

University of Montana

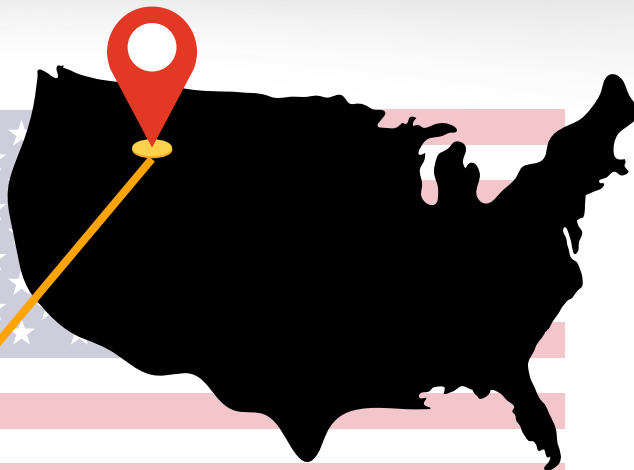

Website

There are only so many hours in the day, and with countless groups to join, sports to play, and performances to take in, you'll have no problem filling them. And that's just on campus. The city campus is located in Missoula, right at the convergence of five mountain ranges, and offers 360 degrees of stunning views. It's known as the arts and culture capital of Montana and was named the most fun town for young adults.
