Website

UNCW is a large institution with a private feel—and the view's great, too. The learning, the service, the research, the camaraderie, the campus, be a part of it all! Here at the state's coastal university, you'll experience a beautiful campus setting. Located just minutes from the beach, Wilmington, NC, also has a vibrant culture that celebrates the arts, film, and music, and a host of campus/community connections to ensure you find where you belong both on and off campus.
