Degree Appeals and Complaints Regulations](#), [Student Discipline Regulations](#) or the [Assessment Regulations](#) , or
 - (b) to challenge the academic judgement of examiners.
- (3) Depending on the nature of the complaint, these procedures should be read in conjunction with the [Staff Code of Conduct](#), the [Code of Student Conduct](#), and the [Education \(Pastoral Care of Tertiary and International Learners\) Code of Practice 2021](#) .
- (4) No action will be taken on complaints that are anonymous, frivolous, vexatious or not made in good faith.
- (5) A complainant must be able to demonstrate that the complaint is brought without malice and is based on evidence that the complainant honestly and reasonably believes to be substantially true. Those responsible for resolving complaints under these procedures must take all reasonable steps to ensure that the complainant is protected against any subsequent recrimination or victimisation.
- (6) Students and staff involved in the consideration of complaints have various rights and responsibilities, which are outlined in the appendix to these procedures.

3. Informal resolution of concerns

- (1) Before making formal written complaints, students are encouraged to seek a resolution to any concerns by raising and discussing them informally with the relevant staff member who is most directly associated with the matter.
- (2) A staff member with whom a concern is raised by a student is expected to deal with the matter in an open and professional manner and to take reasonable and prompt action to try to resolve it informally.
- (3) A student who is uncertain about how to seek informal resolution of a concern is encouraged to seek advice from the [Waikato Students' Union Student Support and Advocacy Service](#).

4. Formal complaints procedures

- (1) Where it has not been possible to resolve a concern informally, a student may make a formal complaint.
- (2) A student who wishes to make a formal complaint must submit it in writing, accompanied by evidence, through [My Waikato](#) addressed to the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent responsible for the area in which the action or matter that has given rise to the complaint occurred or, if requested to be considered under the Tikanga Māori procedure set out under section 5 of these procedures, to the Deputy Vice-Chancellor

Māori; if the complaint is about a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent, it must be submitted to the Senior Deputy Vice-Chancellor.

- (3) The written complaint must be submitted within three months of the occurrence of the action or matter that has given rise to the complaint unless the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent agrees to receive it beyond this timeframe.
- (4) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent who receives a student complaint must acknowledge it in writing as soon as practicable (normally within three working days). They must create and maintain a file of all documentation in relation to the consideration of the complaint.
- (5) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent must consider the complaint in accordance with the principles of natural justice and must ensure that all parties to the complaint are accorded the full benefit of those principles.
- (6) The process of consideration may include meetings with relevant staff, students and the complainant. Where meetings are held, the parties may, if they wish, be accompanied by a support person.
- (7) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may refer a matter to the Police if they believe that a crime has been committed and may suspend consideration of a complaint until such time as any associated Police matter has been concluded.

5. **Tikanga Māori**

- (1) The spirit of tikanga is to seek resolutions to complaints in a Māori way that encourages a facilitated open exchange of views in order to achieve a resolution that is agreed by all the parties involved.
- (2) A complaint may only be addressed through the Tikanga Māori process if
 - (a) the complainant, and
 - (b) the person answering the complaint, and
 - (c) the Deputy Vice-Chancellor Māoriagree to the arrangements determined under subsection (3).
- (3) The Deputy Vice-Chancellor Māori is responsible for determining the arrangements for the Tikanga Māori process after discussion with the parties and for informing the parties of the nature and implications of the process.
- (4) If, at any time after having agreed to the arrangements determined under subsection (3) the complainant or the person answering the complaint wish to withdraw from the Tikanga Māori process, they may do so only with the agreement of all other parties listed under subsection (2); in such cases, the complaint will be referred to the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent responsible for the area in which the action or matter that

has given rise to the complaint occurred; if the complaint is about a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent it will be referred to the Senior Deputy Vice-Chancellor.

- (5) Under the Tikanga Māori process a resolution is negotiated by the complainant and the person answering the complaint.
- (6) The process is facilitated by the Deputy Vice-Chancellor Māori, assisted by a tikanga panel appointed by the Deputy Vice-Chancellor Māori.
- (7) A resolution negotiated by the complainant and the person answering the complaint is final; there is no right of appeal.
- (8) Section 6, subsections (1) and (2) and section 7 of these procedures do not apply to complaints addressed under the Tikanga Māori process.

6. Resolution of complaints

- (1) The Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent must make a decision in relation to the complaint and notify their decision to the parties, in writing, as soon as practicable (normally within 28 days of receiving the complaint).
- (2) When the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent notifies the parties of their decision they must include information on the relevant provision for appeal.
- (3) If the complaint involves a University process or service and if, in the opinion of the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent the complaint has substance, the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may arrange for the relevant process or service to be reviewed with a view to preventing a recurrence and ensuring continued improvement.
- (4) If the complaint involves a breach of the [Staff Code of Conduct](#) and if, in the opinion of the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent the complaint has substance, the Senior Deputy Vice-Chancellor, Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent may refer the matter to the Director of People and Capability for consideration of formal disciplinary action.

7. Appeals

- (1) A complainant or a person who was the subject of a complaint may appeal to the Senior Deputy Vice-Chancellor against any decision taken by a Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent under section 6 of these procedures.
- (2) If the original complaint was addressed to the Senior Deputy Vice-Chancellor under section 4(2) of these procedures, any appeal of that decision must be made to the Vice-Chancellor. That appeal will be considered and decided by the Vice-Chancellor or their nominee in accordance with appeal processes consistent with these procedures.
- (3) An appeal may only be made on one or more of the following grounds:

- (a) that the process used for addressing the complaint was unfair
 - (b) that the decision reached was manifestly at odds with the evidence
 - (c) that the remedy imposed was manifestly at odds with the misconduct
 - (d) that significant new evidence has become available that could not reasonably have been obtained and presented during the initial process that could have had a material effect on the outcome.
- (4) The appeal must be submitted in writing within 28 days of the date of the letter notifying the decision.
- (5) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will consider the relevant documentation and evidence and may, at their discretion, consult the Pro Vice-Chancellor, Deputy Vice-Chancellor, Director or equivalent who made the decision. The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee may also interview any parties to the complaint.
- (6) If they determine that the complaint process has been conducted in accordance with these procedures and the outcome is appropriate, the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee may dismiss the appeal. Subject to subsections (8) and (9), the decision of the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee under this section is final.
- (7) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will notify their appeal decision in writing to the parties as soon as practicable.
- (8) When they notify the parties of the appeal decision, the Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will inform the parties of the [Ombudsman's](#) role in relation to complaints about government organisations (including universities) that affect people in their personal capacities, the [New Zealand Qualifications Authority's](#) grievance procedures available to students under the [Education \(Pastoral Care of Tertiary and International Learners\) Code of Practice 2021](#) , and the [iStudent Complaints](#) financial or contractual dispute resolution service available to international students as relevant.
- (9) The Senior Deputy Vice-Chancellor or the Vice-Chancellor or their nominee will inform any staff member who is dissatisfied with a student complaint process of the steps available to them under the University's [Procedure for Resolving Employment Relationship Problems and Personal Grievances](#).

8. Confidentiality

All processes and decisions under these procedures are confidential to the parties and staff directly involved.

Appendix

- (10) Reference only items are for use in the Library.
- (11) Physical library items are for use in New Zealand only.

8. Recall notices and fines

- (1) All items are subject to recall at any time and must be returned to the Library by the due date shown on the recall notice. Overdue recall fines will accrue each day the item is not returned. Other disciplinary action may also be taken against a student who fails to return an item ten days after the recall notice was first sent.
- (2) High Demand items accrue hourly overdue fines.
- (3) Any item not returned within six weeks of this date will be regarded as lost and will be invoiced for, this will include the cost of the item, together with the fines incurred and an administrative charge. This administrative charge will be made whether or not the book is subsequently found or returned.
- (4) The status of loans and fines is available on the Library's website via 'My Account'.
- (5) Where fines or invoices remain unpaid, the penalties for non-payment, as set out in

the [Regulations Governing Payment of Fees and Charges](#) in the University of Waikato Calendar, will be applied.

9. **Electronic resources**

- (1) Electronic resources (e-resources) made available by the Library may be accessed only by current staff and students of the University of Waikato.
- (2) Electronic resources may be used only for the purposes of research, teaching or private study.
- (3) Most electronic resources are subject to Licences signed by the Library on behalf of the University.

10. **Inter-library loan**

An item requested from another library on inter-library loan is subject to conditions as may be imposed by the lending library. Any staff or student not complying with these will have the privilege of using this service withdrawn.

11. **Conduct**

- (1) Quiet areas and study spaces are provided. Please be considerate to others.
- (2) Verbal abuse or rude behaviour towards Library staff or other Library users will not be tolerated.
- (3) The security of personal belongings whilst in the Library is that of the owner.
- (4) Misuse of, or damage to any library resource, item of furniture or equipment belonging to the Library will not be tolerated. Such conduct is regarded as a serious offence, and further action may be taken.

12. **Fees, fines and administration costs**

The fees, fines and administration costs of the Library will be regularly reviewed and published annually in the [Table of Fees and Charges](#) section of the University of Waikato Calendar.

Parking and Traffic Regulations

1. Title

These are the Parking and Traffic Regulations 2019.

2. Date of effect

These regulations are effective from 5 November 2019.

3. Definitions

In these regulations

campus means the grounds and buildings occupied by the University of Waikato in Hamilton and Tauranga, including the halls of residence

mobility aid means a wheelchair or other mobility assistance device used by people with disabilities; these are not considered to be vehicles or personal transport devices and may be used anywhere on campus provided that such use is undertaken with due regard for others

parking attendant means any staff member authorised by the Campus Security and Emergency Manager to enforce these regulations

personal transport device means an unpowered or low powered transport device intended for one person, including but not limited to Segways, scooters (including electric scooters), bicycles (including electric bicycles), unicycles (including electric unicycles) and skateboards (including electric skateboards)

vehicle means a form of transport for people or goods, including but not limited to motor vehicles (including electric vehicles and hybrids), motor cycles and personal transport devices, and excluding mobility aids.

4. Application

These regulations apply to the driving, riding and parking of vehicles and bicycles on campus by staff, students and members of the public. Authorised drivers of University of Waikato vehicles

and rental vehicles are also referred to the [Vehicle Use Policy](#).

5. Access and Safety

- (1) Prime access to buildings and other facilities is reserved for pedestrians and people with mobility-related impairments. Vehicle users are therefore not permitted to ride on access-ways that are signposted or recognised as access-ways for pedestrian and mobility traffic.
- (2) On shared pedestrian/vehicle access-ways, vehicle users must not exceed 15km/hr and must give priority and right of way to pedestrian and mobility traffic.
- (3) Users of commercially operated electric vehicles must operate the vehicle according to the safety recommendations and rules of operation provided by the electric vehicle provider.
- (4) Vehicle users must drive and ride safely at all times. They must obey all traffic and parking signs and markings. They must also comply with any directions given by parking attendants.
- (5) Except with the approval of a parking attendant, no person other than an authorised driver of a University service vehicle may drive, ride or park over a grassed area.

6. Parking and Storage

- (1) While the University makes reasonable provision for vehicle parking, it is under no obligation to make provision for the vehicles of all those wishing to park on campus.
- (2) The University charges for parking on campus. Current charges are published on the [University website](#) and payment machines.
- (3) Motorcycles and motor scooters may be parked only in the areas signposted for motorcycles and motor scooters.
- (4) Bicycles and electric bicycles may be parked only in cycle-racks or purpose-built cycle sheds, and must not be taken into any University building.
- (5) Commercially operated electric scooters may be parked only in the areas signposted for electric scooters and must not be taken into any University building, including the halls of residence.
- (6) The charging of commercially operated electric scooters and electric bicycles on campus is not permitted.
- (7) There are two charging stations available for staff and visitors at the Hamilton campus to charge electric vehicles for up to two hours. The charging stations may be booked via the Unisafe Office: parking@waikato.ac.nz .
- (8) Vehicles owned by current University of Waikato staff and displaying a University parking permit may be parked in signposted 'Permit Holders Only' areas. Otherwise, vehicles may be parked only in 'General Parking' areas.
- (9) All vehicles parked on campus must be parked in marked bays.
- (10) No person may park a vehicle in the same parking bay for longer than 48 hours without prior permission from a parking attendant.

(11) A numbered car park is a reserved parking space and may be used only by the person who displays the corresponding numbered parking permit.

7. **Parking for people with mobility-related impairments**

Accessible parking spaces (outlined in yellow and displaying the wheelchair symbol) are provided for use by people with mobility-related impairments. These parking spaces may be used only by holders of Operation Mobility permits issued by the CCS Disability Action or Temporary Mobility Parking Permits issued by the University's Accessibility Services (located in the Student Centre) or the Health and Safety Coordinator.

8. **Visitor parking**

A small number of limited-time parking spaces, including accessible parking spaces for people with mobility-related impairments, are provided on campus free of charge for visitors; these parking spaces must not be used by staff or students.

9. **Authority of parking attendants and the Campus Security and Emergency Manager**

- (1) A person who, in relation to a parking or traffic matter, is requested by a parking attendant to provide their name or address must do so honestly and within the requested timeframe.
- (2) Parking attendants have authority to issue infringement notices to people who breach these regulations and to immobilise their vehicles. A vehicle that has been immobilised will be released only on payment of the fee prescribed in the infringement notice.
- (3) Parking attendants have authority to impose a penalty charge on any person who removes or otherwise interferes with immobilisation equipment.
- (4) If a vehicle is parked in a manner that is dangerous or obstructs access, the Campus Security and Emergency Manager has authority to arrange for that vehicle to be towed away by a licensed vehicle recovery operator; the cost of retrieving a towed vehicle falls to the owner of the vehicle.

10. **Breaches**

- (1) breach of this policy by a student may result in disciplinary action under the [Code of Student Conduct](#).
- (2) A breach of these regulations by a staff member may result in disciplinary action under the [Staff Code of Conduct](#).

11. **Appeals**

- (1) A person may appeal against any decision under these regulations
 - (a) if the decision was made by a parking attendant, to the Campus Security and Emergency Manager
 - (b) if the decision was made by the Campus Security and Emergency Manager, to the Chief Operating Officer.

- (2) An appeal under these regulations must be submitted in writing within 14 days of the date of the decision.
- (3) A decision by the Campus Security and Emergency Manager or the Chief Operating Officer under subsection (1) is final.

The University Library

The University of Waikato has two libraries on its Hamilton campus and one in Tauranga.

The Hamilton Campus Library (including the Law Library) is located in the Student Centre, Te Manawa, in the heart of the Hamilton campus. The Teaching Resources Library is located in Building TL in the Division of Education. The Tauranga Library is in the Tauranga CBD Campus building.

The Hamilton Campus Library serves the teaching, learning and research needs of all students and staff and the Teaching Resources Library provides books and other resources to assist in preparation and planning for teaching in primary and secondary schools and early childhood centres.

The Tauranga Campus Library supports courses delivered in Tauranga. There is a small dynamic, high-demand, collection of books, supported by the full range of our e-resource collections. Students at Tauranga have easy access to Library support services, all eResources and material held on the Hamilton Campus via distance services.

The Library also offers support for Waikato courses taught at partner institutions.

Tours and essential tutorials are offered intensively during the first few weeks of each trimester and throughout the year.

The Library supports teaching and learning. It assists its users to acquire the skills to help them navigate print and online information sources and to locate, evaluate and use information relevant to their needs in the most effective way.

The Library contributes to the University's research programme by making available online and print resources and by the provision of research and researcher support services.

Library services, collections and resources include:

- An extensive range of online, print and multi-media resources
- O Neherā Library Digital Collections
- Access to in-person and online help services
- A wide range of research skills development workshops
- In-depth individual research consultations for post-graduates and academic staff
- Support for PBRF (Performance Based Research Funding) activities
- Research Commons (the Institutional Repository)
- Computers, wi-fi, laptops, photocopiers, scanners and printers
- Places to study and work individually or in groups

For more information, please visit the Library website: www.waikato.ac.nz/library.

Information and Technology Services

Information and Technology Services (ITS) is responsible for the coordination of information and communications technology (ICT) planning for the University, the delivery of robust, reliable core ICT infrastructure and enterprise systems, and the provision of professional ICT consultancy and customer focused support services.

The ICT vision is “To engage, enable, innovate and protect our ICT services, and empower the University of Waikato to leverage the value of ICT to achieve its strategic goals”.

ICT support is available to University staff and students engaged in teaching, learning and research. This support is accessible during business hours through in person, phone and email channels from the ITS Service Desk and the ICT support teams servicing the Student Centre and divisions. Online ICT support is also accessible via the ICT Self Help webpages.

Specialist ICT teams also support business operations, organisational ICT projects and research initiatives.

Student Services

Halls of Residence

The Accommodation Services Office assists and processes the applications to each of the University's four Hamilton-based Halls of Residence: Bryant Hall, College Hall, Student Village and Orchard Park. Orchard Park includes a series of cottages that offer self-catering facilities, studio rooms with ensuites and the self-contained Silverdale apartments. The other Halls are largely fully-catered facilities that provide three meals a day. In addition, the Office also assists and processes applications for the University's Tauranga-based self-catered Selwyn Street Studio accommodation.

More information about the Halls and off-campus accommodation options can be found at: www.waikato.ac.nz/study/apply/accommodation, or by contacting the Accommodation Services Office on +64 7 838 4084, or by email at accom@waikato.ac.nz.

All applications are made online, with the first round of offers being on or close to 1 October each year for accommodation the following year. Applications can be submitted after this date and places will be offered subject to availability. Residence is normally for the duration of the academic year. Any student who wishes to return to the Halls for a second year, would need to re-apply. All students are required to pay a contingency deposit at the time of acceptance, and this is refunded, less any charges, at the end of the academic year.

International Student Support

The International Student Services team provides support for international students in all aspects of their achievement and personal growth. This begins with a comprehensive orientation programme for all new international students. Pastoral care is delivered to support international student wellbeing, to facilitate access to University services across campus, and to ensure that appropriate off-campus support is in place when required. Students on New Zealand Scholarships and other international

scholarships are also assisted by International Student Services. Each trimester, a range of trips around the Waikato and Bay of Plenty region and various events on campus are facilitated by the International Student Services team. Waikato Students' Union (WSU)

The Waikato Students' Union is the voice of the student body on campus. The organisation is governed by a group of democratically elected students who listen, speak and act passionately on behalf of students, and have done for over 40 years. The WSU provides support services and consultation for students, clubs, and class reps. They create full weekly student experience programmes - from regular barbecues through to O'Week festivities - and provide an unfiltered platform for student voice through the multi-award-winning Nexus magazine.

Student Support

The WSU has a few key ways in which they support students at the University of Waikato:

Student Engagement

The Student Engagement team manages a network of over 85 rōpū, clubs, and societies as part of the WSU's commitment to an active campus. That network features clubs from every aspect of the University environment. Archetypal clubs such as debating and mooted societies are now joined by gaming clubs, cultural societies, casual hiking clubs, and a range of religious groups. If students can't find a club that fits them, the WSU Student Engagement team is always available to guide them through the process of making their own.

Student Advocacy

Whether it's tenancy, academic or hardship issues, the WSU provide a free, confidential, "no judgement" advocacy service to ensure students are aware of their rights, processes, and know that someone will always have their back. With a comprehensive list of support partners, including Community Law Waikato and Hamilton Budgeting Advisory Trust, WSU Student Advocacy ensures you get the best advice from the right people.

Student Voice

When the WSU was founded, it was based on the principle of ensuring the student voice was heard, and nearly 50 years later, that still remains their driving principle. With a 12-member board comprised entirely of students, including an elected President on the University Council, a dedicated Vice-President Māori, and a new Tauranga and Pacific director, the WSU ensures your voice matters. The Student Voice team assist in the training of class reps and provide a support service called Reo Taurira, carrying out regular consultations on campus issues and working proactively with the University to provide student-focused solutions. With the WSU we are here to ensure your voice is heard.

Student Experience

The WSU has always felt that the University experience should be more than just academics. They have a dedicated Student Experience team providing daily activities on campus, managing student spaces, and cooking free food. The last few years have also seen them develop inter-divisional competitions, expand Orientation and Reorientation weeks, as well as develop programmes for wellness and mental health awareness.

NEXUS

At the heart of the student experience is Nexus. A student magazine that provides its readers with an editorial resource to discover and challenge ideas about news, music, politics, arts, technology, and general student life. Nexus strives to encompass and reflect student culture in all its diversity.

They're constantly on the lookout for writers, artists, creatives, and media enthusiasts. If you're keen to get involved, simply email: editor@nexusmag.co.nz.  For more information visit the Ground Floor of the Students' Union Building (SUB) between 9am to 4pm (Monday to Friday), visit the WSU website: wsu.org.nz, or email wsu@wsu.org.nz .

Institute of Professional Learning: Te Whai Toi Tāngata (IPL)

The Institute of Professional Learning (IPL) in the Division of Education provides professional learning and development in the broad field of education, both nationally and internationally. This involves both short and long term programmes in areas such as educational leadership, coaching and mentoring, curriculum development, assessment and evaluation, information technology and eLearning, adult education, pedagogy, and policy development. It offers professional learning and development from early childhood education, through the compulsory education sector and into the tertiary level sector.

The Institute engages in the delivery of the 'content' of professional learning but is also concerned with the 'practice' of professional learning. Its work connects professional practice to research and qualifications. A significant portion of the Institute's activities involves partnerships with iwi and other educational providers and programmes are offered in both English and te reo Māori.

The Institute's international linkages are focused in three main areas:

- Work with Ministries of Education from different countries, mainly in the Asia/Pacific region at present, to offer teacher professional development either in-country, or with key staff coming to the Institute.
- Work with academic staff from other Universities, again mainly in the Asia/Pacific region to provide professional learning around tertiary teaching in English and best practice in tertiary teaching pedagogy.
- International research linkages such as those built around the research focused on developing leadership capacity in the education sector.

Much of this work involves staff from across the University where specific content knowledge is

provided by faculties, and coordination and professional practice input is provided by the IPL.

Our people have a wealth of expertise in areas ranging from innovation to economic impact analysis. We work with industry, government agencies and other organisations to enhance productivity and contribute to sustainable business. We aspire to develop and deliver industry-driven research projects assuring quality outcomes and transfer of knowledge in an effective and appropriate manner; develop collaboration with existing local, national and international partners. Our efforts actively explore opportunities to further align our business practices with societal needs and expectations, helping to drive long-term sustainability and shareholder value; seek out and support effective collaborations and partnerships with agencies, institutions and industry in the Waikato Region; promote academic research to further strengthen the Region and pursue publication in high quality journals. The Institute's current strengths relate to agribusiness and particularly supply chains, financial analysis and business performance, business impact analysis, innovation and the business of health.

NZIBR currently has three research units:

- Responsible and Sustainable Management
- Enterprise Innovation
- Leadership

Te Mata Punenga o Te Kotahi: Te Kotahi Research Institute (TKRI)

The Institute is named for Sir Robert Te Kotahi Mahuta the founding Director of the Centre of Māori Studies research at the University of Waikato in 1972. Te Kotahi Research Institute will work with iwi, drawing on matauranga Māori and multi-disciplines, to create new knowledge and innovations that will inspire our people and communities and lead to the well-being of our whānau, and society.

Te Kotahi is an inter-disciplinary research institute that offers research, consultancy and capacity building services, including post-graduate supervision. We collaborate with researchers from within the University of Waikato, other universities, Crown Research Institutes, Whare Wānanga and Māori organisations.

The Institute aims to:

- Undertake research that will accelerate development and lead to social, economic, environmental and cultural well-being
- Apply matauranga Māori, and diverse Māori perspectives, to disciplinary knowledge in order to develop innovative research approaches
- Build strong iwi-university research collaborations drawing especially on the iwi of Te Ropu Manukura
- Work with the Waikato-Tainui Endowed College to enhance research collaborations with Waikato-Tainui and the Kīngitanga
- Build a vibrant research community that attracts postgraduate students, international scholars, university researchers and community leaders
- Grow new research leaders who can work across disciplines and with communities

Translate knowledge into iwi, regional and national policy and practice outcomes

Te Ngira: Institute for Population Research

Te Ngira: Institute for Population Research links together a virtual and evolving community of national and international researchers whose research focus is the interaction of demographic, social and economic processes. Initially founded through collaboration between the University of Waikato's Population Studies Centre, Waikato Management School, and Wellington-based Motu Economic and Public Policy Research Trust, the Institute's primary goal is to help inform choices and responses to the demographic, social and economic interactions that are shaping New Zealand's future. Reflecting this objective, Te Ngira's research programme comprises five interconnected themes, and is supported and sustained by a strong capacity-building programme which spans local, national and international workshops, seminars, and postgraduate supervision:

- New Zealand 2050 (A structurally ageing New Zealand)
- New Zealand's regions and communities (A regionally diverse New Zealand)
- New Zealand's individuals, families and households (A socially informed New Zealand)
- Te papa one te tū mai nei (Māori and Indigenous futures)
- New Zealand's oceanic and global context (A globally engaged New Zealand)
- Te Ngira Demographic Laboratory (A statistically numerate New Zealand)

Te Puna Haumaru New Zealand Institute for Security and Crime Science

The Institute for Security and Crime Science incorporates four interlinked components; theories in Crime Science, modelling and analysis of data on crime and security issues in New Zealand, the use of computer science to assist evidence-based Police work, and research in psychology relevant to criminal behaviour and Police processes (such as taking evidence from witnesses).

The first outcome of the Institute has been the development of a new masters programme. The Master of Security and Crime Science (MSCS) is the first qualification of its kind in New Zealand and is targeted at current and future law enforcement and security practitioners, and has the support of the NZ Police.

Wilf Malcolm Institute of Educational Research (WMIER)

The Wilf Malcolm Institute of Educational Research was established by the University to undertake, support and disseminate research relating to the broad field of education. The Institute provides collaborative and innovative education research spanning from the early years of childhood, through to primary, secondary and the tertiary years. This research may be subject specific or cross curriculum involving interdisciplinary research teams. The research includes, but is not limited to, learning, teaching and assessment, curriculum, digital learning, engineering education, Māori education, literacy and numeracy, sports exercise and science, transitions, threshold concepts, university-school partnerships and education policy.

The Institute produces high quality, cost effective education research that is targeted at solving the real challenges that face education today. The research teams within the Institute have experience, depth in research capability and a history of successful research projects and reputable publications, that all contribute to the research excellence that WMIER provides. It is known for its local studies in classroom research and cross-divisional studies in tertiary pedagogy and curriculum. Policy evaluations, critiques and reviews are encouraged, as are studies from national and international perspectives.

Each year the Institute hosts a number of international and national visitors who contribute to its intellectual life through collaboration with staff and students. National and local conferences, symposiums and seminars are organised by the Institute to inform the academic and professional communities of research undertaken, and to promote knowledge transfer and debate. The Institute is host to the following Centres/Units: Assessment Across the Years (ARAY) Unit, The Early Years Research Centre, the Waikato Engineering Education Research Unit, the Unit for Postgraduate Research, the Waikato Picturebook Research Unit and the Video-Visual Research Group.

Ahuora Centre for Smart Energy Systems

Our vision is a net-zero-carbon industrial processing sector, *Ahuora*, enabled through new-levels of energy systems integration and adaptive digital twin technology.

We are actively engaged in research that endeavours to harness the full potential of energy using a holistic whole-of-problem approach. Examples include:

- Advanced process integration and optimisation
- Digital twin technology and Industry 4.0
- Clean bioenergy production and industrial symbiosis
- Integrated and novel thermodynamic cycles
- Macro-energy sector planning and integration

International Centre for Terrestrial Antarctic Research (ICTAR)

The primary mission of the International Centre for Terrestrial Antarctic Research is to promote the protection of Antarctica through integrated international research into Antarctic terrestrial ecosystems, assuring New Zealand's continued leadership in this area. ICTAR aims to provide the science that will underpin the conservation, protection, and management of terrestrial ecosystems of the Ross Sea region. Its innovative interdisciplinary approach will help elucidate the status of the present biodiversity, and to predict the effects of multiple impacts on ecosystems. The Centre will interact closely with end-users, in particular government agencies, to identify and protect the present biodiversity of the Ross Sea region, to confidently assist in the management of environmental impacts, such as climate change, and to be able to do this in the highest international forums. The interdisciplinary nature of the Centre draws in current and prospective research talent from both the Division of Health, Engineering, Computing and Science and the Division of Arts, Law, Psychology and Social Sciences (Geography). The Centre includes primary collaborators from Gateway Antarctica and the University of Canterbury, as well as researchers from more than nine countries.

Cyber Security Research Group (CROW)

The Cyber Security Researchers of Waikato (CROW) aims to return control of data-to-data owners, by focusing on research addressing data security from a user-centric perspective. With the emergence of cloud computing technologies and prevalent mobile device usage, we are witnessing the diminishing effectiveness of traditional cyber security approaches such as perimeter defence, intrusion detection and infrastructure hardening. To address this, CROW focuses on six major themes: Provenance, User-Centricity, Visualisation, Economics, Hardware, and Tools and Datasets. Together, these six themes empowers the return of control of data to users, thereby reducing reliance on third-party vendors or trust relationships commonly found in most cyber security contracts today.

Formal Methods Group

Established in 1998, this is the first Formal Methods laboratory in New Zealand. The work that goes on in this lab is based on the view that programming is at the heart of computer science. It is also based on the view that, as engineers and scientists, we should use the machinery of mathematics to model and reason about the systems that we build before we build them. This is in contrast with the view that programs should be written by trial and error (usually at great expense and with a high likelihood of failure, judged by current experience) with our users ironing out our mistakes for us at their expense. To this end, we are developing languages and tools for modelling systems, for reasoning about those models and for transforming them into code in a way that is guaranteed to preserve meaning and correctness. We do not want to build software that usually works – we want software that always works, and in the way intended by the requirements.

Transport Research Group (TRG)

Transport affects many aspects of everyday life. In the multi-disciplinary Transport Research Group at the University of Waikato, we are interested in how:

- Transport fosters a strong and sustainable economy;
- Transport can be maintained in a way that supports healthy environments;
- Drivers might respond to changes in vehicle technology; and
- Research findings might inform decision-making in government and industry.

We explore a wide range of different questions in our studies, such as:

- What are public perceptions of connected and autonomous vehicle technologies?
- What policy issues are barriers to more widespread uptake of electric vehicles?
- What are the differences between the ways engineers and the road-using public understand risk?
- How does infrastructure investment in ports contribute to economic development and welfare?
- How can in-vehicle cyber-security help people to access more of their own information about their mobility?

Waikato Gender Research Network (WGRN)

The Waikato Gender Research Network is a cross-discipline collective of staff and students within the University of Waikato who have shared research interests in gender related issues. We have members from a range of programmes, divisions, departments, schools and faculties. What unites us is a commitment to considering issues such as gender, sexuality, race, class, identities, feminism, difference, exclusion, and social justice.

The group, through meetings, workshops, seminars and other events, aims to provide opportunities and support for those undertaking projects concerned with these issues.

For more information, visit the website: <https://www.waikato.ac.nz/wgrn/>.

Waikato Public Law & Policy Research Unit

Te Piringa – Faculty of Law at the University of Waikato has an established tradition of outstanding scholarship in Public Law and Policy as demonstrated by the contributions of the Faculty’s founding Dean, Professor Margaret Wilson, and Professor Sir Grant Hammond. Today a significant number of Faculty members continue to have research interests in these fields focused on the Faculty’s founding principles of professionalism, biculturalism, and the study of law in context. Current work in the Faculty covers a wide range of common law jurisdictions, in addition to New Zealand and Pacific Island states, and extends from constitutional and administrative law and theory to giving effect to the principles of the Treaty of Waitangi and Māori and Indigenous governance. The Public Law & Policy Research Unit promotes the widest conception of Public Law and Policy, encompassing administrative law, charity and the regulation of civil society, constitutional law, criminal law and justice, and international law. It was established to fill a clear gap in the interrogation of these policy research areas in an integrated and holistic way.

For more information visit the website: <https://www.waikato.ac.nz/law/research/waikato-public-law-and-policy-research-unit>.

Waikato Radiocarbon Dating Laboratory

The Waikato Radiocarbon Dating Laboratory is a national radiocarbon research facility undertaking both Accelerator Mass Spectrometry Dating (AMS) and standard radiometric radiocarbon dating. For more than 30 years we have been providing radiocarbon assays for scientists and researchers from around the world and have been at the forefront of ground-breaking research into the technique and its application. Staff in the unit are actively involved in palaeoclimate and archaeological research and have a leading role in international calibration programmes. The facilities of the Waikato Radiocarbon Dating Laboratory are also available for external contract work.

Analytical Chemistry Services

The Division of Health, Engineering, Computing and Science (HECS) offers a variety of analytical chemistry services to external agencies. Facilities include: atomic absorption, infrared, ultra-violet, fluorescence, Raman and nuclear magnetic resonance (NMR) spectroscopy for both solution and solid-state including multi nuclear NMR; differential scanning calorimetry, particle sizing, and X-ray powder and single crystal diffraction. Gas chromatography with FID detection (GC-FID) and with mass spectrometric detection (GC-MS) and high performance liquid chromatography (HPLC) and ion chromatography are available as is an FTIR microscope. Further mass spectrometry options are available through the Waikato Mass Spectrometry Facility and natural abundance stable isotope and radiocarbon facilities are available within the School of Science and the School of Engineering (see below). The School of Science also has equipment and expertise for sampling, analysis and geochemical/environmental interpretation of waters and sediments. A custom solution preparation service is offered.

Regulations for Conjoint Degrees

1. The [Personal Programmes of Study Regulations](#) apply in these regulations.

Admission

2. Every candidate must have met the admission requirements of each of the component degrees and be approved by the Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies to enrol in the conjoint qualification.
3. Admission may be at initial enrolment, except where noted below, or after the candidate has passed or been credited with papers towards either component degree, but the candidate must not have been awarded either of the component degrees. The following exceptions apply:
 - (1) Candidates cannot enrol in the LLB(Hons) conjoint component at initial enrolment but are eligible to be considered for admission on successful completion of the Honours admission requirements.
 - (2) Candidates cannot enrol in the TTR conjoint component at initial enrolment but are eligible to be considered for admission on completion of their first 120 points towards the TTR with a grade average of B- or higher.
4. No candidate will be admitted into a conjoint programme consisting of both a TTR and BTchg component.

Requirements for the Degree

5. Candidates must enrol in a Division or the Faculty of Māori and Indigenous Studies and follow an approved programme of study.
6. Candidates must complete the requirements of each component degree, as specified in the relevant [qualification regulations](#).

7. Candidates must enrol in at least one paper for each of the component degrees each year, unless the requirements of one component degree have already been completed.
8. Each paper must be taken towards one component degree.
9. Only when all of the requirements of both component degrees have been satisfied may the two degrees be awarded.
10. Graduates of a conjoint degree programme may not cross-credit any of the papers contributing to the component degrees towards another University of Waikato qualification. Candidates enrolling in a conjoint degree programme will not be eligible to credit papers from a completed bachelors degree, graduate diploma or postgraduate diploma.

Variations

11. The Pro Vice-Chancellor of the relevant Division or the Dean of the Faculty of Māori and Indigenous Studies or delegated authorities may vary or waive these regulations in individual cases.
12. Subject to approval being granted under clause 11, candidates may include up to 75 points from outside the field of that degree taken in partnership and as part of a conjoint with a Bachelor of Teaching (BTchg) or Te Ara Poutama Toitū Te Reo (TTR).

Notes:

1. *The range of degrees that may be taken in partnership with the Professional degrees without additional papers being required may be limited.*
2. *Not all conjoint combinations will be available in 2023.*

Regulations for the Degree of Bachelor of Engineering with Honours (BE(Hons))

1. The [Personal Programmes of Study Regulations](#) apply in these regulations.

Admission

2. Candidates for the Degree must have qualified for admission to the University of Waikato and met any criteria set out in the [Criteria for Admission to Particular Qualifications](#). Candidates should indicate by the mid-point of their second-year studies whether they wish to add Certificate in Professional Engineering Practice (Cert(PEngPrac) or the Diploma of Engineering Management (DipEM) to their studies, or intend to continue in the BE(Hons) alone.

Requirements for the Degree

3. The normal minimum period of enrolment for completion of the Degree is four years. If taking the DipEM concurrently, it may be possible for students to complete over the summer of their fourth year of study.
4. Candidates must enrol in the Division of Health, Engineering, Computing and Science and follow an approved programme of study.
5. Candidates must gain at least 480 points at 100, 200, 300, and 500 level, with at least 360 points above 100 level and at least 120 points at 500 level.
6. Candidates must complete the requirements of a specified programme.
 - (a) Software Engineering
 - (b) Chemical and Biological Engineering
Civil Engineering
Electrical and Electronic Engineering

Environmental Engineering
Materials and Process Engineering
Mechanical Engineering
Mechatronics Engineering

7. To complete the requirements of a specified programme, candidates must pass the papers prescribed for that programme in the relevant subject entry in the University of Waikato [Catalogue of Papers](#).
8. Candidates must also satisfy the Pro Vice-Chancellor of the Division that they have completed a minimum of 800 hours of industrial experience relevant to their specified programme. This may be achieved within the BE(Hons), using zero-point placement papers, or by concurrent enrolment in the Cert(PEngPrac) or DipEM. Completed zero-point placements from the BE(Hons) cannot be credited towards the Cert(PEngPrac) or DipEM if a student subsequently enrolls in that qualification.

Award of Honours

9. The Degree may be awarded with
 - (a) First Class Honours, or
 - (b) Second Class Honours (first division), or
 - (c) Second Class Honours (second division), or
 - (d) Third Class Honours.
10. If awarded, the level of honours will be determined on the basis of the candidates' grades in the papers in Year 3 and 4 of the Engineering programme.

Conjoint component requirements

11. For purposes of IPENZ accreditation the total points that must be achieved for the BE(Hons) component of a conjoint qualification will normally be 480 points, however the points requirement may be reduced depending on the second degree taken for the conjoint qualifications. If reduced, candidates must gain a minimum of 405 points at 100, 200, 300, 400 and 500 levels including at least 315 points above 100 level, 210 points above 200 level and 105 points above 300 level. Master of Philosophy (MPhil)

The regulations below set down the requirements for the award of the degree of Master of Philosophy (MPhil).

Formal policies and procedures related to enrolment and examination for the degree, along with information about administrative matters, are available from [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Master of Philosophy (MPhil)

Date of effect

1. These regulations are effective from 28 July 2021

Requirements for the Degree

2. The degree of Master of Philosophy (MPhil) is awarded to candidates who have successfully completed approved and supervised research, and presented the results lucidly in a thesis which
 - (a) critically investigates an approved topic of substance and significance, and
 - (b) demonstrates expertise in the methods of research and scholarship, and
 - (c) displays intellectual independence, and
 - (d) makes an original contribution to the research area.

Admission and Enrolments

3. To qualify to enrol for the MPhil, an applicant must
 - (a) have qualified for the award of a New Zealand bachelors degree with honours or masters degree,¹ in a field relevant to the proposed research with at least second class honours (first division) or distinction or for a qualification considered by the Academic Board to be equivalent, or
 - (b) have passed qualifying papers at a satisfactory level in a field relevant to the proposed research,and
 - (c) have demonstrated research ability, normally at least 30 points of research in an honours or master's degree, or significant professional research experience or equivalent, or
 - (d) in exceptional circumstances have produced other evidence to the satisfaction of the Postgraduate Research Committee that they have adequate skills and knowledge to proceed with the proposed research.
4. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#).
5. Applicants must apply through the online [Application to Enrol](#).
6. Applications to enrol and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
7. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the proposed research.
8. The Dean of Te Mata Kairangi School of Graduate Research will appoint a supervisory panel, for each candidate; each candidate must have a minimum of two supervisors, one of whom is normally a continuing staff member of the University and the chief supervisor.
9. Candidates are required to maintain contact with their supervisory panel throughout the entire period of their enrolment in the MPhil.
10. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or that their enrolment may be terminated.
11. Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement, a student may not be approved to enrol, or remain enrolled, if:
 - (a) the student has not provided and maintained a valid and current Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
 - (b) the student does not have an agreed study plan, approved by the Dean of Te Mata Kairangi

School of Graduate Research, that confirms there are no required activities that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement.

12. Changes to a candidate's conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
13. The termination of a candidate's enrolment is subject to approval by the Postgraduate Research Committee.
14. Candidates whose applications are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the relevant Division or the Faculty of Māori and Indigenous Studies and, subject to progress which meets expectations, pursue their research for
 - (a) one year if they are enrolled on a full-time (1.0 FTE) basis, or
 - (b) two years if they are enrolled on a part-time (0.5 FTE) basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
15. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
16. Candidates must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
17. Candidates are required to maintain continuous enrolment throughout the entire period of the MPhil
18. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
19. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent.
20. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
21. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets expectations and/or comply with any regulations or policies which relate to enrolment for the MPhil.
22. Candidates must provide evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#) and/or [Code of Ethical Conduct for the Use of Animals for Research Testing and Teaching 2014](#) .
23. The thesis may consist of the candidate's published or unpublished material, or a combination; all such materials must have been produced within the term of enrolment.
24. Where the thesis includes the candidate's published or unpublished research papers, these must

- (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's MPhil enrolment.
25. Where the thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
26. Candidates must indicate in the thesis any material that has been used or presented for any other degree.
27. Where the thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
28. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.

Examination

29. The Dean of Te Mata Kairangi School of Graduate Research will appoint two examiners for the MPhil thesis who are external to the University and not directly connected with the candidate or the candidate's research; at least one of the examiners must be from outside New Zealand.
30. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research may appoint a further examiner.
31. On the basis of the reports of the examiners, the Dean of Te Mata Kairangi School of Graduate Research will resolve
- (a) that the thesis be accepted in its present form as fulfilling the requirements of the MPhil, or
 - (b) that the thesis be accepted as fulfilling the requirements of the MPhil subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the thesis be accepted subject to the candidate completing substantial amendments to the satisfaction of the examiners or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
 - (d) that an oral examination of the candidate be conducted, and a further report, based on the oral examination, be provided by the examiners to the Dean of Te Mata Kairangi School of Graduate Research, or
 - (e) that the thesis is not acceptable in its present form and that the candidate, may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
 - (f) that the candidate has failed to meet the required standard and that no degree be awarded.

32. A candidate will be permitted to revise and re-submit a thesis only once and only one oral examination will be held.
33. A candidate who fails to undertake the oral examination, if required, or who fails to complete amendments to the thesis as required under subclauses 30(b), (c) or (e) will be deemed to have failed to meet the required standard and no degree will be awarded.

Transfers

34. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research at any time between enrolment and submission of the thesis to transfer to the Doctor of Philosophy (PhD).

Complaints and Appeals

35. A candidate who wishes to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee made under these regulations, or who has a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).

Reporting

36. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee are required to report any decisions they make with respect to MPhil candidates which fall outside of these regulations to the Research Committee.

Notes:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from those who have completed a professional master's degree will be considered on a case-by-case basis.*

 14. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
 15. Candidates must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
 16. Candidates are required to maintain continuous enrolment throughout the entire period of the PhD.
 17. Enrolment of all new candidates for the PhD approved by the Dean of Te Mata Kairangi School of Graduate Research is conditional for an initial period of six months if they are enrolled on a full-time basis or twelve months if they are enrolled on a part-time basis.
 18. Confirmation of enrolment by the Dean of Te Mata Kairangi School of Graduate Research after the initial enrolment period is subject to the submission by the candidate of
 - (a) an acceptable research proposal, and
 - (b) a presentation of the proposed research to a confirmation of enrolment panel, and
 - (c) evidence of ethical approval or a statement confirming that it is not required, in accordance with the [*Ethical Conduct in Human Research and Related Activities Regulations 2008*](#), and
 - (d) a recommendation from the candidate's supervisors, Head of School or equivalent and Associate Dean Postgraduate Research or equivalent that the candidate proceed into unconditional enrolment.
 19. If the candidate's enrolment is not confirmed within nine months of initial enrolment if they are

enrolled on a full-time basis or eighteen months if they are enrolled on a part-time basis it will be terminated.

20. Candidates are required to maintain contact with their supervisory panel throughout the entire period of the enrolment in the PhD.
21. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
22. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent.
23. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
24. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets expectations and/or comply with any regulations or policies which relate to enrolment for the PhD.
25. The thesis may consist of the candidate's published or unpublished material, or a combination of both; all such materials must have been produced within the term of enrolment.
26. Where the thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's PhD enrolment.
27. Where a thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
28. Candidates must indicate in the thesis any material that has been used or presented for any other degree.
29. Candidates who intend to integrate a creative practice component with their PhD thesis must comply with the [Requirements for PhD with a Creative Practice Component](#). 
30. Where the thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
31. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.

Examination

32. The Dean of Te Mata Kairangi School of Graduate Research will appoint at least two examiners for the PhD thesis who are external to the University and not directly connected with the candidate or the candidate's research; at least one of the examiners must be from outside New

Zealand.

33. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research may appoint a further examiner.
34. The Dean of Te Mata Kairangi School of Graduate Research will make a decision whether or not to proceed to oral examination based on the recommendations and reports of the examiners following the examination of the thesis and will resolve
 - (a) that the thesis should proceed to oral examination, the work does not require significant revisions, or
 - (b) that the thesis should proceed to oral examination, revisions anticipated, or
 - (c) that the thesis should not proceed to oral examination and the candidate should be asked to re-enrol for a minimum of six months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the thesis for re-examination, or
 - (d) that the thesis should not proceed to oral examination and should not be accepted for the PhD but is acceptable as fulfilling the requirements for the degree of Master of Philosophy (subject to amendments of a minor nature), or
 - (e) that the thesis should not proceed to oral examination and should not be accepted for the award of a doctoral degree.
35. On the basis of the final reports of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research will resolve
 - (a) that the thesis be accepted in its present form as fulfilling the requirements of the PhD, or
 - (b) that the thesis be accepted as fulfilling the requirements for the degree of PhD, subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the thesis be accepted subject to the candidate completing amendments to the satisfaction of the examiners or chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks of the oral examination, or
 - (d) that the thesis is not acceptable in its present form and that to the candidate may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
 - (e) that the thesis not be accepted for the degree of PhD, but be accepted as fulfilling the requirements for the degree of Master of Philosophy (MPhil), or
 - (f) that the candidate has failed to meet the required standard and that no degree be awarded.
36. A candidate will be permitted to revise and re-submit a thesis only once and only one oral examination will be held.
37. A candidate who fails to undertake the oral examination or who fails to complete amendments to the thesis as required under subclauses 34(b), (c) or (d) will be deemed to have failed to meet the required standard and no degree will be awarded.

Transfers

38. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research at any time between enrolment and submission of the thesis to transfer from a PhD to a Master of Philosophy (MPhil).

Complaints and Appeals

39. A candidate who wishes to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee made under these regulations, or who has a concern about supervision or any other aspect of their candidature may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).

Reporting

40. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee are required to report any decisions they make with respect to PhD candidates which fall outside of these regulations to the Research Committee.

Notes:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from those who have completed a professional master's degree will be considered on a case-by-case basis.*

Doctor of Education (EdD)

The regulations below set down the requirements for the award of the degree of Doctor of Education (EdD).

Formal policies and procedures related to enrolment and examination for the degree, along with information about administration matters, are available from the [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Doctor of Education (EdD)

Date of effect

1. These regulations are effective from 1 January 2023

Requirements for the Degree

2. The degree of Doctor of Education (EdD) is awarded to candidates who have successfully completed a programme of coursework and research in two parts as follows:
 - (a) *Part 1 - Coursework*

Candidates must gain

 - (i) a minimum grade of B+ in the paper EDUCA980 *Advanced Education Inquiry: Research Paradigms and Theories*, and
 - (ii) a minimum grade of B+ in each of two elective papers as listed under the prescriptions for the Doctor of Education in the [Education](#) entry in the Catalogue of Papers, and
 - (iii) a Pass grade in the paper EDUCA990 *Advanced Education Inquiry: Research Design*.

(b) *Part 2 - Thesis*

Candidates must undertake approved and supervised research, and present the results lucidly in a thesis which

- (i) critically investigates an approved topic of substance and significance, and
- (ii) demonstrates expertise in the methods of research and scholarship, and
- (iii) displays intellectual independence, and
- (iv) makes a substantial original contribution to the research area.

3. Candidates may not proceed to Part 2 of the EdD until the Postgraduate Studies Committee has confirmed that they have passed, to the prescribed standards, every component of Part 1.

Admission and Enrolment

4. To qualify to enrol for the EdD, an applicant must

- (a) have qualified for the award of a recognised teaching or allied professional qualification and must produce evidence of at least three years of competent service as an education practitioner.

and

- (b) have qualified for the award of a New Zealand bachelors degree with honours or master's degree in a field relevant to the proposed research¹ with at least second class honours (first division) or distinction, or for a qualification considered by the Academic Board to be equivalent, or

- (c) have qualified for the award of the degree of Master of Philosophy (MPhil) in a field relevant to the proposed research, or

- (d) have passed qualifying papers at a satisfactory level in a field relevant to the proposed research,

and

- (e) have demonstrated research experience and ability, normally at least 30 points of research in an honours or master's degree, or significant professional research experience, or equivalent, or

- (f) in exceptional circumstances have produced other evidence to the satisfaction of the Postgraduate Research Committee that they have adequate skills and knowledge to proceed with the proposed research.

5. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#).

6. Applicants must apply through the online [Application to Enrol](#).

7. Initial enrolment is in Part 1. When the Associate Dean Academic of Te Kura Toi Tangata School

of Education has confirmed that candidates have passed Part 1 to the prescribed standards, candidates may apply for enrolment in Part 2.

8. Enrolment in Part 2 is approved by the Dean of Te Mata Kairangi School of Graduate Research subject to the submission by the candidate of
 - (a) an acceptable research proposal, and
 - (b) a presentation of the proposed research to a confirmation of enrolment panel, and
 - (c) evidence of ethical approval or a statement confirming that it is not required, in accordance with the [*Ethical Conduct in Human Research and Related Activities Regulations 2008*](#) and
 - (d) a recommendation from the candidate's supervisors, Head of School or equivalent and the Division of Education that the candidate proceed into Part 2.
9. The Dean of Te Mata Kairangi School of Graduate Research will appoint a supervisory panel for each candidate who proceeds to Part 2; each candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.
10. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or that their enrolment may be terminated.
11. Changes to a candidate's conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
12. The termination of a candidate's enrolment is subject to approval by the Postgraduate Research Committee.
13. Candidates whose applications are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Division of Education and, subject to progress which meets expectations, pursue their coursework and research for
 - (a) normally a minimum of three years and a maximum of four years if they are enrolled on a full-time (1.0 EFT) basis, or
 - (b) normally a minimum of six years and a maximum of eight years if they are enrolled on a part-time (0.5 EFT) basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
14. Enrolment is approved, in the first instance for:
 - (a) a maximum of one year in Part 1 and a maximum of four years in Part 1 and Part 2 if the candidate is registered on a full-time basis, or
 - (b) a maximum of two years in Part 1 and a maximum of eight years in Part 1 and Part 2 if the candidate is registered on a part-time basis, or

- (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
15. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
 16. Candidates must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
 17. Candidates are required to maintain continuous enrolment throughout the entire period of the EdD.
 18. Candidates are required to maintain contact with their supervisory panel throughout the entire period of enrolment in Part 2 of their EdD.
 19. Following enrolment in Part 2, candidates must submit six-monthly reports on the progress of their research work.
 20. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent.
 21. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
 22. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets expectations and/or comply with any regulations or policies which relate to enrolment for the EdD.
 23. A thesis may consist of the candidate's published or unpublished material, or a combination of both; all such materials must have been produced within the term of enrolment.
 24. Where the thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's EdD enrolment.
 25. Where the thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
 26. Candidates must indicate in the thesis any material that has been used or presented for any other degree.
 27. Where the thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is submitted for examination.
 28. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the

University's requirements with respect to the submission and presentation of theses.

Examination

29. The Dean of Te Mata Kairangi School of Graduate Research will appoint at least two examiners for the thesis who are external to the University and not directly connected with the candidate or the candidate's research; at least one of the examiners must be from outside New Zealand.
30. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research may appoint a further examiner.
31. The Dean of Te Mata Kairangi School of Graduate Research will make a decision whether or not to proceed to oral examination based on the recommendations and reports of the examiners following the examination of the thesis and will resolve
 - (a) that the thesis should proceed to oral examination, the work does not require significant revisions, or
 - (b) that the thesis should proceed to oral examination, revisions anticipated, or
 - (c) that the thesis should not proceed to oral examination. The candidate should be asked to re-enrol for a minimum of six months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the thesis for re-examination, or
 - (d) that the thesis should not proceed to oral examination and should not be accepted for the EdD degree but is acceptable as fulfilling the requirements for the degree of Master of Education (MEd) or Master of Philosophy (MPhil) (subject to amendments of a minor nature), or
 - (e) that the thesis should not proceed to oral examination and should not be accepted for the award of a doctoral degree.
32. On the basis of the final reports of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research will resolve
 - (a) that the thesis be accepted in its present form as fulfilling the requirements of Part 2 of the EdD, or
 - (b) that the thesis be accepted as fulfilling the requirements of Part 2 of the EdD subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the thesis be accepted as fulfilling the requirements of Part 2 of the EdD subject to the candidate completing substantial amendments to the satisfaction of all the examiners or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
 - (d) that the thesis is not acceptable in its present form and the candidate may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
 - (e) that the thesis is not acceptable for the EdD but should be accepted as fulfilling the requirements of the degree of Master of Education (MEd) or Master of Philosophy (MPhil), or

(f) that the candidate has failed to meet the required standard and that no degree be awarded.

33. A candidate will be permitted to revise and re-submit a thesis only once and only one oral examination will be held.

Transfers

34. A candidate who has completed Part 1 of the degree, but who has not qualified to proceed to Part 2 may apply to the Postgraduate Research Committee Representative of the Division of Education to transfer to an applicable Postgraduate Diploma.

35. A candidate may apply to the Postgraduate Research Committee Representative of the Division of Education at any time during Part 2 of the degree before submission of the thesis to transfer to the Master of Education (MEd).

36. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research at any time during Part 2 of the degree before submission of the thesis to transfer to the Master of Philosophy (MPhil).

Complaints and Appeals

37. A candidate who wishes to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee made under these regulations, or who has a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).

Reporting

38. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee are required to report any decisions they make with respect to EdD candidates which fall outside of these regulations to the Research Committee.

4. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#).
5. Applicants must apply through the online [Application to Enrol](#).
6. Applications to enrol and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
7. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the proposed research.
8. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or that their enrolment may be terminated.

9. Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement, a student may not be approved to enrol, or remain enrolled, if:
 - (a) the student has not provided and maintained a valid and current Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
 - (b) the student does not have an agreed study plan, approved by the Dean of Te Mata Kairangi School of Graduate Research, that confirms there are no required activities that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement.
10. Changes to a candidate's conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
11. The termination of a candidate's enrolment is subject to approval by the Postgraduate Research Committee.
12. Candidates whose applications are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Division of Health, Engineering, Computing and Science and, subject to progress which meets expectations, pursue their coursework and research for

4. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#).
5. Applicants must apply through the online [Application to Enrol](#).
6. Applications to enrol and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
7. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the proposed research.
8. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or that their enrolment may be terminated.
9. Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement, a student may not be approved to enrol, or remain enrolled, if:

- (a) the student has not provided and maintained a valid and current Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
 - (b) the student does not have an agreed study plan, approved by the Dean of Te Mata Kairangi School of Graduate Research, that confirms there are no required activities that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement.
10. Changes to a candidate's conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
11. The termination of a candidate's enrolment is subject to approval by the Postgraduate Research Committee.
12. Candidates whose applications are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Division of Arts, Law, Psychology and Social Sciences and, subject to progress which meets expectations, pursue their coursework and research for
- (a) normally a minimum of three years and a maximum of four years, if they are enrolled on a full-time (1.0 FTE) basis, or
 - (b) normally a minimum of six years, if they are enrolled on a part-time (0.5 FTE) basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
13. Enrolment is approved, in the first instance for
- (a) a maximum of one year in Part 1 and a maximum of four years in Part 1 and Part 2 if the candidate is registered on a full-time basis, or
 - (b) a maximum of two years in Part 1 and a maximum of eight years in Part 1 and Part 2 if the candidate is registered on a part-time basis, or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
14. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
15. Candidates must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
16. Candidates are required to maintain continuous enrolment throughout the entire period of the SJD.
17. Initial enrolment is in Part 1. When the Dean of Te Piringa Faculty of Law has confirmed that a candidate has passed Part 1 to the prescribed standards, they may apply for enrolment in Part 2.
18. Enrolment in Part 2 is approved by the Dean of Te Mata Kairangi School of Graduate Research subject to the submission by the candidate of
- (a) an acceptable research proposal, and

- (b) a presentation of the proposed research to a confirmation of enrolment panel, and
 - (c) evidence of ethical approval or a statement confirming that it is not required, in accordance with the [Ethical Conduct in Human Research and Related Activities Regulations 2008](#), and
 - (d) a recommendation from the candidate's supervisor, Head of School or equivalent and the Division of Arts, Law, Psychology and Social Sciences Associate Dean Postgraduate that the candidate proceed into Part 2.
19. The Dean of Te Mata Kairangi School of Graduate Research will appoint a supervisory panel for each candidate who proceeds to Part 2; each candidate must have a minimum of two supervisors, one of whom is normally a continuing staff member of the University and the chief supervisor.
 20. Candidates are required to maintain contact with their supervisory panel throughout the entire period enrolment in Part 2 of the SJD.
 21. Following enrolment, candidates must submit six-monthly reports on the progress of their research work.
 22. A candidate may apply to the Dean of Te Mata Kairangi School of Graduate Research for a suspension from enrolment for a maximum period of twelve months full-time equivalent.
 23. A candidate is not entitled to supervision or any University resources during a period of suspension and does not incur tuition fees.
 24. The Postgraduate Research Committee has authority to terminate the enrolment of a candidate at any time if the candidate fails to demonstrate progress which meets expectations and/or comply with any regulations or policies which relate to enrolment for the SJD.
 25. A thesis may consist of the candidate's published or unpublished material, or a combination of both; all such material must have been produced within the term of enrolment.
 26. Where an SJD thesis includes the candidate's published or unpublished research papers, these must
 - (a) be the sole work of the candidate or, where a paper has been co-authored with a supervisor, the candidate will be the lead author, and
 - (b) represent original, supervised research undertaken within the term of the candidate's SJD enrolment.
 27. Where the thesis primarily consists of a series of published or unpublished research papers, these must be accompanied by introductory chapter/s providing a contextual framework for the thesis, and a concluding chapter providing a synthesising discussion.
 28. Candidates must indicate in the thesis any material that has been used or presented for any other degree.
 29. Where the thesis contains co-authored research papers and/or any other co-produced work, published or unpublished, Co-Authorship Forms must be completed by the candidate and all other joint authors or producers. These forms must be included as an appendix to the thesis when it is

submitted for examination.

30. Candidates must comply with the [Dissertations and Theses Regulations 2020](#) which set out the University's requirements with respect to the submission and presentation of theses.

Examination

31. The Dean of Te Mata Kairangi School of Graduate Research will appoint at least two examiners for the thesis who are external to the University and not directly connected with the candidate or the candidate's research; at least one of the external examiners Must be from New Zealand.
32. In the case of divergent examination outcomes, the Dean of Te Mata Kairangi School of Graduate Research may appoint a further examiner.
33. The Dean of Te Mata Kairangi School of Graduate Research will make a decision whether or not to proceed to oral examination based on the recommendations and reports of the examiners following the examination of the thesis and will resolve
- (a) that the thesis should proceed to oral examination, the work does not require significant revisions, or
 - (b) that the thesis should proceed to oral examination, revisions anticipated, or
 - (c) that the thesis should not proceed to oral examination. The candidate should be asked to re-enrol for a minimum of six months to undertake the major revisions indicated in the examiners reports and in due course to re-submit the thesis for re-examination, or
 - (d) that the thesis should not proceed to oral examination and should not be accepted for the SJD but is acceptable as fulfilling the requirements for the degree of Master of Laws (LLM) or Master of Philosophy (MPhil) (subject to amendments of a minor nature), or
 - (e) that the thesis should not proceed to oral examination and should not be accepted for the award of a doctoral degree.
34. On the basis of the final reports of the examiners following the oral examination, the Dean of Te Mata Kairangi School of Graduate Research will resolve
- (a) that the thesis be accepted in its present form as fulfilling the requirements of Part 2 of the SJD, or
 - (b) that the thesis be accepted as fulfilling the requirements of Part 2 of the SJD subject to the candidate undertaking minor amendments and/or correcting typographical errors as required by the examiners, to the satisfaction of the chief supervisor, or
 - (c) that the thesis be accepted as fulfilling the requirements of Part 2 of the SJD subject to the candidate completing substantial amendments to the satisfaction of all the examiners or the chief supervisor, provided that these amendments are not so substantial as to necessitate re-submission and are completed within ten weeks, or
 - (d) that the thesis is not acceptable in its present form and the candidate may revise it and re-submit it for examination after a re-enrolment for a minimum period of six months, or
 - (e) that the thesis is not acceptable for the SJD but should be accepted as fulfilling the

requirements of the degree of Master of Laws (LLM) or Master of Philosophy (MPhil), or

(f) that the candidate has failed to meet the required standard and that no degree be awarded.

35. A candidate will be permitted to revise and re-submit a thesis only once and only one oral examination will be held.

Transfers

36. A candidate who has completed Part 1 of the degree, but who has not qualified to proceed to Part 2 may apply to the Dean of Te Piringa Faculty of Law to transfer to the Postgraduate Diploma in Law (PGDip(Law)).

37. A candidate may apply to the Dean of Te Piringa Faculty of Law, to transfer to the Master of Laws (LLM) either

(a) When they have completed Part 1 and qualified for but not yet enrolled in Part 2 of the degree

(b) At any time during Part 2 of the degree before the submission of the thesis.

38. A candidate may apply to Dean of Te Mata Kairangi School of Graduate Research, at any time during Part 2 of the degree before submission of the thesis to transfer to the Master of Philosophy (MPhil).

Complaints and Appeals

39. A candidate who wishes to appeal a decision by the Dean of Te Mata Kairangi School of Graduate Research or the Postgraduate Research Committee made under these regulations, or who has a concern about supervision or any other aspect of their candidature, may raise the matter under the [Higher Degree Appeals and Complaints Regulations](#).

Reporting

40. The Dean of Te Mata Kairangi School of Graduate Research and the Postgraduate Research Committee are required to report any decisions they make with respect to SJD candidates which fall outside of these regulations to the Research Committee.

Note:

1. *Some professional master's degrees, such as the Master of Business Administration, are not intended to provide a pathway to doctoral study. Applications from those who have completed a professional master's degree will be considered on a case-by-case basis.*

Doctor of Musical Arts (DMA)

The regulations below set down the requirements for award of the degree of Doctor of Musical Arts (DMA).

Formal policies and procedures related to enrolment and examination for the degree, along with information about administration matters, are available from [Te Mata Kairangi School of Graduate Research](#) and on the University of Waikato website.

These regulations, policies and procedures are administered by the Dean of Te Mata Kairangi School of Graduate Research and the University's Postgraduate Research Committee.

Regulations for the Degree of Doctor of Musical Arts (DMA)

Date of effect

1. These regulations are effective from 28 July 2021

Requirements for the Degree

2. The degree of Doctor of Musical Arts (DMA) is awarded to candidates who have successfully completed a coherent programme of performance and research in two parts as follows:
 - (a) *Part 1 - Performance*

Candidates must

 - (i) undertake supervised musical performance, and present one public recital in their first year, and
 - (ii) give two further public recitals during the course of their candidacy. The repertoire must be determined in consultation with the candidate's supervisory panel and may include a concerto, a leading role in an opera, a chamber music recital or Māori musical arts based

performance, and

- (iii) present a seminar on their proposed research during their second year of study, and
- (iv) present a final research-based public recital, which will be of ninety minutes duration and which demonstrates performance skills at the highest professional levels, meeting internationally recognised standards for such work. This final recital must be recorded to professional standards in audio-visual format.

(b) *Part 2 - Thesis*

Candidates must undertake approved and supervised research that makes an original contribution to the field of knowledge relating to music performance and is presented in the form of a written thesis of no more than 35,000 words which,

- (i) critically investigates an approved topic of substance and significance relating to the candidate's examinable programme, and
- (ii) demonstrates expertise in the methods of research and scholarship, and
- (iii) displays intellectual independence, and
- (iv) makes a substantial original contribution to the research area.

Admission and Enrolment

3. To qualify to enrol for the DMA, an applicant must
 - (a) have qualified for the award of a New Zealand Master of Music (MMus) degree with at least second class honours (first division) or for a qualification considered by the Academic Board to be equivalent, and

4. Applicants whose first language is not English are required to meet the [English Language Requirements for Admission](#).
5. Applicants must apply through the online [Application to Enrol](#). Their application must include an audition recording.
6. Applications to enrol and the conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board.
7. As one of the preconditions for the approval of an application to enrol, the Dean of Te Mata Kairangi School of Graduate Research will establish that the necessary supervision and resources can be provided for the proposed research.
8. If at any time subsequent to the approval of an application the University encounters changes to its staffing or resources, it will make all reasonable efforts to ensure that these do not disadvantage the candidate. However, changes to staffing and resources can mean that a candidate's conditions of enrolment are subject to change or that their enrolment may be terminated.

9. Pursuant to the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement, a student may not be approved to enrol, or remain enrolled, if:
 - (a) the student has not provided and maintained a valid and current Ministry of Health My Vaccine Pass as evidence of COVID-19 vaccination or exemption, and
 - (b) the student does not have an agreed study plan, approved by the Dean of Te Mata Kairangi School of Graduate Research, that confirms there are no required activities that would breach the COVID-19 Public Health Response (Vaccinations) Order 2021 or any University COVID-19 vaccination requirement.
10. Changes to a candidate's conditions of enrolment are subject to approval by the Dean of Te Mata Kairangi School of Graduate Research under delegated authority of the Academic Board
11. The termination of a candidate's enrolment is subject to approval by the Postgraduate Research Committee.
12. Candidates whose applications are approved by the Dean of Te Mata Kairangi School of Graduate Research must enrol in the Division of Arts, Law, Psychology and Social Sciences and, subject to progress which meets expectations, pursue their performance and research for
 - (a) normally a minimum of three years and a maximum of four years, if they are enrolled on a full-time basis (1.0 FTE), or
 - (b) normally a minimum of six years and a maximum of eight years, if they are enrolled on a part-time basis (0.5 FTE), or
 - (c) a term approved by the Dean of Te Mata Kairangi School of Graduate Research which represents a combination of full-time and part-time study.
13. In exceptional circumstances a candidate may apply to the Postgraduate Research Committee for an extension of enrolment.
14. Candidates must not be concurrently enrolled in a research qualification at any other university without written permission from both universities.
15. Candidates are required to maintain continuous enrolment throughout the entire period of the DMA.
16. Enrolment of all new candidates approved by the Dean of Te Mata Kairangi School of Graduate Research is conditional for an initial period of six months. Confirmation of enrolment by the Dean of the School of Graduate Research after the initial period of six months is subject to the submission by the candidate of
 - (a) an acceptable research proposal, and
 - (b) evidence of ethical approval or a statement confirming that it is not required, in accordance with the [*Ethical Conduct in Human Research and Related Activities 2008*](#), and
 - (c) a presentation of the proposed research to a confirmation of enrolment panel, and
 - (d) a recommendation from the supervisors, the Head of the School of Arts and the Associate

Dean Postgraduate that the candidate proceed into unconditional enrolment.

17. If the candidate's enrolment is not confirmed within nine months of initial enrolment if they are enrolled on a full-time basis or eighteen months if they are enrolled on a part-time basis it will be terminated.
18. The Dean of Te Mata Kairangi School of Graduate Research will appoint a supervisory panel for each candidate; each candidate must have a minimum of two supervisors, one of whom is a continuing staff member of the University and the chief supervisor.

If an approved internship position cannot be arranged, placement of a student may be deferred, normally for a maximum of 12 months. As placements become available priority will be given to students for whom they have been deferred.
10. Every candidate must, before presenting themselves for the final examination for the Postgraduate Diploma, have satisfactorily completed the requirements of sections 8(b). The procedures and criteria for assessing the personal and professional competencies central to the satisfactory completion of the requirements referred to in sections 8(b) of these regulations shall

be as prescribed in the appropriate paper outlines.

11. A student may be withdrawn from the programme if:

- (a) they fail more than two of the clinical papers (PSYC521, PSYC522, PSYC523, PSYC524, PSYCH526, PSYCH527)
- (b) it is determined, by the Clinical Psychology Selection Committee, that they cease to meet the standards set out in the criteria for admission to register as a clinical psychologist as defined by the New Zealand Psychologist Board's Core Competencies for Practice of Psychology in New Zealand, The Code of Ethics and Best Practice Guidelines.

Variations

12. The Pro Vice-Chancellor of the Division or delegated authority may vary or waive these regulations in individual cases.
