School Support Declaration

I approve this student's application to study the Unistart papers above and I agree to support this student while they study on the Unistart programme. On behalf of the Secondary School I agree to the following terms:

The Secondary School Agrees:

1. To provide suitable staff, facilities, resources and moderation as required in conjunction with the relevant University of Waikato Divisions, Faculties, and Schools to support the delivery of the papers and to assist students with the work required to complete the papers.
2. To ensure students have completed the online Unistart application form including submission of this form two weeks prior to the commencement of any given trimester/teaching period (A, B, C, D or G) of students wishing to enrol in any papers.
3. To oversee the completion of items of assessment by enrolled students and ensure that this work is submitted by the deadlines set out in the paper outline. Items of assessment submitted after the deadlines will not be accepted and marked unless the relevant paper convener(s) at the University of Waikato are first advised of the extenuating circumstances and have approved the revised due date. Students who do not complete a compulsory item of assessment will receive an Incomplete (IC) grade.
4. To ensure that students enrolled in the papers have been informed of the University of Waikato academic and disciplinary rules and understand that they will be subject to the University of Waikato academic, disciplinary and complaints rules, regulations, policies and procedures as set out in the University of Waikato Calendar (available at <http://calendar.waikato.ac.nz/>).
5. To ensure that, where the Secondary School has been approved to teach a paper, that paper is taught according to the curriculum provided by the University.
6. To ensure that students enrolled in the papers sit the internal tests and formal examinations set by the University at the times and under the conditions specified by the University.
7. Where applicable, to provide the University with a record of the marks achieved for the agreed items of assessment by the due date (see paper outline of appropriate paper), to enable the University to establish the students final grades for the papers. Students who do not complete a compulsory item of assessment will receive an Incomplete (IC) grade.
8. To return all resources to the relevant University of Waikato Division or Faculty upon withdrawal of student/completion of paper.
9. To recognise the University's ownership of any intellectual property rights associated with the papers.

Both the University and the Secondary School Agree

That the Secondary School and the University through the relevant University of Waikato Divisions, Faculties, and Schools will communicate with each other regarding matters which may affect the student's studies, and to monitor the students overall academic progress.

Complaint and Dispute Resolution Process

The Secondary School and the University shall take all reasonable steps to resolve any dispute that may arise in connection to this agreement. In the first instance, complaints and disputes should be directed to the University's Unistart Team who will investigate the complaint or dispute.
