In my experience as a pouako of 21 years I have taught in Kura Auraki, Kura ā iwi, Kura Kaupapa, Kura Māori and Reo Rua. During this time I have strengthened my practice, refined myself as a leader, and mentored and developed other kaiako. I have worked alongside kaiako to develop effective assessment and planning methods and supported them in trialling different ways to deliver lessons. I have built professional relationships with ākonga and their whanau local hapori, hapū and iwi.

Summary of examples of practice

<p>My career has been very diverse, working in multi-level classrooms within Kura Kaupapa Māori, Kura-ā-Iwi, Dual Medium and Mainstream schools. I have held various leadership positions during my career but strongly adhere to the belief that I am a lifelong learner. I am very passionate about developing skills/capabilities and values of kaiako and leaders that I work alongside. Throughout my career I have demonstrated the critical aspects of leadership; leading from the front, taking advice from my peers and helping my students grow and develop. I have consistently invested in my own personal and professional development striving to become a better leader. I am very motivated and open to pursue new learning opportunities.</p> <p>Nā tō rourou, nā taku rourou ka ora ai te iwi.</p>
